Dear Torsten Nenzen,

Based on advise from a Pastor from of a church you recently visited in Melbourne and where you caused a commotion, and by scanning the documents that you have posted on the internet detailing the fact that you have been deported or refused entry in various countries, and the many churches from around the world who have “excommunicated” you, I will like to inform you that:

1. You are not welcome to attend any meetings of Beit HaMashiach Messianic Congregation at 206 Bambra Road, Caulfield South, Victoria, Australia.
2. Should you attempt to attend any services at the above address, you will be considered trespassing on private property, the Police will be called and you’ll be asked to leave.
