

**The devilish British-owned company in Melbourne, Australia "Christian Connection Australia" banned a Christian from their "Christian" website business because the Christian believes that the Bible is authoritative for Christian doctrine also in relation to human sexuality. The anti-Christian British internet subsidiary-company in Australia profiteers from a market of "Christian" singles; a market which is provided as a consequence of church-superficiality and sinful church-negligence of relationships.**

**(<http://www.christianconnection.com.au>)**

(<http://www.kyrkor.be/christianconnection.co.uk-discrimination-against-Christianity.pdf>)

Anti-Biblical "Christian Connection Australia" based in Melbourne, Australia is owned by the devilish British company "Christian Connection UK". The British company discriminates against Bible-believing Christians, and ban the real Christians who profess Biblically correct views that contradict the politically correct views of the British company. The devilish British company "Christian Connection UK" is thus exporting its satanic operations abroad, into Australia and into United States. The devilish British "Christianity" has established an internet niche to imperialise its anti-Biblical views on Australia and on United States.

The "Christian" company in Melbourne, Australia "Christian Connection Australia" censored a member's political views and closed the member's account, because it is the company's policy and praxis that no person is allowed to declare under the sub-heading 'Political Views' of their personal profile on the company website that "*Homosexual conduct is a sin against God.*", as this statement contradicts and the political view of the company.

Judging by the statements made from the British company head office earlier "*We do not share them [those Biblical values]... do not state them ... We would be grateful if you could take this on board. ... If you do not wish to compromise [with Biblical values] then you would be better finding another site to join.*", and by the statement made recently from the subsidiary-company office in Australia "*We have taken the decision to edit the comments you have made within the Political View section of your profile.*" followed by the statement "*[We] have made the decision to remove your profile from the site.*",

it is absolutely clear that satan governs the relationship market for single Christians also in Australia through the anti-Christian British owner Widernet Communications Ltd (<http://widernet.co.uk>).

Christian Connection Australia,

You wrote that you have decided to ban me from your website in Australia because I am a Bible-believing Christian, and because you insist that everyone on your website must subscribe to your company's political view that homosexual conduct is righteous.

The anti-Christian British website of your company (<http://www.christianconnection.co.uk>) banned me. (<http://www.kyrkor.be/christianconnection.co.uk-discrimination-against-Christianity.pdf>) for not compromising with God's Word.

*The British "Christian-led business", Christian Connection UK, censors member's political views and suspends members whose political views do not align with the company's politically correct and anti-Biblical views, as evidenced through the company's statements "we do not share them ... do not state them ... We would be grateful if you could take this on board. ... If you do not wish to compromise then you would be better finding another site to join."*

You have yet not explained or answered my questions to Christian Connection Australia to whom it causes offence to state that homosexual conduct is a sin

against God. Is it offensive to your views and your pro-homosexuality agenda?

Please answer these questions:

- To whom do these two particular Political Views cause offence?
- Does your company find the Bible to be offensive with these texts?
- On what basis do you call yourselves a Christian company?
- What is your company's political view on abortion?
- What is your company's political view on homosexual conduct?

Christian Connection Australia,

There is a problem logging in to my account totte144 on (<http://www.christianconnection.com.au>). Attached is a screen image of the error.

Shall I presume that your devilish British homosexualizing company (<http://www.christianconnection.co.uk>) has deleted my account on this Australian website and banned me, just as you did previously on your British website (<http://www.christianconnection.co.uk>) one year ago?

Shall I also presume that your British company also in Melbourne, Australia intends to refuse to explain and answer basic questions regarding your Non-Christian values and anti-Christian behaviour?

- To whom do these two particular Political Views cause offence?
- Does your company find the Bible to be offensive with these texts?
- On what basis do you call yourselves a Christian company?

**Subject:** Re: [Christian Connection Australia] Re: Your Profile (ticket #12893)

Christianconnection.com.au in Australia,

Hi!

I would like to know why your company edited my profile without my consent to do so. You wrote in your response to my inquiry that *"We have taken the decision to edit the comments you have made within the Political View section of your profile..."*

Your standardised profile encourages customers to present their "Political Views". But it seems that some political views are politically incorrect with your company, and therefore you control people's freedom of speech and freedom of political views by deleting those political views which you disagree

with. If your company encourages people to present their political views, then you must accept all types of political views, not only your company's own political views.

This was, still is, and always will be my necessary statement in the category "Political Views":

*"I believe that the Bible is authoritative for Christian life and Christian doctrine. Therefore, I never compromise with political correctness or liberal pseudo-Christian correctness. It is important for me that the woman I marry also has the courage to affirm Biblical values, such as the dignity of all human life. Abortion is the killing of innocent human life, and therefore equates ethically as murder. All sexuality belongs in context of marriage between one man and one woman. Homosexual conduct, therefore, is a sin against God. God detests homosexual conduct, and the Christian church must likewise be absolutely clear regarding the sinfulness of homosexual acts."*

This is the your edited version of my original text:

*"I believe that the Bible is authoritative for Christian life and Christian doctrine. Therefore, I never compromise with political correctness or liberal pseudo-Christian correctness."*

The text that you have deleted pertains to two core Biblical doctrines: 1) the dignity of human life and the Mosaic law "You shall not murder.", and 2) the gift but moral limitations of human sexuality.

These texts below are from the Judeo-Christian Bible. The Bible is authoritative to Christian faith. Your company claims to be "Christian". Therefore, you must acknowledge that these texts are God's Word. If you deny these Biblical texts as God's Word, then you cannot claim by Biblical definition to be Christians.

God's Word states:

Do not lie with a man as one lies with a woman; that is detestable.  
(Leviticus 18: 22)

If a man lies with a man as one lies with a woman, both of them have done what is detestable. They must be put to death; their blood will be on their own heads.  
(Leviticus 20: 13)

Do you not know that the wicked will not inherit the kingdom of God? Do not be deceived: Neither the sexually immoral nor idolaters nor adulterers nor male prostitutes nor homosexual offenders nor thieves nor the greedy nor drunkards nor slanderers nor swindlers will inherit the kingdom of God.  
(1 Corinthians 6: 9-10)

In a similar way, Sodom and Gomorrah [Genesis 19:4-5 male homosexuality] and the surrounding towns gave themselves up to sexual immorality and perversion. They serve as an example of those who suffer the punishment of eternal fire.  
(Jude 1:7)

Because of this, God gave them over to shameful lusts. Even their women exchanged natural relations for unnatural ones. In the same way the men also abandoned natural relations with women and were inflamed with lust for one another. Men committed indecent acts with other men, and received in themselves the due penalty for their perversion. Furthermore, since they did not think it worthwhile to retain the knowledge of God, he gave them over to a depraved mind, to do what ought not to be done.  
(Romans 1: 26-28)

Your company writes the following statement: *"We do not feel that your profile is the appropriate place to make comments such as these as they may cause offence."*

You encourage your customers to declare their Political Views, and delete those political views that your company disapproves of, by stating that some particular Political Views may cause offence. Therefore, please answer:

- To whom do these two particular Political Views cause offence?
- Does your company find the Bible to be offensive with these texts?
- On what basis do you call yourselves a Christian company?
- What is your company's political view on abortion?
- What is your company's political view on homosexual conduct?

I have read several female profiles on your company's website, and there I read objectionable profile content and views which I disagree with on either a Biblical basis or a personal basis. By that, I know not to contact those individuals. It seems that your company deletes Political Views that align with sound Biblical theology, and ignores/supports Political Views that deviate/contradict Biblical theology.

Please explain, and answer my questions.

Regards,

Torsten Nenzen

I love Jesus Christ more than I love anyone else.

I do some evangelism, with two key words representing my ministry style: Truth and Respect. I never deliberately compromise truth, regardless of consequences. And I strive to show respect to every individual, regardless of the recipient's current religion, current faith, current values, and current circumstance in life. I always speak the truth, and try to always respect the person.

I seek romance only within the moral boundaries of marriage, as a lifetime commitment in love.

I am physically active and athletic. I have almost two Masters degrees completed.

I hope to marry this woman:

1. She loves Jesus Christ more than she loves anyone else, including her potential love for me.
2. She is beautiful in my natural eyes at the point of commencing relationship.
3. She has a soft, gentle and loving personality.
4. She is intelligent with some academic degree.
