The untruthful and hostile churches in Auckland, New Zealand, as exhibited by Auckland's pastors on their nationwide forum "New Zealand Christian Network", satanically persecuted an absolutely innocent Christian with lies and false accusations in a manner which might be a criminal offence of defamation and cyber bullying/stalking in contravention of New Zealand law. The purpose of the churches in Auckland is to maximise their harm against an innocent Christian.

The screenshot shows a web browser displaying the New Zealand Christian Network website. The page features a blue header with the organization's logo and name, a search bar, and a navigation menu. The main content area displays an article titled "Warning re person travelling NZ" dated 20 February 2014. The article text describes a man named Torsten Nenzen and includes a portrait of him. On the right side, there are sections for "Share via" (with social media icons), "Newsletter signup" (with a registration form), and "Upcoming Events" (listing conferences in Auckland and Christchurch).

A single man (approx 50 yrs of age) whose name is
Torsten Nenzen is currently in the country and making a
nuisance of himself in many different church situations.

He engages people with false theology, especially young
woman. When he is confronted he acts strangely and
refuses to declare himself or cooperate. He then accuses
people of being satanic and posts things about them on
his website, which he does so through secret recordings
he has been taking while in those churches.

Torsten Nenzen

For years he has been sending strange emails to various Christian leaders.

Torsten has been expelled from numerous churches around the world, and he records and publishes these encounters. He has had some difficulty in Sweden which appears to have been related to an obsession with the Swedish Crown Princess, and has been expelled from Canada (where he used to have residency), and barred from the USA.

Our experience is that he should be told to leave any church property immediately and not return. We are notifying the police about him, and if he does come onto our
