

## 251. Two hundred fiftyfirst International Plea

Date: Wed, 30 Oct 2019 19:07

Subject: Spain's persecution against public advocacy for Biblical Christianity.

**Christian never-married innocent man, who wants to marry a Christian woman, is excommunicated/banished by all churches in Sweden, is ousted from Swedish society, and is devoid of humane future in Sweden – because of Sweden's heartless pastors and heretic priests, and due to Sweden's satanic politicians and Sweden's aggressively anti-Christian culture.**

### **Current:**

I am currently in Alicante, **Spain**.

In Alicante, **Spain**, and its neighbouring towns, there are zero churches where I am truly welcome. In the province of Valencia, Spain, there is not a single church anywhere that truly welcomes me to fellowship. Every single church in Alicante and its surrounding cities in southern Spain, which I have contacted several times previously, have all rejected me explicitly, implicitly, covertly or passively. In Spain, there is no church where I am welcome and able to communicate with single women, and therefore, it is impossible for God to connect a woman of His choice for me to marry. In Alicante as everywhere else, the pastors/priests of churches are the impediments to God's blessing of appointed Christian marriage. The vast majority of pastors/priests of churches everywhere follow the lead of satan in their satanic prevention of God's goodness. Essentially, the leaders of the churches behave like satan in their spiteful persecution.

Everywhere on earth, satanic pastors of churches have obstructed me from possibility of a Christian marriage. Because of obstruction by the satanic pastors of churches everywhere, I have never had any opportunity in life to marry a Christian woman. Utterly evil leaders of churches everywhere, have denied me the fundamental human condition to marry a woman. Satan truly is in charge of essentially all the churches worldwide, through professional pastors and priests.

### **Spanish Police and Spanish municipal governments violate human rights in their continuous anti-Christian pursuits.:**

The Spanish Police and the municipal governments of **Alicante**, **Elx** and **Santa Pola** in Spain have previously confronted Torsten and explicitly prohibited Torsten from handing out Biblical information about Jesus Christ to people in any public place within their municipalities in Spain. The Spanish Police have on multiple previous occasions approached Torsten and ordered Torsten to not evangelise with "*unauthorised*" Christian leaflets. Consequently, the cat-and-mouse "game" by Spanish Police continued; Torsten evangelising with recurring police pursuits and Torsten subsequently walking away/hiding from police, and then continuing to evangelise once the police pursuit was over, and the police were out of sight. Spain's Police consequently disregard the UN Universal Declaration of Human Rights articles 18, 19 and 20 and ignore the European Convention on Human Rights articles 9 and 10. (ECHR is known for its anti-Christian interpretations, and thus, paper exercises to ECHR is a futile endeavour for human rights justice.) Alicante City Council violates international human rights in their religious restrictions: <http://www.kyrkor.be/Ayuntamiento-de-Alicante-y-la-Policia-Nacional-en-Espana.htm> When Torsten previously inquired for legal defence, neither a single lawyer within Spain nor from Europe nor USA, wanted to challenge Spain's anti-Christian local governments' prohibition and Spanish Polices' enforcement against "*unauthorised*" leaflet distribution of Biblical information about Jesus Christ on public property. Spain's anti-Christian oppression by Spanish municipal governments and their Spanish Police is far from a cure to the increasing secularisation of Spain, but it contributes to a weakening of Christian influence on values by its people and society (moral decay), and inevitably reinforces other anti-Christian forces (ex. Islam). So, to some extent, Spain perhaps deserves the future that it inadvertently establishes for itself, as Spain continues to persecute against Biblical Christianity. The attitude-remnant of General Francisco Franco's previous dictatorship in Spain is prevalent in contemporary Spain's "democracy" and in its continued disrespect of fundamental human rights. Spain's continued repression of Biblical Christianity and its anti-evangelism persecution by Spain's neo-Francoist Madridian 'Guardia Civil' and by Spain's incompetent 'Policia Local', inevitably only serve to harm Spain.

Franco's legacy still saturate Spain's corrupt society.: <https://www.breitbart.com/news/spain-where-francos-legacy-inspires-love-and-loathing/>

Leaders of churches, everywhere on earth, are satanically determined to deliberately destroy the life of the innocent Christian person Torsten. Everywhere on earth, leaders of churches intentionally isolate innocent Torsten through the church-leaders' utter lies, false accusations, slander, evictions, banishments and collusive persecutions against innocent Torsten. Through facts and by the evidences, it is sensible and proper to conclude that satan is in control of the minds and hearts of leaders of churches, worldwide.
