President of Republic of Serbia, Mr. Aleksandar Vučić.

In reading the public statements by Australia's Prime Minister Scott Morrison 2022-01-14 regarding athlete Mr. Novak Djokovic, I hence position my empathy and support with the Republic of Serbia.

The Australian Government's treatment of Mr. Novak Djokovic is one additional reason for condemnation of corrupt Australian Governments and its cowardly Prime Minister Scott Morrison.

... but the corrupt Australian Government extols Aussie-style violent assault by its Margaret Court Aussie-churchianity ...

Victory Life Centre Church in Perth, Australia, under leadership of Reverend Margaret Court, explicitly excommunicated, interrogated, intimidated, threatened, lied, physically assaulted, violently evicted, and called police against innocent Christian:
