Hello Hillsong's British lead pastor Tim Douglass in Hillsong Central London, and pastor McLaren Lewis of Hillsong Central London, and Hillsong's former global executive pastor Brian Houston. On Sunday June 12, 2022, your local Hillsong London devilpastor Mclaeen Lewis evicted me from your churchianity premises at Dominion Theatre in central London. Your local Hillsong devilpastor McLaren Lewis orally confirmed that the decision by your supreme devilpastors of Hillsong to globally banish Torsten Nenzen from all Hillsong Network of churches, is**

unchanged. When the Hillsong devilpastor was asked by Torsten what the reality-based reason for Hillsong's global ban against Torsten is, Hillsong devilpastor McLaren Lewis answered that he did not know any reason, but Hillsong's devilpastor assured that: "I can definitively follow that up for you. I'll bring that up in our meeting during the week. [...] Like I said, I'll bring that up in our meeting this week, and you have my word on that." ? https://www.kyrkor.be/2022-06-12__London-Hillsong-pastor_McLaren-Lewis_evicts-innocent-Torsten.mp3 On Sunday, July 28, 2019, your local Hillsong London devilpastor Rhys Jansen evicted me from your churchianity premises at Dominion Theatre in central London. Your local Hillsong devilpastor Rhys Jansen orally confirmed that the decision by your supreme devilpastor of Hillsong (Brian Houston) to globally banish Torsten Nenzen from all Hillsong Network of churches, is unchanged, and that Torsten Nenzen thus is still globally banned by Brian Houston. Your local devilpastor Rhys Jansen, of course, absolutely refused to specify what Brian Houston's "very good reason" is for Brian Houston's global banishment against innocent Torsten Nenzen. ? (20 seconds audio) HillSect Church London's pastor confirms the global banishment against Torsten Nenzen:

http://www.kyrkor.be/Hillsong-London_eviction_190728_v3_confirms_global_ban.mp3 In the minds of your typical Hillsong's pathologically lying and psychopathic Hillsong pastors, worldwide, any statement, decision and action by Hillsong's supreme cult leader (Brian Houston) is always good, and therefore, all Hillsong's pastors' global conduct of falsely accusing, lying, slandering, banishing, evicting and persecuting of Torsten Nenzen, is good. According to Hillsong's pastors' conduct and statements, justification for Hillsong's global banishment, persecution and anti-Torsten policy, through provision of reason, facts or evidence, is unnecessary. Truth, justice and God are irrelevant to Hillsong. All Hillsong "pastors" have demonstrated an identical mindset; that leaders higher up in Hillsong's hierarchy are always correct. This Hillsong prevalent attitude and mindset resembles that of a mindless and evil cult. As can be expected from typical Pentecostal and pathologically lying pastors, with the addition of the typical Hillsong Church somewhat psychopathic governance, you have consistently and intentionally evaded to answer the Biblically necessary questions relating to Hillsong Church United Kingdom's pursuant evictions and global banishment and against the innocent person Torsten Nenzen. There is no coincidence to your Hillsong Church United Kingdom's evictions and banishment against innocent Torsten Nenzen. Hillsong United Kingdom's evictions and banishment against Torsten is clearly related to the evidenced testimonial facts: (1) that Australian Hillsong pastors have confirmed that the top leaders of Hillsong (Brian Houston) maintain a "policy" that Torsten should not be welcomed at any Hillsong Network of Churches worldwide, and (2) that the Australian Hillsong pastors have confirmed that Torsten is banned from attending any Hillsong Church campus globally. Neither is there a coincidence of Hillsong United Kingdom's banishment against Torsten, in view of the fact that every Hillsong Church globally has evicted or banished Torsten, and that every church worldwide that is connected with Hillsong Network of Churches also have evicted or banished Torsten. Questions: (1) Why does Hillsong Network of Churches falsely accuse Torsten Nenzen, who is absolutely innocent in relation to your Hillsong entertainment-business-churchianity, of secret wrongdoing? (2) On what reality-based and Biblical grounds has your Hillsong Network of Churches globally banished Torsten Nenzen? (3) What specific sin or ill-doing is Hillsong Network of Churches and Hillsong United Kingdom accusing against Torsten Nenzen? 1.

The principle of individual freedom of religion is fundamental as a universal human right, and which must be respected by all national governments worldwide; but, so also is the principle of freedom from public sector religion.
