Hope Church Worcester.

<https://www.hope-church.org.uk>

Hello Director RICHARD JOHN THOMAS and Josephine Harper.

You have now 2022-07-02 advised that, if I ever were to visit your Hope Church Worcester property (<https://www.hope-church.org.uk>), then you will not permit me to enter into your church building, and that you will call the police if you see me at your church building. You made an email statement on 2022-07-02 before the carbon-copied West Mercia Police, stating that: "*You will again not be welcome to attend our services due to previous behaviour ...*".

Please specify your concealed reason and unspecified accusation pertaining to my "*previous behaviour*" justifying your eviction and banishment.

QUESTION 1:

What specific sin or ill-doing or "*behaviour*" is Hope Church Worcester accusing against Torsten Nenzen?

QUESTION 2:

What is your reality-based and Biblical reason for lying, slandering, gossiping, evicting, banishing and persecuting Torsten Nenzen?

In 2013, Hope Church Worcester implied (2013-01-17 https://www.kyrkor.be/Hope-Church-Worcester_UK_eviction_2017.htm) that your notion of my "*behaviour*" refers to your prioritised collegial loyalty with your satanic "*friends*" (unspecified ministry partners), who I would have exposed (with evidence) as in reality behaving as satanically lying persecutors against absolutely innocent Torsten Nenzen: "*Since some of those you list as "develish" are very good friends, and partners in ministry with us – both in Worcester and elsewhere - it is extremely unlikely that our church family can serve you in any way, as we are in unity with them.*"

Expectedly in other word, your church's pastors/leaders confirmed 2022-07-02 their refusal to repent from their satanic sins, by (a) utter lies concocted by your evil pastors, (b) slander by your evil pastors, (c) gossip by your evil pastors, (d) banishment by your evil pastors, (e) eviction by your evil pastors, and (f) persecution by your evil pastors.

Thanks, for providing fresh evidence of your leaders' truly satanic conduct at Hope Church Worcester.

Additionally, you make an email statement on 2022-07-02 before the carbon-copied West Mercia Police, stating that: "... *the police will be called following advice previously been given previously by the police.*". Your email statement to the carbon-copied West Mercia Police requires clarification.

QUESTION 3:

Is your accurate statement that, West Mercia Police has previously advised Hope Church

Worcester (plus other churches?) that Hope Church Worcester should call the police, if Torsten Nenzen approaches your church premises?

These links below might remind you of your church's history of satanic behaviours.

Satanic "Hope Church" in Worcester, United Kingdom, explicitly banished and evicted innocent Torsten and threatened to call the police, because their satanic church leaders collude with other satanic churches. The satanic Hope Church falsely accused that the absolutely innocent Christian person **Torsten is a danger**, and declared that their eviction of Torsten is necessary for protection of the people.: https://www.kyrkor.be/Hope-Church-Worcester_UK_eviction_2017.htm

Dear Torsten,

We are afraid to say that you will again not be welcome to attend our services due to previous behaviour and the many unhelpful comments made, not just about our church but many other Churches. We ask that you respect our wishes and advise that if you do try and visit you will not be permitted in and the police will be called following advice previously been given previously by the police.

Hello Director RICHARD JOHN THOMAS.

I am a Christian, staying here in Worcester.

I seek a Christian community where there is opportunity to fellowship and socialise. As I am single, I would like to develop friendships, also, with other Christian singles.

Are there occasions of fellowship in your congregation where also younger career adult Christians gather and communicate? Are there fellowship groups, community groups, cell groups or small groups in your church where to also develop friendships?

In regards to the previous satanic behaviours by all your pastors of your Hope Church in Worcester, I am interested to know if any of these satanic pastors of Hope Church have repented yet.

Has any of your pastors of Hope Church repented: (a) from your satanic and utter lies concocted by your evil pastors, (b) from the satanic slander by your pastors, (c) from the satanic gossip by your pastors, (d) from the satanic banishment by your pastors, (e) from the satanic eviction by your pastors, and (f) from the satanic persecution by your pastors against me?

Have you repented from your evils and sins as mentioned above, or are you still pursuing the evil ways and behaviours of satan?

If I visit your church tomorrow **Sunday July 3 2022**, will you then publicly before your congregation acknowledge as sin against God your satanic behaviours against me, and will you then sincerely apologise to me for your satanic behaviours? Or, will you again immediately evict me upon arrival and [call the West Mercia Police](#)?

This link below might remind you of your church's history of satanic behaviours.

Satanic "Hope Church" in Worcester, United Kingdom, explicitly banished and evicted innocent Torsten and threatened to call the police, because their satanic church leaders collude with other satanic churches. The satanic Hope Church falsely accused that the absolutely innocent Christian person **Torsten is a danger**, and declared that their eviction of Torsten is necessary for protection of the people.: http://www.kyrkor.be/Hope-Church-Worcester_UK_eviction_2017.htm
