## Hope Church Worcester.

<https://www.hope-church.org.uk>

Hello Director RICHARD JOHN THOMAS and Josephine Harper.

On 2022-07-02 you had advised that, if I ever were to visit your Hope Church Worcester property (<https://www.hope-church.org.uk>), then you will not permit me to enter into your church building, and that you will call the police if you see me at your church building. You made an email statement on 2022-07-02 before the carbon-copied West Mercia Police, stating that: "*You will again not be welcome to attend our services due to previous behaviour ...*".

Please specify your concealed reason and unspecified accusation pertaining to my "*previous behaviour*" justifying your eviction and banishment.

### QUESTION 1:

What specific sin or ill-doing or "*behaviour*" is Hope Church Worcester accusing against Torsten Nenzen?

### QUESTION 2:

What is your reality-based and Biblical reason for lying, slandering, gossiping, evicting, banishing and persecuting Torsten Nenzen?

In 2013, Hope Church Worcester implied (2013-01-17 [https://www.kyrkor.be/Hope-Church-Worcester\\_UK\\_eviction\\_2017.htm](https://www.kyrkor.be/Hope-Church-Worcester_UK_eviction_2017.htm)) that your notion of my "*behaviour*" refers to your prioritised collegial loyalty with your satanic "*friends*" (unspecified ministry partners), who I would have exposed (with evidence) as in reality behaving as satanically lying persecutors against absolutely innocent Torsten Nenzen: "*Since some of those you list as "develish" are very good friends, and partners in ministry with us – both in Worcester and elsewhere - it is extremely unlikely that our church family can serve you in any way, as we are in unity with them.*"

Expectedly in other word, your church's pastors/leaders confirmed 2022-07-02 their refusal to repent from their satanic sins, by (a) utter lies concocted by your evil pastors, (b) slander by your evil pastors, (c) gossip by your evil pastors, (d) banishment by your evil pastors, (e) eviction by your evil pastors, and (f) persecution by your evil pastors.

Thanks, for providing fresh evidence of your leaders' truly satanic conduct at Hope Church Worcester.

Additionally, you make an email statement on 2022-07-02 before the carbon-copied West Mercia Police, stating that: "... *the police will be called following advice previously been given previously by the police.*". Your email statement to the carbon-copied West Mercia Police requires clarification.

### QUESTION 3:

Is your accurate statement that, West Mercia Police has previously advised Hope Church Worcester (plus other churches?) that Hope Church Worcester should call the police, if Torsten

Nenzen approaches your church premises?

These links below might remind you of your church's history of satanic behaviours.

Satanic "Hope Church" in Worcester, United Kingdom, explicitly banished and evicted innocent Torsten and threatened to call the police, because their satanic church leaders collude with other satanic churches. The satanic Hope Church falsely accused that the absolutely innocent Christian person **Torsten is a danger**, and declared that their eviction of Torsten is necessary for protection of the people.:

### QUESTION 2:

What is your reality-based and Biblical reason for lying, slandering, gossiping, evicting, banishing and persecuting Torsten Nenzen?

In 2013, Hope Church Worcester implied (2013-01-17 [https://www.kyrkor.be/Hope-Church-Worcester\\_UK\\_eviction\\_2017.htm](https://www.kyrkor.be/Hope-Church-Worcester_UK_eviction_2017.htm)) that your notion of my "*behaviour*" refers to your prioritised collegial loyalty with your satanic "*friends*" (unspecified ministry partners), who I would have exposed (with evidence) as in reality behaving as satanically lying persecutors against absolutely innocent Torsten Nenzen: "*Since some of those you list as "develish" are very good friends, and partners in ministry with us – both in Worcester and elsewhere - it is extremely unlikely that our church family can serve you in any way, as we are in unity with them.*"

Expectedly in other word, your church's pastors/leaders confirmed 2022-07-02 their refusal to repent from their satanic sins, by (a) utter lies concocted by your evil pastors, (b) slander by your evil pastors, (c) gossip by your evil pastors, (d) banishment by your evil pastors, (e) eviction by your evil pastors, and (f) persecution by your evil pastors.

Thanks, for providing fresh evidence of your leaders' truly satanic conduct at Hope Church Worcester.

Additionally, you make an email statement on 2022-07-02 before the carbon-copied West Mercia Police, stating that: "... *the police will be called following advice previously been given previously by the police.*". Your email statement to the carbon-copied West Mercia Police requires clarification.

**QUESTION 3:**

Is your accurate statement that, West Mercia Police has previously advised Hope Church Worcester (plus other churches?) that Hope Church Worcester should call the police, if Torsten Nenzen approaches your church premises?

These links below might remind you of your church's history of satanic behaviours.

Satanic "Hope Church" in Worcester, United Kingdom, explicitly banished and evicted innocent Torsten and threatened to call the police, because their satanic church leaders collude with other satanic churches. The satanic Hope Church falsely accused that the absolutely innocent Christian person **Torsten is a danger**, and declared that their eviction of Torsten is necessary for protection of the people.: [http://www.kyrkor.be/Hope-Church-Worcester\\_UK\\_eviction\\_2017.htm](http://www.kyrkor.be/Hope-Church-Worcester_UK_eviction_2017.htm)

Hello Director RICHARD JOHN THOMAS and Josephine Harper.

On 2022-07-02 you had advised that, if I ever were to visit your Hope Church Worcester property (<https://www.hope-church.org.uk>), then you will not permit me to enter into your church building, and that you will call the police if you see me at your church building. You made an email statement on 2022-07-02 before the carbon-copied West Mercia Police, stating that: "*You will again not be welcome to attend our services due to previous behaviour ...*".

On 2022-07-02 you had advised that, if I ever were to visit your Hope Church Worcester property (<https://www.hope-church.org.uk>), then you will not permit me to enter into your church building, and that you will call the police if you see me at your church building. You made an email statement on 2022-07-02 before the carbon-copied West Mercia Police, stating that: "You will again not be welcome to attend our services due to previous behaviour ...".

Please specify your concealed reason and unspecified accusation pertaining to my "previous behaviour" justifying your eviction and banishment.

### QUESTION 2:

What is your reality-based and Biblical reason for lying, slandering, gossiping, evicting, banishing and persecuting Torsten Nenzen?

In 2013, Hope Church Worcester implied (2013-01-17 [https://www.kyrkor.be/Hope-Church-Worcester\\_UK\\_eviction\\_2017.htm](https://www.kyrkor.be/Hope-Church-Worcester_UK_eviction_2017.htm)) that your notion of my "behaviour" refers to your prioritised collegial loyalty with your satanic "friends" (unspecified ministry partners), who I would have exposed (with evidence) as in reality behaving as satanically lying persecutors against absolutely innocent Torsten Nenzen: "*Since some of those you list as "develish" are very good friends, and partners in ministry with us – both in Worcester and elsewhere - it is extremely unlikely that our church family can serve you in any way, as we are in unity with them.*"

Additionally, you make an email statement on 2022-07-02 before the carbon-copied West Mercia Police, stating that: "... the police will be called following advice previously been given previously by the police.". Your email statement to the carbon-copied West Mercia Police requires clarification.

### QUESTION 3:

Is your accurate statement that, West Mercia Police has previously advised Hope Church Worcester (plus other churches?) that Hope Church Worcester should call the police, if Torsten Nenzen approaches your church premises?

These links below might remind you of your church's history of satanic behaviours.

Satanic "Hope Church" in Worcester, United Kingdom, explicitly banished and evicted innocent Torsten and threatened to call the police, because their satanic church leaders collude with other satanic churches. The satanic Hope Church falsely accused that the absolutely innocent Christian person **Torsten is a danger**, and

declared that their eviction of Torsten is necessary for protection of the people. :

### Hope Church Worcester.

Hello Director RICHARD JOHN THOMAS and Josephine Harper.

On 2022-07-02 you had advised that, if I ever were to visit your Hope Church Worcester property (<https://www.hope-church.org.uk>), then you will not permit me to enter into your church building, and that you will call the police if you see me at your church building. You made an email statement on 2022-07-02 before the carbon-copied West Mercia Police, stating that: "*You will again not be welcome to attend our services due to previous behaviour ...*".

Please specify your concealed reason and unspecified accusation pertaining to my "previous behaviour" justifying your eviction and banishment.

**QUESTION 1:**

What specific sin or ill-doing or "behaviour" is Hope Church Worcester accusing against Torsten Nenzen?

**QUESTION 2:**

What is your reality-based and Biblical reason for lying, slandering, gossiping, evicting, banishing and persecuting Torsten Nenzen?

In 2013, Hope Church Worcester implied (2013-01-17 [https://www.kyrkor.be/Hope-Church-Worcester\\_UK\\_eviction\\_2017.htm](https://www.kyrkor.be/Hope-Church-Worcester_UK_eviction_2017.htm)) that your notion of my "*behaviour*" refers to your prioritised collegial loyalty with your satanic "*friends*" (unspecified ministry partners), who I would have exposed (with evidence) as in reality behaving as satanically lying persecutors against absolutely innocent Torsten Nenzen: "*Since some of those you list as "develish" are very good friends, and partners in ministry with us – both in Worcester and elsewhere - it is extremely unlikely that our church family can serve you in any way, as we are in unity with them.*"

Expectedly in other word, your church's pastors/leaders confirmed 2022-07-02 their refusal to repent from their satanic sins, by (a) utter lies concocted by your evil pastors, (b) slander by your evil pastors, (c) gossip by your evil pastors, (d) banishment by your evil pastors, (e) eviction by your evil pastors, and (f) persecution by your evil pastors.

Thanks, for providing fresh evidence of your leaders' truly satanic conduct at Hope Church Worcester.

Additionally, you make an email statement on 2022-07-02 before the carbon-copied West Mercia Police, stating that: "... *the police will be called following advice previously been given previously by the police.*". Your email statement to the carbon-copied West Mercia Police requires clarification.

## Hope Church Worcester.

<https://www.hope-church.org.uk>

Hello Director RICHARD JOHN THOMAS and Josephine Harper.

On 2022-07-02 you had advised that, if I ever were to visit your Hope Church Worcester property (<https://www.hope-church.org.uk>), then you will not permit me to enter into your church building, and that you will call the police if you see me at your church building. You made an email statement on 2022-07-02 before the carbon-copied West Mercia Police, stating that: "*You will again not be welcome to attend our services due to previous behaviour ...*".

Please specify your concealed reason and unspecified accusation pertaining to my "*previous behaviour*" justifying your eviction and banishment.

### QUESTION 1:

What specific sin or ill-doing or "behaviour" is Hope Church Worcester accusing against Torsten Nenzen?

### QUESTION 2:

What is your reality-based and Biblical reason for lying, slandering, gossiping, evicting, banishing and persecuting Torsten Nenzen?

In 2013, Hope Church Worcester implied (2013-01-17 [https://www.kyrkor.be/Hope-Church-Worcester\\_UK\\_eviction\\_2017.htm](https://www.kyrkor.be/Hope-Church-Worcester_UK_eviction_2017.htm)) that your notion of my "*behaviour*" refers to your prioritised collegial loyalty with your satanic "*friends*" (unspecified ministry partners), who I would have exposed (with evidence) as in reality behaving as satanically lying persecutors against absolutely innocent Torsten Nenzen: "*Since some of those you list as "develish" are very good friends, and partners in ministry with us – both in Worcester and elsewhere - it is extremely unlikely that*

*our church family can serve you in any way, as we are in unity with them."*

Expectedly in other word, your church's pastors/leaders confirmed 2022-07-02 their refusal to repent from their satanic sins, by (a) utter lies concocted by your evil pastors, (b) slander by your evil pastors, (c) gossip by your evil pastors, (d) banishment by your evil pastors, (e) eviction by your evil pastors, and (f) persecution by your evil pastors.

Thanks, for providing fresh evidence of your leaders' truly satanic conduct at Hope Church Worcester.

Additionally, you make an email statement on 2022-07-02 before the carbon-copied West Mercia Police, stating that: "... **the police will be called following advice previously been given previously by the police.**". Your email statement to the carbon-copied West Mercia Police requires clarification.

**QUESTION 3:**

Is your accurate statement that, West Mercia Police has previously advised Hope Church Worcester (plus other churches?) that Hope Church Worcester should call the police, if Torsten Nenzen approaches your church premises?

These links below might remind you of your church's history of satanic behaviours.

Satanic "Hope Church" in Worcester, United Kingdom, explicitly banished and evicted innocent Torsten and threatened to call the police, because their satanic church leaders collude with other satanic churches. The satanic Hope Church falsely accused that the absolutely innocent Christian person **Torsten is a danger**, and declared that their eviction of Torsten is necessary for protection of the people.: [http://www.kyrkor.be/Hope-Church-Worcester\\_UK\\_eviction\\_2017.htm](http://www.kyrkor.be/Hope-Church-Worcester_UK_eviction_2017.htm)

What specific sin or ill-doing or "*behaviour*" is Hope Church Worcester accusing against Torsten Nenzen?

### QUESTION 2:

What is your reality-based and Biblical reason for lying, slandering, gossiping, evicting, banishing and persecuting Torsten Nenzen?

In 2013, Hope Church Worcester implied (2013-01-17 [https://www.kyrkor.be/Hope-Church-Worcester\\_UK\\_eviction\\_2017.htm](https://www.kyrkor.be/Hope-Church-Worcester_UK_eviction_2017.htm)) that your notion of my "*behaviour*" refers to your prioritised collegial loyalty with your satanic "*friends*" (unspecified ministry partners), who I would have exposed (with evidence) as in reality behaving as satanically lying persecutors against absolutely innocent Torsten Nenzen: "*Since some of those you list as "develish" are very good friends, and partners in ministry with us – both in Worcester and elsewhere - it is extremely unlikely that our church family can serve you in any way, as we are in unity with them.*"

Expectedly in other word, your church's pastors/leaders confirmed 2022-07-02 their refusal to repent from their satanic sins, by (a) utter lies concocted by your evil pastors, (b) slander by your evil pastors, (c) gossip by your evil pastors, (d) banishment by your evil pastors, (e) eviction by your evil pastors, and (f) persecution by your evil pastors.

Thanks, for providing fresh evidence of your leaders' truly satanic conduct at Hope Church Worcester.

Additionally, you make an email statement on 2022-07-02 before the carbon-copied West Mercia Police, stating that: "... *the police will be called following advice previously been given previously by the police.*". Your email statement to the carbon-copied West Mercia Police requires clarification.

**QUESTION 3:**

Is your accurate statement that, West Mercia Police has previously advised Hope Church Worcester (plus other churches?) that Hope Church Worcester should call the police, if Torsten Nenzen approaches your church premises?

These links below might remind you of your church's history of satanic behaviours.

Satanic "Hope Church" in Worcester, United Kingdom, explicitly banished and evicted innocent Torsten and threatened to call the police, because their satanic church leaders collude with other satanic churches. The satanic Hope Church falsely accused that the absolutely innocent Christian person **Torsten is a danger**, and declared that their eviction of Torsten is necessary for protection of the people.: [http://www.kyrkor.be/Hope-Church-Worcester\\_UK\\_eviction\\_2017.htm](http://www.kyrkor.be/Hope-Church-Worcester_UK_eviction_2017.htm)

Hello Director RICHARD JOHN THOMAS and Josephine Harper.

On 2022-07-02 you had advised that, if I ever were to visit your Hope Church Worcester property (<https://www.hope-church.org.uk>), then you will not permit me to enter into your church building, and that you will call the police if you see me at your church building. You made an email statement on 2022-07-02 before the carbon-copied West Mercia Police, stating that: "You will again not be welcome to attend our services due to previous behaviour ...".

Please specify your concealed reason and unspecified accusation pertaining to my "previous behaviour" justifying your eviction and banishment.

### Hope Church Worcester.

<https://www.hope-church.org.uk>

Hello Director RICHARD JOHN THOMAS and Josephine Harper.

On 2022-07-02 you had advised that, if I ever were to visit your Hope Church Worcester property (<https://www.hope-church.org.uk>), then you will not permit me to enter into your church building, and that you will call the police if you see me at your church building. You made an email statement on 2022-07-02 before the carbon-copied West Mercia Police, stating that: "*You will again not be welcome to attend our services due to previous behaviour ...*".

Please specify your concealed reason and unspecified accusation pertaining to my "*previous behaviour*" justifying your eviction and banishment.

#### QUESTION 1:

What specific sin or ill-doing or "*behaviour*" is Hope Church Worcester accusing against Torsten Nenzen?

#### QUESTION 2:

What is your reality-based and Biblical reason for lying, slandering, gossiping, evicting, banishing and persecuting Torsten Nenzen?

In 2013, Hope Church Worcester implied (2013-01-17 [https://www.kyrkor.be/Hope-Church-Worcester\\_UK\\_eviction\\_2017.htm](https://www.kyrkor.be/Hope-Church-Worcester_UK_eviction_2017.htm)) that your notion of my "*behaviour*" refers to your prioritised collegial loyalty with your satanic "*friends*" (unspecified ministry partners), who I would have exposed (with evidence) as in reality behaving as satanically lying persecutors against absolutely innocent Torsten Nenzen: "*Since*

*some of those you list as "develish" are very good friends, and partners in ministry with us – both in Worcester and elsewhere - it is extremely unlikely that our church family can serve you in any way, as we are in unity with them."*

Expectedly in other word, your church's pastors/leaders confirmed 2022-07-02 their refusal to repent from their satanic sins, by (a) utter lies concocted by your evil pastors, (b) slander by your evil pastors, (c) gossip by your evil pastors, (d) banishment by your evil pastors, (e) eviction by your evil pastors, and (f) persecution by your evil pastors.

Thanks, for providing fresh evidence of your leaders' truly satanic conduct at Hope Church Worcester.

Additionally, you make an email statement on 2022-07-02 before the carbon-copied West Mercia Police, stating that: "... the police will be called following advice previously been given previously by the police.". Your email statement to the carbon-copied West Mercia Police requires clarification.

**QUESTION 3:**

Is your accurate statement that, West Mercia Police has previously advised Hope Church Worcester (plus other churches?) that Hope Church Worcester should call the police, if Torsten Nenzen approaches your church premises?

These links below might remind you of your church's history of satanic behaviours.

Satanic "Hope Church" in Worcester, United Kingdom, explicitly banished and evicted innocent Torsten and threatened to call the police, because their satanic church leaders collude with other satanic churches. The satanic Hope Church falsely accused that the absolutely innocent Christian person **Torsten is a danger**, and declared that their eviction of Torsten is necessary for protection of the people.: [http://www.kyrkor.be/Hope-Church-Worcester\\_UK\\_eviction\\_2017.htm](http://www.kyrkor.be/Hope-Church-Worcester_UK_eviction_2017.htm)

Hello Director RICHARD JOHN THOMAS and Josephine Harper.

On 2022-07-02 you had advised that, if I ever were to visit your Hope Church Worcester property (<https://www.hope-church.org.uk>), then you will not permit me to enter into your church building, and that you will call the police if you see me at your church building. You made an email statement on 2022-07-02 before the carbon-copied West Mercia Police, stating that: "*You will again not be welcome to attend our services due to previous behaviour ...*".

Please specify your concealed reason and unspecified accusation pertaining to my "*previous behaviour*" justifying your eviction and banishment.

### QUESTION 1:

What specific sin or ill-doing or "*behaviour*" is Hope Church Worcester accusing against Torsten Nenzen?

### QUESTION 2:

What is your reality-based and Biblical reason for lying, slandering, gossiping, evicting, banishing and persecuting Torsten Nenzen?

In 2013, Hope Church Worcester implied (2013-01-17 [https://www.kyrkor.be/Hope-Church-Worcester\\_UK\\_eviction\\_2017.htm](https://www.kyrkor.be/Hope-Church-Worcester_UK_eviction_2017.htm)) that your notion of my "*behaviour*" refers to your prioritised collegial loyalty with your satanic "*friends*" (unspecified ministry partners), who I would have exposed (with evidence) as in reality behaving as satanically lying persecutors against absolutely innocent Torsten Nenzen: "*Since some of those you list as "develish" are very good friends, and partners in ministry with us – both in Worcester and elsewhere - it is extremely unlikely that our church family can serve you in any way, as we are in unity with them.*"

Expectedly in other word, your church's pastors/leaders confirmed 2022-07-02 their refusal to repent from their satanic sins, by (a) utter lies concocted by your evil pastors, (b) slander by your evil pastors, (c) gossip by your evil pastors, (d) banishment by your evil pastors, (e) eviction by your evil pastors, and (f) persecution by your evil pastors.

Thanks, for providing fresh evidence of your leaders' truly satanic conduct at Hope Church Worcester.

Additionally, you make an email statement on 2022-07-02 before the carbon-copied West Mercia Police, stating that: "... *the police will be called following advice previously been given previously by*

**the police.**". Your email statement to the carbon-copied West Mercia Police requires clarification.

**QUESTION 3:**

Is your accurate statement that, West Mercia Police has previously advised Hope Church Worcester (plus other churches?) that Hope Church Worcester should call the police, if Torsten Nenzen approaches your church premises?

These links below might remind you of your church's history of satanic behaviours.

Satanic "Hope Church" in Worcester, United Kingdom, explicitly banished and evicted innocent Torsten and threatened to call the police, because their satanic church leaders collude with other satanic churches. ### Satan's bishop (Justin) intends to coronate a false king (Charlie) by satanic oaths.

With British fanfares, satan's archbishop Justin Welby intends to coronate its unelected king Charlie. Number 10's Cabinet of king Charlie (<https://bit.ly/2yJRLE1>) is scheduled to invite Brits and others to unisonally swear a satanic oath of allegiance to a false king Charlie. Satan's oath of allegiance, referred to as 'Homage of The People' (<https://www.churchofengland.org/coronation/liturgy>) articulates: "I swear that I will pay true allegiance to Your Majesty [king Charlie], and to your heirs and successors according to law. So help me God." Because Number 10's satanic archbishop and the satanic/Anglican bishops of Britain swear mutual oaths toward a carnally hereditary sovereign Charlie (satanic threesome-power of Cabinet-king-archbishop/bishops), the true royal bond to the only real King Jesus is broken. True King Jesus forbids oaths contrary to reverence for God's authority (<https://bit.ly/422RFzA>), and true God forbids recognition or servitude to false gods (<https://bit.ly/3oZ4c8p>). Satan's Number 10 Church of England has for at least two decades been determined to pursue a political objective of affirming and blessing sin, and thus to strategically ostracise and persecute perceived obstacles such as unwavering real Biblical Christians. Satan's Anglicanism of the Church of England ostracised and persecuted the Bible-affirming real Christians to pave the way for satanic dominion over its churchianity. The Supreme Governor of the satanic Church of England (<https://bit.ly/3Xrd8ih>) is named Charlie III, and he appoints archbishops, bishops, deans of cathedrals and other high-ranking members of his church, on the advice of the British Prime Minister Rishi Sunak (<https://bit.ly/3K4c4hq>) who is a Hindu of the Conservative Party (<https://www.conservatives.com>). In return, the satanic archbishop (Justin Welby), the bishops, the deans of cathedrals and other high-ranking members of Charles's and Rishi's Anglican church swear an oath of allegiance and pay homage - to Charlie (<https://bit.ly/3HV5xt4>). Rishi Sunak's and Charlie's satanic archbishop and bishops previously recommitted their services to their supreme Charlie (<https://bit.ly/3IqPii1>), as pronounced by Justin's "we recommit our service to His Majesty King Charles the III" and "same reassurance is now found in [steadfast presence and coronation (<https://coronation.gov.uk>) of] His Majesty King Charles III". The satanic bishops are subordinately dependent on, and by oath allied with, their Anglican archbishop of Canterbury (Justin), towards concealing their culpability of the worldwide PERSECUTION by their Church of England - against the Christian person Torsten; who is innocent in relation to Church of England. Satan's professionally heretic Anglican Christophobes who sanction the sinful practice of homosexuality ([https://www.nenzen.net/Biblical\\_perspective\\_on\\_homosexuality.pdf](https://www.nenzen.net/Biblical_perspective_on_homosexuality.pdf)) and by successfully ostracising and persecuting the real Christians, not only in the UK (<https://www.kyrkor.be/satanic-Archbishop-Justin-Welby-of-satanic-Church-of-England.htm>) but also in the EU ([https://www.kyrkor.be/Anglican-Church-Stockholm\\_and\\_Anglican-Diocese-Europe\\_10-years-later.htm](https://www.kyrkor.be/Anglican-Church-Stockholm_and_Anglican-Diocese-Europe_10-years-later.htm)) and globally, recently advanced satan's next anticipated step of blessing inherently sinful same-sex couples before their gender-neutral (<https://bit.ly/3IDljeo>) Anglican god (<https://bit.ly/414b81g>). Charlie's sworn title is 'Defender of the true Protestant Religion', as Charlie's earlier accession oath was (<https://bit.ly/410wVqN>) "I, [Charlie] by the Grace of God [...] King, Defender of the Faith, do faithfully promise and swear that I shall inviolably maintain and preserve the Settlement of the true Protestant Religion [...], together with the Government [...].", but of course Charlie's antidemocratic prerogative (<https://bit.ly/2YTEXwr>) is not as a defender of true Biblical Christianity, since he in praxis is a Government-collaborative persecutor of real Biblical Christians, in political lockstep with Number 10's appointed satanic archbishop.

**Hope Church Worcester.**

<https://www.hope-church.org.uk>

Hello Director RICHARD JOHN THOMAS and Josephine Harper.

On 2022-07-02 you had advised that, if I ever were to visit your Hope Church Worcester property (<https://www.hope-church.org.uk>), then you will not permit me to enter into your church building, and that you will call the police if you see me at your church building. You made an email statement on 2022-07-02 before the carbon-copied West Mercia Police, stating that: "*You will again not be welcome to attend our services due to previous behaviour ...*".

Please specify your concealed reason and unspecified accusation pertaining to my "*previous behaviour*" justifying your eviction and banishment.

**QUESTION 1:**

What specific sin or ill-doing or "*behaviour*" is Hope Church Worcester accusing against Torsten Nenzen?

**QUESTION 2:**

What is your reality-based and Biblical reason for lying, slandering, gossiping, evicting, banishing and persecuting Torsten Nenzen?

In 2013, Hope Church Worcester implied (2013-01-17 [https://www.kyrkor.be/Hope-Church-Worcester\\_UK\\_eviction\\_2017.htm](https://www.kyrkor.be/Hope-Church-Worcester_UK_eviction_2017.htm)) that your notion of my "*behaviour*" refers to your prioritised collegial loyalty with your satanic "*friends*" (unspecified ministry partners), who I would have exposed (with evidence) as in reality behaving as satanically lying persecutors against absolutely innocent Torsten Nenzen: "*Since some of those you list as "develish" are very good friends, and partners in ministry with us – both in Worcester and elsewhere - it is extremely unlikely that our church family can serve you in any way, as we are in unity with them.*"

Expectedly in other word, your church's pastors/leaders confirmed 2022-07-02 their refusal to repent from their satanic sins, by (a) utter lies concocted by your evil pastors, (b) slander by your evil pastors, (c) gossip by your evil pastors, (d) banishment by your evil pastors, (e) eviction by your evil pastors, and (f) persecution by your evil pastors.

Thanks, for providing fresh evidence of your leaders' truly satanic conduct at Hope Church Worcester.

Additionally, you make an email statement on 2022-07-02 before the carbon-copied West Mercia Police, stating that: "... *the police will be called following advice previously been given previously by the police.*". Your email statement to the carbon-copied West Mercia Police requires clarification.

**QUESTION 3:**

Is your accurate statement that, West Mercia Police has previously advised Hope Church Worcester (plus other churches?) that Hope Church Worcester should call the police, if Torsten Nenzen approaches your church premises?

These links below might remind you of your church's history of satanic behaviours.

Satanic "Hope Church" in Worcester, United Kingdom, explicitly banished and evicted innocent Torsten and threatened to call the police, because their satanic church leaders collude with other satanic churches. The satanic Hope Church falsely accused that the absolutely innocent Christian person **Torsten is a danger**, and declared that their eviction of Torsten is necessary for protection of the people.: [http://www.kyrkor.be/Hope-Church-Worcester\\_UK\\_eviction\\_2017.htm](http://www.kyrkor.be/Hope-Church-Worcester_UK_eviction_2017.htm)

**Hope Church Worcester.**

<https://www.hope-church.org.uk>

Hello Director RICHARD JOHN THOMAS and Josephine Harper.

On 2022-07-02 you had advised that, if I ever were to visit your Hope Church Worcester property (<https://www.hope-church.org.uk>), then you will not permit me to enter into your church building, and that you will call the police if you see me at your church building. You made an email statement on 2022-07-02 before the carbon-copied West Mercia Police, stating that: "*You will again not be welcome to attend our services due to previous behaviour ...*".

Please specify your concealed reason and unspecified accusation pertaining to my "previous behaviour" justifying your eviction and banishment.

**QUESTION 1:**

What specific sin or ill-doing or "behaviour" is Hope Church Worcester accusing against Torsten Nenzen?

**QUESTION 2:**

What is your reality-based and Biblical reason for lying, slandering, gossiping, evicting, banishing and persecuting Torsten Nenzen?

In 2013, Hope Church Worcester implied (2013-01-17 [https://www.kyrkor.be/Hope-Church-Worcester\\_UK\\_eviction\\_2017.htm](https://www.kyrkor.be/Hope-Church-Worcester_UK_eviction_2017.htm)) that your notion of my "*behaviour*" refers to your prioritised collegial loyalty with your satanic "*friends*" (unspecified ministry partners), who I would have exposed (with evidence) as in reality behaving as satanically lying persecutors against absolutely innocent Torsten Nenzen: "*Since some of those you list as "develish" are very good friends, and partners in ministry with us – both in Worcester and elsewhere - it is extremely unlikely that our church family can serve you in any way, as we are in unity with them.*"

Expectedly in other word, your church's pastors/leaders confirmed 2022-07-02 their refusal to repent from their satanic sins, by (a) utter lies concocted by your evil pastors, (b) slander by your evil pastors, (c) gossip by your evil pastors, (d) banishment by your evil pastors, (e) eviction by your evil pastors, and (f) persecution by your evil pastors.

Thanks, for providing fresh evidence of your leaders' truly satanic conduct at Hope Church Worcester.

Additionally, you make an email statement on 2022-07-02 before the carbon-copied West Mercia Police, stating that: "... *the police will be called following advice previously been given previously by the police.*". Your email statement to the carbon-copied West Mercia Police requires clarification.

**QUESTION 3:**

Is your accurate statement that, West Mercia Police has previously advised Hope Church Worcester (plus other churches?) that Hope Church Worcester should call the police, if Torsten Nenzen approaches your church premises?

These links below might remind you of your church's history of satanic behaviours.

Satanic "Hope Church" in Worcester, United Kingdom, explicitly banished and evicted innocent Torsten and threatened to call the police, because their satanic church leaders collude with other satanic churches. The satanic Hope Church falsely accused that the absolutely innocent Christian person **Torsten is a danger**, and declared that their eviction of Torsten is necessary for protection of the people.:

**Hope Church Worcester.**

<https://www.hope-church.org.uk>

Hello Director RICHARD JOHN THOMAS and Josephine Harper.

On 2022-07-02 you had advised that, if I ever were to visit your Hope Church Worcester property (<https://www.hope-church.org.uk>), then you will not permit me to enter into your church building, and that you will call the police if you see me at your church building. You made an email statement on 2022-07-02 before the carbon-copied West Mercia Police, stating that: "*You will again not be welcome to attend our services due to previous behaviour ...*".

Please specify your concealed reason and unspecified accusation pertaining to my "*previous behaviour*" justifying your eviction and banishment.

**QUESTION 1:**

What specific sin or ill-doing or "*behaviour*" is Hope Church Worcester accusing against Torsten Nenzen?

**QUESTION 2:**

What is your reality-based and Biblical reason for lying, slandering, gossiping, evicting, banishing and persecuting Torsten Nenzen?

In 2013, Hope Church Worcester implied (2013-01-17 [https://www.kyrkor.be/Hope-Church-Worcester\\_UK\\_eviction\\_2017.htm](https://www.kyrkor.be/Hope-Church-Worcester_UK_eviction_2017.htm)) that your notion of my "*behaviour*" refers to your prioritised collegial loyalty with your satanic "*friends*" (unspecified ministry partners), who I would have exposed (with evidence) as in reality behaving as satanically lying persecutors against absolutely innocent Torsten Nenzen: "*Since some of those you list as "develish" are very good friends, and partners in ministry with us – both in Worcester and elsewhere - it is extremely unlikely that our church family can serve you in any way, as we are in unity with them.*"

Expectedly in other word, your church's pastors/leaders confirmed 2022-07-02 their refusal to repent from their satanic sins, by (a) utter lies concocted by your evil pastors, (b) slander by your evil pastors, (c) gossip by your evil pastors, (d) banishment by your evil pastors, (e) eviction by your evil pastors, and (f) persecution by your evil pastors.

Thanks, for providing fresh evidence of your leaders' truly satanic conduct at Hope Church Worcester.

Additionally, you make an email statement on 2022-07-02 before the carbon-copied West Mercia Police, stating that: "... *the police will be called following advice previously been given previously by the police.*". Your email statement to the carbon-copied West Mercia Police requires clarification.

**QUESTION 3:**

Is your accurate statement that, West Mercia Police has previously advised Hope Church Worcester (plus other churches?) that Hope Church Worcester should call the police, if Torsten Nenzen approaches your church premises?

These links below might remind you of your church's history of satanic behaviours.

Satanic "Hope Church" in Worcester, United Kingdom, explicitly banished and evicted innocent Torsten and threatened to call the police, because their satanic church leaders collude with other satanic churches. **Hope Church Worcester.**<https://www.hope-church.org.uk>

Hello Director RICHARD JOHN THOMAS and Josephine Harper.

On 2022-07-02 you had advised that, if I ever were to visit your Hope Church Worcester property (<https://www.hope-church.org.uk>), then you will not permit me to enter into your church building, and that you will call the police if you see me at your church building. You made an email statement on 2022-07-02 before the carbon-copied West Mercia Police, stating that: "*You will again not be welcome to attend our services due to previous behaviour ...*".

Please specify your concealed reason and unspecified accusation pertaining to my "*previous behaviour*" justifying your eviction and banishment.

**QUESTION 1:**

What specific sin or ill-doing or "*behaviour*" is Hope Church Worcester accusing against Torsten Nenzen?

**QUESTION 2:**

What is your reality-based and Biblical reason for lying, slandering, gossiping, evicting, banishing and persecuting Torsten Nenzen?

In 2013, Hope Church Worcester implied (2013-01-17 [https://www.kyrkor.be/Hope-Church-Worcester\\_UK\\_eviction\\_2017.htm](https://www.kyrkor.be/Hope-Church-Worcester_UK_eviction_2017.htm)) that your notion of my "*behaviour*" refers to your prioritised collegial loyalty with your satanic "*friends*" (unspecified ministry partners), who I would have exposed (with evidence) as in reality behaving as satanically lying persecutors against absolutely innocent Torsten Nenzen: "*Since some of those you list as "develish" are very good friends, and partners in ministry with us – both in Worcester and elsewhere - it is extremely unlikely that our church family can serve you in any way, as we are in unity with them.*"

Expectedly in other word, your church's pastors/leaders confirmed 2022-07-02 their refusal to repent from their satanic sins, by (a) utter lies concocted by your evil pastors, (b) slander by your evil pastors, (c) gossip by your evil pastors, (d) banishment by your evil pastors, (e) eviction by your evil pastors, and (f) persecution by your evil pastors.

Thanks, for providing fresh evidence of your leaders' truly satanic conduct at Hope Church Worcester.

Additionally, you make an email statement on 2022-07-02 before the carbon-copied West Mercia Police, stating that: "... *the police will be called following advice previously been given previously by the police.*". Your email statement to the carbon-copied West Mercia Police requires clarification.

**QUESTION 3:**

Is your accurate statement that, West Mercia Police has previously advised Hope Church Worcester (plus other churches?) that Hope Church Worcester should call the police, if Torsten Nenzen approaches your church premises?

These links below might remind you of your church's history of satanic behaviours.

Satanic "Hope Church" in Worcester, United Kingdom, explicitly banished and evicted innocent Torsten and threatened to call the police, because their satanic church leaders collude with other satanic churches. The satanic Hope Church falsely accused that the absolutely innocent Christian person **Torsten is a danger**, and declared that their eviction of Torsten is necessary for protection of the people.:

#### QUESTION 2:

What is your reality-based and Biblical reason for lying, slandering, gossiping, evicting, banishing and persecuting Torsten Nenzen?

In 2013, Hope Church Worcester implied (2013-01-17 [https://www.kyrkor.be/Hope-Church-Worcester\\_UK\\_eviction\\_2017.htm](https://www.kyrkor.be/Hope-Church-Worcester_UK_eviction_2017.htm)) that your notion of my "*behaviour*" refers to your prioritised collegial loyalty with your satanic "*friends*" (unspecified ministry partners), who I would have exposed (with evidence) as in reality behaving as satanically lying persecutors against absolutely innocent Torsten Nenzen: "*Since some of those you list as "develish" are very good friends, and partners in ministry with us – both in Worcester and elsewhere - it is extremely unlikely that*

*our church family can serve you in any way, as we are in unity with them."*

Expectedly in other word, your church's pastors/leaders confirmed 2022-07-02 their refusal to repent from their satanic sins, by (a) utter lies concocted by your evil pastors, (b) slander by your evil pastors, (c) gossip by your evil pastors, (d) banishment by your evil pastors, (e) eviction by your evil pastors, and (f) persecution by your evil pastors.

Thanks, for providing fresh evidence of your leaders' truly satanic conduct at Hope Church Worcester.

Additionally, you make an email statement on 2022-07-02 before the carbon-copied West Mercia Police, stating that: "... **the police will be called following advice previously been given previously by the police.**". Your email statement to the carbon-copied West Mercia Police requires clarification.

**QUESTION 3:**

Is your accurate statement that, West Mercia Police has previously advised Hope Church Worcester (plus other churches?) that Hope Church Worcester should call the police, if Torsten Nenzen approaches your church premises?

These links below might remind you of your church's history of satanic behaviours.

Satanic "Hope Church" in Worcester, United Kingdom, explicitly banished and evicted innocent Torsten and threatened to call the police, because their satanic church leaders collude with other satanic churches. The satanic Hope Church falsely accused that the absolutely innocent Christian person **Torsten is a danger**, and declared that their eviction of Torsten is necessary for protection of the people.: [http://www.kyrkor.be/Hope-Church-Worcester\\_UK\\_eviction\\_2017.htm](http://www.kyrkor.be/Hope-Church-Worcester_UK_eviction_2017.htm)

### Hope Church Worcester.

<https://www.hope-church.org.uk>

Hello Director RICHARD JOHN THOMAS and Josephine Harper.

You have now 2022-07-02 advised that, if I ever were to visit your Hope Church Worcester property (<https://www.hope-church.org.uk>), then you will not permit me to enter into your church building, and that you will call the police if you see me at your church building. You made an email statement on 2022-07-02 before the carbon-copied West Mercia Police, stating that: "*You will again not be welcome to attend our services due to previous behaviour ...*".

Please specify your concealed reason and unspecified accusation pertaining to my "*previous behaviour*" justifying your eviction and banishment.

#### QUESTION 1:

What specific sin or ill-doing or "behaviour" is Hope Church Worcester accusing against Torsten Nenzen?

#### QUESTION 2:

What is your reality-based and Biblical reason for lying, slandering, gossiping, evicting, banishing and persecuting Torsten Nenzen?

In 2013, Hope Church Worcester implied (2013-01-17 [https://www.kyrkor.be/Hope-Church-Worcester\\_UK\\_eviction\\_2017.htm](https://www.kyrkor.be/Hope-Church-Worcester_UK_eviction_2017.htm)) that your notion of my "*behaviour*" refers to your prioritised collegial loyalty with your satanic "*friends*" (unspecified ministry partners), who I would have exposed (with evidence) as in reality behaving as satanically lying persecutors against absolutely innocent Torsten Nenzen: "*Since some of those you list as "develish" are very good friends, and partners in ministry with us – both in Worcester and elsewhere - it is extremely unlikely that our church family can serve you in any way, as we are in unity with them.*"

Expectedly in other word, your church's pastors/leaders confirmed 2022-07-02 their refusal to repent from their satanic sins, by (a) utter lies concocted by your evil pastors, (b) slander by your evil pastors, (c) gossip by your evil pastors, (d) banishment by your evil pastors, (e) eviction by your evil pastors, and (f) persecution by your evil pastors.

Thanks, for providing fresh evidence of your leaders' truly satanic conduct at Hope Church Worcester.

Additionally, you make an email statement on 2022-07-02 before the carbon-copied West Mercia Police, stating that: "... *the police will be called following advice previously been given previously by the police.*". Your email statement to the carbon-copied West Mercia Police requires clarification.

#### QUESTION 3:

Is your accurate statement that, West Mercia Police has previously advised Hope Church Worcester (plus other churches?) that Hope Church Worcester should call the police, if Torsten Nenzen approaches your church premises?

These links below might remind you of your church's history of satanic behaviours.

Satanic "Hope Church" in Worcester, United Kingdom, explicitly banished and evicted innocent Torsten and threatened to call the police, because their satanic church leaders collude with other satanic churches. Dear Torsten,

We are afraid to say that you will again not be welcome to attend our services due to previous behaviour and the many unhelpful comments made, not just about our church but many other Churches. We ask that you respect our wishes and advise that if you do try and visit you will not be permitted in and the police will be called following advice previously been given previously by the police.

The team at Hope

Hello Director RICHARD JOHN THOMAS.

I am a Christian, staying here in Worcester.

I seek a Christian community where there is opportunity to fellowship and socialise. As I am single, I would like to develop friendships, also, with other Christian singles.

Are there occasions of fellowship in your congregation where also younger career adult Christians gather and communicate? Are there fellowship groups, community groups, cell groups or small groups in your church where to also develop friendships?

In regards to the previous satanic behaviours by all your pastors of your Hope Church in Worcester, I am interested to know if any of these satanic pastors of Hope Church have repented yet.

Has any of your pastors of Hope Church repented: (a) from your satanic and utter lies concocted by your evil pastors, (b) from the satanic slander by your pastors, (c) from the satanic gossip by your pastors, (d) from the satanic banishment by your pastors, (e) from the satanic eviction by your pastors, and (f) from the satanic persecution by your pastors against me?

Have you repented from your evils and sins as mentioned above, or are you still pursuing the evil ways and behaviours of satan?

If I visit your church tomorrow **Sunday July 3 2022**, will you then publicly before your congregation acknowledge as sin against God your satanic behaviours against me, and will you then sincerely apologise to me for your satanic behaviours? Or, will you again immediately evict me upon arrival and call the West Mercia Police?

This link below might remind you of your church's history of satanic behaviours.

Satanic "Hope Church" in Worcester, United Kingdom, explicitly banished and evicted innocent Torsten and threatened to call the police, because their satanic church leaders collude with other satanic churches. The satanic Hope Church falsely accused that the absolutely innocent Christian person **Torsten is a danger**, and declared that their eviction of Torsten is necessary for protection of the people.: [http://www.kyrkor.be/Hope-Church-Worcester\\_UK\\_eviction\\_2017.htm](http://www.kyrkor.be/Hope-Church-Worcester_UK_eviction_2017.htm)
