If not by mere principle, then at least because ultra-hypocritical pastors/persecutors by essentially all church denominations everywhere are morally equivalent in their various depravities, as for example to satan’s showbiz-psychopathic leaders of Australia’s global leadership network of churches Hillsong/HillSect (http://www.kyrkor.be/Hillsong-London-UK_eviction_2019-07-28.htm and http://www.kyrkor.be/Hillsong-Stockholm_Andreas-Nielsen_Sweden.htm), each national government of ALL countries should therefore recognise its governmental moral obligation to neither financially support nor subsidise any churches whatsoever. The principle of individual freedom of religion is fundamental as a universal human right, and which must be respected by all national governments worldwide; but, so also is the principle of freedom from public sector religion. For example, a parliamentary motion on disestablishment of the Church of England from United Kingdom, also ought to be recognised as a fundamental moral duty (<http://www.kyrkor.be/satanic-Archbishop-Justin-Weiby-of-satans-Church-of-England.htm> and http://www.kyrkor.be/Anglican-Church-Stockholm_and_Anglican-Diocese-Europe_10-years-later.htm). Any national parliament that does establish association with any churches are thereby complicitly guilty to the churches’ immoralities and persecutions against innocent Christians.: <https://archive.vn/vZm2s>

In United Kingdom, according to the typically lying British Police, **physical assaults** by British landlords against tenants indoors is acceptable (<https://bit.ly/2BYesFl>), but peaceful distribution of the Gospel message outdoors is not (<https://bit.ly/3fx4B8n>). Also in United Kingdom, the **very-British Britons at British county council governments provably lie**, and consequently, none of UK’s British councils government apes, nor UK’s British courts or judiciary, nor the British public services, are willing to communicate.: https://www.kyrkor.be/2021-02-28_UK_British-Government_lies_dishonesty_inanity_corruption.pdf

Contemptible “*Torsten-the-demonic-Wolf*” is continually persecuted by virtually all British leaders of all its satanic churches in United Kingdom and also worldwide, but in reality however, Torsten is an authentic Bible-affirming Christian who is absolutely innocent in relation to all of UK’s banning and persecuting churches and global churchianity.

All British satanic churches in United Kingdom have explicitly, implicitly, covertly or passively banished the Christian person Torsten, because satan’s British pastors and priests of United Kingdom’s churches have decided in their imaginations that Torsten is sorts of a monster, and that the terrible monster **Torsten is dangerous and unfit for British community**. The British satanic pastors of churches in United Kingdom persecute Torsten-the-Monster (*Torsten-the-demonic-Wolf*). 100% of the satanic leaders of churches in Worcester, UK, serve their master satan through their invented lies, evil slander, evictions and collusive persecution against the absolutely innocent Christian person Torsten.

Too close for truth: Satan’s British church/government/state alliance.

UK institutions and UK leaders are too closely allied for public acknowledgement of truth, and outcome towards moral justice. UK political leaders, UK institutional leaders, and UK religious leaders are primarily loyal towards each other; some by sworn oaths of allegiance. Therefore, the satanically corrupt and persecuting **Church of England (church of satan)** is beyond accountability to truth. The UK Prime Minister is allied with the Supreme

Governor of the Church of England (the Queen) as adviser of appointing personnel for the British Queen's Church of England. Church of England's Archbishop of Canterbury is by oath allied to Supreme Governor of the Church of England (the Queen). The Anglican Bishops are subordinately dependent on, and by oath allied with, the Anglican Archbishop of Canterbury (currently Justin Welby), towards concealing culpability of the worldwide PERSECUTION by Church of England – against the Christian person Torsten; who is absolutely innocent in relation to Church of England and all the other globally persecuting churches. Queen Elizabeth II of United Kingdom is the "Supreme Governor of the Church of England", and therefore, this **Queen of England is utmost accountable for her satanic Church of England's intentional lies, slander, evictions and persecution against the absolutely innocent person Torsten**. The British Royal Family's own website (<https://www.royal.uk/queens-relationship-churches-england-and-scotland-and-other-faiths>) accordingly declares: "*The Queen's relationship with the Church of England was symbolised at the Coronation in 1953 when Her Majesty was anointed by the Archbishop of Canterbury and took an **oath** to 'maintain and preserve inviolably the settlement of the Church of England, and the doctrine worship, discipline, and government thereof, as by law established in England'. On the advice of the Prime Minister The Queen appoints Archbishops, Bishops and Deans of the Church of England, who then swear an **oath** of allegiance and pay homage to Her Majesty. Church of England deacons and parish priests also swear an **oath** of allegiance to the Sovereign.*"

Satan's Church of England of evil Kingdom of Britain under its Queen, unceasingly persecute Torsten in UK and globally. The British government's "stupidity agencies" are fit to maintain fallacious judgement and selected ignorance.

Updated Anglican/Church of England incidents:

- In 2022, more than 10 years succeeding that a heretical/Anglican Church Reverend in Stockholm, Sweden, harassed Torsten and in effect purged Torsten-the-Monster from its Anglican Church in 2007/2008: (a) through dehumanising orders, (b) through imposition of demeaning social constraints against Torsten, and (c) by threatening Torsten with Police eviction if Torsten were to speak with any attendees before/after the Sunday "services", the typically persecuting Anglican/satanic clergy of Church of England in Stockholm sustains satan's deceptive agenda. In 2007/2008/2009, the **Anglican Diocese of Europe** did not intervene against its discrimination against Christianity, did not cease its harassments against an innocent Christian, and did not prevent its bans and threats by the satanic/Anglican Reverend. In 2019, neither the Anglican Diocese of Europe nor the satanic Church of England nor its Archbishop of Canterbury, would declare the Anglican Diocese of Europe's 2008 declared grave heresies and its sanctioning of the practice of homosexuality, as evil and sinful (as according to the Bible). More than ten years later, Church of England unabatedly persecutes Torsten-the-Monster within United Kingdom and worldwide. Previously from 2009: <http://www.kyrkor.be/Anglican-Church-Stockholm-Sweden.htm> Currently from 2022: http://www.kyrkor.be/Anglican-Church-Stockholm_and_Anglican-Diocese-Europe_10-years-later.htm
- Church of England (Church of Satan) continues its refusal to explain or justify the Church of England's national ban against their imagined monster, Torsten-the-Monster, who in reality is absolutely innocent in relation to all churches on earth. Archbishop Justin Welby's **Church of England (Church of Satan)** globally banish, evict, falsely accuse, slander, physically assault and **persecute** the real Christian person Torsten. The satanic Church of England constantly invents lies against innocent Torsten. The satanic vicars/bishops of satan's Church of England oppose truth and God, and thus, the Church of England unceasingly concoct utter lies against Torsten. Identically with satan, the Archbishop of Church of England absolutely refuses to justify his Church of England's persecution against innocent Torsten, and Church of England refuses to repent from its continuous satanic evils against innocent Torsten.: <http://www.kyrkor.be/satanic-Archbishop-Justin-Welby-of-satans-Church-of-England.htm>

Semi-recent British churchianity incidents:

1. Satanic 'Woodgreen Evangelical Church' in Worcester, United Kingdom, explicitly banished and evicted innocent Torsten, called the Police, and falsely accused the absolutely innocent Christian person Torsten of being **"a very dangerous, deluded and demonic Wolf"**, and that it is a moral duty to protect people from Torsten.: http://www.kyrkor.be/Woodgreen-Evangelical-Church-Worcester_UK_eviction_2017.htm
2. Satanic 'Hope Church' in Worcester, United Kingdom, explicitly banished and evicted innocent Torsten and threatened to call the police, because their satanic church leaders collude with other satanic churches. The satanic Hope Church falsely accused that the absolutely innocent Christian person **Torsten is a danger**, and declared that their **eviction of Torsten is necessary for protection of the people**.: http://www.kyrkor.be/Hope-Church-Worcester_UK_eviction_2017.htm
3. Satanic Church of England's 'All Saints Church' in Worcester, United Kingdom, explicitly banished and evicted innocent Torsten, called the Police, and falsely accused innocent Torsten of some unknown and unspecified "behaviour". The satanic Church of England's vicars/bishops have concocted utter lies against a non-existent monster, who they call Torsten. The Archbishop of Church of England, Justin Welby, absolutely refuses to specify what sin, immorality, wrongdoing or **"behaviour"** that his Church of England constantly accuse against innocent Torsten, justifying Church of England's evictions and global banishments against innocent Torsten.: http://www.kyrkor.be/All-Saints-Church-Worcester_UK_Anglican-eviction_2017.htm
4. Satanic and pathologically lying Australian **"Hillsong Church"** in London, United Kingdom, again evicted innocent Torsten from their Sunday so-called service in their rented premises at Dominion Theatre in central London. The cult, Hillsong London, of course, absolutely refused to provide a reason for their repeated evictions. The typically satanic Hillsong London has confirmed that their Hillsong's supreme devilpastor (**Brian Houston**) enforces a worldwide banishment against Torsten, and has confirmed that Hillsong's devilpastor Brian Houston preserves a global anti-Torsten policy. Hillsect London has evicted Torsten on all six Sundays (2019-07-28, 2018-06-24, 2017-09-10, 2017-04-09, 2016-10-30, 2016-07-25) when Torsten has visited their

5. The satanic Baptist pastors of United Kingdom, the evil Baptist leaders of the British Baptist Associations, and the diabolical Baptist leaders of the Baptist Union of Great Britain, continually slander, defame, persecute and cyberbully the Christian person Torsten: http://www.kyrkor.be/Heart-of-England-Baptist-Association_and_Baptist-Union-UK.htm
 6. The satanic Evangelical pastors of United Kingdom continually lie, slander and persecute the Christian person Torsten. The Evangelical Alliance of United Kingdom ^(<http://ea.uk.org>) passively endorsed the explicit banishment by one of their evangelical member churches ^(<http://www.kyrkor.be/Kings-Church-Birmingham-UK.htm>) in Birmingham, UK. The Evangelical Alliance of United Kingdom previously opposed Torsten's critique against the British churches' outsourcing of Christian relationships to their British pro-homosexuality and Christophobic websites: <http://www.kyrkor.be/Evangelical-Alliance-United-Kingdom.htm>. The Evangelical Alliance of Ireland ^(<http://www.evangelical.ie>) was previously pointed out by their Vineyard Church in Dublin ^(<http://www.kyrkor.be/Dublin-Vineyard-Church-Ireland.htm>) as the source of active slander and lies against Torsten "In the light of [...] correspondence from Evangelical Alliance Ireland [...] I am withdrawing the welcome.": <http://www.kyrkor.be/christianconnection.co.uk-discrimination-against-Christianity.pdf>

Everywhere on earth, satanic pastors of churches have obstructed me from possibility of a Christian marriage. Because of obstruction by the satanic pastors of churches everywhere, I have never had any opportunity in life to marry a Christian woman. Utterly evil leaders of churches everywhere, have denied me the fundamental human condition to marry a woman. Satan truly is in charge of essentially all the churches worldwide, through professional pastors and priests.

Leaders of churches, everywhere on earth, are satanically determined to deliberately destroy the life of the innocent Christian person Torsten. Everywhere on earth, leaders of churches intentionally isolate innocent Torsten through the church-leaders' utter lies, false accusations, slander, evictions, banishments and collusive persecutions against innocent Torsten. Through facts and by the evidences, it is sensible and proper to conclude that satan is in control of the minds and hearts of leaders of churches, worldwide.

Torsten has never had any opportunity in life to marry a Christian woman, because the leaders of churches on earth have actively and passively sought to prevent that Torsten could have an opportunity to marry a Christian woman. The leaders of churches on earth have sought to prohibit opportunity for Torsten to communicate with any Christian woman. Due to all of satan's hindering leaders of churches everywhere on earth, no opportunity has ever existed, and incessantly, there never can exist any opportunity in future - because no church on earth allows Torsten to communicate with any Christian woman. The leaders of churches have destroyed Torsten's life, and the leaders of churches continue to seek to destroy Torsten's life. No leader of any church anywhere on earth will allow Torsten to communicate with Christian women. No leader of any church on earth is willing to repent from their inhumanity, sinfulness and evil against Torsten.

Torsten has no wife, because the pastors of churches prohibit that Torsten may marry a woman. Torsten is not permitted by the pastors of churches to socialise in churches. Satan knows that no communication between Torsten and women equates to no Godly marriage, and that is precisely why the pastors of churches are obsessed to prevent Torsten from communicating with any woman, and that is why the pastors of churches are obsessed to isolate Torsten from fellowship. Pastors of churches are obsessed to prevent innocent Torsten from marrying a Christian woman.

In general, pastors of churches everywhere truly are menaces to civilised societies, through their lies, evils, falsities and ultra-hypocritical inhumanity.

Lies, lies, lies and lies. Lying and falsely accusing is not merely a peripheral conduct by virtually all leaders of churches worldwide, but lying and maliciously slandering is actually the core nature of essentially all leaders of churches globally. Lying, falsely accusing, slandering, banishing and collusively persecuting the absolutely innocent person Torsten is very important for essentially all pastors and priests of churches, worldwide.

No Christian on earth knows Torsten. No pastor/priest on earth knows Torsten. Without any reality-based reason, virtually all church-leaders worldwide lie, slander, gossip, excommunicate, assault and evict Torsten. This persecution by the clergy of essentially all churches globally never stops, because satan whom they serve never stops.

The Government of Australia continues to ban innocent Torsten, through Australian Government invented and fraudulent non-reasons. Because church leaders always invent lies against innocent Torsten, and often report their lies to government authorities, it is very likely that the Australian Government identically follows the evil examples of other devilish countries of Commonwealth of Nations, like New Zealand ^(<http://www.kyrkor.be/New-Zealand-Federal-Governments-satanic-church-lies.htm>), and Canada ^(<http://www.kyrkor.be/the-morally-confused-Justin-Trudeau-in-Canada.htm>). http://www.kyrkor.be/satanic-Australian-Government-imbecils_2022.pdf

306. Three hundred sixth International Plea

Date: Wed, 16 Feb 2022 22:49

Subject: Irrefutably 100% of Swedish/satanic church leaders ostracise and persecute an innocent Christian man, because the innocent man stated to all church leaders a hope of finding a Christian woman towards Christian marriage.

Christian never-married innocent man, who wants to marry a Christian woman, is excommunicated/banished by all churches in Sweden, is ousted from Swedish society, and is devoid of humane future in Sweden – because of Sweden's heartless pastors and heretic priests, and due to Sweden's satanic politicians and Sweden's aggressively anti-Christian culture.

Current:

I am currently stuck in Stockholm of satanic-Sweden.

- The Swedishness of Sweden's healthcare system discriminatorily deprives a Christian man, named Torsten, of humane substitution for the inhumane persecution by 100% of Sweden's churches. Sweden's healthcare system procrastinated provision of medical journal evidence to its Swedishness medical lies about Torsten; lies intent to coverup their Swedishness discrimination against Non-Swedishness Torsten.: <https://www.nenzen.net/Swedishness-health-care-discrimination-against-Non-Swedishness.htm>
- The evil NEW ZEALAND Government, which interrogated, arrested, hand-cuffed, imprisoned and deported absolutely innocent Torsten, is allied with satan's lying and persecuting pastors of churches.:

Lies, lies, lies and lies. Lying and falsely accusing is not merely a peripheral conduct by virtually all leaders of churches worldwide, but lying and maliciously slandering is actually the core nature of essentially all leaders of churches globally. Lying, falsely accusing, slandering, banishing and collusively persecuting the absolutely innocent person Torsten is very important for essentially all pastors and priests of churches, worldwide.

No Christian on earth knows Torsten. No pastor/priest on earth knows Torsten. Without any reality-based reason, virtually all church-leaders worldwide lie, slander, gossip, excommunicate, assault and evict Torsten. This persecution by the clergy of essentially all churches globally never stops, because satan whom they serve never stops.

The Government of Australia continues to ban innocent Torsten, through Australian Government invented and fraudulent non-reasons. Because church leaders always invent lies against innocent Torsten, and often report their lies to government authorities, it is very likely that the Australian Government identically follows the evil

examples of other devilish countries of Commonwealth of Nations, like New Zealand (<http://www.kyrkor.be/New-Zealand-Federal-Governments-satanic-church-lies.htm>), and Canada (<http://www.kyrkor.be/the-morally-confused-Justin-Trudeau-in-Canada.htm>).

305. Three hundred fifth International Plea

Date: Mon, 31 Jan 2022 19:26

Subject: Unquestionably 100% of Swedish/satanic church leaders ostracise and persecute an innocent Christian man, because the innocent man stated to all church leaders a hope of finding a Christian woman towards Christian marriage.

Christian never-married innocent man, who wants to marry a Christian woman, is excommunicated/banished by all churches in Sweden, is ousted from Swedish society, and is devoid of humane future in Sweden – because of Sweden's heartless pastors and heretic priests, and due to Sweden's satanic politicians and Sweden's aggressively anti-Christian culture.

Current:

I am currently stuck in Stockholm of satanic-Sweden.

- The Swedishness of Sweden's healthcare system discriminatorily deprives a Christian man, named Torsten, of humane substitution for the inhumane persecution by 100% of Sweden's churches. Sweden's healthcare system procrastinated provision of medical journal evidence to its Swedishness **medical lies** about Torsten; lies intent to coverup their Swedishness **discrimination** against Non-Swedishness Torsten.: <https://www.nenzen.net/Swedishness-health-care-discrimination-against-Non-Swedishness.htm>

A typical priestly statement "Nobody is interested in you!" encapsulates a core attitude by professional leaders of churches everywhere.: <https://www.kyrkor.be/churchianity-core-attitude.htm>

If not by mere principle, then at least because ultra-hypocritical pastors/persecutors by essentially all church denominations everywhere are morally equivalent in their various depravities, as for example to satan's showbiz-psychopathic leaders of Australia's global leadership network of churches Hillsong/HillSect (http://www.kyrkor.be/Hillsong-London-UK_eviction_2019-07-28.htm and http://www.kyrkor.be/Hillsong-Stockholm_Andreas-Nielsen_Sweden.htm), each national government of ALL countries should therefore recognise its governmental moral obligation to neither financially support nor subsidise any churches whatsoever. The principle of individual freedom of religion is fundamental as a universal human right, and which must be respected by all national governments worldwide; but, so also is the principle of freedom from public sector religion. For example, a parliamentary motion on disestablishment of the Church of England from United Kingdom, also ought to be recognised as a fundamental moral duty (<http://www.kyrkor.be/satanic-Archbishop-Justin-Webby-of-satanic-Church-of-England.htm> and http://www.kyrkor.be/Anglican-Church-Stockholm_and_Anglican-Diocese-Europe_10-years-later.htm). Any national parliament that does establish association with any churches are thereby complicitly guilty to the churches' immoralities and persecutions against innocent Christians.: <https://archive.vn/vZm2s>

In United Kingdom, according to the typically lying British Police, **physical assaults** by British landlords against tenants indoors is acceptable (<https://bit.ly/2BYesFI>), but peaceful distribution of the Gospel message outdoors is not (<https://bit.ly/3fx4B8n>). Also in United Kingdom, the **very-British Britons at British county council governments provably lie**, and consequently, none of UK's British councils government apes, nor UK's British courts or judiciary, nor the British public services, are willing to communicate.: https://www.kyrkor.be/2021-02-28_UK_British-Government_lies_dishonesty_inanity_corruption.pdf

Contemptible "*Torsten-the-demonic-Wolf*" is continually persecuted by virtually all British leaders of all its satanic churches in United Kingdom and also worldwide, but in reality however, Torsten is an authentic Bible-affirming Christian who is absolutely innocent in relation to all of UK's banning and persecuting churches and global churchianity.

All British satanic churches in United Kingdom have explicitly, implicitly, covertly or passively banished the Christian person Torsten, because satan's British pastors and priests of United Kingdom's churches have decided in their imaginations that Torsten is sorts of a monster, and that the terrible monster **Torsten is dangerous and unfit for British community**. The British satanic pastors of churches in United Kingdom persecute Torsten-the-Monster (Torsten-the-demonic-Wolf). **100%** of the satanic leaders of churches in Worcester, UK, serve their master satan through their invented lies, evil slander, evictions and collusive persecution against the absolutely innocent Christian person Torsten.

Too close for truth: Satan's British church/government/state alliance.

UK institutions and UK leaders are too closely allied for public acknowledgement of truth, and outcome towards moral justice. UK political leaders, UK institutional leaders, and UK religious leaders are primarily loyal towards each other; some by sworn oaths of allegiance. Therefore, the satanically corrupt and persecuting **Church of England (church of satan)** is beyond accountability to truth. The UK Prime Minister is allied with the Supreme Governor of the Church of England (the Queen) as adviser of appointing personnel for the British Queen's Church of England. Church of England's Archbishop of Canterbury is by oath allied to Supreme Governor of the Church of England (the Queen). The Anglican Bishops are subordinately dependent on, and by oath allied with, the Anglican Archbishop of Canterbury (currently Justin Welby), towards concealing culpability of the worldwide PERSECUTION by Church of England – against the Christian person Torsten; who is absolutely innocent in relation to Church of England and all the other globally persecuting churches. Queen Elizabeth II of United Kingdom is the "Supreme Governor of the Church of England", and therefore, this **Queen of England is utmost accountable for her satanic Church of England's intentional lies, slander, evictions and persecution against the absolutely innocent person Torsten**. The British Royal Family's own website (<https://www.royal.uk/queens-relationship-churches-england-and-scotland-and-other-faiths>) accordingly declares: "*The Queen's relationship with the Church of England was symbolised at the Coronation in 1953 when Her Majesty was anointed by the Archbishop of Canterbury and took an oath to 'maintain and preserve inviolably the settlement of the Church of England, and the doctrine worship, discipline, and government thereof, as by law established in England'. Updated Anglican/Church of England incidents:

- In 2022, more than 10 years succeeding that a heretical/Anglican Church Reverend in Stockholm, Sweden, harassed Torsten and in effect purged Torsten-the-Monster from its Anglican Church in 2007/2008: (a) through dehumanising orders, (b) through imposition of demeaning social constraints against Torsten, and (c) by threatening Torsten with Police eviction if Torsten were to speak with any attendees before/after the Sunday "services", the typically persecuting Anglican/satanic clergy of Church of England in Stockholm sustains satan's deceptive agenda. In 2007/2008/2009, the **Anglican Diocese of Europe** did not intervene against its discrimination against Christianity, did not cease its harassments against an innocent Christian, and did not prevent its bans and threats by the satanic/Anglican Reverend. In 2019, neither the Anglican Diocese of Europe nor the satanic Church of England nor its Archbishop of Canterbury, would declare the Anglican Diocese of Europe's 2008 declared grave heresies and its sanctioning of the practice of homosexuality, as evil and sinful (as according to the Bible). - Church of England (Church of Satan) continues its refusal to explain or justify the Church of England's national ban against their imagined monster, Torsten-the-Monster, who in reality is absolutely innocent in relation to all churches on earth. Archbishop Justin Welby's **Church of England (Church of Satan)** globally banish, evict, falsely accuse, slander, physically assault and **persecute** the real Christian person Torsten. The satanic Church of England constantly invents lies against innocent Torsten. The satanic vicars/bishops of satan's Church of England oppose truth and God, and thus, the Church of England unceasingly concoct utter lies against Torsten. Semi-recent British churchianity incidents:

1. Satanic 'Woodgreen Evangelical Church' in Worcester, United Kingdom, **explicitly banished and evicted** innocent Torsten, called the Police, and falsely accused the absolutely innocent Christian person Torsten of being **"a very dangerous, deluded and demonic Wolf"**, and that it is a moral duty to protect people from Torsten.: http://www.kyrkor.be/Woodgreen-Evangelical-Church-Worcester_UK_eviction_2017.htm

2. Satanic 'Hope Church' in Worcester, United Kingdom, explicitly banished and evicted innocent Torsten and threatened to call the police, because their satanic church leaders collude with other satanic churches. 3. Satanic Church of England's 'All Saints Church' in Worcester, United Kingdom, explicitly banished and evicted innocent Torsten, called the Police, and falsely accused innocent Torsten of some unknown and unspecified "behaviour". The satanic Church of England's vicars/bishops have concocted utter lies against a non-existent monster, who they call Torsten. The Archbishop of Church of England, Justin Welby, absolutely refuses to specify what sin, immorality, wrongdoing or "**behaviour**" that his Church of England constantly accuse against innocent Torsten, justifying Church of England's evictions and global banishments against innocent Torsten.: http://www.kyrkor.be/All-Saints-Church-Worcester_UK_Anglican-eviction_2017.htm
4. Satanic and pathologically lying Australian "**Hillsong Church**" in London, United Kingdom, again evicted innocent Torsten from their Sunday so-called service in their rented premises at Dominion Theatre in central London. The cult, Hillsong London, of course, absolutely refused to provide a reason for their repeated evictions. The typically satanic Hillsong London has confirmed that their Hillsong's supreme devilpastor (**Brian Houston**) enforces a worldwide banishment against Torsten, and has confirmed that Hillsong's devilpastor Brian Houston preserves a global anti-Torsten policy. Hillsong London has evicted Torsten on all six Sundays (2019-07-28, 2018-06-24, 2017-09-10, 2017-04-09, 2016-10-30, 2016-07-25) when Torsten has visited their satanic cult to obtain information about their global ban.: http://www.kyrkor.be/Hillsong-London-UK_eviction_2019-07-28.htm
5. The satanic Baptist pastors of United Kingdom, the evil Baptist leaders of the British Baptist Associations, and the diabolical Baptist leaders of the Baptist Union of Great Britain, continually slander, defame, persecute and cyberbully the Christian person Torsten: http://www.kyrkor.be/Heart-of-England-Baptist-Association_and_Baptist-Union-UK.htm
6. The satanic Evangelical pastors of United Kingdom continually lie, slander and persecute the Christian person Torsten. The Evangelical Alliance of United Kingdom (<http://ea.uk.org>) passively endorsed the explicit banishment by one of their evangelical member churches (<http://www.kyrkor.be/Kings-Church-Birmingham-UK.htm>) in Birmingham, UK. The Evangelical Alliance of United Kingdom previously opposed Torsten's critique against the British churches' outsourcing of Christian relationships to their British pro-homosexuality and Christophobic websites: <http://www.kyrkor.be/Evangelical-Alliance-United-Kingdom.htm>. The Evangelical Alliance of Ireland (<http://www.evangelical.ie>) was previously pointed out by their Vineyard Church in Dublin (<http://www.kyrkor.be/Dublin-Vineyard-Church-Ireland.htm>) as the source of active slander and lies against Torsten "In the light of [...] correspondence from Evangelical Alliance Ireland [...] I am withdrawing the welcome.": <http://www.kyrkor.be/christianconnection.co.uk-discrimination-against-Christianity.pdf>

Everywhere on earth, satanic pastors of churches have obstructed me from possibility of a Christian marriage. Because of obstruction by the satanic pastors of churches everywhere, I have never had any opportunity in life to marry a Christian woman. Utterly evil leaders of churches everywhere, have denied me the fundamental human condition to marry a woman. Satan truly is in charge of essentially all the churches worldwide, through professional pastors and priests.

Leaders of churches, everywhere on earth, are satanically determined to deliberately destroy the life of the innocent Christian person Torsten. Everywhere on earth, leaders of churches intentionally isolate innocent Torsten through the church-leaders' utter lies, false accusations, slander, evictions, banishments and collusive persecutions against innocent Torsten. Through facts and by the evidences, it is sensible and proper to conclude that satan is in control of the minds and hearts of leaders of churches, worldwide.

Torsten has never had any opportunity in life to marry a Christian woman, because the leaders of churches on earth have actively and passively sought to prevent that Torsten could have an opportunity to marry a Christian woman. The leaders of churches on earth have sought to prohibit opportunity for Torsten to communicate with any Christian woman. Due to all of satan's hindering leaders of churches everywhere on earth, no opportunity has ever existed, and incessantly, there never can exist any opportunity in future - because no church on earth allows Torsten to communicate with any Christian woman. The leaders of churches have destroyed Torsten's life, and the leaders of churches continue to seek to destroy Torsten's life. No leader of any church anywhere on earth will allow Torsten to communicate with Christian women. No leader of any church on earth is willing to repent from their inhumanity, sinfulness and evil against Torsten.

Torsten has no wife, because the pastors of churches prohibit that Torsten may marry a woman. Torsten is not permitted by the pastors of churches to socialise in churches. Satan knows that no communication between Torsten and women equates to no Godly marriage, and that is precisely why the pastors of churches are obsessed to prevent Torsten from communicating with any woman, and that is why the pastors of churches are obsessed to isolate Torsten from fellowship. Pastors of churches are obsessed to prevent innocent Torsten from marrying a Christian woman.

In general, pastors of churches everywhere truly are menaces to civilised societies, through their lies, evils, falsities and ultra-hypocritical inhumanity.

Lies, lies, lies and lies. Lying and falsely accusing is not merely a peripheral conduct by virtually all leaders of churches worldwide, but lying and maliciously slandering is actually the core nature of essentially all leaders of churches globally. The cult, Hillsong London, of course, absolutely refused to provide a reason for their repeated evictions. The typically satanic Hillsong London has confirmed that their Hillsong's supreme devilpastor (**Brian Houston**) enforces a worldwide banishment against Torsten, and has confirmed that Hillsong's devilpastor Brian Houston preserves a global anti-Torsten policy. Hillsong London has evicted Torsten on all six Sundays (2019-07-28, 2018-06-24, 2017-09-10, 2017-04-09, 2016-10-30, 2016-07-25) when Torsten has visited their satanic cult to obtain information about their global ban.: http://www.kyrkor.be/Hillsong-London-UK_eviction_2019-07-28.htm
5. The satanic Baptist pastors of United Kingdom, the evil Baptist leaders of the British Baptist Associations, and the diabolical Baptist leaders of the Baptist Union of Great Britain, continually slander, defame, persecute and cyberbully the Christian person Torsten: http://www.kyrkor.be/Heart-of-England-Baptist-Association_and_Baptist-Union-UK.htm
6. The satanic Evangelical pastors of United Kingdom continually lie, slander and persecute the Christian person Torsten. The Evangelical Alliance of United Kingdom (<http://ea.uk.org>) passively endorsed the explicit banishment by one of their evangelical member churches (<http://www.kyrkor.be/Kings-Church-Birmingham-UK.htm>) in Birmingham, UK. The Evangelical Alliance of United Kingdom previously opposed Torsten's critique against the British churches' outsourcing of Christian relationships to their British pro-homosexuality and Christophobic websites: <http://www.kyrkor.be/Evangelical-Alliance-United-Kingdom.htm>. The Evangelical Alliance of Ireland (<http://www.evangelical.ie>) was previously pointed out by their Vineyard Church in Dublin (<http://www.kyrkor.be/Dublin-Vineyard-Church-Ireland.htm>) as the source of active slander and lies against Torsten "In the light of [...] correspondence from Evangelical Alliance Ireland [...] I am withdrawing the welcome.": <http://www.kyrkor.be/christianconnection.co.uk-discrimination-against-Christianity.pdf>

Everywhere on earth, satanic pastors of churches have obstructed me from possibility of a Christian marriage. Because of obstruction by the satanic pastors of churches everywhere, I have never had any opportunity in life to marry a Christian woman. Utterly evil leaders of churches everywhere, have denied me the fundamental human condition to marry a woman. Satan truly is in charge of essentially all the churches worldwide, through professional pastors and priests.

Leaders of churches, everywhere on earth, are satanically determined to deliberately destroy the life of the innocent Christian person Torsten. Everywhere on earth, leaders of churches intentionally isolate innocent Torsten through the church-leaders' utter lies, false accusations, slander, evictions, banishments and collusive persecutions against innocent Torsten. Through facts and by the evidences, it is sensible and proper to conclude that satan is in control of the minds and hearts of leaders of churches, worldwide.

Torsten has never had any opportunity in life to marry a Christian woman, because the leaders of churches on earth have actively and passively sought to prevent that Torsten could have an opportunity to marry a Christian woman. The leaders of churches on earth have sought to prohibit opportunity for Torsten to communicate with any Christian woman. Due to all of satan's hindering leaders of churches everywhere on earth, no opportunity has ever existed, and incessantly, there never can exist any opportunity in future - because no church on earth allows Torsten to communicate with any Christian woman. The leaders of churches have destroyed Torsten's life, and the leaders of churches continue to seek to destroy Torsten's life. No leader of any church anywhere on earth will allow Torsten to communicate with Christian women. No leader of any church on earth is willing to repent from their inhumanity, sinfulness and evil against Torsten.

Torsten has no wife, because the pastors of churches prohibit that Torsten may marry a woman. Torsten is not permitted by the pastors of churches to socialise in churches. Satan knows that no communication between Torsten and women equates to no Godly marriage, and that is precisely why the pastors of churches are obsessed to prevent Torsten from communicating with any woman, and that is why the pastors of churches are obsessed to isolate Torsten from fellowship. Pastors of churches are obsessed to prevent innocent Torsten from marrying a Christian woman.

In general, pastors of churches everywhere truly are menaces to civilised societies, through their lies, evils, falsities and ultra-hypocritical inhumanity.

Lies, lies, lies and lies. Lying and falsely accusing is not merely a peripheral conduct by virtually all leaders of churches worldwide, but lying and maliciously slandering is actually the core nature of essentially all leaders of churches globally. Lying, falsely accusing, slandering, banishing and collusively persecuting the absolutely innocent person Torsten is very important for essentially all pastors and priests of churches, worldwide.

No Christian on earth knows Torsten. No pastor/priest on earth knows Torsten. Without any reality-based reason, virtually all church-leaders worldwide lie, slander, gossip, excommunicate, assault and evict Torsten. This persecution by the clergy of essentially all churches globally never stops, because satan whom they serve never stops.

The Government of Australia continues to ban innocent Torsten, through Australian Government invented and fraudulent non-reasons. Because church leaders always invent lies against innocent Torsten, and often report their lies to government authorities, it is very likely that the Australian Government identically follows the evil examples of other devilish countries of Commonwealth of Nations, like New Zealand (<http://www.kyrkor.be/New-Zealand-Federal-Governments-satanic-church-lies.htm>), and Canada (<http://www.kyrkor.be/the-morally-confused-Justin-Trudeau-in-Canada.htm>). http://www.kyrkor.be/satanic-Australian-Government-imbecils_2022.pdf

303. Three hundred third International Plea

Date: Fri, 31 Dec 2021 13:07

Subject: Undeniably 100% of Swedish/satanic church leaders ostracise and persecute an innocent Christian man, because the innocent man stated to all church leaders a hope of finding a Christian woman towards Christian marriage.

Christian never-married innocent man, who wants to marry a Christian woman, is excommunicated/banished by all churches in Sweden, is ousted from Swedish society, and is devoid of humane future in Sweden – because of Sweden's heartless pastors and heretic priests, and due to Sweden's satanic politicians and Sweden's aggressively anti-Christian culture.

Current:

I am currently in Rådanefors of satanic-Sweden.

- The Swedishness of Sweden's healthcare system discriminatorily deprives a Christian man, named Torsten, of humane substitution for the inhumane persecution by 100% of Sweden's churches. Sweden's healthcare system procrastinated provision of medical journal evidence to its Swedishness medical lies about Torsten; lies intent to coverup their Swedishness discrimination against Non-Swedishness Torsten.: <https://www.nenzen.net/Swedishness-health-care-discrimination-against-Non-Swedishness.htm>

A typical priestly statement "Nobody is interested in you!" encapsulates a core attitude by professional leaders of churches everywhere.: <https://www.kyrkor.be/churchianity-core-attitude.htm>

If not by mere principle, then at least because ultra-hypocritical pastors/persecutors by essentially all church denominations everywhere are morally equivalent in their various depravities, as for example to satan's showbiz-psychopathic leaders of Australia's global leadership network of churches Hillsong/HillSect (http://www.kyrkor.be/Hillsong-London-UK_eviction_2019-07-28.htm and http://www.kyrkor.be/Hillsong-Stockholm_Andreas-Nielsen_Sweden.htm), each national government of ALL countries should therefore recognise its governmental moral obligation to neither financially support nor subsidise any churches whatsoever. The principle of individual freedom of religion is fundamental as a universal human right, and which must be respected by all national governments worldwide; but, so also is the principle of freedom from public sector religion. For example, a parliamentary motion on disestablishment of the Church of England from United Kingdom, also ought to be recognised as a fundamental moral duty (<http://www.kyrkor.be/satanic-Archbishop-Justin-Webby-of-satanic-Church-of-England.htm> and http://www.kyrkor.be/Anglican-Church-Stockholm_and_Anglican-Diocese-Europe_10-years-later.htm). Any national parliament that does establish association with any churches are thereby complicitly guilty to the churches' immoralities and persecutions against innocent Christians.: <https://archive.vn/vZm2s>

In United Kingdom, according to the typically lying British Police, physical assaults by British landlords against tenants indoors is acceptable (<https://bit.ly/2BYesFI>), but peaceful distribution of the Gospel message outdoors is not (<https://bit.ly/3fx4B8n>). Also in United Kingdom, the very-British Britons at British county council governments provably lie, and consequently, none of UK's British councils government apes, nor UK's British courts or judiciary,

nor the British public services, are willing to communicate.: https://www.kyrkor.be/2021-02-28__UK_British-Government_lies_dishonesty_inanity_corruption.pdf

Contemptible “Torsten-the-demonic-Wolf” is continually persecuted by virtually all British leaders of all its satanic churches in United Kingdom and also worldwide, but in reality however, Torsten is an authentic Bible-affirming Christian who is absolutely innocent in relation to all of UK’s banning and persecuting churches and global churchianity.

All British satanic churches in United Kingdom have explicitly, implicitly, covertly or passively banished the Christian person Torsten, because satan’s British pastors and priests of United Kingdom’s churches have decided in their imaginations that Torsten is sorts of a monster, and that the terrible monster **Torsten is dangerous and unfit for British community**. The British satanic pastors of churches in United Kingdom persecute Torsten-the-Monster (Torsten-the-demonic-Wolf). 100% of the satanic leaders of churches in Worcester, UK, serve their master satan through their invented lies, evil slander, evictions and collusive persecution against the absolutely innocent Christian person Torsten.

Too close for truth: Satan’s British church/government/state alliance.

UK institutions and UK leaders are too closely allied for public acknowledgement of truth, and outcome towards moral justice. UK political leaders, UK institutional leaders, and UK religious leaders are primarily loyal towards each other; some by sworn oaths of allegiance. Therefore, the satanically corrupt and persecuting **Church of England (church of satan)** is beyond accountability to truth. The UK Prime Minister is allied with the Supreme Governor of the Church of England (the Queen) as adviser of appointing personnel for the British Queen’s Church of England. Church of England’s Archbishop of Canterbury is by oath allied to Supreme Governor of the Church of England (the Queen). The Anglican Bishops are subordinatedly dependent on, and by oath allied with, the Anglican Archbishop of Canterbury (currently Justin Welby), towards concealing culpability of the worldwide PERSECUTION by Church of England – against the Christian person Torsten; who is absolutely innocent in relation to Church of England and all the other globally persecuting churches. Queen Elizabeth II of United Kingdom is the “Supreme Governor of the Church of England”, and therefore, this **Queen of England is utmost accountable for her satanic Church of England’s intentional lies, slander, evictions and persecution against the absolutely innocent person Torsten**. The British Royal Family’s own website (<https://www.royal.uk/queens-relationship-churches-england-and-scotland-and-other-faiths>) accordingly declares: “The Queen’s relationship with the Church of England was symbolised at the Coronation in 1953 when Her Majesty was anointed by the Archbishop of Canterbury and took an oath to ‘maintain and preserve inviolably the settlement of the Church of England, and the doctrine worship, discipline, and government thereof, as by law established in England’. On the advice of the Prime Minister The Queen appoints Archbishops, Bishops and Deans of the Church of England, who then swear an oath of allegiance and pay homage to Her Majesty. Church of England deacons and parish priests also swear an oath of allegiance to the Sovereign.”

Satan’s Church of England of evil Kingdom of Britain under its Queen, unceasingly persecute Torsten in UK and globally. The British government’s “stupidity agencies” are fit to maintain fallacious judgement and selected ignorance.

Updated Anglican/Church of England incidents:

- In 2021, more than 10 years succeeding that a heretical/Anglican Church Reverend in Stockholm, Sweden, harassed Torsten and in effect purged Torsten-the-Monster from its Anglican Church in 2007/2008: (a) through dehumanising orders, (b) through imposition of demeaning social constraints against Torsten, and (c) by threatening Torsten with Police eviction if Torsten were to speak with any attendees before/after the Sunday “services”, the typically persecuting Anglican/satanic clergy of Church of England in Stockholm sustains satan’s deceptive agenda. In 2007/2008/2009, the **Anglican Diocese of Europe** did not intervene against its discrimination against Christianity, did not cease its harassments against an innocent Christian, and did not prevent its bans and threats by the satanic/Anglican Reverend. In 2019, neither the Anglican Diocese of Europe nor the satanic Church of England nor its Archbishop of Canterbury, would declare the Anglican Diocese of Europe’s 2008 declared grave heresies and its sanctioning of the practice of homosexuality, as evil and sinful (as according to the Bible). More than ten years later, Church of England unabatedly persecutes Torsten-the-Monster within United Kingdom and worldwide.

- Church of England (Church of Satan) continues its refusal to explain or justify the Church of England’s national ban against their imagined monster, Torsten-the-Monster, who in reality is absolutely innocent in relation to all churches on earth. Archbishop Justin Welby’s **Church of England (Church of Satan)** globally banish, evict, falsely accuse, slander, physically assault and **persecute** the real Christian person Torsten. The satanic Church of England constantly invents lies against innocent Torsten. The satanic vicars/bishops of satan’s Church of England oppose truth and God, and thus, the Church of England unceasingly concoct utter lies against Torsten. Semi-recent British churchianity incidents:

1. Satanic ‘Woodgreen Evangelical Church’ in Worcester, United Kingdom, **explicitly banished and evicted** innocent Torsten, called the Police, and falsely accused the absolutely innocent Christian person Torsten of

2. Satanic 'Hope Church' in Worcester, United Kingdom, explicitly banished and evicted innocent Torsten and threatened to call the police, because their satanic church leaders collude with other satanic churches. The satanic Hope Church falsely accused that the absolutely innocent Christian person **Torsten is a danger**, and declared that their **eviction of Torsten is necessary for protection of the people**.: <http://www.kyrkor.be/Hope-Church-Worcester-UK-eviction-2017.htm>
 3. Satanic Church of England's 'All Saints Church' in Worcester, United Kingdom, explicitly banished and evicted innocent Torsten, called the Police, and falsely accused innocent Torsten of some unknown and unspecified "behaviour". The satanic Church of England's vicars/bishops have concocted utter lies against a non-existent monster, who they call Torsten. The Archbishop of Church of England, Justin Welby, absolutely refuses to specify what sin, immorality, wrongdoing or "behaviour" that his Church of England constantly accuse against innocent Torsten, justifying Church of England's evictions and global banishments against innocent Torsten.: <http://www.kyrkor.be/All-Saints-Church-Worcester-UK-Anglican-eviction-2017.htm>
 4. Satanic and pathologically lying Australian "Hillsong Church" in London, United Kingdom, again evicted innocent Torsten from their Sunday so-called service in their rented premises at Dominion Theatre in central London. The cult, Hillsong London, of course, absolutely refused to provide a reason for their repeated evictions. The typically satanic Hillsong London has confirmed that their Hillsong's supreme devilpastor (**Brian Houston**) enforces a worldwide banishment against Torsten, and has confirmed that Hillsong's devilpastor Brian Houston preserves a global anti-Torsten policy. - In 2021, more than 10 years succeeding that a heretical/Anglican Church Reverend in Stockholm, Sweden, harassed Torsten and in effect purged Torsten-the-Monster from its Anglican Church in 2007/2008: (a) through dehumanising orders, (b) through imposition of demeaning social constraints against Torsten, and (c) by threatening Torsten with Police eviction if Torsten were to speak with any attendees before/after the Sunday "services", the typically persecuting Anglican/satanic clergy of Church of England in Stockholm sustains satan's deceptive agenda. In 2007/2008/2009, the **Anglican Diocese of Europe** did not intervene against its discrimination against Christianity, did not cease its harassments against an innocent Christian, and did not prevent its bans and threats by the satanic/Anglican Reverend. In 2019, neither the Anglican Diocese of Europe nor the satanic Church of England nor its Archbishop of Canterbury, would declare the Anglican Diocese of Europe's 2008 declared grave heresies and its sanctioning of the practice of homosexuality, as evil and sinful (as according to the Bible). More than ten years later, Church of England unabatedly persecutes Torsten-the-Monster within United Kingdom and worldwide. Previously from 2009: <http://www.kyrkor.be/Anglican-Church-Stockholm-Sweden.htm> Currently from 2021: http://www.kyrkor.be/Anglican-Church-Stockholm_and_Anglican-Diocese-Europe_10-years-later.htm
- Church of England (Church of Satan) continues its refusal to explain or justify the Church of England's national ban against their imagined monster, Torsten-the-Monster, who in reality is absolutely innocent in relation to all churches on earth. Archbishop Justin Welby's **Church of England (Church of Satan)** globally banish, evict, falsely accuse, slander, physically assault and **persecute** the real Christian person Torsten. The satanic Church of England constantly invents lies against innocent Torsten. The satanic vicars/bishops of satan's Church of England oppose truth and God, and thus, the Church of England unceasingly concoct utter lies against Torsten. Identically with satan, the Archbishop of Church of England absolutely refuses to justify his Church of England's persecution against innocent Torsten, and Church of England refuses to repent from its continuous satanic evils against innocent Torsten.: <http://www.kyrkor.be/satanic-Archbishop-Justin-Welby-of-satans-Church-of-England.htm>

Semi-recent British churchianity incidents:

1. Satanic 'Woodgreen Evangelical Church' in Worcester, United Kingdom, explicitly banished and evicted innocent Torsten, called the Police, and falsely accused the absolutely innocent Christian person Torsten of being **"a very dangerous, deluded and demonic Wolf"**, and that it is a moral duty to protect people from Torsten.: <http://www.kyrkor.be/Woodgreen-Evangelical-Church-Worcester-UK-eviction-2017.htm>
2. Satanic 'Hope Church' in Worcester, United Kingdom, explicitly banished and evicted innocent Torsten and threatened to call the police, because their satanic church leaders collude with other satanic churches. The satanic Hope Church falsely accused that the absolutely innocent Christian person **Torsten is a danger**, and declared that their **eviction of Torsten is necessary for protection of the people**.: <http://www.kyrkor.be/Hope-Church-Worcester-UK-eviction-2017.htm>
3. Satanic Church of England's 'All Saints Church' in Worcester, United Kingdom, explicitly banished and evicted innocent Torsten, called the Police, and falsely accused innocent Torsten of some unknown and unspecified "behaviour". The satanic Church of England's vicars/bishops have concocted utter lies against a non-existent monster, who they call Torsten. The Archbishop of Church of England, Justin Welby, absolutely refuses to specify what sin, immorality, wrongdoing or **"behaviour"** that his Church of England constantly accuse against innocent Torsten, justifying Church of England's evictions and global banishments against innocent Torsten.: <http://www.kyrkor.be/All-Saints-Church-Worcester-UK-Anglican-eviction-2017.htm>
4. Satanic and pathologically lying Australian **"Hillsong Church"** in London, United Kingdom, again evicted innocent Torsten from their Sunday so-called service in their rented premises at Dominion Theatre in central London. The cult, Hillsong London, of course, absolutely refused to provide a reason for their repeated evictions. The typically satanic Hillsong London has confirmed that their Hillsong's supreme devilpastor (**Brian Houston**) enforces a worldwide banishment against Torsten, and has confirmed that Hillsong's devilpastor Brian Houston preserves a global anti-Torsten policy. Hillsect London has evicted Torsten on all six Sundays (2019-07-28, 2018-06-24, 2017-09-10, 2017-04-09, 2016-10-30, 2016-07-25) when Torsten has visited their satanic cult to obtain information about their global ban.: <http://www.kyrkor.be/Hillsong-London-UK-eviction-2019-07-28.htm>
5. The satanic Baptist pastors of United Kingdom, the evil Baptist leaders of the British Baptist Associations, and the diabolical Baptist leaders of the Baptist Union of Great Britain, continually slander, defame, persecute and cyberbully the Christian person Torsten: <http://www.kyrkor.be/Heart-of-England-Baptist-Association-and-Baptist-Union-UK.htm>
6. The satanic Evangelical pastors of United Kingdom continually lie, slander and persecute the Christian person Torsten. The Evangelical Alliance of United Kingdom (<http://eauk.org>) passively endorsed the explicit banishment by one of their evangelical member churches (<http://www.kyrkor.be/Kings-Church-Birmingham-UK.htm>) in Birmingham, UK. The Evangelical Alliance of United Kingdom previously opposed Torsten's critique against the British churches' outsourcing of Christian relationships to their British pro-homosexuality and Christophobic websites: <http://www.kyrkor.be/Evangelical-Alliance-United-Kingdom.htm>. The Evangelical Alliance of Ireland (<http://www.evangelical.ie>) was previously pointed out by their Vineyard Church in Dublin (<http://www.kyrkor.be/Dublin-Vineyard-Church-Ireland.htm>) as the source of active slander and lies against Torsten "In the light of [...] correspondence from Evangelical Alliance Ireland [...] I am withdrawing the welcome.": <http://www.kyrkor.be/christianconnection.co.uk-discrimination-against-Christianity.pdf>

Everywhere on earth, satanic pastors of churches have obstructed me from possibility of a Christian marriage. Because of obstruction by the satanic pastors of churches everywhere, I have never had any opportunity in life to marry a Christian woman. Utterly evil leaders of churches everywhere, have denied me the fundamental human condition to marry a woman. Satan truly is in charge of essentially all the churches worldwide, through professional pastors and priests.

Leaders of churches, everywhere on earth, are satanically determined to deliberately destroy the life of the innocent Christian person Torsten. Everywhere on earth, leaders of churches intentionally isolate innocent Torsten through the church-leaders' utter lies, false accusations, slander, evictions, banishments and collusive persecutions against innocent Torsten. Through facts and by the evidences, it is sensible and proper to conclude that satan is in control of the minds and hearts of leaders of churches, worldwide.

Torsten has never had any opportunity in life to marry a Christian woman, because the leaders of churches on earth have actively and passively sought to prevent that Torsten could have an opportunity to marry a Christian woman. The leaders of churches on earth have sought to prohibit opportunity for Torsten to communicate with any Christian woman. Due to all of satan's hindering leaders of churches everywhere on earth, no opportunity has ever existed, and incessantly, there never can exist any opportunity in future - because no church on earth allows Torsten to communicate with any Christian woman. The leaders of churches have destroyed Torsten's life, and the leaders of churches continue to seek to destroy Torsten's life. No leader of any church anywhere on earth will allow Torsten to communicate with Christian women. No leader of any church on earth is willing to repent from their inhumanity, sinfulness and evil against Torsten.

Torsten has no wife, because the pastors of churches prohibit that Torsten may marry a woman. Torsten is not permitted by the pastors of churches to socialise in churches. Satan knows that no communication between Torsten and women equates to no Godly marriage, and that is precisely why the pastors of churches are obsessed to prevent Torsten from communicating with any woman, and that is why the pastors of churches are obsessed to isolate Torsten from fellowship. Pastors of churches are obsessed to prevent innocent Torsten from marrying a Christian woman.

In general, pastors of churches everywhere truly are menaces to civilised societies, through their lies, evils, falsities and ultra-hypocritical inhumanity.

Lies, lies, lies and lies. Lying and falsely accusing is not merely a peripheral conduct by virtually all leaders of churches worldwide, but lying and maliciously slandering is actually the core nature of essentially all leaders of churches globally. Lying, falsely accusing, slandering, banishing and collusively persecuting the absolutely innocent person Torsten is very important for essentially all pastors and priests of churches, worldwide.

No Christian on earth knows Torsten. No pastor/priest on earth knows Torsten. Without any reality-based reason, virtually all church-leaders worldwide lie, slander, gossip, excommunicate, assault and evict Torsten. This persecution by the clergy of essentially all churches globally never stops, because satan whom they serve never stops.

The Government of Australia continues to ban innocent Torsten, through Australian Government invented and fraudulent non-reasons. Because church leaders always invent lies against innocent Torsten, and often report their lies to government authorities, it is very likely that the Australian Government identically follows the evil examples of other devilish countries of Commonwealth of Nations, like New Zealand (<http://www.kyrkor.be/New-Zealand-Federal-Governments-satanic-church-lies.htm>), and Canada (<http://www.kyrkor.be/the-morally-confused-Justin-Trudeau-in-Canada.htm>). http://www.kyrkor.be/satanic-Australian-Government-imbecils_2018.pdf

New Swedishness:

Sweden is a madhouse.

- Satanic-Sweden's satanic 'Church of Sweden' (in practice Church of Satan) (<https://www.satanicchurch.se/en/eng1>) which has banned the innocent Bible-affirming Christian heterosexual man Torsten Nenzén from all its Church of Sweden churches nationwide, and whose satanic-LGBT priests praise their homosexual Swedish god, and which asserts its satanic identity as a "transsexual" church, and which has rewritten the Bible with focus on politically corrected gender and diversity, and which portrays Jesus Christ as a politically corrected gender-neutral person, and which has composed inclusive gender-neutral hymns in their satanic/Swedish psalm book, and which defends its collaboration and funding of Islamists linked with the Islamist terrorist group Muslim Brotherhood and the Islamist terrorist organisation Hamas, and which collects money towards dissemination of Islamic jihad through children's literature and for its Church of Sweden's hatred of Israel, and which is inspired by satanic Islam's prophet Mohammed as a God's prophet, and which is hatefully hostile against Torsten Nenzén and has excluded Torsten because Torsten is a Bible-affirming real Christian (http://www.nenzén.net/Biblical_perspective_on_homosexuality.pdf), now satan's staunchly anti-Israel and satanically antisemitic 'Church of Sweden' decided to call on ecumenical organisations of the world to consider investigating Israel as an "apartheid state".: <https://sputniknews.com/20211202/church-of-sweden-under-fire-for-calls-to-investigate-israel-for-apartheid-1091191496.html>

301. Three hundred first International Plea

Date: Wed, 1 Dec 2021 22:50

Subject: Really 100% of Swedish/satanic church leaders ostracise and persecute an innocent Christian man, because the innocent man stated to all church leaders a hope of finding a Christian woman towards Christian marriage.

Christian never-married innocent man, who wants to marry a Christian woman, is excommunicated/banished by all churches in Sweden, is ousted from Swedish society, and is devoid of humane future in Sweden – because of Sweden's heartless pastors and heretic priests, and due to Sweden's satanic politicians and Sweden's aggressively anti-Christian culture.

Current:

Currently, as of writing (2021-12-01), I am in a transit zone of Bangkok Suvarnabhumi Airport (BKK) in Thailand, evading to present my passport and myself to Thai Immigration at immigration zone; to avoid detention in Thailand. At the airline check-in counter in Europe for the flight to BKK, the airline attendant leaned forward towards the check-in screen to read an extraordinary text on the screen, and while the attendant was reading the screen the attendant said similar to: "*Oh, there is a case on you. I need to read it. ... Majeste ... And there is a link to it.*" Subsequently, mid-air on board the flight to BKK I rescheduled my return flight from BKK for a soonest available return flight to Europe. As of writing (2021-12-01), I am waiting to board the soonest replacement flight out of Thailand, to avoid a looming detention by Thailand's government, if I were to enter the Thai Immigration zone at BKK. The referred link mentioned by the check-in attendant in Europe would likely be a cloud folder-link which I never published anywhere, but the cloud folder-link of my collated photos of Thailand's weirdo-king had somehow become known to the Thailand government. Due to Thailand government's case against me, I now respond to Thailand by publicising the content of my cloud folder, for all eyes to see.: Thailand's weirdo-king - <https://bit.ly/3EcXzII>

[2021-12-02 I departed BKK on a return flight to Zurich, Switzerland. For personal security reasons, I shall of course never revisit Thailand.]

Recent lèse-majesté in Thailand: <https://flex.org/thailand-sedition-lese-majeste-charges-against-protesters-proliferate/>

Although the Thai people-culture possibly is one of the friendliest cultures in the world, Thailand's government under its weirdo-king is a disaster for human rights. The Thai people deserve much better, and deserve democracy.

The intellectual rationale and Biblical justification by Thai church leaders for banning Torsten: http://www.kyrkor.be/Pattaya_International_Church_rationale_for_eviction-ban.mp3

- The Swedishness of Sweden's healthcare system discriminatorily deprives a Christian man, named Torsten, of humane substitution for the inhumane persecution by 100% of Sweden's churches. Sweden's healthcare system procrastinated provision of medical journal evidence to its Swedishness medical lies about Torsten; lies intent to coverup their Swedishness discrimination against Non-Swedishness Torsten.: <https://www.nenzen.net/Swedishness-health-care-discrimination-against-Non-Swedishness.htm>

A typical priestly statement "Nobody is interested in you!" encapsulates a core attitude by professional leaders of churches everywhere.: <https://www.kyrkor.be/churchianity-core-attitude.htm>

If not by mere principle, then at least because ultra-hypocritical pastors/persecutors by essentially all church denominations everywhere are morally equivalent in their various depravities, as for example to satan's showbiz-psychopathic leaders of Australia's global leadership network of churches Hillsong/HillSect (http://www.kyrkor.be/Hillsong-London-UK_eviction_2019-07-28.htm and http://www.kyrkor.be/Hillsong-Stockholm_Andreas-Nielsen_Sweden.htm), each national government of ALL countries should therefore recognise its governmental moral obligation to neither financially support nor subsidise any churches whatsoever. The principle of individual freedom of religion is fundamental as a universal human right, and which must be respected by all national governments worldwide; but, so also is the principle of freedom from public sector religion. For example, a parliamentary motion on disestablishment of the Church of England from United Kingdom, also ought to be recognised as a fundamental moral duty (<http://www.kyrkor.be/satanic-Archbishop-Justin-Welby-of-satans-Church-of-England.htm> and http://www.kyrkor.be/Anglican-Church-Stockholm_and_Anglican-Diocese-Europe_10-years-later.htm). Any national parliament that does establish association with any churches are thereby complicitly guilty to the churches' immoralities and persecutions against innocent Christians.: <https://archive.vn/vZm2s>

In United Kingdom, according to the typically lying British Police, physical assaults by British landlords against tenants indoors is acceptable (<https://bit.ly/2BYesFI>), but peaceful distribution of the Gospel message outdoors is not (<https://bit.ly/3fx4B8n>). Also in United Kingdom, the very-British Britons at British county council governments provably lie, and consequently, none of UK's British councils government apes, nor UK's British courts or judiciary, nor the British public services, are willing to communicate.: https://www.kyrkor.be/2021-02-28_UK_British-Government_lies_dishonesty_inanity_corruption.pdf

Contemptible "*Torsten-the-demonic-Wolf*" is continually persecuted by virtually all British leaders of all its satanic churches in United Kingdom and also worldwide, but in reality however, Torsten is an authentic Bible-affirming Christian who is absolutely innocent in relation to all of UK's banning and persecuting churches and global churchianity.

All British satanic churches in United Kingdom have explicitly, implicitly, covertly or passively banished the Christian person Torsten, because satan's British pastors and priests of United Kingdom's churches have decided in their imaginations that Torsten is sorts of a monster, and that the terrible monster Torsten is dangerous and unfit for British community. The British satanic pastors of churches in United Kingdom persecute Torsten-the-Monster (Torsten-the-demonic-Wolf). 100% of the satanic leaders of churches in Worcester, UK, serve their master satan through their invented lies, evil slander, evictions and collusive persecution against the absolutely innocent Christian person Torsten.

Too close for truth: Satan's British church/government/state alliance.

UK institutions and UK leaders are too closely allied for public acknowledgement of truth, and outcome towards moral justice. UK political leaders, UK institutional leaders, and UK religious leaders are primarily loyal towards each other; some by sworn oaths of allegiance. Therefore, the satanically corrupt and persecuting Church of England (church of satan) is beyond accountability to truth. The UK Prime Minister is allied with the Supreme Governor of the Church of England (the Queen) as adviser of appointing personnel for the British Queen's Church of England. Church of England's Archbishop of Canterbury is by oath allied to Supreme Governor of the Church of England (the Queen). The Anglican Bishops are subordinately dependent on, and by oath allied with, the Anglican Archbishop of Canterbury (currently Justin Welby), towards concealing culpability of the worldwide PERSECUTION by Church of England – against the Christian person Torsten; who is absolutely innocent in relation to Church of England and all the other globally persecuting churches. Queen Elizabeth II of United Kingdom is the "Supreme Governor of the Church of England", and therefore, this Queen of England is utmost accountable for her satanic Church of England's intentional lies, slander, evictions and persecution against the absolutely innocent person Torsten. The British Royal Family's own website (<https://www.royal.uk/queens-relationship-churches-england-and-scotland-and-other-faiths>) accordingly declares: "*The Queen's relationship with the Church of England was symbolised at the Coronation in 1953 when Her Majesty was anointed by the Archbishop of Canterbury and took an oath to 'maintain and preserve inviolably the settlement of the Church of England, and the doctrine worship, discipline, and government thereof, as by law established in England'. On the advice of the Prime Minister The Queen appoints Archbishops, Bishops and Deans of the Church of England, who then swear an oath of allegiance and pay homage to Her Majesty. Church of England deacons and parish priests also swear an oath of allegiance to the Sovereign.*" <https://twitter.com/TorsNen/status/94555797773139968>

Satan's Church of England of evil Kingdom of Britain under its Queen, unceasingly persecute Torsten in UK and globally. The British government's "stupidity agencies" are fit to maintain fallacious judgement and selected ignorance.

Subject: Unmistakably 100% of Swedish/satanic church leaders ostracise and persecute an innocent Christian man, because the innocent man stated to all church leaders a hope of finding a Christian woman towards Christian marriage.

Christian never-married innocent man, who wants to marry a Christian woman, is excommunicated/banished by all churches in Sweden, is ousted from Swedish society, and is devoid of humane future in Sweden – because of Sweden’s heartless pastors and heretic priests, and due to Sweden’s satanic politicians and Sweden’s aggressively anti-Christian culture.

Current:

I am currently stuck in Stockholm of satanic-Sweden.

- The Swedishness of Sweden’s healthcare system discriminatorily deprives a Christian man, named Torsten, of humane substitution for the inhumane persecution by 100% of Sweden’s churches. Sweden’s healthcare system procrastinated provision of medical journal evidence to its Swedishness medical lies about Torsten; lies intent to coverup their Swedishness discrimination against Non-Swedishness Torsten.: <https://www.nenzen.net/Swedishness-health-care-discrimination-against-Non-Swedishness.htm>

A typical priestly statement “*Nobody is interested in you!*” encapsulates a core attitude by professional leaders of churches everywhere.: <https://www.kyrkor.be/churchianity-core-attitude.htm>

If not by mere principle, then at least because ultra-hypocritical pastors/persecutors by essentially all church denominations everywhere are morally equivalent in their various depravities, as for example to satan’s showbiz-psychopathic leaders of Australia’s global leadership network of churches Hillsong/HillSect (http://www.kyrkor.be/Hillsong-London-UK_eviction_2019-07-28.htm and http://www.kyrkor.be/Hillsong-Stockholm_Andreas-Nielsen_Sweden.htm), each national government of ALL countries should therefore recognise its governmental moral obligation to neither financially support nor subsidise any churches whatsoever. The principle of individual freedom of religion is fundamental as a universal human right, and which must be respected by all national governments worldwide; but, so also is the principle of freedom from public sector religion. For example, a parliamentary motion on disestablishment of the Church of England from United Kingdom, also ought to be recognised as a fundamental moral duty (<http://www.kyrkor.be/satanic-Archbishop-Justin-Welby-of-satans-Church-of-England.htm> and http://www.kyrkor.be/Anglican-Church-Stockholm_and_Anglican-Diocese-Europe_10-years-later.htm). Any national parliament that does establish association with any churches are thereby complicitly guilty to the churches’ immoralities and persecutions against innocent Christians.: <https://archive.vn/vZm2s>

In United Kingdom, according to the typically lying British Police, physical assaults by British landlords against tenants indoors is acceptable (<https://bit.ly/2BYesFI>), but peaceful distribution of the Gospel message outdoors is not (<https://bit.ly/3fx4B8n>). Also in United Kingdom, the very-British Britons at British county council governments provably lie, and consequently, none of UK’s British councils government apes, nor UK’s British courts or judiciary, nor the British public services, are willing to communicate.: https://www.kyrkor.be/2021-02-28_UK_British-Government_lies_dishonesty_inanity_corruption.pdf

Contemptible “*Torsten-the-demonic-Wolf*” is continually persecuted by virtually all British leaders of all its satanic churches in United Kingdom and also worldwide, but in reality however, Torsten is an authentic Bible-affirming Christian who is absolutely innocent in relation to all of UK’s banning and persecuting churches and global churchianity.

All British satanic churches in United Kingdom have explicitly, implicitly, covertly or passively banished the Christian person Torsten, because satan’s British pastors and priests of United Kingdom’s churches have decided in their imaginations that Torsten is sorts of a monster, and that the terrible monster Torsten is dangerous and unfit for British community. The British satanic pastors of churches in United Kingdom persecute Torsten-the-Monster (Torsten-the-demonic-Wolf). 100% of the satanic leaders of churches in Worcester, UK, serve their master satan through their invented lies, evil slander, evictions and collusive persecution against the absolutely innocent Christian person Torsten.

Too close for truth: Satan’s British church/government/state alliance.

UK institutions and UK leaders are too closely allied for public acknowledgement of truth, and outcome towards moral justice. UK political leaders, UK institutional leaders, and UK religious leaders are primarily loyal towards each other; some by sworn oaths of allegiance. Therefore, the satanically corrupt and persecuting Church of England (church of satan) is beyond accountability to truth. The UK Prime Minister is allied with the Supreme Governor of the Church of England (the Queen) as adviser of appointing personnel for the British Queen’s Church of England. Church of England’s Archbishop of Canterbury is by oath allied to Supreme Governor of the Church of England (the Queen). The Anglican Bishops are subordinately dependent on, and by oath allied with, the Anglican Archbishop of Canterbury (currently Justin Welby), towards concealing culpability of the worldwide PERSECUTION by Church of England – against the Christian person Torsten; who is absolutely innocent in relation to Church of England and all the other globally persecuting churches. Queen Elizabeth II of United Kingdom is the “Supreme Governor of the Church of England”, and therefore, this Queen of England is utmost accountable for her satanic Church of England’s intentional lies, slander, evictions and persecution against the absolutely innocent person Torsten. The British Royal Family’s own website (<https://www.royal.uk/queens-relationship-churches-england-and-scotland-and-other-faiths>) accordingly declares: “*The Queen’s relationship with the Church of England was symbolised at the Coronation in 1953 when Her Majesty was anointed by the Archbishop of Canterbury and took an oath to ‘maintain and preserve inviolably the settlement of the Church of England, and the doctrine worship, discipline, and government thereof, as by law established in England’.* On the advice of the Prime Minister The Queen appoints Archbishops, Bishops and Deans of the Church of England, who then swear an oath of allegiance and pay homage to Her Majesty. Church of England deacons and parish priests also swear an oath of allegiance to the Sovereign.” <https://twitter.com/TorsNen/status/94555579773139968>

Satan's Church of England of evil Kingdom of Britain under its Queen, unceasingly persecute Torsten in UK and globally. The British government's "stupidity agencies" are fit to maintain fallacious judgement and selected ignorance.

Updated Anglican/Church of England incidents:

- In 2021, more than 10 years succeeding that a heretical/Anglican Church Reverend in Stockholm, Sweden, harassed Torsten and in effect purged Torsten-the-Monster from its Anglican Church in 2007/2008: (a) through dehumanising orders, (b) through imposition of demeaning social constraints against Torsten, and (c) by threatening Torsten with Police eviction if Torsten were to speak with any attendees before/after the Sunday "services", the typically persecuting Anglican/satanic clergy of Church of England in Stockholm sustains satan's deceptive agenda. In 2007/2008/2009, the **Anglican Diocese of Europe** did not intervene against its discrimination against Christianity, did not cease its harassments against an innocent Christian, and did not prevent its bans and threats by the satanic/Anglican Reverend. In 2019, neither the Anglican Diocese of Europe nor the satanic Church of England nor its Archbishop of Canterbury, would declare the Anglican Diocese of Europe's 2008 declared grave heresies and its sanctioning of the practice of homosexuality, as evil and sinful (as according to the Bible). More than ten years later, Church of England unabatedly persecutes Torsten-the-Monster within United Kingdom and worldwide. Previously from 2009: <http://www.kyrkor.be/Anglican-Church-Stockholm-Sweden.htm> Currently from 2021: http://www.kyrkor.be/Anglican-Church-Stockholm_and_Anglican-Diocese-Europe_10-years-later.htm
- Church of England (Church of Satan) continues its refusal to explain or justify the Church of England's national ban against their imagined monster, Torsten-the-Monster, who in reality is absolutely innocent in relation to all churches on earth. Archbishop Justin Welby's **Church of England (Church of Satan)** globally banish, evict, falsely accuse, slander, physically assault and **persecute** the real Christian person Torsten. The satanic Church of England constantly invents lies against innocent Torsten. The satanic vicars/bishops of satan's Church of England oppose truth and God, and thus, the Church of England unceasingly concoct utter lies against Torsten. Identically with satan, the Archbishop of Church of England absolutely refuses to justify his Church of England's persecution against innocent Torsten, and Church of England refuses to repent from its continuous satanic evils against innocent Torsten.: <http://www.kyrkor.be/satanic-Archbishop-Justin-Welby-of-satans-Church-of-England.htm>

Semi-recent British churchianity incidents:

1. Satanic 'Woodgreen Evangelical Church' in Worcester, United Kingdom, explicitly banished and evicted innocent Torsten, called the Police, and falsely accused the absolutely innocent Christian person Torsten of being **"a very dangerous, deluded and demonic Wolf"**, and that it is a moral duty to protect people from Torsten.: http://www.kyrkor.be/Woodgreen-Evangelical-Church-Worcester_UK_eviction_2017.htm
2. Satanic 'Hope Church' in Worcester, United Kingdom, explicitly banished and evicted innocent Torsten and threatened to call the police, because their satanic church leaders collude with other satanic churches. The satanic Hope Church falsely accused that the absolutely innocent Christian person **Torsten is a danger**, and declared that their **eviction of Torsten is necessary for protection of the people**.: http://www.kyrkor.be/Hope-Church-Worcester_UK_eviction_2017.htm
3. Satanic Church of England's 'All Saints Church' in Worcester, United Kingdom, explicitly banished and evicted innocent Torsten, called the Police, and falsely accused innocent Torsten of some unknown and unspecified "behaviour". The satanic Church of England's vicars/bishops have concocted utter lies against a non-existent monster, who they call Torsten. The Archbishop of Church of England, Justin Welby, absolutely refuses to specify what sin, immorality, wrongdoing or **"behaviour"** that his Church of England constantly accuse against innocent Torsten, justifying Church of England's evictions and global banishments against innocent Torsten.: http://www.kyrkor.be/All-Saints-Church-Worcester_UK_Anglican-eviction_2017.htm
4. Satanic and pathologically lying Australian **"Hillsong Church"** in London, United Kingdom, again evicted innocent Torsten from their Sunday so-called service in their rented premises at Dominion Theatre in central London. The cult, Hillsong London, of course, absolutely refused to provide a reason for their repeated evictions. The typically satanic Hillsong London has confirmed that their Hillsong's supreme devilpastor (**Brian Houston**) enforces a worldwide banishment against Torsten, and has confirmed that Hillsong's devilpastor Brian Houston preserves a global anti-Torsten policy. Hillsong London has evicted Torsten on all six Sundays (2019-07-28, 2018-06-24, 2017-09-10, 2017-04-09, 2016-10-30, 2016-07-25) when Torsten has visited their satanic cult to obtain information about their global ban.: http://www.kyrkor.be/Hillsong-London-UK_eviction_2019-07-28.htm
5. The satanic Baptist pastors of United Kingdom, the evil Baptist leaders of the British Baptist Associations, and the diabolical Baptist leaders of the Baptist Union of Great Britain, continually slander, defame, persecute and cyberbully the Christian person Torsten: http://www.kyrkor.be/Heart-of-England-Baptist-Association_and_Baptist-Union-UK.htm
6. The satanic Evangelical pastors of United Kingdom continually lie, slander and persecute the Christian person Torsten. The Evangelical Alliance of United Kingdom (<http://ea.uk.org>) passively endorsed the explicit banishment by one of their evangelical member churches (<http://www.kyrkor.be/Kings-Church-Birmingham-UK.htm>) in Birmingham, UK. The Evangelical Alliance of United Kingdom previously opposed Torsten's critique against the British churches' outsourcing of Christian relationships to their British pro-homosexuality and Christophobic websites: <http://www.kyrkor.be/Evangelical-Alliance-United-Kingdom.htm>. The Evangelical Alliance of Ireland (<http://www.evangelical.ie>) was previously pointed out by their Vineyard Church in Dublin (<http://www.kyrkor.be/Dublin-Vineyard-Church-Ireland.htm>) as the source of active slander and lies against Torsten "In the light of [...] correspondence from Evangelical Alliance Ireland [...] I am withdrawing the welcome.": <http://www.kyrkor.be/christianconnection.co.uk-discrimination-against-Christianity.pdf>

Everywhere on earth, satanic pastors of churches have obstructed me from possibility of a Christian marriage. Because of obstruction by the satanic pastors of churches everywhere, I have never had any opportunity in life to marry a Christian woman. Utterly evil leaders of churches everywhere, have denied me the fundamental human condition to marry a woman. Satan truly is in charge of essentially all the churches worldwide, through professional pastors and priests.

Leaders of churches, everywhere on earth, are satanically determined to deliberately destroy the life of the innocent Christian person Torsten. Everywhere on earth, leaders of churches intentionally isolate innocent Torsten through the church-leaders' utter lies, false accusations, slander, evictions, banishments and collusive persecutions against innocent Torsten. Through facts and by the evidences, it is sensible and proper to conclude that satan is in control of the minds and hearts of leaders of churches, worldwide.

Torsten has never had any opportunity in life to marry a Christian woman, because the leaders of churches on earth have actively and passively sought to prevent that Torsten could have an opportunity to marry a Christian woman. The leaders of churches on earth have sought to prohibit opportunity for Torsten to communicate with any Christian woman. Due to all of satan's hindering leaders of churches everywhere on earth, no opportunity has ever existed, and incessantly, there never can exist any opportunity in future - because no church on earth allows Torsten to communicate with any Christian woman. The leaders of churches have destroyed Torsten's life, and the leaders of churches continue to seek to destroy Torsten's life. No leader of any church anywhere on earth will allow Torsten to communicate with Christian women. No leader of any church on earth is willing to repent from their inhumanity, sinfulness and evil against Torsten.

Torsten has no wife, because the pastors of churches prohibit that Torsten may marry a woman. Torsten is not permitted by the pastors of churches to socialise in churches. Satan knows that no communication between Torsten and women equates to no Godly marriage, and that is precisely why the pastors of churches are obsessed to prevent Torsten from communicating with any woman, and that is why the pastors of churches are obsessed to isolate Torsten from fellowship. Pastors of churches are obsessed to prevent innocent Torsten from marrying a Christian woman.

In general, pastors of churches everywhere truly are menaces to civilised societies, through their lies, evils, falsities and ultra-hypocritical inhumanity.

Lies, lies, lies and lies. Lying and falsely accusing is not merely a peripheral conduct by virtually all leaders of churches worldwide, but lying and maliciously slandering is actually the core nature of essentially all leaders of churches globally. Lying, falsely accusing, slandering, banishing and collusively persecuting the absolutely innocent person Torsten is very important for essentially all pastors and priests of churches, worldwide.

No Christian on earth knows Torsten. No pastor/priest on earth knows Torsten. Without any reality-based reason, virtually all church-leaders worldwide lie, slander, gossip, excommunicate, assault and evict Torsten. This persecution by the clergy of essentially all churches globally never stops, because satan whom they serve never stops.

The Government of Australia continues to ban innocent Torsten, through Australian Government invented and fraudulent non-reasons. Because church leaders always invent lies against innocent Torsten, and often report their lies to government authorities, it is very likely that the Australian Government identically follows the evil examples of other devilish countries of Commonwealth of Nations, like New Zealand (<http://www.kyrkor.be/New-Zealand-Federal-Governments-satanic-church-lies.htm>), and Canada (<http://www.kyrkor.be/the-morally-confused-Justin-Trudeau-in-Canada.htm>). http://www.kyrkor.be/satanic-Australian-Government-imbecils_2018.pdf

The satanic Swedish Governments and their blaspheming Swedish Police sustain persecution and intimidation against any Bible affirming authentic Christians. Pastors of churches are obsessed to prevent innocent Torsten from marrying a Christian woman.

In general, pastors of churches everywhere truly are menaces to civilised societies, through their lies, evils, falsities and ultra-hypocritical inhumanity.

Lies, lies, lies and lies. Lying and falsely accusing is not merely a peripheral conduct by virtually all leaders of churches worldwide, but lying and maliciously slandering is actually the core nature of essentially all leaders of churches globally. Lying, falsely accusing, slandering, banishing and collusively persecuting the absolutely innocent person Torsten is very important for essentially all pastors and priests of churches, worldwide.

No Christian on earth knows Torsten. No pastor/priest on earth knows Torsten. Without any reality-based reason, virtually all church-leaders worldwide lie, slander, gossip, excommunicate, assault and evict Torsten. This persecution by the clergy of essentially all churches globally never stops, because satan whom they serve never stops.

The Government of Australia continues to ban innocent Torsten, through Australian Government invented and fraudulent non-reasons. Because church leaders always invent lies against innocent Torsten, and often report their lies to government authorities, it is very likely that the Australian Government identically follows the evil examples of other devilish countries of Commonwealth of Nations, like New Zealand (<http://www.kyrkor.be/New-Zealand-Federal-Governments-satanic-church-lies.htm>), and Canada (<http://www.kyrkor.be/the-morally-confused-Justin-Trudeau-in-Canada.htm>). http://www.kyrkor.be/satanic-Australian-Government-imbecils_2018.pdf

298. Two hundred ninetyeighth International Plea

Date: Thu, 14 Oct 2021 21:00

Subject: Assuredly 100% of Swedish/satanic church leaders ostracise and persecute an innocent Christian man, because the innocent man stated to all church leaders a hope of finding a Christian woman towards Christian marriage.

Christian never-married innocent man, who wants to marry a Christian woman, is excommunicated/banished by all churches in Sweden, is ousted from Swedish society, and is devoid of humane future in Sweden – because of Sweden's heartless pastors and heretic priests, and due

to Sweden's satanic politicians and Sweden's aggressively anti-Christian culture.

Current:

I am currently in Alicante, Spain.

Spanish pastors/priests of churches function as satan's impediments to authentic Christian relationships and Christian marriages.: http://www.kyrkor.be/Spanish_churches.pdf

- The Swedishness of Sweden's healthcare system discriminatorily deprives a Christian man, named Torsten, of humane substitution for the inhumane persecution by 100% of Sweden's churches. Sweden's healthcare system procrastinated provision of medical journal evidence to its Swedishness medical lies about Torsten; lies intent to coverup their Swedishness discrimination against Non-Swedishness Torsten.: <https://www.nenzen.net/Swedishness-health-care-discrimination-against-Non-Swedishness.htm>

A typical priestly statement "Nobody is interested in you!" encapsulates a core attitude by professional leaders of churches everywhere.: <https://www.kyrkor.be/churchianity-core-attitude.htm>

If not by mere principle, then at least because ultra-hypocritical pastors/persecutors by essentially all church denominations everywhere are morally equivalent in their various depravities, as for example to satan's showbiz-psychopathic leaders of Australia's global leadership network of churches Hillsong/HillSect (http://www.kyrkor.be/Hillsong-London-UK_eviction_2019-07-28.htm and http://www.kyrkor.be/Hillsong-Stockholm_Andreas-Nielsen_Sweden.htm), each national government of ALL countries should therefore recognise its governmental moral obligation to neither financially support nor subsidise any churches whatsoever. The principle of individual freedom of religion is fundamental as a universal human right, and which must be respected by all national governments worldwide; but, so also is the principle of freedom from public sector religion. For example, a parliamentary motion on disestablishment of the Church of England from United Kingdom, also ought to be recognised as a fundamental moral duty (<http://www.kyrkor.be/satanic-Archbishop-Justin-Welby-of-satans-Church-of-England.htm> and http://www.kyrkor.be/Anglican-Church-Stockholm_and_Anglican-Diocese-Europe_10-years-later.htm). Any national parliament that does establish association with any churches are thereby complicitly guilty to the churches' immoralities and persecutions against innocent Christians.: <https://archive.vn/vZm2s>

In United Kingdom, according to the typically lying British Police, physical assaults by British landlords against tenants indoors is acceptable (<https://bit.ly/2BYesFI>), but peaceful distribution of the Gospel message outdoors is not (<https://bit.ly/3fx4B8n>). Also in United Kingdom, the very-British Britons at British county council governments provably lie, and consequently, none of UK's British councils government apes, nor UK's British courts or judiciary, nor the British public services, are willing to communicate.: https://www.kyrkor.be/2021-02-28_UK_British-Government_lies_dishonesty_inanity_corruption.pdf

Contemptible "*Torsten-the-demonic-Wolf*" is continually persecuted by virtually all British leaders of all its satanic churches in United Kingdom and also worldwide, but in reality however, Torsten is an authentic Bible-affirming Christian who is absolutely innocent in relation to all of UK's banning and persecuting churches and global churchianity.

All British satanic churches in United Kingdom have explicitly, implicitly, covertly or passively banished the Christian person Torsten, because satan's British pastors and priests of United Kingdom's churches have decided in their imaginations that Torsten is sorts of a monster, and that the terrible monster Torsten is dangerous and unfit for British community. The British satanic pastors of churches in United Kingdom persecute Torsten-the-Monster (*Torsten-the-demonic-Wolf*). 100% of the satanic leaders of churches in Worcester, UK, serve their master satan through their invented lies, evil slander, evictions and collusive persecution against the absolutely innocent Christian person Torsten.

Too close for truth: Satan's British church/government/state alliance.

UK institutions and UK leaders are too closely allied for public acknowledgement of truth, and outcome towards moral justice. UK political leaders, UK institutional leaders, and UK religious leaders are primarily loyal towards each other; some by sworn oaths of allegiance. Therefore, the satanically corrupt and persecuting Church of England (church of satan) is beyond accountability to truth. The UK Prime Minister is allied with the Supreme Governor of the Church of England (the Queen) as adviser of appointing personnel for the British Queen's Church of England. Church of England's Archbishop of Canterbury is by oath allied to Supreme Governor of the Church of England (the Queen). The Anglican Bishops are subordinately dependent on, and by oath allied with, the Anglican Archbishop of Canterbury (currently Justin Welby), towards concealing culpability of the worldwide PERSECUTION by Church of England – against the Christian person Torsten; who is absolutely innocent in relation to Church of England and all the other globally persecuting churches. Queen Elizabeth II of United Kingdom is the "Supreme Governor of the Church of England", and therefore, this Queen of England is utmost accountable for her satanic Church of England's intentional lies, slander, evictions and persecution against the absolutely innocent person Torsten. The British Royal Family's own website (<https://www.royal.uk/queens-relationship-churches-england-and-scotland-and-other-faiths>) accordingly declares: "*The Queen's relationship with the Church of England was symbolised at the Coronation in 1953 when Her Majesty was anointed by the Archbishop of Canterbury and took an oath to 'maintain and preserve inviolably the settlement of the Church of England, and the doctrine worship, discipline, and government thereof, as by law established in England'. On the advice of the Prime Minister The Queen appoints Archbishops, Bishops and Deans of the Church of England, who then swear an oath of allegiance and pay homage to Her Majesty. Church of England deacons and parish priests also swear an oath of allegiance to the Sovereign.*" <https://twitter.com/TorsNen/status/94555579773139968>

Satan's Church of England of evil Kingdom of Britain under its Queen, unceasingly persecute Torsten in UK and globally. The British government's "stupidity agencies" are fit to maintain fallacious judgement and selected ignorance.

Updated Anglican/Church of England incidents:

- In 2021, more than 10 years succeeding that a heretical/Anglican Church Reverend in Stockholm, Sweden, harassed Torsten and in effect purged Torsten-the-Monster from its Anglican Church in 2007/2008: (a) through dehumanising orders, (b) through imposition of demeaning social constraints against Torsten, and (c) by threatening Torsten with Police eviction if Torsten were to speak with any attendees before/after the Sunday "services", the typically persecuting Anglican/satanic clergy of Church of England in Stockholm sustains satan's deceptive agenda. In 2007/2008/2009, the **Anglican Diocese of Europe** did not intervene against its discrimination against Christianity, did not cease its harassments against an innocent Christian, and did not prevent its bans and threats by the satanic/Anglican Reverend. In 2019, neither the Anglican Diocese of Europe nor the satanic Church of England nor its Archbishop of Canterbury, would declare the Anglican Diocese of Europe's 2008 declared grave heresies and its sanctioning of the practice of homosexuality, as evil and sinful (as according to the Bible). More than ten years later, Church of England unabatedly persecutes Torsten-the-Monster within United Kingdom and worldwide. Currently from 2021: http://www.kyrkor.be/Anglican-Church-Stockholm_and_Anglican-Diocese-Europe_10-years-later.htm
- Church of England (Church of Satan) continues its refusal to explain or justify the Church of England's national ban against their imagined monster, Torsten-the-Monster, who in reality is absolutely innocent in relation to all churches on earth. Archbishop Justin Welby's **Church of England (Church of Satan)** globally banish, evict, falsely accuse, slander, physically assault and **persecute** the real Christian person Torsten. The satanic Church of England constantly invents lies against innocent Torsten. The satanic vicars/bishops of satan's Church of England oppose truth and God, and thus, the Church of England unceasingly concoct utter lies against Torsten. Semi-recent British churchianity incidents:

1. Satanic 'Woodgreen Evangelical Church' in Worcester, United Kingdom, explicitly banished and evicted innocent Torsten, called the Police, and falsely accused the absolutely innocent Christian person Torsten of being **"a very dangerous, deluded and demonic Wolf"**, and that it is a moral duty to protect people from Torsten.: http://www.kyrkor.be/Woodgreen-Evangelical-Church-Worcester_UK_eviction_2017.htm
2. Satanic 'Hope Church' in Worcester, United Kingdom, explicitly banished and evicted innocent Torsten and threatened to call the police, because their satanic church leaders collude with other satanic churches. The satanic Hope Church falsely accused that the absolutely innocent Christian person **Torsten is a danger**, and declared that their **eviction of Torsten is necessary for protection of the people**.: http://www.kyrkor.be/Hope-Church-Worcester_UK_eviction_2017.htm
3. Satanic Church of England's 'All Saints Church' in Worcester, United Kingdom, explicitly banished and evicted innocent Torsten, called the Police, and falsely accused innocent Torsten of some unknown and unspecified "behaviour". The satanic Church of England's vicars/bishops have concocted utter lies against a non-existent monster, who they call Torsten. The Archbishop of Church of England, Justin Welby, absolutely refuses to specify what sin, immorality, wrongdoing or **"behaviour"** that his Church of England constantly accuse against innocent Torsten, justifying Church of England's evictions and global banishments against innocent Torsten.: http://www.kyrkor.be/All-Saints-Church-Worcester_UK_Anglican-eviction_2017.htm
4. Satanic and pathologically lying Australian **"Hillsong Church"** in London, United Kingdom, again evicted innocent Torsten from their Sunday so-called service in their rented premises at Dominion Theatre in central London. The cult, Hillsong London, of course, absolutely refused to provide a reason for their repeated evictions. The typically satanic Hillsong London has confirmed that their Hillsong's supreme devilpastor (**Brian Houston**) enforces a worldwide banishment against Torsten, and has confirmed that Hillsong's devilpastor Brian Houston preserves a global anti-Torsten policy. Hillsong London has evicted Torsten on all six Sundays (2019-07-28, 2018-06-24, 2017-09-10, 2017-04-09, 2016-10-30, 2016-07-25) when Torsten has visited their satanic cult to obtain information about their global ban.: http://www.kyrkor.be/Hillsong-London-UK_eviction_2019-07-28.htm
5. The satanic Baptist pastors of United Kingdom, the evil Baptist leaders of the British Baptist Associations, and the diabolical Baptist leaders of the Baptist Union of Great Britain, continually slander, defame, persecute and cyberbully the Christian person Torsten: http://www.kyrkor.be/Heart-of-England-Baptist-Association_and_Baptist-Union-UK.htm
6. The satanic Evangelical pastors of United Kingdom continually lie, slander and persecute the Christian person Torsten. The Evangelical Alliance of United Kingdom (<http://ea.uk.org>) passively endorsed the explicit banishment by one of their evangelical member churches (<http://www.kyrkor.be/Kings-Church-Birmingham-UK.htm>) in Birmingham, UK. The Evangelical Alliance of United Kingdom previously opposed Torsten's critique against the British churches' outsourcing of Christian relationships to their British pro-homosexuality and Christophobic websites: <http://www.kyrkor.be/Evangelical-Alliance-United-Kingdom.htm>. The Evangelical Alliance of Ireland (<http://www.evangelical.ie>) was previously pointed out by their Vineyard Church in Dublin (<http://www.kyrkor.be/Dublin-Vineyard-Church-Ireland.htm>) as the source of active slander and lies against Torsten "In the light of [...] correspondence from Evangelical Alliance Ireland [...] I am withdrawing the welcome.": <http://www.kyrkor.be/christianconnection.co.uk-discrimination-against-Christianity.pdf>

Everywhere on earth, satanic pastors of churches have obstructed me from possibility of a Christian marriage. Because of obstruction by the satanic pastors of churches everywhere, I have never had any opportunity in life to marry a Christian woman. Utterly evil leaders of churches everywhere, have denied me the fundamental human condition to marry a woman. Satan truly is in charge of essentially all the churches worldwide, through professional pastors and priests.

Leaders of churches, everywhere on earth, are satanically determined to deliberately destroy the life of the innocent Christian person Torsten. Everywhere on earth, leaders of churches intentionally isolate innocent Torsten through the church-leaders' utter lies, false accusations, slander, evictions, banishments and collusive persecutions against innocent Torsten. Through facts and by the evidences, it is sensible and proper to conclude that satan is in control of the minds and hearts of leaders of churches, worldwide.

Torsten has never had any opportunity in life to marry a Christian woman, because the leaders of churches on earth have actively and passively sought to prevent that Torsten could have an opportunity to marry a Christian woman. The leaders of churches on earth have sought to prohibit opportunity for Torsten to communicate with any Christian woman. Due to all of satan's hindering leaders of churches everywhere on earth, no opportunity has ever existed, and incessantly, there never can exist any opportunity in future - because no church on earth allows Torsten to communicate with any Christian woman. The leaders of churches have destroyed Torsten's life, and the leaders of churches continue to seek to destroy Torsten's life. No leader of any church anywhere on earth will allow Torsten to communicate with Christian women. No leader of any church on earth is willing to repent from their inhumanity, sinfulness and evil against Torsten.

Torsten has no wife, because the pastors of churches prohibit that Torsten may marry a woman. Torsten is not permitted by the pastors of churches to socialise in churches. Satan knows that no communication between Torsten and women equates to no Godly marriage, and that is precisely why the pastors of churches are obsessed to prevent Torsten from communicating with any woman, and that is why the pastors of churches are obsessed to isolate Torsten from fellowship. Pastors of churches are obsessed to prevent innocent Torsten from marrying a Christian woman.

In general, pastors of churches everywhere truly are menaces to civilised societies, through their lies, evils, falsities and ultra-hypocritical inhumanity.

Lies, lies, lies and lies. Lying and falsely accusing is not merely a peripheral conduct by virtually all leaders of churches worldwide, but lying and maliciously slandering is actually the core nature of essentially all leaders of churches globally. The Evangelical Alliance of United Kingdom (<http://ea.uk.org>) passively endorsed the explicit banishment by one of their evangelical member churches (<http://www.kyrkor.be/Kings-Church-Birmingham-UK.htm>) in Birmingham, UK. The Evangelical Alliance of United Kingdom previously opposed Torsten's critique against the British churches' outsourcing of Christian relationships to their British pro-homosexuality and Christophobic websites: <http://www.kyrkor.be/Evangelical-Alliance-United-Kingdom.htm>. The Evangelical Alliance of Ireland (<http://www.evangelical.ie>) was previously pointed out by their Vineyard Church in Dublin (<http://www.kyrkor.be/Dublin-Vineyard-Church-Ireland.htm>) as the source of active slander and lies against Torsten "In the light of [...] correspondence from Evangelical Alliance Ireland [...] I am withdrawing the welcome.": <http://www.kyrkor.be/christianconnection.co.uk-discrimination-against-Christianity.pdf>

Everywhere on earth, satanic pastors of churches have obstructed me from possibility of a Christian marriage. Because of obstruction by the satanic pastors of churches everywhere, I have never had any opportunity in life to marry a Christian woman. Utterly evil leaders of churches everywhere, have denied me the fundamental human condition to marry a woman. Satan truly is in charge of essentially all the churches worldwide, through professional pastors and priests.

Leaders of churches, everywhere on earth, are satanically determined to deliberately destroy the life of the innocent Christian person Torsten. Everywhere on earth, leaders of churches intentionally isolate innocent Torsten through the church-leaders' utter lies, false accusations, slander, evictions, banishments and collusive persecutions against innocent Torsten. Through facts and by the evidences, it is sensible and proper to conclude that satan is in control of the minds and hearts of leaders of churches, worldwide.

Torsten has never had any opportunity in life to marry a Christian woman, because the leaders of churches on earth have actively and passively sought to prevent that Torsten could have an opportunity to marry a Christian woman. The leaders of churches on earth have sought to prohibit opportunity for Torsten to communicate with any Christian woman. Due to all of satan's hindering leaders of churches everywhere on earth, no opportunity has ever existed, and incessantly, there never can exist any opportunity in future - because no church on earth allows Torsten to communicate with any Christian woman. The leaders of churches have destroyed Torsten's life, and the leaders of churches continue to seek to destroy Torsten's life. No leader of any church anywhere on earth will allow Torsten to communicate with Christian women. No leader of any church on earth is willing to repent from their inhumanity, sinfulness and evil against Torsten.

Torsten has no wife, because the pastors of churches prohibit that Torsten may marry a woman. Torsten is not permitted by the pastors of churches to socialise in churches. Satan knows that no communication between Torsten and women equates to no Godly marriage, and that is precisely why the pastors of churches are obsessed to prevent Torsten from communicating with any woman, and that is why the pastors of churches are obsessed to isolate Torsten from fellowship. Pastors of churches are obsessed to prevent innocent Torsten from marrying a Christian woman.

In general, pastors of churches everywhere truly are menaces to civilised societies, through their lies, evils, falsities and ultra-hypocritical inhumanity.

Lies, lies, lies and lies. Lying and falsely accusing is not merely a peripheral conduct by virtually all leaders of churches worldwide, but lying and maliciously slandering is actually the core nature of essentially all leaders of churches globally. Lying, falsely accusing, slandering, banishing and collusively persecuting the absolutely innocent person Torsten is very important for essentially all pastors and priests of churches, worldwide.

No Christian on earth knows Torsten. No pastor/priest on earth knows Torsten. Without any reality-based reason, virtually all church-leaders worldwide lie, slander, gossip, excommunicate, assault and evict Torsten. This persecution by the clergy of essentially all churches globally never stops, because satan whom they serve never stops.

The Government of Australia continues to ban innocent Torsten, through Australian Government invented and fraudulent non-reasons. Because church leaders always invent lies against innocent Torsten, and often report their lies to government authorities, it is very likely that the Australian Government identically follows the evil examples of other devilish countries of Commonwealth of Nations, like New Zealand (<http://www.kyrkor.be/New-Zealand-Federal-Governments-satanic-church-lies.htm>), and Canada (<http://www.kyrkor.be/the-morally-confused-Justin-Trudeau-in-Canada.htm>). http://www.kyrkor.be/satanic-Australian-Government-imbecils_2018.pdf

296. Two hundred ninety-sixth International Plea

Date: Wed, 15 Sep 2021 17:24

Subject: Categorically 100% of Swedish/satanic church leaders ostracise and persecute an innocent Christian man, because the innocent man stated to all church leaders a hope of finding a Christian woman towards Christian marriage.

Christian never-married innocent man, who wants to marry a Christian woman, is excommunicated/banished by all churches in Sweden, is ousted from Swedish society, and is devoid of humane future in Sweden – because of Sweden’s heartless pastors and heretic priests, and due to Sweden’s satanic politicians and Sweden’s aggressively anti-Christian culture.

Current:

I am currently in Alicante, Spain.

Spanish pastors/priests of churches function as satan’s impediments to authentic Christian relationships and Christian marriages.: http://www.kyrkor.be/Spanish_churches.pdf

- The Swedishness of Sweden’s healthcare system discriminatorily deprives a Christian man, named Torsten, of humane substitution for the inhumane persecution by 100% of Sweden’s churches. Sweden’s healthcare system procrastinated provision of medical journal evidence to its Swedishness medical lies about Torsten; lies intent to coverup their Swedishness discrimination against Non-Swedishness Torsten.: <https://www.nenzen.net/Swedishness-health-care-discrimination-against-Non-Swedishness.htm>

A typical priestly statement “*Nobody is interested in you!*” encapsulates a core attitude by professional leaders of churches everywhere.: <https://www.kyrkor.be/churchianity-core-attitude.htm>

If not by mere principle, then at least because ultra-hypocritical pastors/persecutors by essentially all church denominations everywhere are morally equivalent in their various depravities, as for example to satan’s showbiz-psychopathic leaders of Australia’s global leadership network of churches Hillsong/HillSect (http://www.kyrkor.be/Hillsong-London-UK_eviction_2019-07-28.htm and http://www.kyrkor.be/Hillsong-Stockholm_Andreas-Nielsen_Sweden.htm), each national government of ALL countries should therefore recognise its governmental moral obligation to neither financially support nor subsidise any churches whatsoever. The principle of individual freedom of religion is fundamental as a universal human right, and which must be respected by all national governments worldwide; but, so also is the principle of freedom from public sector religion. For example, a parliamentary motion on disestablishment of the Church of England from United Kingdom, also ought to be recognised as a fundamental moral duty (<http://www.kyrkor.be/satanic-Archbishop-Justin-Welby-of-satan-Church-of-England.htm> and http://www.kyrkor.be/Anglican-Church-Stockholm_and_Anglican-Diocese-Europe_10-years-later.htm). Any national parliament that does establish association with any churches are thereby complicitly guilty to the churches’ immoralities and persecutions against innocent Christians.: <https://archive.vn/vZm2s>

In United Kingdom, according to the typically lying British Police, physical assaults by British landlords against tenants indoors is acceptable (<https://bit.ly/2BYesFl>), but peaceful distribution of the Gospel message outdoors is not (<https://bit.ly/3fx4B8n>). Also in United Kingdom, the very-British Britons at British county council governments provably lie, and consequently, none of UK’s British councils government apes, nor UK’s British courts or judiciary, nor the British public services, are willing to communicate.: https://www.kyrkor.be/2021-02-28_UK_British-Government_lies_dishonesty_inanity_corruption.pdf

Contemptible “*Torsten-the-demonic-Wolf*” is continually persecuted by virtually all British leaders of all its satanic churches in United Kingdom and also worldwide, but in reality however, Torsten is an authentic Bible-affirming Christian who is absolutely innocent in relation to all of UK’s banning and persecuting churches and global churchianity.

All British satanic churches in United Kingdom have explicitly, implicitly, covertly or passively banished the Christian person Torsten, because satan’s British pastors and priests of United Kingdom’s churches have decided in their imaginations that Torsten is sorts of a monster, and that the terrible monster Torsten is dangerous and unfit for British community. The British satanic pastors of churches in United Kingdom persecute Torsten-the-Monster (*Torsten-the-demonic-Wolf*). 100% of the satanic leaders of churches in Worcester, UK, serve their master satan through their invented lies, evil slander, evictions and collusive persecution against the absolutely innocent Christian person Torsten.

Too close for truth: Satan’s British church/government/state alliance.

UK institutions and UK leaders are too closely allied for public acknowledgement of truth, and outcome towards moral justice. UK political leaders, UK institutional leaders, and UK religious leaders are primarily loyal towards each other; some by sworn oaths of allegiance. Therefore, the satanically corrupt and persecuting Church of England (church of satan) is beyond accountability to truth. The UK Prime Minister is allied with the Supreme Governor of the Church of England (the Queen) as adviser of appointing personnel for the British Queen’s Church of England. Church of England’s Archbishop of Canterbury is by oath allied to Supreme Governor of the Church of England (the Queen). The Anglican Bishops are subordinately dependent on, and by oath allied with, the Anglican Archbishop of Canterbury (currently Justin Welby), towards concealing culpability of the worldwide PERSECUTION by Church of England – against the Christian person Torsten; who is absolutely innocent in relation to Church of England and all the other globally persecuting churches. Queen Elizabeth II of United Kingdom is the “Supreme Governor of the Church of England”, and therefore, this Queen of England is utmost accountable for her satanic Church of England’s intentional lies, slander, evictions and persecution against the absolutely innocent person Torsten. The British Royal Family’s own website (<https://www.royal.uk/queens-relationship-churches-england-and-scotland-and-other-faiths>) accordingly declares: “*The Queen’s relationship with the Church of England was symbolised at the Coronation in 1953 when Her Majesty was anointed by the Archbishop of Canterbury and took an oath to ‘maintain and preserve inviolably the settlement of the Church of England, and the doctrine worship, discipline, and government thereof, as by law established in England’.* On the advice of the Prime Minister The Queen appoints Archbishops, Bishops and Deans of the Church of England, who

then swear an **oath of allegiance and pay homage to Her Majesty**. Church of England deacons and parish priests also **swear an oath of allegiance to the Sovereign**." <https://twitter.com/TorsNen/status/9455579773139968>

Satan's Church of England of evil Kingdom of Britain under its Queen, unceasingly persecute Torsten in UK and globally. The British government's "stupidity agencies" are fit to maintain fallacious judgement and selected ignorance.

Updated Anglican/Church of England incidents:

- In 2021, more than 10 years succeeding that a heretical/Anglican Church Reverend in Stockholm, Sweden, harassed Torsten and in effect purged Torsten-the-Monster from its Anglican Church in 2007/2008: (a) through dehumanising orders, (b) through imposition of demeaning social constraints against Torsten, and (c) by threatening Torsten with Police eviction if Torsten were to speak with any attendees before/after the Sunday "services", the typically persecuting Anglican/satanic clergy of Church of England in Stockholm sustains satan's deceptive agenda. In 2007/2008/2009, the **Anglican Diocese of Europe** did not intervene against its discrimination against Christianity, did not cease its harassments against an innocent Christian, and did not prevent its bans and threats by the satanic/Anglican Reverend. In 2019, neither the Anglican Diocese of Europe nor the satanic Church of England nor its Archbishop of Canterbury, would declare the Anglican Diocese of Europe's 2008 declared grave heresies and its sanctioning of the practice of homosexuality, as evil and sinful (as according to the Bible). More than ten years later, Church of England unabatedly persecutes Torsten-the-Monster within United Kingdom and worldwide.
Previously from 2009: <http://www.kyrkor.be/Anglican-Church-Stockholm-Sweden.htm>
Currently from 2021: http://www.kyrkor.be/Anglican-Church-Stockholm_and_Anglican-Diocese-Europe_10-years-later.htm
- Church of England (Church of Satan) continues its refusal to explain or justify the Church of England's national ban against their imagined monster, Torsten-the-Monster, who in reality is absolutely innocent in relation to all churches on earth. Archbishop Justin Welby's **Church of England (Church of Satan)** globally banish, evict, falsely accuse, slander, physically assault and **persecute** the real Christian person Torsten. The satanic Church of England constantly invents lies against innocent Torsten. The satanic vicars/bishops of satan's Church of England oppose truth and God, and thus, the Church of England unceasingly concoct utter lies against Torsten. Identically with satan, the Archbishop of Church of England absolutely refuses to justify his Church of England's persecution against innocent Torsten, and Church of England refuses to repent from its continuous satanic evils against innocent Torsten.: <http://www.kyrkor.be/satanic-Archbishop-Justin-Welby-of-satans-Church-of-England.htm>

Semi-recent British churchianity incidents:

1. Satanic 'Woodgreen Evangelical Church' in Worcester, United Kingdom, explicitly banished and evicted innocent Torsten, called the Police, and falsely accused the absolutely innocent Christian person Torsten of being **"a very dangerous, deluded and demonic Wolf"**, and that it is a moral duty to protect people from Torsten.: http://www.kyrkor.be/Woodgreen-Evangelical-Church-Worcester_UK_eviction_2017.htm
2. Satanic 'Hope Church' in Worcester, United Kingdom, explicitly banished and evicted innocent Torsten and threatened to call the police, because their satanic church leaders collude with other satanic churches. The satanic Hope Church falsely accused that the absolutely innocent Christian person **Torsten is a danger**, and declared that their **eviction of Torsten is necessary for protection of the people**.: http://www.kyrkor.be/Hope-Church-Worcester_UK_eviction_2017.htm
3. Satanic Church of England's 'All Saints Church' in Worcester, United Kingdom, explicitly banished and evicted innocent Torsten, called the Police, and falsely accused innocent Torsten of some unknown and unspecified "behaviour". The satanic Church of England's vicars/bishops have concocted utter lies against a non-existent monster, who they call Torsten. The Archbishop of Church of England, Justin Welby, absolutely refuses to specify what sin, immorality, wrongdoing or **"behaviour"** that his Church of England constantly accuse against innocent Torsten, justifying Church of England's evictions and global banishments against innocent Torsten.: http://www.kyrkor.be/All-Saints-Church-Worcester_UK_Anglican-eviction_2017.htm
4. Satanic and pathologically lying Australian **"Hillsong Church"** in London, United Kingdom, again evicted innocent Torsten from their Sunday so-called service in their rented premises at Dominion Theatre in central London. The cult, Hillsong London, of course, absolutely refused to provide a reason for their repeated evictions. The typically satanic Hillsong London has confirmed that their Hillsong's supreme devilpastor (**Brian Houston**) enforces a worldwide banishment against Torsten, and has confirmed that Hillsong's devilpastor Brian Houston preserves a global anti-Torsten policy. Hillsong London has evicted Torsten on all six Sundays (2019-07-28, 2018-06-24, 2017-09-10, 2017-04-09, 2016-10-30, 2016-07-25) when Torsten has visited their satanic cult to obtain information about their global ban.: http://www.kyrkor.be/Hillsong-London-UK_eviction_2019-07-28.htm
5. The satanic Baptist pastors of United Kingdom, the evil Baptist leaders of the British Baptist Associations, and the diabolical Baptist leaders of the Baptist Union of Great Britain, continually slander, defame, persecute and cyberbully the Christian person Torsten: http://www.kyrkor.be/Heart-of-England-Baptist-Association_and_Baptist-Union-UK.htm
6. The satanic Evangelical pastors of United Kingdom continually lie, slander and persecute the Christian person Torsten. The Evangelical Alliance of United Kingdom (<http://ea.uk.org>) passively endorsed the explicit banishment by one of their evangelical member churches (<http://www.kyrkor.be/Kings-Church-Birmingham-UK.htm>) in Birmingham, UK. The Evangelical Alliance of United Kingdom previously opposed Torsten's critique against the British churches' outsourcing of Christian relationships to their British pro-homosexuality and Christophobic websites: <http://www.kyrkor.be/Evangelical-Alliance-United-Kingdom.htm>. The Evangelical Alliance of Ireland (<http://www.evangelical.ie>) was previously pointed out by their Vineyard Church in Dublin (<http://www.kyrkor.be/Dublin-Vineyard-Church-Ireland.htm>) as the source of active

New Swedishness:

Sweden is a madhouse.

- In comparison with all surveyed nations globally, satanic-Sweden factually is in relation to values the most extreme nation on earth (<https://bit.ly/2YTOuHL>). Satanic-Sweden also harbours officially recognised extremist environments (<https://bit.ly/3nAkB5w>). Official satanic-Swedish analysts, however, focus attention to foreign influences on domestic satanic-Swedish environments, but distort or blur satanic-Sweden's governmental influences internationally (<https://bit.ly/3lkaR7G>). Satanic-Sweden exports its evil under the pretence of good. Satanic-Sweden promotes barbaric killing of unborn children by abortion, satanic-Sweden promotes sinful practice of homosexuality (http://www.nenzen.net/Biblical_perspective_on_homosexuality.pdf), and satanic-Sweden endeavour prohibition of Judeo-Christian public teachings which contradict satanic-Swedish values. While satanic-Sweden advances evils within satanic-Sweden and beyond, within the 'divided states of America', however, The Lone Star State shines brightest. Texas Governor Greg Abbott declared "Our creator endowed us with the right to life and yet millions of children lose their right to life every year because of abortion." As a legal testimony to true equality through recognition of absolute human value for all persons, and for dignity of human life, Texas Senator Bryan Hughes influenced human civilization by the Texas Heartbeat Act (<https://bit.ly/3CcN8gv>, <https://bit.ly/3lu2Woe>); protecting the most vulnerable persons of society. Satanic-Sweden promotes death, and Texas promotes life. Not only because satanic-Sweden's general population is the most extremist nation in the world in terms

of values, but specifically also because satanic-Sweden's democratically elected radicals of the satanic-Swedish Parliament and its Government Offices promote satanic-Swedish values and hamper Judeo-Christian values domestically and internationally, satan's kingdom of satanic-Sweden constitute value-based extremist threats to human civilization everywhere. The extremist Sweden's political leadership via the Swedish Parliament and the Swedish Government Offices, as well as via the extremist Sweden's religious leadership via its satanic 'Church of Sweden' (<https://www.svenskakyrkan.se/english>) communicate, train and finance foreign contacts for impacting with radical satanic-Swedish values and influencing towards satanic-Swedish morally confused tendencies. It can be argued that satanic-Sweden exacerbates conflicts (<https://bit.ly/2Xrxhfk>) through satanic-Swedish extremist influences internationally.

- While all of satan's leaders of churches worldwide ban and persecute the heterosexual Bible-affirming Christian man, Torsten Nenzen, who in reality and in truth is absolutely innocent of any wrongdoing in any church on earth, and who simply seeks to Biblically marry a Christian woman of God's appointment, many of satan's leaders of churchianity promote homosexual sin (http://www.nenzen.net/Biblical_perspective_on_homosexuality.pdf), consecrate sinful homosexual marriages, ordain satan's homosexual clergy, and install satan's homosexual or "transgender" bishops. Evangelical Lutheran Church of America (<https://www.elca.org>) recently installed its "transgender" bishop (<https://bit.ly/399TYqE>). Few are the churchianity leaders that resist satan's political heresies (<https://bit.ly/2XqYS08>). Satan's current satanic prime minister of satanic-Sweden (<https://bit.ly/3zhhsVg>) fanatically lies with the sole satanic purpose to extend satan's platform within satan's churches. Satanic-Sweden's satanic 'Church of Sweden' (<https://www.svenskakyrkan.se/english>) progressively aligns its satanic intentions with satan's political agendas of satanic-Sweden's satanic Prime Ministers. The Prime Minister of satanic-Sweden in 2017 declared intention to force all priests of his 'Church of Sweden' to perform homosexual marriages even if any priest would disagree with gay marriage, otherwise "priests" must find a different occupation (<https://bit.ly/3jvyj24>, <https://bit.ly/3mPrZEQ>).

Updated Anglican/Church of England incidents:

- In 2021, more than 10 years succeeding that a heretical/Anglican Church Reverend in Stockholm, Sweden, harassed Torsten and in effect purged Torsten-the-Monster from its Anglican Church in 2007/2008: (a) through dehumanising orders, (b) through imposition of demeaning social constraints against Torsten, and (c) by threatening Torsten with Police eviction if Torsten were to speak with any attendees before/after the Sunday "services", the typically persecuting Anglican/satanic clergy of Church of England in Stockholm sustains satan's deceptive agenda. In 2007/2008/2009, the **Anglican Diocese of Europe** did not intervene against its discrimination against Christianity, did not cease its harassments against an innocent Christian, and did not prevent its bans and threats by the satanic/Anglican Reverend. In 2019, neither the Anglican Diocese of Europe nor the satanic Church of England nor its Archbishop of Canterbury, would declare the Anglican Diocese of Europe's 2008 declared grave heresies and its sanctioning of the practice of homosexuality, as evil and sinful (as according to the Bible). More than ten years later, Church of England unabatedly persecutes Torsten-the-Monster within United Kingdom and worldwide.

- Church of England (Church of Satan) continues its refusal to explain or justify the Church of England's national ban against their imagined monster, Torsten-the-Monster, who in reality is absolutely innocent in relation to all churches on earth. Archbishop Justin Welby's **Church of England (Church of Satan)** globally banish, evict, falsely accuse, slander, physically assault and **persecute** the real Christian person Torsten. The satanic Church of England constantly invents lies against innocent Torsten. The satanic vicars/bishops of satan's Church of England oppose truth and God, and thus, the Church of England unceasingly concoct utter lies against Torsten. Identically with satan, the Archbishop of Church of England absolutely refuses to justify his Church of England's persecution against innocent Torsten, and Church of England refuses to repent from its continuous satanic evils against innocent Torsten.: <http://www.kyrkor.be/satanic-Archbishop-Justin-Welby-of-satans-Church-of-England.htm>

Semi-recent British churchianity incidents:

1. Satanic 'Woodgreen Evangelical Church' in Worcester, United Kingdom, explicitly banished and evicted innocent Torsten, called the Police, and falsely accused the absolutely innocent Christian person Torsten of being **"a very dangerous, deluded and demonic Wolf"**, and that it is a moral duty to protect people from Torsten.: http://www.kyrkor.be/Woodgreen-Evangelical-Church_Worcester_UK_eviction_2017.htm
2. Satanic 'Hope Church' in Worcester, United Kingdom, explicitly banished and evicted innocent Torsten and threatened to call the police, because their satanic church leaders collude with other satanic churches. The satanic Hope Church falsely accused that the absolutely innocent Christian person **Torsten is a danger**, and declared that their **eviction of Torsten is necessary for protection of the people**.: http://www.kyrkor.be/Hope-Church-Worcester_UK_eviction_2017.htm

3. Satanic Church of England's 'All Saints Church' in Worcester, United Kingdom, explicitly banished and evicted innocent Torsten, called the Police, and falsely accused innocent Torsten of some unknown and unspecified "behaviour". The satanic Church of England's vicars/bishops have concocted utter lies against a non-existent monster, who they call Torsten. The Archbishop of Church of England, Justin Welby, absolutely refuses to specify what sin, immorality, wrongdoing or "**behaviour**" that his Church of England constantly accuse against innocent Torsten, justifying Church of England's evictions and global banishments against innocent Torsten.: http://www.kyrkor.be/All-Saints-Church_Worcester_UK_Anglican-eviction_2017.htm
4. Satanic and pathologically lying Australian "**Hillsong Church**" in London, United Kingdom, again evicted innocent Torsten from their Sunday so-called service in their rented premises at Dominion Theatre in central London. The cult, Hillsong London, of course, absolutely refused to provide a reason for their repeated evictions. The typically satanic Hillsong London has confirmed that their Hillsong's supreme devilpastor (**Brian Houston**) enforces a worldwide banishment against Torsten, and has confirmed that Hillsong's devilpastor Brian Houston preserves a global anti-Torsten policy. Hillsect London has evicted Torsten on all six Sundays (2019-07-28, 2018-06-24, 2017-09-10, 2017-04-09, 2016-10-30, 2016-07-25) when Torsten has visited their satanic cult to obtain information about their global ban.: http://www.kyrkor.be/Hillsong-London-UK_eviction_2019-07-28.htm
5. The satanic Baptist pastors of United Kingdom, the evil Baptist leaders of the British Baptist Associations, and the diabolical Baptist leaders of the Baptist Union of Great Britain, continually slander, defame, persecute and cyberbully the Christian person Torsten: http://www.kyrkor.be/Heart-of-England-Baptist-Association_and_Baptist-Union-UK.htm
6. The satanic Evangelical pastors of United Kingdom continually lie, slander and persecute the Christian person Torsten. The Evangelical Alliance of United Kingdom (<http://ea.uk.org>) passively endorsed the explicit banishment by one of their evangelical member churches (<http://www.kyrkor.be/Kings-Church-Birmingham-UK.htm>) in Birmingham, UK. The Evangelical Alliance of United Kingdom previously opposed Torsten's critique against the British churches' outsourcing of Christian relationships to their British pro-homosexuality and Christophobic websites: <http://www.kyrkor.be/Evangelical-Alliance-United-Kingdom.htm>. The Evangelical Alliance of Ireland (<http://www.evangelical.ie>) was previously pointed out by their Vineyard Church in Dublin (<http://www.kyrkor.be/Dublin-Vineyard-Church-Ireland.htm>) as the source of active slander and lies against Torsten "In the light of [...] correspondence from Evangelical Alliance Ireland [...] I am withdrawing the welcome.": <http://www.kyrkor.be/christianconnection.co.uk-discrimination-against-Christianity.pdf>

Everywhere on earth, satanic pastors of churches have obstructed me from possibility of a Christian marriage. Because of obstruction by the satanic pastors of churches everywhere, I have never had any opportunity in life to marry a Christian woman. Utterly evil leaders of churches everywhere, have denied me the fundamental human condition to marry a woman. Satan truly is in charge of essentially all the churches worldwide, through professional pastors and priests.

Leaders of churches, everywhere on earth, are satanically determined to deliberately destroy the life of the innocent Christian person Torsten. Everywhere on earth, leaders of churches intentionally isolate innocent Torsten through the church-leaders' utter lies, false accusations, slander, evictions, banishments and collusive persecutions against innocent Torsten. Through facts and by the evidences, it is sensible and proper to conclude that satan is in control of the minds and hearts of leaders of churches, worldwide.

Torsten has never had any opportunity in life to marry a Christian woman, because the leaders of churches on earth have actively and passively sought to prevent that Torsten could have an opportunity to marry a Christian woman. The leaders of churches on earth have sought to prohibit opportunity for Torsten to communicate with any Christian woman. Due to all of satan's hindering leaders of churches everywhere on earth, no opportunity has ever existed, and incessantly, there never can exist any opportunity in future - because no church on earth allows Torsten to communicate with any Christian woman. The leaders of churches have destroyed Torsten's life, and the leaders of churches continue to seek to destroy Torsten's life. No leader of any church anywhere on earth will allow Torsten to communicate with Christian women. No leader of any church on earth is willing to repent from their inhumanity, sinfulness and evil against Torsten.

Torsten has no wife, because the pastors of churches prohibit that Torsten may marry a woman. Torsten is not permitted by the pastors of churches to socialise in churches. Satan knows that no communication between Torsten and women equates to no Godly marriage, and that is precisely why the pastors of churches are obsessed to prevent Torsten from communicating with any woman, and that is why the pastors of churches are obsessed to isolate Torsten from fellowship. Pastors of churches are obsessed to prevent innocent Torsten from marrying a Christian woman.

In general, pastors of churches everywhere truly are menaces to civilised societies, through their lies, evils, falsities and ultra-hypocritical inhumanity.

Lies, lies, lies and lies. Lying and falsely accusing is not merely a peripheral conduct by virtually all leaders of churches worldwide, but lying and maliciously slandering is actually the core nature of essentially all leaders of churches globally. Lying, falsely accusing, slandering, banishing and collusively persecuting the absolutely innocent person Torsten is very important for essentially all pastors and priests of churches, worldwide.

No Christian on earth knows Torsten. No pastor/priest on earth knows Torsten. Without any reality-based reason, virtually all church-leaders worldwide lie, slander, gossip, excommunicate, assault and evict Torsten. This persecution by the clergy of essentially all churches globally never stops, because satan whom they serve never stops.

The Government of Australia continues to ban innocent Torsten, through Australian Government invented and fraudulent non-reasons. Because church leaders always invent lies against innocent Torsten, and often report their lies to government authorities, it is very likely that the Australian Government identically follows the evil examples of other devilish countries of Commonwealth of Nations, like New Zealand (<http://www.kyrkor.be/New-Zealand-Federal-Governments-satanic-church-lies.htm>), and Canada (<http://www.kyrkor.be/the-morally-confused-Justin-Trudeau-in-Canada.htm>). http://www.kyrkor.be/satanic-Australian-Government-imbecils_2018.pdf

The satanic Swedish Governments and their blaspheming Swedish Police sustain persecution and intimidation against any Bible affirming authentic Christians. Allegiance to churchianity at the expense of truth harms everyone: <https://twitter.com/TorsNen/status/1233481889488547841>

New Swedishness:

Sweden is a madhouse.

- Satanic-Sweden's satanic "Church of Sweden" (<https://www.satanicchurch.se/en/eng>) progressively aligns its satanic intentions with satan's political agendas of satanic-Sweden's satanic Prime Ministers. The Prime Minister of satanic-Sweden in 2017 declared intention to **force** all priests of his "Church of Sweden" to perform homosexual marriages even if any priest would disagree with gay marriage, otherwise 'priests' must find a different occupation (<https://bit.ly/3jvyj24>, <https://bit.ly/3mPrZEQ>). Satan's priests and churchianity politicians of satanic "Church of Sweden" are increasingly in favour of **forcing** satan's "Church of Sweden" priests to carry out same-sex marriages. Satanic-Sweden's satanic Church of Sweden (in practice Church of Satan!), which has banned the innocent Bible-affirming Christian heterosexual man Torsten Nenzén from all its "Church of Sweden" churches nationwide, and whose satanic-LGBT priests praise a homosexual Swedish god, and which has rewritten the Bible with focus on politically corrected gender and diversity, and which portrays Jesus Christ as a politically corrected gender-neutral person, and which has composed inclusive gender-neutral hymns in their satanic/Swedish psalm book, and which asserts its satanic identity as a transsexual church, and which defends its collaboration and funding of Islamists linked with the Islamist terrorist group Muslim Brotherhood and the Islamist terrorist organisation Hamas, and which collects money towards dissemination of Islamic jihad through children's literature and for its Church of Sweden's hatred of Israel, and which is inspired by satanic Islam's prophet Mohammed as a God's prophet, is hatefully hostile against Torsten Nenzén and has excluded Torsten because Torsten is a Bible-affirming real Christian (http://www.nenzen.net/Biblical_perspective_on_homosexuality.pdf): <https://www.breitbart.com/europe/2021/08/20/church-of-sweden-divided-forcing-priests-carry-out-gay-marriages/>
- Satanic-Sweden's satanic Armed Forces (<https://www.forsvarsmakten.se/en/>) previously lobbied to exploit the Afghanistan War for purpose of promoting marketability towards sales of its fighter aircraft Jas Gripen (https://wikileaks.org/plusd/cables/08STOCKHOLM29_a.html). Satanic-Sweden's satanic Armed Forces and its anti-Godly/Swedish military flaggots continue to advocate its anti-Christian and anti-Biblical sentiments, by advertising its satanic-Swedish propagation against Biblical Christianity, as part of satan's Swedish call of duty to indoctrinate satanic-Sweden with satanic-Swedish lies. (<https://bit.ly/2WASpPq>, <https://bit.ly/2WE6Hia>, <https://bit.ly/3fpJWFr>) Satan's Swedish vitriol against Judeo-Christian values is likewise pursued by satanic-Sweden's Police Authority (<https://polisen.se/en/>). Sweden's blaspheming Police of the satanic/Swedish Governments sustain persecution and intimidation against the Bible-affirming authentic Christian man Torsten Nenzén (http://www.nenzen.net/Biblical_perspective_on_homosexuality.pdf). Satanic-Sweden's national police has previously declared that public reading from the Judeo-Christian Bible is a hate crime, and satanic-Sweden's police explicitly equates the "hatefulness of the Judeo-Christian Bible" with Adolf Hitler's book 'Mein Kampf' (http://www.kyrkor.be/Swedish_Police_criminalize_public_loud_reading_of_Bible.htm). According to the exact vocabulary of the Bible, the practice of homosexuality is detestable, abomination, repulsive, immoral, shameful, unnatural, indecent, vile, against nature and is a sin against God.: <https://www.opindia.com/2021/08/sweden-wanted-to-use-afghanistan-war-to-enhance-marketability-of-gripen-aircraft-wikileaks/>

294. Two hundred ninetyfourth International Plea

Date: Mon, 16 Aug 2021 17:46

Subject: Decisively 100% of Swedish/satanic church leaders ostracise and persecute an innocent Christian man, because the innocent man stated to all church leaders a hope of finding a Christian woman towards Christian marriage.

Christian never-married innocent man, who wants to marry a Christian woman, is excommunicated/banished by all churches in Sweden, is ousted from Swedish society, and is devoid of humane future in Sweden – because of Sweden's heartless pastors and heretic priests, and due to Sweden's satanic politicians and Sweden's aggressively anti-Christian culture.

Current:

I am currently in Alicante, Spain.

Spanish pastors/priests of churches function as satan's impediments to authentic Christian relationships and Christian marriages.: http://www.kyrkor.be/Spanish_churches.pdf

- The Swedishness of Sweden's healthcare system discriminatorily deprives a Christian man, named Torsten, of humane substitution for the inhumane persecution by 100% of Sweden's churches. Sweden's healthcare system procrastinated provision of medical journal evidence to its Swedishness medical lies about Torsten; lies intent to coverup their Swedishness discrimination against Non-Swedishness Torsten.: <https://www.nenzen.net/Swedishness-health-care-discrimination-against-Non-Swedishness.htm>

A typical priestly statement "Nobody is interested in you!" encapsulates a core attitude by professional leaders of churches everywhere.: <https://www.kyrkor.be/churchianity-core-attitude.htm>

If not by mere principle, then at least because ultra-hypocritical pastors/persecutors by essentially all church denominations everywhere are morally equivalent in their various depravities, as for example to satan's showbiz-psychopathic leaders of Australia's global leadership network of churches Hillsong/HillSect (http://www.kyrkor.be/Hillsong-London-UK_eviction_2019-07-28.htm and http://www.kyrkor.be/Hillsong-Stockholm_Andreas-Nielsen_Sweden.htm), each national government of ALL countries should therefore recognise its governmental moral obligation to neither financially support nor subsidise any churches whatsoever. The principle of individual freedom of religion is fundamental as a universal human right, and which must be respected by all national governments worldwide; but, so also is the principle of freedom from public sector religion. For example, a parliamentary motion on disestablishment of the Church of England from United Kingdom, also ought to be recognised as a fundamental moral duty (<http://www.kyrkor.be/satanic-Archbishop-Justin-Welby-of-satanic-Church-of-England.htm> and http://www.kyrkor.be/Anglican-Church-Stockholm_and_Anglican-Diocese-Europe_10-years-later.htm). Any national parliament that does establish association with any churches are thereby complicitly guilty to the churches' immoralities and persecutions against innocent Christians.: <https://archive.vn/vZm2s>

In United Kingdom, according to the typically lying British Police, **physical assaults** by British landlords against tenants indoors is acceptable (<https://bit.ly/2BYesFI>), but peaceful distribution of the Gospel message outdoors is not (<https://bit.ly/3fx4B8n>). Also in United Kingdom, the **very-British Britons at British county council governments provably lie**, and consequently, none of UK's British councils government apes, nor UK's British courts or judiciary, nor the British public services, are willing to communicate.: https://www.kyrkor.be/2021-02-28_UK_British-Government_lies_dishonesty_inanity_corruption.pdf

Contemptible "*Torsten-the-demonic-Wolf*" is continually persecuted by virtually all British leaders of all its satanic churches in United Kingdom and also worldwide, but in reality however, Torsten is an authentic Bible-affirming Christian who is absolutely innocent in relation to all of UK's banning and persecuting churches and global churchianity.

All British satanic churches in United Kingdom have explicitly, implicitly, covertly or passively banished the Christian person Torsten, because satan's British pastors and priests of United Kingdom's churches have decided in their imaginations that Torsten is sorts of a monster, and that the terrible monster **Torsten is dangerous and unfit for British community**. The British satanic pastors of churches in United Kingdom persecute Torsten-the-Monster (*Torsten-the-demonic-Wolf*). 100% of the satanic leaders of churches in Worcester, UK, serve their master satan through their invented lies, evil slander, evictions and collusive persecution against the absolutely innocent Christian person Torsten.

Too close for truth: Satan's British church/government/state alliance.

UK institutions and UK leaders are too closely allied for public acknowledgement of truth, and outcome towards moral justice. UK political leaders, UK institutional leaders, and UK religious leaders are primarily loyal towards each other; some by sworn oaths of allegiance. Therefore, the satanically corrupt and persecuting **Church of England (church of satan)** is beyond accountability to truth. The UK Prime Minister is allied with the Supreme Governor of the Church of England (the Queen) as adviser of appointing personnel for the British Queen's Church of England. Church of England's Archbishop of Canterbury is by oath allied to Supreme Governor of the Church of England (the Queen). The Anglican Bishops are subordinately dependent on, and by oath allied with, the Anglican Archbishop of Canterbury (currently Justin Welby), towards concealing culpability of the worldwide PERSECUTION by Church of England – against the Christian person Torsten; who is absolutely innocent in relation to Church of England and all the other globally persecuting churches. Queen Elizabeth II of United Kingdom is the "Supreme Governor of the Church of England", and therefore, this **Queen of England is utmost accountable for her satanic Church of England's intentional lies, slander, evictions and persecution against the absolutely innocent person Torsten**. The British Royal Family's own website (<https://www.royal.uk/queens-relationship-churches-england-and-scotland-and-other-faiths>) accordingly declares: "*The Queen's relationship with the Church of England was symbolised at the Coronation in 1953 when Her Majesty was anointed by the Archbishop of Canterbury and took an oath to 'maintain and preserve inviolably the settlement of the Church of England, and the doctrine worship, discipline, and government thereof, as by law established in England'. On the advice of the Prime Minister The Queen appoints Archbishops, Bishops and Deans of the Church of England, who then swear an oath of allegiance and pay homage to Her Majesty. Church of England deacons and parish priests also swear an oath of allegiance to the Sovereign.*" <https://twitter.com/Torsten/status/945555797773139968>

Satan's Church of England of evil Kingdom of Britain under its Queen, unceasingly persecute Torsten in UK and globally. The British government's "stupidity agencies" are fit to maintain fallacious judgement and selected ignorance.

- Satanic-Sweden financially boosts its satanic/Swedish support for Quranic Islam.: <https://bit.ly/2UKT9aC>
- Military, financial and administrative reconstruction attempts of Quranic/Islamic societies with "Western Civilization values" without a coherent strategy to address the innately evil, inhumane and anti-democratic values (and spiritual nature) of Quranic Islam, are undeniably doomed for failure. Without substituting Quranic Islam in Islamic societies with the knowledge and spiritual relationship by the only true God and creator of the universe, which is the God of Israel through Jesus Christ, the ordained violence and evil by Quranic Islam will triumph once the "Western" military campaign is exhausted. The remarkable ignorance and naivité of those "Western" leaders, who erroneously believe that Quranic Islam might capitulate to "Western" values by mere military and financial persuasion, is amazing! Satanic-Sweden's Ministry of Foreign Affairs declared intent of undiminished financial aid (<https://www.aida.se/en/indoe-international-work/afghanistan>) for Afghanistan, regardless if Kabul is administered by Quranic Islam.: <https://archive.ph/ySux2> , <https://bit.ly/3xQd6Uv>

293. Two hundred ninetythird International Plea

Date: Mon, 2 Aug 2021 21:00

Subject: Definite 100% of Swedish/satanic church leaders ostracise and persecute an innocent Christian man, because the innocent man stated to all church leaders a hope of finding a Christian woman towards Christian marriage.

Christian never-married innocent man, who wants to marry a Christian woman, is excommunicated/banished by all churches in Sweden, is ousted from Swedish society, and is devoid of humane future in Sweden – because of Sweden's heartless pastors and heretic priests, and due to Sweden's satanic politicians and Sweden's aggressively anti-Christian culture.

Current:

I am currently in Alicante, Spain.

Spanish pastors/priests of churches function as satan's impediments to authentic Christian relationships and Christian marriages.: http://www.kyrkor.be/Spanish_churches.pdf

- The Swedishness of Sweden's healthcare system discriminatorily deprives a Christian man, named Torsten, of humane substitution for the inhumane persecution by 100% of Sweden's churches. Sweden's healthcare system procrastinated provision of medical journal evidence to its Swedishness medical lies about Torsten; lies intent to coverup their Swedishness discrimination against Non-Swedishness Torsten.: <https://www.nenzen.net/Swedishness-health-care-discrimination-against-Non-Swedishness.htm>

A typical priestly statement "Nobody is interested in you!" encapsulates a core attitude by professional leaders of churches everywhere.: <https://www.kyrkor.be/churchianity-core-attitude.htm>

If not by mere principle, then at least because ultra-hypocritical pastors/persecutors by essentially all church denominations everywhere are morally equivalent in their various depravities, as for example to satan's showbiz-psychopathic leaders of Australia's global leadership network of churches Hillsong/HillSect (http://www.kyrkor.be/Hillsong-London-UK_eviction_2019-07-28.htm and http://www.kyrkor.be/Hillsong-Stockholm_Andreas-Nielsen_Sweden.htm), each national government of ALL countries should therefore recognise its governmental moral obligation to neither financially support nor subsidise any churches whatsoever. The principle of individual freedom of religion is fundamental as a universal human right, and which must be respected by all national governments worldwide; but, so also is the principle of freedom from public sector religion. For example, a parliamentary motion on disestablishment of the Church of England from United Kingdom, also ought to be recognised as a fundamental moral duty (<http://www.kyrkor.be/satanic-Archbishop-Justin-Welby-of-satan's-Church-of-England.htm> and http://www.kyrkor.be/Anglican-Church-Stockholm_and_Anglican-Diocese-Europe_10-years-later.htm). Any national parliament that does establish association with any churches are thereby complicitly guilty to the churches' immoralities and persecutions against innocent Christians.: <https://archive.vn/vZm2s>

In United Kingdom, according to the typically lying British Police, physical assaults by British landlords against tenants indoors is acceptable (<https://bit.ly/2BYesFI>), but peaceful distribution of the Gospel message outdoors is not (<https://bit.ly/3fx4B8n>). Also in United Kingdom, the very-British Britons at British county council governments provably lie, and consequently, none of UK's British councils government apes, nor UK's British courts or judiciary, nor the British public services, are willing to communicate.: https://www.kyrkor.be/2021-02-28_UK_British-Government_lies_dishonesty_inanity_corruption.pdf

Contemptible "Torsten-the-demonic-Wolf" is continually persecuted by virtually all British leaders of all its satanic churches in United Kingdom and also worldwide, but in reality however, Torsten is an authentic Bible-affirming Christian who is absolutely innocent in relation to all of UK's banning and persecuting churches and global churchianity.

All British satanic churches in United Kingdom have explicitly, implicitly, covertly or passively banished the Christian person Torsten, because satan's British pastors and priests of United Kingdom's churches have decided in their imaginations that Torsten is sorts of a monster, and that the terrible monster Torsten is dangerous and unfit for British community. The British satanic pastors of churches in United Kingdom persecute Torsten-the-Monster (Torsten-the-demonic-Wolf). 100% of the satanic leaders of churches in Worcester, UK, serve their master satan through their invented lies, evil slander, evictions and collusive persecution against the absolutely innocent Christian person Torsten.

Too close for truth: Satan's British church/government/state alliance.

UK institutions and UK leaders are too closely allied for public acknowledgement of truth, and outcome towards moral justice. UK political leaders, UK institutional leaders, and UK religious leaders are primarily loyal towards each other; some by sworn oaths of allegiance. Therefore, the satanically corrupt and persecuting Church of England (church of satan) is beyond accountability to truth. The UK Prime Minister is allied with the Supreme Governor of the Church of England (the Queen) as adviser of appointing personnel for the British Queen's Church of England. Church of England's Archbishop of Canterbury is by oath allied to Supreme Governor of the Church of England (the Queen). The Anglican Bishops are subordinately dependent on, and by oath allied with, the Anglican Archbishop of Canterbury (currently Justin Welby), towards concealing culpability of the worldwide PERSECUTION by Church of England – against the Christian person Torsten; who is absolutely innocent in relation to Church of England and all the other globally persecuting churches. Queen Elizabeth II of United Kingdom is the "Supreme Governor of the Church of England", and therefore, this Queen of England is utmost accountable for her satanic Church of England's intentional lies, slander, evictions and persecution against the absolutely innocent person Torsten. The British Royal Family's own website (<https://www.royal.uk/queens-relationship-churches-england-and-scotland-and-other-faiths>) accordingly declares: "The Queen's relationship with the Church of England was symbolised at the Coronation in 1953 when Her Majesty was anointed by the Archbishop of Canterbury and took an oath to 'maintain and preserve inviolably the settlement of the Church of England, and the doctrine worship, discipline, and government thereof, as by law established in England'. On the advice of the Prime Minister The Queen appoints Archbishops, Bishops and Deans of the Church of England, who then swear an oath of allegiance and pay homage to Her Majesty. Church of England deacons and parish priests also swear an oath of allegiance to the Sovereign." <https://twitter.com/TorsNen/status/94555797773139968>

Satan's Church of England of evil Kingdom of Britain under its Queen, unceasingly persecute Torsten in UK and globally. The British government's "stupidity agencies" are fit to maintain fallacious judgement and selected ignorance.

Updated Anglican/Church of England incidents:

- In 2021, more than 10 years succeeding that a heretical/Anglican Church Reverend in Stockholm, Sweden, harassed Torsten and in effect purged Torsten-the-Monster from its Anglican Church in 2007/2008: (a)

through dehumanising orders, (b) through imposition of demeaning social constraints against Torsten, and (c) by threatening Torsten with Police eviction if Torsten were to speak with any attendees before/after the Sunday "services", the typically persecuting Anglican/satanic clergy of Church of England in Stockholm sustains satan's deceptive agenda. In 2007/2008/2009, the **Anglican Diocese of Europe** did not intervene against its discrimination against Christianity, did not cease its harassments against an innocent Christian, and did not prevent its bans and threats by the satanic/Anglican Reverend. In 2019, neither the Anglican Diocese of Europe nor the satanic Church of England nor its Archbishop of Canterbury, would declare the Anglican Diocese of Europe's 2008 declared grave heresies and its sanctioning of the practice of homosexuality, as evil and sinful (as according to the Bible). More than ten years later, Church of England unabatedly persecutes Torsten-the-Monster within United Kingdom and worldwide.

Previously from 2009: <http://www.kyrkor.be/Anglican-Church-Stockholm-Sweden.htm>

Currently from 2021: http://www.kyrkor.be/Anglican-Church-Stockholm_and_Anglican-Diocese-Europe_10-years-later.htm

- Church of England (Church of Satan) continues its refusal to explain or justify the Church of England's national ban against their imagined monster, Torsten-the-Monster, who in reality is absolutely innocent in relation to all churches on earth. Archbishop Justin Welby's **Church of England (Church of Satan)** globally banish, evict, falsely accuse, slander, physically assault and **persecute** the real Christian person Torsten. The satanic Church of England constantly invents lies against innocent Torsten. The satanic vicars/bishops of satan's Church of England oppose truth and God, and thus, the Church of England unceasingly concoct utter lies against Torsten. Identically with satan, the Archbishop of Church of England absolutely refuses to justify his Church of England's persecution against innocent Torsten, and Church of England refuses to repent from its continuous satanic evils against innocent Torsten.: <http://www.kyrkor.be/satanic-Archbishop-Justin-Welby-of-satans-Church-of-England.htm>

Semi-recent British churchianity incidents:

1. Satanic 'Woodgreen Evangelical Church' in Worcester, United Kingdom, explicitly banished and evicted innocent Torsten, called the Police, and falsely accused the absolutely innocent Christian person Torsten of being **"a very dangerous, deluded and demonic Wolf"**, and that it is a moral duty to protect people from Torsten.: http://www.kyrkor.be/Woodgreen-Evangelical-Church_Worcester_UK_eviction_2017.htm
2. Satanic 'Hope Church' in Worcester, United Kingdom, explicitly banished and evicted innocent Torsten and threatened to call the police, because their satanic church leaders collude with other satanic churches. The satanic Hope Church falsely accused that the absolutely innocent Christian person **Torsten is a danger**, and declared that their **eviction of Torsten is necessary for protection of the people**.: http://www.kyrkor.be/Hope-Church-Worcester_UK_eviction_2017.htm
3. Satanic Church of England's 'All Saints Church' in Worcester, United Kingdom, explicitly banished and evicted innocent Torsten, called the Police, and falsely accused innocent Torsten of some unknown and unspecified "behaviour". The satanic Church of England's vicars/bishops have concocted utter lies against a non-existent monster, who they call Torsten. The Archbishop of Church of England, Justin Welby, absolutely refuses to specify what sin, immorality, wrongdoing or **"behaviour"** that his Church of England constantly accuse against innocent Torsten, justifying Church of England's evictions and global banishments against innocent Torsten.: http://www.kyrkor.be/All-Saints-Church_Worcester_UK_Anglican-eviction_2017.htm
4. Satanic and pathologically lying Australian **"Hillsong Church"** in London, United Kingdom, again evicted innocent Torsten from their Sunday so-called service in their rented premises at Dominion Theatre in central London. The cult, Hillsong London, of course, absolutely refused to provide a reason for their repeated evictions. The typically satanic Hillsong London has confirmed that their Hillsong's supreme devilpastor (**Brian Houston**) enforces a worldwide banishment against Torsten, and has confirmed that Hillsong's devilpastor Brian Houston preserves a global anti-Torsten policy. Hillsect London has evicted Torsten on all six Sundays (2019-07-28, 2018-06-24, 2017-09-10, 2017-04-09, 2016-10-30, 2016-07-25) when Torsten has visited their satanic cult to obtain information about their global ban.: http://www.kyrkor.be/Hillsong-London-UK_eviction_2019-07-28.htm
5. The satanic Baptist pastors of United Kingdom, the evil Baptist leaders of the British Baptist Associations, and the diabolical Baptist leaders of the Baptist Union of Great Britain, continually slander, defame, persecute and cyberbully the Christian person Torsten: http://www.kyrkor.be/Heart-of-England-Baptist-Association_and_Baptist-Union-UK.htm
6. The satanic Evangelical pastors of United Kingdom continually lie, slander and persecute the Christian person Torsten. The Evangelical Alliance of United Kingdom (<http://esa.uk.org>) passively endorsed the explicit banishment by one of their evangelical member churches (<http://www.kyrkor.be/Kings-Church-Birmingham-UK.htm>) in Birmingham, UK. The Evangelical Alliance of United Kingdom previously opposed Torsten's critique against the British churches' outsourcing of Christian relationships to their British pro-homosexuality and Christophobic websites: <http://www.kyrkor.be/Evangelical-Alliance-United-Kingdom.htm>. The Evangelical Alliance of Ireland (<http://www.evangelical.ie>) was previously pointed out by their Vineyard Church in Dublin (<http://www.kyrkor.be/Dublin-Vineyard-Church-Ireland.htm>) as the source of active slander and lies against Torsten "In the light of [...] correspondence from Evangelical Alliance Ireland [...] I am withdrawing the welcome.": <http://www.kyrkor.be/christianconnection.co.uk-discrimination-against-Christianity.pdf>

Everywhere on earth, satanic pastors of churches have obstructed me from possibility of a Christian marriage. Because of obstruction by the satanic pastors of churches everywhere, I have never had any opportunity in life to marry a Christian woman. Utterly evil leaders of churches everywhere, have denied me the fundamental human condition to marry a woman. Satan truly is in charge of essentially all the churches worldwide, through professional pastors and priests.

Leaders of churches, everywhere on earth, are satanically determined to deliberately destroy the life of the innocent Christian person Torsten. Everywhere on earth, leaders of churches intentionally isolate innocent Torsten

through the church-leaders' utter lies, false accusations, slander, evictions, banishments and collusive persecutions against innocent Torsten. Through facts and by the evidences, it is sensible and proper to conclude that satan is in control of the minds and hearts of leaders of churches, worldwide.

Torsten has never had any opportunity in life to marry a Christian woman, because the leaders of churches on earth have actively and passively sought to prevent that Torsten could have an opportunity to marry a Christian woman. The leaders of churches on earth have sought to prohibit opportunity for Torsten to communicate with any Christian woman. Due to all of satan's hindering leaders of churches everywhere on earth, no opportunity has ever existed, and incessantly, there never can exist any opportunity in future - because no church on earth allows Torsten to communicate with any Christian woman. The leaders of churches have destroyed Torsten's life, and the leaders of churches continue to seek to destroy Torsten's life. No leader of any church anywhere on earth will allow Torsten to communicate with Christian women. No leader of any church on earth is willing to repent from their inhumanity, sinfulness and evil against Torsten.

Torsten has no wife, because the pastors of churches prohibit that Torsten may marry a woman. Torsten is not permitted by the pastors of churches to socialise in churches. Satan knows that no communication between Torsten and women equates to no Godly marriage, and that is precisely why the pastors of churches are obsessed to prevent Torsten from communicating with any woman, and that is why the pastors of churches are obsessed to isolate Torsten from fellowship. Pastors of churches are obsessed to prevent innocent Torsten from marrying a Christian woman.

In general, pastors of churches everywhere truly are menaces to civilised societies, through their lies, evils, falsities and ultra-hypocritical inhumanity.

Lies, lies, lies and lies. Lying and falsely accusing is not merely a peripheral conduct by virtually all leaders of churches worldwide, but lying and maliciously slandering is actually the core nature of essentially all leaders of churches globally. Lying, falsely accusing, slandering, banishing and collusively persecuting the absolutely innocent person Torsten is very important for essentially all pastors and priests of churches, worldwide.

No Christian on earth knows Torsten. No pastor/priest on earth knows Torsten. Without any reality-based reason, virtually all church-leaders worldwide lie, slander, gossip, excommunicate, assault and evict Torsten. This persecution by the clergy of essentially all churches globally never stops, because satan whom they serve never stops.

The Government of Australia continues to ban innocent Torsten, through Australian Government invented and fraudulent non-reasons. Because church leaders always invent lies against innocent Torsten, and often report their lies to government authorities, it is very likely that the Australian Government identically follows the evil examples of other devilish countries of Commonwealth of Nations, like New Zealand (<http://www.kyrkor.be/New-Zealand-Federal-Governments-satanic-church-lies.htm>), and Canada (<http://www.kyrkor.be/the-morally-confused-Justin-Trudeau-in-Canada.htm>). http://www.kyrkor.be/satanic-Australian-Government-imbecils_2018.pdf

The satanic Swedish Governments and their blaspheming Swedish Police sustain persecution and intimidation against any Bible affirming authentic Christians. New Swedishness:

Sweden is a madhouse.

- Satanic-Sweden's satanic Armed Forces (<https://www.forsvarsmakt.se/en>) and its anti-Godly/Swedish military flaggots continue to advocate its anti-Christian and anti-Biblical sentiments. Satan's Swedish military advertises again its satanic-Swedish propagation against Biblical Christianity, as part of satan's Swedish call of duty to indoctrinate satanic-Sweden with satanic-Swedish lies. Satan's Swedish vitriol against Judeo-Christian values is likewise pursued by satanic-Sweden's Police Authority (<https://polisen.se/en/>). Sweden's blaspheming Police of the satanic/Swedish Governments sustain persecution and intimidation against the Bible-affirming authentic Christian man Torsten Nenzén (http://www.nenzen.net/Biblical_perspective_on_homosexuality.pdf). Satanic-Sweden's national police has previously declared that public reading from the Judeo-Christian Bible is a hate crime, and satanic-Sweden's police explicitly equates the "hatefulness of the Judeo-Christian Bible" with Adolf Hitler's book 'Mein Kampf' (http://www.kyrkor.be/Swedish_Police_criminalize_public_loud_reading_of_Bible.htm). According to the exact vocabulary of the Bible, the practice of homosexuality is detestable, abomination, repulsive, immoral, shameful, unnatural, indecent, vile, against nature and is a sin against God.: <https://sputniknews.com/military/202108021083504892-a-flag-worth-defending-swedish-armed-forces-raise-eyebrows-with-heavy-pride-advertising/>

4. Satanic and pathologically lying Australian **"Hillsong Church"** in London, United Kingdom, again evicted innocent Torsten from their Sunday so-called service in their rented premises at Dominion Theatre in central London. The cult, Hillsong London, of course, absolutely refused to provide a reason for their repeated evictions. The typically satanic Hillsong London has confirmed that their Hillsong's supreme devilpastor (**Brian Houston**) enforces a worldwide banishment against Torsten, and has confirmed that Hillsong's devilpastor Brian Houston preserves a global anti-Torsten policy. Hillsong London has evicted Torsten on all six Sundays (2019-07-28, 2018-06-24, 2017-09-10, 2017-04-09, 2016-10-30, 2016-07-25) when Torsten has visited their satanic cult to obtain information about their global ban.: http://www.kyrkor.be/Hillsong-London-UK_eviction_2019-07-28.htm
5. The satanic Baptist pastors of United Kingdom, the evil Baptist leaders of the British Baptist Associations, and the diabolical Baptist leaders of the Baptist Union of Great Britain, continually slander, defame, persecute and cyberbully the Christian person Torsten: http://www.kyrkor.be/Heart-of-England-Baptist-Association_and_Baptist-Union-UK.htm
6. The satanic Evangelical pastors of United Kingdom continually lie, slander and persecute the Christian person Torsten. The Evangelical Alliance of United Kingdom (<http://ea.uk.org>) passively endorsed the explicit banishment by one of their evangelical member churches (<http://www.kyrkor.be/Kings-Church-Birmingham-UK.htm>) in Birmingham, UK. The Evangelical Alliance of United Kingdom previously opposed Torsten's critique against the British churches' outsourcing of Christian relationships to their British pro-homosexuality and Christophobic websites: <http://www.kyrkor.be/Evangelical-Alliance-United-Kingdom.htm>. The Evangelical Alliance of Ireland (<http://www.evangelical.ie>) was previously pointed out by their Vineyard Church in Dublin (<http://www.kyrkor.be/Dublin-Vineyard-Church-Ireland.htm>) as the source of active

slander and lies against Torsten "In the light of [...] correspondence from Evangelical Alliance Ireland [...] I am withdrawing the welcome."': <http://www.kyrkor.be/christianconnection.co.uk-discrimination-against-Christianity.pdf>

Everywhere on earth, satanic pastors of churches have obstructed me from possibility of a Christian marriage. Because of obstruction by the satanic pastors of churches everywhere, I have never had any opportunity in life to marry a Christian woman. Utterly evil leaders of churches everywhere, have denied me the fundamental human condition to marry a woman. Satan truly is in charge of essentially all the churches worldwide, through professional pastors and priests.

Leaders of churches, everywhere on earth, are satanically determined to deliberately destroy the life of the innocent Christian person Torsten. Everywhere on earth, leaders of churches intentionally isolate innocent Torsten through the church-leaders' utter lies, false accusations, slander, evictions, banishments and collusive persecutions against innocent Torsten. Through facts and by the evidences, it is sensible and proper to conclude that satan is in control of the minds and hearts of leaders of churches, worldwide.

Torsten has never had any opportunity in life to marry a Christian woman, because the leaders of churches on earth have actively and passively sought to prevent that Torsten could have an opportunity to marry a Christian woman. The leaders of churches on earth have sought to prohibit opportunity for Torsten to communicate with any Christian woman. Due to all of satan's hindering leaders of churches everywhere on earth, no opportunity has ever existed, and incessantly, there never can exist any opportunity in future - because no church on earth allows Torsten to communicate with any Christian woman. The leaders of churches have destroyed Torsten's life, and the leaders of churches continue to seek to destroy Torsten's life. No leader of any church anywhere on earth will allow Torsten to communicate with Christian women. No leader of any church on earth is willing to repent from their inhumanity, sinfulness and evil against Torsten.

Torsten has no wife, because the pastors of churches prohibit that Torsten may marry a woman. Torsten is not permitted by the pastors of churches to socialise in churches. Satan knows that no communication between Torsten and women equates to no Godly marriage, and that is precisely why the pastors of churches are obsessed to prevent Torsten from communicating with any woman, and that is why the pastors of churches are obsessed to isolate Torsten from fellowship. Pastors of churches are obsessed to prevent innocent Torsten from marrying a Christian woman.

In general, pastors of churches everywhere truly are menaces to civilised societies, through their lies, evils, falsities and ultra-hypocritical inhumanity.

Lies, lies, lies and lies. Lying and falsely accusing is not merely a peripheral conduct by virtually all leaders of churches worldwide, but lying and maliciously slandering is actually the core nature of essentially all leaders of churches globally. Lying, falsely accusing, slandering, banishing and collusively persecuting the absolutely innocent person Torsten is very important for essentially all pastors and priests of churches, worldwide.

No Christian on earth knows Torsten. No pastor/priest on earth knows Torsten. Without any reality-based reason, virtually all church-leaders worldwide lie, slander, gossip, excommunicate, assault and evict Torsten. This persecution by the clergy of essentially all churches globally never stops, because satan whom they serve never stops.

The Government of Australia continues to ban innocent Torsten, through Australian Government invented and fraudulent non-reasons. Because church leaders always invent lies against innocent Torsten, and often report their lies to government authorities, it is very likely that the Australian Government identically follows the evil examples of other devilish countries of Commonwealth of Nations, like New Zealand (<http://www.kyrkor.be/New-Zealand-Federal-Governments-satanic-church-lies.htm>), and Canada (<http://www.kyrkor.be/the-morally-confused-Justin-Trudeau-in-Canada.htm>). http://www.kyrkor.be/satanic-Australian-Government-imbecils_2018.pdf

- Satanic-Sweden forcefully promotes the sinful practice of homosexuality among minors, while satanic-Sweden's detestation of Biblical Christian values broadens, and satanic-Sweden's flagrant discrimination against Biblical Christians intensifies. Sweden's blaspheming Police of the satanic/Swedish Governments sustain persecution and intimidation against the Bible-affirming authentic Christian man Torsten Nenzén (http://www.kyrkor.be/Biblical_perspective_on_homosexuality.pdf). Satanic-Sweden's national police has previously declared that public reading from the Judeo-Christian Bible is a hate crime, and satanic-Sweden's police explicitly equates the "hatefulness of the Judeo-Christian Bible" with Adolf Hitler's book 'Mein Kampf' (http://www.kyrkor.be/Swedish_Police_criminalize_public_loud_reading_of_Bible.htm). 291. Two hundred ninetyfirst International Plea

Date: Fri, 2 Jul 2021 11:15

Subject: Unreservedly 100% of Swedish/satanic church leaders ostracise and persecute an innocent Christian man, because the innocent man stated to all church leaders a hope of finding a Christian woman towards Christian marriage.

Christian never-married innocent man, who wants to marry a Christian woman, is excommunicated/banished by all churches in Sweden, is ousted from Swedish society, and is devoid of humane future in Sweden – because of Sweden’s heartless pastors and heretic priests, and due to Sweden’s satanic politicians and Sweden’s aggressively anti-Christian culture.

Current:

I am currently stuck in Stockholm of satanic-Sweden.

- The Swedishness of Sweden’s healthcare system discriminatorily deprives a Christian man, named Torsten, of humane substitution for the inhumane persecution by 100% of Sweden’s churches. Sweden’s healthcare system procrastinated provision of medical journal evidence to its Swedishness medical lies about Torsten; lies intent to coverup their Swedishness discrimination against Non-Swedishness Torsten.: <https://www.nenzen.net/Swedishness-health-care-discrimination-against-Non-Swedishness.htm>

A typical priestly statement “*Nobody is interested in you!*” encapsulates a core attitude by professional leaders of churches everywhere.: <https://www.kyrkor.be/churchianity-core-attitude.htm>

If not by mere principle, then at least because ultra-hypocritical pastors/persecutors by essentially all church denominations everywhere are morally equivalent in their various depravities, as for example to satan’s showbiz-psychopathic leaders of Australia’s global leadership network of churches Hillsong/HillSect (http://www.kyrkor.be/Hillsong-London-UK_eviction_2019-07-28.htm and http://www.kyrkor.be/Hillsong-Stockholm_Andreas-Nielsen_Sweden.htm), each national government of ALL countries should therefore recognise its governmental moral obligation to neither financially support nor subsidise any churches whatsoever. The principle of individual freedom of religion is fundamental as a universal human right, and which must be respected by all national governments worldwide; but, so also is the principle of freedom from public sector religion. For example, a parliamentary motion on disestablishment of the Church of England from United Kingdom, also ought to be recognised as a fundamental moral duty (<http://www.kyrkor.be/satanic-Archbishop-Justin-Welby-of-satanic-Church-of-England.htm> and http://www.kyrkor.be/Anglican-Church-Stockholm_and_Anglican-Diocese-Europe_10-years-later.htm). Any national parliament that does establish association with any churches are thereby complicitly guilty to the churches’ immoralities and persecutions against innocent Christians.: <https://archive.vn/vZm2s>

In United Kingdom, according to the typically lying British Police, physical assaults by British landlords against tenants indoors is acceptable (<https://bit.ly/2BYesFI>), but peaceful distribution of the Gospel message outdoors is not (<https://bit.ly/3fx4B8n>). Also in United Kingdom, the very-British Britons at British county council governments provably lie, and consequently, none of UK’s British councils government apes, nor UK’s British courts or judiciary, nor the British public services, are willing to communicate.: https://www.kyrkor.be/2021-02-28__UK_British-Government_lies_dishonesty_inanity_corruption.pdf

Contemptible “*Torsten-the-demonic-Wolf*” is continually persecuted by virtually all British leaders of all its satanic churches in United Kingdom and also worldwide, but in reality however, Torsten is an authentic Bible-affirming Christian who is absolutely innocent in relation to all of UK’s banning and persecuting churches and global churchianity.

All British satanic churches in United Kingdom have explicitly, implicitly, covertly or passively banished the Christian person Torsten, because satan’s British pastors and priests of United Kingdom’s churches have decided in their imaginations that Torsten is sorts of a monster, and that the terrible monster Torsten is dangerous and unfit for British community. The British satanic pastors of churches in United Kingdom persecute Torsten-the-Monster (*Torsten-the-demonic-Wolf*). 100% of the satanic leaders of churches in Worcester, UK, serve their master satan through their invented lies, evil slander, evictions and collusive persecution against the absolutely innocent Christian person Torsten.

Too close for truth: Satan’s British church/government/state alliance.

UK institutions and UK leaders are too closely allied for public acknowledgement of truth, and outcome towards moral justice. UK political leaders, UK institutional leaders, and UK religious leaders are primarily loyal towards each other; some by sworn oaths of allegiance. Therefore, the satanically corrupt and persecuting **Church of England (church of satan)** is beyond accountability to truth. The UK Prime Minister is allied with the Supreme Governor of the Church of England (the Queen) as adviser of appointing personnel for the British Queen’s Church of England. Church of England’s Archbishop of Canterbury is by oath allied to Supreme Governor of the Church of England (the Queen). The Anglican Bishops are subordinately dependent on, and by oath allied with, the Anglican Archbishop of Canterbury (currently Justin Welby), towards concealing culpability of the worldwide PERSECUTION by Church of England – against the Christian person Torsten; who is absolutely innocent in relation to Church of England and all the other globally persecuting churches. Queen Elizabeth II of United Kingdom is the “Supreme Governor of the Church of England”, and therefore, this Queen of England is utmost accountable for her satanic Church of England’s intentional lies, slander, evictions and persecution against the absolutely innocent person Torsten. The British Royal Family’s own website (<https://www.royal.uk/queens-relationship-churches-england-and-scotland-and-other-faiths>) accordingly declares: “*The Queen’s relationship with the Church of England was symbolised at the Coronation in 1953 when Her Majesty was anointed by the Archbishop of Canterbury and took an oath to ‘maintain and preserve inviolably the*

Updated Anglican/Church of England incidents:

- In 2021, more than 10 years succeeding that a heretical/Anglican Church Reverend in Stockholm, Sweden, harassed Torsten and in effect purged Torsten-the-Monster from its Anglican Church in 2007/2008: (a) through dehumanising orders, (b) through imposition of demeaning social constraints against Torsten, and (c) by threatening Torsten with Police eviction if Torsten were to speak with any attendees before/after the Sunday "services", the typically persecuting Anglican/satanic clergy of Church of England in Stockholm sustains satan's deceptive agenda. In 2007/2008/2009, the **Anglican Diocese of Europe** did not intervene against its discrimination against Christianity, did not cease its harassments against an innocent Christian, and did not prevent its bans and threats by the satanic/Anglican Reverend. In 2019, neither the Anglican Diocese of Europe nor the satanic Church of England nor its Archbishop of Canterbury, would declare the Anglican Diocese of Europe's 2008 declared grave heresies and its sanctioning of the practice of homosexuality, as evil and sinful (as according to the Bible). - Church of England (Church of Satan) continues its refusal to explain or justify the Church of England's national ban against their imagined monster, Torsten-the-Monster, who in reality is absolutely innocent in relation to all churches on earth. Archbishop Justin Welby's **Church of England (Church of Satan)** globally banish, evict, falsely accuse, slander, physically assault and **persecute** the real Christian person Torsten. The satanic Church of England constantly invents lies against innocent Torsten. The satanic vicars/bishops of satan's Church of England oppose truth and God, and thus, the Church of England unceasingly concoct utter lies against Torsten. Semi-recent British churchianity incidents:

1. Satanic 'Woodgreen Evangelical Church' in Worcester, United Kingdom, **explicitly banished and evicted** innocent Torsten, called the Police, and falsely accused the absolutely innocent Christian person Torsten of being **"a very dangerous, deluded and demonic Wolf"**, and that it is a moral duty to protect people from Torsten.: http://www.kyrkor.be/Woodgreen-Evangelical-Church_Worcester_UK_eviction_2017.htm
2. Satanic 'Hope Church' in Worcester, United Kingdom, **explicitly banished and evicted** innocent Torsten and threatened to call the police, because their satanic church leaders collude with other satanic churches. The satanic Hope Church falsely accused that the absolutely innocent Christian person **Torsten is a danger**, and declared that their **eviction of Torsten is necessary for protection of the people**.: http://www.kyrkor.be/Hope-Church-Worcester_UK_eviction_2017.htm
3. Satanic Church of England's 'All Saints Church' in Worcester, United Kingdom, **explicitly banished and evicted** innocent Torsten, called the Police, and falsely accused innocent Torsten of some unknown and unspecified "behaviour". The satanic Church of England's vicars/bishops have concocted utter lies against a non-existent monster, who they call Torsten. The Archbishop of Church of England, Justin Welby, absolutely refuses to specify what sin, immorality, wrongdoing or **"behaviour"** that his Church of England constantly accuse against innocent Torsten, justifying Church of England's evictions and global banishments against innocent Torsten.: http://www.kyrkor.be/All-Saints-Church_Worcester_UK_Anglican-eviction_2017.htm
4. Satanic and pathologically lying Australian **"Hillsong Church"** in **London**, United Kingdom, again **evicted** innocent Torsten from their Sunday so-called service in their rented premises at Dominion Theatre in central London. More than ten years later, Church of England unabatedly persecutes Torsten-the-Monster within United Kingdom and worldwide.

- Church of England (Church of Satan) continues its refusal to explain or justify the Church of England's national ban against their imagined monster, Torsten-the-Monster, who in reality is absolutely innocent in relation to all churches on earth. Archbishop Justin Welby's **Church of England (Church of Satan)** globally banish, evict, falsely accuse, slander, physically assault and **persecute** the real Christian person Torsten. The satanic Church of England constantly invents lies against innocent Torsten. The satanic vicars/bishops of satan's Church of England oppose truth and God, and thus, the Church of England unceasingly concoct utter lies against Torsten. Identically with satan, the Archbishop of Church of England absolutely refuses to justify his Church of England's persecution against innocent Torsten, and Church of England refuses to repent from its continuous satanic evils against innocent Torsten.: <http://www.kyrkor.be/satanic-Archbishop-Justin-Welby-of-satans-Church-of-England.htm>

Semi-recent British churchianity incidents:

1. Satanic 'Woodgreen Evangelical Church' in Worcester, United Kingdom, explicitly banished and evicted innocent Torsten, called the Police, and falsely accused the absolutely innocent Christian person Torsten of being **"a very dangerous, deluded and demonic Wolf"**, and that it is a moral duty to protect people from Torsten.: http://www.kyrkor.be/Woodgreen-Evangelical-Church_Worcester_UK_eviction_2017.htm
2. Satanic 'Hope Church' in Worcester, United Kingdom, explicitly banished and evicted innocent Torsten and threatened to call the police, because their satanic church leaders collude with other satanic churches. The satanic Hope Church falsely accused that the absolutely innocent Christian person **Torsten is a danger**, and declared that their **eviction of Torsten is necessary for protection of the people**.: http://www.kyrkor.be/Hope-Church-Worcester_UK_eviction_2017.htm
3. Satanic Church of England's 'All Saints Church' in Worcester, United Kingdom, explicitly banished and evicted innocent Torsten, called the Police, and falsely accused innocent Torsten of some unknown and unspecified "behaviour". The satanic Church of England's vicars/bishops have concocted utter lies against a non-existent monster, who they call Torsten. The Archbishop of Church of England, Justin Welby, absolutely refuses to specify what sin, immorality, wrongdoing or **"behaviour"** that his Church of England constantly accuse against innocent Torsten, justifying Church of England's evictions and global banishments against innocent Torsten.: http://www.kyrkor.be/All-Saints-Church_Worcester_UK_Anglican-eviction_2017.htm
4. Satanic and pathologically lying Australian **"Hillsong Church"** in London, United Kingdom, again evicted innocent Torsten from their Sunday so-called service in their rented premises at Dominion Theatre in central London. The cult, Hillsong London, of course, absolutely refused to provide a reason for their repeated evictions. The typically satanic Hillsong London has confirmed that their Hillsong's supreme devilpastor (**Brian Houston**) enforces a worldwide banishment against Torsten, and has confirmed that Hillsong's devilpastor Brian Houston preserves a global anti-Torsten policy. Hillsong London has evicted Torsten on all six Sundays (2019-07-28, 2018-06-24, 2017-09-10, 2017-04-09, 2016-10-30, 2016-07-25) when Torsten has visited their satanic cult to obtain information about their global ban.: http://www.kyrkor.be/Hillsong-London-UK_eviction_2019-07-28.htm
5. The satanic **Baptist pastors** of United Kingdom, the evil Baptist leaders of the British Baptist Associations, and the diabolical Baptist leaders of the **Baptist Union of Great Britain**, continually slander, defame, persecute and cyberbully the Christian person Torsten: http://www.kyrkor.be/Heart-of-England-Baptist-Association_and_Baptist-Union-UK.htm
6. The satanic **Evangelical pastors** of United Kingdom continually lie, slander and persecute the Christian person Torsten. The Evangelical Alliance of United Kingdom (<http://ea.uk.org>) passively endorsed the explicit banishment by one of their evangelical member churches (<http://www.kyrkor.be/Kings-Church-Birmingham-UK.htm>) in Birmingham, UK. The Evangelical Alliance of United Kingdom previously opposed Torsten's critique against the British churches' outsourcing of Christian relationships to their British pro-homosexuality and Christophobic websites: <http://www.kyrkor.be/Evangelical-Alliance-United-Kingdom.htm>. The Evangelical Alliance of Ireland (<http://www.evangelical.ie>) was previously pointed out by their Vineyard Church in Dublin (<http://www.kyrkor.be/Dublin-Vineyard-Church-Ireland.htm>) as the source of active

slander and lies against Torsten "In the light of [...] correspondence from Evangelical Alliance Ireland [...] I am withdrawing the welcome."': <http://www.kyrkor.be/christianconnection.co.uk-discrimination-against-Christianity.pdf>

Everywhere on earth, satanic pastors of churches have obstructed me from possibility of a Christian marriage. Because of obstruction by the satanic pastors of churches everywhere, I have never had any opportunity in life to marry a Christian woman. Utterly evil leaders of churches everywhere, have denied me the fundamental human condition to marry a woman. Satan truly is in charge of essentially all the churches worldwide, through professional pastors and priests.

Leaders of churches, everywhere on earth, are satanically determined to deliberately destroy the life of the innocent Christian person Torsten. Everywhere on earth, leaders of churches intentionally isolate innocent Torsten through the church-leaders' utter lies, false accusations, slander, evictions, banishments and collusive persecutions against innocent Torsten. Through facts and by the evidences, it is sensible and proper to conclude that satan is in control of the minds and hearts of leaders of churches, worldwide.

Torsten has never had any opportunity in life to marry a Christian woman, because the leaders of churches on earth have actively and passively sought to prevent that Torsten could have an opportunity to marry a Christian woman. The leaders of churches on earth have sought to prohibit opportunity for Torsten to communicate with any Christian woman. Due to all of satan's hindering leaders of churches everywhere on earth, no opportunity has ever existed, and incessantly, there never can exist any opportunity in future - because no church on earth allows Torsten to communicate with any Christian woman. The leaders of churches have destroyed Torsten's life, and the leaders of churches continue to seek to destroy Torsten's life. No leader of any church anywhere on earth will allow Torsten to communicate with Christian women. No leader of any church on earth is willing to repent from their inhumanity, sinfulness and evil against Torsten.

Torsten has no wife, because the pastors of churches prohibit that Torsten may marry a woman. Torsten is not permitted by the pastors of churches to socialise in churches. Satan knows that no communication between Torsten and women equates to no Godly marriage, and that is precisely why the pastors of churches are obsessed to prevent Torsten from communicating with any woman, and that is why the pastors of churches are obsessed to isolate Torsten from fellowship. Pastors of churches are obsessed to prevent innocent Torsten from marrying a Christian woman.

In general, pastors of churches everywhere truly are menaces to civilised societies, through their lies, evils, falsities and ultra-hypocritical inhumanity.

Lies, lies, lies and lies. Lying and falsely accusing is not merely a peripheral conduct by virtually all leaders of churches worldwide, but lying and maliciously slandering is actually the core nature of essentially all leaders of churches globally. Lying, falsely accusing, slandering, banishing and collusively persecuting the absolutely innocent person Torsten is very important for essentially all pastors and priests of churches, worldwide.

No Christian on earth knows Torsten. No pastor/priest on earth knows Torsten. Without any reality-based reason, virtually all church-leaders worldwide lie, slander, gossip, excommunicate, assault and evict Torsten. This persecution by the clergy of essentially all churches globally never stops, because satan whom they serve never stops.

The Government of Australia continues to ban innocent Torsten, through Australian Government invented and fraudulent non-reasons. Because church leaders always invent lies against innocent Torsten, and often report their lies to government authorities, it is very likely that the Australian Government identically follows the evil examples of other devilish countries of Commonwealth of Nations, like New Zealand (<http://www.kyrkor.be/New-Zealand-Federal-Governments-satanic-church-lies.htm>), and Canada (<http://www.kyrkor.be/the-morally-confused-Justin-Trudeau-in-Canada.htm>). http://www.kyrkor.be/satanic-Australian-Government-imbecils_2018.pdf

The satanic Swedish Governments and their blaspheming Swedish Police sustain persecution and intimidation against any Bible affirming authentic Christians. Sweden's Police declare that loud reading from the Bible in public is a hate crime, and Sweden's Police seek to prosecute against public loud reading from the Bible. http://www.kyrkor.be/Swedish_Police_criminalize_public_loud_reading_of_Bible.htm

289. Two hundred eightyninth International Plea

Date: Tue, 1 Jun 2021 18:35

Subject: Entirely 100% of Swedish/satanic church leaders ostracise and persecute an innocent Christian man, because the innocent man stated to all church leaders a hope of finding a Christian woman towards Christian marriage.

Christian never-married innocent man, who wants to marry a Christian woman, is excommunicated/banished by all churches in Sweden, is ousted from Swedish society, and is devoid of humane future in Sweden – because of Sweden’s heartless pastors and heretic priests, and due to Sweden’s satanic politicians and Sweden’s aggressively anti-Christian culture.

Current:

I am currently stuck in Stockholm of satanic-Sweden.

- The Swedishness of Sweden’s healthcare system discriminatorily deprives a Christian man, named Torsten, of humane substitution for the inhumane persecution by 100% of Sweden’s churches. Sweden’s healthcare system procrastinated provision of medical journal evidence to its Swedishness medical lies about Torsten; lies intent to coverup their Swedishness discrimination against Non-Swedishness Torsten.: <https://www.nenzen.net/Swedishness-health-care-discrimination-against-Non-Swedishness.htm>
- Delusive and insensate church leadership of a Catholic charismatic renewal church in Salzburg of Austria “Home Church Salzburg” slyly and covertly banished an authentic Christian from any aspect of real and personal community.: <https://www.kyrkor.be/Home-Church-Salzburg-Austria.htm>

A typical priestly statement “*Nobody is interested in you!*” encapsulates a core attitude by professional leaders of churches everywhere.: <https://www.kyrkor.be/churchianity-core-attitude.htm>

If not by mere principle, then at least because ultra-hypocritical pastors/persecutors by essentially all church denominations everywhere are morally equivalent in their various depravities, as for example to satan’s showbiz-psychopathic leaders of Australia’s global leadership network of churches Hillsong/HillSect (http://www.kyrkor.be/Hillsong-London-UK_eviction_2019-07-28.htm and http://www.kyrkor.be/Hillsong-Stockholm_Andreas-Nielsen_Sweden.htm), each national government of ALL countries should therefore recognise its governmental moral obligation to neither financially support nor subsidise any churches whatsoever. The principle of individual freedom of religion is fundamental as a universal human right, and which must be respected by all national governments worldwide; but, so also is the principle of freedom from public sector religion. For example, a parliamentary motion on disestablishment of the Church of England from United Kingdom, also ought to be recognised as a fundamental moral duty (<http://www.kyrkor.be/satanic-Archbishop-Justin-Welby-of-satanic-Church-of-England.htm> and http://www.kyrkor.be/Anglican-Church-Stockholm_and_Anglican-Diocese-Europe_10-years-later.htm). Any national parliament that does establish association with any churches are thereby complicitly guilty to the churches’ immoralities and persecutions against innocent Christians.: <https://archive.vn/vZm2s>

In United Kingdom, according to the typically lying British Police, physical assaults by British landlords against tenants indoors is acceptable (<https://bit.ly/2BYesFI>), but peaceful distribution of the Gospel message outdoors is not (<https://bit.ly/3fx4B8n>). Also in United Kingdom, the very-British Britons at British county council governments provably lie, and consequently, none of UK’s British councils government apes, nor UK’s British courts or judiciary, nor the British public services, are willing to communicate.: https://www.kyrkor.be/2021-02-28_UK_British-Government_lies_dishonesty_inanity_corruption.pdf

Contemptible “*Torsten-the-demonic-Wolf*” is continually persecuted by virtually all British leaders of all its satanic churches in United Kingdom and also worldwide, but in reality however, Torsten is an authentic Bible-affirming Christian who is absolutely innocent in relation to all of UK’s banning and persecuting churches and global churchianity.

All British satanic churches in United Kingdom have explicitly, implicitly, covertly or passively banished the Christian person Torsten, because satan’s British pastors and priests of United Kingdom’s churches have decided in their imaginations that Torsten is sorts of a monster, and that the terrible monster Torsten is dangerous and unfit for British community. The British satanic pastors of churches in United Kingdom persecute Torsten-the-Monster (Torsten-the-demonic-Wolf). 100% of the satanic leaders of churches in Worcester, UK, serve their master satan through their invented lies, evil slander, evictions and collusive persecution against the absolutely innocent Christian person Torsten.

Too close for truth: Satan’s British church/government/state alliance.

UK institutions and UK leaders are too closely allied for public acknowledgement of truth, and outcome towards moral justice. UK political leaders, UK institutional leaders, and UK religious leaders are primarily loyal towards each other; some by sworn oaths of allegiance. Therefore, the satanically corrupt and persecuting **Church of England (church of satan)** is beyond accountability to truth. The UK Prime Minister is allied with the Supreme Governor of the Church of England (the Queen) as adviser of appointing personnel for the British Queen’s Church of England. Church of England’s Archbishop of Canterbury is by oath allied to Supreme Governor of the Church of England (the Queen). The Anglican Bishops are subordinately dependent on, and by oath allied with, the Anglican Archbishop of Canterbury (currently Justin Welby), towards concealing culpability of the worldwide PERSECUTION by Church of England – against the Christian person Torsten; who is absolutely innocent in relation to Church of England and all the other globally persecuting churches. Queen Elizabeth II of United Kingdom is the “Supreme Governor of the Church of England”, and therefore, this Queen of England is utmost accountable for her satanic Church of England’s intentional lies, slander, evictions and persecution against the absolutely innocent person Torsten. The British Royal Family’s own website (<https://www.royal.uk/queens-relationship-churches-england-and-scotland->

and-other-faiths) accordingly declares: "The Queen's relationship with the Church of England was symbolised at the Coronation in 1953 when Her Majesty was anointed by the Archbishop of Canterbury and took an oath to 'maintain and preserve inviolably the settlement of the Church of England, and the doctrine worship, discipline, and government thereof, as by law established in England'. On the advice of the Prime Minister The Queen appoints Archbishops, Bishops and Deans of the Church of England, who then swear an oath of allegiance and pay homage to Her Majesty. Church of England deacons and parish priests also swear an oath of allegiance to the Sovereign."
<https://twitter.com/TorsNen/status/94555797773139968>

Satan's Church of England of evil Kingdom of Britain under its Queen, unceasingly persecute Torsten in UK and globally. The British government's "stupidity agencies" are fit to maintain fallacious judgement and selected ignorance.

Updated Anglican/Church of England incidents:

- In 2021, more than 10 years succeeding that a heretical/Anglican Church Reverend in Stockholm, Sweden, harassed Torsten and in effect purged Torsten-the-Monster from its Anglican Church in 2007/2008: (a) through dehumanising orders, (b) through imposition of demeaning social constraints against Torsten, and (c) by threatening Torsten with Police eviction if Torsten were to speak with any attendees before/after the Sunday "services", the typically persecuting Anglican/satanic clergy of Church of England in Stockholm sustains satan's deceptive agenda. In 2007/2008/2009, the **Anglican Diocese of Europe** did not intervene against its discrimination against Christianity, did not cease its harassments against an innocent Christian, and did not prevent its bans and threats by the satanic/Anglican Reverend. In 2019, neither the Anglican Diocese of Europe nor the satanic Church of England nor its Archbishop of Canterbury, would declare the Anglican Diocese of Europe's 2008 declared grave heresies and its sanctioning of the practice of homosexuality, as evil and sinful (as according to the Bible). More than ten years later, Church of England unabatedly persecutes Torsten-the-Monster within United Kingdom and worldwide.

New Swedishness:

Sweden is a madhouse.

- Satanic-Sweden's satanic Church of Sweden (in practice Church of Satan) (<https://www.satanickyrkor.se/en/gb>), which has banned the innocent Bible-affirming Christian heterosexual man Torsten Nenzén from all its Church of Sweden churches nationwide, and whose satanic-LGBT priests praise a homosexual Swedish god, and which has rewritten the Bible with focus on politically corrected gender and diversity, and which portrays Jesus Christ as a politically corrected gender-neutral person, and which has composed inclusive gender-neutral hymns in their satanic/Swedish psalm book, and which defends its collaboration and funding of Islamists linked with the Islamist terrorist group Muslim Brotherhood and the Islamist terrorist organisation Hamas, and which collects money towards dissemination of Islamic jihad through children's literature and for its Church of Sweden's hatred of Israel, and which is inspired by satanic Islam's prophet Mohammed as a God's prophet, and which is hatefully hostile against Torsten Nenzén and has excluded Torsten because Torsten is a Bible-affirming real Christian (http://www.norvan.net/Biblical_perspectives_on_homosexuality.pdf), now satan's

Church of Sweden also asserts its satanic identity as a transsexual church.:

<https://sputniknews.com/europe/202105181082926067-church-of-sweden-claims-to-be-trans-slams-exclusionary-feminism/>
<https://www.breitbart.com/europe/2021/05/19/church-of-sweden-says-it-could-be-described-as-trans-in-letter-to-transgender-people/>

- Although according to the exact vocabulary of the Bible, that the practice of homosexuality is detestable, abomination, repulsive, immoral, shameful, unnatural, indecent, vile, against nature and is a sin against God, Sweden's celebrity-homosexuals of the Swedishness churchianity publicly assert that homosexuality is a gift from God and that salvation is unconditional: *"My homosexuality is a gift from God. [...] There are no conditions."*, Sweden's blaspheming Police of the satanic/Swedish Governments sustain persecution and intimidation against the Bible-affirming authentic Christian man Torsten Nenzén (http://www.nenzen.net/2004/04/perspectives_on_homosexuality.pdf). Satanic-Sweden's national police has previously declared that public reading from the Judeo-Christian Bible is a hate crime, and satanic-Sweden's police explicitly equates the *"hatefulness of the Judeo-Christian Bible"* with Adolf Hitler's book 'Mein Kampf' (http://www.kyrkor.be/Swedish_Police_criminalise_public_read_reading_of_Bible.htm): <https://www.breitbart.com/europe/2021/05/20/swedish-author-claims-his-homosexuality-is-gift-from-god/>
- The hostile sciencephobia and Christophobia of satanic-Sweden is symbolically embodied in a 6-meter high and 10-meter wide pink unicorn sculpture, which is praised by the satanic Swedes of satanic-Sweden, and is publicly financed by the satanic-Swedish government, with intent to promote arrogance in sinfulness.: <https://www.breitbart.com/europe/2021/05/19/multicultural-malmo-spends-76k-108k-on-20-foot-high-pink-unicorn-for-pride/>
- Satanic-Sweden's enduring satanic-Swedish Ministry of Foreign Affairs endlessly spews its venomous anti-Zionism and antisemitism; recently again by former Swedish PM/FM Carl Bildt, who equated the honourable Israeli Police with horrific Nazis. In disparity to the vile satanic-Swedish false narratives, true accounts confirm that the praiseworthy Israeli Police quenched hostile attacks by violent Muslim rioters.: <https://sputniknews.com/europe/202105201082944690-ex-swedish-pm-regrets-comparing-israeli-police-op-at-al-aqsa-mosque-to-sending-nazis-into-vatican/>
- Potentially, one of the gravest threats against democracy within satanic-Sweden is the Swedish Civil Contingencies Agency (MSB) (<https://www.msb.se/en>). Previously, the anti-Godly, fact-phobic, influence-corruptive, manipulative Swedish national government with its MSB, has strategically strived towards streamlining the "Swedish" public opinion, through financial contributions (bribes) to government-collaborative propaganda mainstream media. Sweden's sly governments continue to menacingly repress freedom of opinion and freedom of speech, and obstruct proponents of truth. (<https://goo.gl/Tpn5Ls>) (<https://goo.gl/5TRWkj>) (<https://goo.gl/ufk2vX>). Since then, MSB has been bolstered financially and organizationally (<https://bit.ly/3pcxmx0>). The characteristically satanic/Swedish former Director-General for MSB (http://www.msb.se/2020-11-14_14_Jessica-SPE-ambassador-to-Swedish-State-helmsmen.pdf), who publicly advised satanic-Sweden against unnecessary travel during Christmas 2020 of coronavirus pandemic, claimed to justify as "necessary" the MSB Director-General's flight abroad during Christmas 2020 to attend a gay-fest together with satanic-Swedish LGBT-activists of the Swedish State propaganda broadcaster SVT (<https://www.svt.se>) at gay clubs (Swedish Christmas was functionally a 'Swedish government gay-fest') (<https://bit.ly/3c6Fn0Q>). Although the theory of a link between the origin of the coronavirus outbreak in 2019 and the Wuhan Institute of Virology has not yet exhaustively been explored with scientific sufficiency, the Swedish Civil Contingencies Agency (MSB) in its combating of "disinformation", in April 2021 categorically rejected this scientific theory as a "conspiracy theory" in spite of insufficient scientific investigations.: <https://bit.ly/2S1yya3>

288. Two hundred eighty-eighth International Plea

Date: Sat, 15 May 2021 23:39

Subject: Utterly 100% of Swedish/satanic church leaders ostracise and persecute an innocent Christian man, because the innocent man stated to all church leaders a hope of finding a Christian woman towards Christian marriage.

Christian never-married innocent man, who wants to marry a Christian woman, is excommunicated/banished by all churches in Sweden, is ousted from Swedish society, and is devoid of humane future in Sweden – because of Sweden's heartless pastors and heretic priests, and due to Sweden's satanic politicians and Sweden's aggressively anti-Christian culture.

Current:

I am currently stuck in Stockholm of satanic-Sweden.

- Delusive and insensate church leadership of a Catholic charismatic renewal church in Salzburg of Austria "Home Church Salzburg" slyly and covertly banished an authentic Christian from any aspect of real and personal community.: <https://www.kyrkor.be/Home-Church-Salzburg-Austria.htm>
- The Swedishness of Sweden's health care system discriminatorily deprives a Christian man, named Torsten, of humane substitution for the inhumane persecution by 100% of Sweden's churches.: <https://www.nenzen.net/Swedishness-health-care-discrimination-against-Non-Swedishness.htm>

A typical priestly statement *"Nobody is interested in you!"* encapsulates a core attitude by professional leaders of churches everywhere.: <https://www.kyrkor.be/churchianity-core-attitude.htm>

If not by mere principle, then at least because ultra-hypocritical pastors/persecutors by essentially all church denominations everywhere are morally equivalent in their various depravities, as for example to satan's showbiz-psychopathic leaders of Australia's global leadership network of churches Hillsong/HillSect (http://www.kyrkor.be/Hillsong-London-UK_eviction_2019-07-28.htm and http://www.kyrkor.be/Hillsong-Stockholm_Andreas-Nielsen_Sweden.htm), each national government of ALL countries should therefore recognise its governmental moral obligation to neither financially support nor subsidise any churches whatsoever. The principle of individual freedom of religion is fundamental as a universal human right, and which must be respected by all national governments worldwide; but, so also is the principle of freedom from public sector religion. For example, a parliamentary motion on disestablishment of the Church of England from United Kingdom, also ought to be recognised as a fundamental moral duty (<http://www.kyrkor.be/satanic-Archbishop-Justin-Welby-of-satanic-Church-of-England.htm> and http://www.kyrkor.be/Anglican-Church-Stockholm_and_Anglican-Diocese-Europe_10-years-later.htm). Any national parliament that does establish association with any churches are thereby complicitly guilty to the churches' immoralities and persecutions against innocent Christians.: <https://archive.vn/vZm2s>

In United Kingdom, according to the typically lying British Police, **physical assaults** by British landlords against tenants indoors is acceptable (<https://bit.ly/2BYesFI>), but peaceful distribution of the Gospel message outdoors is not (<https://bit.ly/3fx4B8n>). Also in United Kingdom, the **very-British Britons at British county council governments provably lie**, and consequently, none of UK's British councils government apes, nor UK's British courts or judiciary, nor the British public services, are willing to communicate.: https://www.kyrkor.be/2021-02-28__UK_British-Government_lies_dishonesty_inanity_corruption.pdf

Contemptible "*Torsten-the-demonic-Wolf*" is continually persecuted by virtually all British leaders of all its satanic churches in United Kingdom and also worldwide, but in reality however, Torsten is an authentic Bible-affirming Christian who is absolutely innocent in relation to all of UK's banning and persecuting churches and global churchianity.

All British satanic churches in United Kingdom have explicitly, implicitly, covertly or passively banished the Christian person Torsten, because satan's British pastors and priests of United Kingdom's churches have decided in their imaginations that Torsten is sorts of a monster, and that the terrible monster **Torsten is dangerous and unfit for British community**. The British satanic pastors of churches in United Kingdom persecute Torsten-the-Monster (*Torsten-the-demonic-Wolf*). **100%** of the satanic leaders of churches in Worcester, UK, serve their master satan through their invented lies, evil slander, evictions and collusive persecution against the absolutely innocent Christian person Torsten.

Too close for truth: Satan's British church/government/state alliance.

UK institutions and UK leaders are too closely allied for public acknowledgement of truth, and outcome towards moral justice. UK political leaders, UK institutional leaders, and UK religious leaders are primarily loyal towards each other; some by sworn oaths of allegiance. Therefore, the satanically corrupt and persecuting **Church of England (church of satan)** is beyond accountability to truth. The UK Prime Minister is allied with the Supreme Governor of the Church of England (the Queen) as adviser of appointing personnel for the British Queen's Church of England. Church of England's Archbishop of Canterbury is by oath allied to Supreme Governor of the Church of England (the Queen). The Anglican Bishops are subordinatedly dependent on, and by oath allied with, the Anglican Archbishop of Canterbury (currently Justin Welby), towards concealing culpability of the worldwide PERSECUTION by Church of England – against the Christian person Torsten; who is absolutely innocent in relation to Church of England and all the other globally persecuting churches. Queen Elizabeth II of United Kingdom is the "Supreme Governor of the Church of England", and therefore, this **Queen of England is utmost accountable for her satanic Church of England's intentional lies, slander, evictions and persecution against the absolutely innocent person Torsten**. The British Royal Family's own website (<https://www.royal.uk/queens-relationship-churches-england-and-scotland-and-other-faiths>) accordingly declares: "*The Queen's relationship with the Church of England was symbolised at the Coronation in 1953 when Her Majesty was anointed by the Archbishop of Canterbury and took an oath to 'maintain and preserve inviolably the settlement of the Church of England, and the doctrine worship, discipline, and government thereof, as by law established in England'.* On the advice of the Prime Minister The Queen appoints Archbishops, Bishops and Deans of the Church of England, who then swear an **oath of allegiance and pay homage to Her Majesty**. Church of England deacons and parish priests also **swear an oath of allegiance to the Sovereign**." <https://twitter.com/Torsten/status/9455579773139968>

Satan's Church of England of evil Kingdom of Britain under its Queen, unceasingly persecute Torsten in UK and globally. The British government's "stupidity agencies" are fit to maintain fallacious judgement and selected ignorance.

Updated Anglican/Church of England incidents:

- In 2021, more than 10 years succeeding that a heretical/Anglican Church Reverend in Stockholm, Sweden, harassed Torsten and in effect purged Torsten-the-Monster from its Anglican Church in 2007/2008: (a) through dehumanising orders, (b) through imposition of demeaning social constraints against Torsten, and (c) by threatening Torsten with Police eviction if Torsten were to speak with any attendees before/after the Sunday "services", the typically persecuting Anglican/satanic clergy of Church of England in Stockholm sustains satan's deceptive agenda. In 2007/2008/2009, the **Anglican Diocese of Europe** did not intervene against its discrimination against Christianity, did not cease its harassments against an innocent Christian, and did not prevent its bans and threats by the satanic/Anglican Reverend. In 2019, neither the Anglican Diocese of Europe nor the satanic Church of England nor its Archbishop of Canterbury, would declare the Anglican Diocese of Europe's 2008 declared grave heresies and its sanctioning of the practice of homosexuality, as evil and sinful (as according to the Bible). More than ten years later, Church of England unabatedly persecutes Torsten-the-Monster within United Kingdom and worldwide. Previously from 2009: <http://www.kyrkor.be/Anglican-Church-Stockholm-Sweden.htm> Currently from 2021: http://www.kyrkor.be/Anglican-Church-Stockholm_and_Anglican-Diocese-Europe_10-years-later.htm
- Church of England (Church of Satan) continues its refusal to explain or justify the Church of England's national ban against their imagined monster, Torsten-the-Monster, who in reality is absolutely innocent in relation to all churches on earth. Archbishop Justin Welby's **Church of England (Church of Satan)** globally banish, evict, falsely accuse, slander, physically assault and **persecute** the real Christian person Torsten. The satanic Church of England constantly invents lies against innocent Torsten. The satanic vicars/bishops of satan's Church of England oppose truth and God, and thus, the Church of England unceasingly concoct utter lies against Torsten. Identically with satan, the Archbishop of Church of England absolutely refuses to justify his Church of England's persecution against innocent Torsten, and Church of England refuses to repent from its continuous satanic evils against innocent Torsten.: <http://www.kyrkor.be/satanic-Archbishop-Justin-Welby-of-satans-Church-of-England.htm>

Semi-recent British churchianity incidents:

1. Satanic 'Woodgreen Evangelical Church' in Worcester, United Kingdom, explicitly banished and evicted innocent Torsten, called the Police, and falsely accused the absolutely innocent Christian person Torsten of being **"a very dangerous, deluded and demonic Wolf"**, and that it is a moral duty to protect people from Torsten.: http://www.kyrkor.be/Woodgreen-Evangelical-Church-Worcester_UK_eviction_2017.htm
2. Satanic 'Hope Church' in Worcester, United Kingdom, explicitly banished and evicted innocent Torsten and threatened to call the police, because their satanic church leaders collude with other satanic churches. The satanic Hope Church falsely accused that the absolutely innocent Christian person **Torsten is a danger**, and declared that their **eviction of Torsten is necessary for protection of the people**.: http://www.kyrkor.be/Hope-Church-Worcester_UK_eviction_2017.htm
3. Satanic Church of England's 'All Saints Church' in Worcester, United Kingdom, explicitly banished and evicted innocent Torsten, called the Police, and falsely accused innocent Torsten of some unknown and unspecified **"behaviour"**. The satanic Church of England's vicars/bishops have concocted utter lies against a non-existent monster, who they call Torsten. The Archbishop of Church of England, Justin Welby, absolutely refuses to specify what sin, immorality, wrongdoing or **"behaviour"** that his Church of England constantly accuse against innocent Torsten, justifying Church of England's evictions and global banishments against innocent Torsten.: http://www.kyrkor.be/All-Saints-Church-Worcester_UK_Anglican-eviction_2017.htm
4. Satanic and pathologically lying Australian **"Hillsong Church"** in London, United Kingdom, again evicted innocent Torsten from their Sunday so-called service in their rented premises at Dominion Theatre in central London. The cult, Hillsong London, of course, absolutely refused to provide a reason for their repeated evictions. The typically satanic Hillsong London has confirmed that their Hillsong's supreme devilpastor (**Brian Houston**) enforces a worldwide banishment against Torsten, and has confirmed that Hillsong's devilpastor Brian Houston preserves a global anti-Torsten policy. Hillsect London has evicted Torsten on all six Sundays (2019-07-28, 2018-06-24, 2017-09-10, 2017-04-09, 2016-10-30, 2016-07-25) when Torsten has visited their satanic cult to obtain information about their global ban.: http://www.kyrkor.be/Hillsong-London-UK_eviction_2019-07-28.htm
5. The satanic Baptist pastors of United Kingdom, the evil Baptist leaders of the British Baptist Associations, and the diabolical Baptist leaders of the Baptist Union of Great Britain, continually slander, defame, persecute and cyberbully the Christian person Torsten: http://www.kyrkor.be/Heart-of-England-Baptist-Association_and_Baptist-Union-UK.htm
6. The satanic Evangelical pastors of United Kingdom continually lie, slander and persecute the Christian person Torsten. The Evangelical Alliance of United Kingdom (<http://ea.uk.org>) passively endorsed the explicit banishment by one of their evangelical member churches (<http://www.kyrkor.be/Kings-Church-Birmingham-UK.htm>) in Birmingham, UK. The Evangelical Alliance of United Kingdom previously opposed Torsten's critique against the British churches' outsourcing of Christian relationships to their British pro-homosexuality and Christophobic websites: <http://www.kyrkor.be/Evangelical-Alliance-United-Kingdom.htm>. The Evangelical Alliance of Ireland (<http://www.evangelical.ie>) was previously pointed out by their Vineyard Church in Dublin (<http://www.kyrkor.be/Dublin-Vineyard-Church-Ireland.htm>) as the source of active slander and lies against Torsten *"In the light of [...] correspondence from Evangelical Alliance Ireland [...] I am withdrawing the welcome."*: <http://www.kyrkor.be/christianconnection.co.uk-discrimination-against-Christianity.pdf>

Everywhere on earth, satanic pastors of churches have obstructed me from possibility of a Christian marriage. Because of obstruction by the satanic pastors of churches everywhere, I have never had any opportunity in life to marry a Christian woman. Utterly evil leaders of churches everywhere, have denied me the fundamental human condition to marry a woman. Satan truly is in charge of essentially all the churches worldwide, through professional pastors and priests.

Leaders of churches, everywhere on earth, are satanically determined to deliberately destroy the life of the innocent Christian person Torsten. Everywhere on earth, leaders of churches intentionally isolate innocent Torsten through the church-leaders' utter lies, false accusations, slander, evictions, banishments and collusive persecutions against innocent Torsten. Through facts and by the evidences, it is sensible and proper to conclude that satan is in control of the minds and hearts of leaders of churches, worldwide.

Torsten has never had any opportunity in life to marry a Christian woman, because the leaders of churches on earth have actively and passively sought to prevent that Torsten could have an opportunity to marry a Christian woman. The leaders of churches on earth have sought to prohibit opportunity for Torsten to communicate with any Christian woman. Due to all of satan's hindering leaders of churches everywhere on earth, no opportunity has ever existed, and incessantly, there never can exist any opportunity in future - because no church on earth allows Torsten to communicate with any Christian woman. The leaders of churches have destroyed Torsten's life, and the leaders of churches continue to seek to destroy Torsten's life. No leader of any church anywhere on earth will allow Torsten to communicate with Christian women. No leader of any church on earth is willing to repent from their inhumanity, sinfulness and evil against Torsten.

Torsten has no wife, because the pastors of churches prohibit that Torsten may marry a woman. Torsten is not permitted by the pastors of churches to socialise in churches. Satan knows that no communication between Torsten and women equates to no Godly marriage, and that is precisely why the pastors of churches are obsessed to prevent Torsten from communicating with any woman, and that is why the pastors of churches are obsessed to isolate Torsten from fellowship. Pastors of churches are obsessed to prevent innocent Torsten from marrying a Christian woman.

In general, pastors of churches everywhere truly are menaces to civilised societies, through their lies, evils, falsities and ultra-hypocritical inhumanity.

Lies, lies, lies and lies. Lying and falsely accusing is not merely a peripheral conduct by virtually all leaders of churches worldwide, but lying and maliciously slandering is actually the core nature of essentially all leaders of churches globally. Lying, falsely accusing, slandering, banishing and collusively persecuting the absolutely innocent person Torsten is very important for essentially all pastors and priests of churches, worldwide.

No Christian on earth knows Torsten. No pastor/priest on earth knows Torsten. Without any reality-based reason, virtually all church-leaders worldwide lie, slander, gossip, excommunicate, assault and evict Torsten. This persecution by the clergy of essentially all churches globally never stops, because satan whom they serve never stops.

The Government of Australia continues to ban innocent Torsten, through Australian Government invented and fraudulent non-reasons. Because church leaders always invent lies against innocent Torsten, and often report their lies to government authorities, it is very likely that the Australian Government identically follows the evil examples of other devilish countries of Commonwealth of Nations, like New Zealand (<http://www.kyrkor.be/New-Zealand-Federal-Governments-satanic-church-lies.htm>), and Canada (<http://www.kyrkor.be/the-morally-confused-Justin-Trudeau-in-Canada.htm>). http://www.kyrkor.be/satanic-Australian-Government-imbecils_2018.pdf

The satanic Swedish Governments and their blaspheming Swedish Police sustain persecution and intimidation against any Bible affirming authentic Christians. Sweden's Police declare that loud reading from the Bible in public is a hate crime, and Sweden's Police seek to prosecute against public loud reading from the Bible. http://www.kyrkor.be/Swedish_Police_criminalize_public_loud_reading_of_Bible.htm

New Swedishness:

Sweden is a madhouse.

- Each fired rocket with trajectory into Israel is a double war crime by terrorists; (1) by launching the rocket from densely populated civilian areas using human life and security of civilian Arabs as cover, and (2) by aiming the rocket against civilian populations in Israel with intent to kill. Hillsong London has evicted Torsten on all six Sundays (2019-07-28, 2018-06-24, 2017-09-10, 2017-04-09, 2016-10-30, 2016-07-25) when Torsten has visited their satanic cult to obtain information about their global ban.: http://www.kyrkor.be/Hillsong-London-UK_eviction_2019-07-28.htm
5. The satanic Baptist pastors of United Kingdom, the evil Baptist leaders of the British Baptist Associations, and the diabolical Baptist leaders of the Baptist Union of Great Britain, continually slander, defame, persecute and cyberbully the Christian person Torsten: http://www.kyrkor.be/Heart-of-England-Baptist-Association_and_Baptist-Union-UK.htm
6. The satanic Evangelical pastors of United Kingdom continually lie, slander and persecute the Christian person Torsten. The Evangelical Alliance of United Kingdom (<http://ea.uk.org>) passively endorsed the explicit banishment by one of their evangelical member churches (<http://www.kyrkor.be/Kings-Church-Birmingham-UK.htm>) in Birmingham, UK. The Evangelical Alliance of United Kingdom previously opposed Torsten's critique against the British churches' outsourcing of Christian relationships to their British pro-homosexuality and Christophobic websites: <http://www.kyrkor.be/Evangelical-Alliance-United-Kingdom.htm>. The Evangelical Alliance of Ireland (<http://www.evangelical.ie>) was previously pointed out by their Vineyard Church in Dublin (<http://www.kyrkor.be/Dublin-Vineyard-Church-Ireland.htm>) as the source of active slander and lies against Torsten "In the light of [...] correspondence from Evangelical Alliance Ireland [...] I am withdrawing the welcome.": <http://www.kyrkor.be/christianconnection.co.uk-discrimination-against-Christianity.pdf>

Everywhere on earth, satanic pastors of churches have obstructed me from possibility of a Christian marriage. Because of obstruction by the satanic pastors of churches everywhere, I have never had any opportunity in life to marry a Christian woman. Utterly evil leaders of churches everywhere, have denied me the fundamental human condition to marry a woman. Satan truly is in charge of essentially all the churches worldwide, through professional pastors and priests.

Leaders of churches, everywhere on earth, are satanically determined to deliberately destroy the life of the innocent Christian person Torsten. Everywhere on earth, leaders of churches intentionally isolate innocent Torsten through the church-leaders' utter lies, false accusations, slander, evictions, banishments and collusive persecutions against innocent Torsten. Through facts and by the evidences, it is sensible and proper to conclude that satan is in control of the minds and hearts of leaders of churches, worldwide.

Torsten has never had any opportunity in life to marry a Christian woman, because the leaders of churches on earth have actively and passively sought to prevent that Torsten could have an opportunity to marry a Christian woman. The leaders of churches on earth have sought to prohibit opportunity for Torsten to communicate with any Christian woman. Due to all of satan's hindering leaders of churches everywhere on earth, no opportunity has ever existed, and incessantly, there never can exist any opportunity in future - because no church on earth allows Torsten to communicate with any Christian woman. The leaders of churches have destroyed Torsten's life, and the leaders of churches continue to seek to destroy Torsten's life. No leader of any church anywhere on earth

will allow Torsten to communicate with Christian women. No leader of any church on earth is willing to repent from their inhumanity, sinfulness and evil against Torsten.

Torsten has no wife, because the pastors of churches prohibit that Torsten may marry a woman. Torsten is not permitted by the pastors of churches to socialise in churches. Satan knows that no communication between Torsten and women equates to no Godly marriage, and that is precisely why the pastors of churches are obsessed to prevent Torsten from communicating with any woman, and that is why the pastors of churches are obsessed to isolate Torsten from fellowship. Pastors of churches are obsessed to prevent innocent Torsten from marrying a Christian woman.

In general, pastors of churches everywhere truly are menaces to civilised societies, through their lies, evils, falsities and ultra-hypocritical inhumanity.

Lies, lies, lies and lies. Lying and falsely accusing is not merely a peripheral conduct by virtually all leaders of churches worldwide, but lying and maliciously slandering is actually the core nature of essentially all leaders of churches globally. Lying, falsely accusing, slandering, banishing and collusively persecuting the absolutely innocent person Torsten is very important for essentially all pastors and priests of churches, worldwide.

No Christian on earth knows Torsten. No pastor/priest on earth knows Torsten. Without any reality-based reason, virtually all church-leaders worldwide lie, slander, gossip, excommunicate, assault and evict Torsten. This persecution by the clergy of essentially all churches globally never stops, because Satan whom they serve never stops.

The Government of Australia continues to ban innocent Torsten, through Australian Government invented and fraudulent non-reasons. Because church leaders always invent lies against innocent Torsten, and often report their lies to government authorities, it is very likely that the Australian Government identically follows the evil examples of other devilish countries of Commonwealth of Nations, like New Zealand (<http://www.kyrkor.be/New-Zealand-Federal-Governments-satanic-church-lies.htm>), and Canada (<http://www.kyrkor.be/the-morally-confused-Justin-Trudeau-in-Canada.htm>). http://www.kyrkor.be/satanic-Australian-Government-imbecils_2018.pdf

286. Two hundred eightysixth International Plea

Date: Sat, 17 Apr 2021 16:52

Subject: Altogether 100% of Swedish/satanic church leaders ostracise and persecute an innocent Christian man, because the innocent man stated to all church leaders a hope of finding a Christian woman towards Christian marriage.

Christian never-married innocent man, who wants to marry a Christian woman, is excommunicated/banished by all churches in Sweden, is ousted from Swedish society, and is devoid of humane future in Sweden – because of Sweden's heartless pastors and heretic priests, and due to Sweden's satanic politicians and Sweden's aggressively anti-Christian culture.

Current:

I am currently stuck in Stockholm of satanic-Sweden.

A typical priestly statement "Nobody is interested in you!" encapsulates a core attitude by professional leaders of churches everywhere.: <https://www.kyrkor.be/churchianity-core-attitude.htm>

- Although the U.S. House Committee On The Judiciary (Subcommittee on Antitrust, Commercial and Administrative Law) did not list the U.S. company Twilio Inc. (<https://www.twilio.com>) in its 2020 investigation of mergers and acquisitions by dominant online platforms (https://judiciary.house.gov/uploadedfiles/competition_in_digital_markets.pdf), and neither did then (in October 2020) recommend that U.S. Congress consider establishing nondiscrimination rules to ensure fair competition, and of course, neither did then (in October 2020) recommend that online corporate 'Big Media' or deep 'Big Government' be held accountable for coercion of censorship by monopolistic 'Big

Tech' companies, democracy is nevertheless declining and threatened by these influential and powerful actors to censorship.: <https://www.kyrkor.be/twilio.htm>

- Twitter's ensorial networking service entirely blocked tweets from Torsten Nenzén (<https://twitter.com/TorsNen>), presumably due to Torsten Nenzén's factual correctness of the Bible and the Quran.: http://www.kyrkor.be/Twitter_Censorship_2020-10-28.pdf

If not by mere principle, then at least because ultra-hypocritical pastors/persecutors by essentially all church denominations everywhere are morally equivalent in their various depravities, as for example to satan's showbiz-psychopathic leaders of Australia's global leadership network of churches Hillsong/HillSect (http://www.kyrkor.be/Hillsong-London-UK_eviction_2019-07-28.htm and http://www.kyrkor.be/Hillsong-Stockholm_Andreas-Nielsen_Sweden.htm), each national government of ALL countries should therefore recognise its governmental moral obligation to neither financially support nor subsidise any churches whatsoever. The principle of individual freedom of religion is fundamental as a universal human right, and which must be respected by all national governments worldwide; but, so also is the principle of freedom from public sector religion. For example, a parliamentary motion on disestablishment of the Church of England from United Kingdom, also ought to be recognised as a fundamental moral duty (<http://www.kyrkor.be/satanic-Archbishop-Justin-Welby-of-satans-Church-of-England.htm> and http://www.kyrkor.be/Anglican-Church-Stockholm_and_Anglican-Diocese-Europe_10-years-later.htm). Any national parliament that does establish association with any churches are thereby complicitly guilty to the churches' immoralities and persecutions against innocent Christians.: <https://archive.vn/vZm2s>

In United Kingdom, according to the typically lying British Police, physical assaults by British landlords against tenants indoors is acceptable (<https://bit.ly/2BYesFI>), but peaceful distribution of the Gospel message outdoors is not (<https://bit.ly/3fx4B8n>). Also in United Kingdom, the very-British Britons at British county council governments provably lie, and consequently, none of UK's British councils government apes, nor UK's British courts or judiciary, nor the British public services, are willing to communicate.: https://www.kyrkor.be/2021-02-28_UK_British-Government_lies_dishonesty_inanity_corruption.pdf

Contemptible "Torsten-the-demonic-Wolf" is continually persecuted by virtually all British leaders of all its satanic churches in United Kingdom and also worldwide, but in reality however, Torsten is an authentic Bible-affirming Christian who is absolutely innocent in relation to all of UK's banning and persecuting churches and global churchianity.

All British satanic churches in United Kingdom have explicitly, implicitly, covertly or passively banished the Christian person Torsten, because satan's British pastors and priests of United Kingdom's churches have decided in their imaginations that Torsten is sorts of a monster, and that the terrible monster Torsten is dangerous and unfit for British community. The British satanic pastors of churches in United Kingdom persecute Torsten-the-Monster (Torsten-the-demonic-Wolf). 100% of the satanic leaders of churches in Worcester, UK, serve their master satan through their invented lies, evil slander, evictions and collusive persecution against the absolutely innocent Christian person Torsten.

Too close for truth: Satan's British church/government/state alliance.

UK institutions and UK leaders are too closely allied for public acknowledgement of truth, and outcome towards moral justice. UK political leaders, UK institutional leaders, and UK religious leaders are primarily loyal towards each other; some by sworn oaths of allegiance. Therefore, the satanically corrupt and persecuting Church of England (church of satan) is beyond accountability to truth. The UK Prime Minister is allied with the Supreme Governor of the Church of England (the Queen) as adviser of appointing personnel for the British Queen's Church of England. Church of England's Archbishop of Canterbury is by oath allied to Supreme Governor of the Church of England (the Queen). The Anglican Bishops are subordinately dependent on, and by oath allied with, the Anglican Archbishop of Canterbury (currently Justin Welby), towards concealing culpability of the worldwide PERSECUTION by Church of England – against the Christian person Torsten; who is absolutely innocent in relation to Church of England and all the other globally persecuting churches. Queen Elizabeth II of United Kingdom is the "Supreme Governor of the Church of England", and therefore, this Queen of England is utmost accountable for her satanic Church of England's intentional lies, slander, evictions and persecution against the absolutely innocent person Torsten. The British Royal Family's own website (<https://www.royal.uk/queens-relationship-churches-england-and-scotland-and-other-faiths>) accordingly declares: "The Queen's relationship with the Church of England was symbolised at the Coronation in 1953 when Her Majesty was anointed by the Archbishop of Canterbury and took an **oath** to 'maintain and preserve inviolably the settlement of the Church of England, and the doctrine worship, discipline, and government thereof, as by law established in England'. On the advice of the Prime Minister The Queen appoints Archbishops, Bishops and Deans of the Church of England, who then **swear an oath of allegiance and pay homage to Her Majesty**. Church of England deacons and parish priests also **swear an oath of allegiance to the Sovereign**." <https://twitter.com/TorsNen/status/94555797773139968>

Satan's Church of England of evil Kingdom of Britain under its Queen, unceasingly persecute Torsten in UK and globally. The British government's "stupidity agencies" are fit to maintain fallacious judgement and selected ignorance.

Updated Anglican/Church of England incidents:

- In 2021, more than 10 years succeeding that a heretical/Anglican Church Reverend in Stockholm, Sweden, harassed Torsten and in effect purged Torsten-the-Monster from its Anglican Church in 2007/2008: (a) through dehumanising orders, (b) through imposition of demeaning social constraints against Torsten, and (c) by threatening Torsten with Police eviction if Torsten were to speak with any attendees before/after the Sunday "services", the typically persecuting Anglican/satanic clergy of Church of England in Stockholm sustains satan's deceptive agenda. In 2007/2008/2009, the **Anglican Diocese of Europe** did not intervene against its discrimination against Christianity, did not cease its harassments against an innocent Christian,

and did not prevent its bans and threats by the satanic/Anglican Reverend. In 2019, neither the Anglican Diocese of Europe nor the satanic Church of England nor its Archbishop of Canterbury, would declare the Anglican Diocese of Europe's 2008 declared grave heresies and its sanctioning of the practice of homosexuality, as evil and sinful (as according to the Bible). More than ten years later, Church of England unabatedly persecutes Torsten-the-Monster within United Kingdom and worldwide.

Previously from 2009: <http://www.kyrkor.be/Anglican-Church-Stockholm-Sweden.htm>

Currently from 2021: http://www.kyrkor.be/Anglican-Church-Stockholm_and_Anglican-Diocese-Europe_10-years-later.htm

- Church of England (Church of Satan) continues its refusal to explain or justify the Church of England's national ban against their imagined monster, Torsten-the-Monster, who in reality is absolutely innocent in relation to all churches on earth. Archbishop Justin Welby's **Church of England (Church of Satan)** globally banish, evict, falsely accuse, slander, physically assault and **persecute** the real Christian person Torsten. The satanic Church of England constantly invents lies against innocent Torsten. The satanic vicars/bishops of Satan's Church of England oppose truth and God, and thus, the Church of England unceasingly concoct utter lies against Torsten. Identically with Satan, the Archbishop of Church of England absolutely refuses to justify his Church of England's persecution against innocent Torsten, and Church of England refuses to repent from its continuous satanic evils against innocent Torsten.: <http://www.kyrkor.be/satanic-Archbishop-Justin-Welby-of-satans-Church-of-England.htm>

Semi-recent British churchianity incidents:

1. Satanic 'Woodgreen Evangelical Church' in Worcester, United Kingdom, explicitly banished and evicted innocent Torsten, called the Police, and falsely accused the absolutely innocent Christian person Torsten of being **"a very dangerous, deluded and demonic Wolf"**, and that it is a moral duty to protect people from Torsten.: http://www.kyrkor.be/Woodgreen-Evangelical-Church_Worcester_UK_eviction_2017.htm
2. Satanic 'Hope Church' in Worcester, United Kingdom, explicitly banished and evicted innocent Torsten and threatened to call the police, because their satanic church leaders collude with other satanic churches. The satanic Hope Church falsely accused that the absolutely innocent Christian person **Torsten is a danger**, and declared that their **eviction of Torsten is necessary for protection of the people**.: http://www.kyrkor.be/Hope-Church-Worcester_UK_eviction_2017.htm
3. Satanic Church of England's 'All Saints Church' in Worcester, United Kingdom, explicitly banished and evicted innocent Torsten, called the Police, and falsely accused innocent Torsten of some unknown and unspecified "behaviour". The satanic Church of England's vicars/bishops have concocted utter lies against a non-existent monster, who they call Torsten. The Archbishop of Church of England, Justin Welby, absolutely refuses to specify what sin, immorality, wrongdoing or **"behaviour"** that his Church of England constantly accuse against innocent Torsten, justifying Church of England's evictions and global banishments against innocent Torsten.: http://www.kyrkor.be/All-Saints-Church_Worcester_UK_Anglican-eviction_2017.htm
4. Satanic and pathologically lying Australian **"Hillsong Church"** in London, United Kingdom, again evicted innocent Torsten from their Sunday so-called service in their rented premises at Dominion Theatre in central London. The cult, Hillsong London, of course, absolutely refused to provide a reason for their repeated evictions. The typically satanic Hillsong London has confirmed that their Hillsong's supreme devilpastor (**Brian Houston**) enforces a worldwide banishment against Torsten, and has confirmed that Hillsong's devilpastor Brian Houston preserves a global anti-Torsten policy. Hillsong London has evicted Torsten on all six Sundays (2019-07-28, 2018-06-24, 2017-09-10, 2017-04-09, 2016-10-30, 2016-07-25) when Torsten has visited their satanic cult to obtain information about their global ban.: http://www.kyrkor.be/Hillsong-London-UK_eviction_2019-07-28.htm
5. The satanic Baptist pastors of United Kingdom, the evil Baptist leaders of the British Baptist Associations, and the diabolical Baptist leaders of the Baptist Union of Great Britain, continually slander, defame, persecute and cyberbully the Christian person Torsten: http://www.kyrkor.be/Heart-of-England-Baptist-Association_and_Baptist-Union-UK.htm
6. The satanic Evangelical pastors of United Kingdom continually lie, slander and persecute the Christian person Torsten. - Church of England (Church of Satan) continues its refusal to explain or justify the Church of England's national ban against their imagined monster, Torsten-the-Monster, who in reality is absolutely innocent in relation to all churches on earth. Archbishop Justin Welby's **Church of England (Church of Satan)** globally banish, evict, falsely accuse, slander, physically assault and **persecute** the real Christian person Torsten. The satanic Church of England constantly invents lies against innocent Torsten. The satanic vicars/bishops of satan's Church of England oppose truth and God, and thus, the Church of England unceasingly concoct utter lies against Torsten. Identically with satan, the Archbishop of Church of England absolutely refuses to justify his Church of England's persecution against innocent Torsten, and Church of England refuses to repent from its continuous satanic evils against innocent Torsten.: <http://www.kyrkor.be/satanic-Archbishop-Justin-Welby-of-satans-Church-of-England.htm>

Semi-recent British churchianity incidents:

1. Satanic 'Woodgreen Evangelical Church' in Worcester, United Kingdom, explicitly banished and evicted innocent Torsten, called the Police, and falsely accused the absolutely innocent Christian person Torsten of being **"a very dangerous, deluded and demonic Wolf"**, and that it is a moral duty to protect people from Torsten.: http://www.kyrkor.be/Woodgreen-Evangelical-Church_Worcester_UK_eviction_2017.htm
2. Satanic 'Hope Church' in Worcester, United Kingdom, explicitly banished and evicted innocent Torsten and threatened to call the police, because their satanic church leaders collude with other satanic churches. The satanic Hope Church falsely accused that the absolutely innocent Christian person **Torsten is a danger**, and declared that their **eviction of Torsten is necessary for protection of the people**.: http://www.kyrkor.be/Hope-Church-Worcester_UK_eviction_2017.htm
3. Satanic Church of England's 'All Saints Church' in Worcester, United Kingdom, explicitly banished and evicted innocent Torsten, called the Police, and falsely accused innocent Torsten of some unknown and unspecified "behaviour". The satanic Church of England's vicars/bishops have concocted utter lies against a non-existent monster, who they call Torsten. The Archbishop of Church of England, Justin Welby, absolutely refuses to specify what sin, immorality, wrongdoing or **"behaviour"** that his Church of England constantly accuse against innocent Torsten, justifying Church of England's evictions and global banishments against innocent Torsten.: http://www.kyrkor.be/All-Saints-Church_Worcester_UK_Anglican-eviction_2017.htm
4. Satanic and pathologically lying Australian **"Hillsong Church"** in London, United Kingdom, again evicted innocent Torsten from their Sunday so-called service in their rented premises at Dominion Theatre in central London. The cult, Hillsong London, of course, absolutely refused to provide a reason for their repeated evictions. The typically satanic Hillsong London has confirmed that their Hillsong's supreme devilpastor (**Brian Houston**) enforces a worldwide banishment against Torsten, and has confirmed that Hillsong's devilpastor Brian Houston preserves a global anti-Torsten policy. Hillsong London has evicted Torsten on all six Sundays (2019-07-28, 2018-06-24, 2017-09-10, 2017-04-09, 2016-10-30, 2016-07-25) when Torsten has visited their satanic cult to obtain information about their global ban.: http://www.kyrkor.be/Hillsong-London-UK_eviction_2019-07-28.htm
5. The satanic Baptist pastors of United Kingdom, the evil Baptist leaders of the British Baptist Associations, and the diabolical Baptist leaders of the Baptist Union of Great Britain, continually slander, defame, persecute and cyberbully the Christian person Torsten: http://www.kyrkor.be/Heart-of-England-Baptist-Association_and_Baptist-Union-UK.htm
6. The satanic Evangelical pastors of United Kingdom continually lie, slander and persecute the Christian person Torsten. The Evangelical Alliance of United Kingdom (<http://ea.uk.org>) passively endorsed the explicit banishment by one of their evangelical member churches (<http://www.kyrkor.be/Kings-Church-Birmingham-UK.htm>) in Birmingham, UK. The Evangelical Alliance of United Kingdom previously opposed Torsten's critique against the British churches' outsourcing of Christian relationships to their British pro-homosexuality and Christophobic websites: <http://www.kyrkor.be/Evangelical-Alliance-United-Kingdom.htm>. The Evangelical Alliance of Ireland (<http://www.evangelical.ie>) was previously pointed out by their Vineyard Church in Dublin (<http://www.kyrkor.be/Dublin-Vineyard-Church-Ireland.htm>) as the source of active slander and lies against Torsten "In the light of [...] correspondence from Evangelical Alliance Ireland [...] I am withdrawing the welcome.": <http://www.kyrkor.be/christianconnection.co.uk-discrimination-against-Christianity.pdf>

Everywhere on earth, satanic pastors of churches have obstructed me from possibility of a Christian marriage. Because of obstruction by the satanic pastors of churches everywhere, I have never had any opportunity in life to marry a Christian woman. Utterly evil leaders of churches everywhere, have denied me the fundamental human

condition to marry a woman. Satan truly is in charge of essentially all the churches worldwide, through professional pastors and priests.

Leaders of churches, everywhere on earth, are satanically determined to deliberately destroy the life of the innocent Christian person Torsten. Everywhere on earth, leaders of churches intentionally isolate innocent Torsten through the church-leaders' utter lies, false accusations, slander, evictions, banishments and collusive persecutions against innocent Torsten. Through facts and by the evidences, it is sensible and proper to conclude that satan is in control of the minds and hearts of leaders of churches, worldwide.

Torsten has never had any opportunity in life to marry a Christian woman, because the leaders of churches on earth have actively and passively sought to prevent that Torsten could have an opportunity to marry a Christian woman. The leaders of churches on earth have sought to prohibit opportunity for Torsten to communicate with any Christian woman. Due to all of satan's hindering leaders of churches everywhere on earth, no opportunity has ever existed, and incessantly, there never can exist any opportunity in future - because no church on earth allows Torsten to communicate with any Christian woman. The leaders of churches have destroyed Torsten's life, and the leaders of churches continue to seek to destroy Torsten's life. No leader of any church anywhere on earth will allow Torsten to communicate with Christian women. No leader of any church on earth is willing to repent from their inhumanity, sinfulness and evil against Torsten.

Torsten has no wife, because the pastors of churches prohibit that Torsten may marry a woman. Torsten is not permitted by the pastors of churches to socialise in churches. Satan knows that no communication between Torsten and women equates to no Godly marriage, and that is precisely why the pastors of churches are obsessed to prevent Torsten from communicating with any woman, and that is why the pastors of churches are obsessed to isolate Torsten from fellowship. Pastors of churches are obsessed to prevent innocent Torsten from marrying a Christian woman.

In general, pastors of churches everywhere truly are menaces to civilised societies, through their lies, evils, falsities and ultra-hypocritical inhumanity.

Lies, lies, lies and lies. Lying and falsely accusing is not merely a peripheral conduct by virtually all leaders of churches worldwide, but lying and maliciously slandering is actually the core nature of essentially all leaders of churches globally. Lying, falsely accusing, slandering, banishing and collusively persecuting the absolutely innocent person Torsten is very important for essentially all pastors and priests of churches, worldwide.

No Christian on earth knows Torsten. No pastor/priest on earth knows Torsten. Without any reality-based reason, virtually all church-leaders worldwide lie, slander, gossip, excommunicate, assault and evict Torsten. This persecution by the clergy of essentially all churches globally never stops, because satan whom they serve never stops.

The Government of Australia continues to ban innocent Torsten, through Australian Government invented and fraudulent non-reasons. Because church leaders always invent lies against innocent Torsten, and often report their lies to government authorities, it is very likely that the Australian Government identically follows the evil examples of other devilish countries of Commonwealth of Nations, like New Zealand (<http://www.kyrkor.be/New-Zealand-Federal-Governments-satanic-church-lies.htm>), and Canada (<http://www.kyrkor.be/the-morally-confused-Justin-Trudeau-in-Canada.htm>). http://www.kyrkor.be/satanic-Australian-Government-imbecils_2018.pdf

New Swedishness:

Sweden is a madhouse.

- Satanic-Sweden's satanic bishops and satanic clergy of satan's Church of Sweden (one of Church of Satan's official names = Church of Sweden) (<https://www.satanicchurch.org.uk/>) who are notoriously anti-Christian, anti-Israel, pro-homosexuality and pro-Islam, repeatedly express their inspiration by satanic Islam's prophet Mohammed, as a God's prophet.: <https://www.breitbart.com/europe/2021/03/23/church-satanic-theologian-christians-can-view-mohammed-prophet/>
- Satanic-Sweden's satanic Church of Sweden (in practice Church of Satan) (<https://www.satanicchurch.org.uk/>) whose satanic-LGBT priests praise a homosexual Swedish god, and which has rewritten the Bible with focus on politically corrected gender and diversity, and which portrays Jesus Christ as a politically corrected gender-neutral person, and which has composed inclusive gender-neutral hymns in their satanic/Swedish psalm book, and which defends its collaboration and funding of Islamists linked with the Islamist terrorist group Muslim Brotherhood and the Islamist terrorist organisation Hamas, and which collects money towards dissemination of Islamic jihad through children's literature and for its Church of Sweden's hatred of Israel, and which is inspired by satanic Islam's prophet Mohammed as a God's prophet, and which is hostile against Torsten and has excluded Torsten because Torsten is a Bible-affirming real Christian (http://www.torsten.net/Biblical_perspective_on_homosexuality.pdf), reaffirms its Church of Sweden's borderless and unrestricted inclusivity of everything – except God.: <https://bit.ly/3ufoPpj>
- Also satanic-Sweden strives to minimise democracy through mainstream corporate and government-approved 'Big Media'. MPRT (Swedish authority for press, radio and television) (<https://www.mprt.se>) suggests that only "responsible" media should be eligible for government monetary support. (<https://bit.ly/3fi5IFr>) MPRTFS 2021:2 (<https://bit.ly/31OhtBH>) states that "By high-quality editorial content is meant that the medium is regularly characterized by responsible news dissemination. Responsible news dissemination means, among other things, that the news media does not contribute to disseminating incorrect or manipulated information." In practice, journalism and media reporting that contradict Swedish government-approval will be disqualified as misinformation or disinformation. Next to satanic-Sweden but on a global scale, BBC (British Propaganda Corporation) and

CBC (Canadian Bropaganda Corporation) are members advancing the Coalition for Content Provenance and Authenticity (C2PA); in pursuit against "misinformation"; (<https://c2pa.org/principles>), stating "Global Audience/Accessibility: C2PA specifications must take into consideration the needs of interested users throughout the world (<https://contentauthenticity.org/>). It must be possible to implement C2PA specifications on the computing platforms in widespread use in both developed and developing regions, specifically including lower-cost and older mobile devices. 284. Two hundred eightyfourth International Plea

Date: Wed, 17 Mar 2021 13:22

Subject: Merely 100% of Swedish/satanic church leaders ostracise and persecute an innocent Christian man, because the innocent man stated to all church leaders a hope of finding a Christian woman towards Christian marriage.

Christian never-married innocent man, who wants to marry a Christian woman, is excommunicated/banished by all churches in Sweden, is ousted from Swedish society, and is devoid of humane future in Sweden – because of Sweden’s heartless pastors and heretic priests, and due to Sweden’s satanic politicians and Sweden’s aggressively anti-Christian culture.

Current:

I am currently stuck in Stockholm of satanic-Sweden.

A typical priestly statement "*Nobody is interested in you!*" encapsulates a core attitude by professional leaders of churches everywhere.: <https://www.kyrkor.be/churchianity-core-attitude.htm>

- Although the U.S. House Committee On The Judiciary (Subcommittee on Antitrust, Commercial and Administrative Law) did not list the U.S. company Twilio Inc. (<https://www.twilio.com/>) in its 2020 investigation of mergers and acquisitions by dominant online platforms (https://judiciary.house.gov/uploadedfiles/competition_in_digital_markets.pdf), and neither did then (in October 2020) recommend that U.S. Congress consider establishing nondiscrimination rules to ensure fair competition, and of course, neither did then (in October 2020) recommend that online corporate 'Big Media' or deep 'Big Government' be held accountable for coercion of censorship by monopolistic 'Big Tech' companies, democracy is nevertheless declining and threatened by these influential and powerful actors to censorship.: <https://www.kyrkor.be/twilio.htm>
- Twitter’s ensorial networking service entirely blocked tweets from Torsten Nenzén (<https://twitter.com/TorsNen>), presumably due to Torsten Nenzén’s factual correctness of the Bible and the Quran.: http://www.kyrkor.be/Twitter_Censorship_2020-10-28.pdf

If not by mere principle, then at least because ultra-hypocritical pastors/persecutors by essentially all church denominations everywhere are morally equivalent in their various depravities, as for example to satan’s showbiz-psychopathic leaders of Australia’s global leadership network of churches Hillsong/HillSect (http://www.kyrkor.be/Hillsong-London-UK_eviction_2019-07-28.htm and http://www.kyrkor.be/Hillsong-Stockholm_Andreas-Nielsen_Sweden.htm), each national government of ALL countries should therefore recognise its governmental moral obligation to neither financially support nor subsidise any churches whatsoever. The principle of individual freedom of religion is fundamental as a universal human right, and which must be respected by all national governments worldwide; but, so also is the principle of freedom from public sector religion. For example, a parliamentary motion on disestablishment of the Church of England from United Kingdom, also ought to be recognised as a fundamental moral duty (<http://www.kyrkor.be/satanic-Archbishop-Justin-Welby-of-satanic-Church-of-England.htm> and http://www.kyrkor.be/Anglican-Church-Stockholm_and_Anglican-Diocese-Europe_10-years-later.htm). Any national parliament that does establish association with any churches are thereby complicitly guilty to the churches’ immoralities and persecutions against innocent Christians.: <https://archive.vn/vZm2s>

In United Kingdom, according to the typically lying British Police, physical assaults by British landlords against tenants indoors is acceptable (<https://bit.ly/2BYesFI>), but peaceful distribution of the Gospel message outdoors is not (<https://bit.ly/3fx4B8n>). Also in United Kingdom, the very-British Britons at British county council governments provably lie, and consequently, none of UK’s British councils government apes, nor UK’s British courts or judiciary, nor the British public services, are willing to communicate.: https://www.kyrkor.be/2021-02-28_UK_British-Government_lies_dishonesty_inanity_corruption.pdf

Contemptible "*Torsten-the-demonic-Wolf*" is continually persecuted by virtually all British leaders of all its satanic churches in United Kingdom and also worldwide, but in reality however, Torsten is an authentic Bible-affirming Christian who is absolutely innocent in relation to all of UK’s banning and persecuting churches and global churchianity.

All British satanic churches in United Kingdom have explicitly, implicitly, covertly or passively banished the Christian person Torsten, because satan’s British pastors and priests of United Kingdom’s churches have decided in their imaginations that Torsten is sorts of a monster, and that the terrible monster Torsten is dangerous and unfit for British community. The British satanic pastors of churches in United Kingdom persecute Torsten-the-Monster (*Torsten-the-demonic-Wolf*). 100% of the satanic leaders of churches in Worcester, UK, serve their master satan through their invented lies, evil slander, evictions and collusive persecution against the absolutely innocent Christian person Torsten.

Too close for truth: Satan's British church/government/state alliance.

UK institutions and UK leaders are too closely allied for public acknowledgement of truth, and outcome towards moral justice. UK political leaders, UK institutional leaders, and UK religious leaders are primarily loyal towards each other; some by sworn oaths of allegiance. Therefore, the satanically corrupt and persecuting **Church of England (church of satan)** is beyond accountability to truth. The UK Prime Minister is allied with the Supreme Governor of the Church of England (the Queen) as adviser of appointing personnel for the British Queen's Church of England. Church of England's Archbishop of Canterbury is by oath allied to Supreme Governor of the Church of England (the Queen). The Anglican Bishops are subordinately dependent on, and by oath allied with, the Anglican Archbishop of Canterbury (currently Justin Welby), towards concealing culpability of the worldwide PERSECUTION by Church of England – against the Christian person Torsten; who is absolutely innocent in relation to Church of England and all the other globally persecuting churches. Queen Elizabeth II of United Kingdom is the "Supreme Governor of the Church of England", and therefore, this **Queen of England is utmost accountable for her satanic Church of England's intentional lies, slander, evictions and persecution against the absolutely innocent person Torsten.** The British Royal Family's own website (<https://www.royal.uk/queens-relationship-churches-england-and-scotland-and-other-faiths>) accordingly declares: "The Queen's relationship with the Church of England was symbolised at the Coronation in 1953 when Her Majesty was anointed by the Archbishop of Canterbury and took an **oath** to 'maintain and preserve inviolably the settlement of the Church of England, and the doctrine worship, discipline, and government thereof, as by law established in England'. On the advice of the Prime Minister The Queen appoints Archbishops, Bishops and Deans of the Church of England, who then swear an **oath of allegiance and pay homage to Her Majesty.** Church of England deacons and parish priests also **swear an oath of allegiance to the Sovereign.**"
<https://twitter.com/TorsNen/status/945555797773139968>

Satan's Church of England of evil Kingdom of Britain under its Queen, unceasingly persecute Torsten in UK and globally. The British government's "stupidity agencies" are fit to maintain fallacious judgement and selected ignorance.

Updated Anglican/Church of England incidents:

- In 2021, more than 10 years succeeding that a heretical/Anglican Church Reverend in Stockholm, Sweden, harassed Torsten and in effect purged Torsten-the-Monster from its Anglican Church in 2007/2008: (a) through dehumanising orders, (b) through imposition of demeaning social constraints against Torsten, and (c) by threatening Torsten with Police eviction if Torsten were to speak with any attendees before/after the Sunday "services", the typically persecuting Anglican/satanic clergy of Church of England in Stockholm sustains satan's deceptive agenda. In 2007/2008/2009, the **Anglican Diocese of Europe** did not intervene against its discrimination against Christianity, did not cease its harassments against an innocent Christian, and did not prevent its bans and threats by the satanic/Anglican Reverend. In 2019, neither the Anglican Diocese of Europe nor the satanic Church of England nor its Archbishop of Canterbury, would declare the Anglican Diocese of Europe's 2008 declared grave heresies and its sanctioning of the practice of homosexuality, as evil and sinful (as according to the Bible). More than ten years later, Church of England unabatedly persecutes Torsten-the-Monster within United Kingdom and worldwide.

4. Satanic and pathologically lying Australian "Hillsong Church" in London, United Kingdom, again evicted innocent Torsten from their Sunday so-called service in their rented premises at Dominion Theatre in central

Current:

I am currently stuck in Stockholm of satanic-Sweden.

- Twitter's ensorial networking service entirely blocked tweets from Torsten Nenzén [\(https://twitter.com/TorsNen\)](https://twitter.com/TorsNen), presumably due to Torsten Nenzén's factual correctness of the Bible and the Quran.: http://www.kyrkor.be/Twitter_Censorship_2020-10-28.pdf

If not by mere principle, then at least because ultra-hypocritical pastors/persecutors by essentially all church denominations everywhere are morally equivalent in their various depravities, as for example to satan's showbiz-psychopathic leaders of Australia's global leadership network of churches Hillsong/HillSect [\(http://www.kyrkor.be/Hillsong-London-UK_eviction_2019-07-28.htm\)](http://www.kyrkor.be/Hillsong-London-UK_eviction_2019-07-28.htm) and http://www.kyrkor.be/Hillsong-Stockholm_Andreas-Nielsen_Sweden.htm), each national government of ALL countries should therefore recognise its governmental moral obligation to neither financially support nor subsidise any churches whatsoever. The principle of individual freedom of religion is fundamental as a universal human right, and which must be respected by all national governments worldwide; but, so also is the principle of freedom from public sector religion. For example, a parliamentary motion on disestablishment of the Church of England from United Kingdom, also ought to be recognised as a fundamental moral duty [\(http://www.kyrkor.be/satanic-Archbishop-Justin-Weiby-of-satanic-Church-of-England.htm\)](http://www.kyrkor.be/satanic-Archbishop-Justin-Weiby-of-satanic-Church-of-England.htm) and http://www.kyrkor.be/Anglican-Church-Stockholm_and_Anglican-Diocese-Europe_10-years-later.htm). Any national parliament that does establish association with any churches are thereby complicitly guilty to the churches' immoralities and persecutions against innocent Christians.: <https://archive.vn/vZm2s>

In United Kingdom, according to the typically lying British Police, physical assaults by British landlords against tenants indoors is acceptable [\(https://bit.ly/2BYesFI\)](https://bit.ly/2BYesFI), but peaceful distribution of the Gospel message outdoors is not [\(https://bit.ly/3fx4B8n\)](https://bit.ly/3fx4B8n). Also in United Kingdom, the very-British Britons at British county council governments provably lie, and consequently, none of UK's British councils government apes, nor UK's British courts or judiciary, nor the British public services, are willing to communicate.: https://www.kyrkor.be/2021-02-28_UK_British-Government_lies_dishonesty_inanity_corruption.pdf

Contemptible "Torsten-the-demonic-Wolf" is continually persecuted by virtually all British leaders of all its satanic churches in United Kingdom and also worldwide, but in reality however, Torsten is an authentic Bible-affirming Christian who is absolutely innocent in relation to all of UK's banning and persecuting churches and global churchianity.

All British satanic churches in United Kingdom have explicitly, implicitly, covertly or passively banished the Christian person Torsten, because satan's British pastors and priests of United Kingdom's churches have decided in their imaginations that Torsten is sorts of a monster, and that the terrible monster Torsten is dangerous and unfit for British community. The British satanic pastors of churches in United Kingdom persecute Torsten-the-Monster (Torsten-the-demonic-Wolf). 100% of the satanic leaders of churches in Worcester, UK, serve their master satan through their invented lies, evil slander, evictions and collusive persecution against the absolutely innocent Christian person Torsten.

Too close for truth: Satan's British church/government/state alliance.

UK institutions and UK leaders are too closely allied for public acknowledgement of truth, and outcome towards moral justice. UK political leaders, UK institutional leaders, and UK religious leaders are primarily loyal towards each other; some by sworn oaths of allegiance. Therefore, the satanically corrupt and persecuting **Church of England (church of satan)** is beyond accountability to truth. The UK Prime Minister is allied with the Supreme Governor of the Church of England (the Queen) as adviser of appointing personnel for the British Queen's Church of England. Church of England's Archbishop of Canterbury is by oath allied to Supreme Governor of the Church of England (the Queen). The Anglican Bishops are subordinatedly dependent on, and by oath allied with, the Anglican Archbishop of Canterbury (currently Justin Welby), towards concealing culpability of the worldwide PERSECUTION by Church of England – against the Christian person Torsten; who is absolutely innocent in relation to Church of England and all the other globally persecuting churches. Queen Elizabeth II of United Kingdom is the "Supreme Governor of the Church of England", and therefore, this **Queen of England is utmost accountable for her satanic Church of England's intentional lies, slander, evictions and persecution against the absolutely innocent person Torsten**. The British Royal Family's own website (<https://www.royal.uk/queens-relationship-churches-england-and-scotland-and-other-faiths>) accordingly declares: "The Queen's relationship with the Church of England was symbolised at the Coronation in 1953 when Her Majesty was anointed by the Archbishop of Canterbury and **took an oath to 'maintain and preserve inviolably the settlement of the Church of England, and the doctrine worship, discipline, and government thereof, as by law established in England'**. On the advice of the Prime Minister The Queen appoints Archbishops, Bishops and Deans of the Church of England, who then **swear an oath of allegiance and pay homage to Her Majesty**. Church of England deacons and parish priests also **swear an oath of allegiance to the Sovereign**." <https://twitter.com/TorsNen/status/9455579773139968>

Satan's Church of England of evil Kingdom of Britain under its Queen, unceasingly persecute Torsten in UK and globally. The British government's "stupidity agencies" are fit to maintain fallacious judgement and selected ignorance.

Updated Anglican/Church of England incidents:

- In 2021, more than 10 years succeeding that a heretical/Anglican Church Reverend in Stockholm, Sweden, harassed Torsten and in effect purged Torsten-the-Monster from its Anglican Church in 2007/2008: (a) through dehumanising orders, (b) through imposition of demeaning social constraints against Torsten, and (c) by threatening Torsten with Police eviction if Torsten were to speak with any attendees before/after the Sunday "services", the typically persecuting Anglican/satanic clergy of Church of England in Stockholm sustains satan's deceptive agenda. In 2007/2008/2009, the **Anglican Diocese of Europe** did not intervene against its discrimination against Christianity, did not cease its harassments against an innocent Christian, and did not prevent its bans and threats by the satanic/Anglican Reverend. In 2019, neither the Anglican Diocese of Europe nor the satanic Church of England nor its Archbishop of Canterbury, would declare the Anglican Diocese of Europe's 2008 declared grave heresies and its sanctioning of the practice of homosexuality, as evil and sinful (as according to the Bible). More than ten years later, Church of England unabatedly persecutes Torsten-the-Monster within United Kingdom and worldwide. Previously from 2009: <http://www.kyrkor.be/Anglican-Church-Stockholm-Sweden.htm> Currently from 2021: http://www.kyrkor.be/Anglican-Church-Stockholm_and_Anglican-Diocese-Europe_10-years-later.htm
- Church of England (Church of Satan) continues its refusal to explain or justify the Church of England's national ban against their imagined monster, Torsten-the-Monster, who in reality is absolutely innocent in relation to all churches on earth. Archbishop Justin Welby's **Church of England (Church of Satan)** globally banish, evict, falsely accuse, slander, physically assault and **persecute** the real Christian person Torsten. The satanic Church of England constantly invents lies against innocent Torsten. The satanic vicars/bishops of satan's Church of England oppose truth and God, and thus, the Church of England unceasingly concoct utter lies against Torsten. Identically with satan, the Archbishop of Church of England absolutely refuses to justify his Church of England's persecution against innocent Torsten, and Church of England refuses to repent from its continuous satanic evils against innocent Torsten.: <http://www.kyrkor.be/satanic-Archbishop-Justin-Welby-of-satans-Church-of-England.htm>

Semi-recent British churchianity incidents:

1. Satanic 'Woodgreen Evangelical Church' in Worcester, United Kingdom, **explicitly banished and evicted** innocent Torsten, called the Police, and falsely accused the absolutely innocent Christian person Torsten of being **"a very dangerous, deluded and demonic Wolf"**, and that it is a moral duty to protect people from Torsten.: http://www.kyrkor.be/Woodgreen-Evangelical-Church_Worcester_UK_eviction_2017.htm
2. Satanic 'Hope Church' in Worcester, United Kingdom, **explicitly banished and evicted** innocent Torsten and threatened to call the police, because their satanic church leaders collude with other satanic churches. The satanic Hope Church falsely accused that the absolutely innocent Christian person **Torsten is a danger**, and declared that their **eviction of Torsten is necessary for protection of the people**.: http://www.kyrkor.be/Hope-Church-Worcester_UK_eviction_2017.htm
3. Satanic Church of England's 'All Saints Church' in Worcester, United Kingdom, **explicitly banished and evicted** innocent Torsten, called the Police, and falsely accused innocent Torsten of some unknown and unspecified "behaviour". The satanic Church of England's vicars/bishops have concocted utter lies against a non-existent monster, who they call Torsten. The Archbishop of Church of England, Justin Welby, absolutely refuses to specify what sin, immorality, wrongdoing or **"behaviour"** that his Church of England constantly accuse against innocent Torsten, justifying Church of England's evictions and global banishments against innocent Torsten.: http://www.kyrkor.be/All-Saints-Church_Worcester_UK_Anglican-eviction_2017.htm

4. Satanic and pathologically lying Australian "Hillsong Church" in London, United Kingdom, again evicted innocent Torsten from their Sunday so-called service in their rented premises at Dominion Theatre in central London. The cult, Hillsong London, of course, absolutely refused to provide a reason for their repeated evictions. The typically satanic Hillsong London has confirmed that their Hillsong's supreme devilpastor (**Brian Houston**) enforces a worldwide banishment against Torsten, and has confirmed that Hillsong's devilpastor Brian Houston preserves a global anti-Torsten policy. Hillsect London has evicted Torsten on all six Sundays (2019-07-28, 2018-06-24, 2017-09-10, 2017-04-09, 2016-10-30, 2016-07-25) when Torsten has visited their satanic cult to obtain information about their global ban.: http://www.kyrkor.be/Hillsong-London-UK_eviction_2019-07-28.htm
5. The satanic Baptist pastors of United Kingdom, the evil Baptist leaders of the British Baptist Associations, and the diabolical Baptist leaders of the Baptist Union of Great Britain, continually slander, defame, persecute and cyberbully the Christian person Torsten: http://www.kyrkor.be/Heart-of-England-Baptist-Association_and_Baptist-Union-UK.htm
6. The satanic Evangelical pastors of United Kingdom continually lie, slander and persecute the Christian person Torsten. The Evangelical Alliance of United Kingdom (<http://ea.uk.org>) passively endorsed the explicit banishment by one of their evangelical member churches (<http://www.kyrkor.be/Kings-Church-Birmingham-UK.htm>) in Birmingham, UK. The Evangelical Alliance of United Kingdom previously opposed Torsten's critique against the British churches' outsourcing of Christian relationships to their British pro-homosexuality and Christophobic websites: <http://www.kyrkor.be/Evangelical-Alliance-United-Kingdom.htm>. The Evangelical Alliance of Ireland (<http://www.evangelical.ie>) was previously pointed out by their Vineyard Church in Dublin (<http://www.kyrkor.be/Dublin-Vineyard-Church-Ireland.htm>) as the source of active slander and lies against Torsten "In the light of [...] correspondence from Evangelical Alliance Ireland [...] I am withdrawing the welcome.": <http://www.kyrkor.be/christianconnection.co.uk-discrimination-against-Christianity.pdf>

Everywhere on earth, satanic pastors of churches have obstructed me from possibility of a Christian marriage. Because of obstruction by the satanic pastors of churches everywhere, I have never had any opportunity in life to marry a Christian woman. Utterly evil leaders of churches everywhere, have denied me the fundamental human condition to marry a woman. Satan truly is in charge of essentially all the churches worldwide, through professional pastors and priests.

Leaders of churches, everywhere on earth, are satanically determined to deliberately destroy the life of the innocent Christian person Torsten. Everywhere on earth, leaders of churches intentionally isolate innocent Torsten through the church-leaders' utter lies, false accusations, slander, evictions, banishments and collusive persecutions against innocent Torsten. Through facts and by the evidences, it is sensible and proper to conclude that satan is in control of the minds and hearts of leaders of churches, worldwide.

Torsten has never had any opportunity in life to marry a Christian woman, because the leaders of churches on earth have actively and passively sought to prevent that Torsten could have an opportunity to marry a Christian woman. The leaders of churches on earth have sought to prohibit opportunity for Torsten to communicate with any Christian woman. Due to all of satan's hindering leaders of churches everywhere on earth, no opportunity has ever existed, and incessantly, there never can exist any opportunity in future - because no church on earth allows Torsten to communicate with any Christian woman. The leaders of churches have destroyed Torsten's life, and the leaders of churches continue to seek to destroy Torsten's life. No leader of any church anywhere on earth will allow Torsten to communicate with Christian women. No leader of any church on earth is willing to repent from their inhumanity, sinfulness and evil against Torsten.

Torsten has no wife, because the pastors of churches prohibit that Torsten may marry a woman. Torsten is not permitted by the pastors of churches to socialise in churches. Satan knows that no communication between Torsten and women equates to no Godly marriage, and that is precisely why the pastors of churches are obsessed to prevent Torsten from communicating with any woman, and that is why the pastors of churches are obsessed to isolate Torsten from fellowship. Pastors of churches are obsessed to prevent innocent Torsten from marrying a Christian woman.

In general, pastors of churches everywhere truly are menaces to civilised societies, through their lies, evils, falsities and ultra-hypocritical inhumanity.

Lies, lies, lies and lies. Lying and falsely accusing is not merely a peripheral conduct by virtually all leaders of churches worldwide, but lying and maliciously slandering is actually the core nature of essentially all leaders of churches globally. Lying, falsely accusing, slandering, banishing and collusively persecuting the absolutely innocent person Torsten is very important for essentially all pastors and priests of churches, worldwide.

No Christian on earth knows Torsten. No pastor/priest on earth knows Torsten. Without any reality-based reason, virtually all church-leaders worldwide lie, slander, gossip, excommunicate, assault and evict Torsten. This persecution by the clergy of essentially all churches globally never stops, because satan whom they serve never stops.

The Government of Australia continues to ban innocent Torsten, through Australian Government invented and fraudulent non-reasons. Because church leaders always invent lies against innocent Torsten, and often report their lies to government authorities, it is very likely that the Australian Government identically follows the evil examples of other devilish countries of Commonwealth of Nations, like New Zealand (<http://www.kyrkor.be/New-Zealand-Federal-Governments-satanic-church-lies.htm>), and Canada (<http://www.kyrkor.be/the-morally-confused-Justin-Trudeau-in-Canada.htm>). http://www.kyrkor.be/satanic-Australian-Government-imbecils_2018.pdf

The satanic Swedish Governments and their blaspheming Swedish Police sustain persecution and intimidation against any Bible affirming authentic Christians. Sweden's Police declare that loud reading from the Bible in public is a hate crime, and Sweden's Police seek to prosecute against public loud reading from the Bible.

282. Two hundred eightysecond International Plea

Date: Mon, 15 Feb 2021 14:14

Subject: All 100% of Swedish/satanic church leaders ostracise and persecute an innocent Christian man, because the innocent man stated to all church leaders a hope of finding a Christian woman towards Christian marriage.

Christian never-married innocent man, who wants to marry a Christian woman, is excommunicated/banished by all churches in Sweden, is ousted from Swedish society, and is devoid of humane future in Sweden – because of Sweden's heartless pastors and heretic priests, and due to Sweden's satanic politicians and Sweden's aggressively anti-Christian culture.

Current:

I am currently stuck in Stockholm of satanic-Sweden.

If not by mere principle, then at least because ultra-hypocritical pastors/persecutors by essentially all church denominations everywhere are morally equivalent in their various depravities, as for example to satan's showbiz-psychopathic leaders of Australia's global leadership network of churches Hillsong/HillSect (http://www.kyrkor.be/Hillsong-London-UK_eviction_2019-07-28.htm and http://www.kyrkor.be/Hillsong-Stockholm_Andreas-Nielsen_Sweden.htm), each national government of ALL countries should therefore recognise its governmental moral obligation to neither financially support nor subsidise any churches whatsoever. Lying and falsely accusing is not merely a peripheral conduct by virtually all leaders of churches worldwide, but lying and maliciously slandering is actually the core nature of essentially all leaders of churches globally. Lying, falsely accusing, slandering, banishing and collusively persecuting the absolutely innocent person Torsten is very important for essentially all pastors and priests of churches, worldwide.

No Christian on earth knows Torsten. No pastor/priest on earth knows Torsten. Without any reality-based reason, virtually all church-leaders worldwide lie, slander, gossip, excommunicate, assault and evict Torsten. This persecution by the clergy of essentially all churches globally never stops, because satan whom they serve never stops.

The Government of Australia continues to ban innocent Torsten, through Australian Government invented and fraudulent non-reasons. Because church leaders always invent lies against innocent Torsten, and often report their lies to government authorities, it is very likely that the Australian Government identically follows the evil examples of other devilish countries of Commonwealth of Nations, like New Zealand (<http://www.kyrkor.be/New-Zealand-Federal-Governments-satanic-church-lies.htm>), and Canada (<http://www.kyrkor.be/the-morally-confused-Justin-Trudeau-in-Canada.htm>).

Subject: Entire 100% of Swedish/satanic church leaders ostracise and persecute an innocent Christian man, because the innocent man stated to all church leaders a hope of finding a Christian woman towards Christian marriage.

Christian never-married innocent man, who wants to marry a Christian woman, is excommunicated/banished by all churches in Sweden, is ousted from Swedish society, and is devoid of humane future in Sweden – because of Sweden's heartless pastors and heretic priests, and due to Sweden's satanic politicians and Sweden's aggressively anti-Christian culture.

Current:

I am currently stuck in Stockholm of satanic-Sweden.

- Twitter's ensorial networking service entirely blocked tweets from Torsten Nenzén (<https://twitter.com/TorsNen>), presumably due to Torsten Nenzén's factual correctness of the Bible and the Quran.: http://www.kyrkor.be/Twitter_Censorship_2020-10-28.pdf

Canadian 'Pentecostal Assemblies of Canada' (<https://www.paoc.org>) arrogantly displayed their true colours of satan.: <http://www.kyrkor.be/Pentecostal-Assemblies-of-Canada.htm>

In United Kingdom, according to the typically lying British Police, **physical assaults** by British landlords against tenants indoors is acceptable (<https://bit.ly/2BYesFI>), but peaceful distribution of the Gospel message outdoors is not (<https://bit.ly/3fx4B8n>). Also in United Kingdom, the **very-British Britons at British county council governments provably lie**, and consequently, none of UK's British councils government apes, nor UK's British courts or judiciary, nor the British public services, are willing to communicate.: http://www.kyrkor.be/2021-01-31_UK_British-Government_lies_dishonesty_inanity_corruption.pdf

Contemptible "*Torsten-the-demonic-Wolf*" is continually persecuted by virtually all British leaders of all its satanic churches in United Kingdom and also worldwide, but in reality however, Torsten is an authentic Bible-affirming Christian who is absolutely innocent in relation to all of UK's banning and persecuting churches and global churchianity.

All British satanic churches in United Kingdom have explicitly, implicitly, covertly or passively banished the Christian person Torsten, because satan's British pastors and priests of United Kingdom's churches have decided in their imaginations that Torsten is sorts of a monster, and that the terrible monster **Torsten is dangerous and unfit for British community**. The British satanic pastors of churches in United Kingdom persecute Torsten-the-Monster (Torsten-the-demonic-Wolf). 100% of the satanic leaders of churches in Worcester, UK, serve their master satan through their invented lies, evil slander, evictions and collusive persecution against the absolutely innocent Christian person Torsten.

Too close for truth: Satan's British church/government/state alliance.

UK institutions and UK leaders are too closely allied for public acknowledgement of truth, and outcome towards moral justice. UK political leaders, UK institutional leaders, and UK religious leaders are primarily loyal towards each other; some by sworn oaths of allegiance. Therefore, the satanically corrupt and persecuting **Church of England (church of satan)** is beyond accountability to truth. The UK Prime Minister is allied with the Supreme Governor of the Church of England (the Queen) as adviser of appointing personnel for the British Queen's Church of England. Church of England's Archbishop of Canterbury is by oath allied to Supreme Governor of the Church of England (the Queen). The Anglican Bishops are subordinately dependent on, and by oath allied with, the Anglican Archbishop of Canterbury (currently Justin Welby), towards concealing culpability of the worldwide

PERSECUTION by Church of England – against the Christian person Torsten; who is absolutely innocent in relation to Church of England and all the other globally persecuting churches. Queen Elizabeth II of United Kingdom is the “Supreme Governor of the Church of England”, and therefore, this **Queen of England is utmost accountable for her satanic Church of England’s intentional lies, slander, evictions and persecution against the absolutely innocent person Torsten**. The British Royal Family’s own website (<https://www.royal.uk/queens-relationship-churches-england-and-scotland-and-other-faiths>) accordingly declares: “The Queen’s relationship with the Church of England was symbolised at the Coronation in 1953 when Her Majesty was anointed by the Archbishop of Canterbury and **took an oath to ‘maintain and preserve inviolably the settlement of the Church of England, and the doctrine worship, discipline, and government thereof, as by law established in England’**. Updated Anglican/Church of England incidents:

- In 2021, more than 10 years succeeding that a heretical/Anglican Church Reverend in Stockholm, Sweden, harassed Torsten and in effect purged Torsten-the-Monster from its Anglican Church in 2007/2008: (a) through dehumanising orders, (b) through imposition of demeaning social constraints against Torsten, and (c) by threatening Torsten with Police eviction if Torsten were to speak with any attendees before/after the Sunday “services”, the typically persecuting Anglican/satanic clergy of Church of England in Stockholm sustains satan’s deceptive agenda. In 2007/2008/2009, the **Anglican Diocese of Europe** did not intervene against its discrimination against Christianity, did not cease its harassments against an innocent Christian, and did not prevent its bans and threats by the satanic/Anglican Reverend. In 2019, neither the Anglican Diocese of Europe nor the satanic Church of England nor its Archbishop of Canterbury, would declare the Anglican Diocese of Europe’s 2008 declared grave heresies and its sanctioning of the practice of homosexuality, as evil and sinful (as according to the Bible). The satanic Church of England constantly invents lies against innocent Torsten. 4. Satanic and pathologically lying Australian **“Hillsong Church”** in **London**, United Kingdom, again **evicted** innocent Torsten from their Sunday so-called service in their rented premises at Dominion Theatre in central London. The cult, Hillsong London, of course, absolutely refused to provide a reason for their repeated evictions. The typically satanic Hillsong London has confirmed that their Hillsong’s supreme devilpastor (**Brian Houston**) enforces a worldwide banishment against Torsten, and has confirmed that Hillsong’s devilpastor Brian Houston preserves a global anti-Torsten policy. Hillsect London has evicted Torsten on all six Sundays (2019-07-28, 2018-06-24, 2017-09-10, 2017-04-09, 2016-10-30, 2016-07-25) when Torsten has visited their satanic cult to obtain information about their global ban.: http://www.kyrkor.be/Hillsong-London-UK_eviction_2019-07-28.htm
5. The satanic **Baptist pastors** of United Kingdom, the evil Baptist leaders of the British Baptist Associations, and the diabolical Baptist leaders of the **Baptist Union of Great Britain**, continually slander, defame,

persecute and cyberbully the Christian person Torsten: http://www.kyrkor.be/Heart-of-England-Baptist-Association_and_Baptist-Union-UK.htm

6. The satanic Evangelical pastors of United Kingdom continually lie, slander and persecute the Christian person Torsten. The Evangelical Alliance of United Kingdom (<http://ea.uk.org>) passively endorsed the explicit banishment by one of their evangelical member churches (<http://www.kyrkor.be/Kings-Church-Birmingham-UK.htm>) in Birmingham, UK. The Evangelical Alliance of United Kingdom previously opposed Torsten's critique against the British churches' outsourcing of Christian relationships to their British pro-homosexuality and Christophobic websites: <http://www.kyrkor.be/Evangelical-Alliance-United-Kingdom.htm>. The Evangelical Alliance of Ireland (<http://www.evangelical.ie>) was previously pointed out by their Vineyard Church in Dublin (<http://www.kyrkor.be/Dublin-Vineyard-Church-Ireland.htm>) as the source of active slander and lies against Torsten "In the light of [...] correspondence from Evangelical Alliance Ireland [...] I am withdrawing the welcome.": <http://www.kyrkor.be/christianconnection.co.uk-discrimination-against-Christianity.pdf>

Everywhere on earth, satanic pastors of churches have obstructed me from possibility of a Christian marriage. Because of obstruction by the satanic pastors of churches everywhere, I have never had any opportunity in life to marry a Christian woman. Utterly evil leaders of churches everywhere, have denied me the fundamental human condition to marry a woman. Satan truly is in charge of essentially all the churches worldwide, through professional pastors and priests.

Leaders of churches, everywhere on earth, are satanically determined to deliberately destroy the life of the innocent Christian person Torsten. Everywhere on earth, leaders of churches intentionally isolate innocent Torsten through the church-leaders' utter lies, false accusations, slander, evictions, banishments and collusive persecutions against innocent Torsten. Through facts and by the evidences, it is sensible and proper to conclude that satan is in control of the minds and hearts of leaders of churches, worldwide.

Torsten has never had any opportunity in life to marry a Christian woman, because the leaders of churches on earth have actively and passively sought to prevent that Torsten could have an opportunity to marry a Christian woman. The leaders of churches on earth have sought to prohibit opportunity for Torsten to communicate with any Christian woman. Due to all of satan's hindering leaders of churches everywhere on earth, no opportunity has ever existed, and incessantly, there never can exist any opportunity in future - because no church on earth allows Torsten to communicate with any Christian woman. The leaders of churches have destroyed Torsten's life, and the leaders of churches continue to seek to destroy Torsten's life. No leader of any church anywhere on earth will allow Torsten to communicate with Christian women. No leader of any church on earth is willing to repent from their inhumanity, sinfulness and evil against Torsten.

Torsten has no wife, because the pastors of churches prohibit that Torsten may marry a woman. Torsten is not permitted by the pastors of churches to socialise in churches. Satan knows that no communication between Torsten and women equates to no Godly marriage, and that is precisely why the pastors of churches are obsessed to prevent Torsten from communicating with any woman, and that is why the pastors of churches are obsessed to isolate Torsten from fellowship. Pastors of churches are obsessed to prevent innocent Torsten from marrying a Christian woman.

In general, pastors of churches everywhere truly are menaces to civilised societies, through their lies, evils, falsities and ultra-hypocritical inhumanity.

Lies, lies, lies and lies. Lying and falsely accusing is not merely a peripheral conduct by virtually all leaders of churches worldwide, but lying and maliciously slandering is actually the core nature of essentially all leaders of churches globally. Lying, falsely accusing, slandering, banishing and collusively persecuting the absolutely innocent person Torsten is very important for essentially all pastors and priests of churches, worldwide.

If one supports liberty, with its fundamental human rights and freedoms, then one might be inclined to disagree with Silicon Valley Big-Tech’s anti-conservative biases and censorship. American Big-Tech’s lopsided financial endorsements of a political party are, nevertheless, rights. Alleged Big-Tech censorial collusion with an anti-conservative deep state America, however, is not a right. Such allegation would be corruption by state government. Minor nations to the hegemonic superstates USA and China, debatably can yet elect preference by whom they shall be surveilled and censored.

Torsten has never had any opportunity in life to marry a Christian woman, because the leaders of churches on earth have actively and passively sought to prevent that Torsten could have an opportunity to marry a Christian woman. The leaders of churches on earth have sought to prohibit opportunity for Torsten to communicate with any Christian woman. Due to all of satan's hindering leaders of churches everywhere on earth, no opportunity has ever existed, and incessantly, there never can exist any opportunity in future - because no church on earth allows Torsten to communicate with any Christian woman. The leaders of churches have destroyed Torsten's life, and the leaders of churches continue to seek to destroy Torsten's life. No leader of any church anywhere on earth will allow Torsten to communicate with Christian women. No leader of any church on earth is willing to repent from their inhumanity, sinfulness and evil against Torsten.

Torsten has no wife, because the pastors of churches prohibit that Torsten may marry a woman. Torsten is not permitted by the pastors of churches to socialise in churches. Satan knows that no communication between Torsten and women equates to no Godly marriage, and that is precisely why the pastors of churches are obsessed to prevent Torsten from communicating with any woman, and that is why the pastors of churches are obsessed to isolate Torsten from fellowship. Pastors of churches are obsessed to prevent innocent Torsten from marrying a Christian woman.

In general, pastors of churches everywhere truly are menaces to civilised societies, through their lies, evils, falsities and ultra-hypocritical inhumanity.

Lies, lies, lies and lies. Lying and falsely accusing is not merely a peripheral conduct by virtually all leaders of churches worldwide, but lying and maliciously slandering is actually the core nature of essentially all leaders of churches globally. Lying, falsely accusing, slandering, banishing and collusively persecuting the absolutely innocent person Torsten is very important for essentially all pastors and priests of churches, worldwide.

No Christian on earth knows Torsten. No pastor/priest on earth knows Torsten. Without any reality-based reason, virtually all church-leaders worldwide lie, slander, gossip, excommunicate, assault and evict Torsten. This persecution by the clergy of essentially all churches globally never stops, because satan whom they serve never stops.

The Government of Australia continues to ban innocent Torsten, through Australian Government invented and fraudulent non-reasons. Because church leaders always invent lies against innocent Torsten, and often report their lies to government authorities, it is very likely that the Australian Government identically follows the evil examples of other devilish countries of Commonwealth of Nations, like New Zealand (<http://www.kyrkor.be/New-Zealand-Federal-Governments-satanic-church-lies.htm>), and Canada (<http://www.kyrkor.be/the-morally-confused-Justin-Trudeau-in-Canada.htm>). http://www.kyrkor.be/satanic-Australian-Government-imbecils_2018.pdf

279. Two hundred seventyninth International Plea

Date: Thu, 31 Dec 2020 22:00

Subject: Totally 100% of Swedish/satanic church leaders ostracise and persecute an innocent Christian man, because the innocent man stated to all church leaders a hope of finding a Christian woman towards Christian marriage.

Christian never-married innocent man, who wants to marry a Christian woman, is excommunicated/banished by all churches in Sweden, is ousted from Swedish society, and is devoid of humane future in Sweden – because of Sweden’s heartless pastors and heretic priests, and due to Sweden’s satanic politicians and Sweden’s aggressively anti-Christian culture.

Current:

I am currently in Stockholm of satanic-Sweden.

Christians must be free to obey God in truth, instead of surrendering to the lies and evils of pastors and priests of churchianity.: <https://bit.ly/2McYwnN> (<https://bit.ly/3o2PAQ8>)

Canadian ‘Pentecostal Assemblies of Canada’ (<https://www.paoc.org>) arrogantly displayed their true colours of satan.: <http://www.kyrkor.be/Pentecostal-Assemblies-of-Canada.htm>

In United Kingdom, according to the typically lying British Police, **physical assaults** by British landlords against tenants indoors is acceptable (<https://bit.ly/2BYesFI>), but peaceful distribution of the Gospel message outdoors is not (<https://bit.ly/3fx4B8n>). Also in United Kingdom, the **very-British Britons at British county council governments provably lie**, and consequently, none of UK’s British councils government apes, nor UK’s British courts or judiciary, nor the British public services, are willing to communicate.: http://www.kyrkor.be/2020-12-31_UK_British-Government_lies_dishonesty_inanity_corruption.pdf

Contemptible “*Torsten-the-demonic-Wolf*” is continually persecuted by virtually all British leaders of all its satanic churches in United Kingdom and also worldwide, but in reality however, Torsten is an authentic Bible-affirming Christian who is absolutely innocent in relation to all of UK’s banning and persecuting churches and global churchianity.

All British satanic churches in United Kingdom have explicitly, implicitly, covertly or passively banished the Christian person Torsten, because satan’s British pastors and priests of United Kingdom’s churches have decided in their imaginations that Torsten is sorts of a monster, and that the terrible monster **Torsten is dangerous and unfit for British community**. The British satanic pastors of churches in United Kingdom persecute Torsten-the-Monster (Torsten-the-demonic-Wolf). 100% of the satanic leaders of churches in Worcester, UK, serve their master satan through their invented lies, evil slander, evictions and collusive persecution against the absolutely innocent Christian person Torsten.

Too close for truth: Satan’s British church/government/state alliance.

UK institutions and UK leaders are too closely allied for public acknowledgement of truth, and outcome towards moral justice. UK political leaders, UK institutional leaders, and UK religious leaders are primarily loyal towards each other; some by sworn oaths of allegiance. Therefore, the satanically corrupt and persecuting **Church of England (church of satan)** is beyond accountability to truth. The UK Prime Minister is allied with the Supreme Governor of the Church of England (the Queen) as adviser of appointing personnel for the British Queen’s Church of England. Church of England’s Archbishop of Canterbury is by oath allied to Supreme Governor of the Church of England (the Queen). The Anglican Bishops are subordinately dependent on, and by oath allied with, the Anglican Archbishop of Canterbury (currently Justin Welby), towards concealing culpability of the worldwide PERSECUTION by Church of England – against the Christian person Torsten; who is absolutely innocent in relation to Church of England and all the other globally persecuting churches. Queen Elizabeth II of United Kingdom is the “Supreme Governor of the Church of England”, and therefore, this **Queen of England is utmost accountable for her satanic Church of England’s intentional lies, slander, evictions and persecution against the absolutely innocent person Torsten**. The British Royal Family’s own website (<https://www.royal.uk/queens-relationship-churches-england-and-scotland-and-other-faiths>) accordingly declares: “*The Queen’s relationship with the Church of England was symbolised at the Coronation in 1953 when Her Majesty was anointed by the Archbishop of Canterbury and took an oath to ‘maintain and preserve inviolably the settlement of the Church of England, and the doctrine worship, discipline, and government thereof, as by law established in England’.* On the advice of the Prime Minister The Queen appoints Archbishops, Bishops and Deans of the Church of England, who then swear an **oath of allegiance and pay homage to Her Majesty**. Satan's Church of England of evil Kingdom of Britain under its Queen, unceasingly persecute Torsten in UK and globally. The British government's "stupidity agencies" are fit to maintain fallacious judgement and selected ignorance.

Updated Anglican/Church of England incidents:

- In 2020, more than 10 years succeeding that a heretical/Anglican Church Reverend in Stockholm, Sweden, harassed Torsten and in effect purged Torsten-the-Monster from its Anglican Church in 2007/2008: (a) through dehumanising orders, (b) through imposition of demeaning social constraints against Torsten, and (c) by threatening Torsten with Police eviction if Torsten were to speak with any attendees before/after the Sunday "services", the typically persecuting Anglican/satanic clergy of Church of England in Stockholm sustains satan's deceptive agenda. In 2007/2008/2009, the **Anglican Diocese of Europe** did not intervene against its discrimination against Christianity, did not cease its harassments against an innocent Christian, and did not prevent its bans and threats by the satanic/Anglican Reverend. In 2019, neither the Anglican Diocese of Europe nor the satanic Church of England nor its Archbishop of Canterbury, would declare the Anglican Diocese of Europe's 2008 declared grave heresies and its sanctioning of the practice of homosexuality, as evil and sinful (as according to the Bible). More than ten years later, Church of England unabatedly persecutes Torsten-the-Monster within United Kingdom and worldwide.

- Church of England (Church of Satan) continues its refusal to explain or justify the Church of England's national ban against their imagined monster, Torsten-the-Monster, who in reality is absolutely innocent in relation to all churches on earth. Archbishop Justin Welby's **Church of England (Church of Satan)** globally banish, evict, falsely accuse, slander, physically assault and **persecute** the real Christian person Torsten. The satanic Church of England constantly invents lies against innocent Torsten. The satanic vicars/bishops of satan's Church of England oppose truth and God, and thus, the Church of England unceasingly concoct utter lies against Torsten. Identically with satan, the Archbishop of Church of England absolutely refuses to justify his Church of England's persecution against innocent Torsten, and Church of England refuses to repent from its continuous satanic evils against innocent Torsten.: <http://www.kyrkor.be/satanic-Archbishop-Justin-Welby-of-satans-Church-of-England.htm>

Semi-recent British churchianity incidents:

1. Satanic 'Woodgreen Evangelical Church' in Worcester, United Kingdom, explicitly banished and evicted innocent Torsten, called the Police, and falsely accused the absolutely innocent Christian person Torsten of being **"a very dangerous, deluded and demonic Wolf"**, and that it is a moral duty to protect people from Torsten.: http://www.kyrkor.be/Woodgreen-Evangelical-Church_Worcester_UK_eviction_2017.htm
2. Satanic 'Hope Church' in Worcester, United Kingdom, explicitly banished and evicted innocent Torsten and threatened to call the police, because their satanic church leaders collude with other satanic churches. The satanic Hope Church falsely accused that the absolutely innocent Christian person **Torsten is a danger**, and declared that their **eviction of Torsten is necessary for protection of the people**.: http://www.kyrkor.be/Hope-Church-Worcester_UK_eviction_2017.htm
3. Satanic Church of England's 'All Saints Church' in Worcester, United Kingdom, explicitly banished and evicted innocent Torsten, called the Police, and falsely accused innocent Torsten of some unknown and unspecified **"behaviour"**. The satanic Church of England's vicars/bishops have concocted utter lies against a non-existent monster, who they call Torsten. The Archbishop of Church of England, Justin Welby, absolutely refuses to specify what sin, immorality, wrongdoing or **"behaviour"** that his Church of England constantly accuse against innocent Torsten, justifying Church of England's evictions and global banishments against innocent Torsten.: http://www.kyrkor.be/All-Saints-Church_Worcester_UK_Anglican-eviction_2017.htm
4. Satanic and pathologically lying Australian **"Hillsong Church"** in London, United Kingdom, again evicted innocent Torsten from their Sunday so-called service in their rented premises at Dominion Theatre in central London. The cult, Hillsong London, of course, absolutely refused to provide a reason for their repeated evictions. The typically satanic Hillsong London has confirmed that their Hillsong's supreme devilpastor (**Brian Houston**) enforces a worldwide banishment against Torsten, and has confirmed that Hillsong's devilpastor Brian Houston preserves a global anti-Torsten policy. Hillsong London has evicted Torsten on all six Sundays (2019-07-28, 2018-06-24, 2017-09-10, 2017-04-09, 2016-10-30, 2016-07-25) when Torsten has visited their satanic cult to obtain information about their global ban.: http://www.kyrkor.be/Hillsong-London-UK_eviction_2019-07-28.htm
5. The satanic Baptist pastors of United Kingdom, the evil Baptist leaders of the British Baptist Associations, and the diabolical Baptist leaders of the Baptist Union of Great Britain, continually slander, defame, persecute and cyberbully the Christian person Torsten: http://www.kyrkor.be/Heart-of-England-Baptist-Association_and_Baptist-Union-UK.htm
6. The satanic Evangelical pastors of United Kingdom continually lie, slander and persecute the Christian person Torsten. The Evangelical Alliance of United Kingdom (<http://ea.uk.org>) passively endorsed the explicit banishment by one of their evangelical member churches (<http://www.kyrkor.be/Kings-Church-Birmingham-UK.htm>) in Birmingham, UK. The Evangelical Alliance of United Kingdom previously opposed Torsten's critique against the British churches' outsourcing of Christian relationships to their British pro-homosexuality and Christophobic websites: <http://www.kyrkor.be/Evangelical-Alliance-United-Kingdom.htm>. The Evangelical Alliance of Ireland (<http://www.evangelical.ie>) was previously pointed out by their Vineyard Church in Dublin (<http://www.kyrkor.be/Dublin-Vineyard-Church-Ireland.htm>) as the source of active slander and lies against Torsten *"In the light of [...] correspondence from Evangelical Alliance Ireland [...] I am withdrawing the welcome."*: <http://www.kyrkor.be/christianconnection.co.uk-discrimination-against-Christianity.pdf>

Everywhere on earth, satanic pastors of churches have obstructed me from possibility of a Christian marriage. Because of obstruction by the satanic pastors of churches everywhere, I have never had any opportunity in life to marry a Christian woman. Utterly evil leaders of churches everywhere, have denied me the fundamental human condition to marry a woman. Satan truly is in charge of essentially all the churches worldwide, through professional pastors and priests.

Leaders of churches, everywhere on earth, are satanically determined to deliberately destroy the life of the innocent Christian person Torsten. Everywhere on earth, leaders of churches intentionally isolate innocent Torsten through the church-leaders' utter lies, false accusations, slander, evictions, banishments and collusive persecutions against innocent Torsten. Through facts and by the evidences, it is sensible and proper to conclude that satan is in control of the minds and hearts of leaders of churches, worldwide.

Torsten has never had any opportunity in life to marry a Christian woman, because the leaders of churches on earth have actively and passively sought to prevent that Torsten could have an opportunity to marry a Christian woman. 6. The satanic Evangelical pastors of United Kingdom continually lie, slander and persecute the Christian person Torsten. The Evangelical Alliance of United Kingdom (<http://ea.uk.org>) passively endorsed the explicit banishment by one of their evangelical member churches (<http://www.kyrkor.be/Kings-Church-Birmingham-UK.htm>) in Birmingham, UK. The Evangelical Alliance of United Kingdom previously opposed Torsten's critique against the British churches' outsourcing of Christian relationships to their British pro-homosexuality and Christophobic websites: <http://www.kyrkor.be/Evangelical-Alliance-United-Kingdom.htm>. The Evangelical Alliance of Ireland (<http://www.evangelical.ie>) was previously pointed out by their Vineyard Church in Dublin (<http://www.kyrkor.be/Dublin-Vineyard-Church-Ireland.htm>) as the source of active slander and lies against Torsten "In the light of [...] correspondence from Evangelical Alliance Ireland [...] I am withdrawing the welcome.": <http://www.kyrkor.be/christianconnection.co.uk-discrimination-against-Christianity.pdf>

Everywhere on earth, satanic pastors of churches have obstructed me from possibility of a Christian marriage. Because of obstruction by the satanic pastors of churches everywhere, I have never had any opportunity in life to marry a Christian woman. Utterly evil leaders of churches everywhere, have denied me the fundamental human condition to marry a woman. Satan truly is in charge of essentially all the churches worldwide, through professional pastors and priests.

Leaders of churches, everywhere on earth, are satanically determined to deliberately destroy the life of the innocent Christian person Torsten. Everywhere on earth, leaders of churches intentionally isolate innocent Torsten through the church-leaders' utter lies, false accusations, slander, evictions, banishments and collusive persecutions against innocent Torsten. Through facts and by the evidences, it is sensible and proper to conclude that satan is in control of the minds and hearts of leaders of churches, worldwide.

Torsten has never had any opportunity in life to marry a Christian woman, because the leaders of churches on earth have actively and passively sought to prevent that Torsten could have an opportunity to marry a Christian woman. The leaders of churches on earth have sought to prohibit opportunity for Torsten to communicate with any Christian woman. Due to all of satan's hindering leaders of churches everywhere on earth, no opportunity has ever existed, and incessantly, there never can exist any opportunity in future - because no church on earth allows Torsten to communicate with any Christian woman. The leaders of churches have destroyed Torsten's life, and the leaders of churches continue to seek to destroy Torsten's life. No leader of any church anywhere on earth will allow Torsten to communicate with Christian women. No leader of any church on earth is willing to repent from their inhumanity, sinfulness and evil against Torsten.

Torsten has no wife, because the pastors of churches prohibit that Torsten may marry a woman. Torsten is not permitted by the pastors of churches to socialise in churches. Satan knows that no communication between Torsten and women equates to no Godly marriage, and that is precisely why the pastors of churches are obsessed to prevent Torsten from communicating with any woman, and that is why the pastors of churches are obsessed to isolate Torsten from fellowship. Pastors of churches are obsessed to prevent innocent Torsten from marrying a Christian woman.

In general, pastors of churches everywhere truly are menaces to civilised societies, through their lies, evils, falsities and ultra-hypocritical inhumanity.

Lies, lies, lies and lies. Lying and falsely accusing is not merely a peripheral conduct by virtually all leaders of churches worldwide, but lying and maliciously slandering is actually the core nature of essentially all leaders of churches globally. Lying, falsely accusing, slandering, banishing and collusively persecuting the absolutely innocent person Torsten is very important for essentially all pastors and priests of churches, worldwide.

No Christian on earth knows Torsten. No pastor/priest on earth knows Torsten. Without any reality-based reason, virtually all church-leaders worldwide lie, slander, gossip, excommunicate, assault and evict Torsten. This persecution by the clergy of essentially all churches globally never stops, because satan whom they serve never stops.

The Government of Australia continues to ban innocent Torsten, through Australian Government invented and fraudulent non-reasons. Because church leaders always invent lies against innocent Torsten, and often report their lies to government authorities, it is very likely that the Australian Government identically follows the evil examples of other devilish countries of Commonwealth of Nations, like New Zealand (<http://www.kyrkor.be/New-Zealand-Federal-Governments-satanic-church-lies.htm>), and Canada (<http://www.kyrkor.be/the-morally-confused-Justin-Trudeau-in-Canada.htm>). http://www.kyrkor.be/satanic-Australian-Government-imbecils_2018.pdf

277. Two hundred seventyseventh International Plea

Date: Tue, 1 Dec 2020 00:51

Subject: All 100% of Swedish/satanic church leaders ostracise and persecute an innocent Christian man, because the innocent man declared to all church leaders a hope of finding a Christian woman towards Christian marriage.

Christian never-married innocent man, who wants to marry a Christian woman, is excommunicated/banished by all churches in Sweden, is ousted from Swedish society, and is devoid of humane future in Sweden – because of Sweden’s heartless pastors and heretic priests, and due to Sweden’s satanic politicians and Sweden’s aggressively anti-Christian culture.

Current:

I am currently in Stockholm of satanic-Sweden.

- Twitter’s [censorial networking service](https://twitter.com/TorsNen) entirely blocked new tweets from Torsten Nenzén (<https://twitter.com/TorsNen>), presumably due to Torsten Nenzén’s factual correctness of the Bible and the Quran.: http://www.kyrkor.be/Twitter_Censorship_2020-10-28.pdf

Canadian ‘Pentecostal Assemblies of Canada’ (<https://www.paoc.org>) arrogantly displayed their true colours of satan.: <http://www.kyrkor.be/Pentecostal-Assemblies-of-Canada.htm>

In United Kingdom, according to the typically lying British Police, **physical assaults** by British landlords against tenants indoors is acceptable (<https://bit.ly/2BYesFl>), but peaceful distribution of the Gospel message outdoors is not (<https://bit.ly/3fx4B8n>). Also in United Kingdom, the **very-British Britons at British county council governments provably lie**, and consequently, none of UK’s British councils government apes, nor UK’s British courts or judiciary, nor the British public services, are willing to communicate.: http://www.kyrkor.be/2020-11-30_UK_British-Government_lies_dishonesty_inanity_corruption.pdf

Contemptible “Torsten-the-demonic-Wolf” is continually persecuted by virtually all British leaders of all its satanic churches in United Kingdom and also worldwide, but in reality however, Torsten is an authentic Bible-affirming Christian who is absolutely innocent in relation to all of UK’s banning and persecuting churches and global churchianity.

All British satanic churches in United Kingdom have explicitly, implicitly, covertly or passively banished the Christian person Torsten, because satan’s British pastors and priests of United Kingdom’s churches have decided in their imaginations that Torsten is sorts of a monster, and that the terrible monster **Torsten is dangerous and unfit for British community**. The British satanic pastors of churches in United Kingdom persecute Torsten-the-Monster (Torsten-the-demonic-Wolf). **100%** of the satanic leaders of churches in Worcester, UK, serve their master satan through their invented lies, evil slander, evictions and collusive persecution against the absolutely innocent Christian person Torsten.

Too close for truth: Satan’s British church/government/state alliance.

UK institutions and UK leaders are too closely allied for public acknowledgement of truth, and outcome towards moral justice. UK political leaders, UK institutional leaders, and UK religious leaders are primarily loyal towards each other; some by sworn oaths of allegiance. Therefore, the satanically corrupt and persecuting **Church of England (church of satan)** is beyond accountability to truth. The UK Prime Minister is allied with the Supreme Governor of the Church of England (the Queen) as adviser of appointing personnel for the British Queen’s Church of England. Church of England’s Archbishop of Canterbury is by oath allied to Supreme Governor of the Church of England (the Queen). The Anglican Bishops are subordinately dependent on, and by oath allied with, the Anglican Archbishop of Canterbury (currently Justin Welby), towards concealing culpability of the worldwide PERSECUTION by Church of England – against the Christian person Torsten; who is absolutely innocent in relation to Church of England and all the other globally persecuting churches. Queen Elizabeth II of United Kingdom is the “Supreme Governor of the Church of England”, and therefore, this **Queen of England is utmost accountable for her satanic Church of England’s intentional lies, slander, evictions and persecution against the absolutely innocent person Torsten**. The British Royal Family’s own website (<https://www.royal.uk/queens-relationship-churches-england-and-scotland-and-other-faiths>) accordingly declares: “The Queen’s relationship with the Church of England was symbolised at the Coronation in 1953 when Her Majesty was anointed by the Archbishop of Canterbury and took an **oath to ‘maintain and preserve inviolably the settlement of the Church of England, and the doctrine worship, discipline, and government thereof, as by law established in England’**. On the advice of the Prime Minister The Queen appoints Archbishops, Bishops and Deans of the Church of England, who then **swear an oath of allegiance and pay homage to Her Majesty**. Church of England deacons and parish priests also **swear an oath of allegiance to the Sovereign**.” <https://twitter.com/TorsNen/status/94555579773139968>

Satan’s Church of England of evil Kingdom of Britain under its Queen, unceasingly persecute Torsten in UK and globally. The British government’s “stupidity agencies” are fit to maintain fallacious judgement and selected ignorance.

Updated Anglican/Church of England incidents:

- In 2020, more than 10 years succeeding that a heretical/Anglican Church Reverend in Stockholm, Sweden, harassed Torsten and in effect purged Torsten-the-Monster from its Anglican Church in 2007/2008: (a) through dehumanising orders, (b) through imposition of demeaning social constraints against Torsten, and (c) by threatening Torsten with Police eviction if Torsten were to speak with any attendees before/after the Sunday “services”, the typically persecuting Anglican/satanic clergy of Church of England in Stockholm sustains satan’s deceptive agenda. In 2007/2008/2009, the **Anglican Diocese of Europe** did not intervene against its discrimination against Christianity, did not cease its harassments against an innocent Christian,

and did not prevent its bans and threats by the satanic/Anglican Reverend. In 2019, neither the Anglican Diocese of Europe nor the satanic Church of England nor its Archbishop of Canterbury, would declare the Anglican Diocese of Europe's 2008 declared grave heresies and its sanctioning of the practice of homosexuality, as evil and sinful (as according to the Bible). More than ten years later, Church of England unabatedly persecutes Torsten-the-Monster within United Kingdom and worldwide.

Currently from 2020: http://www.kyrkor.be/Anglican-Church-Stockholm_and_Anglican-Diocese-Europe_10-years-later.htm

- Church of England (Church of Satan) continues its refusal to explain or justify the Church of England's national ban against their imagined monster, Torsten-the-Monster, who in reality is absolutely innocent in relation to all churches on earth. Archbishop Justin Welby's **Church of England (Church of Satan)** globally banish, evict, falsely accuse, slander, physically assault and **persecute** the real Christian person Torsten. The satanic Church of England constantly invents lies against innocent Torsten. The satanic vicars/bishops of Satan's Church of England oppose truth and God, and thus, the Church of England unceasingly concoct utter lies against Torsten. Identically with Satan, the Archbishop of Church of England absolutely refuses to justify his Church of England's persecution against innocent Torsten, and Church of England refuses to repent from its continuous satanic evils against innocent Torsten.: <http://www.kyrkor.be/satanic-Archbishop-Justin-Welby-of-satans-Church-of-England.htm>

Semi-recent British churchianity incidents:

1. Satanic 'Woodgreen Evangelical Church' in Worcester, United Kingdom, explicitly banished and evicted innocent Torsten, called the Police, and falsely accused the absolutely innocent Christian person Torsten of being **"a very dangerous, deluded and demonic Wolf"**, and that it is a moral duty to protect people from Torsten.: http://www.kyrkor.be/Woodgreen-Evangelical-Church_Worcester_UK_eviction_2017.htm
2. Satanic 'Hope Church' in Worcester, United Kingdom, explicitly banished and evicted innocent Torsten and threatened to call the police, because their satanic church leaders collude with other satanic churches. The satanic Hope Church falsely accused that the absolutely innocent Christian person **Torsten is a danger**, and declared that their **eviction of Torsten is necessary for protection of the people**.: http://www.kyrkor.be/Hope-Church-Worcester_UK_eviction_2017.htm
3. Satanic Church of England's 'All Saints Church' in Worcester, United Kingdom, explicitly banished and evicted innocent Torsten, called the Police, and falsely accused innocent Torsten of some unknown and unspecified "behaviour". The satanic Church of England's vicars/bishops have concocted utter lies against a non-existent monster, who they call Torsten. The Archbishop of Church of England, Justin Welby, absolutely refuses to specify what sin, immorality, wrongdoing or **"behaviour"** that his Church of England constantly accuse against innocent Torsten, justifying Church of England's evictions and global banishments against innocent Torsten.: http://www.kyrkor.be/All-Saints-Church_Worcester_UK_Anglican-eviction_2017.htm
4. Satanic and pathologically lying Australian **"Hillsong Church"** in London, United Kingdom, again evicted innocent Torsten from their Sunday so-called service in their rented premises at Dominion Theatre in central London. The cult, Hillsong London, of course, absolutely refused to provide a reason for their repeated evictions. The typically satanic Hillsong London has confirmed that their Hillsong's supreme devilpastor (**Brian Houston**) enforces a worldwide banishment against Torsten, and has confirmed that Hillsong's devilpastor Brian Houston preserves a global anti-Torsten policy. Hillsect London has evicted Torsten on all six Sundays (2019-07-28, 2018-06-24, 2017-09-10, 2017-04-09, 2016-10-30, 2016-07-25) when Torsten has visited their satanic cult to obtain information about their global ban.: http://www.kyrkor.be/Hillsong-London-UK_eviction_2019-07-28.htm
5. The satanic Baptist pastors of United Kingdom, the evil Baptist leaders of the British Baptist Associations, and the diabolical Baptist leaders of the Baptist Union of Great Britain, continually slander, defame, persecute and cyberbully the Christian person Torsten: http://www.kyrkor.be/Heart-of-England-Baptist-Association_and_Baptist-Union-UK.htm
6. The satanic Evangelical pastors of United Kingdom continually lie, slander and persecute the Christian person Torsten. The churchianity-people appear particularly hostile against individual Christians that instead follow sound science to protect others by donning a face mask. Satanic-Sweden's Covid-19 pandemic policy-values resemble Darwinian natural selection (survival of the fittest). 2. Satanic 'Hope Church' in Worcester, United Kingdom, explicitly banished and evicted innocent Torsten and threatened to call the police, because their satanic church leaders collude with other satanic churches. The satanic Hope Church falsely accused that the absolutely innocent Christian person **Torsten is a danger**, and declared that their **eviction of Torsten is necessary for protection of the people**.: http://www.kyrkor.be/Hope-Church-Worcester_UK_eviction_2017.htm
3. Satanic Church of England's 'All Saints Church' in Worcester, United Kingdom, explicitly banished and evicted innocent Torsten, called the Police, and falsely accused innocent Torsten of some unknown and unspecified **"behaviour"**. The satanic Church of England's vicars/bishops have concocted utter lies against a non-existent monster, who they call Torsten. The Archbishop of Church of England, Justin Welby, absolutely refuses to specify what sin, immorality, wrongdoing or **"behaviour"** that his Church of England constantly accuse against innocent Torsten, justifying Church of England's evictions and global banishments against innocent Torsten.: http://www.kyrkor.be/All-Saints-Church-Worcester_UK_Anglican-eviction_2017.htm
4. Satanic and pathologically lying Australian **"Hillsong Church"** in London, United Kingdom, again evicted innocent Torsten from their Sunday so-called service in their rented premises at Dominion Theatre in central London. The cult, Hillsong London, of course, absolutely refused to provide a reason for their repeated evictions. The typically satanic Hillsong London has confirmed that their Hillsong's supreme devilpastor (**Brian Houston**) enforces a worldwide banishment against Torsten, and has confirmed that Hillsong's devilpastor Brian Houston preserves a global anti-Torsten policy. Hillsect London has evicted Torsten on all six Sundays (2019-07-28, 2018-06-24, 2017-09-10, 2017-04-09, 2016-10-30, 2016-07-25) when Torsten has visited their satanic cult to obtain information about their global ban.: http://www.kyrkor.be/Hillsong-London-UK_eviction_2019-07-28.htm
5. The satanic Baptist pastors of United Kingdom, the evil Baptist leaders of the British Baptist Associations, and the diabolical Baptist leaders of the Baptist Union of Great Britain, continually slander, defame, persecute and cyberbully the Christian person Torsten: http://www.kyrkor.be/Heart-of-England-Baptist-Association_and_Baptist-Union-UK.htm
6. The satanic Evangelical pastors of United Kingdom continually lie, slander and persecute the Christian person Torsten. The Evangelical Alliance of United Kingdom ^(http://ea.uk.org) passively endorsed the explicit banishment by one of their evangelical member churches ^(http://www.kyrkor.be/Kings-Church-Birmingham-UK.htm) in Birmingham, UK. The Evangelical Alliance of United Kingdom previously opposed Torsten's critique against the British churches' outsourcing of Christian relationships to their British pro-homosexuality and Christophobic websites: <http://www.kyrkor.be/Evangelical-Alliance-United-Kingdom.htm>. The Evangelical Alliance of Ireland ^(http://www.evangelical.ie) was previously pointed out by their Vineyard Church in Dublin ^(http://www.kyrkor.be/Dublin-Vineyard-Church-Ireland.htm) as the source of active slander and lies against Torsten *"In the light of [...] correspondence from Evangelical Alliance Ireland [...] I am withdrawing the welcome."*: <http://www.kyrkor.be/christianconnection.co.uk-discrimination-against-Christianity.pdf>

Everywhere on earth, satanic pastors of churches have obstructed me from possibility of a Christian marriage. Because of obstruction by the satanic pastors of churches everywhere, I have never had any opportunity in life to marry a Christian woman. Utterly evil leaders of churches everywhere, have denied me the fundamental human condition to marry a woman. Satan truly is in charge of essentially all the churches worldwide, through professional pastors and priests.

Leaders of churches, everywhere on earth, are satanically determined to deliberately destroy the life of the innocent Christian person Torsten. Everywhere on earth, leaders of churches intentionally isolate innocent Torsten through the church-leaders' utter lies, false accusations, slander, evictions, banishments and collusive persecutions against innocent Torsten. Through facts and by the evidences, it is sensible and proper to conclude that satan is in control of the minds and hearts of leaders of churches, worldwide.

Torsten has never had any opportunity in life to marry a Christian woman, because the leaders of churches on earth have actively and passively sought to prevent that Torsten could have an opportunity to marry a Christian woman. The leaders of churches on earth have sought to prohibit opportunity for Torsten to communicate with any Christian woman. Due to all of satan's hindering leaders of churches everywhere on earth, no opportunity has ever existed, and incessantly, there never can exist any opportunity in future - because no church on earth allows Torsten to communicate with any Christian woman. The leaders of churches have destroyed Torsten's life, and the leaders of churches continue to seek to destroy Torsten's life. No leader of any church anywhere on earth

will allow Torsten to communicate with Christian women. No leader of any church on earth is willing to repent from their inhumanity, sinfulness and evil against Torsten.

Torsten has no wife, because the pastors of churches prohibit that Torsten may marry a woman. Torsten is not permitted by the pastors of churches to socialise in churches. Satan knows that no communication between Torsten and women equates to no Godly marriage, and that is precisely why the pastors of churches are obsessed to prevent Torsten from communicating with any woman, and that is why the pastors of churches are obsessed to isolate Torsten from fellowship. Pastors of churches are obsessed to prevent innocent Torsten from marrying a Christian woman.

In general, pastors of churches everywhere truly are menaces to civilised societies, through their lies, evils, falsities and ultra-hypocritical inhumanity.

Lies, lies, lies and lies. Lying and falsely accusing is not merely a peripheral conduct by virtually all leaders of churches worldwide, but lying and maliciously slandering is actually the core nature of essentially all leaders of churches globally. Lying, falsely accusing, slandering, banishing and collusively persecuting the absolutely innocent person Torsten is very important for essentially all pastors and priests of churches, worldwide.

No Christian on earth knows Torsten. No pastor/priest on earth knows Torsten. Without any reality-based reason, virtually all church-leaders worldwide lie, slander, gossip, excommunicate, assault and evict Torsten. This persecution by the clergy of essentially all churches globally never stops, because Satan whom they serve never stops.

The Government of Australia continues to ban innocent Torsten, through Australian Government invented and fraudulent non-reasons. Because church leaders always invent lies against innocent Torsten, and often report their lies to government authorities, it is very likely that the Australian Government identically follows the evil examples of other devilish countries of Commonwealth of Nations, like New Zealand (<http://www.kyrkor.be/New-Zealand-Federal-Governments-satanic-church-lies.htm>), and Canada (<http://www.kyrkor.be/the-morally-confused-Justin-Trudeau-in-Canada.htm>). http://www.kyrkor.be/satanic-Australian-Government-imbecils_2018.pdf

275. Two hundred seventyfifth International Plea

Date: Sun, 1 Nov 2020 16:20

Subject: 100% of all Swedish/satanic church leaders ostracise and persecute an innocent Christian man, because the innocent man declared to all church leaders a hope of finding a Christian woman towards Christian marriage.

Christian never-married innocent man, who wants to marry a Christian woman, is excommunicated/banished by all churches in Sweden, is ousted from Swedish society, and is devoid of humane future in Sweden – because of Sweden's heartless pastors and heretic priests, and due to Sweden's satanic politicians and Sweden's aggressively anti-Christian culture.

Current:

I am currently in Stockholm of satanic-Sweden.

- Twitter's ensorial networking service entirely blocks new tweets from Torsten Nenzén (<https://twitter.com/TorsNen>), presumably due to Torsten Nenzén's factual correctness of the Bible and the Quran.: http://www.kyrkor.be/Twitter_Censorship_2020-10-28.pdf

In United Kingdom, according to the typically lying British Police, **physical assaults** by British landlords against tenants indoors is acceptable (<https://bit.ly/2BYesFl>), but peaceful distribution of the Gospel message outdoors is not (<https://bit.ly/3fx4B8n>). Also in United Kingdom, the **very-British Britons at British county council governments provably lie**, and consequently, none of UK's British councils government apes, nor UK's British courts or judiciary, nor the British public services, are willing to communicate.: http://www.kyrkor.be/2020-11-01__UK_British-Government_lies_dishonesty_inanity_corruption.pdf

Contemptible "Torsten-the-demonic-Wolf" is continually persecuted by virtually all British leaders of all its satanic churches in United Kingdom and also worldwide, but in reality however, Torsten is an authentic Bible-affirming Christian who is absolutely innocent in relation to all of UK's banning and persecuting churches and global churchianity.

All British satanic churches in United Kingdom have explicitly, implicitly, covertly or passively banished the Christian person Torsten, because satan's British pastors and priests of United Kingdom's churches have decided in their imaginations that Torsten is sorts of a monster, and that the terrible monster **Torsten is dangerous and unfit for British community**. The British satanic pastors of churches in United Kingdom persecute Torsten-the-Monster (Torsten-the-demonic-Wolf). 100% of the satanic leaders of churches in Worcester, UK, serve their master satan through their invented lies, evil slander, evictions and collusive persecution against the absolutely innocent Christian person Torsten.

Too close for truth: Satan's British church/government/state alliance.

UK institutions and UK leaders are too closely allied for public acknowledgement of truth, and outcome towards moral justice. UK political leaders, UK institutional leaders, and UK religious leaders are primarily loyal towards each other; some by sworn oaths of allegiance. Therefore, the satanically corrupt and persecuting **Church of England (church of satan)** is beyond accountability to truth. The UK Prime Minister is allied with the Supreme Governor of the Church of England (the Queen) as adviser of appointing personnel for the British Queen's Church of England. Church of England's Archbishop of Canterbury is by oath allied to Supreme Governor of the Church of England (the Queen). The Anglican Bishops are subordinately dependent on, and by oath allied with, the Anglican Archbishop of Canterbury (currently Justin Welby), towards concealing culpability of the worldwide PERSECUTION by Church of England – against the Christian person Torsten; who is absolutely innocent in relation to Church of England and all the other globally persecuting churches. Queen Elizabeth II of United Kingdom is the "Supreme Governor of the Church of England", and therefore, this **Queen of England is utmost accountable for her satanic Church of England's intentional lies, slander, evictions and persecution against the absolutely innocent person Torsten**. The British Royal Family's own website (<https://www.royal.uk/queens-relationship-churches-england-and-scotland-and-other-faiths>) accordingly declares: "The Queen's relationship with the Church of England was symbolised at the Coronation in 1953 when Her Majesty was anointed by the Archbishop of Canterbury and took an **oath to 'maintain and preserve inviolably the settlement of the Church of England, and the doctrine worship, discipline, and government thereof, as by law established in England'**. On the advice of the Prime Minister The Queen appoints Archbishops, Bishops and Deans of the Church of England, who then swear an **oath of allegiance and pay homage to Her Majesty**. Church of England deacons and parish priests also **swear an oath of allegiance to the Sovereign**." <https://twitter.com/TorsNen/status/94555797773139968>

Satan's Church of England of evil Kingdom of Britain under its Queen, unceasingly persecute Torsten in UK and globally. The British government's "stupidity agencies" are fit to maintain fallacious judgement and selected ignorance.

Updated Anglican/Church of England incidents:

- In 2020, more than 10 years succeeding that a heretical/Anglican Church Reverend in Stockholm, Sweden, harassed Torsten and in effect purged Torsten-the-Monster from its Anglican Church in 2007/2008: (a) through dehumanising orders, (b) through imposition of demeaning social constraints against Torsten, and (c) by threatening Torsten with Police eviction if Torsten were to speak with any attendees before/after the Sunday "services", the typically persecuting Anglican/satanic clergy of Church of England in Stockholm sustains satan's deceptive agenda. In 2007/2008/2009, the **Anglican Diocese of Europe** did not intervene against its discrimination against Christianity, did not cease its harassments against an innocent Christian, and did not prevent its bans and threats by the satanic/Anglican Reverend. In 2019, neither the Anglican Diocese of Europe nor the satanic Church of England nor its Archbishop of Canterbury, would declare the Anglican Diocese of Europe's 2008 declared grave heresies and its sanctioning of the practice of homosexuality, as evil and sinful (as according to the Bible). Satanic 'Woodgreen Evangelical Church' in Worcester, United Kingdom, explicitly banished and evicted innocent Torsten, called the Police, and falsely accused the absolutely innocent Christian person Torsten of being **"a very dangerous, deluded and demonic Wolf"**, and that it is a moral duty to protect people from Torsten.: http://www.kyrkor.be/Woodgreen-Evangelical-Church_Worcester_UK_eviction_2017.htm
2. Satanic 'Hope Church' in Worcester, United Kingdom, explicitly banished and evicted innocent Torsten and threatened to call the police, because their satanic church leaders collude with other satanic churches. The satanic Hope Church falsely accused that the absolutely innocent Christian person **Torsten is a danger**, and declared that their **eviction of Torsten is necessary for protection of the people**.: http://www.kyrkor.be/Hope-Church-Worcester_UK_eviction_2017.htm
3. Satanic Church of England's 'All Saints Church' in Worcester, United Kingdom, explicitly banished and evicted innocent Torsten, called the Police, and falsely accused innocent Torsten of some unknown and unspecified "behaviour". The satanic Church of England's vicars/bishops have concocted utter lies against a non-existent monster, who they call Torsten. The Archbishop of Church of England, Justin Welby, absolutely refuses to specify what sin, immorality, wrongdoing or **"behaviour"** that his Church of England constantly accuse

- against innocent Torsten, justifying Church of England's evictions and global banishments against innocent Torsten.: <http://www.kyrkor.be/All-Saints-Church-Worcester-UK-Anglican-eviction-2017.htm>
4. Satanic and pathologically lying Australian "Hillsong Church" in London, United Kingdom, again evicted innocent Torsten from their Sunday so-called service in their rented premises at Dominion Theatre in central London. The cult, Hillsong London, of course, absolutely refused to provide a reason for their repeated evictions. The typically satanic Hillsong London has confirmed that their Hillsong's supreme devilpastor (**Brian Houston**) enforces a worldwide banishment against Torsten, and has confirmed that Hillsong's devilpastor Brian Houston preserves a global anti-Torsten policy. Hillsong London has evicted Torsten on all six Sundays (2019-07-28, 2018-06-24, 2017-09-10, 2017-04-09, 2016-10-30, 2016-07-25) when Torsten has visited their satanic cult to obtain information about their global ban.: <http://www.kyrkor.be/Hillsong-London-UK-eviction-2019-07-28.htm>
 5. The satanic Baptist pastors of United Kingdom, the evil Baptist leaders of the British Baptist Associations, and the diabolical Baptist leaders of the Baptist Union of Great Britain, continually slander, defame, persecute and cyberbully the Christian person Torsten: <http://www.kyrkor.be/Heart-of-England-Baptist-Association-and-Baptist-Union-UK.htm>
 6. The satanic Evangelical pastors of United Kingdom continually lie, slander and persecute the Christian person Torsten. The Evangelical Alliance of United Kingdom (<http://ea.uk.org>) passively endorsed the explicit banishment by one of their evangelical member churches (<http://www.kyrkor.be/Kings-Church-Birmingham-UK.htm>) in Birmingham, UK. The Evangelical Alliance of United Kingdom previously opposed Torsten's critique against the British churches' outsourcing of Christian relationships to their British pro-homosexuality and Christophobic websites: <http://www.kyrkor.be/Evangelical-Alliance-United-Kingdom.htm>. The Evangelical Alliance of Ireland (<http://www.evangelical.ie>) was previously pointed out by their Vineyard Church in Dublin (<http://www.kyrkor.be/Dublin-Vineyard-Church-Ireland.htm>) as the source of active slander and lies against Torsten "In the light of [...] correspondence from Evangelical Alliance Ireland [...] I am withdrawing the welcome.": <http://www.kyrkor.be/christianconnection.co.uk-discrimination-against-Christianity.pdf>

Everywhere on earth, satanic pastors of churches have obstructed me from possibility of a Christian marriage. Because of obstruction by the satanic pastors of churches everywhere, I have never had any opportunity in life to marry a Christian woman. Utterly evil leaders of churches everywhere, have denied me the fundamental human condition to marry a woman. Satan truly is in charge of essentially all the churches worldwide, through professional pastors and priests.

Leaders of churches, everywhere on earth, are satanically determined to deliberately destroy the life of the innocent Christian person Torsten. Everywhere on earth, leaders of churches intentionally isolate innocent Torsten through the church-leaders' utter lies, false accusations, slander, evictions, banishments and collusive persecutions against innocent Torsten. Through facts and by the evidences, it is sensible and proper to conclude that satan is in control of the minds and hearts of leaders of churches, worldwide.

Torsten has never had any opportunity in life to marry a Christian woman, because the leaders of churches on earth have actively and passively sought to prevent that Torsten could have an opportunity to marry a Christian woman. The leaders of churches on earth have sought to prohibit opportunity for Torsten to communicate with any Christian woman. Due to all of satan's hindering leaders of churches everywhere on earth, no opportunity has ever existed, and incessantly, there never can exist any opportunity in future - because no church on earth allows Torsten to communicate with any Christian woman. The leaders of churches have destroyed Torsten's life, and the leaders of churches continue to seek to destroy Torsten's life. No leader of any church anywhere on earth will allow Torsten to communicate with Christian women. No leader of any church on earth is willing to repent from their inhumanity, sinfulness and evil against Torsten.

Torsten has no wife, because the pastors of churches prohibit that Torsten may marry a woman. Torsten is not permitted by the pastors of churches to socialise in churches. Satan knows that no communication between Torsten and women equates to no Godly marriage, and that is precisely why the pastors of churches are obsessed to prevent Torsten from communicating with any woman, and that is why the pastors of churches are obsessed to isolate Torsten from fellowship. Pastors of churches are obsessed to prevent innocent Torsten from marrying a Christian woman.

In general, pastors of churches everywhere truly are menaces to civilised societies, through their lies, evils, falsities and ultra-hypocritical inhumanity.

Lies, lies, lies and lies. Lying and falsely accusing is not merely a peripheral conduct by virtually all leaders of churches worldwide, but lying and maliciously slandering is actually the core nature of essentially all leaders of churches globally. Lying, falsely accusing, slandering, banishing and collusively persecuting the absolutely innocent person Torsten is very important for essentially all pastors and priests of churches, worldwide.

No Christian on earth knows Torsten. No pastor/priest on earth knows Torsten. Without any reality-based reason, virtually all church-leaders worldwide lie, slander, gossip, excommunicate, assault and evict Torsten. This persecution by the clergy of essentially all churches globally never stops, because satan whom they serve never stops.

The Government of Australia continues to ban innocent Torsten, through Australian Government invented and fraudulent non-reasons. Because church leaders always invent lies against innocent Torsten, and often report their lies to government authorities, it is very likely that the Australian Government identically follows the evil examples of other devilish countries of Commonwealth of Nations, like New Zealand (<http://www.kyrkor.be/New-Zealand-Federal-Governments-satanic-church-lies.htm>), and Canada (<http://www.kyrkor.be/the-morally-confused-Justin-Trudeau-in-Canada.htm>).

Subject: Satanic-Sweden's church leaders all persecute by sinful ostracism an authentic Christian man, simply because the honest Christian man publicly stated to all church leaders a hope of finding a Christian woman for Christian marriage.

Christian never-married innocent man, who wants to marry a Christian woman, is excommunicated/banished by all churches in Sweden, is ousted from Swedish society, and is devoid of humane future in Sweden – because of Sweden's heartless pastors and heretic priests, and due to Sweden's satanic politicians and Sweden's aggressively anti-Christian culture.

Current:

I am currently in Alicante, Spain.

Spanish leaders of churches function as impediments to authentic Christian relationships and Christian marriages.: http://www.kyrkor.be/Spanish_churches.pdf

Canadian 'Pentecostal Assemblies of Canada' (<https://www.paoc.org>) arrogantly displayed their true colours of satan.: <http://www.kyrkor.be/Pentecostal-Assemblies-of-Canada.htm>

In United Kingdom, according to the typically lying British Police, **physical assaults** by British landlords against tenants indoors is acceptable (<https://bit.ly/2BYesFI>), but peaceful distribution of the Gospel message outdoors is not (<https://bit.ly/3fx4B8n>). Also in United Kingdom, the **very-British Britons at British county council governments provably lie**, and consequently, none of UK's British councils government apes, nor UK's British courts or judiciary, nor the British public services, are willing to communicate.: http://www.kyrkor.be/2020-10-01_UK_British-Government_lies_dishonesty_inanity_corruption.pdf

Contemptible "*Torsten-the-demonic-Wolf*" is continually persecuted by virtually all British leaders of all its satanic churches in United Kingdom and also worldwide, but in reality however, Torsten is an authentic Bible-affirming Christian who is absolutely innocent in relation to all of UK's banning and persecuting churches and global churchianity.

All British satanic churches in United Kingdom have explicitly, implicitly, covertly or passively banished the Christian person Torsten, because satan's British pastors and priests of United Kingdom's churches have decided in their imaginations that Torsten is sorts of a monster, and that the terrible monster **Torsten is dangerous and unfit for British community**. The British satanic pastors of churches in United Kingdom persecute Torsten-the-Monster (Torsten-the-demonic-Wolf). 100% of the satanic leaders of churches in Worcester, UK, serve their master satan through their invented lies, evil slander, evictions and collusive persecution against the absolutely innocent Christian person Torsten.

Too close for truth: Satan's British church/government/state alliance.

UK institutions and UK leaders are too closely allied for public acknowledgement of truth, and outcome towards moral justice. UK political leaders, UK institutional leaders, and UK religious leaders are primarily loyal towards each other; some by sworn oaths of allegiance. Therefore, the satanically corrupt and persecuting **Church of England (church of satan)** is beyond accountability to truth. The UK Prime Minister is allied with the Supreme Governor of the Church of England (the Queen) as adviser of appointing personnel for the British Queen's Church of England. Church of England's Archbishop of Canterbury is by oath allied to Supreme Governor of the Church of England (the Queen). The Anglican Bishops are subordinately dependent on, and by oath allied with, the Anglican Archbishop of Canterbury (currently Justin Welby), towards concealing culpability of the worldwide

PERSECUTION by Church of England – against the Christian person Torsten; who is absolutely innocent in relation to Church of England and all the other globally persecuting churches. Queen Elizabeth II of United Kingdom is the “Supreme Governor of the Church of England”, and therefore, this **Queen of England is utmost accountable for her satanic Church of England’s intentional lies, slander, evictions and persecution against the absolutely innocent person Torsten**. The British Royal Family’s own website (<https://www.royal.uk/queens-relationship-churches-england-and-scotland-and-other-faiths>) accordingly declares: “The Queen’s relationship with the Church of England was symbolised at the Coronation in 1953 when Her Majesty was anointed by the Archbishop of Canterbury and took an oath to ‘maintain and preserve inviolably the settlement of the Church of England, and the doctrine worship, discipline, and government thereof, as by law established in England’. On the advice of the Prime Minister The Queen appoints Archbishops, Bishops and Deans of the Church of England, who then swear an oath of allegiance and pay homage to Her Majesty. Church of England deacons and parish priests also swear an oath of allegiance to the Sovereign.”

Satan’s Church of England of evil Kingdom of Britain under its Queen, unceasingly persecute Torsten in UK and globally. The British government’s “stupidity agencies” are fit to maintain fallacious judgement and selected ignorance.

Updated Anglican/Church of England incidents:

- In 2020, more than 10 years succeeding that a heretical/Anglican Church Reverend in Stockholm, Sweden, harassed Torsten and in effect purged Torsten-the-Monster from its Anglican Church in 2007/2008: (a) through dehumanising orders, (b) through imposition of demeaning social constraints against Torsten, and (c) by threatening Torsten with Police eviction if Torsten were to speak with any attendees before/after the Sunday “services”, the typically persecuting Anglican/satanic clergy of Church of England in Stockholm sustains satan’s deceptive agenda. In 2007/2008/2009, the **Anglican Diocese of Europe** did not intervene against its discrimination against Christianity, did not cease its harassments against an innocent Christian, and did not prevent its bans and threats by the satanic/Anglican Reverend. In 2019, neither the Anglican Diocese of Europe nor the satanic Church of England nor its Archbishop of Canterbury, would declare the Anglican Diocese of Europe’s 2008 declared grave heresies and its sanctioning of the practice of homosexuality, as evil and sinful (as according to the Bible). The satanic Church of England constantly invents lies against innocent Torsten. The satanic vicars/bishops of satan's Church of England oppose truth and God, and thus, the Church of England unceasingly concoct utter lies against Torsten. Identically with satan, the Archbishop of Church of England absolutely refuses to justify his Church of England's persecution against innocent Torsten, and Church of England refuses to repent from its continuous satanic evils against innocent Torsten.: <http://www.kyrkor.be/satanic-Archbishop-Justin-Welby-of-satans-Church-of-England.htm>

Semi-recent British churchianity incidents:

1. Satanic 'Woodgreen Evangelical Church' in Worcester, United Kingdom, explicitly banished and evicted innocent Torsten, called the Police, and falsely accused the absolutely innocent Christian person Torsten of being **"a very dangerous, deluded and demonic Wolf"**, and that it is a moral duty to protect people from Torsten.: http://www.kyrkor.be/Woodgreen-Evangelical-Church-Worcester_UK_eviction_2017.htm
2. Satanic 'Hope Church' in Worcester, United Kingdom, explicitly banished and evicted innocent Torsten and threatened to call the police, because their satanic church leaders collude with other satanic churches. The satanic Hope Church falsely accused that the absolutely innocent Christian person **Torsten is a danger**, and declared that their **eviction of Torsten is necessary for protection of the people**.: http://www.kyrkor.be/Hope-Church-Worcester_UK_eviction_2017.htm
3. Satanic Church of England's 'All Saints Church' in Worcester, United Kingdom, explicitly banished and evicted innocent Torsten, called the Police, and falsely accused innocent Torsten of some unknown and unspecified "behaviour". The satanic Church of England's vicars/bishops have concocted utter lies against a non-existent monster, who they call Torsten. The Archbishop of Church of England, Justin Welby, absolutely refuses to specify what sin, immorality, wrongdoing or **"behaviour"** that his Church of England constantly accuse against innocent Torsten, justifying Church of England's evictions and global banishments against innocent Torsten.: http://www.kyrkor.be/All-Saints-Church-Worcester_UK_Anglican-eviction_2017.htm
4. Satanic and pathologically lying Australian **"Hillsong Church"** in London, United Kingdom, again evicted innocent Torsten from their Sunday so-called service in their rented premises at Dominion Theatre in central London. The cult, Hillsong London, of course, absolutely refused to provide a reason for their repeated evictions. The typically satanic Hillsong London has confirmed that their Hillsong's supreme devilpastor (**Brian Houston**) enforces a worldwide banishment against Torsten, and has confirmed that Hillsong's devilpastor Brian Houston preserves a global anti-Torsten policy. Hillsong London has evicted Torsten on all six Sundays (2019-07-28, 2018-06-24, 2017-09-10, 2017-04-09, 2016-10-30, 2016-07-25) when Torsten has visited their satanic cult to obtain information about their global ban.: http://www.kyrkor.be/Hillsong-London-UK_eviction_2019-07-28.htm
5. The satanic Baptist pastors of United Kingdom, the evil Baptist leaders of the British Baptist Associations, and the diabolical Baptist leaders of the Baptist Union of Great Britain, continually slander, defame, persecute and cyberbully the Christian person Torsten: http://www.kyrkor.be/Heart-of-England-Baptist-Association_and_Baptist-Union-UK.htm
6. The satanic Evangelical pastors of United Kingdom continually lie, slander and persecute the Christian person Torsten. The Evangelical Alliance of United Kingdom (<http://ea.uk.org>) passively endorsed the explicit banishment by one of their evangelical member churches (<http://www.kyrkor.be/Kings-Church-Birmingham-UK.htm>) in Birmingham, UK. The Evangelical Alliance of United Kingdom previously opposed Torsten's critique against the British churches' outsourcing of Christian relationships to their British pro-homosexuality and Christophobic websites: <http://www.kyrkor.be/Evangelical-Alliance-United-Kingdom.htm>. The Evangelical Alliance of Ireland (<http://www.evangelical.ie>) was previously pointed out by their Vineyard Church in Dublin (<http://www.kyrkor.be/Dublin-Vineyard-Church-Ireland.htm>) as the source of active slander and lies against Torsten "In the light of [...] correspondence from Evangelical Alliance Ireland [...] I am withdrawing the welcome.": <http://www.kyrkor.be/christianconnection.co.uk-discrimination-against-Christianity.pdf>

Everywhere on earth, satanic pastors of churches have obstructed me from possibility of a Christian marriage. Because of obstruction by the satanic pastors of churches everywhere, I have never had any opportunity in life to marry a Christian woman. Utterly evil leaders of churches everywhere, have denied me the fundamental human condition to marry a woman. Satan truly is in charge of essentially all the churches worldwide, through professional pastors and priests.

Leaders of churches, everywhere on earth, are satanically determined to deliberately destroy the life of the innocent Christian person Torsten. Everywhere on earth, leaders of churches intentionally isolate innocent Torsten through the church-leaders' utter lies, false accusations, slander, evictions, banishments and collusive persecutions against innocent Torsten. Through facts and by the evidences, it is sensible and proper to conclude that satan is in control of the minds and hearts of leaders of churches, worldwide.

Torsten has never had any opportunity in life to marry a Christian woman, because the leaders of churches on earth have actively and passively sought to prevent that Torsten could have an opportunity to marry a Christian woman. The leaders of churches on earth have sought to prohibit opportunity for Torsten to communicate with any Christian woman. Due to all of satan's hindering leaders of churches everywhere on earth, no opportunity has ever existed, and incessantly, there never can exist any opportunity in future - because no church on earth allows Torsten to communicate with any Christian woman. The leaders of churches have destroyed Torsten's life, and the leaders of churches continue to seek to destroy Torsten's life. No leader of any church anywhere on earth will allow Torsten to communicate with Christian women. No leader of any church on earth is willing to repent from their inhumanity, sinfulness and evil against Torsten.

Torsten has no wife, because the pastors of churches prohibit that Torsten may marry a woman. Torsten is not permitted by the pastors of churches to socialise in churches. Satan knows that no communication between Torsten and women equates to no Godly marriage, and that is precisely why the pastors of churches are obsessed to prevent Torsten from communicating with any woman, and that is why the pastors of churches are obsessed to isolate Torsten from fellowship. Pastors of churches are obsessed to prevent innocent Torsten from marrying a Christian woman.

In general, pastors of churches everywhere truly are menaces to civilised societies, through their lies, evils, falsities and ultra-hypocritical inhumanity.

Lies, lies, lies and lies. Lying and falsely accusing is not merely a peripheral conduct by virtually all leaders of churches worldwide, but lying and maliciously slandering is actually the core nature of essentially all leaders of churches globally. Lying, falsely accusing, slandering, banishing and collusively persecuting the absolutely innocent person Torsten is very important for essentially all pastors and priests of churches, worldwide.

No Christian on earth knows Torsten. No pastor/priest on earth knows Torsten. Without any reality-based reason, virtually all church-leaders worldwide lie, slander, gossip, excommunicate, assault and evict Torsten. This persecution by the clergy of essentially all churches globally never stops, because satan whom they serve never stops.

The Government of Australia continues to ban innocent Torsten, through Australian Government invented and fraudulent non-reasons. Because church leaders always invent lies against innocent Torsten, and often report their lies to government authorities, it is very likely that the Australian Government identically follows the evil examples of other devilish countries of Commonwealth of Nations, like New Zealand (<http://www.kyrkor.be/New-Zealand-Federal-Governments-satanic-church-lies.htm>), and Canada (<http://www.kyrkor.be/the-morally-confused-Justin-Trudeau-in-Canada.htm>). http://www.kyrkor.be/satanic-Australian-Government-imbecils_2018.pdf

Subject: The Canadian 'pentecostalien' churchianity leaders display true colours of satan.

Christian never-married innocent man, who wants to marry a Christian woman, is excommunicated/banished by all churches in Sweden, is ousted from Swedish society, and is devoid of humane future in Sweden – because of Sweden's heartless pastors and heretic priests, and due to Sweden's satanic politicians and Sweden's aggressively anti-Christian culture.

Current:

I am currently in Alicante, Spain.

Canadian 'Pentecostal Assemblies of Canada' (<https://www.paoc.org>) arrogantly displayed their true colours of satan.: <http://www.kyrkor.be/Pentecostal-Assemblies-of-Canada.htm>

Spanish leaders of churches function as impediments to authentic Christian relationships and Christian marriages.: http://www.kyrkor.be/Spanish_churches.pdf

In United Kingdom, according to the typically lying British Police, **physical assaults** by British landlords against tenants indoors is acceptable (<https://bit.ly/2BYesFI>), but peaceful distribution of the Gospel message outdoors is not (<https://bit.ly/3fx4B8n>). Also in United Kingdom, the **very-British Britons at British county council governments provably lie**, and consequently, none of UK's British councils government apes (<https://bit.ly/3lt2khP>), nor UK's British courts or judiciary, nor the British public services (<https://bit.ly/2Ddh1xK>), are willing to communicate.

Contemtable "*Torsten-the-demonic-Wolf*" is continually persecuted by virtually all British leaders of all its satanic churches in United Kingdom and also worldwide, but in reality however, Torsten is an authentic Bible-affirming Christian who is absolutely innocent in relation to all of UK's banning and persecuting churches and global churchianity.

All British satanic churches in United Kingdom have explicitly, implicitly, covertly or passively banished the Christian person Torsten, because satan's British pastors and priests of United Kingdom's churches have decided in their imaginations that Torsten is sorts of a monster, and that the terrible monster **Torsten is dangerous and unfit for British community**. The British satanic pastors of churches in United Kingdom persecute Torsten-the-Monster (Torsten-the-demonic-Wolf). 100% of the satanic leaders of churches in Worcester, UK, serve their master satan through their invented lies, evil slander, evictions and collusive persecution against the absolutely innocent Christian person Torsten.

Too close for truth: Satan's British church/government/state alliance.

UK institutions and UK leaders are too closely allied for public acknowledgement of truth, and outcome towards moral justice. UK political leaders, UK institutional leaders, and UK religious leaders are primarily loyal towards each other; some by sworn oaths of allegiance. Therefore, the satanically corrupt and persecuting **Church of England (church of satan)** is beyond accountability to truth. The UK Prime Minister is allied with the Supreme Governor of the Church of England (the Queen) as adviser of appointing personnel for the British Queen's Church of England. Church of England's Archbishop of Canterbury is by oath allied to Supreme Governor of the Church of England (the Queen). The Anglican Bishops are subordinately dependent on, and by oath allied with, the Anglican Archbishop of Canterbury (currently Justin Welby), towards concealing culpability of the worldwide PERSECUTION by Church of England – against the Christian person Torsten; who is absolutely innocent in relation to Church of England and all the other globally persecuting churches. Queen Elizabeth II of United Kingdom is the "Supreme Governor of the Church of England", and therefore, this **Queen of England is utmost accountable for her satanic Church of England's intentional lies, slander, evictions and persecution against the absolutely innocent person Torsten**. The British Royal Family's own website (<https://www.royal.uk/queens-relationship-churches-england-and-scotland-and-other-faiths>) accordingly declares: "*The Queen's relationship with the Church of England was symbolised at the Coronation in 1953 when Her Majesty was anointed by the Archbishop of Canterbury and took an oath to 'maintain and preserve inviolably the settlement of the Church of England, and the doctrine worship, discipline, and government thereof, as by law established in England'. On the advice of the Prime Minister The Queen appoints Archbishops, Bishops and Deans of the Church of England, who then swear an oath of allegiance and pay homage to Her Majesty. Church of England deacons and parish priests also swear an oath of allegiance to the Sovereign.*" <https://twitter.com/TorsNen/status/94555797773139968>

Satan's Church of England of evil Kingdom of Britain under its Queen, unceasingly persecute Torsten in UK and globally. The British government's "stupidity agencies" are fit to maintain fallacious judgement and selected ignorance.

Updated Anglican/Church of England incidents:

- In 2020, more than 10 years succeeding that a heretical/Anglican Church Reverend in Stockholm, Sweden, harassed Torsten and in effect purged Torsten-the-Monster from its Anglican Church in 2007/2008: (a) through dehumanising orders, (b) through imposition of demeaning social constraints against Torsten, and (c) by threatening Torsten with Police eviction if Torsten were to speak with any attendees before/after the Sunday "services", the typically persecuting Anglican/satanic clergy of Church of England in Stockholm

sustains satan's deceptive agenda. In 2007/2008/2009, the **Anglican Diocese of Europe** did not intervene against its discrimination against Christianity, did not cease its harassments against an innocent Christian, and did not prevent its bans and threats by the satanic/Anglican Reverend. In 2019, neither the Anglican Diocese of Europe nor the satanic Church of England nor its Archbishop of Canterbury, would declare the Anglican Diocese of Europe's 2008 declared grave heresies and its sanctioning of the practice of homosexuality, as evil and sinful (as according to the Bible). More than ten years later, Church of England unabatedly persecutes Torsten-the-Monster within United Kingdom and worldwide.

- In 2020, more than 10 years succeeding that a heretical/Anglican Church Reverend in Stockholm, Sweden, harassed Torsten and in effect purged Torsten-the-Monster from its Anglican Church in 2007/2008: (a) through dehumanising orders, (b) through imposition of demeaning social constraints against Torsten, and (c) by threatening Torsten with Police eviction if Torsten were to speak with any attendees before/after the Sunday "services", the typically persecuting Anglican/satanic clergy of Church of England in Stockholm sustains satan's deceptive agenda. In 2007/2008/2009, the **Anglican Diocese of Europe** did not intervene against its discrimination against Christianity, did not cease its harassments against an innocent Christian, and did not prevent its bans and threats by the satanic/Anglican Reverend. In 2019, neither the Anglican Diocese of Europe nor the satanic Church of England nor its Archbishop of Canterbury, would declare the Anglican Diocese of Europe's 2008 declared grave heresies and its sanctioning of the practice of homosexuality, as evil and sinful (as according to the Bible). More than ten years later, Church of England unabatedly persecutes Torsten-the-Monster within United Kingdom and worldwide. Previously from 2009: <http://www.kyrkor.be/Anglican-Church-Stockholm-Sweden.htm> Currently from 2020: http://www.kyrkor.be/Anglican-Church-Stockholm_and_Anglican-Diocese-Europe_10-years-later.htm
- Church of England (Church of Satan) continues its refusal to explain or justify the Church of England's national ban against their imagined monster, Torsten-the-Monster, who in reality is absolutely innocent in relation to all churches on earth. Archbishop Justin Welby's **Church of England (Church of Satan)** globally banish, evict, falsely accuse, slander, physically assault and **persecute** the real Christian person Torsten. The satanic Church of England constantly invents lies against innocent Torsten. The satanic vicars/bishops of satan's Church of England oppose truth and God, and thus, the Church of England unceasingly concoct utter lies against Torsten. Identically with satan, the Archbishop of Church of England absolutely refuses to justify his Church of England's persecution against innocent Torsten, and Church of England refuses to repent from its continuous satanic evils against innocent Torsten.: <http://www.kyrkor.be/satanic-Archbishop-Justin-Welby-of-satans-Church-of-England.htm>

Semi-recent British churchianity incidents:

1. Satanic 'Woodgreen Evangelical Church' in Worcester, United Kingdom, explicitly banished and evicted innocent Torsten, called the Police, and falsely accused the absolutely innocent Christian person Torsten of

- being **"a very dangerous, deluded and demonic Wolf"**, and that it is a moral duty to protect people from Torsten.: <http://www.kyrkor.be/Woodgreen-Evangelical-Church-Worcester-UK-eviction-2017.htm>
2. Satanic 'Hope Church' in Worcester, United Kingdom, explicitly banished and evicted innocent Torsten and threatened to call the police, because their satanic church leaders collude with other satanic churches. The satanic Hope Church falsely accused that the absolutely innocent Christian person **Torsten is a danger**, and declared that their **eviction of Torsten is necessary for protection of the people**.: <http://www.kyrkor.be/Hope-Church-Worcester-UK-eviction-2017.htm>
 3. Satanic Church of England's 'All Saints Church' in Worcester, United Kingdom, explicitly banished and evicted innocent Torsten, called the Police, and falsely accused innocent Torsten of some unknown and unspecified "behaviour". The satanic Church of England's vicars/bishops have concocted utter lies against a non-existent monster, who they call Torsten. The Archbishop of Church of England, Justin Welby, absolutely refuses to specify what sin, immorality, wrongdoing or "behaviour" that his Church of England constantly accuse against innocent Torsten, justifying Church of England's evictions and global banishments against innocent Torsten.: <http://www.kyrkor.be/All-Saints-Church-Worcester-UK-Anglican-eviction-2017.htm>
 4. Satanic and pathologically lying Australian "Hillsong Church" in London, United Kingdom, again evicted innocent Torsten from their Sunday so-called service in their rented premises at Dominion Theatre in central London. The cult, Hillsong London, of course, absolutely refused to provide a reason for their repeated evictions. The typically satanic Hillsong London has confirmed that their Hillsong's supreme devilpastor (**Brian Houston**) enforces a worldwide banishment against Torsten, and has confirmed that Hillsong's devilpastor Brian Houston preserves a global anti-Torsten policy. Hillsect London has evicted Torsten on all six Sundays (2019-07-28, 2018-06-24, 2017-09-10, 2017-04-09, 2016-10-30, 2016-07-25) when Torsten has visited their satanic cult to obtain information about their global ban.: <http://www.kyrkor.be/Hillsong-London-UK-eviction-2019-07-28.htm>
 5. The satanic Baptist pastors of United Kingdom, the evil Baptist leaders of the British Baptist Associations, and the diabolical Baptist leaders of the Baptist Union of Great Britain, continually slander, defame, persecute and cyberbully the Christian person Torsten: <http://www.kyrkor.be/Heart-of-England-Baptist-Association-and-Baptist-Union-UK.htm>
 6. The satanic Evangelical pastors of United Kingdom continually lie, slander and persecute the Christian person Torsten. The Evangelical Alliance of United Kingdom (<http://ea.uk.org>) passively endorsed the explicit banishment by one of their evangelical member churches (<http://www.kyrkor.be/Kings-Church-Birmingham-UK.htm>) in Birmingham, UK. The Evangelical Alliance of United Kingdom previously opposed Torsten's critique against the British churches' outsourcing of Christian relationships to their British pro-homosexuality and Christophobic websites: <http://www.kyrkor.be/Evangelical-Alliance-United-Kingdom.htm>. The Evangelical Alliance of Ireland (<http://www.evangelical.ie>) was previously pointed out by their Vineyard Church in Dublin (<http://www.kyrkor.be/Dublin-Vineyard-Church-Ireland.htm>) as the source of active slander and lies against Torsten "In the light of [...] correspondence from Evangelical Alliance Ireland [...] I am withdrawing the welcome.": <http://www.kyrkor.be/christianconnection.co.uk-discrimination-against-Christianity.pdf>

Everywhere on earth, satanic pastors of churches have obstructed me from possibility of a Christian marriage. Because of obstruction by the satanic pastors of churches everywhere, I have never had any opportunity in life to marry a Christian woman. Utterly evil leaders of churches everywhere, have denied me the fundamental human condition to marry a woman. Satan truly is in charge of essentially all the churches worldwide, through professional pastors and priests.

Leaders of churches, everywhere on earth, are satanically determined to deliberately destroy the life of the innocent Christian person Torsten. Everywhere on earth, leaders of churches intentionally isolate innocent Torsten through the church-leaders' utter lies, false accusations, slander, evictions, banishments and collusive persecutions against innocent Torsten. Through facts and by the evidences, it is sensible and proper to conclude that satan is in control of the minds and hearts of leaders of churches, worldwide.

Torsten has never had any opportunity in life to marry a Christian woman, because the leaders of churches on earth have actively and passively sought to prevent that Torsten could have an opportunity to marry a Christian woman. The leaders of churches on earth have sought to prohibit opportunity for Torsten to communicate with any Christian woman. Due to all of satan's hindering leaders of churches everywhere on earth, no opportunity has ever existed, and incessantly, there never can exist any opportunity in future - because no church on earth allows Torsten to communicate with any Christian woman. The leaders of churches have destroyed Torsten's life, and the leaders of churches continue to seek to destroy Torsten's life. No leader of any church anywhere on earth will allow Torsten to communicate with Christian women. No leader of any church on earth is willing to repent from their inhumanity, sinfulness and evil against Torsten.

Torsten has no wife, because the pastors of churches prohibit that Torsten may marry a woman. Torsten is not permitted by the pastors of churches to socialise in churches. Satan knows that no communication between Torsten and women equates to no Godly marriage, and that is precisely why the pastors of churches are obsessed to prevent Torsten from communicating with any woman, and that is why the pastors of churches are obsessed to isolate Torsten from fellowship. Pastors of churches are obsessed to prevent innocent Torsten from marrying a Christian woman.

In general, pastors of churches everywhere truly are menaces to civilised societies, through their lies, evils, falsities and ultra-hypocritical inhumanity.

Lies, lies, lies and lies. Lying and falsely accusing is not merely a peripheral conduct by virtually all leaders of churches worldwide, but lying and maliciously slandering is actually the core nature of essentially all leaders of

churches globally. Lying, falsely accusing, slandering, banishing and collusively persecuting the absolutely innocent person Torsten is very important for essentially all pastors and priests of churches, worldwide.

No Christian on earth knows Torsten. No pastor/priest on earth knows Torsten. Without any reality-based reason, virtually all church-leaders worldwide lie, slander, gossip, excommunicate, assault and evict Torsten. This persecution by the clergy of essentially all churches globally never stops, because satan whom they serve never stops.

The Government of Australia continues to ban innocent Torsten, through Australian Government invented and fraudulent non-reasons. Because church leaders always invent lies against innocent Torsten, and often report their lies to government authorities, it is very likely that the Australian Government identically follows the evil examples of other devilish countries of Commonwealth of Nations, like New Zealand (<http://www.kyrkor.be/New-Zealand-Federal-Governments-satanic-church-lies.htm>), and Canada (<http://www.kyrkor.be/the-morally-confused-Justin-Trudeau-in-Canada.htm>). http://www.kyrkor.be/satanic-Australian-Government-imbecils_2018.pdf

Date: Fri, 31 Jul 2020 16:25

Subject: All Brits of United Kingdom's British churches satanically persecute and ostracize innocent Torsten.

Christian never-married innocent man, who wants to marry a Christian woman, is excommunicated/banished by all churches in Sweden, is ousted from Swedish society, and is devoid of humane future in Sweden – because of Sweden's heartless pastors and heretic priests, and due to Sweden's satanic politicians and Sweden's aggressively anti-Christian culture.

Current:

I am currently in Alicante, Spain.

In United Kingdom, according to the typically lying British Police, **physical assaults** by British landlords against tenants indoors is acceptable (<https://bit.ly/2BYesFI>), but peaceful distribution of the Gospel message outdoors is not (<https://bit.ly/3fx4B8n>). Also in United Kingdom, the **very-British Britons at British county council governments provably lie**, and consequently, none of UK's British councils government apes (<https://bit.ly/33YIBat>), nor UK's British courts or judiciary, nor the British public services (<https://bit.ly/31NEPac>), are willing to communicate.

Contemptible "*Torsten-the-demonic-Wolf*" is continually persecuted by virtually all British leaders of all its satanic churches in United Kingdom and also worldwide, but in reality however, Torsten is an authentic Bible-affirming Christian who is absolutely innocent in relation to all of UK's banning and persecuting churches and global churchianity.

All British satanic churches in United Kingdom have explicitly, implicitly, covertly or passively banished the Christian person Torsten, because satan's British pastors and priests of United Kingdom's churches have decided in their imaginations that Torsten is sorts of a monster, and that the terrible monster **Torsten is dangerous and unfit for British community**. The British satanic pastors of churches in United Kingdom persecute Torsten-the-Monster (*Torsten-the-demonic-Wolf*). 100% of the satanic leaders of churches in Worcester, UK, serve their

master satan through their invented lies, evil slander, evictions and collusive persecution against the absolutely innocent Christian person Torsten.

Too close for truth: Satan's British church/government/state alliance.

UK institutions and UK leaders are too closely allied for public acknowledgement of truth, and outcome towards moral justice. UK political leaders, UK institutional leaders, and UK religious leaders are primarily loyal towards each other; some by sworn oaths of allegiance. Therefore, the satanically corrupt and persecuting **Church of England (church of satan)** is beyond accountability to truth. The UK Prime Minister is allied with the Supreme Governor of the Church of England (the Queen) as adviser of appointing personnel for the British Queen's Church of England. Church of England's Archbishop of Canterbury is by oath allied to Supreme Governor of the Church of England (the Queen). The Anglican Bishops are subordinately dependent on, and by oath allied with, the Anglican Archbishop of Canterbury (currently Justin Welby), towards concealing culpability of the worldwide PERSECUTION by Church of England – against the Christian person Torsten; who is absolutely innocent in relation to Church of England and all the other globally persecuting churches. Queen Elizabeth II of United Kingdom is the "Supreme Governor of the Church of England", and therefore, this **Queen of England is utmost accountable for her satanic Church of England's intentional lies, slander, evictions and persecution against the absolutely innocent person Torsten**. The British Royal Family's own website (<https://www.royal.uk/queens-relationship-churches-england-and-scotland-and-other-faiths>) accordingly declares: "The Queen's relationship with the Church of England was symbolised at the Coronation in 1953 when Her Majesty was anointed by the Archbishop of Canterbury and took an **oath** to 'maintain and preserve inviolably the settlement of the Church of England, and the doctrine worship, discipline, and government thereof, as by law established in England'. On the advice of the Prime Minister The Queen appoints Archbishops, Bishops and Deans of the Church of England, who then **swear an oath of allegiance and pay homage to Her Majesty**. Church of England deacons and parish priests also **swear an oath of allegiance to the Sovereign**." <https://twitter.com/TorsNen/status/94555579773139968>

Satan's Church of England of evil Kingdom of Britain under its Queen, unceasingly persecute Torsten in UK and globally. The British government's "stupidity agencies" are fit to maintain fallacious judgement and selected ignorance.

The Anglican Bishops are subordinately dependent on, and by oath allied with, the Anglican Archbishop of Canterbury (currently Justin Welby), towards concealing culpability of the worldwide PERSECUTION by Church of England – against the Christian person Torsten; who is absolutely innocent in relation to Church of England and all the other globally persecuting churches. Queen Elizabeth II of United Kingdom is the "Supreme Governor of the Church of England", and therefore, this **Queen of England is utmost accountable for her satanic Church of England's intentional lies, slander, evictions and persecution against the absolutely innocent person Torsten**. The British Royal Family's own website (<https://www.royal.uk/queens-relationship-churches-england-and-scotland-and-other-faiths>) accordingly declares: "*The Queen's relationship with the Church of England was symbolised at the Coronation in*

1953 when Her Majesty was anointed by the Archbishop of Canterbury and took an **oath** to 'maintain and preserve inviolably the settlement of the Church of England, and the doctrine worship, discipline, and government thereof, as by law established in England'. On the advice of the Prime Minister The Queen appoints Archbishops, Bishops and Deans of the Church of England, who then swear an **oath** of allegiance and pay homage to Her Majesty. Church of England deacons and parish priests also swear an **oath** of allegiance to the Sovereign."

Satan's Church of England of evil Kingdom of Britain under its Queen, unceasingly persecute Torsten in UK and globally. The British government's "stupidity agencies" are fit to maintain fallacious judgement and selected ignorance.

Updated British churchianity incidents:

1. Satanic 'Woodgreen Evangelical Church' in Worcester, United Kingdom, **explicitly banished and evicted** innocent Torsten, called the Police, and falsely accused the absolutely innocent Christian person Torsten of being **"a very dangerous, deluded and demonic Wolf"**, and that it is a moral duty to protect people from Torsten.: http://www.kyrkor.be/Woodgreen-Evangelical-Church_Worcester_UK_eviction_2017.htm
2. Satanic 'Hope Church' in Worcester, United Kingdom, **explicitly banished and evicted** innocent Torsten and threatened to call the police, because their satanic church leaders collude with other satanic churches. The satanic Hope Church falsely accused that the absolutely innocent Christian person **Torsten is a danger**, and declared that their **eviction of Torsten is necessary for protection of the people**.: http://www.kyrkor.be/Hope-Church-Worcester_UK_eviction_2017.htm
3. Satanic Church of England's 'All Saints Church' in Worcester, United Kingdom, **explicitly banished and evicted** innocent Torsten, called the Police, and falsely accused innocent Torsten of some unknown and unspecified "behaviour". The satanic Church of England's vicars/bishops have concocted utter lies against a non-existent monster, who they call Torsten. The Archbishop of Church of England, Justin Welby, absolutely refuses to specify what sin, immorality, wrongdoing or **"behaviour"** that his Church of England constantly accuse against innocent Torsten, justifying Church of England's evictions and global banishments against innocent Torsten.: http://www.kyrkor.be/All-Saints-Church_Worcester_UK_Anglican-eviction_2017.htm
4. Satanic and pathologically lying Australian **"Hillsong Church"** in London, United Kingdom, again **evicted** innocent Torsten from their Sunday so-called service in their rented premises at Dominion Theatre in central London. The cult, Hillsong London, of course, absolutely refused to provide a reason for their repeated evictions. The typically satanic Hillsong London has confirmed that their Hillsong's supreme devilpastor (**Brian Houston**) enforces a worldwide banishment against Torsten, and has confirmed that Hillsong's devilpastor Brian Houston preserves a global anti-Torsten policy. Hillsect London has evicted Torsten on all six Sundays (2019-07-28, 2018-06-24, 2017-09-10, 2017-04-09, 2016-10-30, 2016-07-25) when Torsten has visited their satanic cult to obtain information about their global ban.: http://www.kyrkor.be/Hillsong-London-UK_eviction_2019-07-28.htm
5. 6. The satanic **Evangelical pastors of United Kingdom** continually lie, slander and persecute the Christian person Torsten. The Evangelical Alliance of United Kingdom previously opposed Torsten's critique against the British churches' outsourcing of Christian relationships to their British pro-homosexuality and Christophobic websites: <http://www.kyrkor.be/Evangelical-Alliance-United-Kingdom.htm>. The Evangelical Alliance of Ireland (<http://www.evangelical.ie>) was previously pointed out by their Vineyard Church in Dublin (<http://www.kyrkor.be/Dublin-Vineyard-Church-Ireland.htm>) as the source of active slander and lies against Torsten "In the light of [...] correspondence from Evangelical Alliance Ireland [...] I am withdrawing the welcome.": <http://www.kyrkor.be/christianconnection.co.uk-discrimination-against-Christianity.pdf>

Updated Anglican/Church of England incidents:

- In 2020, more than 10 years succeeding that a heretical/Anglican Church Reverend in Stockholm, Sweden, harassed Torsten and in effect purged Torsten-the-Monster from its Anglican Church in 2007/2008: (a) through dehumanising orders, (b) through imposition of demeaning social constraints against Torsten, and (c) by threatening Torsten with Police eviction if Torsten were to speak with any attendees before/after the Sunday "services", the typically persecuting Anglican/satanic clergy of Church of England in Stockholm sustains satan's deceptive agenda. In 2007/2008/2009, the **Anglican Diocese of Europe** did not intervene against its discrimination against Christianity, did not cease its harassments against an innocent Christian, and did not prevent its bans and threats by the satanic/Anglican Reverend. In 2019, neither the Anglican Diocese of Europe nor the satanic Church of England nor its Archbishop of Canterbury, would declare the Anglican Diocese of Europe's 2008 declared grave heresies and its sanctioning of the practice of homosexuality, as evil and sinful (as according to the Bible). More than ten years later, Church of England unabatedly persecutes Torsten-the-Monster within United Kingdom and worldwide. - Church of England (Church of Satan) continues its refusal to explain or justify the Church of England's national ban against their imagined monster, Torsten-the-Monster, who in reality is absolutely innocent in relation to all churches on earth. Archbishop Justin Welby's **Church of England (Church of Satan)** globally banish, evict, falsely accuse, slander, physically assault and **persecute** the real Christian person Torsten. The satanic Church of England constantly invents lies against innocent Torsten. The satanic vicars/bishops of satan's Church of England oppose truth and God, and thus, the Church of England unceasingly concoct

utter lies against Torsten. Identically with satan, the Archbishop of Church of England absolutely refuses to justify his Church of England's persecution against innocent Torsten, and Church of England refuses to repent from its continuous satanic evils against innocent Torsten.: <http://www.kyrkor.be/satanic-Archbishop-Justin-Welby-of-satans-Church-of-England.htm>

Everywhere on earth, satanic pastors of churches have obstructed me from possibility of a Christian marriage. Because of obstruction by the satanic pastors of churches everywhere, I have never had any opportunity in life to marry a Christian woman. Utterly evil leaders of churches everywhere, have denied me the fundamental human condition to marry a woman. Satan truly is in charge of essentially all the churches worldwide, through professional pastors and priests.

Leaders of churches, everywhere on earth, are satanically determined to deliberately destroy the life of the innocent Christian person Torsten. Everywhere on earth, leaders of churches intentionally isolate innocent Torsten through the church-leaders' utter lies, false accusations, slander, evictions, banishments and collusive persecutions against innocent Torsten. Through facts and by the evidences, it is sensible and proper to conclude that satan is in control of the minds and hearts of leaders of churches, worldwide.

Torsten has never had any opportunity in life to marry a Christian woman, because the leaders of churches on earth have actively and passively sought to prevent that Torsten could have an opportunity to marry a Christian woman. The leaders of churches on earth have sought to prohibit opportunity for Torsten to communicate with any Christian woman. Due to all of satan's hindering leaders of churches everywhere on earth, no opportunity has ever existed, and incessantly, there never can exist any opportunity in future - because no church on earth allows Torsten to communicate with any Christian woman. The leaders of churches have destroyed Torsten's life, and the leaders of churches continue to seek to destroy Torsten's life. No leader of any church anywhere on earth will allow Torsten to communicate with Christian women. No leader of any church on earth is willing to repent from their inhumanity, sinfulness and evil against Torsten.

Torsten has no wife, because the pastors of churches prohibit that Torsten may marry a woman. Torsten is not permitted by the pastors of churches to socialise in churches. Satan knows that no communication between Torsten and women equates to no Godly marriage, and that is precisely why the pastors of churches are obsessed to prevent Torsten from communicating with any woman, and that is why the pastors of churches are obsessed to isolate Torsten from fellowship. Pastors of churches are obsessed to prevent innocent Torsten from marrying a Christian woman.

In general, pastors of churches everywhere truly are menaces to civilised societies, through their lies, evils, falsities and ultra-hypocritical inhumanity.

Lies, lies, lies and lies. Lying and falsely accusing is not merely a peripheral conduct by virtually all leaders of churches worldwide, but lying and maliciously slandering is actually the core nature of essentially all leaders of churches globally. Lying, falsely accusing, slandering, banishing and collusively persecuting the absolutely innocent person Torsten is very important for essentially all pastors and priests of churches, worldwide.

No Christian on earth knows Torsten. No pastor/priest on earth knows Torsten. Without any reality-based reason, virtually all church-leaders worldwide lie, slander, gossip, excommunicate, assault and evict Torsten. This persecution by the clergy of essentially all churches globally never stops, because satan whom they serve never stops.

The Government of Australia continues to ban innocent Torsten, through Australian Government invented and fraudulent non-reasons. Because church leaders always invent lies against innocent Torsten, and often report their lies to government authorities, it is very likely that the Australian Government identically follows the evil examples of other devilish countries of Commonwealth of Nations, like New Zealand (<http://www.kyrkor.be/New-Zealand-Federal-Governments-satanic-church-lies.htm>), and Canada (<http://www.kyrkor.be/the-morally-confused-Justin-Trudeau-in-Canada.htm>). http://www.kyrkor.be/satanic-Australian-Government-imbecils_2018.pdf

267. Two hundred sixtyseventh International Plea

Date: Wed, 1 Jul 2020 00:20

Subject: All of United Kingdom's churches satanically persecuted and ousted innocent Torsten.

Christian never-married innocent man, who wants to marry a Christian woman, is excommunicated/banished by all churches in Sweden, is ousted from Swedish society, and is devoid of humane future in Sweden – because of Sweden's heartless pastors and heretic priests, and due to Sweden's satanic politicians and Sweden's aggressively anti-Christian culture.

Current:

I am currently in Worcester, United Kingdom.

Contemptible "*Torsten-the-demonic-Wolf*" is continually persecuted by virtually all British leaders of all its satanic churches in United Kingdom and also worldwide, but in reality however, Torsten is an authentic Bible-affirming Christian who is absolutely innocent in relation to all of UK's banning and persecuting churches and global churchianity.

All British satanic churches in United Kingdom have explicitly, implicitly, covertly or passively banished the Christian person Torsten, because satan's British pastors and priests of United Kingdom's churches have decided in their imaginations that Torsten is sorts of a monster, and that the terrible monster **Torsten is dangerous and unfit for British community**. The British satanic pastors of churches in United Kingdom persecute Torsten-the-Monster (*Torsten-the-demonic-Wolf*). 100% of the satanic leaders of churches in Worcester, UK, serve their master satan through their invented lies, evil slander, evictions and collusive persecution against the absolutely innocent Christian person Torsten.

In United Kingdom according to British Police, physical assaults by British landlords against tenants indoors is acceptable (<https://bit.ly/2BYesFI>), but peaceful distribution of the Gospel outdoors is not (<https://bit.ly/3d3lcPh>).

Too close for truth: Satan's British church/government/state alliance.

UK institutions and UK leaders are too closely allied for public acknowledgement of truth, and outcome towards moral justice. UK political leaders, UK institutional leaders, and UK religious leaders are primarily loyal towards each other; some by sworn oaths of allegiance. Therefore, the satanically corrupt and persecuting **Church of England (church of satan)** is beyond accountability to truth. The UK Prime Minister is allied with the Supreme Governor of the Church of England (the Queen) as adviser of appointing personnel for the British Queen's Church of England. Church of England's Archbishop of Canterbury is by oath allied to Supreme Governor of the Church of England (the Queen). The Anglican Bishops are subordinately dependent on, and by oath allied with, the Anglican Archbishop of Canterbury (currently Justin Welby), towards concealing culpability of the worldwide PERSECUTION by Church of England – against the Christian person Torsten; who is absolutely innocent in relation to Church of England and all the other globally persecuting churches. 3. Satanic Church of England's 'All Saints Church' in Worcester, United Kingdom, **explicitly banished and evicted** innocent Torsten, called the Police, and falsely accused innocent Torsten of some unknown and unspecified "behaviour". 4. Satanic and pathologically lying "Hillsong Church" in London, United Kingdom, again **evicted** innocent Torsten from their Sunday so-called service in their rented premises at Dominion Theatre in central London. The cult, Hillsong London, of course, absolutely refused to provide a reason for their repeated evictions. The typically satanic Hillsong London has confirmed that their Hillsong's supreme devilpastor (**Brian Houston**) enforces a worldwide banishment against Torsten, and has confirmed that Hillsong's devilpastor Brian Houston preserves a global anti-Torsten policy. Hillsect London has evicted Torsten on all six Sundays (2019-07-28, 2018-06-24, 2017-09-10, 2017-04-09, 2016-10-30, 2016-07-25) when Torsten has visited their satanic cult to obtain information about their global ban.: http://www.kyrkor.be/Hillsong-London-UK_eviction_2019-07-28.htm

6. The satanic **Evangelical pastors** of United Kingdom continually lie, slander and persecute the Christian person Torsten. The Evangelical Alliance of United Kingdom previously opposed Torsten's critique against the British churches' outsourcing of Christian relationships to their British pro-homosexuality and Christophobic websites: <http://www.kyrkor.be/Evangelical-Alliance-United-Kingdom.htm>. The Evangelical Alliance of Ireland (<http://www.evangelical.ie>) was previously pointed out by their Vineyard Church in Dublin (<http://www.kyrkor.be/Dublin-Vineyard-Church-Ireland.htm>) as the source of active slander and lies against Torsten "In the light of [...] correspondence from Evangelical Alliance Ireland [...] I am withdrawing the welcome.": <http://www.kyrkor.be/christianconnection.co.uk-discrimination-against-Christianity.pdf>

Updated Anglican/Church of England incidents:

- In 2020, more than 10 years succeeding that a heretical/Anglican Church Reverend in Stockholm, Sweden, harassed Torsten and in effect purged Torsten-the-Monster from its Anglican Church in 2007/2008: (a) through dehumanising orders, (b) through imposition of demeaning social constraints against Torsten, and

(c) by threatening Torsten with Police eviction if Torsten were to speak with any attendees before/after the Sunday "services", the typically persecuting Anglican/satanic clergy of Church of England in Stockholm sustains satan's deceptive agenda. In 2007/2008/2009, the **Anglican Diocese of Europe** did not intervene against its discrimination against Christianity, did not cease its harassments against an innocent Christian, and did not prevent its bans and threats by the satanic/Anglican Reverend. In 2019, neither the Anglican Diocese of Europe nor the satanic Church of England nor its Archbishop of Canterbury, would declare the Anglican Diocese of Europe's 2008 declared grave heresies and its sanctioning of the practice of homosexuality, as evil and sinful (as according to the Bible). More than ten years later, Church of England unabatedly persecutes Torsten-the-Monster within United Kingdom and worldwide.

- Church of England (Church of Satan) continues its refusal to explain or justify the Church of England's national ban against their imagined monster, Torsten-the-Monster, who in reality is absolutely innocent in relation to all churches on earth. Archbishop Justin Welby's **Church of England (Church of Satan)** globally banish, evict, falsely accuse, slander, physically assault and **persecute** the real Christian person Torsten. The satanic Church of England constantly invents lies against innocent Torsten. The satanic vicars/bishops of satan's Church of England oppose truth and God, and thus, the Church of England unceasingly concoct utter lies against Torsten. Identically with satan, the Archbishop of Church of England absolutely refuses to justify his Church of England's persecution against innocent Torsten, and Church of England refuses to repent from its continuous satanic evils against innocent Torsten.: <http://www.kyrkor.be/satanic-Archbishop-Justin-Welby-of-satans-Church-of-England.htm>

Everywhere on earth, satanic pastors of churches have obstructed me from possibility of a Christian marriage. Because of obstruction by the satanic pastors of churches everywhere, I have never had any opportunity in life to marry a Christian woman. Utterly evil leaders of churches everywhere, have denied me the fundamental human condition to marry a woman. Satan truly is in charge of essentially all the churches worldwide, through professional pastors and priests.

Leaders of churches, everywhere on earth, are satanically determined to deliberately destroy the life of the innocent Christian person Torsten. Everywhere on earth, leaders of churches intentionally isolate innocent Torsten through the church-leaders' utter lies, false accusations, slander, evictions, banishments and collusive persecutions against innocent Torsten. Through facts and by the evidences, it is sensible and proper to conclude that satan is in control of the minds and hearts of leaders of churches, worldwide.

Torsten has never had any opportunity in life to marry a Christian woman, because the leaders of churches on earth have actively and passively sought to prevent that Torsten could have an opportunity to marry a Christian woman. The leaders of churches on earth have sought to prohibit opportunity for Torsten to communicate with any Christian woman. Due to all of satan's hindering leaders of churches everywhere on earth, no opportunity has ever existed, and incessantly, there never can exist any opportunity in future - because no church on earth allows Torsten to communicate with any Christian woman. The leaders of churches have destroyed Torsten's life, and the leaders of churches continue to seek to destroy Torsten's life. No leader of any church anywhere on earth will allow Torsten to communicate with Christian women. No leader of any church on earth is willing to repent from their inhumanity, sinfulness and evil against Torsten.

Torsten has no wife, because the pastors of churches prohibit that Torsten may marry a woman. Torsten is not permitted by the pastors of churches to socialise in churches. Satan knows that no communication between Torsten and women equates to no Godly marriage, and that is precisely why the pastors of churches are obsessed to prevent Torsten from communicating with any woman, and that is why the pastors of churches are obsessed to isolate Torsten from fellowship. Pastors of churches are obsessed to prevent innocent Torsten from marrying a Christian woman.

In general, pastors of churches everywhere truly are menaces to civilised societies, through their lies, evils, falsities and ultra-hypocritical inhumanity.

Lies, lies, lies and lies. Lying and falsely accusing is not merely a peripheral conduct by virtually all leaders of churches worldwide, but lying and maliciously slandering is actually the core nature of essentially all leaders of churches globally. Lying, falsely accusing, slandering, banishing and collusively persecuting the absolutely innocent person Torsten is very important for essentially all pastors and priests of churches, worldwide.

No Christian on earth knows Torsten. No pastor/priest on earth knows Torsten. Without any reality-based reason, virtually all church-leaders worldwide lie, slander, gossip, excommunicate, assault and evict Torsten. This persecution by the clergy of essentially all churches globally never stops, because satan whom they serve never stops.

The Government of Australia continues to ban innocent Torsten, through Australian Government invented and fraudulent non-reasons. Because church leaders always invent lies against innocent Torsten, and often report their lies to government authorities, it is very likely that the Australian Government identically follows the evil examples of other devilish countries of Commonwealth of Nations, like New Zealand (<http://www.kyrkor.be/New-Zealand-Federal-Governments-satanic-church-lies.htm>), and Canada (<http://www.kyrkor.be/the-morally-confused-Justin-Trudeau-in-Canada.htm>). http://www.kyrkor.be/satanic-Australian-Government-imbecils_2018.pdf

265. Two hundred sixtyfifth International Plea

Date: Mon, 1 Jun 2020 15:39

Subject: Anglican bishops and priests of Supreme Governor of the Church of England (Queen of England) assails Biblical Christian Faith and persecutes innocent Torsten.

Christian never-married innocent man, who wants to marry a Christian woman, is excommunicated/banished by all churches in Sweden, is ousted from Swedish society, and is devoid of humane future in Sweden – because of Sweden's heartless pastors and heretic priests, and due to Sweden's satanic politicians and Sweden's aggressively anti-Christian culture.

Current:

I am currently in Worcester, United Kingdom.

Contemptible "Torsten-the-demonic-Wolf" is continually persecuted by virtually all British leaders of all its satanic churches in United Kingdom and also worldwide, but in reality however, Torsten is an authentic Bible-affirming Christian who is absolutely innocent in relation to all of UK's banning and persecuting churches and global churchianity.

All British satanic churches in United Kingdom have explicitly, implicitly, covertly or passively banished the Christian person Torsten, because satan's British pastors and priests of United Kingdom's churches have decided in their imaginations that Torsten is sorts of a monster, and that the terrible monster **Torsten is dangerous and unfit for British community**. The British satanic pastors of churches in United Kingdom persecute Torsten-the-Monster (Torsten-the-demonic-Wolf). 100% of the satanic leaders of churches in Worcester, UK, serve their master satan through their invented lies, evil slander, evictions and collusive persecution against the absolutely innocent Christian person Torsten.

Too close for truth: Satan's British church/government/state alliance.

UK institutions and UK leaders are too closely allied for public acknowledgement of truth, and outcome towards moral justice. UK political leaders, UK institutional leaders, and UK religious leaders are primarily loyal towards each other; some by sworn oaths of allegiance. Therefore, the satanically corrupt and persecuting **Church of England (church of satan)** is beyond accountability to truth. The UK Prime Minister is allied with the Supreme Governor of the Church of England (the Queen) as adviser of appointing personnel for the British Queen's Church of England. Church of England's Archbishop of Canterbury is by oath allied to Supreme Governor of the Church of England (the Queen). The Anglican Bishops are subordinately dependent on, and by oath allied with, the Anglican Archbishop of Canterbury (currently Justin Welby), towards concealing culpability of the worldwide PERSECUTION by Church of England – against the Christian person Torsten; who is absolutely innocent in relation to Church of England and all the other globally persecuting churches. Queen Elizabeth II of United Kingdom is the "Supreme Governor of the Church of England", and therefore, this **Queen of England is utmost accountable for her satanic Church of England's intentional lies, slander, evictions and persecution against the absolutely innocent person Torsten**. The British Royal Family's own website (<https://www.royal.uk/queens-relationship-churches-england-and-scotland-and-other-faiths>) accordingly declares: "The Queen's relationship with the Church of England was symbolised at the Coronation in 1953 when Her Majesty was anointed by the Archbishop of Canterbury and took an ***oath to 'maintain and preserve inviolably the settlement of the Church of England, and the doctrine worship, discipline, and government thereof, as by law established in England'***. On the advice of the Prime Minister The Queen appoints Archbishops, Bishops and Deans of the Church of England, who then ***swear an oath of allegiance and pay homage to Her Majesty***. Church of England deacons and parish priests also ***swear an oath of allegiance to the Sovereign.***"

Hillsect London has evicted Torsten on all six Sundays (2019-07-28, 2018-06-24, 2017-09-10, 2017-04-09, 2016-10-30, 2016-07-25) when Torsten has visited their satanic cult to obtain information about their global ban.: http://www.kyrkor.be/Hillsong-London-UK_eviction_2019-07-28.htm
5. The satanic **Baptist pastors of United Kingdom**, the evil Baptist leaders of the British Baptist Associations, and the diabolical Baptist leaders of the **Baptist Union of Great Britain**, continually slander, defame, persecute and cyberbully the Christian person Torsten: http://www.kyrkor.be/Heart-of-England-Baptist-Association_and_Baptist-Union-UK.htm
6. The satanic **Evangelical pastors of United Kingdom** continually lie, slander and persecute the Christian person Torsten. The Evangelical Alliance of United Kingdom (<http://ea.uk.org>) passively endorsed the explicit banishment by

one of their evangelical member churches (<http://www.kyrkor.be/Kings-Church-Birmingham-UK.htm>) in Birmingham, UK. The Evangelical Alliance of United Kingdom previously opposed Torsten's critique against the British churches' outsourcing of Christian relationships to their British pro-homosexuality and Christophobic websites: <http://www.kyrkor.be/Evangelical-Alliance-United-Kingdom.htm>. The Evangelical Alliance of Ireland (<http://www.evangelical.ie>) was previously pointed out by their Vineyard Church in Dublin (<http://www.kyrkor.be/Dublin-Vineyard-Church-Ireland.htm>) as the source of active slander and lies against Torsten "In the light of [...] correspondence from Evangelical Alliance Ireland [...] I am withdrawing the welcome.": <http://www.kyrkor.be/christianconnection.co.uk-discrimination-against-Christianity.pdf>

Updated Anglican/Church of England incidents:

- In 2020, more than 10 years succeeding that a heretical/Anglican Church Reverend in Stockholm, Sweden, harassed Torsten and in effect purged Torsten-the-Monster from its Anglican Church in 2007/2008: (a) through dehumanising orders, (b) through imposition of demeaning social constraints against Torsten, and (c) by threatening Torsten with Police eviction if Torsten were to speak with any attendees before/after the Sunday "services", the typically persecuting Anglican/satanic clergy of Church of England in Stockholm sustains satan's deceptive agenda. In 2007/2008/2009, the **Anglican Diocese of Europe** did not intervene against its discrimination against Christianity, did not cease its harassments against an innocent Christian, and did not prevent its bans and threats by the satanic/Anglican Reverend. In 2019, neither the Anglican Diocese of Europe nor the satanic Church of England nor its Archbishop of Canterbury, would declare the Anglican Diocese of Europe's 2008 declared grave heresies and its sanctioning of the practice of homosexuality, as evil and sinful (as according to the Bible). More than ten years later, Church of England unabatedly persecutes Torsten-the-Monster within United Kingdom and worldwide. Previously from 2009: <http://www.kyrkor.be/Anglican-Church-Stockholm-Sweden.htm> Currently from 2020: http://www.kyrkor.be/Anglican-Church-Stockholm_and_Anglican-Diocese-Europe_10-years-later.htm
- Church of England (Church of Satan) continues its refusal to explain or justify the Church of England's national ban against their imagined monster, Torsten-the-Monster, who in reality is absolutely innocent in relation to all churches on earth. Archbishop Justin Welby's **Church of England (Church of Satan)** globally banish, evict, falsely accuse, slander, physically assault and **persecute** the real Christian person Torsten. The satanic Church of England constantly invents lies against innocent Torsten. The satanic vicars/bishops of satan's Church of England oppose truth and God, and thus, the Church of England unceasingly concoct utter lies against Torsten. Identically with satan, the Archbishop of Church of England absolutely refuses to justify his Church of England's persecution against innocent Torsten, and Church of England refuses to repent from its continuous satanic evils against innocent Torsten.: <http://www.kyrkor.be/satanic-Archbishop-Justin-Welby-of-satans-Church-of-England.htm>

Everywhere on earth, satanic pastors of churches have obstructed me from possibility of a Christian marriage. Because of obstruction by the satanic pastors of churches everywhere, I have never had any opportunity in life to marry a Christian woman. Utterly evil leaders of churches everywhere, have denied me the fundamental human condition to marry a woman. Satan truly is in charge of essentially all the churches worldwide, through professional pastors and priests.

Leaders of churches, everywhere on earth, are satanically determined to deliberately destroy the life of the innocent Christian person Torsten. Everywhere on earth, leaders of churches intentionally isolate innocent Torsten through the church-leaders' utter lies, false accusations, slander, evictions, banishments and collusive persecutions against innocent Torsten. Through facts and by the evidences, it is sensible and proper to conclude that satan is in control of the minds and hearts of leaders of churches, worldwide.

Torsten has never had any opportunity in life to marry a Christian woman, because the leaders of churches on earth have actively and passively sought to prevent that Torsten could have an opportunity to marry a Christian woman. The leaders of churches on earth have sought to prohibit opportunity for Torsten to communicate with any Christian woman. Due to all of satan's hindering leaders of churches everywhere on earth, no opportunity has ever existed, and incessantly, there never can exist any opportunity in future - because no church on earth allows Torsten to communicate with any Christian woman. The leaders of churches have destroyed Torsten's life, and the leaders of churches continue to seek to destroy Torsten's life. No leader of any church anywhere on earth will allow Torsten to communicate with Christian women. No leader of any church on earth is willing to repent from their inhumanity, sinfulness and evil against Torsten.

Torsten has no wife, because the pastors of churches prohibit that Torsten may marry a woman. Torsten is not permitted by the pastors of churches to socialise in churches. Satan knows that no communication between Torsten and women equates to no Godly marriage, and that is precisely why the pastors of churches are obsessed to prevent Torsten from communicating with any woman, and that is why the pastors of churches are obsessed to isolate Torsten from fellowship. Pastors of churches are obsessed to prevent innocent Torsten from marrying a Christian woman.

In general, pastors of churches everywhere truly are menaces to civilised societies, through their lies, evils, falsities and ultra-hypocritical inhumanity.

Lies, lies, lies and lies. Lying and falsely accusing is not merely a peripheral conduct by virtually all leaders of churches worldwide, but lying and maliciously slandering is actually the core nature of essentially all leaders of churches globally. Lying, falsely accusing, slandering, banishing and collusively persecuting the absolutely innocent person Torsten is very important for essentially all pastors and priests of churches, worldwide.

No Christian on earth knows Torsten. No pastor/priest on earth knows Torsten. Without any reality-based reason, virtually all church-leaders worldwide lie, slander, gossip, excommunicate, assault and evict Torsten. This persecution by the clergy of essentially all churches globally never stops, because satan whom they serve never stops.

The Government of Australia continues to ban innocent Torsten, through Australian Government invented and fraudulent non-reasons. Because church leaders always invent lies against innocent Torsten, and often report their lies to government authorities, it is very likely that the Australian Government identically follows the evil examples of other devilish countries of Commonwealth of Nations, like New Zealand (<http://www.kyrkor.be/New-Zealand-Federal-Governments-satanic-church-lies.htm>), and Canada (<http://www.kyrkor.be/the-morally-confused-Justin-Trudeau-in-Canada.htm>). http://www.kyrkor.be/satanic-Australian-Government-imbecils_2018.pdf

263. Two hundred sixtythird International Plea

Date: Wed, 29 Apr 2020 20:57

Subject: Queen of England's satanic Church of England assaults Biblical Christianity and persecutes innocent Torsten.

Christian never-married innocent man, who wants to marry a Christian woman, is excommunicated/banished by all churches in Sweden, is ousted from Swedish society, and is devoid of humane future in Sweden – because of Sweden's heartless pastors and heretic priests, and due to Sweden's satanic politicians and Sweden's aggressively anti-Christian culture.

Current:

I am currently in Worcester, United Kingdom.

"Torsten-the-demonic-Wolf" (AKA 'Torsten-the-Monster' or 'Torsten-the-Idiot' or the 'Village Idiot' or the 'Stupid Dud') is continually persecuted by virtually all British leaders of all its satanic churches in United Kingdom and also worldwide, but in reality however, Torsten is an authentic Bible-affirming Christian who is absolutely innocent in relation to all of UK's banning and persecuting churches and global churchianity.

All British satanic churches in United Kingdom have explicitly, implicitly, covertly or passively banished the Christian person Torsten, because satan's British pastors and priests of United Kingdom's churches have decided in their imaginations that Torsten is sorts of a monster, and that the terrible monster **Torsten is dangerous and unfit for British community**. The British satanic pastors of churches in United Kingdom persecute Torsten-the-Monster (Torsten-the-demonic-Wolf). 100% of the satanic leaders of churches in Worcester, UK, serve their master satan through their invented lies, evil slander, evictions and collusive persecution against the absolutely innocent Christian person Torsten.

Too close for truth: Satan's British church/government/state alliance.

UK institutions and UK leaders are too closely allied for public acknowledgement of truth, and outcome towards moral justice. UK political leaders, UK institutional leaders, and UK religious leaders are primarily loyal towards each other; some by sworn oaths of allegiance. Therefore, the satanically corrupt and persecuting **Church of England (church of satan)** is beyond accountability to truth. The UK Prime Minister is allied with the Supreme Governor of the Church of England (the Queen) as adviser of appointing personnel for the British Queen's Church of England. Church of England's Archbishop of Canterbury is by oath allied to Supreme Governor of the Church of England (the Queen). The Anglican Bishops are subordinately dependent on, and by oath allied with, the Anglican Archbishop of Canterbury (currently Justin Welby), towards concealing culpability of the worldwide PERSECUTION by Church of England – against the Christian person Torsten; who is absolutely innocent in relation to Church of England and all the other globally persecuting churches. Queen Elizabeth II of United Kingdom is the "Supreme Governor of the Church of England", and therefore, this **Queen of England is utmost accountable for her satanic Church of England's intentional lies, slander, evictions and persecution against the absolutely innocent person Torsten**. The British Royal Family's own website (<https://www.royal.uk/queens-relationship-churches-england-and-scotland-and-other-faiths>) accordingly declares: "The Queen's relationship with the Church of England was symbolised at the Coronation in 1953 when Her Majesty was anointed by the Archbishop of Canterbury and took an ***oath to 'maintain and preserve inviolably the settlement of the Church of England, and the doctrine worship, discipline, and government thereof, as by law established in***

*England'. On the advice of the Prime Minister The Queen appoints Archbishops, Bishops and Deans of the Church of England, who then swear an **oath of allegiance and pay homage to Her Majesty**. Church of England deacons and parish priests also **swear an oath of allegiance to the Sovereign**."*

- Church of England (Church of Satan) continues its refusal to explain or justify the Church of England's national ban against their imagined monster, Torsten-the-Monster, who in reality is absolutely innocent in relation to all churches on earth. Archbishop Justin Welby's **Church of England (Church of Satan)** globally banish, evict, falsely accuse, slander, physically assault and **persecute** the real Christian person Torsten. The satanic Church of England constantly invents lies against innocent Torsten. The satanic vicars/bishops of satan's Church of England oppose truth and God, and thus, the Church of England unceasingly concoct utter lies against Torsten. Identically with satan, the Archbishop of Church of England absolutely refuses to justify his Church of England's persecution against innocent Torsten, and Church of England refuses to repent from its continuous satanic evils against innocent Torsten.: <http://www.kyrkor.be/satanic-Archbishop-Justin-Welby-of-satans-Church-of-England.htm>

Everywhere on earth, satanic pastors of churches have obstructed me from possibility of a Christian marriage. Because of obstruction by the satanic pastors of churches everywhere, I have never had any opportunity in life to marry a Christian woman. Utterly evil leaders of churches everywhere, have denied me the fundamental human condition to marry a woman. Satan truly is in charge of essentially all the churches worldwide, through professional pastors and priests.

Leaders of churches, everywhere on earth, are satanically determined to deliberately destroy the life of the innocent Christian person Torsten. Everywhere on earth, leaders of churches intentionally isolate innocent Torsten through the church-leaders' utter lies, false accusations, slander, evictions, banishments and collusive persecutions against innocent Torsten. Through facts and by the evidences, it is sensible and proper to conclude that satan is in control of the minds and hearts of leaders of churches, worldwide.

Torsten has never had any opportunity in life to marry a Christian woman, because the leaders of churches on earth have actively and passively sought to prevent that Torsten could have an opportunity to marry a Christian woman. The leaders of churches on earth have sought to prohibit opportunity for Torsten to communicate with any Christian woman. Due to all of satan's hindering leaders of churches everywhere on earth, no opportunity has ever existed, and incessantly, there never can exist any opportunity in future - because no church on earth allows Torsten to communicate with any Christian woman. The leaders of churches have destroyed Torsten's life, and the leaders of churches continue to seek to destroy Torsten's life. No leader of any church anywhere on earth will allow Torsten to communicate with Christian women. No leader of any church on earth is willing to repent from their inhumanity, sinfulness and evil against Torsten.

Torsten has no wife, because the pastors of churches prohibit that Torsten may marry a woman. Torsten is not permitted by the pastors of churches to socialise in churches. Satan knows that no communication between Torsten and women equates to no Godly marriage, and that is precisely why the pastors of churches are obsessed to prevent Torsten from communicating with any woman, and that is why the pastors of churches are obsessed to isolate Torsten from fellowship. Pastors of churches are obsessed to prevent innocent Torsten from marrying a Christian woman.

In general, pastors of churches everywhere truly are menaces to civilised societies, through their lies, evils, falsities and ultra-hypocritical inhumanity.

Lies, lies, lies and lies. Lying and falsely accusing is not merely a peripheral conduct by virtually all leaders of churches worldwide, but lying and maliciously slandering is actually the core nature of essentially all leaders of churches globally. Lying, falsely accusing, slandering, banishing and collusively persecuting the absolutely innocent person Torsten is very important for essentially all pastors and priests of churches, worldwide.

No Christian on earth knows Torsten. No pastor/priest on earth knows Torsten. Without any reality-based reason, virtually all church-leaders worldwide lie, slander, gossip, excommunicate, assault and evict Torsten. This persecution by the clergy of essentially all churches globally never stops, because satan whom they serve never stops.

The Government of Australia continues to ban innocent Torsten, through Australian Government invented and fraudulent non-reasons. Because church leaders always invent lies against innocent Torsten, and often report their lies to government authorities, it is very likely that the Australian Government identically follows the evil examples of other devilish countries of Commonwealth of Nations, like New Zealand (<http://www.kyrkor.be/New-Zealand-Federal-Governments-satanic-church-lies.htm>), and Canada (<http://www.kyrkor.be/the-morally-confused-Justin-Trudeau-in-Canada.htm>). http://www.kyrkor.be/satanic-Australian-Government-imbecils_2018.pdf

261. Two hundred sixtyfirst International Plea

Date: Tue, 31 Mar 2020 11:30

Subject: Queen of England's satanic church (Church of England) persecutes innocent Torsten globally.

Christian never-married innocent man, who wants to marry a Christian woman, is excommunicated/banished by all churches in Sweden, is ousted from Swedish society, and is devoid of humane future in Sweden – because of Sweden's heartless pastors and heretic priests, and due to Sweden's satanic politicians and Sweden's aggressively anti-Christian culture.

Current:

I am currently in Worcester, United Kingdom.

"Torsten-the-demonic-Wolf" (AKA '*Torsten-the-Monster*' or '*Torsten-the-Idiot*' or the '*Village Idiot*' or the '*Stupid Dud*') is continually persecuted by virtually all British leaders of all its satanic churches in United Kingdom and also worldwide, but in reality however, Torsten is an authentic Bible-affirming Christian who is absolutely innocent in relation to all of UK's banning and persecuting churches and global churchianity.

All British satanic churches in United Kingdom have explicitly, implicitly, covertly or passively banished the Christian person Torsten, because satan's British pastors and priests of United Kingdom's churches have decided in their imaginations that Torsten is sorts of a monster, and that the terrible monster **Torsten is dangerous and unfit for British community.** The British satanic pastors of churches in United Kingdom persecute Torsten-the-

Monster (Torsten-the-demonic-Wolf). 100% of the satanic leaders of churches in Worcester, UK, serve their master satan through their invented lies, evil slander, evictions and collusive persecution against the absolutely innocent Christian person Torsten.

Too close for truth: Satan's British church/government/state alliance.

UK institutions and UK leaders are too closely allied for public acknowledgement of truth, and outcome towards moral justice. UK political leaders, UK institutional leaders, and UK religious leaders are primarily loyal towards each other; some by sworn oaths of allegiance. Therefore, the satanically corrupt and persecuting **Church of England (church of satan)** is beyond accountability to truth. The UK Prime Minister is allied with the Supreme Governor of the Church of England (the Queen) as adviser of appointing personnel for the British Queen's Church of England. Church of England's Archbishop of Canterbury is by oath allied to Supreme Governor of the Church of England (the Queen). The Anglican Bishops are subordinately dependent on, and by oath allied with, the Anglican Archbishop of Canterbury (currently Justin Welby), towards concealing culpability of the worldwide PERSECUTION by Church of England – against the Christian person Torsten; who is absolutely innocent in relation to Church of England and all the other globally persecuting churches. Queen Elizabeth II of United Kingdom is the "Supreme Governor of the Church of England", and therefore, this **Queen of England is utmost accountable for her satanic Church of England's intentional lies, slander, evictions and persecution against the absolutely innocent person Torsten**. The British Royal Family's own website (<https://www.royal.uk/queens-relationship-churches-england-and-scotland-and-other-faiths>) accordingly declares: "The Queen's relationship with the Church of England was symbolised at the Coronation in 1953 when Her Majesty was anointed by the Archbishop of Canterbury and **took an oath to 'maintain and preserve inviolably the settlement of the Church of England, and the doctrine worship, discipline, and government thereof, as by law established in England'**. On the advice of the Prime Minister The Queen appoints Archbishops, Bishops and Deans of the Church of England, who then **swear an oath of allegiance and pay homage to Her Majesty**. Church of England deacons and parish priests also **swear an oath of allegiance to the Sovereign**." <https://twitter.com/Torsten/status/94555797773139968>

Satan's Church of England of evil Kingdom of Britain under its Queen, unceasingly persecute Torsten in UK and globally. The British government's "stupidity agencies" are fit to maintain fallacious judgement and selected ignorance.

Updated British churchianity incidents:

1. Satanic 'Woodgreen Evangelical Church' in Worcester, United Kingdom, **explicitly banished and evicted** innocent Torsten, called the Police, and falsely accused the absolutely innocent Christian person Torsten of being **"a very dangerous, deluded and demonic Wolf"**, and that it is a moral duty to protect people from Torsten.: http://www.kyrkor.be/Woodgreen-Evangelical-Church-Worcester_UK_eviction_2017.htm
2. Satanic 'Hope Church' in Worcester, United Kingdom, **explicitly banished and evicted** innocent Torsten and threatened to call the police, because their satanic church leaders collude with other satanic churches. The satanic Hope Church falsely accused that the absolutely innocent Christian person **Torsten is a danger**, and declared that their **eviction of Torsten is necessary for protection of the people**.: http://www.kyrkor.be/Hope-Church-Worcester_UK_eviction_2017.htm
3. Satanic Church of England's 'All Saints Church' in Worcester, United Kingdom, **explicitly banished and evicted** innocent Torsten, called the Police, and falsely accused innocent Torsten of some unknown and unspecified "behaviour". The satanic Church of England's vicars/bishops have concocted utter lies against a non-existent monster, who they call Torsten. The Archbishop of Church of England, Justin Welby, absolutely refuses to specify what sin, immorality, wrongdoing or **"behaviour"** that his Church of England constantly accuse against innocent Torsten, justifying Church of England's evictions and global banishments against innocent Torsten.: http://www.kyrkor.be/All-Saints-Church-Worcester_UK_Anglican-eviction_2017.htm
4. Satanic and pathologically lying **"Hillsong Church"** in London, United Kingdom, again **evicted** innocent Torsten from their Sunday so-called service in their rented premises at Dominion Theatre in central London. The cult, Hillsong London, of course, absolutely refused to provide a reason for their repeated evictions. The typically satanic Hillsong London has confirmed that their Hillsong's supreme devilpastor (**Brian Houston**) enforces a worldwide banishment against Torsten, and has confirmed that Hillsong's devilpastor Brian Houston preserves a global anti-Torsten policy. Hillsect London has evicted Torsten on all six Sundays (2019-07-28, 2018-06-24, 2017-09-10, 2017-04-09, 2016-10-30, 2016-07-25) when Torsten has visited their satanic cult to obtain information about their global ban.: http://www.kyrkor.be/Hillsong-London-UK_eviction_2019-07-28.htm
5. The satanic **Baptist pastors** of United Kingdom, the evil Baptist leaders of the British Baptist Associations, and the diabolical Baptist leaders of the **Baptist Union of Great Britain**, continually slander, defame, persecute and cyberbully the Christian person Torsten: <http://www.kyrkor.be/Heart-of-England-Baptist-Association-and-Baptist-Union-UK.htm>
6. The satanic **Evangelical pastors** of United Kingdom continually lie, slander and persecute the Christian person Torsten. The Evangelical Alliance of United Kingdom (<http://ea.uk.org>) passively endorsed the explicit banishment by one of their evangelical member churches (<http://www.kyrkor.be/Kings-Church-Birmingham-UK.htm>) in Birmingham, UK. The Evangelical Alliance of United Kingdom previously opposed Torsten's critique against the British churches' outsourcing of Christian relationships to their British pro-homosexuality and Christophobic websites: <http://www.kyrkor.be/Evangelical-Alliance-United-Kingdom.htm>. The Evangelical Alliance of Ireland (<http://www.evangelical.ie>) was previously pointed out by their Vineyard Church in Dublin (<http://www.kyrkor.be/Dublin-Vineyard-Church-Ireland.htm>) as the source of active slander and lies against Torsten "In the light of [...] correspondence from Evangelical Alliance Ireland [...] I am withdrawing the welcome.": <http://www.kyrkor.be/christianconnection.co.uk-discrimination-against-Christianity.pdf>

- Values and attitudes in satanic-Sweden compared to United Kingdom might be worlds apart. In *selfish* and inhumane Sweden, life can be cheap. In a relatively *selfless* UK society, others' lives appear comparatively precious. While 750 000 British persons responded within one week to the British Government's appeal for volunteers to help vulnerable people in the British society during the Covid-19 pandemic, it appears that inhumane satanic-Sweden's political leadership and populace might cynically view deaths predominantly among their elderly population as financially beneficial for protection of their national economy; in comparison to more stringent community 'lockdown' measures of significant cost.

6. The satanic Evangelical pastors of United Kingdom continually lie, slander and persecute the Christian person Torsten. The Evangelical Alliance of United Kingdom (http://ea.uk.org) passively endorsed the explicit banishment by one of their evangelical member churches (http://www.kyrkor.be/Kings-Church-Birmingham-UK.htm) in Birmingham, UK. The Evangelical Alliance of Ireland (http://www.evangelical.ie) was previously pointed out by their Vineyard Church in Dublin (http://www.kyrkor.be/Dublin-Vineyard-Church-Ireland.htm) as the source of active slander and lies against Torsten "In the light of [...] correspondence from Evangelical Alliance Ireland [...] I am withdrawing the welcome.": <http://www.kyrkor.be/christianconnection.co.uk-discrimination-against-Christianity.pdf>

Updated Anglican/Church of England incidents:

- In 2020, more than 10 years succeeding that a heretical/Anglican Church Reverend in Stockholm, Sweden, harassed Torsten and in effect purged Torsten-the-Monster from its Anglican Church in 2007/2008: (a) through dehumanising orders, (b) through imposition of demeaning social constraints against Torsten, and (c) by threatening Torsten with Police eviction if Torsten were to speak with any attendees before/after the Sunday "services", the typically persecuting Anglican/satanic clergy of Church of England in Stockholm sustains satan's deceptive agenda. In 2007/2008/2009, the **Anglican Diocese of Europe** did not intervene against its discrimination against Christianity, did not cease its harassments against an innocent Christian, and did not prevent its bans and threats by the satanic/Anglican Reverend. In 2019, neither the Anglican Diocese of Europe nor the satanic Church of England nor its Archbishop of Canterbury, would declare the Anglican Diocese of Europe's 2008 declared grave heresies and its sanctioning of the practice of homosexuality, as evil and sinful (as according to the Bible). More than ten years later, Church of England unabatedly persecutes Torsten-the-Monster within United Kingdom and worldwide.

- Church of England (Church of Satan) continues its refusal to explain or justify the Church of England's national ban against their imagined monster, Torsten-the-Monster, who in reality is absolutely innocent in relation to all churches on earth. Archbishop Justin Welby's **Church of England (Church of Satan)** globally banish, evict, falsely accuse, slander, physically assault and **persecute** the real Christian person Torsten. The satanic Church of England constantly invents lies against innocent Torsten. The satanic vicars/bishops of satan's Church of England oppose truth and God, and thus, the Church of England unceasingly concoct utter lies against Torsten. Identically with satan, the Archbishop of Church of England absolutely refuses to justify his Church of England's persecution against innocent Torsten, and Church of England refuses to repent from its continuous satanic evils against innocent Torsten.: <http://www.kyrkor.be/satanic-Archbishop-Justin-Welby-of-satans-Church-of-England.htm>

Everywhere on earth, satanic pastors of churches have obstructed me from possibility of a Christian marriage. Because of obstruction by the satanic pastors of churches everywhere, I have never had any opportunity in life to marry a Christian woman. Utterly evil leaders of churches everywhere, have denied me the fundamental human condition to marry a woman. Satan truly is in charge of essentially all the churches worldwide, through professional pastors and priests.

Leaders of churches, everywhere on earth, are satanically determined to deliberately destroy the life of the innocent Christian person Torsten. Everywhere on earth, leaders of churches intentionally isolate innocent Torsten through the church-leaders' utter lies, false accusations, slander, evictions, banishments and collusive persecutions against innocent Torsten. Through facts and by the evidences, it is sensible and proper to conclude that satan is in control of the minds and hearts of leaders of churches, worldwide.

Torsten has never had any opportunity in life to marry a Christian woman, because the leaders of churches on earth have actively and passively sought to prevent that Torsten could have an opportunity to marry a Christian woman. The leaders of churches on earth have sought to prohibit opportunity for Torsten to communicate with any Christian woman. Due to all of satan's hindering leaders of churches everywhere on earth, no opportunity has ever existed, and incessantly, there never can exist any opportunity in future - because no church on earth allows Torsten to communicate with any Christian woman. The leaders of churches have destroyed Torsten's life, and the leaders of churches continue to seek to destroy Torsten's life. No leader of any church anywhere on earth will allow Torsten to communicate with Christian women. No leader of any church on earth is willing to repent from their inhumanity, sinfulness and evil against Torsten.

Torsten has no wife, because the pastors of churches prohibit that Torsten may marry a woman. Torsten is not permitted by the pastors of churches to socialise in churches. Satan knows that no communication between Torsten and women equates to no Godly marriage, and that is precisely why the pastors of churches are obsessed to prevent Torsten from communicating with any woman, and that is why the pastors of churches are obsessed to isolate Torsten from fellowship. Pastors of churches are obsessed to prevent innocent Torsten from marrying a Christian woman.

In general, pastors of churches everywhere truly are menaces to civilised societies, through their lies, evils, falsities and ultra-hypocritical inhumanity.

Lies, lies, lies and lies. Lying and falsely accusing is not merely a peripheral conduct by virtually all leaders of churches worldwide, but lying and maliciously slandering is actually the core nature of essentially all leaders of churches globally. Lying, falsely accusing, slandering, banishing and collusively persecuting the absolutely innocent person Torsten is very important for essentially all pastors and priests of churches, worldwide.

No Christian on earth knows Torsten. No pastor/priest on earth knows Torsten. Without any reality-based reason, virtually all church-leaders worldwide lie, slander, gossip, excommunicate, assault and evict Torsten. This persecution by the clergy of essentially all churches globally never stops, because satan whom they serve never stops.

The Government of Australia continues to ban innocent Torsten, through Australian Government invented and fraudulent non-reasons. Because church leaders always invent lies against innocent Torsten, and often report their lies to government authorities, it is very likely that the Australian Government identically follows the evil examples of other devilish countries of Commonwealth of Nations, like New Zealand (<http://www.kyrkor.be/New-Zealand-Federal-Governments-satanic-church-lies.htm>), and Canada (<http://www.kyrkor.be/the-morally-confused-Justin-Trudeau-in-Canada.htm>). http://www.kyrkor.be/satanic-Australian-Government-imbecils_2018.pdf

Subject: Dangerous, deluded, diabolical Wolfgang-Torsten is banned and persecuted by all British churches in United Kingdom.

Christian never-married innocent man, who wants to marry a Christian woman, is excommunicated/banished by all churches in Sweden, is ousted from Swedish society, and is devoid of humane future in Sweden – because of Sweden’s heartless pastors and heretic priests, and due to Sweden’s satanic politicians and Sweden’s aggressively anti-Christian culture.

Current:

I am currently in Worcester, United Kingdom.

“*Torsten-the-demonic-Wolf*” (AKA ‘*Torsten-the-Monster*’ and ‘*Torsten-the-Idiot*’ and the ‘*Village Idiot*’ and the ‘*Stupid Dud*’) is continually persecuted by all British leaders of **all** churches in satanic United Kingdom and also worldwide, but in reality however, Torsten is an authentic Bible-affirming Christian absolutely innocent in relation to global churchianity.

All British churches in United Kingdom have explicitly, implicitly, covertly or passively banished the Christian person Torsten, because satan’s British pastors and priests of United Kingdom’s churches have decided in their imaginations that Torsten is sorts of a monster, and that the terrible monster Torsten is dangerous and unfit for British community. The British pastors of churches in United Kingdom persecute Torsten-the-Monster (*Torsten-the-demonic-Wolf*). 100% of the leaders of churches in Worcester, UK, serve their master satan through their invented lies, evil slander, evictions and collusive persecution against the absolutely innocent Christian person Torsten.

Updated British churchianity incidents:

1. Satanic ‘Woodgreen Evangelical Church’ in Worcester, United Kingdom, explicitly banished and evicted innocent Torsten, called the Police, and falsely accused the absolutely innocent Christian person Torsten of being **“a very dangerous, deluded and demonic Wolf”**, and that it is a moral duty to protect people from Torsten.: http://www.kyrkor.be/Woodgreen-Evangelical-Church-Worcester_UK_eviction_2017.htm
2. Satanic ‘Hope Church’ in Worcester, United Kingdom, explicitly banished and evicted innocent Torsten and threatened to call the police, because their satanic church leaders collude with other satanic churches. The satanic Hope Church falsely accused that the absolutely innocent Christian person **Torsten is a danger**, and declared that their **eviction of Torsten is necessary for protection of the people**.: http://www.kyrkor.be/Hope-Church-Worcester_UK_eviction_2017.htm
3. Satanic Church of England’s ‘All Saints Church’ in Worcester, United Kingdom, explicitly banished and evicted innocent Torsten, called the Police, and falsely accused innocent Torsten of some unknown and unspecified “behaviour”. The satanic Church of England’s vicars/bishops have concocted utter lies against a non-existent monster, who they call Torsten. The Archbishop of Church of England, Justin Welby, absolutely refuses to specify what sin, immorality, wrongdoing or **“behaviour”** that his Church of England constantly accuse against innocent Torsten, justifying Church of England’s evictions and global banishments against innocent Torsten.: http://www.kyrkor.be/All-Saints-Church-Worcester_UK_Anglican-eviction_2017.htm
4. Satanic and pathologically lying **“Hillsong Church”** in London, United Kingdom, again evicted innocent Torsten from their Sunday so-called service in their rented premises at Dominion Theatre in central London. 257. Two hundred fiftyseventh International Plea

Date: Thu, 30 Jan 2020 00:02

Subject: Terrible Torsten-the-Monster is globally banned from fellowship by the pastors and clergy of churches.

Christian never-married innocent man, who wants to marry a Christian woman, is excommunicated/banished by all churches in Sweden, is ousted from Swedish society, and is devoid of humane future in Sweden – because of Sweden's heartless pastors and heretic priests, and due to Sweden's satanic politicians and Sweden's aggressively anti-Christian culture.

Current:

I am currently in Pattaya City, Thailand.

- The stupid monster is continually rejected, banned and persecuted by churches, everywhere on earth:
http://www.kyrkor.be/Inhumane_Swedish_Pastors.pdf
- The quintessence of global church intellect, also in Pattaya:
http://www.kyrkor.be/Pattaya_International_Church_rationale_for_eviction-ban.mp3

There exists no church in Thailand where the innocent Christian person Torsten is actually welcome, because the pastors of the churches in Thailand have decided in their imaginations through pastors' typical lies and slander globally and locally, that the terrible monster Torsten is dangerous and unfit for community. The churches in Thailand persecute Torsten-the-Monster.

Although Thai culture possibly is one of the friendliest cultures in the world, prostitution and sexual exploitation of young Thai persons (and also trafficked victims of sexual abuse into Thailand from Vietnam and Myanmar) by tourists is immense, particularly in the City of Pattaya, with countless go-go girls, bar girls, freelance girls, prostitutes, ladyboys, tomboys and transgender persons offering sexual services especially for the tourism industry.

Updated Pattaya City, Thailand, churchianity incidents:

1. Satanic "Pattaya International Church" in Pattaya, Thailand, **evicted and explicitly banished** their perceived idiot/monster, Torsten, who in reality is absolutely innocent in relation to their church and in relation to all other persecuting churches on earth, and shouted with disgust against Torsten **"You're an idiot!"**:
http://www.kyrkor.be/Pattaya-International-Church_eviction-ban_2018.htm
2. Satanic "Evangelical Church of Bangkok" (ECB) in Bangkok, Thailand, **explicitly banished** innocent Torsten and implied intention to report Torsten as a trespasser to Thailand police authorities if Torsten would visit their church premises. The typically satanic-evangelical pastors refused to provide a reason for their explicit ban, and additionally claimed falsely that their evangelical church has no moral or Biblical obligation to provide a reason for their explicit banishment.: http://www.kyrkor.be/Evangelical-Church-Bangkok_Thailand_ban_2017.htm
3. Satanic "Pattaya Encounter Church" in Pattaya, Thailand, covertly banished Torsten.: http://kyrkor.be/Pattaya-Encounter-Church_Thailand.htm
4. Satanic "Pattaya-Jomtien Baptist Church" in Pattaya, Thailand, covertly banished Torsten.:
http://kyrkor.be/Pattaya-Jomtien-Baptist-Convention-Center-Church_Thailand.htm

Updated Anglican/Church of England incidents:

- In 2020, more than 10 years succeeding that a heretical/Anglican Church Reverend in Stockholm, Sweden, harassed Torsten and in effect purged Torsten-the-Monster from its Anglican Church in 2007/2008: (a) through dehumanising orders, (b) through imposition of demeaning social constraints against Torsten, and (c) by threatening Torsten with Police eviction if Torsten were to speak with any attendees before/after the Sunday "services", the typically persecuting Anglican/satanic clergy of Church of England in Stockholm sustains satan's deceptive agenda. In 2007/2008/2009, the **Anglican Diocese of Europe** did not intervene against its discrimination against Christianity, did not cease its harassments against an innocent Christian, and did not prevent its bans and threats by the satanic/Anglican Reverend. In 2019, neither the Anglican Diocese of Europe nor the satanic Church of England nor its Archbishop of Canterbury, would declare the Anglican Diocese of Europe's 2008 declared grave heresies and its sanctioning of the practice of homosexuality, as evil and sinful (as according to the Bible). More than ten years later, Church of England unabatedly persecutes Torsten-the-Monster within United Kingdom and worldwide.

Previously from 2009: <http://www.kyrkor.be/Anglican-Church-Stockholm-Sweden.htm>

Currently from 2020: http://www.kyrkor.be/Anglican-Church-Stockholm_and_Anglican-Diocese-Europe_10-years-later.htm

- Church of England (Church of Satan) continues its refusal to explain or justify the Church of England's national ban against their imagined monster, Torsten-the-Monster, who in reality is absolutely innocent in relation to all churches on earth. Archbishop Justin Welby's **Church of England (Church of Satan)** globally banish, evict, falsely accuse, slander, physically assault and **persecute** the real Christian person Torsten. The satanic Church of England constantly invents lies against innocent Torsten. The satanic vicars/bishops of Satan's Church of England oppose truth and God, and thus, the Church of England unceasingly concoct utter lies against Torsten. Identically with Satan, the Archbishop of Church of England absolutely refuses to justify his Church of England's persecution against innocent Torsten, and Church of England refuses to repent from its continuous satanic evils against innocent Torsten.: <http://www.kyrkor.be/satanic-Archbishop-Justin-Welby-of-satans-Church-of-England.htm>

Everywhere on earth, satanic pastors of churches have obstructed me from possibility of a Christian marriage. Because of obstruction by the satanic pastors of churches everywhere, I have never had any opportunity in life to marry a Christian woman. Utterly evil leaders of churches everywhere, have denied me the fundamental human condition to marry a woman. Satan truly is in charge of essentially all the churches worldwide, through professional pastors and priests.

Leaders of churches, everywhere on earth, are satanically determined to deliberately destroy the life of the innocent Christian person Torsten. Everywhere on earth, leaders of churches intentionally isolate innocent Torsten through the church-leaders' utter lies, false accusations, slander, evictions, banishments and collusive persecutions against innocent Torsten. Through facts and by the evidences, it is sensible and proper to conclude that Satan is in control of the minds and hearts of leaders of churches, worldwide.

Torsten has never had any opportunity in life to marry a Christian woman, because the leaders of churches on earth have actively and passively sought to prevent that Torsten could have an opportunity to marry a Christian woman. The leaders of churches on earth have sought to prohibit opportunity for Torsten to communicate with any Christian woman. Due to all of Satan's hindering leaders of churches everywhere on earth, no opportunity has ever existed, and incessantly, there never can exist any opportunity in future - because no church on earth allows Torsten to communicate with any Christian woman. The leaders of churches have destroyed Torsten's life, and the leaders of churches continue to seek to destroy Torsten's life. No leader of any church anywhere on earth will allow Torsten to communicate with Christian women. No leader of any church on earth is willing to repent from their inhumanity, sinfulness and evil against Torsten.

Torsten has no wife, because the pastors of churches prohibit that Torsten may marry a woman. Torsten is not permitted by the pastors of churches to socialise in churches. Satan knows that no communication between Torsten and women equates to no Godly marriage, and that is precisely why the pastors of churches are obsessed to prevent Torsten from communicating with any woman, and that is why the pastors of churches are obsessed to isolate Torsten from fellowship. Pastors of churches are obsessed to prevent innocent Torsten from marrying a Christian woman.

In general, pastors of churches everywhere truly are menaces to civilised societies, through their lies, evils, falsities and ultra-hypocritical inhumanity.

Lies, lies, lies and lies. Lying and falsely accusing is not merely a peripheral conduct by virtually all leaders of churches worldwide, but lying and maliciously slandering is actually the core nature of essentially all leaders of churches globally. Lying, falsely accusing, slandering, banishing and collusively persecuting the absolutely innocent person Torsten is very important for essentially all pastors and priests of churches, worldwide.

No Christian on earth knows Torsten. No pastor/priest on earth knows Torsten. Without any reality-based reason, virtually all church-leaders worldwide lie, slander, gossip, excommunicate, assault and evict Torsten. This persecution by the clergy of essentially all churches globally never stops, because Satan whom they serve never stops.

The Government of Australia continues to ban innocent Torsten, through Australian Government invented and fraudulent non-reasons. Because church leaders always invent lies against innocent Torsten, and often report their lies to government authorities, it is very likely that the Australian Government identically follows the evil examples of other devilish countries of Commonwealth of Nations, like New Zealand (<http://www.kyrkor.be/New-Zealand-Federal-Governments-satanic-church-lies.htm>), and Canada (<http://www.kyrkor.be/the-morally-confused-Justin-Trudeau-in-Canada.htm>). http://www.kyrkor.be/satanic-Australian-Government-imbecils_2018.pdf

All churches in Singapore have explicitly, implicitly, covertly or passively banished the Christian person Torsten, because satan's pastors and priests of Singapore's churches have decided in their imaginations that Torsten is sorts of a monster, and is unfit for community. All churches in Singapore persecute Torsten-the-Monster.

Updated Singapore churchianity incidents:

1. Satanic-Evangelical church "Covenant Evangelical Reformed Church (CERC)" in Singapore, **explicitly banished** their perceived monster, Torsten, who in reality is an absolutely innocent Christian. The typically satanic/evangelical pastors of CERC falsely accused the Christian of being dangerous with a damaged mind requiring psychiatric treatment in a mental hospital in Singapore. CERC unrepentantly continues its banishment and satanic persecution against the innocent real Christian.: http://www.kyrkor.be/Covenant-Evangelical-Reformed-Church_Singapore.htm
2. Satanic "Wesley Methodist Church" in Singapore, which **in-effect evicted** absolutely innocent Torsten from their church building in 2013, and in 2018 continued to banish the monster Torsten from fellowship through their lie of insinuation that the reason Wesley Methodist Church evicted and continually banishes Torsten from fellowship is that Torsten would be guilty of some unspecified breach of parameters of "accepted behaviour", and the satanic Methodist church in Singapore in 2020 unrepentantly continue its methodical-satanic persecution against the innocent real Christian.: http://www.kyrkor.be/Wesley-Methodist-Church_Singapore.htm
3. Satanic "Gospel Light Christian Church" in Singapore **in-effect evicted** absolutely innocent Torsten from their church-building in 2013. At the innocent Torsten's arrival in 2013 inside the church premises prior to their 'Sunday service', a pastor ordered in demonic rage that the monster Torsten must not communicate with any Christian singles inside their church, and the church unrepentantly continues in 2020 its covert banishment and satanic persecution against the innocent real Christian.: http://www.kyrkor.be/Gospel-Light-Church_Singapore.htm
4. Satanic-Anglican church "St. James Anglican Church" in Singapore **zealously obstructed** an absolutely innocent Christian from communication with any females inside their church building in 2013; demonstrating that their imagined monster Torsten's presence constituted a severe threat to the Anglican Church, and this church unrepentantly continues in 2020 its covert banishment and satanic persecution against the innocent real Christian.: http://www.kyrkor.be/St-James-Anglican-Church_Singapore.htm

Subject: Torsten-the-Idiot is expelled by churches everywhere, because Torsten is an idiot.

Christian never-married innocent man, who wants to marry a Christian woman, is excommunicated/banished by all churches in Sweden, is ousted from Swedish society, and is devoid of humane future in Sweden – because of Sweden’s heartless pastors and heretic priests, and due to Sweden’s satanic politicians and Sweden’s aggressively anti-Christian culture.

Current:

I am currently in Pattaya City, Thailand.

Updated local churchianity incidents:

1. Satanic “Pattaya International Church” in Pattaya, Thailand, **evicted** and **explicitly banished** their perceived idiot/monster, Torsten, who in reality is absolutely innocent in relation to their church and in relation to all other persecuting churches on earth, and **shouted with disgust** against Torsten **“You’re an idiot!”**: http://www.kyrkor.be/Pattaya-International-Church_eviction-ban_2018.htm
2. Satanic “Evangelical Church of Bangkok” (ECB) in Bangkok, Thailand, **explicitly banished** innocent Torsten and implied intention to report Torsten as a trespasser to Thailand police authorities if Torsten would visit their church premises. The typically satanic-evangelical pastors refused to provide a reason for their explicit ban, and additionally claimed falsely that their evangelical church has no moral or Biblical obligation to provide a reason for their explicit banishment: http://www.kyrkor.be/Evangelical-Church-Bangkok_Thailand_ban_2017.htm
3. Satanic “Pattaya Encounter Church” in Pattaya, Thailand, covertly banished Torsten: http://kyrkor.be/Pattaya-Encounter-Church_Thailand.htm
4. Satanic “Pattaya-Jomtien Baptist Church” in Pattaya, Thailand, covertly banished Torsten: http://kyrkor.be/Pattaya-Jomtien-Baptist-Convention-Center-Church_Thailand.htm

Updated churchianity incidents:

- In 2019, more than 10 years succeeding that a heretical/Anglican Church Reverend in Stockholm, Sweden, harassed Torsten and in effect purged Torsten-the-Monster from its Anglican Church in 2007/2008: (a) through dehumanising orders, (b) through imposition of demeaning social constraints against Torsten, and (c) by threatening Torsten with Police eviction if Torsten were to speak with any attendees before/after the Sunday “services”, the typically persecuting Anglican/satanic clergy of Church of England in Stockholm sustains satan’s deceptive agenda. In 2007/2008/2009, the **Anglican Diocese of Europe** did not intervene against its discrimination against Christianity, did not cease its harassments against an innocent Christian, and did not prevent its bans and threats by the satanic/Anglican Reverend. In 2019, neither the Anglican Diocese of Europe nor the satanic Church of England nor its Archbishop of Canterbury, would declare the Anglican Diocese of Europe’s 2008 declared grave heresies and its sanctioning of the practice of homosexuality, as evil and sinful (as according to the Bible). More than ten years later, Church of England unabatedly persecutes Torsten-the-Monster within United Kingdom and worldwide.

- Church of England (Church of Satan) continues its refusal to explain or justify the Church of England’s national ban against their imagined monster, Torsten-the-Monster, who in reality is absolutely innocent in relation to all churches on earth. Archbishop Justin Welby’s **Church of England (Church of Satan)** globally banish, evict, falsely accuse, slander, physically assault and **persecute** the real Christian person Torsten. The satanic Church of England constantly invents lies against innocent Torsten. The satanic vicars/bishops of satan’s Church of England oppose truth and God, and thus, the Church of England unceasingly concoct utter lies against Torsten. Identically with satan, the Archbishop of Church of England absolutely refuses to justify his Church of England’s persecution against innocent Torsten, and Church of England refuses to repent from its continuous satanic evils against innocent Torsten.: <http://www.kyrkor.be/satanic-Archbishop-Justin-Welby-of-satans-Church-of-England.htm>

Everywhere on earth, satanic pastors of churches have obstructed me from possibility of a Christian marriage. Because of obstruction by the satanic pastors of churches everywhere, I have never had any opportunity in life to marry a Christian woman. Utterly evil leaders of churches everywhere, have denied me the fundamental human condition to marry a woman. Satan truly is in charge of essentially all the churches worldwide, through professional pastors and priests.

Leaders of churches, everywhere on earth, are satanically determined to deliberately destroy the life of the innocent Christian person Torsten. Everywhere on earth, leaders of churches intentionally isolate innocent Torsten through the church-leaders’ utter lies, false accusations, slander, evictions, banishments and collusive persecutions against innocent Torsten. Through facts and by the evidences, it is sensible and proper to conclude that satan is in control of the minds and hearts of leaders of churches, worldwide.

Torsten has never had any opportunity in life to marry a Christian woman, because the leaders of churches on earth have actively and passively sought to prevent that Torsten could have an opportunity to marry a Christian woman. The leaders of churches on earth have sought to prohibit opportunity for Torsten to communicate with any Christian woman. Due to all of satan’s hindering leaders of churches everywhere on earth, no opportunity

has ever existed, and incessantly, there never can exist any opportunity in future - because no church on earth allows Torsten to communicate with any Christian woman. The leaders of churches have destroyed Torsten's life, and the leaders of churches continue to seek to destroy Torsten's life. No leader of any church anywhere on earth will allow Torsten to communicate with Christian women. No leader of any church on earth is willing to repent from their inhumanity, sinfulness and evil against Torsten.

Torsten has no wife, because the pastors of churches prohibit that Torsten may marry a woman. Torsten is not permitted by the pastors of churches to socialise in churches. Satan knows that no communication between Torsten and women equates to no Godly marriage, and that is precisely why the pastors of churches are obsessed to prevent Torsten from communicating with any woman, and that is why the pastors of churches are obsessed to isolate Torsten from fellowship. Pastors of churches are obsessed to prevent innocent Torsten from marrying a Christian woman.

In general, pastors of churches everywhere truly are menaces to civilised societies, through their lies, evils, falsities and ultra-hypocritical inhumanity.

Lies, lies, lies and lies. Lying and falsely accusing is not merely a peripheral conduct by virtually all leaders of churches worldwide, but lying and maliciously slandering is actually the core nature of essentially all leaders of churches globally. Lying, falsely accusing, slandering, banishing and collusively persecuting the absolutely innocent person Torsten is very important for essentially all pastors and priests of churches, worldwide.

No Christian on earth knows Torsten. No pastor/priest on earth knows Torsten. Without any reality-based reason, virtually all church-leaders worldwide lie, slander, gossip, excommunicate, assault and evict Torsten. This persecution by the clergy of essentially all churches globally never stops, because Satan whom they serve never stops.

The Government of Australia continues to ban innocent Torsten, through Australian Government invented and fraudulent non-reasons. Because church leaders always invent lies against innocent Torsten, and often report their lies to government authorities, it is very likely that the Australian Government identically follows the evil examples of other devilish countries of Commonwealth of Nations, like New Zealand (<http://www.kyrkor.be/New-Zealand-Federal-Governments-satanic-church-lies.htm>), and Canada (<http://www.kyrkor.be/the-morally-confused-Justin-Trudeau-in-Canada.htm>).

Subject: 100% of the churches in satanic-Sweden have banned Torsten-the-Monster.

Christian never-married innocent man, who wants to marry a Christian woman, is excommunicated/banished by all churches in Sweden, is ousted from Swedish society, and is devoid of humane future in Sweden – because of Sweden's heartless pastors and heretic priests, and due to Sweden's satanic politicians and Sweden's aggressively anti-Christian culture.

Current:

I am currently in Stockholm, satanic-Sweden.

100% of Sweden's churches of all Swedish faith denominations have excommunicated/banished/evicted Torsten-the-Monster. The leaders of the Swedish churches serve their master, satan, through their invented lies, false accusations, evil slander, evictions and collusive persecution against the absolutely innocent Christian person Torsten.

In satanic-Sweden, there exists no church or "Christian" community where Torsten is welcome and able to communicate with single women, and therefore, it is absolutely impossible for God to connect Torsten to a woman of His choice for marriage within Sweden. In satanic-Sweden, the pastors/priests of 100% of the churches are the impediments to God's blessing of appointed Christian marriage. In satanic-Sweden, all of the pastors/priests of churches follow the lead of satan in their satanic prevention of God's goodness. Essentially, the leaders of all churches in satanic-Sweden behave like satan in their spiteful persecution.

Updated churchianity incidents:

1. Satanic and pathologically lying "**Hillsong Sweden**" in Stockholm, Sweden, explicitly banished and **quadruple-evicted** (**2019-10-13**, 2018-07-29, 2018-07-22 and 2016-07-03) innocent Torsten from their Hillsect Sunday entertainment-business-churchianity. Hillsong Sweden **called for Swedish Police intervention**. The sect leader of Hillsong Sweden, Andreas Nielsen, absolutely refused to provide a factual and Biblical reason for Hillsong Sweden's repeated evictions and Hillsong Sweden's explicit banishment against innocent Torsten. Satanic Hillsong Sweden enforces the global banishment against Torsten by Hillsong's supreme devilpastor (**Brian Houston**), and preserves Hillsong's Network of Churches global anti-Torsten policy. Sweden's Pentecostal Alliance of Independent Churches (<https://www.pingst.se>) support Hillsong's evictions and banishment against innocent Torsten.: http://www.kyrkor.be/Hillsong-Stockholm_Andreas-Nielsen_Sweden.htm

3. Satanic and pathologically lying "Hillsong Church" in London, United Kingdom, again **evicted** innocent Torsten from their Sunday so-called service in their rented premises at Dominion Theatre in central London. The cult, Hillsong London, of course, absolutely refused to provide a reason for their repeated evictions. The typically satanic Hillsong London has confirmed that their Hillsong's supreme devilpastor (**Brian Houston**) enforces a worldwide banishment against Torsten, and has confirmed that Hillsong's devilpastor Brian Houston preserves a global anti-Torsten policy. Hillsect London has evicted Torsten on all six Sundays (2019-07-28, 2018-06-24, 2017-09-10, 2017-04-09, 2016-10-30, 2016-07-25) when Torsten has visited their satanic cult to obtain information about their global ban.: http://www.kyrkor.be/Hillsong-London-UK_eviction_2019-07-28.htm

251. Two hundred fiftyfirst International Plea

Date: Wed, 30 Oct 2019 19:07

Subject: Spain's persecution against public advocacy for Biblical Christianity.

Christian never-married innocent man, who wants to marry a Christian woman, is excommunicated/banished by all churches in Sweden, is ousted from Swedish society, and is devoid of humane future in Sweden – because of Sweden's heartless pastors and heretic priests, and due to Sweden's satanic politicians and Sweden's aggressively anti-Christian culture.

Current:

I am currently in Alicante, Spain.

In Alicante, Spain, and its neighbouring towns, there are zero churches where I am truly welcome. In the province of Valencia, Spain, there is not a single church anywhere that truly welcomes me to fellowship. Every single church in Alicante and its surrounding cities in southern Spain, which I have contacted several times previously, have all rejected me explicitly, implicitly, covertly or passively. In Spain, there is no church where I am welcome and able to communicate with single women, and therefore, it is impossible for God to connect a woman of His choice for me to marry. In Alicante as everywhere else, the pastors/priests of churches are the impediments to God's blessing of appointed Christian marriage. The vast majority of pastors/priests of churches everywhere follow the lead of satan in their satanic prevention of God's goodness. Essentially, the leaders of the churches behave like satan in their spiteful persecution.

Everywhere on earth, satanic pastors of churches have obstructed me from possibility of a Christian marriage. Because of obstruction by the satanic pastors of churches everywhere, I have never had any opportunity in life to marry a Christian woman. Utterly evil leaders of churches everywhere, have denied me the fundamental human condition to marry a woman. Satan truly is in charge of essentially all the churches worldwide, through professional pastors and priests.

Spanish Police and Spanish municipal governments violate human rights in their continuous anti-Christian pursuits:

The Spanish Police and the municipal governments of Alicante, Elx and Santa Pola in Spain have previously confronted Torsten and explicitly prohibited Torsten from handing out Biblical information about Jesus Christ to people in any public place within their municipalities in Spain. The Spanish Police have on multiple previous occasions approached Torsten and ordered Torsten to not evangelise with "unauthorised" Christian leaflets. Consequently, the cat-and-mouse "game" by Spanish Police continued; Torsten evangelising with recurring police pursuits and Torsten subsequently walking away/hiding from police, and then continuing to evangelise once the police pursuit was over, and the police were out of sight. Spain's Police consequently disregard the UN Universal Declaration of Human Rights articles 18, 19 and 20 and ignore the European Convention on Human Rights articles 9 and 10. (ECHR is known for its anti-Christian interpretations, and thus, paper exercises to ECHR is a futile endeavour for human rights justice.) Alicante City Council violates international human rights in their religious restrictions: <http://www.kyrkor.be/Ayuntamiento-de-Alicante-y-la-Policia-Nacional-en-Espana.htm> When Torsten previously inquired for legal defence, neither a single lawyer within Spain nor from Europe nor USA, wanted to challenge Spain's anti-Christian local governments' prohibition and Spanish Polices' enforcement against "unauthorised" leaflet distribution of Biblical information about Jesus Christ on public property. Spain's anti-Christian oppression by Spanish municipal governments and their Spanish Police is far from a cure to the increasing secularisation of Spain, but it contributes to a weakening of Christian influence on values by its people and society (moral decay), and inevitably reinforces other anti-Christian forces (ex. Islam). So, to some extent, Spain perhaps deserves the future that it inadvertently establishes for itself, as Spain continues to persecute against Biblical Christianity. The attitude-remnant of General Francisco Franco's previous dictatorship in Spain is prevalent in contemporary Spain's "democracy" and in its continued disrespect of fundamental human rights. Spain's continued repression of Biblical Christianity and its anti-evangelism persecution by Spain's neo-Francoist Madridian 'Guardia Civil' and by Spain's incompetent 'Policia Local', inevitably only serve to harm Spain.

Franco's legacy still saturate Spain's corrupt society.: <https://www.breitbart.com/news/spain-where-francos-legacy-inspires-love-and-loathing/>

Leaders of churches, everywhere on earth, are satanically determined to deliberately destroy the life of the innocent Christian person Torsten. Everywhere on earth, leaders of churches intentionally isolate innocent Torsten through the church-leaders' utter lies, false accusations, slander, evictions, banishments and collusive persecutions against innocent Torsten. Through facts and by the evidences, it is sensible and proper to conclude that satan is in control of the minds and hearts of leaders of churches, worldwide.

Torsten has never had any opportunity in life to marry a Christian woman, because the leaders of churches on earth have actively and passively sought to prevent that Torsten could have an opportunity to marry a Christian woman. The leaders of churches on earth have sought to prohibit opportunity for Torsten to communicate with any Christian woman. Due to all of satan's hindering leaders of churches everywhere on earth, no opportunity has ever existed, and incessantly, there never can exist any opportunity in future - because no church on earth allows Torsten to communicate with any Christian woman. The leaders of churches have destroyed Torsten's life,

and the leaders of churches continue to seek to destroy Torsten's life. No leader of any church anywhere on earth will allow Torsten to communicate with Christian women. No leader of any church on earth is willing to repent from their inhumanity, sinfulness and evil against Torsten.

Torsten has no wife, because the pastors of churches prohibit that Torsten may marry a woman. Torsten is not permitted by the pastors of churches to socialise in churches. Satan knows that no communication between Torsten and women equates to no Godly marriage, and that is precisely why the pastors of churches are obsessed to prevent Torsten from communicating with any woman, and that is why the pastors of churches are obsessed to isolate Torsten from fellowship. Pastors of churches are obsessed to prevent innocent Torsten from marrying a Christian woman.

In general, pastors of churches everywhere truly are menaces to civilised societies, through their lies, evils, falsities and ultra-hypocritical inhumanity.

Lies, lies, lies and lies. Lying and falsely accusing is not merely a peripheral conduct by virtually all leaders of churches worldwide, but lying and maliciously slandering is actually the core nature of essentially all leaders of churches globally. Lying, falsely accusing, slandering, banishing and collusively persecuting the absolutely innocent person Torsten is very important for essentially all pastors and priests of churches, worldwide.

No Christian on earth knows Torsten. No pastor/priest on earth knows Torsten. Without any reality-based reason, virtually all church-leaders worldwide lie, slander, gossip, excommunicate, assault and evict Torsten. This persecution by the clergy of essentially all churches globally never stops, because Satan whom they serve never stops.

The Government of Australia continues to ban innocent Torsten, through Australian Government invented and fraudulent non-reasons. Because church leaders always invent lies against innocent Torsten, and often report their lies to government authorities, it is very likely that the Australian Government identically follows the evil examples of other devilish countries of Commonwealth of Nations, like New Zealand (<http://www.kyrkor.be/New-Zealand-Federal-Governments-satanic-church-lies.htm>), and Canada (<http://www.kyrkor.be/the-morally-confused-Justin-Trudeau-in-Canada.htm>). http://www.kyrkor.be/satanic-Australian-Government-imbecils_2018.pdf

250. Two hundred fiftieth International Plea

Date: Thu, 17 Oct 2019 00:13

Subject: Psychopathic and pathologically lying HILLSONG Network of Churches secretly accuse, globally ban and evict Torsten.

Christian never-married innocent man, who wants to marry a Christian woman, is excommunicated/banished by all churches in Sweden, is ousted from Swedish society, and is devoid of humane future in Sweden – because of Sweden's heartless pastors and heretic priests, and due to Sweden's satanic politicians and Sweden's aggressively anti-Christian culture.

Current:

I am currently in Stockholm, satanic-Sweden.

100% of Sweden's churches of all Swedish faith denominations in Sweden have excommunicated/banished/evicted Torsten-the-Monster. The leaders of the Swedish churches serve their master, Satan, through their invented lies, false accusations, evil slander, evictions and collusive persecution against the absolutely innocent Christian person Torsten.

New churchianity incidents:

1. Satanic and pathologically lying "Hillsong Sweden" in Stockholm, Sweden, explicitly banished and **quadruple-evicted** (2019-10-13, 2018-07-29, 2018-07-22 and 2016-07-03) innocent Torsten from their Hillsect

- Sunday entertainment-business-churchianity. Hillsong Sweden **called for Swedish Police intervention**. The sect leader of Hillsong Sweden, Andreas Nielsen, absolutely refused to provide a factual and Biblical reason for Hillsong Sweden's repeated evictions and Hillsong Sweden's explicit banishment against innocent Torsten. Satanic Hillsong Sweden enforces the global banishment against Torsten by Hillsong's supreme devilpastor (**Brian Houston**), and preserves Hillsong's Network of Churches global anti-Torsten policy. Sweden's Pentecostal Alliance of Independent Churches (<https://www.pingst.se>) support Hillsong's evictions and banishment against innocent Torsten.: http://www.kyrkor.be/Hillsong-Stockholm_Andreas-Nielsen_Sweden.htm
2. A hostile and shameless Baptist church in United Kingdom "Alvechurch Baptist Church" **scorned and ridiculed** the persecuted monster Torsten with their unrepented Baptist statement "*The rest of us think you are about as welcome as a smelly fart!*". Torsten-the-Monster in virtually banned by all churches of all faith-denominations in United Kingdom. The evil Kingdom of Britain's satanic bishops and clergy of the persecuting Church of England are by oath allied to their Queen, who governs the persecuting Church of England. The British government's stupidity agencies are fit to maintain fallacious judgement and ignorance.

Too close for truth: A satanic British-church/government/state alliance.

UK institutions and UK leaders are too closely allied for public acknowledgement of truth, and outcome towards moral justice. UK political leaders, UK institutional leaders, and UK religious leaders are primarily loyal towards each other; some by sworn oaths of allegiance. Therefore, the satanically corrupt and persecuting Church of England is beyond accountability to truth. UK Foreign Secretary is loyal to UK Prime Minister and to Church of England. UK Prime Minister and UK Foreign and Commonwealth Office (FCO) are allied with Supreme Governor of the Church of England (the Queen). Church of England's Archbishop of Canterbury is by oath allied to Supreme Governor of the Church of England (the Queen). The Anglican Bishops (including Bishop Philip Mounstephen) are subordinately dependent on, and by oath allied with, the Anglican Archbishop of Canterbury (currently Justin Welby), towards concealing culpability of the worldwide PERSECUTION by Church of England – against the Christian person Torsten; who is absolutely innocent in relation to Church of England and all the other globally persecuting churches. Queen Elizabeth II of United Kingdom is the "Supreme Governor of the Church of England", and therefore, the **Queen of England is utmost accountable for her Church of England's intentional lies and satanic persecution against innocent Torsten.** The British Royal Family's own website (<https://www.royal.uk/queens-relationship-churches-england-and-scotland-and-other-faiths>) accordingly declares: "The Queen's relationship with the Church of England was symbolised at the Coronation in 1953 when Her Majesty was anointed by the Archbishop of Canterbury and took an oath to 'maintain and preserve inviolably the settlement of the Church of England, and the doctrine worship, discipline, and government thereof, as by law established in England'. On the advice of the Prime Minister The Queen appoints Archbishops, Bishops and Deans of the Church of England, who then swear an **oath of allegiance and pay homage to Her Majesty.** Church of England deacons and parish priests also swear an **oath of allegiance to the Sovereign.**"

1. Church of England (Church of Satan) continues its refusal to explain or justify the Church of England's national ban against their imagined monster, Torsten-the-Monster, who in reality is absolutely innocent in relation to all churches on earth. Archbishop Justin Welby's **Church of England (Church of Satan)** globally banish, evict, falsely accuse, slander, physically assault and persecute the real Christian person Torsten. 5. Satanic and pathologically lying "Hillsong Church" in London, United Kingdom, again evicted innocent Torsten from their Sunday so-called service in their rented premises at Dominion Theatre in central London. The cult, Hillsong London, of course, absolutely refused to provide a reason for their repeated evictions. The typically satanic Hillsong London has confirmed that their Hillsong's supreme devilpastor (**Brian Houston**) enforces a worldwide banishment against Torsten, and has confirmed that Hillsong's devilpastor Brian Houston preserves a global anti-Torsten policy. Hillsong London has evicted Torsten on all six Sundays (2019-07-28, 2018-06-24, 2017-09-10, 2017-04-09, 2016-10-30, 2016-07-25) when Torsten has visited their satanic cult to obtain information about their global ban.: http://www.kyrkor.be/Hillsong-London-UK_eviction_2019-07-28.htm

Satanic Church of England's 'All Saints Church' in Worcester, United Kingdom, **explicitly banished and evicted** innocent Torsten, called the Police, and falsely accused innocent Torsten of some unknown and unspecified "behaviour". The satanic Church of England's vicars/bishops have concocted utter lies against a non-existent monster, who they call Torsten. The Archbishop of Church of England, Justin Welby, absolutely refuses to specify what sin, immorality, wrongdoing or "behaviour" that his Church of England constantly accuse against innocent Torsten, justifying Church of England's evictions and global banishments against innocent Torsten.: http://www.kyrkor.be/All-Saints-Church_Worcester_UK_Anglican-eviction_2017.htm
4. Satanic 'Hope Church' in Worcester, United Kingdom, **explicitly banished and evicted** innocent Torsten and threatened to call the police, because their satanic church leaders collude with other satanic churches. The satanic Hope Church falsely accused that the absolutely innocent Christian person **Torsten is a danger**, and declared that their **eviction of Torsten is necessary for protection of the people**.: http://www.kyrkor.be/Hope-Church-Worcester_UK_eviction_2017.htm
5. Satanic and pathologically lying **"Hillsong Church"** in **London**, United Kingdom, again **evicted** innocent Torsten from their Sunday so-called service in their rented premises at Dominion Theatre in central London. The cult, Hillsong London, of course, absolutely refused to provide a reason for their repeated evictions. The typically satanic Hillsong London has confirmed that their Hillsong's supreme devilpastor (**Brian Houston**) enforces a worldwide banishment against Torsten, and has confirmed that Hillsong's devilpastor Brian Houston preserves a global anti-Torsten policy. Hillsect London has evicted Torsten on all six Sundays (2019-07-28, 2018-06-24, 2017-09-10, 2017-04-09, 2016-10-30, 2016-07-25) when Torsten has visited their satanic cult to obtain information about their global ban.: http://www.kyrkor.be/Hillsong-London-UK_eviction_2019-07-28.htm
6. The satanic Baptist pastors in England, the evil Baptist leaders of the British Baptist Associations, and the diabolical Baptist leaders of the **Baptist Union of Great Britain**, slander, defame, persecute and cyberbully the Christian person Torsten: http://www.kyrkor.be/Heart-of-England-Baptist-Association_and_Baptist-Union-UK.htm

The Government of Australia continues to ban innocent Torsten, through Australian Government invented and fraudulent non-reasons. Because church leaders always invent lies against innocent Torsten, and often report their lies to government authorities, it is very likely that the Australian Government identically follows the evil examples of other devilish countries of Commonwealth of Nations, like New Zealand (<http://www.kyrkor.be/New-Zealand-Federal-Governments-satanic-church-lies.htm>), and Canada (<http://www.kyrkor.be/the-morally-confused-Justin-Trudeau-in-Canada.htm>).

The satanic Swedish Governments and their blaspheming Swedish Police sustain persecution and intimidation against any Bible affirming authentic Christians. Sweden's Police declare that loud reading from the Bible in public is a hate crime, and Sweden's Police seek to prosecute against public loud reading from the Bible.

New Swedishness:

Sweden is a madhouse. Senseless Sweden's politically correct anti-Christianity, anti-Israel, pro-Islam and pro-Fatah-Hamas terrorism of PA, is endorsed by its mainstream media, academia, elite culture, and at all levels of Swedish governance.:

- Satanic-Sweden's independent journalism is increasingly under threat as the satanic-Swedish public broadcasters are progressively becoming propaganda outlets for their Swedish government: <https://www.breitbart.com/europe/2019/09/15/reporters-without-borders-swedish-journalism-under-threat-becoming-propaganda/>
- Satanic-Sweden's professors and mainstream broadcasters importantly recommend consumption of human flesh (cannibalism) for combating climate change:

2. Church of England (Church of Satan) continues its refusal to explain or justify the Church of England's national ban against their imagined monster, Torsten-the-Monster, who in reality is absolutely innocent in relation to all churches on earth. Archbishop Justin Welby's **Church of England (Church of Satan)** globally **banish, evict, falsely accuse, slander, physically assault and persecute the real Christian person Torsten**. The satanic Church of England constantly invents lies against innocent Torsten. The satanic vicars/bishops of satan's Church of England oppose truth and God, and thus, the Church of England unceasingly concoct utter lies against Torsten. Identically with satan, the Archbishop of Church of England absolutely refuses to justify his Church of England's persecution against innocent Torsten, and Church of England refuses to repent from its continuous satanic evils against innocent Torsten.: <http://www.kyrkor.be/satanic-Archbishop-Justin-Welby-of-satans-Church-of-England.htm>
3. Satanic 'Woodgreen Evangelical Church' in Worcester, United Kingdom, **explicitly banished and evicted** innocent Torsten, called the Police, and falsely accused the absolutely innocent Christian person Torsten of being **"a very dangerous, deluded and demonic Wolf"**, and that it is a moral duty to protect people from Torsten.: http://www.kyrkor.be/Woodgreen-Evangelical-Church_Worcester_UK_eviction_2017.htm
4. Satanic 'Hope Church' in Worcester, United Kingdom, **explicitly banished and evicted** innocent Torsten and threatened to call the police, because their satanic church leaders collude with other satanic churches. 6. Satanic and pathologically lying "Hillsong Church" in Stockholm, Sweden, **twice evicted** (2018-07-22 and 2018-07-29) innocent Torsten from their Sunday so-called services at their rented premises at Vasateatern in central Stockholm. The sect leader of Hillsong Sweden, Andreas Nielsen, absolutely refused to provide a reason for Hillsong Sweden's repeated evictions and Hillsong Sweden's banishment against innocent Torsten. Satanic Hillsong Sweden enforces the global banishment against Torsten by Hillsong's supreme devilpastor **Brian Houston**, and preserves Hillsong's Network of Churches global anti-Torsten policy. Sweden's Pentecostal Alliance of Independent Churches (<https://www.pingst.se>) support Hillsong's evictions and banishment against innocent Torsten.: http://www.kyrkor.be/Hillsong-Stockholm_Andreas-Nielsen_Sweden.htm

247. Two hundred fourtyseventh International Plea

Date: Sun, 01 Sep 2019 01:15

Subject: British Queen's appointment of Anglican/Satanic archbishops/persecutors against the true Christians, is advised by British Prime Ministers.

Christian never-married innocent man, who wants to marry a Christian woman, is excommunicated/banished by all churches in Sweden, is ousted from Swedish society, and is devoid of humane future in Sweden – because of Sweden's heartless pastors and heretic priests, and due to Sweden's satanic politicians and Sweden's aggressively anti-Christian culture.

Current:

I am currently in Worcester, United Kingdom.

All pastors of churches in Worcester, United Kingdom, have banished/evicted Torsten. 100% of the leaders of churches in Worcester serve their master, satan, through their invented lies, evil slander, evictions and collusive persecution against the absolutely innocent Christian person Torsten.

New churchianity incidents:

1. Satanic and pathologically lying "Hillsong Church" in Munich, Germany, implicitly banished innocent Torsten. The Hillsong cult refused to provide a reason for their multiple-confirmed global ban against Torsten by all Hillsong Network of Churches worldwide. The satanic Hillsong has previously confirmed that their Hillsong's supreme devilpastor (Brian Houston) enforces a worldwide banishment against Torsten, and has confirmed that Hillsong's devilpastor Brian Houston preserves a publicly undefined global anti-Torsten policy.: <http://www.kyrkor.be/Hillsong-Church-in-Munich-Germany.htm>

Updated churchianity incidents:

1. Church of England (Church of Satan) continues its refusal to explain or justify the Church of England's national ban against their imagined monster, Torsten-the-Monster, who in reality is absolutely innocent in relation to all churches on earth. Archbishop Justin Welby's **Church of England (Church of Satan)** globally banish, evict, falsely accuse, slander, physically assault and persecute the real Christian person Torsten. The satanic Church of England constantly invents lies against innocent Torsten. The satanic vicars/bishops of satan's Church of England oppose truth and God, and thus, the Church of England unceasingly concoct utter lies against Torsten. Identically with satan, the Archbishop of Church of England absolutely refuses to justify his Church of England's persecution against innocent Torsten, and Church of England refuses to repent from its continuous satanic evils against innocent Torsten.: <http://www.kyrkor.be/satanic-Archbishop-Justin-Welby-of-satans-Church-of-England.htm>
2. Satanic 'Woodgreen Evangelical Church' in Worcester, United Kingdom, **explicitly banished and evicted** innocent Torsten, called the Police, and falsely accused the absolutely innocent Christian person Torsten of being **"a very dangerous, deluded and demonic Wolf"**, and that it is a moral duty to protect people from Torsten.: http://www.kyrkor.be/Woodgreen-Evangelical-Church_Worcester_UK_eviction_2017.htm
3. Satanic Church of England's 'All Saints Church' in Worcester, United Kingdom, **explicitly banished and evicted** innocent Torsten, called the Police, and falsely accused innocent Torsten of some unknown and unspecified "behaviour". The satanic Church of England's vicars/bishops have concocted utter lies against a non-existent monster, who they call Torsten. The Archbishop of Church of England, Justin Welby, absolutely refuses to specify what sin, immorality, wrongdoing or "behaviour" that his Church of England constantly accuse against innocent Torsten, justifying Church of England's evictions and global banishments against innocent Torsten.: http://www.kyrkor.be/All-Saints-Church_Worcester_UK_Anglican-eviction_2017.htm
4. Satanic 'Hope Church' in Worcester, United Kingdom, **explicitly banished and evicted** innocent Torsten and threatened to call the police, because their satanic church leaders collude with other satanic churches. 5. Satanic and pathologically lying "**Hillsong Church**" in **London**, United Kingdom, again **evicted** innocent Torsten from their Sunday so-called service in their rented premises at Dominion Theatre in central London. The cult, Hillsong London, of course, absolutely refused to provide a reason for their repeated evictions. The typically satanic Hillsong London has confirmed that their Hillsong's supreme devilpastor (**Brian Houston**)

- enforces a worldwide banishment against Torsten, and has confirmed that Hillsong's devilpastor Brian Houston preserves a global anti-Torsten policy. Hillsect London has evicted Torsten on all six Sundays (2019-07-28, 2018-06-24, 2017-09-10, 2017-04-09, 2016-10-30, 2016-07-25) when Torsten has visited their satanic cult to obtain information about their global ban.: http://www.kyrkor.be/Hillsong-London-UK_eviction_2019-07-28.htm

Torsten has never had any opportunity in life to marry a Christian woman, because the leaders of churches on earth have actively and passively sought to prevent that Torsten could have an opportunity to marry a Christian woman. The leaders of churches on earth have sought to prohibit opportunity for Torsten to communicate with any Christian woman. Due to all of Satan's hindering leaders of churches everywhere on earth, no opportunity has ever existed, and incessantly, there never can exist any opportunity in future - because no church on earth allows Torsten to communicate with any Christian woman. The leaders of churches have destroyed Torsten's life, and the leaders of churches continue to seek to destroy Torsten's life. No leader of any church anywhere on earth will allow Torsten to communicate with Christian women. No leader of any church on earth is willing to repent from their inhumanity, sinfulness and evil against Torsten.

Torsten has no wife, because the churches prohibit that Torsten may marry a woman. **Torsten is not permitted to socialise in churches.** Satan knows that no communication between Torsten and women equates to no Godly marriage, and that is why the pastors of churches are obsessed to prevent Torsten from communicating with any woman, and that is why the pastors of churches are obsessed to isolate Torsten from fellowship. Pastors of churches are obsessed to prevent innocent Torsten from marrying a Christian woman.

In general, pastors of churches everywhere truly are menaces to civilised societies, through their lies, evils, falsities and ultra-hypocritical inhumanity.

The Government of Australia continues to ban innocent Torsten, through Australian Government invented and fraudulent non-reasons. Because church leaders always invent lies against innocent Torsten, and often report their lies to government authorities, it is very likely that the Australian Government identically follows the evil examples of other devilish countries of Commonwealth of Nations, like New Zealand (<http://www.kyrkor.be/New-Zealand-Federal-Governments-satanic-church-lies.htm>), and Canada (<http://www.kyrkor.be/the-morally-confused-Justin-Trudeau-in-Canada.htm>). http://www.kyrkor.be/satanic-Australian-Government-imbecils_2018.pdf

Torsten-the-Monster in virtually banned by all churches of all faith-denominations in United Kingdom. The evil Kingdom of Britain's satanic bishops and clergy of the persecuting Church of England are by oath allied to their Queen, who governs the persecuting Church of England. The British government's stupidity agencies are fit to maintain fallacious judgement and ignorance.

Too close for truth: A satanic British-church/government/state alliance.

UK institutions and UK leaders are too closely allied for public acknowledgement of truth, and outcome towards moral justice. UK political leaders, UK institutional leaders, and UK religious leaders are primarily loyal towards each other; some by sworn oaths of allegiance. Therefore, the satanically corrupt and persecuting Church of England is beyond accountability to truth. UK Foreign Secretary is loyal to UK Prime Minister and to Church of England. UK Prime Minister and UK Foreign and Commonwealth Office (FCO) are allied with Supreme Governor of the Church of England (the Queen). Church of England's Archbishop of Canterbury is by oath allied to Supreme Governor of the Church of England (the Queen). The Anglican Bishops (including Bishop Philip Mounstephen) are subordinately dependent on, and by oath allied with, the Anglican Archbishop of Canterbury (currently Justin

Welby), towards concealing culpability of the worldwide PERSECUTION by Church of England – against the Christian person Torsten; who is absolutely innocent in relation to Church of England and all the other globally persecuting churches. Queen Elizabeth II of United Kingdom is the “Supreme Governor of the Church of England”, and therefore, the **Queen of England is utmost accountable for her Church of England’s intentional lies and satanic persecution against innocent Torsten**. The British Royal Family’s own website (<https://www.royal.uk/queens-relationship-churches-england-and-scotland-and-other-faiths>) accordingly declares: “*The Queen’s relationship with the Church of England was symbolised at the Coronation in 1953 when Her Majesty was anointed by the Archbishop of Canterbury and took an oath to ‘maintain and preserve inviolably the settlement of the Church of England, and the doctrine worship, discipline, and government thereof, as by law established in England’.* On the advice of the Prime Minister The Queen appoints Archbishops, Bishops and Deans of the Church of England, who then swear an **oath of allegiance and pay homage to Her Majesty. Church of England deacons and parish priests also swear an oath of allegiance to the Sovereign.**”

Lies, lies, lies and lies. Lying and falsely accusing is not merely a peripheral conduct by virtually all leaders of churches worldwide, but lying and maliciously slandering is actually the core nature of essentially all leaders of churches globally. Lying, falsely accusing, slandering, banishing and collusively persecuting the absolutely innocent person Torsten is very important for essentially all pastors and priests of churches, worldwide.

No Christian on earth knows Torsten. No pastor/priest on earth knows Torsten. The satanic vicars/bishops of satan’s Church of England oppose truth and God, and thus, the Church of England unceasingly concoct utter lies against Torsten. Identically with satan, the Archbishop of Church of England absolutely refuses to justify his Church of England’s persecution against innocent Torsten, and Church of England refuses to repent from its continuous satanic evils against innocent Torsten.: <http://www.kyrkor.be/satanic-Archbishop-Justin-Welby-of-satans-Church-of-England.htm>

In United Kingdom, all churches of all “Christian” denominations have banished their imagined Torsten-the-Monster, although the Christian person Torsten is absolutely innocent in relation to all of UK’s satanic churches and is absolutely innocent in relation to every church on earth. There exists no church anywhere within United Kingdom where innocent Torsten is welcome. Essentially all of the satanic pastord evils of the British churches continually lie against and collusively persecute innocent Torsten. All pastors of the churches in United Kingdom are mindlessly and heartlessly obsessed to prevent innocent Torsten from marrying a woman. It is apparent that 100% of the leaders of churches in United Kingdom serve their master, satan, in their collusive persecution against the absolutely innocent Christian person Torsten.

Torsten has never had any opportunity in life to marry a Christian woman, because the leaders of churches on earth have actively and passively sought to prevent that Torsten could have an opportunity to marry a Christian woman. The leaders of churches on earth have sought to prohibit opportunity for Torsten to communicate with any Christian woman. Due to all of satan’s hindering leaders of churches everywhere on earth, no opportunity has ever existed, and incessantly, there never can exist any opportunity in future - because no church on earth allows Torsten to communicate with any Christian woman. The leaders of churches have destroyed Torsten’s life, and the leaders of churches continue to seek to destroy Torsten’s life. No leader of any church anywhere on earth will allow Torsten to communicate with Christian women. No leader of any church on earth is willing to repent from their inhumanity, sinfulness and evil against Torsten.

Torsten has no wife, because the churches prohibit that Torsten may marry a woman. **Torsten is not permitted to socialise in any of the churches on earth**. Satan knows that no communication between Torsten and women equates to no Godly marriage, and that is why the pastors of churches are obsessed to prevent Torsten from communicating with any woman, and that is why the pastors of churches are obsessed to isolate Torsten from fellowship. Pastors of churches are obsessed to prevent innocent Torsten from marrying a Christian woman.

In general, pastors of churches everywhere truly are menaces to civilised societies, through their lies, evils, falsities and ultra-hypocritical inhumanity.

The Government of Australia continues to ban innocent Torsten, through Australian Government invented and fraudulent non-reasons. Because church leaders always invent lies against innocent Torsten, and often report their lies to government authorities, it is very likely that the Australian Government identically follows the evil examples of other devilish countries of Commonwealth of Nations, like New Zealand (<http://www.kyrkor.be/New-Zealand-Federal-Governments-satanic-church-lies.htm>), and Canada (<http://www.kyrkor.be/the-morally-confused-Justin-Trudeau-in-Canada.htm>). http://www.kyrkor.be/satanic-Australian-Government-imbecils_2018.pdf

244. Two hundred fortyfourth International Plea

Date: Sun, 14 Jul 2019 20:24

Subject: Satan governs most churches through their evil pastors and priests.

Christian never-married innocent man, who wants to marry a Christian woman, is excommunicated/banished by all churches in Sweden, is ousted from Swedish society, and is devoid of humane future in Sweden – because of Sweden's heartless pastors and heretic priests, and due to Sweden's satanic politicians and Sweden's aggressively anti-Christian culture.

Current:

I am currently in Worcester, United Kingdom.

All pastors of churches in Worcester, United Kingdom, have banished/evicted Torsten. 100% of the leaders of churches in Worcester serve their master, satan, through their persecution against the absolutely innocent Christian person Torsten.

Updated churchianity incidents:

1. Satanic 'Woodgreen Evangelical Church' in Worcester, United Kingdom, explicitly banished and evicted innocent Torsten, called the Police, and falsely accused the absolutely innocent Christian person Torsten of being **"a very dangerous, deluded and demonic Wolf"**, and that it is a moral duty to protect people from Torsten.: http://www.kyrkor.be/Woodgreen-Evangelical-Church_Worcester_UK_eviction_2017.htm
2. Satanic Church of England's 'All Saints Church' in Worcester, United Kingdom, explicitly banished and evicted innocent Torsten, called the Police, and falsely accused innocent Torsten of some unknown and unspecified "behaviour". The satanic Church of England's vicars/bishops have concocted utter lies against a non-existent monster, who they call Torsten. The Archbishop of Church of England, Justin Welby, absolutely refuses to specify what sin, immorality, wrongdoing or "behaviour" that his Church of England constantly accuse against innocent Torsten, justifying Church of England's evictions and global banishments against innocent Torsten.: http://www.kyrkor.be/All-Saints-Church_Worcester_UK_Anglican-eviction_2017.htm
3. Satanic 'Hope Church' in Worcester, United Kingdom, explicitly banished and evicted innocent Torsten and threatened to call the police, because their satanic church leaders collude with other satanic churches. The satanic Hope Church falsely accused that the absolutely innocent Christian person **Torsten is a danger**, and declared that their **eviction of Torsten is necessary for protection of the people**.: http://www.kyrkor.be/Hope-Church-Worcester_UK_eviction_2017.htm
4. 243. Two hundred fortythird International Plea

Date: Sun, 30 Jun 2019 20:16

Subject: Systemic injustice of devilish United Kingdom (and of satanic-Sweden) through uncontested false reports; secret false testimonies by accusers are recognised as valid and final, without any possibility of a defence from the secretly accused.

Christian never-married innocent man, who wants to marry a Christian woman, is excommunicated/banished by all churches in Sweden, is ousted from Swedish society, and is devoid of humane future in Sweden – because of Sweden's heartless pastors and heretic priests, and due to Sweden's satanic politicians and Sweden's aggressively anti-Christian culture.

Nearly all pastors of the churches in United Kingdom are mindlessly and heartlessly obsessed to prevent innocent Torsten from marrying a woman. Nearly 100% of the leaders of churches in United Kingdom serve their master, satan, in their persecution against the absolutely innocent Christian person Torsten.

Identically with satanic-Sweden, also the devilish Kingdom of Britain offers no protection from harassments and persecution by the satanic churches, and thus, there exists no possibility for truth and justice. Innocent Torsten has no means to defend against secret lies reported against Torsten; false reports by churches, false reports by government services, and false reports from public. As is typical of satanic nations, of satanic judicial systems, and of satanic churches, only one-sided statements/testimonies are heard. The falsely accused is neither permitted access to information about the secretly reported false accusations, nor is the falsely accused permitted to dispute or to defend against such false testimonies. Satan's clergy of the churches hate facts, evidence, truth and justice. Devilish United Kingdom (and satanic-Sweden) systemically prevent transparency, prevent defence against false reports, prevent truth, and prevent justice. In devilish United Kingdom (and in satanic-Sweden) the falsely accused is denied opportunity of defence against false reports.

Updated churchianity incident:

Too close for truth: A satanic British-church/government/state alliance.

UK institutions and UK leaders are too closely allied for public acknowledgement of truth, and outcome towards moral justice. UK political leaders, UK institutional leaders, and UK religious leaders are primarily loyal towards each other; some by sworn oaths of allegiance. Therefore, the satanically corrupt and persecuting Church of England is beyond accountability to truth. UK Foreign Secretary is loyal to UK Prime Minister and to Church of England. UK Prime Minister and UK Foreign and Commonwealth Office (FCO) are allied with Supreme Governor of the Church of England (the Queen). Church of England's Archbishop of Canterbury is by oath allied to Supreme Governor of the Church of England (the Queen). The Anglican Bishops (including Bishop Philip Mounstephen) are subordinately dependent on, and by oath allied with, the Anglican Archbishop of Canterbury (currently Justin Welby), towards concealing culpability of the worldwide PERSECUTION by Church of England – against the Christian person Torsten; who is absolutely innocent in relation to Church of England and all the other globally persecuting churches. Queen Elizabeth II of United Kingdom is the "Supreme Governor of the Church of England", and therefore, the Queen of England is utmost accountable for her Church of England's intentional lies and satanic persecution against innocent Torsten. The British Royal Family's own website (<https://www.royal.uk/queens-relationship-churches-england-and-scotland-and-other-faiths>) accordingly declares: "The Queen's relationship with the Church of England was symbolised at the Coronation in 1953 when Her Majesty was anointed by the Archbishop of Canterbury and took an **oath** to 'maintain and preserve inviolably the settlement of the Church of England, and the doctrine worship, discipline, and government thereof, as by law established in England'. On the advice of the Prime Minister The Queen appoints Archbishops, Bishops and Deans of the Church of England, who then **swear an oath of allegiance and pay homage to Her Majesty.** Church of England deacons and parish priests also **swear an oath of allegiance to the Sovereign.**" <https://twitter.com/TorsNen/status/94555797773139968>

Updated churchianity incidents:

- Satanic "Pattaya International Church" in Pattaya, Thailand, **evicted and explicitly banished** their perceived idiot/monster, Torsten, who in reality is absolutely innocent in relation to their church and in relation to all other persecuting churches on earth, and **shouted with disgust** against Torsten **"You're an idiot!"**: http://www.kyrkor.be/Pattaya-International-Church_eviction-ban_2018.htm
- Satanic "Evangelical Church of Bangkok" (ECB) in Bangkok, Thailand, **explicitly banished** innocent Torsten and implied intention to report Torsten as a trespasser to Thailand police authorities if Torsten would visit their church premises. The typically satanic-evangelical pastors refused to provide a reason for their explicit ban, and additionally claimed falsely that their evangelical church has no moral or Biblical obligation to provide a reason for their explicit banishment: http://www.kyrkor.be/Evangelical-Church-Bangkok_Thailand_ban_2017.htm
- Satanic "Pattaya Encounter Church" in Pattaya, Thailand, covertly banished Torsten: http://kyrkor.be/Pattaya-Encounter-Church_Thailand.htm

Torsten has never had any opportunity in life to marry a Christian woman, because the leaders of churches on earth have actively and passively sought to prevent that Torsten could have an opportunity to marry a Christian woman. The leaders of churches on earth have sought to prohibit opportunity for Torsten to communicate with any Christian woman. Due to all of Satan's hindering leaders of churches everywhere on earth, no opportunity has ever existed, and incessantly, there never can exist any opportunity in future - because no church on earth allows Torsten to communicate with any Christian woman. The leaders of churches have destroyed Torsten's life, and the leaders of churches continue to seek to destroy Torsten's life. No leader of any church anywhere on earth will allow Torsten to communicate with Christian women. No leader of any church on earth is willing to repent from their inhumanity, sinfulness and evil against Torsten.

Torsten has no wife, because the churches prohibit that Torsten may marry a woman. Torsten is not permitted to socialise in any of the churches on earth. Satan knows that no communication between Torsten and women equates to no Godly marriage, and that is why the pastors of churches in general are obsessed to isolate Torsten from fellowship. Pastors of churches are obsessed to prevent innocent Torsten from marrying a Christian woman.

In general, pastors of churches everywhere truly are menaces to civilised societies, through their lies, evils, falsities and ultra-hypocritical inhumanity.

The Government of Australia continues to ban innocent Torsten, through Australian Government invented and fraudulent non-reasons. Because church leaders always invent lies against innocent Torsten, and often report their lies to government authorities, it is very likely that the Australian Government identically follows the evil examples of other devilish countries of Commonwealth of Nations, like New Zealand (<http://www.kyrkor.be/New-Zealand-Federal-Governments-satanic-church-lies.htm>), and Canada (<http://www.kyrkor.be/the-morally-confused-Justin-Trudeau-in-Canada.htm>). http://www.kyrkor.be/satanic-Australian-Government-imbecils_2018.pdf

240. Two hundred fortieth International Plea

Date: Wed, 15 May 2019 00:28

Subject: Satanic-Sweden's churches persecute Torsten-the-Monster.

Christian never-married innocent man, who wants to marry a Christian woman, is excommunicated/banished by all churches in Sweden, is ousted from Swedish society, and is devoid of humane future in Sweden – because of Sweden's heartless pastors and heretic priests, and due to Sweden's satanic politicians and Sweden's aggressively anti-Christian culture.

Current:

I am currently in Pattaya, Thailand.

New churchianity incidents:

1. The satanic pastors of diabolical "All Souls Episcopal-Anglican Church Okinawa" on Okinawa in Japan covertly banished innocent Torsten.: http://www.kyrkor.be/All-Souls-Episcopal-Anglican-Church-Okinawa_Japan.htm

2. The satanic pastors of the English-speaking "Calvary Chapel Okinawa" on Okinawa in Japan, **explicitly banished** innocent Torsten, and threatened the innocent Christian with Police eviction if the Christian ever visited their Calvary Chapel Church. 14. The satanic pastors of diabolical "YWAM Okinawa Open Meeting Church" on Okinawa in Japan covertly banished innocent Torsten.: <http://www.kyrkor.be/YWAM-Okinawa-Open-Meeting-Church-Japan.htm>

Apart from all English-speaking churchianity leaders on Okinawa, which explicitly/implicitly/covertly banished and persecuted innocent Torsten (imagined and projected as 'Torsten-the-Monster' by the pastors of churches), two church leaders on Okinawa actually welcomed Torsten: "Okinawa Covenant Presbyterian Church" (<http://www.okinawacovenant.org>) expressed a true welcome, and "United Christian Centre Full Gospel Baptist Church" (<http://www.uicfc.org>) properly replied. The fact that any church on earth have welcomed Torsten or have properly replied, is phenomenally astonishing.

238. Two hundred thirty eighth International Plea

Date: Sat, 13 Apr 2019 13:20

Subject: 100% of Hong Kong's contacted English-speaking churches unrepentantly banish and satanically persecute Torsten.

Christian never-married innocent man, who wants to marry a Christian woman, is excommunicated/banished by all churches in Sweden, is ousted from Swedish society, and is devoid of humane future in Sweden – because of Sweden’s heartless pastors and heretic priests, and due to Sweden’s satanic politicians and Sweden’s aggressively anti-Christian culture.

Current:

I am currently Stockholm, satanic-Sweden.

When I recently visited Hong Kong, 100% of all contacted English-speaking churches in Hong Kong banished and persecuted innocent Torsten. The pastors of these English-speaking churches in Hong Kong lied about and slandered Torsten in their secret pastoral gossip-networks. In year 2014, these English-speaking churches in Hong Kong banished and persecuted innocent Torsten. Five years later in 2019, all the banishing and persecuting churches in Hong Kong continue their satanic banishment and persecution against innocent Torsten. Identically with satan who can never repent from evil, 100% (15 of 15) of all these satanic English-speaking churches in Hong Kong refused to repent from their satanic behaviours, banishment and persecution against innocent Torsten.

New churchianity incidents:

1. The satanic pastors of the diabolical Australian “C3 Church” in Hong Kong explicitly banished innocent Torsten, alerted security team, and threatened the innocent Christian with Police reporting if the Christian ever visited their C3 Church. 2. The satanic pastors of the diabolical Australian “Lifeshouse International Church” (Hillsong) in Hong Kong had previously explicitly banished innocent Torsten, and now unrepentantly, continued its satanic behaviour and persecution against Torsten.: http://www.kyrkor.be/Australian-Lifeshouse-Church-in-Hong-Kong_2019.htm

Virtually all English-speaking churches in Hong Kong, where Torsten has contacted, falsely accuse innocent Torsten, hinder Torsten from fellowship, dehumanise Torsten, obstruct Torsten from communicating with any single Christians, evict Torsten from their church buildings, or banish Torsten. Basically, all English-speaking “Christian” churches in Hong Kong have banished their imagined Torsten-the-Monster, although the Christian person Torsten is absolutely innocent in relation to all of these typically satanic churches in Hong Kong. 236. Two hundred thirtysixth International Plea

Date: Sat, 16 Mar 2019 20:08

Subject: All pastors of churches globally have sinfully destroyed Torsten.

Christian never-married innocent man, who wants to marry a Christian woman, is excommunicated/banished by all churches in Sweden, is ousted from Swedish society, and is devoid of humane future in Sweden – because of Sweden's heartless pastors and heretic priests, and due to Sweden's satanic politicians and Sweden's aggressively anti-Christian culture.

Current:

I am currently in Stockholm, satanic-Sweden.

Torsten has never had any opportunity in life to marry a Christian woman, because all leaders of churches on earth have actively and passively sought to prevent that Torsten could have an opportunity to marry a Christian woman. All leaders of churches on earth have sought to prohibit opportunity for Torsten to communicate with any Christian woman. Due to all of satan's hindering leaders of churches everywhere, no opportunity has ever

existed, and incessantly, there never can exist any opportunity in future - because no church on earth allows Torsten to communicate with any Christian woman. All leaders of churches have destroyed Torsten's life, and all leaders of churches continue to seek to destroy Torsten's life. No leader of any church anywhere on earth will allow Torsten to communicate with a Christian woman. No leader of any church on earth is willing to repent from their inhumanity and evil against Torsten.

Virtually all English-speaking churches on earth, where Torsten has contacted, falsely accuse innocent Torsten, hinder Torsten from fellowship, dehumanise Torsten, obstruct Torsten from communicating with any single Christians, evict Torsten from their church buildings, or banish Torsten. Basically, all English-speaking "Christian" churches on earth have banished their imagined Torsten-the-Monster, although the Christian person Torsten is absolutely innocent in relation to all of these typically satanic churches worldwide. Torsten is absolutely innocent in relation to every church on earth; although essentially all churches on earth have banned Torsten from fellowship. There exists nearly no church anywhere on earth where innocent Torsten is welcome. Essentially all of the satanic pastordemons of churches on earth continually lie against and persecute innocent Torsten. The professional pastors of "Christian" churches, everywhere, are mindlessly and heartlessly obsessed to prevent innocent Torsten from marrying a woman. Reality, facts, evidence, truth, love, justice, the Bible, and God are practically irrelevant to almost every pastor of all churches on earth. By evidence of the behaviour of all these professional pastors of churches worldwide, these pastors of churches serve satan.

Torsten has no wife, because the churches prohibit that Torsten may marry a woman. Torsten is not permitted to socialise in any of the churches on earth. Satan knows that no communication between Torsten and women equates to no Godly marriage, and that is why the pastors of churches in general are obsessed to isolate Torsten from fellowship. Pastors of churches are obsessed to prevent innocent Torsten from marrying a woman.

In general, pastors of churches everywhere truly are menaces to civilised societies, through their lies, evils, falsities and ultra-hypocritical inhumanity.

The Government of Australia continues to ban innocent Torsten, through Australian Government invented and fraudulent non-reasons. Because church leaders always invent lies against innocent Torsten, and often report their lies to government authorities, it is very likely that the Australian Government identically follows the evil examples of other devilish countries of Commonwealth of Nations, like New Zealand (<http://www.kyrkor.be/New-Zealand-Federal-Governments-satanic-church-lies.htm>), and Canada (<http://www.kyrkor.be/the-morally-confused-Justin-Trudeau-in-Canada.htm>). http://www.kyrkor.be/satanic-Australian-Government-imbecils_2018.pdf

The satanic Swedish Governments and their blaspheming Swedish Police sustain persecution and intimidation against any Bible affirming authentic Christians. Sweden's Police declare that loud reading from the Bible in public is a hate crime, and Sweden's Police seek to prosecute against public loud reading from the Bible.

When innocent Torsten orally inquired **why** the church explicitly banished and evicted Torsten, their church leader shouted with disgust at Torsten the words "***Because you're an idiot!***". The moral justification and rationale presented by this typical church, for churches' assaultive eviction and explicit ban of innocent Torsten, is that Torsten is an idiot: http://www.kyrkor.be/Pattaya_International_Church_rationale_for_eviction-ban.mp3

Updated churchianity incidents:

- Satanic "Pattaya International Church" in Pattaya, Thailand, **evicted and explicitly banished** their perceived idiot/monster, Torsten, who in reality is absolutely innocent in relation to their church and in relation to all other persecuting churches on earth, and **shouted with disgust** against Torsten "***You're an idiot!***": http://www.kyrkor.be/Pattaya-International-Church_eviction-ban_2018.htm
- Satanic "Evangelical Church of Bangkok" (ECB) in Bangkok, Thailand, **explicitly banished** innocent Torsten and implied intention to report Torsten as a trespasser to Thailand police authorities if Torsten would visit their church premises. Current:

I am currently in friendly Taipei, Taiwan.

In friendly Taipei, Taiwan (ROC), there essentially exists no church where innocent Torsten is welcome. All the hostile English-speaking churches in Taipei (Read the previous 217:th International Plea from June 1, 2018.) have banished innocent Torsten explicitly, implicitly or covertly, although the Christian person Torsten is absolutely innocent in relation to all of these satanic English-speaking churches in Taipei. (A typically hostile and satanic church: http://www.kyrkor.be/Lifehouse-Church_Taipei.htm) Torsten is absolutely innocent in relation to all other churches everywhere on planet earth. I am currently in Worcester, United Kingdom.

Queen Elizabeth II of United Kingdom is the "Supreme Governor of the Church of England", and therefore, the Queen of England is utmost accountable for her Church of England's intentional lies and satanic persecution against innocent Torsten. The British Royal Family's own website (<https://www.royal.uk/queens-relationship-churches-england-and-scotland-and-other-faiths>) accordingly declares: "The Queen's relationship with the Church of England was symbolised at the Coronation in 1953 when Her Majesty was anointed by the Archbishop of Canterbury and took an ***oath*** to 'maintain and preserve inviolably the settlement of the Church of England, and the doctrine worship, discipline, and government thereof, as by law established in England'. On the advice of the Prime Minister The Queen appoints Archbishops, Bishops and Deans of the Church of England, who then swear an ***oath*** of allegiance and pay homage to Her Majesty. Church of England deacons and parish priests also swear an ***oath*** of allegiance to the Sovereign." <https://twitter.com/TorsNen/status/94555579773139968>

Updated churchianity incident:

- Church of England (Church of Satan) continues its refusal to explain or justify the Church of England's national ban against their perceived monster, Torsten-the-Monster, who in reality is absolutely innocent in relation to all churches on earth. Archbishop Justin Welby's Church of England (Church of Satan) banish, evict, falsely accuse, slander, physically assault and persecute the real Christian person Torsten. The satanic Church of England constantly invents lies against innocent Torsten. The satanic vicars/bishops of satan's Church of England oppose truth and God, and thus, the Church of England unceasingly concoct utter lies against Torsten. Identically with satan, the Archbishop of Church of England absolutely refuses to justify his Church of England's persecution against innocent Torsten, and Church of England refuses to repent from its continuous satanic evils against innocent Torsten.: <http://www.kyrkor.be/satanic-Archbishop-Justin-Welby-of-satans-Church-of-England.htm>

In United Kingdom, nearly all the churches of all "Christian" denominations have all banished Torsten-the-Monster, although the Christian person Torsten is absolutely innocent in relation to all of UK's satanic churches and is absolutely innocent in relation to every church on earth. There exists nearly no church anywhere within United Kingdom where innocent Torsten is welcome. Essentially all of the satanic pastordevils of the British churches continually lie against and persecute innocent Torsten. Nearly all pastors of the churches in United Kingdom are mindlessly and heartlessly obsessed to prevent innocent Torsten from marrying a woman.

The Government of Australia continues to ban innocent Torsten, through Australian Government invented and fraudulent non-reasons. Because church leaders always invent lies against innocent Torsten, and often report their lies to government authorities, it is very likely that the Australian Government identically follows the evil examples of other devilish countries of Commonwealth of Nations, like New Zealand (<http://www.kyrkor.be/New-Zealand-Federal-Governments-satanic-church-lies.htm>), and Canada (<http://www.kyrkor.be/the-morally-confused-Justin-Trudeau-in-Canada.htm>). http://www.kyrkor.be/satanic-Australian-Government-imbecils_2018.pdf

228. Two hundred twentyeighth International Plea

Date: Thu, 15 Nov 2018 19:23

Subject: All churches in Washington DC, USA, reject Torsten from fellowship.

Christian never-married innocent man, who wants to marry a Christian woman, is excommunicated/banished by all churches in Sweden, is ousted from Swedish society, and is devoid of humane future in Sweden – because of Sweden's heartless pastors and heretic priests, and due to Sweden's satanic politicians and Sweden's aggressively anti-Christian culture.

Current:

I am currently in Worcester, United Kingdom.

Satan governs 100% of the churches in Washington DC, USA, through their pastors and priests.

Updated churchianity incidents:

1. The satanic pastors of "The Table Church" in Washington DC, USA, through their deliberate dishonesties **implicitly banished from fellowship** innocent Torsten : http://www.kyrkor.be/The-Table-Church_Washington-DC_USA.htm
2. The satanic pastors of "Bible Way Church" in Washington DC, USA, covertly banished innocent Torsten, and absolutely refused to communicate the reason for their covert banishment: http://www.kyrkor.be/Bible-Way-Church_Washington-DC_USA.htm
3. The devilish pastors of "Immaculate Conception Catholic Church" in Washington DC, USA, covertly banished innocent Torsten, and absolutely refused to communicate the reason for their covert banishment: http://www.kyrkor.be/Immaculate-Conception-Catholic-Church_Washington-DC_USA.htm
4. The satanic pastors of "Chinese Community Church DC" in Washington DC, USA, covertly banished innocent Torsten, and absolutely refused to officially communicate the reason for their covert banishment: http://www.kyrkor.be/Chinese-Community-Church_Washington-DC_USA.htm

Untruth echo from 'intelligence' community (more accurately could be dubbed 'stupidity communities'). By mistake or ignorance (unintentional) or out of malice (intentional), Torsten's immediately succeeding sentence of

explanation (sentence #2) was omitted from the immediately preceding sentence (sentence #1) in a conversation: "The only religious group who do not need to convert to Christianity are the Jews. Jews are fulfilled as Jews as they accept Yeshua HaMashiach (Jesus Christ) as their Jewish Messiah."; thus the source inaccurately believing that Torsten supports dual-covenant theology.

Date: Sun, 28 Oct 2018 20:33

Subject: In Washington DC, USA, satan governs 100% of the pastors of churches, through banishment against innocent Torsten or through promotion of homosexual sin.

Christian never-married innocent man, who wants to marry a Christian woman, is excommunicated/banished by all churches in Sweden, is ousted from Swedish society, and is devoid of humane future in Sweden – because of Sweden's heartless pastors and heretic priests, and due to Sweden's satanic politicians and Sweden's aggressively anti-Christian culture.

Current:

I am currently in Washington, DC, of the United States of America.

Satan governs 100% of the pastors and priests of churches in Washington DC, USA.

In Washington DC exists zero churches (nada, zilch, nil, zippo) where I am permitted/able to visit and seek Christian fellowship. Essentially all the churches in Washington DC have banned covertly the innocent Christian person Torsten from attendance or fellowship. The only two satanic churches in all of Washington DC which expressed a welcome for Torsten to visit, were two typically progressive churches that satanically promote sin through practice of homosexual sex, and that contradict irrefutable Biblical doctrine on sexual ethics (www.nenzen.net/Biblical_perspective_on_homosexuality.pdf).

New churchianity incidents:

1. The satanic pastors of "Redemption Hill Church" Washington DC, USA, **explicitly excommunicated** innocent Torsten with an explicit threat of Police eviction from their church premises. Practically all churches on planet earth where Torsten has contacted have shunned, rejected, banished or evicted Torsten. No church-person anywhere knows Torsten. No church leader on planet earth seems to care about facts, evidence, truth, justice, love and Biblical praxis. Without any reality-based reason, virtually all church leaders lie, slander, gossip, excommunicate, physically assault and evict innocent Torsten. Torsten is absolutely innocent in relation to all the churches on earth where Torsten is unwelcome. This persecution by the clergy of nearly all contacted churches on earth never stops, because satan never stops. Satan can never repent, and therefore, these satanic leaders of churches will never repent.

Because innocent Torsten is effectively banned by nearly all leaders of churches worldwide, it is impossible for Torsten to obtain opportunity to communicate with any "Christian" woman, and consequently, it is also impossible for Torsten to marry a woman. Satan's clergy of the churches globally are following the examples of their master - satan.

Wherever Torsten places his feet, the satanic churches or their satanic national governments persecute innocent Torsten with lies and banishments.

No Christian on earth knows Torsten.

Practically all churches on planet earth where Torsten has contacted have shunned, rejected, banished or evicted Torsten. No church-person anywhere knows Torsten. No church leader on planet earth seems to care about facts, evidence, truth, justice, love and Biblical praxis. Without any reality-based reason, virtually all church leaders lie, slander, gossip, excommunicate, physically assault and evict innocent Torsten. Torsten is absolutely innocent in relation to all the churches on earth where Torsten is unwelcome. This persecution by the clergy of nearly all contacted churches on earth never stops, because satan never stops. Satan can never repent, and therefore, these satanic leaders of churches will never repent.

Because innocent Torsten is effectively banned by nearly all leaders of churches worldwide, it is impossible for Torsten to obtain opportunity to communicate with any "Christian" woman, and consequently, it is also impossible for Torsten to marry a woman. Satan's clergy of the churches globally are following the examples of their master - satan.

Wherever Torsten places his feet, the satanic churches or their satanic national governments persecute innocent Torsten with lies and banishments.

No Christian on earth knows Torsten.

The Government of Australia continues to ban innocent Torsten, through Australian Government invented and fraudulent non-reasons. Because church leaders always invent lies against innocent Torsten, and often report their lies to government authorities, it is very likely that the Australian Government identically follows the evil examples of other devilish countries of Commonwealth of Nations, like New Zealand (<http://www.kyrkor.be/New-Zealand-Federal-Governments-satanic-church-lies.htm>), and Canada (<http://www.kyrkor.be/the-morally-confused-Justin-Trudeau-in-Canada.htm>).

Subject: Church of England (Church of satan) with the Anglican Archbishop Justin Welby, evicts, assaults, slanders, lies, banishes and persecutes the absolutely innocent Christian person Torsten.

Christian never-married innocent man, who wants to marry a Christian woman, is excommunicated/banished by all churches in Sweden, is ousted from Swedish society, and is devoid of humane future in Sweden – because of Sweden's heartless pastors and heretic priests, and due to Sweden's satanic politicians and Sweden's aggressively anti-Christian culture.

The Christian person Torsten, who is absolutely innocent in relation to all banishments by churches worldwide, appears to be unwelcome, banished, lied about and persecuted by all professional churches on earth, simply because Torsten is a real Christian who seeks a heterosexual marriage of God's appointment. If anyone presumes contrarily, that there would exist a Christian church anywhere on earth whose leaders would not accuse falsely, not maliciously lie, not assault, not evict, not banish and not persecute innocent Torsten, but would instead welcome the innocent Christian never-married man Torsten, then please inform Torsten of such presumed existence of a particular church.

There exists no church anywhere in United Kingdom where innocent Torsten is welcome. All of the satanic pastordemons of the British churches continually lie against and persecute innocent Torsten.

New churchianity incident:

- Satanic and pathologically lying "Hillsong Church" in London, United Kingdom, again **evicted** innocent Torsten from their Sunday so-called service in their rented premises at Dominion Theatre in central London. The cult, Hillsong London, of course, absolutely refused to provide a reason for their repeated evictions. The typically satanic Hillsong London has confirmed that their Hillsong's supreme devilpastor (Brian Houston) enforces a worldwide banishment against Torsten, and has confirmed that Hillsong's devilpastor Brian Houston preserves a global anti-Torsten policy. Hillsong London has evicted Torsten on all five Sundays (2018-06-24, 2017-09-10, 2017-04-09, 2016-10-30, 2016-07-25) when Torsten visited the satanic cult to obtain information about their global ban.: http://www.kyrkor.be/Hillsong-London-UK_eviction_2018-06-24.htm

Possibly the most well-mannered group of people in United Kingdom are the Muslims, in respect to Biblical evangelism, while the most antagonistic group of people in United Kingdom appears to be the so-called "Christians" (church-goers). - The British royal family of United Kingdom has appointed (mindlessly or satanically) a typically heretic leader of churchianity, the 27th Presiding Bishop and Primate of The Episcopal Church (The Most Reverend Michael B. Curry), to preach at their British royal wedding in United Kingdom on May 19 2018. The British royal family’s preacher, Michael Curry, justifies acts of homosexual lust and staunchly supports same-sex marriages. Contrary to this heretical teaching by The Episcopal Church (<https://www.episcopalchurch.org/>), and contrary to this detestable and abominable practice by satan’s Episcopal Church, God teaches that the practice of homosexuality is a sin against God (http://www.nenzen.net/Biblical_perspective_on_homosexuality.pdf). Subject: Churches globally forbid Torsten to fellowship because of Torsten’s unknown and unspecified “behaviour”.

Christian never-married innocent man, who wants to marry a Christian woman, is excommunicated/banished by all churches in Sweden, is ousted from Swedish society, and is devoid of humane future in Sweden – because of Sweden’s heartless pastors and heretic priests, and due

to Sweden's satanic politicians and Sweden's aggressively anti-Christian culture.

The Christian person Torsten, who is absolutely innocent in relation to all banishments by churches worldwide, appears to be unwelcome, banished and persecuted by all professional churches on earth, simply because Torsten is a real Christian who seeks a heterosexual marriage of God's appointment. If anyone presumes contrarily, that there would exist a Christian church anywhere on earth whose leaders would not accuse falsely, not assault, not evict, not banish and not persecute innocent Torsten, but would welcome the innocent Christian never-married man Torsten, then please inform Torsten of the presumed existence of that particular church.

Current:

I am currently in Pattaya, Thailand.

None of the churches in Pattaya, Thailand, welcomes innocent Torsten.

New churchianity incident:

- Typically satanic church “Pattaya International Church” in Pattaya, Thailand, evicted and explicitly banished their perceived idiot/monster, Torsten, who in reality is absolutely innocent in relation to their church and in relation to all other persecuting churches on earth, and shouted with disgust against Torsten “You’re an idiot!”: http://www.kyrkor.be/Pattaya-International-Church_eviction-ban_2018.htm

The rationale presented by this typical church, for their church's assaultive eviction and explicit ban of innocent Torsten, is that Torsten is an idiot: http://www.kyrkor.be/Pattaya_International_Church_rationale_for_eviction-ban.mp3

Besides a spiritually demonic component of many pastors of churches, the persecuting behaviours of these typically evil pastors of churches worldwide are explainable, in part, simply by the pastors' human carnal instinct of denial; to deny truth when they are wrong. Two ways for the pastors of churches to continue their denials and to continue their evasion of ethically necessary adjustment of their evil and persecuting behaviours [*repentance away from their invented lies and their denials, and repentance towards facts, evidence, truth, love, Biblical doctrine and Biblical praxis*], are: (1) to reinforce their previous lies with continued fabrication of new lies, and (2) to refuse communication with the victims of their incessant pastoral lies, and to refuse communication with anyone who does not affirm their pastoral lies or who does not affirm their persecuting behaviours. This is **tragicomical** behaviour by the pastors of churches globally. It is **tragic behaviour**, because of the immense harm caused by these typical ultra-hypocritical pastors of churches, in relaying into future not only a deserved public disdain of all professional churches, but of utmost tragedy is relaying into future also a misguided public distrust of Biblical Christianity. It is of course contemporaneously tragic also for the absolutely innocent victim, Torsten, who during decades suffers deep grief from all the churches' never-ceasing lies, persecutions and their hindrances of any Godly appointed marriage. But, it is also **comical behaviour**, because discerning persons of any religious affiliation or of secular preference, can with mere logic and intellect identify the church pastors' futile denials and evidenced lies. Satan, who is the father of lies (John 8:44) can never repent, and therefore, it is reasonable to expect that also the majority of these typically lying, persecuting and evil pastors of churches worldwide will never repent either.

Because innocent Torsten is effectively banned by all leaders of churches worldwide, it is impossible for Torsten to obtain opportunity to communicate with any "Christian" woman, and consequently, it is also impossible for Torsten to marry a woman. Satan's clergy of the churches globally are following the examples of their master - satan.

New Swedishness incident:

Satan's Swedish royals have deluded the United Kingdom royal counterparts, with their Swedish Government lies, and the British royal family symbolically endorsed Sweden's lies. British royals symbolically denied academic justice to the suffering of women worldwide through their official visit to Sweden's Karolinska Institute:

*"The royal party will also visit the **Karolinska Institute** ... to meet leading scientific researchers and practitioners to discuss groundbreaking academic work in developmental psychology, and Sweden's approach to managing mental health challenges."*
<http://www.dailymail.co.uk/wires/pa/article-5333043/William-Kate-meet-stars-Sweden-s-cultural-life.html>

"The Duke and Duchess, who is pregnant with the couple's third child, will start Wednesday by going to the **Karolinska Institute**, where they will be able to learn about Sweden's work with regards to mental health."
<https://www.express.co.uk/news/royal/911562/kate-middleton-prince-william-pictures-royal-tour-sweden-norway-latest>
 "Their Royal Highnesses ... heading to the world-famous **Karolinska Institute** to learn about Sweden's work in the field of mental health"
<https://www.mirror.co.uk/travel/europe/william-kate-norway-sweden-tour-11860567>

The official United Kingdom visit by the British head of state family to the politically corrupted and sciencephobic Karolinska Institute (KI) in satanic Sweden must rightfully be regarded as a disgrace and an extreme hypocrisy; especially by anyone pretending to champion mental health issues. The United Kingdom official visit to satanic Sweden's Karolinska Institute is also a symbolic support for KI's indefensible excommunication of a KI registered student, because KI politically deny the existence of all peer-reviewed academic articles published in internationally recognised academic journals; academic evidence which indicate a causal relationship between abortion and mental ill health among some women.

Through the United Kingdom official royal visit to the Karolinska Institute in satanic Sweden, the British monarchy has symbolically endorsed Sweden's Karolinska Institute, and subsequently, the British monarchy denies the academic evidence in the abortion sciences, and further, the British monarchy denies scientific justice for all women worldwide who have previously suffered, today suffer, and in future may suffer the emotional sequelae of an abortion.

This is the link to read regarding the sciencephobic Karolinska Institute of satanic Sweden: <http://karolinska.de>
 This is an excellent summary of the sciences by the Pontifical Academy for Life: http://karolinska.de/post_abortion_trauma.pdf

Sweden's academically corrupt and politically steered medical university, Karolinska Institute, and its satanic professors of their Department of Public Health, motivated the Karolinska Institute's refusal of academic communication with their registered student, Torsten Nenzen, with two official statements. The **President of Karolinska Institute**, then Professor Harriet Wallberg-Henriksson, officially wrote "The intervention suggested by Nenzén is not realistic as it contradicts the Swedish Parliament standpoint concerning abortion and unwanted pregnancies." And the Swedish Professor in Reproductive Health at Karolinska Institute, Kyllike Christensson, exploited her position as a representative of science by her official written statement to Torsten Nenzen "Karolinska Institute work for promoting good health in the world and follow in this regard the Swedish Ministry of Foreign Affairs policy: Sexual and Reproductive Health and Rights." According to the official statements by the president of Karolinska Institute and its leading Karolinska Institute professors, the Swedish Parliament and Sweden's Ministry of Foreign Affairs are the ultimate scientific authorities in Sweden, also in the abortion-science. Scientific evidence itself is not an authority of science in Sweden. In satanic Sweden, scientific theory based on the praxis of following the evidence where it leads, is displaced by Sweden's pseudo-scientific government dogmas. The Swedish Government decides what is science – not the results of scientific method in research! When evidential results in science contradict the Swedish Government, the Government of Sweden is correct, and the science is wrong!

At satanic Sweden's Karolinska Institute, Swedish nationalism is observably prioritised over reason, evidence and science. Examiner Bo Henriksson at the Department of Public Health at Karolinska Institute underscores Sweden's nationalistic attitude to abortion science in his written remark regarding Sweden's abortion policies in relation to international abortion research "Sweden has come further on this matter." The Swedish examiner of Karolinska Institute refused to substantiate this claim or to clarify a rationale for the nationalistic statement, and the **President of Karolinska Institute** decided that this examiner's nationalistic remark conclusively justifies disapproval of Torsten Nenzen's course assignment papers; papers which refer to published articles in internationally recognised scientific journals. And the Swedish Professor in Social Medicine at Karolinska Institute, Bjarne Jansson, stated in academic conversation that the cause for Torsten Nenzen's academic conflict with Karolinska Institute concerning induced abortion is that Torsten Nenzen is insufficiently Swedish "The problem is that you are not Swedish." The Swedish professor's nationalistic deduction would therefore logically derive from the premise: Swedishness is an attribute for uncritically approving Sweden's abortion policies, rather than non-Swedishly presenting thesis ideas based on published academic articles in recognised scientific journals.

No Islamic state/republic/nation on earth has yet banished innocent Torsten from visiting. Only the Commonwealth of Nations countries with dominant churches (<https://twitter.com/TorsNen/status/94555797773139968>) are currently banishing innocent Torsten. The Federal Government of New Zealand indefinitely and explicitly bans innocent Torsten due to New Zealand's government collusion with its satanic churches. (<http://www.kyrkor.be/New-Zealand-Federal-Governments-satanic-church-lies.htm>) Government of Australia indefinitely and covertly bans innocent Torsten, probably due to the Australian government collusion with its satanic churches. (<http://www.kyrkor.be/Devilish-Churches-in-Cairns-Australia.htm>) Church leaders always invent lies against innocent Torsten, and often report their lies to government authorities. When innocent Torsten recently applied for a tourism visitor visa to Australia, the Government of Australia invented fraudulent non-reasons to deny a visa. (http://www.kyrkor.be/lying_Australian-Government_corrupted_by_Australias_satanic_churches.pdf) When innocent Torsten re-applied for a visa to Australia one month later, the Australian government simply refused to provide any reason at all. PM Malcolm Turnbull ecstatically only supports "getting on with" more homosexual marriages in Australia. Government of Canada indefinitely and explicitly bans innocent Torsten, possibly due to Canadian government collusion with its satanic churches. (<http://www.kyrkor.be/the-morally-confused-Justin-Trudeau-in-Canada.htm>) Church leaders always invent lies against innocent Torsten, and often report their lies to government authorities. When innocent Torsten applied for a tourism visitor visa to Canada, the Government of Canada invented fraudulent non-reasons to deny a visa. (http://www.kyrkor.be/lying_Canadian-Government_corrupted_by_Canadas_satanic_churches.pdf) United Kingdom is still a member state of the European Union, and therefore, UK is not yet eligible to ban innocent Torsten who carries an EU passport. Once UK has departed from EU, it is likely that satanic Britain will banish innocent Torsten, since the satanic Church of England is intimately entwined with the UK government.

Recent churchianity incidents:

1. Satanic "Evangelical Church of Bangkok" (ECB) in Bangkok, Thailand, explicitly banished innocent Torsten and implied intention to report Torsten as a trespasser to Thailand police authorities if Torsten would visit their church premises. The typically satanic-evangelical pastors refused to provide a reason for their explicit ban, and additionally claimed falsely that their evangelical church has no moral or Biblical obligation to provide a reason for their explicit banishment: http://www.kyrkor.be/Evangelical-Church-Bangkok_Thailand_ban_2017.htm
2. Satanic "Hope Church" in Worcester, United Kingdom, explicitly banished and evicted innocent Torsten and threatened to call the police, because their satanic church leaders collude with other satanic churches. The satanic Hope Church falsely accused that the absolutely innocent Christian person Torsten is a danger, and declared that their eviction of Torsten is necessary for protection of the people.: http://www.kyrkor.be/Hope-Church-Worcester_UK_eviction_2017.htm
3. Satanic Church of England's "All Saints Church" in Worcester, in satanic-Britain, explicitly banished and evicted innocent Torsten, called the Police, and falsely accused innocent Torsten of some unknown and unspecified "*behaviour*". The satanic Church of England's vicars/bishops have concocted utter lies against a non-existent monster, who they call Torsten.: http://www.kyrkor.be/All-Saints-Church_Worcester_UK_Anglican-eviction_2017.htm
4. Satanic "Woodgreen Evangelical Church" in Worcester, in satanic-Britain, explicitly banished and evicted innocent Torsten, finally called the Police, and falsely accused the absolutely innocent Christian person Torsten of being a very dangerous, deluded and demonic Wolf, and that it is a moral duty to protect people from Torsten.: http://www.kyrkor.be/Woodgreen-Evangelical-Church_Worcester_UK_eviction_2017.htm

206. Two hundred sixth International Plea

Date: Fri, 15 Dec 2017 14:24

Subject: satan's pastors of churches also in Asia persecute a monster they call Torsten.

Christian never-married innocent man, who wants to marry a Christian woman, is excommunicated/banished by all churches in Sweden, is ousted from Swedish society, and is devoid of humane future in Sweden – because of Sweden's heartless pastors and heretic priests, and due to Sweden's satanic politicians and Sweden's aggressively anti-Christian culture.

If any person knows if there exists a Christian church anywhere on earth that would welcome the innocent Christian never-married man, Torsten, who is globally banished and persecuted by the churches worldwide because Torsten seeks a heterosexual marriage, then please inform Torsten of that church.

...

Current:

I am currently in Singapore.

No church in Singapore truly welcomes Torsten. Virtually all churches in Singapore hinder Torsten from fellowship, dehumanize Torsten, and obstruct Torsten from speaking with single Christians. <http://www.kyrkor.be/Singapore-Churches-are-Inhumane.pdf>

Practically all churches on planet earth where Torsten has contacted have shunned, rejected, banished or evicted Torsten. No church-person anywhere knows Torsten. No church leader on planet earth seems to care about facts, evidence, truth, justice, love and Biblical praxis. Without any reality-based reason, virtually all church leaders lie, slander, gossip, excommunicate, physically assault and evict innocent Torsten. Torsten is absolutely innocent in relation to all the churches on earth where Torsten is unwelcome. This persecution by the clergy of nearly all contacted churches on earth never stops, because satan never stops. Satan can never repent, and therefore, these satanic leaders of churches will never repent.

Previous churchianity incidents:

1. Satanic "Hillsong Church" in London, satanic-Britain, again evicted innocent Torsten from their Sunday so-called service in their rented premises at Dominion Theatre in central London. The cult, Hillsong London, of course, absolutely refused to provide a reason for their repeated evictions. The Hillsong London confirmed that Hillsong's supreme leadership (Brian Houston) enforces a worldwide banishment against Torsten, and that Hillsong has a global anti-Torsten policy in place. Hillsong London has evicted Torsten on all four Sundays (2017-09-10, 2017-04-09, 2016-10-30, 2016-07-25) when Torsten visited the cult to obtain information about their global ban.: http://www.kyrkor.be/Hillsong-London-UK_eviction_2017-09-10.htm
2. Satanic "Kensington Temple Church" in London, satanic-Britain, explicitly banished innocent Torsten, falsely accused Torsten of being crazy (a "*nutter*"), falsely accused Torsten of unknown and unspecified "*behaviour*", falsely accused Torsten of being some unknown and unspecified "*troubling influence*", and forbade innocent Torsten from communicating with the pastors' people. The typical Kensington Temple church absolutely refused to provide any fact, explain, or justify their general accusations, because the church pastors' fantasy-lies have zero substance. The utter lies invented by these British pastors are characteristic of pastors anywhere. Satan's mad and evil church-controllers (pastors) at Kensington Temple refused to repent from

- their lies and sins, and demanded that innocent Torsten must be supervised.: http://www.kyrkor.be/Kensington-Temple-Church_London_UK_2017.htm
3. Satanic "Equippers Church" in London, satanic-Britain, explicitly banished innocent Torsten "*Do not visit our church.  4.  5. A typically evil leader of a church falsely accused innocent Torsten with these statements: Torsten is guilty, angry, bitter, offensive, obsessed, self-destructive, unreasonable, nonsensical, and paranoid. Torsten's **behaviour** is disruptive, ridiculous and un-Christlike. Torsten is a non-Christian, who creates problems and who needs professional help. Churches have closed their doors to Torsten because of Torsten's disruptive behaviour.: http://www.kyrkor.be/a_typically_evil_church_leader.htm
 6. Berlin International Community Church (BICC) in Berlin, Germany, explicitly but duplicitously, banned innocent Torsten from their Hillsong-associated church and refused to provide a reason: http://www.kyrkor.be/Berlin-International-Community-Church_BICC_Hillsong.htm
 7. Satanic "Redeemer Presbyterian Church" in New York City, USA, with their typically devilish pastor Timothy Keller, covertly excommunicated Torsten earlier. Redeemer's devilish staff lied to Torsten, and recently refused to provide a reason for their covert excommunication.: http://www.kyrkor.be/Redeemer-Presbyterian-Church_NYC_pastordevils_2017-07-31.htm
 8. Another devilish Messianic pastor fabricated a new lie against innocent Torsten – that Torsten is a "fraud", and the typically devilish pastor/rabbi refused to justify his false accusation: <http://www.kyrkor.be/Messianic-and-Christian-leaders-at-war-against-truth-and-God.htm>
 9. Hillsong church in London, United Kingdom, again evicted innocent Torsten from their Sunday so-called service in their rented premises at Dominion Theatre in central London.  11. Riverside Church in New York City, USA, explicitly banished innocent Torsten from fellowship, and refused to provide a reason: http://www.kyrkor.be/Riverside-Church_NYC_USA.htm
 12. Trinity Church Wall Street in New York City, USA, implicitly banished innocent Torsten from fellowship, and refused to provide a reason: http://www.kyrkor.be/Trinity-Church-Wall-Street_NYC_USA.htm
 13. The director for the USA prayer ministry 'Houses of Prayer' which networks within the 'United States National Prayer Council', declared an apparent disinterest to pray for Torsten. When Torsten inquired why this USA prayer director did not want to pray, the director would not answer.: <http://www.kyrkor.be/IHOP-of-United-States-National-Prayer-Council.htm>
 14. Jubilee Church in Cape Town, South Africa, implicitly excommunicated innocent Torsten from fellowship, refused to welcome Torsten, and absolutely refused to justify their implied excommunication "*Jubilee is not the church for you.*": http://www.kyrkor.be/Jubilee-Church_Cape-Town.htm
 15. Calvary Chapel Church in Cape Town, South Africa, explicitly excommunicated innocent Torsten. Calvary Chapel falsely accused Torsten to be unfit for church attendance, and insinuated that Torsten is dangerous to their church members in Cape Town. Calvary Chapel further asserted that while the issue of Torsten remaining banished by all the churches in New Zealand and consequently by the Government of New Zealand (<http://www.kyrkor.be/New-Zealand-Federal-Governments-satanic-church-lies.htm>), Torsten is also unfit to attend their Calvary Chapel in Cape Town: <http://www.kyrkor.be/Calvary-Chapel-Cape-Town-excommunication-161231.htm>
 16. Holy Trinity Anglican Church Gardens in Cape Town, South Africa, explicitly banished innocent Torsten. Although Holy Trinity Church in Cape Town absolutely refused to answer any questions relating to their Anglican banishment against Torsten in Cape Town, Holy Trinity Church in Cape Town did allude that the banishment by all the churches in New Zealand and consequently by the Government of New Zealand (<http://www.kyrkor.be/New-Zealand-Federal-Governments-satanic-church-lies.htm>) is the Anglican Church's reason for banishing, as their Anglican Rector Alan Noble declared "*The concerns these churches have raised about you along with the measures that various governments have taken against you are serious.*": http://www.kyrkor.be/Holy-Trinity-Anglican-Church-Gardens_Cape-Town.htm
 17. St Peters Anglican Church Fish Hoek in Cape Town, South Africa, explicitly banished innocent Torsten. St Peters Church Fish Hoek alluded that their Anglican reason for banishing Torsten is that Torsten is banished by all the churches in New Zealand and consequently by the Government of New Zealand (<http://www.kyrkor.be/New-Zealand-Federal-Governments-satanic-church-lies.htm>): http://www.kyrkor.be/St-Peters-Anglican-Church-Fish-Hoek_Cape-Town.htm
 18. Hope City Presbyterian Church in Cape Town, South Africa, explicitly banished innocent Torsten and absolutely refused to factually justify their banishing statement "*Do not attempt to contact us anymore or attend our services.*" The banishing Presbyterian pastor admitted that he slanderously participates in a network of slandering pastors in Cape Town, who slander against innocent Torsten. Hope City Presbyterian Church in Cape Town is also part of the notoriously slandering and evil Redeemer City to City network of churches lead by Timothy Keller in NYC, who has excommunicated innocent Torsten.: http://www.kyrkor.be/Hope-City-Presbyterian-Church_Cape-Town.htm
 19. Revival Worship Centre in Cape Town, South Africa, implicitly banished innocent Torsten and refused to justify their declaration "*We are unable to facilitate any visit by you.*": http://www.kyrkor.be/Revival-Worship-Centre_Cape-Town_South-Africa.htm
 20. Life Church in Cape Town, South Africa, implicitly banished innocent Torsten and refused to justify their banishing statement "*part ways and not continue any further conversations*": http://www.kyrkor.be/Life-Church-Cape-Town_South-Africa.htm

21. Hillsong Church in Cape Town, South Africa, covertly banished innocent Torsten consequent to Brian Houston's enforced anti-Torsten policy and his Hillsong Network global ban against Torsten: http://www.kyrkor.be/Hillsong-Cape-Town_South-Africa.htm
22. His People Christian Church in Cape Town, South Africa, covertly banished innocent Torsten from fellowship, and refused to provide a reason: http://www.kyrkor.be/His-People-Christian-Church_Cape-Town_South-Africa.htm
23. Shofar Church in Cape Town, South Africa, covertly banished innocent Torsten from fellowship, and refused to provide a reason: http://www.kyrkor.be/Shofar-Church_Cape-Town_South-Africa.htm
24. St Stephens Bible Church in Cape Town, South Africa, falsely insinuated that Torsten's search for marriage is an idol, and insinuated that innocent Torsten is a fool: http://www.kyrkor.be/St-Stephens-Anglican-Bible-Church_Cape-Town.htm

Recent Swedishness incidents:

- The Government of satanic Sweden, satanic Sweden's Police, satanic Sweden's Security Police, and satanic Sweden's government agencies lie notoriously. Anti-Christian Sweden's Police have continually lied against Torsten in the past, and have deliberately invented lies against innocent Torsten also in their recent Police reports. The Chancellor of Justice recently provided evidence (http://www.nenzen.net/Swedish-Chancellor-of-Justice_informs_TN_2017-03-01.pdf) to Torsten of the Swedish Polices' intentional false reports against Torsten, upon which Torsten's objective evidence (http://www.nenzen.net/TN_remarks_to_Swedish-Chancellor-of-Justice_2017-03-19.pdf) convicts the Swedish Police as guilty of fabrication of lies against Torsten. Torsten's audio-recordings are indisputable proofs that Sweden's Police intentionally targets Torsten with lies. (<https://rushfiles.one/client/publiclink.aspx?id=KQMs3C>). Recently, satanic Sweden's Chief of Police officially expressed (http://www.nenzen.net/Swedish-Police_untrue-reply_170818.pdf) the Swedish Police's discrimination and harassment against Christianity and against Christians. Therefore, Torsten recently reported the Swedish Police, to the Swedish Police, for its criminal discrimination and harassment against Christians (http://www.nenzen.net/Swedish-Police_discriminate-harass-hate-Christianity_170820.pdf).
- On July 24, 2017, Swedish Police questioned Torsten during one hour at satanic Sweden's Police Headquarters in Stockholm. Satanic Sweden's Police (<https://polisen.se/en>), satanic Sweden's public prosecutors (<https://www.aklagare.se/en>) with internal communications with satanic Sweden's Ministry of Justice (<http://www.government.se/government-of-sweden/ministry-of-justice>), have investigated Torsten for almost one year for hate speech crime. On September 12, 2016, Torsten publicly read verses from the Bible and accurately summarised those Bible verses, which satanic Sweden object against. Neither satanic Sweden's prosecution authority, nor satanic Sweden's police, can intellectually differentiate between the practice of homosexual acts and same-gender attraction. Additionally, neither satanic Sweden's police nor satanic Sweden's prosecutors, are capable to comprehend the difference between a person and an action. Torsten's public speech stated that "The practice of homosexuality is...", while the Swedish Police and Swedish Prosecutor incorrectly alleged against Torsten, that Torsten would have stated "Homosexuality is...". After Torsten had explained to the Swedish Police investigator the difference between same-gender attraction and homosexual practice, Torsten asked the police investigator on July 24, 2017, a series of questions "Do you think the prosecutor can understand that there exists a difference between same-gender attraction and the practice of homosexuality? Do you understand that there is a difference between a deed and a person? For the Police, there is no difference between sexual orientation and sexual practice?" upon which the Swedish Police investigator replied "No, we do not see any difference." The entire Police questioning was recorded, and an mp3-copy is available for download through this link: <https://rushfiles.one/client/publiclink.aspx?id=KQMs3C> (File name: Criminal-Investigation-Officer_Shari-Tingman_170724.mp3). The hate speech in writing (http://www.nenzen.net/Biblical_perspective_on_homosexuality.pdf) and the original hate speech in online-audio (http://www.nenzen.net/Swedish_Police_interference_of_religious_freedom_160912.mp3).
- **Satanic Sweden confirms that public reading of the Bible is a hate speech crime, according to the Swedish Police.**
Torsten asked the Swedish Police Criminal Investigators: "Have the police seen that the words [in the written speech] identically correlate to underlined words from the Bible verses [beneath], so they are not invented words from me, but they are words that come directly from the Bible translations." The Swedish Police Criminal Investigators replied: "Right." Torsten repeated his inquiry to the Swedish Police Criminal Investigators: "Have you noted that connection?" The Swedish Police Criminal Investigators replied: "Yes. And you already have [made] that [point] while the police were in place [onsite at the plaza], so I know you talked about that there too, that these are words from the Bible, not my words and so on. But in regards to hate speech, it does not matter who has written the words, or who is the source of them, but it's about spreading them. And the spreading [of these words] is what you have stood for in this case, is the suspicion."
http://www.nenzen.net/Biblical_perspective_on_homosexuality.pdf
- On Monday Sept. 12, 2016, Sweden declared intent to pursue criminal investigation against Torsten for hate speech. Swedish Police interfered and prohibited Torsten from publicly reading verses from the Bible. The speech titled 'The essential Biblical perspective on human homosexuality' is entirely Bible based. The Swedish Police stopped Torsten's modestly presented tone of Biblical speech. The police asserted that Sweden equates public readings from the Bible with public readings from Adolph Hitler's 'Mein Kampf'. To the Swedish Police (and possibly also to the Swedish prosecutors), the Judeo-Christian Bible, which is God's Holy Word, is equally as hateful as the words of Adolph Hitler. In Sweden, God and Adolph Hitler are equally hateful. An audio recording of Torsten's written speech and of the Swedish Police interference exists.
Speech written: http://www.nenzen.net/Biblical_perspective_on_homosexuality.pdf
Speech recorded: http://www.nenzen.net/Swedish_Police_interference_of_religious_freedom_160912.mp3
Swedish Police statements to Torsten on Sept. 12, 2016:
"Do you know who Hitler was? You know he has written a book; Mein Kampf. But if anyone would stand and read it, it doesn't matter if it is in a book. It is still hate speech. It does not matter if it is in the Bible."
"When you speak about homosexuality as something patronizing or wrong, then we have a problem."
"You are suspected of crimes that you are required to not do."

"I have seen that it is hate speech."

"What is going to happen is that a police report will be prepared and you will be called for questioning."

- In Sweden's continued pursuit of criminal investigation against Torsten for hate speech crime (http://www.nenzen.net/Biblical_perspective_on_homosexuality.pdf), Torsten sought a credible defence lawyer in Sweden but found none. None of the international so-called "Christian" legal organizations that focus on similar legal cases of fundamental human rights, wanted to advise a name of a defence lawyer to Torsten. It appears that the "Christian" legal organizations might have chosen to prioritize an allegiance to churchianity, through their unwillingness to suggest a name of a credible defence lawyer to the globally banished/persecuted Torsten. Alliance Defending Freedom (ADF) in USA (http://www.nenzen.net/ADF_communications.pdf) did not want to suggest a name of any lawyer, suspiciously due to an alliance with churchianity. Observatory on Intolerance and Discrimination against Christians in Europe (OIDACEurope), likewise, did not even want to communicate at all with Torsten, suspiciously due to discrimination against Torsten (http://www.nenzen.net/OIDACEurope_communications.pdf). As it appears today, Torsten will be unable to consult a credible defence lawyer of choice, and therefore, Torsten might have to try and legally defend himself alone during the Swedish police questioning, and during subsequent Swedish law court proceedings.
- The Swedish neo-Nazis publicly demonstrate their hateful anti-Semitic propaganda with public neo-Nazi marches, with distribution of neo-Nazi flyers, and with neo-Nazi stickers, in the cities and villages of Sweden. The Swedish government protect the Swedish neo-Nazi hateful propaganda public marches as legal expressions of democracy and free speech rights. The Swedish government financially supports palestinian terror against the Jewish State of Israel, and Swedish parliamentarians glorify palestinian terrorists. But, the same Swedish government vehemently forbid public speech readings of Bible verses or Biblical summaries about the practice of homosexuality. Because I have publicly spoken verses from the Judeo-Christian Bible about the practice of homosexuality, Sweden is continuing to investigate me as a suspect of hate speech crime with a possible jail sentence. In Sweden, the universal and democratic right to free speech only applies to politically correct speech – not to Biblical speech. In Sweden, a Bible-believing Christian who dares to publicly speak according to Scriptures is sought as a criminal, while Swedish government parliamentary haters of peaceful Israel glorify anti-Israel terrorist and support anti-Israel terror.

- A typically satanic "Pentecostal" church in Sweden evicted Torsten from their churchy location and telephoned the Swedish national police with false accusations against Torsten of harassment and disturbance of peace. The evil sect Hillsong Stockholm in Sweden follows orders from Australia's evil sect leader Brian Houston, and imitate him. As always, when Torsten repeatedly inquires to the HillSect churches why their "church" has a globally confirmed anti-Torsten policy in effect with a global banishment, HillSect absolutely refuses to answer: http://www.kyrkor.be/Hillsong-Stockholm_Andreas-Nielsen_Sweden.htm

- The Church of Satan (official name = Church of Sweden) in satanic Sweden has now decided to abolish masculine references to God, and to eradicate the word "Lord" as a reference to God, because satanic Sweden wants its Church of Satan to become more gender neutral and "inclusive". The God of Israel, who is the God of the universe (the God of the Bible), is excluded from Sweden's Church of Satan. In a traditional English language translation of the Old Testament of the Bible, the King James Version (KJV), the word "LORD" is used in reference to God 6575 times, and the phrase "the Lord God" is used 229 times. Henceforth in satanic Sweden, there must be no further reference to God as a heavenly Father.

No church leader anywhere on planet earth seems to care about facts, evidence, truth, justice, love and Biblical praxis. Without any reality-based reason, virtually all church leaders lie, slander, gossip, excommunicate, physically assault and evict innocent Torsten. This persecution by the clergy of all contacted churches on earth never stops, because satan never stops. Satan can never repent, and therefore, the satanic leaders of churches will never repent.

New churchianity incidents:

- Satanic "Evangelical Church of Bangkok" (ECB) in Bangkok, Thailand, explicitly banished innocent Torsten and implied intention to report Torsten as a trespasser to Thailand police authorities if Torsten would visit their church premises. The typically satanic-evangelical pastors refused to provide a reason for their explicit ban, and additionally claimed falsely that their evangelical church has no moral or Biblical obligation to provide a reason for their explicit banishment: http://www.kyrkor.be/Evangelical-Church-Bangkok_Thailand_ban_2017.htm

New Swedishness incidents:

- The Church of Satan (official name = Church of Sweden) in satanic Sweden has now decided to abolish masculine references to God, and to eradicate the word "Lord" as a reference to God, because satanic Sweden wants its Church of Satan to become more gender neutral and "inclusive". The God of Israel, who is the God of the universe (the God of the Bible), is excluded from Sweden's Church of Satan. In a traditional English language translation of the Old Testament of the Bible, the King James Version (KJV), the word "LORD" is used in reference to God 6575 times, and the phrase "the Lord God" is used 229 times. Henceforth in satanic Sweden, there must be no further reference to God as a heavenly Father.

- The intolerant and satanic Government of Sweden increasingly expresses its anti-Christian, pro-Islam, Christophobic, anti-Prolife, anti-Israel, anti-Biblical, and anti-democratic ambitions:

204. Two hundred fourth International Plea

Date: Wed, 15 Nov 2017 00:01

Subject: Every pastor/priest in United Kingdom satanically persecute the innocent Christian person Torsten.

Christian never-married innocent man, who wants to marry a Christian woman, is excommunicated/banished by all churches in Sweden, is ousted from Swedish society, and is devoid of humane future in Sweden – because of Sweden's heartless pastors and heretic priests, and due to Sweden's satanic politicians and Sweden's aggressively anti-Christian culture.

If any person knows if there exists a Christian church anywhere on earth that would welcome the innocent Christian never-married man, Torsten, who is globally banished and persecuted by the churches worldwide because Torsten seeks a heterosexual marriage, then please inform Torsten of that church.

...

Current:

In United Kingdom, there exists no church of any denomination where Torsten is welcome. All the satanic British church leaders in United Kingdom have rejected and banished innocent Torsten. In United Kingdom, the satanic

church clergy of all church denominations obsessively persecute innocent Torsten, without any factual, reality-based and Biblical reason. The pastors and priests of the churches in United Kingdom falsely accuse, slander, lie and satanically collude.

All churches on planet earth where Torsten has contacted have rejected, banished, evicted Torsten. No church-person knows Torsten. No church leader anywhere on planet earth seems to care about facts, evidence, truth, justice, love and biblical praxis. Without any reality-based reason, virtually all church leaders lie, slander, gossip, excommunicate, physically assault and evict innocent Torsten. This persecution by the clergy of all contacted churches on earth never stops, because satan never stops. Satan can never repent, and therefore, the satanic leaders of churches will never repent.

Recent churchianity incidents:

1. Satanic "Hope Church" in Worcester, United Kingdom, explicitly banished and evicted innocent Torsten and threatened to call the police, because their satanic church leaders collude with other satanic churches. The satanic Hope Church falsely accused that the absolutely innocent Christian person Torsten is a danger, and declared that their eviction of Torsten is necessary for protection of the people.: http://www.kyrkor.be/Hope-Church-Worcester_UK_eviction_2017.htm
2. Satanic Church of England's "All Saints Church" in Worcester, in satanic-Britain, explicitly banished and evicted innocent Torsten, called the Police, and falsely accused innocent Torsten of some unknown and unspecified "*behaviour*". The satanic Church of England's vicars/bishops have concocted utter lies against a non-existent monster, who they call Torsten.: http://www.kyrkor.be/All-Saints-Church_Worcester_UK_Anglican-eviction_2017.htm
3. Satanic "Woodgreen Evangelical Church" in Worcester, in satanic-Britain, explicitly banished and evicted innocent Torsten, finally called the Police, and falsely accused the absolutely innocent Christian person Torsten of being a very dangerous, deluded and demonic Wolf, and that it is a moral duty to protect people from Torsten.: http://www.kyrkor.be/Woodgreen-Evangelical-Church_Worcester_UK_eviction_2017.htm
4. Satanic "Hillsong Church" in London, satanic-Britain, again evicted innocent Torsten from their Sunday so-called service in their rented premises at Dominion Theatre in central London. The cult, Hillsong London, of course, absolutely refused to provide a reason for their repeated evictions. The Hillsong London confirmed that Hillsong's supreme leadership (Brian Houston) enforces a worldwide banishment against Torsten, and that Hillsong has a global anti-Torsten policy in place. Hillsong London has evicted Torsten on all four Sundays (2017-09-10, 2017-04-09, 2016-10-30, 2016-07-25) when Torsten visited the cult to obtain information about their global ban.: http://www.kyrkor.be/Hillsong-London-UK_eviction_2017-09-10.htm
5. Satanic "Kensington Temple Church" in London, satanic-Britain, explicitly banished innocent Torsten, falsely accused Torsten of being crazy (a "*nutter*"), falsely accused Torsten of unknown and unspecified "*behaviour*", falsely accused Torsten of being some unknown and unspecified "*troubling influence*", and forbade innocent Torsten from communicating with the pastors' people. The typical Kensington Temple church absolutely refused to provide any fact, explain, or justify their general accusations, because the church pastors' fantasy-lies have zero substance. The utter lies invented by these British pastors are characteristic of pastors anywhere. Satan's mad and evil church-controllers (pastors) at Kensington Temple refused to repent from their lies and sins, and demanded that innocent Torsten must be supervised.: http://www.kyrkor.be/Kensington-Temple-Church_London_UK_2017.htm
6. Satanic "Equippers Church" in London, satanic-Britain, explicitly banished innocent Torsten "*Do not visit our church. Please do not come.*", refused to welcome Torsten to fellowship, and absolutely refused to provide reality-based and Biblical justification for their explicit banishment and persecution.: http://www.kyrkor.be/Equippers-Church_London_UK_2017.htm

In Spain, there is yet no church where Torsten is welcome. Both the Municipality of Alicante and the Spanish Police have explicitly prohibited Torsten from handing out Biblical information to people in any public place. On the streets of London, the non-Christian sect (JW) and the non-Christian business (Scientology) are most active. No religious organisation in United Kingdom is more active, diligent and strategic in public recruitment than the non-Christian sect Jehova Witnesses. While JW work very hard in the satanic-UK to deceive people to hell, the traditional churchianity denominations satanically persecute innocent Christians who simply seek a Godly marriage. And while the well-mannered muslims in London display respectful openness to Jesus Christ, the satanic pastors of churches harass and persecute the Bible-affirming Christians. At this current direction, satanic-Britain is heading towards destruction.

Anti-Christian Sweden’s Police have continually lied against Torsten in the past, and have deliberately invented lies against innocent Torsten also in their recent Police

reports. The Chancellor of Justice recently provided evidence (http://www.nenzen.net/Swedish-Chancellor-of-Justice_informs_TN_2017-03-01.pdf) to Torsten of the Swedish Polices' intentional false reports against Torsten, upon which Torsten's objective evidence (http://www.nenzen.net/TN_remarks_to_Swedish-Chancellor-of-Justice_2017-03-19.pdf) convicts the Swedish Police as guilty of fabrication of lies against Torsten. Torsten's audio-recordings are indisputable proofs that Sweden's Police intentionally targets Torsten with lies. (<https://rushfiles.one/client/publiclink.aspx?id=KQMs3C>). Recently, satanic Sweden's Chief of Police officially expressed (http://www.nenzen.net/Swedish-Police_untrue-reply_170818.pdf) the Swedish Police's discrimination and harassment against Christianity and against Christians. Almost all pastors & priests of churches, everywhere, satanically persecute innocent Torsten. If any so-called “pastor” who receives and reads this letter somewhere on earth would actually be a Christian, then please pray that God will send to Torsten wherever Torsten is, from somewhere on earth, a young woman of God’s election for marriage. And please pray also, that the devilish pastors of the majority of churches everywhere will cease to do evil against Torsten through their lying, slander, banishing, evicting, excommunicating and their intentional obstruction of God’s will. These evils are precisely what the vast majority of pastors of churches all across the globe, where Torsten has contacted, have done against Torsten previously. Pastors and priests of churches everywhere behave like satan in their persecution of innocent Torsten.

Torsten remains stuck in life, because of the utter evils committed by nearly all pastors and priests of churches everywhere; who fabricate lies, slander, gossip, cyber-bully, obstruct, banish, excommunicate, evict, physically assault and persecute. In reality, the vast majority of churches serve satan through their malice and evil. The vast majority of pastors of churches, everywhere, have demonically sought to prevent Torsten from marrying a Christian woman. The vast majority of pastors of churches, everywhere, hate facts, evidence and truth.

The evil pastors and satanic priests of the evangelical, Pentecostal, Lutheran, Presbyterian and Anglican churches worldwide have all satanically sought to obstruct me from a Christian marriage. In their satanic obsession to hinder a Christian marriage, the pastors/priests of churches have forbidden me to speak with any woman. Satan’s pastors of churches everywhere fabricate lies, slander, gossip, cyber-bully, obstruct, banish, excommunicate, evict, physically assault and persecute me – because I have declared that I seek a heterosexual Christian marriage of God’s appointment.

*“But the Spirit expressly says that in the latter times some shall depart from the faith, giving heed to seducing spirits and teachings of demons, speaking lies in hypocrisy, being seared in their own conscience, **forbidding to marry** ...”*
(1 Timothy 4:1-3)

New churchianity incidents:

- Satanic “Redeemer Presbyterian Church” in New York City, USA, with their typically devilish pastor Timothy Keller, covertly excommunicated Torsten earlier. Redeemer’s devilish staff lied to Torsten, and recently refused to provide a reason for their covert excommunication.: http://www.kyrkor.be/Redeemer-Presbyterian-Church_NYC_pastordevils_2017-07-31.htm
- Another devilish Messianic pastor fabricated a new lie against innocent Torsten – that Torsten is a “fraud”, and the typically devilish pastor/rabbi refused to justify his false accusation: <http://www.kyrkor.be/Messianic-and-Christian-leaders-at-war-against-truth-and-God.htm>

New Swedishness incidents:

- Satanic Sweden at a glance in a media profile: <https://www.gatestoneinstitute.org/topics/36/sweden>
- Short film documentary on satanic Sweden’s gender neutrality obsession in 2017: <https://www.youtube.com/watch?v=4sPj8HhbwHs>
- On July 24, 2017, Swedish Police questioned Torsten during one hour at satanic Sweden’s Police Headquarters in Stockholm. Satanic Sweden’s Police (<https://polisen.se/en>), satanic Sweden’s public prosecutors (<https://www.aklagare.se/en>) with internal communications with satanic Sweden’s Ministry of Justice (<http://www.government.se/government-of-sweden/ministry-of-justice>), have investigated Torsten for almost one year for hate speech crime. On September 12, 2016, Torsten publicly read verses from the Bible and accurately summarised those Bible verses, which satanic Sweden object against. Neither satanic Sweden’s prosecution authority, nor satanic Sweden’s police, can intellectually differentiate between the practice of homosexual acts and same-gender attraction. Additionally, neither satanic Sweden’s police nor satanic Sweden’s prosecutors, are capable to comprehend the difference between a person and an action. Torsten’s public speech stated that “The practice of homosexuality is...”, while the Swedish Police and Swedish Prosecutor incorrectly alleged against Torsten, that Torsten would have stated “Homosexuality is...”. After Torsten had explained to the Swedish Police investigator the difference between same-gender attraction and homosexual practice, Torsten asked the police investigator on July 24, 2017, a series of questions “Do you think the prosecutor can understand that there exists a difference between same-gender attraction and the practice of homosexuality? Do you understand that there is a difference between a deed and a person? For the Police, there is no difference between sexual orientation and sexual practice?” upon which the Swedish Police investigator replied “No, we do not see any difference.” The entire Police questioning was recorded, and an mp3-copy is available for download through this link: <https://rushfiles.one/client/publiclink.aspx?id=KQMs3C> (File name: Criminal-Investigation-

Officer_Shari-Tingman_170724.mp3). The hate speech in writing (http://www.nenzen.net/Biblical_perspective_on_homosexuality.pdf) and the original hate speech in online-audio (http://www.nenzen.net/Swedish_Police_interference_of_religious_freedom_160912.mp3).

Date: Sat, 15 Jul 2017 23:20

Subject: Pastors of churches everywhere satanically obsessed to prevent a Christian marriage for Torsten.

Appeal for practical Christian help:

Christian unmarried man who wants to marry a Christian woman is innocently excommunicated from the churches in Sweden, ousted from Swedish society, and currently without humane future in Sweden – because of Sweden’s heartless pastors and heretic priests, and due to Sweden’s satanic politicians and Sweden’s aggressively anti-Christian culture.

To pastors/priests of churches who might also be Christian,

Current:

Currently, I am in Alicante, Spain.

In Spain, so far, there are zero churches where I am welcome. Every single church in Alicante and its surrounding cities in Spain, which I have contacted several times previously, have rejected me by excommunication and banishment, explicitly or covertly. The pastors/priests/devils of the churches in Alicante persecute me as an innocent Christian. Essentially, all of the leaders of the churches behave like satan in their spiteful persecution.

Almost all pastors & priests of churches, everywhere, satanically persecute innocent Torsten. Previous churchianity incidents:

1. Hillsong church in London, United Kingdom, again evicted innocent Torsten from their Sunday so-called service in their rented premises at Dominion Theatre in central London. Hillsong London, of course, absolutely refused to provide a reason for their repeated evictions. The Hillsong churches in Australia have confirmed that Hillsong's supreme leader Brian Houston enforces a worldwide banishment against Torsten, and that Hillsong has a global anti-Torsten policy in place. Hillsect London has evicted Torsten on all three Sundays (2017-04-09, 2016-10-30, 2016-07-25) when Torsten visited the sect to obtain information about their global ban.: http://www.kyrkor.be/Hillsong-London-UK_eviction_2017-04-09.htm

29. Calvary Chapel Church in Cape Town, South Africa, explicitly excommunicated innocent Torsten. Calvary Chapel falsely accused Torsten to be unfit for church attendance, and insinuated that Torsten is dangerous to their church members in Cape Town. Calvary Chapel further asserted that while the issue of Torsten remaining banished by all the churches in New Zealand and consequently by the Government of New Zealand (<http://www.kyrkor.be/New-Zealand-Federal-Governments-satanic-church-lies.htm>), Torsten is also unfit to attend their Calvary Chapel in Cape Town: <http://www.kyrkor.be/Calvary-Chapel-Cape-Town-excommunication-161231.htm>
30. Holy Trinity Anglican Church Gardens in Cape Town, South Africa, explicitly banished innocent Torsten. Although Holy Trinity Church in Cape Town absolutely refused to answer any questions relating to their Anglican banishment against Torsten in Cape Town, Holy Trinity Church in Cape Town did allude that the banishment by all the churches in New Zealand and consequently by the Government of New Zealand (<http://www.kyrkor.be/New-Zealand-Federal-Governments-satanic-church-lies.htm>) is the Anglican Church's reason for banishing, as their Anglican Rector Alan Noble declared "*The concerns these churches have raised about you along with the measures that various governments have taken against you are serious.*": <http://www.kyrkor.be/Holy-Trinity-Anglican-Church-Gardens-Cape-Town.htm>
31. St Peters Anglican Church Fish Hoek in Cape Town, South Africa, explicitly banished innocent Torsten. St Peters Church Fish Hoek alluded that their Anglican reason for banishing Torsten is that Torsten is banished by all the churches in New Zealand and consequently by the Government of New Zealand (<http://www.kyrkor.be/New-Zealand-Federal-Governments-satanic-church-lies.htm>): <http://www.kyrkor.be/St-Peters-Anglican-Church-Fish-Hoek-Cape-Town.htm>
32. Hope City Presbyterian Church in Cape Town, South Africa, explicitly banished innocent Torsten and absolutely refused to factually justify their banishing statement "*Do not attempt to contact us anymore or attend our services.*" The banishing Presbyterian pastor admitted that he slanderously participates in a network of slandering pastors in Cape Town, who slander against innocent Torsten. Hope City Presbyterian Church in Cape Town is also part of the notoriously slandering and evil Redeemer City to City network of churches lead by Timothy Keller in NYC, who has excommunicated innocent Torsten.: <http://www.kyrkor.be/Hope-City-Presbyterian-Church-Cape-Town.htm>

Recent Swedishness incidents:

- **Satanic Sweden confirms that public reading of the Bible is a hate speech crime, according to the Swedish Police.**

Torsten asked the Swedish Police Criminal Investigators: "Have the police seen that the words [in the written speech] identically correlate to underlined **words from the Bible** verses [beneath], so they are not invented words from me, but they are words that come directly from the Bible translations." The Swedish Police Criminal Investigators replied: "Right." Torsten repeated his inquiry to the Swedish Police Criminal Investigators: "Have you noted that connection?" The Swedish Police Criminal Investigators replied: "**Yes**. And you already have [made] that [point] while the police were in place [onsite at the plaza], so I know you talked about that there too, that these are words from the Bible, not my words and so on. But in regards to hate speech, **it does not matter who has written the words, or who is the source of them**, but it's about spreading them. And the spreading [of these words] is what you have stood for in this case, is the suspicion."

http://www.nenzen.net/Biblical_perspective_on_homosexuality.pdf

- On Monday Sept. 12, 2016, Sweden declared intent to pursue criminal investigation against Torsten for hate speech. Swedish Police interfered and prohibited Torsten from publicly reading verses from the Bible. The speech titled 'The essential Biblical perspective on human homosexuality' is entirely Bible based. The Swedish Police stopped Torsten's modestly presented tone of Biblical speech. The police asserted that Sweden equates public readings from the Bible with public readings from Adolph Hitler's 'Mein Kampf'. To the Swedish Police (and possibly also to the Swedish prosecutors), the Judeo-Christian Bible, which is God's Holy Word, is equally as hateful as the words of Adolph Hitler. In Sweden, God and Adolph Hitler are equally hateful. An audio recording of Torsten's written speech and of the Swedish Police interference exists.
Speech written: http://www.nenzen.net/Biblical_perspective_on_homosexuality.pdf
Speech recorded: http://www.nenzen.net/Swedish_Police_interference_of_religious_freedom_160912.mp3
Swedish Police statements to Torsten on Sept. 12, 2016:
 - "Do you know who Hitler was? You know he has written a book; Mein Kampf. But if anyone would stand and read it, it doesn't matter if it is in a book. It is still hate speech. **It does not matter if it is in the Bible.**"
 - "When you speak about homosexuality as something patronizing or wrong, then we have a problem."
 - "You are suspected of crimes that you are required to not do."
 - "I have seen that it is hate speech."
 - "What is going to happen is that a police report will be prepared and you will be called for questioning."
- In Sweden's continued pursuit of criminal investigation against Torsten for hate speech crime (http://www.nenzen.net/Biblical_perspective_on_homosexuality.pdf), Torsten sought a credible defence lawyer in Sweden but found none. None of the international so-called "Christian" legal organizations that focus on similar legal cases of fundamental human rights, wanted to advise a name of a defence lawyer to Torsten. It appears that the "Christian" legal organizations might have chosen to prioritize an allegiance to churchianity, through their unwillingness to suggest a name of a credible defence lawyer to the globally banished/persecuted Torsten. Alliance Defending Freedom (ADF) in USA (http://www.nenzen.net/ADF_communications.pdf) did not want to suggest a name of any lawyer, suspiciously due to an alliance with churchianity. Observatory on Intolerance and Discrimination against Christians in Europe (OIDACEurope), likewise, did not even want to communicate at all with Torsten, suspiciously due to discrimination against Torsten (http://www.nenzen.net/OIDACEurope_communications.pdf). As it appears today, Torsten will be unable to consult a credible defence lawyer of choice, and therefore, Torsten might have to try and legally defend himself alone during the Swedish police questioning, and during subsequent Swedish law court proceedings.
- The Swedish neo-Nazis publicly demonstrate their hateful anti-Semitic propaganda with public neo-Nazi marches, with distribution of neo-Nazi flyers, and with neo-Nazi stickers, in the cities and villages of Sweden. The Swedish government protect the Swedish neo-Nazi hateful propaganda public marches as legal expressions of democracy and free speech rights. The Swedish government financially supports palestinian terror against the Jewish State of Israel, and Swedish parliamentarians glorify palestinian terrorists. But, the same Swedish government vehemently forbid public speech readings of Bible verses or Biblical summaries about the practice of homosexuality. Because I have publicly spoken verses from the Judeo-Christian Bible about the practice of homosexuality, Sweden is continuing to investigate me as a suspect of hate speech crime with a possible jail sentence. In Sweden, the universal and democratic right to free speech only applies to politically correct speech – not to Biblical speech. In Sweden, a Bible-believing Christian who dares to publicly speak according to Scriptures is sought as a criminal, while Swedish government parliamentarian haters of peaceful Israel glorify anti-Israel terrorist and support anti-Israel terror.

- A typically satanic "Pentecostal" church in Sweden evicted Torsten from their churchy location and telephoned the Swedish national police with false accusations against Torsten of harassment and disturbance of peace. The evil sect Hillsong Stockholm in Sweden follows orders from Australia's evil sect leader Brian Houston, and imitate him. As always, when Torsten repeatedly inquires to the HillSect churches why their "church" has a globally confirmed anti-Torsten policy in effect with a global banishment, HillSect absolutely refuses to answer: http://www.kyrkor.be/Hillsong-Stockholm_Andreas-Nielsen_Sweden.htm

If there exists an English-speaking Christian church anywhere on earth that truly welcomes a real Christian, who is absolutely innocent in relation to the sinful and satanic evictions/excommunications by the other churches on earth, then please do communicate yourself to me.

If there exists an employee of any church who might actually be a Christian, then please do pray that God will protect me from the satanic pastors of the churches, who are all hellbent on obstructing Torsten from speaking with any woman. Satan's pastors/priests of the churches are obsessed to prevent Torsten from Christian marriage.

If there exists an employee of any church who might actually be a Christian, then please pray that God will send to me a young Christian woman (maybe from Canada or USA) of His choice for marriage.

193. One hundred ninety-third International Plea

Date: Wed, 31 May 2017 18:12

Subject: Satanic Sweden criminalizes public reading from the Bible.

Appeal for practical Christian help:

Christian unmarried man who wants to marry a Christian woman is innocently excommunicated from the churches in Sweden, ousted from Swedish society, and currently without humane future in Sweden – because of Sweden's heartless pastors and heretic priests, and due to Sweden's satanic politicians and Sweden's aggressively anti-Christian culture.

To pastors/priests of churches who might also be Christian,

...

Current:

Currently, I am in satanic Sweden.

Almost all pastors & priests of churches, everywhere, satanically persecute innocent Torsten. If any so-called "pastor" who receives and reads this letter somewhere on earth would actually be a Christian, then please pray that God will send to Torsten wherever Torsten is, from somewhere on earth, a young woman of God's election for marriage. And please pray also, that the devilish pastors of the majority of churches everywhere will cease to do evil against Torsten through their lying, slandering, banishing, evicting, and intentionally obstructing God's will. These evils are precisely what the vast majority of pastors of churches all across the globe, where Torsten has contacted, have done against Torsten previously.

Torsten remains stuck in life, because of the utter evils committed by nearly all pastors and priests of churches everywhere; who fabricate lies, slander, gossip, cyber-bully, obstruct, banish, excommunicate, evict, physically assault and persecute. In reality, the vast majority of churches serve satan through their malice and evil. The vast majority of pastors of churches, everywhere, have demonically sought to prevent Torsten from marrying a Christian woman. The vast majority of pastors of churches, everywhere, hate facts, evidence and truth.

New churchianity incidents:

- **Satanic Sweden confirms that public reading of the Bible is a hate speech crime, according to the Swedish Police.**
Torsten asked the Swedish Police Criminal Investigators: "Have the police seen that the words [in the written speech] identically correlate to underlined **words from the Bible** verses [beneath], so they are not invented words from me, but they are words that come directly from the Bible translations." The Swedish Police Criminal Investigators replied: "Right." Torsten repeated his inquiry to the Swedish Police Criminal Investigators: "Have you noted that connection?" The Swedish Police Criminal Investigators replied: "**Yes. And you already have [made] that [point] while the police were in place [onsite at the plaza], so I know you talked about that there too, that these are words from the Bible, not my words and so on. But in regards to hate speech, it does not matter who has written the words, or who is the source of them, but it's about spreading them. And the spreading [of these words] is what you have stood for in this case, is the suspicion.**"
http://www.nenzen.net/Biblical_perspective_on_homosexuality.pdf
- As a typical Anglican devil-priest anywhere, Rev. June C. Major (jmajor@telkomsa.net) of the Anglican Church of Southern Africa (<https://anglicanchurchsa.org>), responded to my previous prayer-report appeal with the following statement "**Jesus was a Palestinian.** Please remove me from your mailing list. Rev. June C. Major". In reply to the Anglican Church, Torsten informed the following "The divine person 'Jesus' (Yeshua) Christ (HaMashiach) is Jewish. Jewish Jesus Christ was incarnated, by Jewish virgin mother, from God the Father (the God of Israel). Jewish Jesus Christ was born into Roman-occupied Jewish Judea (Kingdom of Judah); territory which was part of ancient united Kingdom of Israel. Today, this historical Jewish land, promised by God of the Universe to the descendants of Abraham, Isaac and Jacob, is the modern Jewish State of Israel. Some territories of this ancient and modern Jewish State of Israel are currently occupied by some history-revisionist and hostile Arabs."

Recent churchianity incidents:

- Hillsong church in London, United Kingdom, again **evicted** innocent Torsten from their Sunday so-called service in their rented premises at Dominion Theatre in central London. Hillsong London, of course, absolutely refused to provide a reason for their repeated evictions. The Hillsong churches in Australia have confirmed that Hillsong's supreme leader Brian Houston enforces a worldwide banishment against Torsten, and that Hillsong has a global anti-Torsten policy in place. Hillsect London has evicted Torsten on all three Sundays (2017-04-09, 2016-10-30, 2016-07-25) when Torsten visited the sect to obtain information about their global ban.: http://www.kyrkor.be/Hillsong-London-UK_eviction_2017-04-09.htm
- In response to Torsten's previous public appeal-report letter, a typical pastordevil of the Anglican clergy in Australia, falsely accused Torsten with insults of psychiatric disease, and threatened to report Torsten to

police, although Torsten is an absolutely innocent victim of church-pastors' fabricated lies, abuses and unabated global persecution: <http://www.kyrkor.be/typically-satanic-Anglican-pastordevil-in-Australia.htm>

26. The director for the USA prayer ministry 'Houses of Prayer' which networks within the 'United States National Prayer Council', declared an apparent disinterest to pray for Torsten. When Torsten inquired why this USA prayer director did not want to pray, the director would not answer.: <http://www.kyrkor.be/IHOP-of-United-States-National-Prayer-Council.htm>
27. Jubilee Church in Cape Town, South Africa, implicitly excommunicated innocent Torsten from fellowship, refused to welcome Torsten, and absolutely refused to justify their implied excommunication "Jubilee is not the church for you.": <http://www.kyrkor.be/Jubilee-Church-Cape-Town.htm>
28. Calvary Chapel Church in Cape Town, South Africa, explicitly excommunicated innocent Torsten. Calvary Chapel falsely accused Torsten to be unfit for church attendance, and insinuated that Torsten is dangerous to their church members in Cape Town. Calvary Chapel further asserted that while the issue of Torsten remaining banished by all the churches in New Zealand and consequently by the Government of New Zealand (<http://www.kyrkor.be/New-Zealand-Federal-Governments-satanic-church-lies.htm>), Torsten is also unfit to attend their Calvary Chapel in Cape Town: <http://www.kyrkor.be/Calvary-Chapel-Cape-Town-excommunication-161231.htm>
29. Holy Trinity Anglican Church Gardens in Cape Town, South Africa, explicitly banished innocent Torsten. Although Holy Trinity Church in Cape Town absolutely refused to answer any questions relating to their Anglican banishment against Torsten in Cape Town, Holy Trinity Church in Cape Town did allude that the

- banishment by all the churches in New Zealand and consequently by the Government of New Zealand (<http://www.kyrkor.be/New-Zealand-Federal-Governments-satanic-church-lies.htm>) is the Anglican Church's reason for banishing, as their Anglican Rector Alan Noble declared "The concerns these churches have raised about you along with the measures that various governments have taken against you are serious."": <http://www.kyrkor.be/Holy-Trinity-Anglican-Church-Gardens-Cape-Town.htm>
30. St Peters Anglican Church Fish Hoek in Cape Town, South Africa, explicitly banished innocent Torsten. St Peters Church Fish Hoek alluded that their Anglican reason for banishing Torsten is that Torsten is banished by all the churches in New Zealand and consequently by the Government of New Zealand (<http://www.kyrkor.be/New-Zealand-Federal-Governments-satanic-church-lies.htm>): <http://www.kyrkor.be/St-Peters-Anglican-Church-Fish-Hoek-Cape-Town.htm>
 31. Hope City Presbyterian Church in Cape Town, South Africa, explicitly banished innocent Torsten and absolutely refused to factually justify their banishing statement "Do not attempt to contact us anymore or attend our services." The banishing Presbyterian pastor admitted that he slanderously participates in a network of slandering pastors in Cape Town, who slander against innocent Torsten. Hope City Presbyterian Church in Cape Town is also part of the notoriously slandering and evil Redeemer City to City network of churches lead by Timothy Keller in NYC, who has excommunicated innocent Torsten.: <http://www.kyrkor.be/Hope-City-Presbyterian-Church-Cape-Town.htm>

 48. St Stephens Bible Church in Cape Town, South Africa, falsely insinuated that Torsten's search for marriage is an idol, and insinuated that innocent Torsten is a fool: <http://www.kyrkor.be/St-Stephens-Anglican-Bible-Church-Cape-Town.htm>

Recent Swedishness incidents:

- On Monday Sept. 12, 2016, Sweden declared intent to pursue criminal investigation against Torsten for hate speech. Swedish Police interfered and prohibited Torsten from publicly reading verses from the Bible. The speech titled 'The essential Biblical perspective on human homosexuality' is entirely Bible based. The Swedish Police stopped Torsten's modestly presented tone of Biblical speech. The police asserted that Sweden equates public readings from the Bible with public readings from Adolph Hitler's 'Mein Kampf'. To the Swedish Police (and possibly also to the Swedish prosecutors), the Judeo-Christian Bible, which is God's Holy Word, is equally as hateful as the words of Adolph Hitler. In Sweden, God and Adolph Hitler are equally hateful. An audio recording of Torsten's written speech and of the Swedish Police interference exists.
Speech written: http://www.nenzen.net/Biblical_perspective_on_homosexuality.pdf
Speech recorded: http://www.nenzen.net/Swedish_Police_interference_of_religious_freedom_160912.mp3
Swedish Police statements to Torsten on Sept. 12, 2016:
 - "Do you know who Hitler was? You know he has written a book; Mein Kampf. But if anyone would stand and read it, it doesn't matter if it is in a book. It is still hate speech. **It does not matter if it is in the Bible.**"
 - "When you speak about homosexuality as something patronizing or wrong, then we have a problem."
 - "You are suspected of crimes that you are required to not do."
 - "I have seen that it is hate speech."
 - "What is going to happen is that a police report will be prepared and you will be called for questioning."
- In Sweden's continued pursuit of criminal investigation against Torsten for hate speech crime (http://www.nenzen.net/Biblical_perspective_on_homosexuality.pdf), Torsten sought a credible defence lawyer in Sweden but found none. None of the international so-called "Christian" legal organizations that focus on similar legal cases of

fundamental human rights, wanted to advise a name of a defence lawyer to Torsten. It appears that the "Christian" legal organizations might have chosen to prioritize an allegiance to churchianity, through their unwillingness to suggest a name of a credible defence lawyer to the globally banished/persecuted Torsten. Alliance Defending Freedom (ADF) in USA (http://www.nenzen.net/ADF_communications.pdf) did not want to suggest a name of any lawyer, suspiciously due to an alliance with churchianity. Observatory on Intolerance and Discrimination against Christians in Europe (OIDACEurope), likewise, did not even want to communicate at all with Torsten, suspiciously due to discrimination against Torsten (http://www.nenzen.net/OIDACEurope_communications.pdf). As it appears today, Torsten will be unable to consult a credible defence lawyer of choice, and therefore, Torsten might have to try and legally defend himself alone during the Swedish police questioning, and during subsequent Swedish law court proceedings.

- The Swedish neo-Nazis publicly demonstrate their hateful anti-Semitic propaganda with public neo-Nazi marches, with distribution of neo-Nazi flyers, and with neo-Nazi stickers, in the cities and villages of Sweden. The Swedish government protect the Swedish neo-Nazi hateful propaganda public marches as legal expressions of democracy and free speech rights. The Swedish government financially supports palestinian terror against the Jewish State of Israel, and Swedish parliamentarians glorify palestinian terrorists. But, the same Swedish government vehemently forbid public speech readings of Bible verses or Biblical summaries about the practice of homosexuality. Because I have publicly spoken verses from the Judeo-Christian Bible about the practice of homosexuality, Sweden is continuing to investigate me as a suspect of hate speech crime with a possible jail sentence. In Sweden, the universal and democratic right to free speech only applies to politically correct speech – not to Biblical speech. In Sweden, a Bible-believing Christian who dares to publicly speak according to Scriptures is sought as a criminal, while Swedish government parliamentary haters of peaceful Israel glorify anti-Israel terrorist and support anti-Israel terror.

It appears that the "Christian" legal organizations might have chosen to prioritize an allegiance to churchianity, through their unwillingness to suggest a name of a credible defence lawyer to the globally banished/persecuted Torsten. Alliance Defending Freedom (ADF) in USA (http://www.nenzen.net/ADF_communications.pdf) did not want to suggest a name of any lawyer, suspiciously due to an alliance with churchianity. Observatory on Intolerance and Discrimination against Christians in Europe (OIDACEurope), likewise, did not even want to communicate at all with Torsten, suspiciously due to discrimination against Torsten (http://www.nenzen.net/OIDACEurope_communications.pdf). As it appears today, Torsten will be unable to consult a credible defence lawyer of choice, and therefore, Torsten might have to try and legally defend himself alone during the Swedish police questioning, and during subsequent Swedish law court proceedings.

28. Calvary Chapel Church in Cape Town, South Africa, explicitly excommunicated innocent Torsten. Calvary Chapel falsely accused Torsten to be unfit for church attendance, and insinuated that Torsten is dangerous to their church members in Cape Town. Calvary Chapel further asserted that while the issue of Torsten remaining banished by all the churches in New Zealand and consequently by the Government of New Zealand (<http://www.kyrkor.be/New-Zealand-Federal-Governments-satanic-church-lies.htm>), Torsten is also unfit to attend their Calvary Chapel in Cape Town: <http://www.kyrkor.be/Calvary-Chapel-Cape-Town-excommunication-161231.htm>
29. Holy Trinity Anglican Church Gardens in Cape Town, South Africa, explicitly banished innocent Torsten. 30. St Peters Anglican Church Fish Hoek in Cape Town, South Africa, explicitly banished innocent Torsten. St Peters Church Fish Hoek alluded that their Anglican reason for banishing Torsten is that Torsten is banished by all the churches in New Zealand and consequently by the Government of New Zealand (<http://www.kyrkor.be/New-Zealand-Federal-Governments-satanic-church-lies.htm>): http://www.kyrkor.be/St-Peters-Anglican-Church-Fish-Hoek_Cape-Town.htm
31. Hope City Presbyterian Church in Cape Town, South Africa, explicitly banished innocent Torsten and absolutely refused to factually justify their banishing statement "Do not attempt to contact us anymore or attend our services." The banishing Presbyterian pastor admitted that he slanderously participates in a network of slandering pastors in Cape Town, who slander against innocent Torsten. Hope City Presbyterian Church in Cape Town is also part of the notoriously slandering and evil Redeemer City to City network of churches lead by Timothy Keller in NYC, who has excommunicated innocent Torsten.: <http://www.kyrkor.be/Hope-City-Presbyterian-Church-Cape-Town.htm>

Recent Swedishness incidents:

- On Monday Sept. 12, 2016, Sweden declared intent to pursue criminal investigation against Torsten for hate speech. Swedish Police interfered and prohibited Torsten from publicly reading verses from the Bible. The speech titled 'The essential Biblical perspective on human homosexuality' is entirely Bible based. The Swedish Police stopped Torsten's modestly presented tone of Biblical speech. The police asserted that Sweden equates public readings from the Bible with public readings from Adolph Hitler's 'Mein Kampf'. To the Swedish Police (and possibly also to the Swedish prosecutors), the Judeo-Christian Bible, which is God's Holy Word, is equally as hateful as the words of Adolph Hitler. In Sweden, God and Adolph Hitler are equally hateful. An audio recording of Torsten's written speech and of the Swedish Police interference exists.
Speech written: http://www.nenzen.net/Biblical_perspective_on_homosexuality.pdf
Speech recorded: http://www.nenzen.net/Swedish_Police_interference_of_religious_freedom_160912.mp3
Swedish Police statements to Torsten on Sept. 12, 2016:
 - "Do you know who Hitler was? You know he has written a book; Mein Kampf. But if anyone would stand and read it, it doesn't matter if it is in a book. It is still hate speech. **It does not matter if it is in the Bible.**"
 - "When you speak about homosexuality as something patronizing or wrong, then we have a problem."
 - "You are suspected of crimes that you are required to not do."
 - "I have seen that it is hate speech."
 - "What is going to happen is that a police report will be prepared and you will be called for questioning."
- A typically satanic "Pentecostal" church in Sweden evicted Torsten from their churchy location and telephoned the Swedish national police with false accusations against Torsten of harassment and disturbance of peace. The evil sect Hillsong Stockholm in Sweden follows orders from Australia's evil sect leader Brian Houston, and imitate him. As always, when Torsten repeatedly inquires to the HillSect churches why their "church" has a globally confirmed anti-Torsten policy in effect with a global banishment, HillSect absolutely refuses to answer: http://www.kyrkor.be/Hillsong-Stockholm_Andreas-Nielsen_Sweden.htm

The pastors/priests of churches, everywhere, destroy Torsten's life. Nearly all pastors/priests of churches, everywhere, are in reality hostile to truth, love and justice. Like satan, pastors/priests of churches never repent from their evils and persecution against innocent Torsten. When Torsten asks satan's pastors/priests of churches on what fact the pastors accuse, slander, gossip, assault, evict, banish and excommunicate, none have a reality-based or Biblical reason. Pastors/priests of churches hate facts, hate evidence, hate truth, hate justice, and hate love.

No profession on earth seems more oppositional to Biblical Christian marriage and more hostile to authentic Christians seeking Biblical marriage, than the hostile & hateful pastors/priests of churches.

No pastor/priest on earth knows Torsten. No Christian on earth knows Torsten. And without any reality-based reason, virtually all church-leaders lie, slander, gossip, excommunicate, assault and evict Torsten. This persecution by clergy of nearly all churches never stops, because satan never stops.

Churchianity is like a pestilence to societies everywhere.

The Federal Government of New Zealand which interrogated, arrested, imprisoned and deported the absolutely innocent person Torsten on Feb.14, 2015, based on invented lies by New Zealand's satanic pastors of churches, are still refusing to fully answer Torsten's inquiries regarding the Federal Government of New Zealand false accusations. The false charges by the Federal Government of New Zealand against the absolutely innocent Christian Torsten is based on utter lies – satanically contrived by the churches of New Zealand; lies which were maliciously fabricated, publicly disseminated (cyber bullying), and officially reported to New Zealand Police - by the lying pastors of the churches of New Zealand. Among the many public lies invented by New Zealand's satanic pastors of churches, one churchianity-lie was also officially accused against the innocent Christian Torsten by the Federal Government of New Zealand: **"threatening attendees and being generally disruptive"**.: <http://www.kyrkor.be/New-Zealand-Federal-Governments-satanic-church-lies.htm>

In the cities of Australia and satanic New Zealand, their evil pastors of churches participate in pastoral membership-clubs for lying, defaming, slandering, and persecuting against innocent Christians. One example is the Cairns Christian Ministers Network (CCMN), which is designated as the original source and platform for lies, slander, defamation and persecution against the banished Christian person Torsten in Cairns. Torsten is absolutely innocent in relation to all excommunications, banishments and evictions by all churches in Cairns and globally. A typically satanic Australian pastor, Adem Xhafer, who also is the president of the secretive fraternal membership-club CCMN, absolutely refused to communicate, explain or attempt to justify the lies, slander and defamation by his pastoral club CCMN against innocent Torsten: http://www.kyrkor.be/Cairns_Christian_Ministers_Network_CCMN_Adem-Xhafer.htm

A summary of satan's evil pastors of churches in Cairns, Australia: <http://www.kyrkor.be/Devilish-Churches-in-Cairns-Australia.htm>

Australia's and New Zealand's satanic pastors of churches did everything in their evil capacity to destroy the Christian person Torsten. Satan's Australian and New Zealand pastors/priests of churches evicted/excommunicated Torsten in every major city, although Torsten is absolutely innocent in relation to all the lies invented by satan's Australian/New Zealand pastors of churches. None of Australia's or New Zealand's satanic pastors of churches repented from their sinful evictions/excommunications and their malicious lies against Torsten.

As empirical laws of reality: wherever there are professional pastors/priests governing churches, satan rules – through the pastors/priests. And wherever governments are allied with pastors of churches, government corruption is worsened.

If there exists an English-speaking Christian church anywhere on earth that truly welcomes a real Christian, who is absolutely innocent in relation to the sinful evictions/excommunications by the other churches on earth, then please do communicate yourself to me.

If there exists an employee of any church who might also be a Christian, then please do pray that God will protect me from the satanic pastors of churches.

If there exists an employee of any church who might also be a Christian, then please pray that God will send to me a young Christian woman (maybe from Canada or USA) of His choice for marriage.

191. One hundred ninety-first International Plea

Date: Sun, 30 Apr 2017 21:46

Subject: Pastors of churches worldwide persecute and prevent community, against an innocent Christian man who needs Christian marriage.

Appeal for practical Christian help:

Christian unmarried man who wants to marry a Christian woman is innocently excommunicated from the churches in Sweden, ousted from Swedish society, and currently without humane future in Sweden – because of Sweden's heartless pastors and heretic priests, and due to Sweden's satanic politicians and Sweden's aggressively anti-Christian culture.

To pastors/priests of churches who might also be Christian,

...

Current:

Currently, I am in Alicante, Spain.

In Alicante, Spain, and its neighbouring towns, there is not a single church anywhere that welcomes Torsten to fellowship.

Almost all pastors & priests of churches, everywhere, satanically persecute innocent Torsten. If any so-called "pastor" who receives and reads this letter somewhere on earth would actually be a Christian, then please pray that God will send to Torsten wherever Torsten is, from somewhere on earth, a young woman of God's election for marriage. And please pray also, that the devilish pastors of the majority of churches everywhere will cease to do evil against Torsten through their lying, slander, banishing, evicting, and intentionally obstructing God's will. These evils are precisely what the vast majority of pastors of churches all across the globe, where Torsten has contacted, have done against Torsten previously.

Torsten remains stuck in life, because of the utter evils committed by nearly all pastors and priests of churches everywhere; who fabricate lies, slander, gossip, cyber-bully, obstruct, banish, excommunicate, evict, physically assault and persecute. In reality, the vast majority of churches serve Satan through their malice and evil. The vast majority of pastors of churches, everywhere, have demonically sought to prevent Torsten from marrying a Christian woman. The vast majority of pastors of churches, everywhere, hate facts, evidence and truth.

New churchianity incidents:

- In Sweden's continued pursuit of criminal investigation against Torsten for hate speech crime (http://www.nenzen.net/Biblical_perspective_on_homosexuality.pdf), Torsten sought a credible defence lawyer in Sweden but found none. None of the international so-called "Christian" legal organizations that focus on similar legal cases of fundamental human rights, wanted to advise a name of a defence lawyer to Torsten. It appears that the "Christian" legal organizations might have chosen to prioritize an allegiance to churchianity, through their unwillingness to suggest a name of a credible defence lawyer to the globally banished/persecuted Torsten. Alliance Defending Freedom (ADF) in USA (http://www.nenzen.net/ADF_communications.pdf) did not want to suggest a name of any lawyer, suspiciously due to an alliance with churchianity. Observatory on Intolerance and Discrimination against Christians in Europe (OIDACEurope), likewise, did not even want to communicate at all with Torsten, suspiciously due to discrimination against Torsten (http://www.nenzen.net/OIDACEurope_communications.pdf). As it appears today, Torsten will be unable to consult a credible defence lawyer of choice, and therefore, Torsten might have to try and legally defend himself alone during the Swedish police questioning, and during subsequent Swedish law court proceedings.

Recent churchianity incidents:

- Hillsong church in London, United Kingdom, again evicted innocent Torsten from their Sunday so-called service in their rented premises at Dominion Theatre in central London. Hillsong London, of course, absolutely refused to provide a reason for their repeated evictions. The Hillsong churches in Australia have confirmed that Hillsong's supreme leader Brian Houston enforces a worldwide banishment against Torsten, and that Hillsong has a global anti-Torsten policy in place. Hillsect London has evicted Torsten on all three Sundays (2017-04-09, 2016-10-30, 2016-07-25) when Torsten visited the sect to obtain information about their global ban.: http://www.kyrkor.be/Hillsong-London-UK_eviction_2017-04-09.htm

Recent Swedishness incidents:

- On Monday Sept. 12, 2016, Sweden declared intent to pursue criminal investigation against Torsten for hate speech. Swedish Police interfered and prohibited Torsten from publicly reading verses from the Bible. The speech titled 'The essential Biblical perspective on human homosexuality' is entirely Bible based. The Swedish Police stopped Torsten's modestly presented tone of Biblical speech. The police asserted that Sweden equates public readings from the Bible with public readings from Adolph Hitler's 'Mein Kampf'. To the Swedish Police (and possibly also to the Swedish prosecutors), the Judeo-Christian Bible, which is God's Holy Word, is equally as hateful as the words of Adolph Hitler. In Sweden, God and Adolph Hitler are equally hateful. An audio recording of Torsten's written speech and of the Swedish Police interference exists.

Swedish Police statements to Torsten on Sept. 12, 2016:
 - "Do you know who Hitler was? You know he has written a book; Mein Kampf. But if anyone would stand and read it, it doesn't matter if it is in a book. It is still hate speech. **It does not matter if it is in the Bible.**"
 - "When you speak about homosexuality as something patronizing or wrong, then we have a problem."
 - "You are suspected of crimes that you are required to not do."
 - "I have seen that it is hate speech."
 - "What is going to happen is that a police report will be prepared and you will be called for questioning."
- A typically satanic "Pentecostal" church in Sweden evicted Torsten from their churchy location and telephoned the Swedish national police with false accusations against Torsten of harassment and disturbance of peace. The evil sect Hillsong Stockholm in Sweden follows orders from Australia's evil sect leader Brian Houston, and imitate him. As always, when Torsten repeatedly inquires to the HillSect churches why their "church" has a globally confirmed anti-Torsten policy in effect with a global banishment, HillSect absolutely refuses to answer: http://www.kyrkor.be/Hillsong-Stockholm_Andreas-Nielsen_Sweden.htm

The pastors/priests of churches, everywhere, destroy Torsten's life. Nearly all pastors/priests of churches, everywhere, are in reality hostile to truth, love and justice. Like satan, pastors/priests of churches never repent from their evils and persecution against innocent Torsten. When Torsten asks satan's pastors/priests of churches on what fact the pastors accuse, slander, gossip, assault, evict, banish and excommunicate, none have a reality-based or Biblical reason. Pastors/priests of churches hate facts, hate evidence, hate truth, hate justice, and hate love.

No profession on earth seems more oppositional to Biblical Christian marriage and more hostile to authentic Christians seeking Biblical marriage, than the hostile & hateful pastors/priests of churches.

No pastor/priest on earth knows Torsten. No Christian on earth knows Torsten. And without any reality-based reason, virtually all church-leaders lie, slander, gossip, excommunicate, assault and evict Torsten. This persecution by clergy of nearly all churches never stops, because satan never stops.

Churchianity is like a pestilence to societies everywhere.

The Federal Government of New Zealand which interrogated, arrested, imprisoned and deported the absolutely innocent person Torsten on Feb.14, 2015, based on invented lies by New Zealand's satanic pastors of churches, are still refusing to fully answer Torsten's inquiries regarding the Federal Government of New Zealand false accusations. The false charges by the Federal Government of New Zealand against the absolutely innocent Christian Torsten is based on utter lies – satanically contrived by the churches of New Zealand; lies which were maliciously fabricated, publicly disseminated (cyber bullying), and officially reported to New Zealand Police - by the lying pastors of the churches of New Zealand. Among the many public lies invented by New Zealand's satanic pastors of churches, one churchianity-lie was also officially accused against the innocent Christian Torsten by the Federal Government of New Zealand: **"threatening attendees and being generally disruptive"**: <http://www.kyrkor.be/New-Zealand-Federal-Governments-satanic-church-lies.htm>

In the cities of Australia and satanic New Zealand, their evil pastors of churches participate in pastoral membership-clubs for lying, defaming, slandering, and persecuting against innocent Christians. One example is the Cairns Christian Ministers Network (CCMN), which is designated as the original source and platform for lies, slander, defamation and persecution against the banished Christian person Torsten in Cairns. Torsten is absolutely

innocent in relation to all excommunications, banishments and evictions by all churches in Cairns and globally. A typically satanic Australian pastor, Adem Xhafer, who also is the president of the secretive fraternal membership-club CCMN, absolutely refused to communicate, explain or attempt to justify the lies, slander and defamation by his pastoral club CCMN against innocent Torsten: http://www.kyrkor.be/Cairns_Christian_Ministers_Network_CCMN_Adem-Xhafer.htm

A summary of satan's evil pastors of churches in Cairns, Australia: <http://www.kyrkor.be/Devilish-Churches-in-Cairns-Australia.htm>

Australia's and New Zealand's satanic pastors of churches did everything in their evil capacity to destroy the Christian person Torsten. Satan's Australian and New Zealand pastors/priests of churches evicted/excommunicated Torsten in every major city, although Torsten is absolutely innocent in relation to all the lies invented by satan's Australian/New Zealand pastors of churches. None of Australia's or New Zealand's satanic pastors of churches repented from their sinful evictions/excommunications and their malicious lies against Torsten.

As empirical laws of reality: wherever there are professional pastors/priests governing churches, satan rules – through the pastors/priests. And wherever governments are allied with pastors of churches, government corruption is worsened.

If there exists an English-speaking Christian church anywhere on earth that truly welcomes a real Christian, who is absolutely innocent in relation to the sinful evictions/excommunications by the other churches on earth, then please do communicate yourself to me.

If there exists an employee of any church who might also be a Christian, then please do pray that God will protect me from the satanic pastors of churches.

If there exists an employee of any church who might also be a Christian, then please pray that God will send to me a young Christian woman (maybe from Canada or USA) of His choice for marriage.

Subject: The British pastors and priests of churches in United Kingdom reject and persecute innocent Christian.

**Appeal for practical Christian help:
Christian unmarried man who wants to marry a Christian woman is innocently
excommunicated from the churches in Sweden, ousted from Swedish society, and
currently without humane future in Sweden – because of Sweden's heartless pastors

Current:

Currently, I am in Worcester, United Kingdom.

In all of London, UK, there is not a single church anywhere that welcomes Torsten to fellowship. Torsten is unwelcome by all churches in London, UK. Similarly, in Worcester, UK, there are zero churches where I am welcome. Every single church in Worcester, UK, which I have contacted many times previously, have rejected Torsten. I have previously exposed a couple of those typically satanic pastors & priests of the churches in Worcester. (<http://www.kyrkor.be/All-Saints-Church-Worcester-UK.htm>), (<http://www.kyrkor.be/Woodgreen-Evangelical-Church-Worcester-UK.htm>)

Nearly all pastors & priests of churches, everywhere, satanically persecute innocent Torsten. If any so-called "pastor" who receives and reads this letter somewhere on earth would actually be a Christian, then please pray that God will send to me wherever I am, from somewhere on earth, a young woman of God's election for marriage. And please pray also, that the devilish pastors of the majority of churches will cease to do evil against me by lying, slandering, banishing, evicting, and intentionally obstructing God's blessing and His good will, as that is precisely what the vast majority of pastors of churches all across the globe, where I have contacted, have done against me previously.

I remain stuck in life, because of the utter evils committed by nearly all pastors and priests of churches everywhere; who fabricate lies, slander, gossip, cyber-bully, obstruct, banish, excommunicate, evict, physically assault and persecute. In reality, the vast majority of churches serve satan through their malice and evil. The vast majority of pastors of churches, everywhere, have demonically sought to prevent Torsten from marrying a Christian woman. The vast majority of pastors of churches, everywhere, hate facts, evidence and truth.

The vast majority of pastors of churches in NYC are analogically a*holes: http://www.kyrkor.be/American_aholepastors_in_NYC.htm

New churchianity incidents:

- Hillsong church in London, United Kingdom, again evicted innocent Torsten from their Sunday so-called service in their rented premises at Dominion Theatre in central London. Hillsong London, of course, absolutely refused to provide a reason for their repeated evictions. The Hillsong churches in Australia have confirmed that Hillsong's supreme leader Brian Houston enforces a worldwide banishment against Torsten, and that Hillsong has a global anti-Torsten policy in place. Hillsong London has evicted Torsten on all three Sundays (2017-04-09, 2016-10-30, 2016-07-25) when Torsten visited the sect to obtain information about their global ban.: http://www.kyrkor.be/Hillsong-London-UK_eviction_2017-04-09.htm

2. Calvary Chapel Church in Cape Town, South Africa, explicitly excommunicated innocent Torsten. Currently, I am still in New York City, USA.

If any so-called “pastor” who receives and reads this letter would actually be a Christian, then please pray that God will send to me wherever I am, from somewhere on earth, a young woman of God’s election for marriage. And please pray also, that the pastors of the majority of churches will cease to do evil against me by lying, slandering, banishing, evicting, and intentionally obstructing God’s blessing and His good will, as that is precisely what the vast majority of pastors of churches all across the globe, where I have contacted, have done against me previously.

I remain stuck in life, because of the utter evils committed by nearly all pastors and priests of churches everywhere; who fabricate lies, slander, gossip, cyber-bully, obstruct, banish, excommunicate, evict, physically assault and persecute. In reality, the vast majority of churches serve satan through their malice and evil. The vast majority of pastors of churches, everywhere, have demonically sought to prevent Torsten from marrying a Christian woman. The vast majority of pastors of churches, everywhere, hate facts, evidence and truth.

In New York City, the majority of American pastors of churches are malicious and evil. A noticeable difference between the pastors in NYC and internationally, though, is that fewer pastors in New York City banish/excommunicate explicitly, but NYC pastors opt instead for a more sly and covert style of banishing. The effect is the same, though, regardless whether the banishment is explicit, implicit or covert. A minority of pastors of churches in NYC invited; superficially or actually.

This is my fourth stay in New York City, and NYC again confirms its hardness. As the famous saying goes: “Live in New York City once, but leave before it makes you hard. Live in Northern California once, but leave before it makes you soft.”

Previous churchianity incidents:

1. Hillsong Church in Cape Town, South Africa, covertly banished innocent Torsten consequent to Brian Houston's enforced anti-Torsten policy and his Hillsong Network global ban against Torsten: http://www.kyrkor.be/Hillsong-Cape-Town_South-Africa.htm
2. Jubilee Church in Cape Town, South Africa, implicitly excommunicated innocent Torsten from fellowship, refused to welcome Torsten, and absolutely refused to justify their implied excommunication "Jubilee is not the church for you.": <http://www.kyrkor.be/Jubilee-Church-Cape-Town.htm>
3. Calvary Chapel Church in Cape Town, South Africa, explicitly excommunicated innocent Torsten. Calvary Chapel falsely accused Torsten to be unfit for church attendance, and insinuated that Torsten is dangerous to their church members in Cape Town. Calvary Chapel further asserted that while the issue of Torsten remaining banished by all the churches in New Zealand and consequently by the Government of New Zealand (<http://www.kyrkor.be/New-Zealand-Federal-Governments-satanic-church-lies.htm>), Torsten is also unfit to attend their Calvary Chapel in Cape Town: <http://www.kyrkor.be/Calvary-Chapel-Cape-Town-excommunication-161231.htm>
4. Holy Trinity Anglican Church Gardens in Cape Town, South Africa, explicitly banished innocent Torsten. Although Holy Trinity Church in Cape Town absolutely refused to answer any questions relating to their Anglican banishment against Torsten in Cape Town, Holy Trinity Church in Cape Town did allude that the banishment by all the churches in New Zealand and consequently by the Government of New Zealand (<http://www.kyrkor.be/New-Zealand-Federal-Governments-satanic-church-lies.htm>) is the Anglican Church's reason for banishing, as their Anglican Rector Alan Noble declared "The concerns these churches have raised about you along with the measures that various governments have taken against you are serious.": http://www.kyrkor.be/Holy-Trinity-Anglican-Church-Gardens_Cape-Town.htm
5. St Peters Anglican Church Fish Hoek in Cape Town, South Africa, explicitly banished innocent Torsten. St Peters Church Fish Hoek alluded that their Anglican reason for banishing Torsten is that Torsten is banished by all the churches in New Zealand and consequently by the Government of New Zealand (<http://www.kyrkor.be/New-Zealand-Federal-Governments-satanic-church-lies.htm>): http://www.kyrkor.be/St-Peters-Anglican-Church-Fish-Hoek_Cape-Town.htm
6. Hope City Presbyterian Church in Cape Town, South Africa, explicitly banished innocent Torsten and absolutely refused to factually justify their banishing statement "Do not attempt to contact us anymore or attend our services." The banishing Presbyterian pastor admitted that he slanderously participates in a network of slandering pastors in Cape Town, who slander against innocent Torsten. Hope City Presbyterian Church in Cape Town is also part of the notoriously slandering and evil Redeemer City to City network of churches lead by Timothy Keller in NYC, who has excommunicated innocent Torsten.: <http://www.kyrkor.be/Hope-City-Presbyterian-Church-Cape-Town.htm>

Recent Swedishness incidents:

- On Monday Sept. 12, 2016, Sweden declared intent to pursue criminal investigation against Torsten for hate speech. Swedish Police interfered and prohibited Torsten from publicly reading verses from the Bible. The speech titled 'The essential Biblical perspective on human homosexuality' is entirely Bible based. The Swedish Police stopped Torsten's modestly presented tone of Biblical speech. The police asserted that Sweden equates public readings from the Bible with public readings from Adolph Hitler's 'Mein Kampf'. To the Swedish Police (and possibly also to the Swedish prosecutors), the Judeo-Christian Bible, which is God's Holy Word, is equally as hateful as the words of Adolph Hitler. In Sweden, God and Adolph Hitler are equally hateful. An audio recording of Torsten's written speech and of the Swedish Police interference exists.

Swedish Police statements to Torsten on Sept. 12, 2016:
 - "Do you know who Hitler was? You know he has written a book; Mein Kampf. But if anyone would stand and read it, it doesn't matter if it is in a book. It is still hate speech. **It does not matter if it is in the Bible.**"
 - "When you speak about homosexuality as something patronizing or wrong, then we have a problem."
 - "You are suspected of crimes that you are required to not do."
 - "I have seen that it is hate speech."
 - "What is going to happen is that a police report will be prepared and you will be called for questioning."
- The Swedish Healthcare system has now obstructed Torsten from listing with, and visiting, a medical practitioner of choice within Sweden for more than two years (since October 2014). The Swedish Government passively approves Swedish doctors' unjustifiable deselection/discrimination against some patients, and passively approves Swedish doctors' refusal to provide health care to some of their listed patients: <http://www.nenzen.net/Swedish-Government-passively-approves-doctoral-discrimination-against-patients.htm>
- A typically satanic "Pentecostal" church in Sweden evicted Torsten from their churchy location and telephoned the Swedish national police with false accusations against Torsten of harassment and disturbance of peace. The evil sect Hillsong Stockholm in Sweden follows orders from Australia's evil sect leader Brian Houston, and imitate him. As always, when Torsten repeatedly inquires to the HillSect churches why their "church" has a globally confirmed anti-Torsten policy in effect with a global banishment, HillSect absolutely refuses to answer: http://www.kyrkor.be/Hillsong-Stockholm_Andreas-Nielsen_Sweden.htm

The pastors/priests of churches, everywhere, destroy Torsten's life. Nearly all pastors/priests of churches, everywhere, are in reality hostile to truth, love and justice. Like satan, pastors/priests of churches never repent from their evils and persecution against innocent Torsten. When Torsten asks satan's pastors/priests of churches on what fact the pastors accuse, slander, gossip, assault, evict, banish and excommunicate, none have a reality-based or Biblical reason. Pastors/priests of churches hate facts, hate evidence, hate truth, hate justice, and hate love.

No profession on earth seems more oppositional to Biblical Christian marriage and more hostile to authentic Christians seeking Biblical marriage, than the hostile & hateful pastors/priests of churches.

No pastor/priest on earth knows Torsten. No Christian on earth knows Torsten. And without any reality-based reason, virtually all church-leaders lie, slander, gossip, excommunicate, assault and evict Torsten. This persecution by clergy of nearly all churches never stops, because satan never stops.

Churchianity is like a pestilence to societies everywhere.

The Federal Government of New Zealand which interrogated, arrested, imprisoned and deported the absolutely innocent person Torsten on Feb.14, 2015, based on invented lies by New Zealand's satanic pastors of churches, are still refusing to fully answer Torsten's inquiries regarding the Federal Government of New Zealand false accusations. The false charges by the Federal Government of New Zealand against the absolutely innocent Christian Torsten is based on utter lies – satanically contrived by the churches of New Zealand; lies which were maliciously fabricated, publicly disseminated (cyber bullying), and officially reported to New Zealand Police - by the lying pastors of the churches of New Zealand. Among the many public lies invented by New Zealand's satanic pastors of churches, one churchianity-lie was also officially accused against the innocent Christian Torsten by the Federal Government of New Zealand: **"threatening attendees and being generally disruptive"**.: <http://www.kyrkor.be/New-Zealand-Federal-Governments-satanic-church-lies.htm>

In the cities of Australia and satanic New Zealand, their evil pastors of churches participate in pastoral membership-clubs for lying, defaming, slandering, and persecuting against innocent Christians. One example is the Cairns Christian Ministers Network (CCMN), which is designated as the original source and platform for lies, slander, defamation and persecution against the banished Christian person Torsten in Cairns. Torsten is absolutely innocent in relation to all excommunications, banishments and evictions by all churches in Cairns and globally. A typically satanic Australian pastor, Adem Xhafer, who also is the president of the secretive fraternal membership-club CCMN, absolutely refused to communicate, explain or attempt to justify the lies, slander and defamation by his pastoral club CCMN against innocent Torsten: http://www.kyrkor.be/Cairns_Christian_Ministers_Network_CCMN_Adem-Xhafer.htm

A summary of satan's evil pastors of churches in Cairns, Australia: <http://www.kyrkor.be/Devilish-Churches-in-Cairns-Australia.htm>

Australia's and New Zealand's satanic pastors of churches did everything in their evil capacity to destroy the Christian person Torsten. Satan's Australian and New Zealand pastors/priests of churches evicted/excommunicated Torsten in every major city, although Torsten is absolutely innocent in relation to all the lies invented by satan's Australian/New Zealand pastors of churches. None of Australia's or New Zealand's satanic pastors of churches repented from their sinful evictions/excommunications and their malicious lies against Torsten.

As empirical laws of reality: wherever there are professional pastors/priests governing churches, satan rules – through the pastors/priests. And wherever governments are allied with pastors of churches, government corruption is worsened.

If there exists an English-speaking Christian church anywhere on earth that truly welcomes a real Christian, who is absolutely innocent in relation to the sinful evictions/excommunications by the other churches on earth, then please do communicate yourself to me.

If there exists an employee of any church who might also be a Christian, then please do pray that God will protect me from the satanic pastors of churches.

If there exists an employee of any church who might also be a Christian, then please pray that God will send to me a young Christian woman (maybe from Canada or USA) of His choice for marriage.

188. One hundred eighty-eighth International Plea

Date: Wed, 15 Mar 2017 00:16

Subject: Pastors of churches persecute.

Appeal for practical Christian help:

Christian unmarried man who wants to marry a Christian woman is innocently excommunicated from the churches in Sweden, ousted from Swedish society, and currently without humane future in Sweden – because of Sweden's heartless pastors and heretic priests, and due to Sweden's satanic politicians and Sweden's aggressively anti-Christian culture.

To pastors/priests of churches who might also be Christian,

Current:

When Torsten asks satan's pastors/priests of churches on what fact the pastors accuse, slander, gossip, assault, evict, banish and excommunicate, none have a reality-based or Biblical reason. Pastors/priests of churches hate facts, hate evidence, hate truth, hate justice, and hate love.

No profession on earth seems more oppositional to Biblical Christian marriage and more hostile to authentic Christians seeking Biblical marriage, than the hostile & hateful pastors/priests of churches.

No pastor/priest on earth knows Torsten. No Christian on earth knows Torsten. And without any reality-based reason, virtually all church-leaders lie, slander, gossip, excommunicate, assault and evict Torsten. This persecution by clergy of nearly all churches never stops, because satan never stops.

Churchianity is like a pestilence to societies everywhere.

The Federal Government of New Zealand which interrogated, arrested, imprisoned and deported the absolutely innocent person Torsten on Feb.14, 2015, based on invented lies by New Zealand's satanic pastors of churches, are still refusing to fully answer Torsten's inquiries regarding the Federal Government of New Zealand false accusations. The false charges by the Federal Government of New Zealand against the absolutely innocent Christian Torsten is based on utter lies – satanically contrived by the churches of New Zealand; lies which were maliciously fabricated, publicly disseminated (cyber bullying), and officially reported to New Zealand Police - by the lying pastors of the churches of New Zealand. Among the many public lies invented by New Zealand's satanic pastors of churches, one churchianity-lie was also officially accused against the innocent Christian Torsten by the Federal Government of New Zealand: **"threatening attendees and being generally disruptive"**: <http://www.kyrkor.be/New-Zealand-Federal-Governments-satanic-church-lies.htm>

In the cities of Australia and satanic New Zealand, their evil pastors of churches participate in pastoral membership-clubs for lying, defaming, slandering, and persecuting against innocent Christians. One example is the Cairns Christian Ministers Network (CCMN), which is designated as the original source and platform for lies, slander, defamation and persecution against the banished Christian person Torsten in Cairns. Torsten is absolutely innocent in relation to all excommunications, banishments and evictions by all churches in Cairns and globally. A typically satanic Australian pastor, Adem Xhafer, who also is the president of the secretive fraternal membership-club CCMN, absolutely refused to communicate, explain or attempt to justify the lies, slander and defamation by his pastoral club CCMN against innocent Torsten: http://www.kyrkor.be/Cairns_Christian_Ministers_Network_CCMN_Adem-Xhafer.htm

A summary of satan's evil pastors of churches in Cairns, Australia: <http://www.kyrkor.be/Devilish-Churches-in-Cairns-Australia.htm>

Australia's and New Zealand's satanic pastors of churches did everything in their evil capacity to destroy the Christian person Torsten. Satan's Australian and New Zealand pastors/priests of churches evicted/excommunicated Torsten in every major city, although Torsten is absolutely innocent in relation to all the lies invented by satan's Australian/New Zealand pastors of churches. None of Australia's or New Zealand's satanic pastors of churches repented from their sinful evictions/excommunications and their malicious lies against Torsten.

As empirical laws of reality: wherever there are professional pastors/priests governing churches, satan rules – through the pastors/priests. And wherever governments are allied with pastors of churches, government corruption is worsened.

If there exists an English-speaking Christian church anywhere on earth that truly welcomes a real Christian, who is absolutely innocent in relation to the sinful evictions/excommunications by the other churches on earth, then please do communicate yourself to me.

If there exists an employee of any church who might also be a Christian, then please do pray that God will protect me from the satanic pastors of churches.

If there exists an employee of any church who might also be a Christian, then please pray that God will send to me a young Christian woman (maybe from Canada or USA) of His choice for marriage.

Subject: The satanic pastors of churches in Cape Town persecute.

Appeal for practical Christian help:

Christian unmarried man who wants to marry a Christian woman is innocently excommunicated from the churches in Sweden, ousted from Swedish society, and currently without humane future in Sweden – because of Sweden's heartless pastors and heretic priests, and due to Sweden's satanic politicians and Sweden's aggressively anti-Christian culture.

To pastors/priests of churches who might also be Christian,

...

Current:

I am still in Cape Town, South Africa.

Violent crime & corruption & mammon seem to be parts of the contemporary culture elements of South Africa, with inequality and deficiency of socio-economic equity, by greedy exploitation of human resources without a national minimum wage. Like flies are attracted to dung, it seems that Cape Town disproportionately attracts international travellers of confused morality.

The overwhelming majority of all pastors of churches in Cape Town which I have repeatedly contacted, have consistently refused to welcome. In **fact, 210 churches of 270 churches (77%)** in Cape Town that are confirmed recipients of my enquiry for fellowship banished me (explicitly, implicitly or covertly). The average banishment rate by churches in all cities where I have visited globally is approximately 90%. Statistically, therefore, the churches in Cape Town are overall ~13% less banishing compared with the international average.

I remain stuck in life, because of the utter evils committed by nearly all pastors and priests of churches everywhere; who fabricate lies, slander, gossip, cyber-bully, obstruct, banish, excommunicate, evict, physically assault and persecute. In reality, the vast majority of churches serve satan through their malice and evil. The vast majority of pastors of churches, everywhere, demonically seek to prevent Torsten from marrying a Christian woman. The vast majority of pastors of churches, everywhere, hate facts, evidence and truth.

New churchianity incident:

1. Hope City Presbyterian Church in Cape Town, South Africa, explicitly banished innocent Torsten and absolutely refused to factually justify their banishing statement "*Do not attempt to contact us anymore or attend our services.*" The banishing Presbyterian pastor admitted that he slanderously participates in a network of slandering pastors in Cape Town, who slander against innocent Torsten. Hope City Presbyterian Church in Cape Town is also part of the notoriously slandering and evil Redeemer City to City network of churches lead by Timothy Keller in NYC, who has excommunicated innocent Torsten.: http://www.kyrkor.be/Hope-City-Presbyterian-Church_Cape-Town.htm
2. St Stephens Bible Church in Cape Town, South Africa, falsely insinuated that Torsten's search for marriage is an idol, and insinuated that innocent Torsten is a fool: http://www.kyrkor.be/St-Stephens-Anglican-Bible-Church_Cape-Town.htm

Recent churchianity incidents:

1. Hillsong Church in Cape Town, South Africa, covertly banished innocent Torsten consequent to Brian Houston's enforced anti-Torsten policy and his Hillsong Network global ban against Torsten: http://www.kyrkor.be/Hillsong-Cape-Town_South-Africa.htm
2. Jubilee Church in Cape Town, South Africa, implicitly excommunicated innocent Torsten from fellowship, refused to welcome Torsten, and absolutely refused to justify their implied excommunication "*Jubilee is not the church for you.*": http://www.kyrkor.be/Jubilee-Church_Cape-Town.htm
3. Calvary Chapel Church in Cape Town, South Africa, explicitly excommunicated innocent Torsten. Calvary Chapel falsely accused Torsten to be unfit for church attendance, and insinuated that Torsten is dangerous to their church members in Cape Town. Calvary Chapel further asserted that while the issue of Torsten remaining banished by all the churches in New Zealand and consequently by the Government of New Zealand (<http://www.kyrkor.be/New-Zealand-Federal-Governments-satanic-church-lies.htm>), Torsten is also unfit to attend their Calvary Chapel in Cape Town: <http://www.kyrkor.be/Calvary-Chapel-Cape-Town-excommunication-161231.htm>
4. Holy Trinity Anglican Church Gardens in Cape Town, South Africa, explicitly banished innocent Torsten. Although Holy Trinity Church in Cape Town absolutely refused to answer any questions relating to their Anglican banishment against Torsten in Cape Town, Holy Trinity Church in Cape Town did allude that the banishment by all the churches in New Zealand and consequently by the Government of New Zealand (<http://www.kyrkor.be/New-Zealand-Federal-Governments-satanic-church-lies.htm>) is the Anglican Church's reason for banishing, as their Anglican Rector Alan Noble declared "*The concerns these churches have raised about you along with the measures that various governments have taken against you are serious.*": http://www.kyrkor.be/Holy-Trinity-Anglican-Church-Gardens_Cape-Town.htm
5. St Peters Anglican Church Fish Hoek in Cape Town, South Africa, explicitly banished innocent Torsten. St Peters Church Fish Hoek alluded that their Anglican reason for banishing Torsten is that Torsten is banished by all the churches in New Zealand and consequently by the Government of New Zealand (<http://www.kyrkor.be/New-Zealand-Federal-Governments-satanic-church-lies.htm>): http://www.kyrkor.be/St-Peters-Anglican-Church-Fish-Hoek_Cape-Town.htm

Recent Swedishness incidents:

- On Monday Sept. 12, 2016, Sweden declared intent to pursue criminal investigation against Torsten for hate speech. Swedish Police interfered and prohibited Torsten from publicly reading verses from the Bible. The speech titled 'The essential Biblical perspective on human homosexuality' is entirely Bible based. The Swedish Police stopped Torsten's modestly presented tone of Biblical speech. The police asserted that Sweden equates

public readings from the Bible with public readings from Adolph Hitler's 'Mein Kampf'. To the Swedish Police (and possibly also to the Swedish prosecutors), the Judeo-Christian Bible, which is God's Holy Word, is equally as hateful as the words of Adolph Hitler. In Sweden, God and Adolph Hitler are equally hateful. An audio recording of Torsten's written speech and of the Swedish Police interference exists.

Swedish Police statements to Torsten on Sept. 12, 2016:

- "Do you know who Hitler was? You know he has written a book; Mein Kampf. But if anyone would stand and read it, it doesn't matter if it is in a book. It is still hate speech. It does not matter if it is in the Bible."
- "When you speak about homosexuality as something patronizing or wrong, then we have a problem."
- "You are suspected of crimes that you are required to not do."
- "I have seen that it is hate speech."
- "What is going to happen is that a police report will be prepared and you will be called for questioning."
- The Swedish Healthcare system has now obstructed Torsten from listing with, and visiting, a medical practitioner of choice within Sweden for more than two years (since October 2014). The Swedish Government passively approves Swedish doctors' unjustifiable deselection/discrimination against some patients, and passively approves Swedish doctors' refusal to provide health care to some of their listed patients: <http://www.nenzen.net/Swedish-Government-passively-approves-doctoral-discrimination-against-patients.htm>
- A typically satanic "Pentecostal" church in Sweden evicted Torsten from their churchy location and telephoned the Swedish national police with false accusations against Torsten of harassment and disturbance of peace. The evil sect Hillsong Stockholm in Sweden follows orders from Australia's evil sect leader Brian Houston, and imitate him. As always, when Torsten repeatedly inquires to the HillSect churches why their "church" has a globally confirmed anti-Torsten policy in effect with a global banishment, HillSect absolutely refuses to answer: http://www.kyrkor.be/Hillsong-Stockholm_Andreas-Nielsen_Sweden.htm

Current:

I am currently in Cape Town, South Africa.

Violent crime & corruption & mammon seem to be parts of the contemporary culture elements of South Africa, with inequality and deficiency of socio-economic equity, by greedy exploitation of human resources without a national minimum wage.

In Cape Town, as anywhere, I am searching for a welcoming church that would allow Christian singles to communicate. My primary objective, also in Cape Town, is to discover a Christian young woman to marry. So far, the vast majority of churches in Cape Town have refused to welcome, but in comparison with most cities worldwide where I have visited or contacted churches, the small percentage of churches in Cape Town that invite are higher than in those other cities.

The overwhelming majority of all churches in Cape Town which I have contacted have refused to welcome, because of the satanic pastors of churches. In Cape Town, I have no opportunity to speak with any young Christian women, because there are no churches where I am welcome that I also can access safely. So in regards to my daily prayer (the past 20 years!) that God would find a Christian woman somewhere on earth for me in marriage, Cape Town would appear to be an absolute waste of time, due to the evil pastors of the churches in Cape Town, and due to my safe inaccessibility to those few churches that have invited a visit.

I remain stuck in life, because of the utter evils of pastors and priests of churches.

If any "pastor" who receives and reads this letter would also be a real Christian, then please pray that God will send to Cape Town, from somewhere on earth, a young woman of God's election for marriage. And please pray also, that the pastors of the majority of churches in Cape Town will not do evil against me by lying, slandering, banishing, evicting, and intentionally obstructing God's blessing and His good will, as that is precisely what the vast majority of pastors of churches all across the globe, where I have contacted, have done against me previously.

A summary of satan's evil pastors of churches in Cairns, Australia: <http://www.kyrkor.be/Devilish-Churches-in-Cairns-Australia.htm>

Australia's and New Zealand's satanic pastors of churches did everything in their evil capacity to destroy the Christian person Torsten. Satan's Australian and New Zealand pastors/priests of churches evicted/excommunicated Torsten in every major city, although Torsten is absolutely innocent in relation to all the lies invented by satan's Australian/New Zealand pastors of churches. None of Australia's or New Zealand's satanic pastors of churches repented from their sinful evictions/excommunications and their malicious lies against Torsten.

As empirical laws of reality: wherever there are professional pastors/priests governing churches, satan rules – through the pastors/priests. And wherever governments are allied with pastors of churches, government corruption is worsened.

If there exists an English-speaking Christian church anywhere on earth that truly welcomes a real Christian, who is absolutely innocent in relation to the sinful evictions/excommunications by the other churches on earth, then please do communicate yourself to me.

If there exists an employee of any church who might also be a Christian, then please do pray that God will protect me from the satanic pastors of churches.

If there exists an employee of any church who might also be a Christian, then please pray that God will send to me a young Christian woman (maybe from Canada or USA) of His choice for marriage.

Subject: Many pastors and churches in Cape Town persecute.

Appeal for practical Christian help:

Christian unmarried man who wants to marry a Christian woman is innocently excommunicated from the churches in Sweden, ousted from Swedish society, and currently without humane future in Sweden – because of Sweden's heartless pastors and heretic priests, and due to Sweden's satanic politicians and Sweden's aggressively anti-Christian culture.

To pastors/priests of churches who might also be Christian,

...

Current:

I am currently in Cape Town, South Africa.

In Cape Town, as anywhere, I am searching for a welcoming church that would allow Christian singles to communicate. My primary objective, also in Cape Town, is to discover a Christian young woman to marry. So far, the vast majority of churches in Cape Town have refused to welcome, but in comparison with most cities worldwide where I have visited or contacted churches, the percentage of churches that invite in Cape Town are higher than in those other cities.

If any "pastor" who receives and reads this letter would also be a real Christian, then please pray that God will send to Cape Town, from somewhere on earth, a young woman of God's election for marriage. And please pray also, that the pastors of the majority of churches in Cape Town will not do evil against me by lying, slandering, banishing, evicting, and intentionally obstructing God's blessing and His good will, as that is precisely what the vast majority of pastors of churches all across the globe, where I have contacted, have done against me previously.

New churchianity incident:

1. Hillsong Church in Cape Town, South Africa, covertly banished innocent Torsten consequent to Brian Houston's enforced anti-Torsten policy and his Hillsong Network global ban against Torsten: http://www.kyrkor.be/Hillsong-Cape-Town_South-Africa.htm
2. Revival Worship Centre in Cape Town, South Africa, implicitly banished innocent Torsten and refused to justify their declaration "We are unable to facilitate any visit by you.": http://www.kyrkor.be/Revival-Worship-Centre_Cape-Town_South-Africa.htm
3. Life Church in Cape Town, South Africa, implicitly banished innocent Torsten and refused to justify their banishing statement "part ways and not continue any further conversations": http://www.kyrkor.be/Life-Church-Cape-Town_South-Africa.htm
4. His People Christian Church in Cape Town, South Africa, covertly banished innocent Torsten from fellowship, and refused to provide a reason: http://www.kyrkor.be/His-People-Christian-Church_Cape-Town_South-Africa.htm
5. Shofar Church in Cape Town, South Africa, covertly banished innocent Torsten from fellowship, and refused to provide a reason: http://www.kyrkor.be/Shofar-Church_Cape-Town_South-Africa.htm

Recent churchianity incidents:

6. Jubilee Church in Cape Town, South Africa, implicitly excommunicated innocent Torsten from fellowship, refused to welcome Torsten, and absolutely refused to justify their implied excommunication "Jubilee is not the church for you.": http://www.kyrkor.be/Jubilee-Church_Cape-Town.htm
7. Calvary Chapel Church in Cape Town, South Africa, explicitly excommunicated innocent Torsten. Calvary Chapel falsely accused Torsten to be unfit for church attendance, and insinuated that Torsten is dangerous to their church members in Cape Town. Calvary Chapel further asserted that while the issue of Torsten remaining banished by all the churches in New Zealand and consequently by the Government of New Zealand (<http://www.kyrkor.be/New-Zealand-Federal-Governments-satanic-church-lies.htm>), Torsten is also unfit to attend their Calvary Chapel in Cape Town: <http://www.kyrkor.be/Calvary-Chapel-Cape-Town-excommunication-161231.htm>
8. St Peters Anglican Church Fish Hoek in Cape Town, South Africa, explicitly banished innocent Torsten. St Peters Church Fish Hoek alluded that their Anglican reason for banishing Torsten is that Torsten is banished by all the churches in New Zealand and consequently by the Government of New Zealand (<http://www.kyrkor.be/New-Zealand-Federal-Governments-satanic-church-lies.htm>): http://www.kyrkor.be/St-Peters-Anglican-Church-Fish-Hoek_Cape-Town.htm
9. Holy Trinity Anglican Church Gardens in Cape Town, South Africa, explicitly banished innocent Torsten. Although Holy Trinity Church in Cape Town absolutely refused to answer any questions relating to their Anglican banishment against Torsten in Cape Town, Holy Trinity Church in Cape Town did allude that the banishment by all the churches in New Zealand and consequently by the Government of New Zealand (<http://www.kyrkor.be/New-Zealand-Federal-Governments-satanic-church-lies.htm>) is the Anglican Church's reason for banishing, as their Anglican Rector Alan Noble declared "The concerns these churches have raised about you along with the measures that various governments have taken against you are serious.": http://www.kyrkor.be/Holy-Trinity-Anglican-Church-Gardens_Cape-Town.htm

Recent Swedishness incidents:

- On Monday Sept. 12, 2016, Sweden declared intent to pursue criminal investigation against Torsten for hate speech. Swedish Police interfered and prohibited Torsten from publicly reading verses from the Bible. The speech titled 'The essential Biblical perspective on human homosexuality' is entirely Bible based. The Swedish

Police stopped Torsten's modestly presented tone of Biblical speech. The police asserted that Sweden equates public readings from the Bible with public readings from Adolph Hitler's 'Mein Kampf'. To the Swedish Police (and possibly also to the Swedish prosecutors), the Judeo-Christian Bible, which is God's Holy Word, is equally as hateful as the words of Adolph Hitler. In Sweden, God and Adolph Hitler are equally hateful. An audio recording of Torsten's written speech and of the Swedish Police interference exists.

Swedish Police statements to Torsten on Sept. 12, 2016:

- "Do you know who Hitler was? You know he has written a book; Mein Kampf. But if anyone would stand and read it, it doesn't matter if it is in a book. It is still hate speech. **It does not matter if it is in the Bible.**"
- "When you speak about homosexuality as something patronizing or wrong, then we have a problem."
- "You are suspected of crimes that you are required to not do."
- "I have seen that it is hate speech."
- "What is going to happen is that a police report will be prepared and you will be called for questioning."
- The Swedish Healthcare system has now obstructed Torsten from listing with, and visiting, a medical practitioner of choice within Sweden for more than two years (since October 2014). The Swedish Government passively approves Swedish doctors' unjustifiable deselection/discrimination against some patients, and passively approves Swedish doctors' refusal to provide health care to some of their listed patients: <http://www.nenzen.net/Swedish-Government-passively-approves-doctoral-discrimination-against-patients.htm>
- A typically satanic "Pentecostal" church in Sweden evicted Torsten from their churchy location and telephoned the Swedish national police with false accusations against Torsten of harassment and disturbance of peace. The evil sect Hillsong Stockholm in Sweden follows orders from Australia's evil sect leader Brian Houston, and imitate him. As always, when Torsten repeatedly inquires to the HillSect churches why their "church" has a globally confirmed anti-Torsten policy in effect with a global banishment, HillSect absolutely refuses to answer: http://www.kyrkor.be/Hillsong-Stockholm_Andreas-Nielsen_Sweden.htm

The pastors/priests of churches, everywhere, destroy Torsten's life. Nearly all pastors/priests of churches, everywhere, are in reality hostile to truth, love and justice. Like satan, pastors/priests of churches never repent from their evils and persecution against innocent Torsten. When Torsten asks satan's pastors/priests of churches on what fact the pastors accuse, slander, gossip, assault, evict, banish and excommunicate, none have a reality-based or Biblical reason. Pastors/priests of churches hate facts, hate evidence, hate truth, hate justice, and hate love.

No profession on earth seems more oppositional to Biblical Christian marriage and more hostile to authentic Christians seeking Biblical marriage, than the hostile & hateful pastors/priests of churches.

No pastor/priest on earth knows Torsten. No Christian on earth knows Torsten. And without any reality-based reason, virtually all church-leaders lie, slander, gossip, excommunicate, assault and evict Torsten. This persecution by clergy of nearly all churches never stops, because satan never stops.

Churchianity is like a pestilence to societies everywhere.

The Federal Government of New Zealand which interrogated, arrested, imprisoned and deported the absolutely innocent person Torsten on Feb.14, 2015, based on invented lies by New Zealand's satanic pastors of churches, are still refusing to fully answer Torsten's inquiries regarding the Federal Government of New Zealand false accusations. The false charges by the Federal Government of New Zealand against the absolutely innocent Christian Torsten is based on utter lies – satanically contrived by the churches of New Zealand; lies which were maliciously fabricated, publicly disseminated (cyber bullying), and officially reported to New Zealand Police - by the lying pastors of the churches of New Zealand. Among the many public lies invented by New Zealand's satanic pastors of churches, one churchianity-lie was also officially accused against the innocent Christian Torsten by the Federal Government of New Zealand: **"threatening attendees and being generally disruptive"**: <http://www.kyrkor.be/New-Zealand-Federal-Governments-satanic-church-lies.htm>

In the cities of Australia and satanic New Zealand, their evil pastors of churches participate in pastoral membership-clubs for lying, defaming, slandering, and persecuting against innocent Christians. One example is the Cairns Christian Ministers Network (CCMN), which is designated as the original source and platform for lies, slander, defamation and persecution against the banished Christian person Torsten in Cairns. Torsten is absolutely innocent in relation to all excommunications, banishments and evictions by all churches in Cairns and globally. A typically satanic Australian pastor, Adem Xhafer, who also is the president of the secretive fraternal membership-club CCMN, absolutely refused to communicate, explain or attempt to justify the lies, slander and defamation by his pastoral club CCMN against innocent Torsten: http://www.kyrkor.be/Cairns_Christian_Ministers_Network_CCMN_Adem-Xhafer.htm

In the majority of societies globally, the most dangerous place for me is inside church buildings, where the pastors sometimes physically evict me using physical or violent assault against me. In Cape Town and South Africa, however, it is at least equally as dangerous for me outside their churches. This Christmas Day, December 25, 2016, while I walked to a church building in the afternoon within a "safe" neighbourhood, two men mugged me at knifepoint. If I had not surrendered my valuables, the outcome would surely have been lethal. Cape Town is ranked as one of the world's most criminal cities, and South African Police is even more corrupt than in New Zealand or in satanic Sweden.

New churchianity incident:

- Calvary Chapel Church in Cape Town, South Africa, explicitly excommunicated innocent Torsten. Calvary Chapel falsely accused Torsten to be unfit for church attendance, and insinuated that Torsten is dangerous to their church members in Cape Town. Calvary Chapel further asserted that while the issue of Torsten remaining banished by all the churches in New Zealand and consequently by the Government of New Zealand (<http://www.kyrkor.be/New-Zealand-Federal-Governments-satanic-church-lies.htm>), Torsten is also unfit to attend their Calvary Chapel in Cape Town: <http://www.kyrkor.be/Calvary-Chapel-Cape-Town-excommunication-161231.htm>

Recent churchianity incidents:

1. The typically satanic Pentecostal church, **Hillsong** London, evicted Torsten from their Sunday so-called 'service' – again – and absolutely refused to provide a reality-based reason for their Hillsong's worldwide

anti-Torsten policy and their Hillsong global banishment against innocent Torsten: http://www.kyrkor.be/Hillsong-London-UK-eviction_2016-10-30.htm

2. Anglican All Souls Church at Langham Place in London, United Kingdom, explicitly excluded the innocent Christian person Torsten from participation in their church's flyer-advertised "all welcome!" Sunday lunches, absolutely refused to clarify and further communicate with Torsten about this exclusion against Torsten, and thus reaffirmed their church's earlier excommunication against Torsten from 2012. Their Anglican rector Hugh Palmer who excommunicated Torsten 2012 is appointed politically by the British Prime Minister's office: http://www.kyrkor.be/All_Souls_Langham_Place_Church_Anglican_banishment.htm
3. Torsten revisited the two unwelcoming Anglican churches St Mary's Church London (<http://www.stmaryslondon.com>) and King's Cross Church London (<http://kxc.org.uk>), who both dehumanised Torsten in their inhumanity and rejection. St Mary's Church in London is the mother-church of the satanic persecution against Torsten by the Anglican church in Auckland, New Zealand, whose lies, cyber-bullying and persecution against Torsten caused the satanic New Zealand Government to imprison and deport Torsten. Torsten is indefinitely banned from entry to New Zealand by the New Zealand Government, due to the invented lies by the Anglican St Mary's London church-plant in Auckland, New Zealand.
4. Saddleback Church (currently the 7th largest megachurch in USA founded by Rick Warren) in Berlin, Germany, excommunicated the absolutely innocent Christian visitor Torsten from attendance at all Saddleback "services" and all Saddleback "meetings". As a typical church, Saddleback absolutely refused to provide a reality-based or Biblical reason for their banishment against innocent Torsten, but Saddleback did indirectly acknowledge that Saddleback prioritises its alliances to their "ministry partners" who also have banished Torsten without a justifiable reason. Saddleback refused to specify who their ministry partners are, but acknowledged that Torsten had "carefully documented" with evidence the unjustifiable evils committed against Torsten by Saddleback's ministry allies. Saddleback indirectly acknowledged that God and truth are irrelevant, in comparison to Saddleback's ministry allegiances. As a typical church, Saddleback is an adversary to facts, evidence, truth, justice, love and God. Satan governs Saddleback in Berlin.: <http://www.kyrkor.be/Saddleback-Church-Berlin-excommunication.htm>
5. Every Nation Church in Berlin, Germany, explicitly banished an innocent Christian from attendance at any of their so-called services, and falsely accused the Christian of misbehaviour in an anonymous church "your behaviour in another church": <http://www.kyrkor.be/Every-Nation-Church-Berlin.htm>
6. ECG Church (Evangeliums Christengemeinde) in Berlin, Germany, covertly banished an innocent Christian, and their controlling pastors declared intent to obstruct God's will "someone like you we would not give one of our woman": <http://www.kyrkor.be/ECG-Church-Berlin.htm>
7. Berlin International Community Church (BICC) which is part of the satanic Hillsong Network in Berlin, Germany, covertly banished an innocent Christian: <http://www.kyrkor.be/BICC-Church-Berlin-with-Hillsong-Network.htm>
8. St George's Anglican Church in Berlin, Germany, covertly banished an innocent Christian: <http://www.kyrkor.be/St-Georges-Anglican-Church-Berlin.htm>
9. St Ludwig Catholic Church in Berlin, Germany, covertly banished an innocent Christian: <http://www.kyrkor.be/St-Ludwig-Catholic-Church-Berlin.htm>
10. Beit Sar Shalom Messianic Church in Berlin, Germany, covertly banished an innocent Christian: <http://www.kyrkor.be/Beit-Sar-Shalom-Messianic-Church-Berlin.htm>
11. Crossway International Baptist Church in Berlin, Germany, covertly banished an innocent Christian: <http://www.kyrkor.be/Crossway-International-Baptist-Church-Berlin.htm>
12. Evangelical Church Community of Prenzlauer-Berg-Nord in Berlin, Germany, covertly banished an innocent Christian: <http://www.kyrkor.be/Evangelical-Church-Community-Prenzlauer-Berg-Nord-Berlin.htm>
13. Evangelical Church District Berlin Stadtmitte in Berlin, Germany, would not welcome an innocent Christian: <http://www.kyrkor.be/Evangelical-Church-District-Stadtmitte-Berlin.htm>
14. Calvary Chapel Church in Berlin, Germany, neglected communication: <http://www.kyrkor.be/communication-neglect-Calvary-Chapel-Berlin.htm>
15. Pastor Fabian Heinze of Gemeinde auf dem Weg Evangelical Church in Berlin, Germany, neglected communication: <http://www.kyrkor.be/communication-neglect-by-pastor-Fabian-Heinze.htm>

- The Swedish Healthcare system has now obstructed Torsten from listing with, and visiting, a medical practitioner of choice within Sweden for more than two years (since October 2014). The Swedish Government passively approves Swedish doctors' unjustifiable deselection/discrimination against some patients, and passively approves Swedish doctors' refusal to provide health care to some of their listed patients: <http://www.nenzen.net/Swedish-Government-passively-approves-doctoral-discrimination-against-patients.htm>

- A typically satanic Pentecostal church, Hillsong London, evicted Torsten from their Sunday so-called 'service' and absolutely refused to provide a reality-based reason for their Hillsong's worldwide anti-Torsten policy and their global banishment against Torsten: <http://www.kyrkor.be/Hillsong-London-UK-eviction.htm>
- A typically satanic "Pentecostal" church in Sweden evicted Torsten from their churchy location and telephoned the Swedish national police with false accusations against Torsten of harassment and disturbance of peace. The evil sect Hillsong Stockholm in Sweden follows orders from Australia's evil sect leader Brian Houston, and imitate him. As always, when Torsten repeatedly inquires to the HillSect churches why their "church" has a globally confirmed anti-Torsten policy in effect with a global banishment, HillSect absolutely refuses to answer: http://www.kyrkor.be/Hillsong-Stockholm_Andreas-Nielsen_Sweden.htm
- A typically satanic Evangelical church, King's Church in Birmingham, explicitly forbade Torsten from visiting any of their so-called 'services', and as a typical church they absolutely refused to provide any reality-based or Biblical reason for their banishment against Torsten: <http://www.kyrkor.be/Kings-Church-Birmingham-UK.htm>

The pastors/priests of churches, everywhere, destroy Torsten's life. Nearly all pastors/priests of churches, everywhere, are in reality hostile to truth, love and justice. Like satan, pastors/priests of churches never repent from their evils and persecution against innocent Torsten. When Torsten asks satan's pastors/priests of churches on what fact the pastors accuse, slander, gossip, assault, evict, banish and excommunicate, none have a reality-based or Biblical reason. Pastors/priests of churches hate facts, hate evidence, hate truth, hate justice, and hate love.

No profession on earth seems more oppositional to Biblical Christian marriage and more hostile to authentic Christians seeking Biblical marriage, than the hostile & hateful pastors/priests of churches.

No pastor/priest on earth knows Torsten. No Christian on earth knows Torsten. And without any reality-based reason, virtually all church-leaders lie, slander, gossip, excommunicate, assault and evict Torsten. This persecution by clergy of nearly all churches never stops, because satan never stops.

Churchianity is like a pestilence to societies everywhere.

The Federal Government of New Zealand which interrogated, arrested, imprisoned and deported the absolutely innocent person Torsten on Feb.14, 2015, based on invented lies by New Zealand's satanic pastors of churches, are still refusing to fully answer Torsten's inquiries regarding the Federal Government of New Zealand false accusations. The false charges by the Federal Government of New Zealand against the absolutely innocent Christian Torsten is based on utter lies – satanically contrived by the churches of New Zealand; lies which were maliciously fabricated, publicly disseminated (cyber bullying), and officially reported to New Zealand Police - by the lying pastors of the churches of New Zealand. Among the many public lies invented by New Zealand's satanic pastors of churches, one churchianity-lie was also officially accused against the innocent Christian Torsten by the Federal Government of New Zealand: **"threatening attendees and being generally disruptive"**: <http://www.kyrkor.be/New-Zealand-Federal-Governments-satanic-church-lies.htm>

In the cities of Australia and satanic New Zealand, their evil pastors of churches participate in pastoral membership-clubs for lying, defaming, slandering, and persecuting against innocent Christians. One example is the Cairns Christian Ministers Network (CCMN), which is designated as the original source and platform for lies, slander, defamation and persecution against the banished Christian person Torsten in Cairns. Torsten is absolutely innocent in relation to all excommunications, banishments and evictions by all churches in Cairns and globally. A typically satanic Australian pastor, Adem Xhafer, who also is the president of the secretive fraternal membership-club CCMN, absolutely refused to communicate, explain or attempt to justify the lies, slander and defamation by his pastoral club CCMN against innocent Torsten: http://www.kyrkor.be/Cairns_Christian_Ministers_Network_CCMN_Adem-Xhafer.htm

A summary of satan's evil pastors of churches in Cairns, Australia: <http://www.kyrkor.be/Devilish-Churches-in-Cairns-Australia.htm>

Australia's and New Zealand's satanic pastors of churches did everything in their evil capacity to destroy the Christian person Torsten. Satan's Australian and New Zealand pastors/priests of churches evicted/excommunicated Torsten in every major city, although Torsten is absolutely innocent in relation to all the lies invented by satan's Australian/New Zealand pastors of churches. None of Australia's or New Zealand's satanic pastors of churches repented from their sinful evictions/excommunications and their malicious lies against Torsten.

As empirical laws of reality: wherever there are professional pastors/priests governing churches, satan rules – through the pastors/priests. And wherever governments are allied with pastors of churches, government corruption is worsened.

If there exists an English-speaking Christian church anywhere on earth that truly welcomes a real Christian, who is absolutely innocent in relation to the sinful evictions/excommunications by the other churches on earth, then please do communicate yourself to me.

If there exists an employee of any church who might also be a Christian, then please do pray that God will protect me from the satanic pastors of churches.

If there exists an employee of any church who might also be a Christian, then please pray that God will send to me a young Christian woman (maybe from Canada or USA) of His choice for marriage.

182. One hundred eighty-second International Plea

Date: Thu, 15 Dec 2016 00:31

Subject: Satanic Sweden, and evil pastors of churches.

Appeal for practical Christian help:

Christian unmarried man who wants to marry a Christian woman is innocently excommunicated from the churches in Sweden, ousted from Swedish society, and currently without humane future in Sweden – because of Sweden’s heartless pastors and heretic priests, and due to Sweden’s satanic politicians and Sweden’s aggressively anti-Christian culture.

To pastors/priests of churches who might also be Christian,

...

Current:

I am currently in Cape Town, South Africa.

In Cape Town, as anywhere, I am searching for a welcoming church that would allow Christian singles to communicate. My primary objective, also in Cape Town, is to discover a Christian young woman to marry.

If any “pastor” who receives and reads this letter would also be a real Christian, then please pray that God will send to Cape Town, from somewhere on earth, a young woman of God’s election for marriage. And please pray also, that the pastors of the churches in Cape Town will not do evil against me by lying, slandering, banishing, evicting, and intentionally obstructing God’s blessing and His good will, as that is precisely what the vast majority of pastors of churches all across the globe, where I have contacted, have done against me previously.

New/continued Swedishness incident:

- The Swedish Healthcare system has now obstructed Torsten from listing with, and visiting, a medical practitioner of choice within Sweden for more than two years (since October 2014). The Swedish Government passively approves Swedish doctors’ unjustifiable deselection/discrimination against some patients, and passively approves Swedish doctors’ refusal to provide health care to some of their listed patients: <http://www.nenzen.net/Swedish-Government-passively-approves-doctoral-discrimination-against-patients.htm>

Recent churchianity incident:

1. The typically satanic Pentecostal church, **Hillsong** London, evicted Torsten from their Sunday so-called ‘service’ – again - and absolutely refused to provide a reality-based reason for their Hillsong’s worldwide anti-Torsten policy and their Hillsong global banishment against innocent Torsten: http://www.kyrkor.be/Hillsong-London-UK-eviction_2016-10-30.htm
2. Anglican All Souls Church at Langham Place in London, United Kingdom, explicitly excluded the innocent Christian person Torsten from participation in their church’s flyer-advertised “all welcome!” Sunday lunches, absolutely refused to clarify and further communicate with Torsten about this exclusion against Torsten, and thus reaffirmed their church’s earlier excommunication against Torsten from 2012. Their Anglican rector Hugh Palmer who excommunicated Torsten 2012 is appointed politically by the British Prime Minister’s office: http://www.kyrkor.be/All_Souls_Langham_Place_Church_Anglican_banishment.htm
3. Torsten revisited the two unwelcoming Anglican churches; St Mary’s Church London (<http://www.stmaryslondon.com>) and King’s Cross Church London (<http://kcc.org.uk>), who both dehumanised Torsten in their inhumanity and rejection. St Mary’s Church in London is the mother-church of the satanic persecution against Torsten by the Anglican Church in Auckland, New Zealand, whose lies, cyber-bullying and persecution against Torsten caused the satanic New Zealand Government to imprison and deport Torsten. Torsten is indefinitely banned from entry to New Zealand by the New Zealand Government, due to the invented lies by the Anglican St Mary’s London church-plant in Auckland, New Zealand.
4. Saddleback Church (currently the 7th largest megachurch in USA founded by Rick Warren) in Berlin, Germany, excommunicated the absolutely innocent Christian visitor Torsten from attendance at all Saddleback “services” and all Saddleback “meetings”. As a typical church, Saddleback absolutely refused to provide a reality-based or Biblical reason for their banishment against innocent Torsten, but Saddleback did indirectly acknowledge that Saddleback prioritises its alliances to their “ministry partners” who also have banished Torsten without a justifiable reason. Saddleback refused to specify who their ministry partners are, but acknowledged that Torsten had “carefully documented” with evidence the unjustifiable evils committed against Torsten by Saddleback’s ministry allies. Saddleback indirectly acknowledged that God and truth are irrelevant, in comparison to Saddleback’s ministry allegiances. As a typical church, Saddleback is an adversary to facts, evidence, truth, justice, love and God. Previous churchianity incident:

- On Monday Sept. 12, 2016, Sweden declared intent to pursue criminal investigation against Torsten for hate speech. Swedish Police interfered and prohibited Torsten from publicly reading verses from the Bible. The speech titled '*The essential Biblical perspective on human homosexuality*' is entirely Bible based. The Swedish Police stopped Torsten's modestly presented tone of Biblical speech. The police asserted that Sweden equates public readings from the Bible with public readings from Adolph Hitler's 'Mein Kampf'. To the Swedish Police (and possibly also to the Swedish prosecutors), the Judeo-Christian Bible, which is God's Holy Word, is equally as hateful as the words of Adolph Hitler. Current:

I am currently in Alicante, Spain.

In Alicante, Spain, there is no church where I am welcome and able to communicate with single women, and therefore, it is impossible for God to connect a woman of His choice for me to marry. As everywhere else, the pastors/priests of churches also in Alicante are the hindrances to God's blessing of appointed Christian marriage. Pastors/priests of churches follow the lead of satan in their satanic prevention of God's goodness.

In December 2015, the Canberra-devils stole what belonged to me. In August 2016 and in October 2016, the Westminster-devils stole what belonged to me. Wherever there is a Swedish tentacle, satan is connected. Sweden and satan have similar agendas.

New churchianity incident:

- The typically satanic Pentecostal church, **Hillsong** London, evicted Torsten from their Sunday so-called 'service' – again - and absolutely refused to provide a reality-based reason for their Hillsong's worldwide anti-Torsten policy and their Hillsong global banishment against innocent Torsten: http://www.kyrkor.be/Hillsong-London-UK-eviction_2016-10-30.htm

Recent churchianity incident:

1. Anglican All Souls Church at Langham Place in London, United Kingdom, explicitly excluded the innocent Christian person Torsten from participation in their church's flyer-advertised "all welcome!" Sunday lunches, absolutely refused to clarify and further communicate with Torsten about this exclusion against Torsten, and thus reaffirmed their church's earlier excommunication against Torsten from 2012. Their Anglican rector Hugh Palmer who excommunicated Torsten 2012 is appointed politically by the British Prime Minister's office: http://www.kyrkor.be/All_Souls_Langham_Place_Church_Anglican_banishment.htm
2. Torsten revisited the two unwelcoming Anglican churches; St Mary's Church London (<http://www.stmaryslondon.com>) and King's Cross Church London (<http://kxc.org.uk>), who both dehumanised Torsten in their inhumanity and rejection. St Mary's Church in London is the mother-church of the satanic persecution against Torsten by the Anglican church in Auckland, New Zealand, whose lies, cyber-bullying and persecution against Torsten caused the satanic New Zealand Government to imprison and deport Torsten. Torsten is indefinitely banned from entry to New Zealand by the New Zealand Government, due to the invented lies by the Anglican St Mary's London church-plant in Auckland, New Zealand.
3. Saddleback Church (currently the 7th largest megachurch in USA founded by Rick Warren) in Berlin, Germany, excommunicated the absolutely innocent Christian visitor Torsten from attendance at all Saddleback "services" and all Saddleback "meetings". As a typical church, Saddleback absolutely refused to provide a reality-based or Biblical reason for their banishment against innocent Torsten, but Saddleback did indirectly acknowledge that Saddleback prioritises its alliances to their "ministry partners" who also have banished Torsten without a justifiable reason. Saddleback refused to specify who their ministry partners are, but acknowledged that Torsten had "carefully documented" with evidence the unjustifiable evils committed against Torsten by Saddleback's ministry allies. Saddleback indirectly acknowledged that God and truth are irrelevant, in comparison to Saddleback's ministry allegiances. As a typical church, Saddleback is an adversary to facts, evidence, truth, justice, love and God. Satan governs Saddleback in Berlin.: <http://www.kyrkor.be/Saddleback-Church-Berlin-excommunication.htm>
4. Every Nation Church in Berlin, Germany, explicitly banished an innocent Christian from attendance at any of their so-called services, and falsely accused the Christian of misbehaviour in an anonymous church "your behaviour in another church": <http://www.kyrkor.be/Every-Nation-Church-Berlin.htm>
5. ECG Church (Evangeliums Christengemeinde) in Berlin, Germany, covertly banished an innocent Christian, and their controlling pastors declared intent to obstruct God's will "someone like you we would not give one of our woman": <http://www.kyrkor.be/ECG-Church-Berlin.htm>
6. Berlin International Community Church (BICC) which is part of the satanic Hillsong Network in Berlin, Germany, covertly banished an innocent Christian: <http://www.kyrkor.be/BICC-Church-Berlin-with-Hillsong-Network.htm>

12. Evangelical Church District Berlin Stadtmitte in Berlin, Germany, would not welcome an innocent Christian: <http://www.kyrkor.be/Evangelical-Church-District-Stadtmitte-Berlin.htm>

Previous churchianity incident:

- On Monday Sept. 12, 2016, Sweden declared intent to pursue criminal investigation against Torsten for hate speech. Swedish Police interfered and prohibited Torsten from publicly reading verses from the Bible. The speech titled '*The essential Biblical perspective on human homosexuality*' is entirely Bible based. The Swedish Police stopped Torsten's modestly presented tone of Biblical speech. The police asserted that Sweden equates public readings from the Bible with public readings from Adolph Hitler's 'Mein Kampf'. To the Swedish Police (and possibly also to the Swedish prosecutors), the Judeo-Christian Bible, which is God's Holy Word, is equally as hateful as the words of Adolph Hitler. In Sweden, God and Adolph Hitler are equally hateful. An audio recording of Torsten's written speech and of the Swedish Police interference exists.

Swedish Police statements to Torsten on Sept. 12, 2016:
 - "Do you know who Hitler was? You know he has written a book; Mein Kampf. But if anyone would stand and read it, it doesn't matter if it is in a book. It is still hate speech. **It does not matter if it is in the Bible.**"
 - "When you speak about homosexuality as something patronizing or wrong, then we have a problem."
 - "You are suspected of crimes that you are required to not do."
 - "I have seen that it is hate speech."
 - "What is going to happen is that a police report will be prepared and you will be called for questioning."
- A typically satanic Pentecostal church, Hillsong London, evicted Torsten from their Sunday so-called 'service' and absolutely refused to provide a reality-based reason for their Hillsong's worldwide anti-Torsten policy and their global banishment against Torsten: <http://www.kyrkor.be/Hillsong-London-UK-eviction.htm>
- A typically satanic "Pentecostal" church in Sweden evicted Torsten from their churchy location and telephoned the Swedish national police with false accusations against Torsten of harassment and disturbance of peace. The evil sect Hillsong Stockholm in Sweden follows orders from Australia's evil sect leader Brian Houston, and imitate him. As always, when Torsten repeatedly inquires to the HillSect churches why their "church" has a globally confirmed anti-Torsten policy in effect with a global banishment, HillSect absolutely refuses to answer: http://www.kyrkor.be/Hillsong-Stockholm_Andreas-Nielsen_Sweden.htm
- A typically satanic Evangelical church, King's Church in Birmingham, explicitly forbade Torsten from visiting any of their so-called 'services', and as a typical church they absolutely refused to provide any reality-based or Biblical reason for their banishment against Torsten: <http://www.kyrkor.be/Kings-Church-Birmingham-UK.htm>

The pastors/priests of churches, everywhere, destroy Torsten's life. Nearly all pastors/priests of churches, everywhere, are in reality hostile to truth, love and justice. Like satan, pastors/priests of churches never repent from their evils and persecution against innocent Torsten. When Torsten asks satan's pastors/priests of churches on what fact the pastors accuse, slander, gossip, assault, evict, banish and excommunicate, none have a reality-based or Biblical reason. Pastors/priests of churches hate facts, hate evidence, hate truth, hate justice, and hate love.

No profession on earth seems more oppositional to Biblical Christian marriage and more hostile to authentic Christians seeking Biblical marriage, than the hostile & hateful pastors/priests of churches.

No pastor/priest on earth knows Torsten. No Christian on earth knows Torsten. And without any reality-based reason, virtually all church-leaders lie, slander, gossip, excommunicate, assault and evict Torsten. This persecution by clergy of nearly all churches never stops, because satan never stops.

Churchianity is like a pestilence to societies everywhere.

The Federal Government of New Zealand which interrogated, arrested, imprisoned and deported the absolutely innocent person Torsten on Feb.14, 2015, based on invented lies by New Zealand's satanic pastors of churches, are still refusing to fully answer Torsten's inquiries regarding the Federal Government of New Zealand false accusations. The false charges by the Federal Government of New Zealand against the absolutely innocent Christian Torsten is based on utter lies – satanically contrived by the churches of New Zealand; lies which were maliciously fabricated, publicly disseminated (cyber bullying), and officially reported to New Zealand Police - by the lying pastors of the churches of New Zealand. Among the many public lies invented by New Zealand's satanic pastors of churches, one churchianity-lie was also officially accused against the innocent Christian Torsten by the Federal Government of New Zealand: **"threatening attendees and being generally disruptive"**: <http://www.kyrkor.be/New-Zealand-Federal-Governments-satanic-church-lies.htm>

In the cities of Australia and satanic New Zealand, their evil pastors of churches participate in pastoral membership-clubs for lying, defaming, slandering, and persecuting against innocent Christians. One example is the Cairns Christian Ministers Network (CCMN), which is designated as the original source and platform for lies, slander, defamation and persecution against the banished Christian person Torsten in Cairns. Torsten is absolutely innocent in relation to all excommunications, banishments and evictions by all churches in Cairns and globally. A typically satanic Australian pastor, Adem Xhafer, who also is the president of the secretive fraternal membership-

club CCMN, absolutely refused to communicate, explain or attempt to justify the lies, slander and defamation by his pastoral club CCMN against innocent Torsten: http://www.kyrkor.be/Cairns_Christian_Ministers_Network_CCMN_Adem-Xhafer.htm

A summary of satan's evil pastors of churches in Cairns, Australia: <http://www.kyrkor.be/Devilish-Churches-in-Cairns-Australia.htm>

Australia's and New Zealand's satanic pastors of churches did everything in their evil capacity to destroy the Christian person Torsten. Satan's Australian and New Zealand pastors/priests of churches evicted/excommunicated Torsten in every major city, although Torsten is absolutely innocent in relation to all the lies invented by satan's Australian/New Zealand pastors of churches. None of Australia's or New Zealand's satanic pastors of churches repented from their sinful evictions/excommunications and their malicious lies against Torsten.

As empirical laws of reality: wherever there are professional pastors/priests governing churches, satan rules – through the pastors/priests. And wherever governments are allied with pastors of churches, government corruption is worsened.

If there exists an English-speaking Christian church anywhere on earth that truly welcomes a real Christian, who is absolutely innocent in relation to the sinful evictions/excommunications by the other churches on earth, then please do communicate yourself to me.

If there exists an employee of any church who might also be a Christian, then please do pray that God will protect me from the satanic pastors of churches.

If there exists an employee of any church who might also be a Christian, then please pray that God will send to me a young Christian woman (maybe from Canada or USA) of His choice for marriage.

Subject: The Anglican devilpastors of the Church of England.

Appeal for practical Christian help:

Christian unmarried man who wants to marry a Christian woman is innocently excommunicated from the churches in Sweden, ousted from Swedish society, and currently without humane future in Sweden – because of Sweden's heartless pastors and heretic priests, and due to Sweden's satanic politicians and Sweden's aggressively anti-Christian culture.

To pastors/priests of churches who might also be Christian,

...

Current:

I am currently in London, United Kingdom.

My objective, also in London, is to discover a Christian young woman to marry. In London, however, there is no welcoming church that will permit Torsten to communicate with single women. There is no church in London where Torsten is welcome. Essentially all pastors of all the churches in London, United Kingdom, mimic satan in their slandering, lying, excommunications, banishments, evictions and obstructions against Torsten. The British devilish pastors of the churches in London are obsessed with hindering a Christian marriage for Torsten.

As in all other cities worldwide where I have visited, the majority of churches also in the city of Berlin will not welcome an excommunicated Christian man who wants to marry a Christian woman, because these satanic pastors of churches seek not the will of God, care not about facts, evidence, truth, justice or love, but are preoccupied with their staged entertainment-industry churchianity and their typically mindless and heartless persecution and abuses against Christians. Similar to most other cities worldwide, the most visibly missionising group on the streets in Berlin is the non-Christian sect Jehova Witnesses.

The pastors/priests of churches, everywhere, destroy Torsten's life. Nearly all pastors/priests of churches, everywhere, are in reality hostile to truth, love and justice. Like satan, pastors/priests of churches never repent from their evils and persecution against innocent Torsten. When Torsten asks satan's pastors/priests of churches on what fact the pastors accuse, slander, gossip, assault, evict, banish and excommunicate, none have a reality-based or Biblical reason. Pastors/priests of churches hate facts, hate evidence, hate truth, hate justice, and hate love.

No profession on earth seems more oppositional to Biblical Christian marriage and more hostile to authentic Christians seeking Biblical marriage, than the hostile & hateful pastors/priests of churches.

No pastor/priest on earth knows Torsten. No Christian on earth knows Torsten. And without any reality-based reason, virtually all church-leaders lie, slander, gossip, excommunicate, assault and evict Torsten. This persecution by clergy of nearly all churches never stops, because satan never stops.

Churchianity is like a pestilence to societies everywhere.

The Federal Government of New Zealand which interrogated, arrested, imprisoned and deported the absolutely innocent person Torsten on Feb.14, 2015, based on invented lies by New Zealand's satanic pastors of churches, are still refusing to fully answer Torsten's inquiries regarding the Federal Government of New Zealand false accusations. The false charges by the Federal Government of New Zealand against the absolutely innocent Christian Torsten is based on utter lies – satanically contrived by the churches of New Zealand; lies which were maliciously fabricated, publicly disseminated (cyber bullying), and officially reported to New Zealand Police - by the lying pastors of the churches of New Zealand. Among the many public lies invented by New Zealand's satanic pastors of churches, one churchianity-lie was also officially accused against the innocent Christian Torsten by the Federal Government of New Zealand: **"threatening attendees and being generally disruptive"**: <http://www.kyrkor.be/New-Zealand-Federal-Governments-satanic-church-lies.htm>

In the cities of Australia and satanic New Zealand, their evil pastors of churches participate in pastoral membership-clubs for lying, defaming, slandering, and persecuting against innocent Christians. One example is the Cairns Christian Ministers Network (CCMN), which is designated as the original source and platform for lies, slander, defamation and persecution against the banished Christian person Torsten in Cairns. Torsten is absolutely innocent in relation to all excommunications, banishments and evictions by all churches in Cairns and globally. A typically satanic Australian pastor, Adem Xhafer, who also is the president of the secretive fraternal membership-club CCMN, absolutely refused to communicate, explain or attempt to justify the lies, slander and defamation by his pastoral club CCMN against innocent Torsten: http://www.kyrkor.be/Cairns_Christian_Ministers_Network_CCMN_Adem-Xhafer.htm

A summary of satan's evil pastors of churches in Cairns, Australia: <http://www.kyrkor.be/Devilish-Churches-in-Cairns-Australia.htm>

Australia's and New Zealand's satanic pastors of churches did everything in their evil capacity to destroy the Christian person Torsten. Satan's Australian and New Zealand pastors/priests of churches evicted/excommunicated Torsten in every major city, although Torsten is absolutely innocent in relation to all the lies invented by satan's Australian/New Zealand pastors of churches. None of Australia's or New Zealand's satanic pastors of churches repented from their sinful evictions/excommunications and their malicious lies against Torsten.

As empirical laws of reality: wherever there are professional pastors/priests governing churches, satan rules – through the pastors/priests. And wherever governments are allied with pastors of churches, government corruption is worsened.

If there exists an English-speaking Christian church anywhere on earth that truly welcomes a real Christian, who is absolutely innocent in relation to the sinful evictions/excommunications by the other churches on earth, then please do communicate yourself to me.

If there exists an employee of any church who might also be a Christian, then please do pray that God will protect me from the satanic pastors of churches.

If there exists an employee of any church who might also be a Christian, then please pray that God will send to me a young Christian woman (maybe from Canada or USA) of His choice for marriage.

Subject: An American church in Berlin, Germany, excommunicated an innocent Christian.

Appeal for practical Christian help:

Christian unmarried man who wants to marry a Christian woman is innocently excommunicated from the churches in Sweden, ousted from Swedish society, and currently without humane future in Sweden – because of Sweden's heartless pastors and heretic priests, and due to Sweden's satanic politicians and Sweden's aggressively anti-Christian culture.

To pastors/priests of churches who might also be Christian,

...

Current:

The past two weeks I have been visiting churches in Berlin, Germany. I am currently still in Berlin.

In Berlin, as anywhere, I am searching for a welcoming church that would allow Christian singles to communicate. My primary objective, also in Berlin, is to discover a Christian young woman to marry.

New churchianity incident:

- Saddleback Church (currently the 7th largest megachurch in USA founded by Rick Warren) in Berlin, Germany, excommunicated the absolutely innocent Christian visitor Torsten from attendance at all Saddleback "services" and all Saddleback "meetings". As a typical church, Saddleback absolutely refused to provide a reality-based or Biblical reason for their banishment against innocent Torsten, but Saddleback did indirectly acknowledge that Saddleback prioritises its alliances to their "ministry partners" who also have banished Torsten without a justifiable reason. Saddleback refused to specify who their ministry partners are, but acknowledged that Torsten had "carefully documented" with evidence the unjustifiable evils committed against Torsten by Saddleback's ministry allies. Saddleback indirectly acknowledged that God and truth are irrelevant, in comparison to Saddleback's ministry allegiances. As a typical church, Saddleback is an adversary to facts, evidence, truth, justice, love and God. Satan governs Saddleback in Berlin.: <http://www.kyrkor.be/Saddleback-Church-Berlin-excommunication.htm>

Recent incident in satanic Sweden:

- On Monday Sept. 12, 2016, Sweden declared intent to pursue criminal investigation against Torsten for hate speech. Swedish Police interfered and prohibited Torsten from publicly reading verses from the Bible. The speech titled '*The essential Biblical perspective on human homosexuality*' is entirely Bible based. The Swedish Police stopped Torsten's modestly presented tone of Biblical speech. The police asserted that Sweden equates public readings from the Bible with public readings from Adolph Hitler's 'Mein Kampf'. To the Swedish Police (and possibly also to the Swedish prosecutors), the Judeo-Christian Bible, which is God's Holy Word, is equally as hateful as the words of Adolph Hitler. In Sweden, God and Adolph Hitler are equally hateful. An audio recording of Torsten's written speech and of the Swedish Police interference exists.

Speech written: http://www.nenzen.net/Biblical_perspective_on_homosexuality.pdf

Speech recorded: http://www.nenzen.net/Swedish_Police_interference_of_religious_freedom_160912.mp3

Swedish Police statements to Torsten on Sept. 12, 2016:

- "Do you know who Hitler was? You know he has written a book; Mein Kampf. But if anyone would stand and read it, it doesn't matter if it is in a book. It is still hate speech. **It does not matter if it is in the Bible.**"
- "When you speak about homosexuality as something patronizing or wrong, then we have a problem."
- "You are suspected of crimes that you are required to not do."
- "I have seen that **it is hate speech.**"
- "What is going to happen is that a police report will be prepared and you will be called for questioning."

Previous churchianity incident:

- A typically satanic Pentecostal church, Hillsong London, evicted Torsten from their Sunday so-called 'service' and absolutely refused to provide a reality-based reason for their Hillsong's worldwide anti-Torsten policy and their global banishment against Torsten: <http://www.kyrkor.be/Hillsong-London-UK-eviction.htm>
- A typically satanic "Pentecostal" church in Sweden evicted Torsten from their churchy location and telephoned the Swedish national police with false accusations against Torsten of harassment and disturbance of peace. The evil sect Hillsong Stockholm in Sweden follows orders from Australia's evil sect leader Brian Houston, and imitate him. As always, when Torsten repeatedly inquires to the HillSect churches why their "church" has a globally confirmed anti-Torsten policy in effect with a global banishment, HillSect absolutely refuses to answer: http://www.kyrkor.be/Hillsong-Stockholm_Andreas-Nielsen_Sweden.htm
- A typically satanic Evangelical church, King's Church in Birmingham, explicitly forbade Torsten from visiting any of their so-called 'services', and as a typical church they absolutely refused to provide any reality-based or Biblical reason for their banishment against Torsten: <http://www.kyrkor.be/Kings-Church-Birmingham-UK.htm>

174. One hundred seventy-fourth International Plea

Subject: British churches persecute a Christian.

Appeal for practical Christian help:

Christian unmarried man who wants to marry a Christian woman is innocently excommunicated from the churches in Sweden, ousted from Swedish society, and currently without humane future in Sweden – because of Sweden’s heartless pastors and heretic priests, and due to Sweden’s satanic politicians and Sweden’s aggressively anti-Christian culture.

To pastors/priests of churches who might also be Christian,

...

Current:

Currently, I am in Alicante, Spain.

In the province of Valencia, Spain, there is no Christian church and no Catholic church that welcomes me. As with most Catholic dioceses worldwide where I have inquired to be welcomed, also the Catholic Archdiocese of Valencia has covertly banished me (<http://www.kyrkor.be/Valencia-Catholic-Archdiocese-Spain.htm>) previously. Furthermore, the municipal governments of Alicante and Santa Pola have explicitly prohibited my public sharing of the Gospel message. Publicly sharing written information about salvation through Jesus Christ is explicitly prohibited everywhere within these two Spanish municipalities of Valencia; through local government bylaws and conveyed by local police orders directly to me (One hundred fifty-first International Plea). When I inquired one year ago, no lawyer within Spain or from USA wanted to challenge Spain’s anti-Christian local governments’ prohibition of unauthorised leaflet distribution of Biblical information on public property.

When I visited London in United Kingdom one month ago, the churches would not welcome. There is no church anywhere within London which welcomes me or allows me to socialise with their churchianity-people. The pastors and priests of the churches in London have adopted a satanic policy to specifically disallow Torsten from communicating with women.

- A typically satanic Pentecostal church, Hillsong London, evicted Torsten from their Sunday so-called ‘service’ and absolutely refused to provide a reality-based reason for their Hillsong’s worldwide anti-Torsten policy and their global banishment against Torsten: <http://www.kyrkor.be/Hillsong-London-UK-eviction.htm>

Similar to the malicious churches in London, also the overwhelming majority of churches in Birmingham, United Kingdom, would not welcome Torsten.

- A typically satanic Evangelical church, King’s Church in Birmingham, explicitly forbade Torsten from visiting any of their so-called ‘services’, and as a typical church they absolutely refused to provide any reality-based or Biblical reason for their banishment against Torsten: <http://www.kyrkor.be/Kings-Church-Birmingham-UK.htm>

Evangelical Alliances, everywhere, persecute innocent Christians:

The Evangelical Alliance of United Kingdom (<http://eauk.org>) passively endorsed the explicit banishment by one of their evangelical member churches (<http://www.kyrkor.be/Kings-Church-Birmingham-UK.htm>) in Birmingham, UK. The Evangelical Alliance of United Kingdom (<http://eauk.org>) has previously opposed my critique against the British churches’ outsourcing of Christian relationships to their British pro-homosexuality website: <http://www.kyrkor.be/Evangelical-Alliance-United-Kingdom.htm>. The Evangelical Alliance of Ireland (<http://www.evangelical.ie>) was previously pointed out by their Vineyard Church in Dublin (<http://www.kyrkor.be/Dublin-Vineyard-Church-Ireland.htm>) as a source of active slander and lies against Torsten “*In the light of [...] correspondence from Evangelical Alliance Ireland [...] I am withdrawing the welcome.*”

Pentecostal leaders, everywhere, persecute innocent Christians:

The British Pentecostal corporation “Assemblies of God Great Britain” (<http://www.aog.org.uk>), which represent more than 500 Pentecostal churchianity industries in United Kingdom, and which is irrelevant to truth, justice or love, and which is disconnected from reality and from Biblical praxis, passively approved their lying Hillsong’s eviction and

persecution against Torsten. Identically, the global Pentecostal umbrella organisation "World Assemblies of God Fellowship" (<http://worldagfellowship.org>) passively endorsed the lying Hillsong's anti-Torsten policy and praxis. Hillsong in London absolutely refused to provide any reality-based reason or any Biblical reason for their Hillsong global ban against Torsten. Hillsong is instead preoccupied with slandering against Torsten to other churches of various denominations - behind Torsten's back. Torsten is entirely innocent of any wrongdoing in relation to any church on earth. Pastors' fantasies and pastors' maliciously invented lies constitute the base and substance of the churches' satanic persecution against Torsten.

Torsten is still indefinitely banned by United States of America:

United States of America indefinitely banned (2011) the innocent person Torsten from ever visiting USA as a tourist. The U.S.A. Department of State explained (2011) that the USA reason for permanently banning Torsten from ever visiting USA as a tourist is that Torsten's "ties to Sweden are too weak". Five years later (2016), Torsten inquired with the U.S. State Department if USA would alter course, towards intellectual and moral credibility, after the devilish Barack Hussein will have departed from the White House in January 2017. As is typical of any devilish government administration (US State Department à la Barack Hussein with his strategic ally Islamic Republic of Iran), the US State Department refused to answer if Torsten would be welcome as a tourist after the electoral removal of the Barack Hussein devil. Innocent Torsten is still indefinitely banned by U.S.A.: <http://www.kyrkor.be/the-Barack-Hussein-Obama-devil-in-USA.htm>

Torsten is still indefinitely banned by Canada:

When the innocent person Torsten arrived (2011) at Vancouver Airport, the Government of Canada arrested, handcuffed, detained, orally profaned, imprisoned, publicly paraded and deported the absolutely innocent person Torsten from Canada. The Canadian Government's reason for the Canadian Government intentional humiliation, deportation and indefinite banishment against innocent Torsten was a Canadian Government invented lie; that Torsten were "using a loophole in the law" to visit Canada as a tourist. The Government of Canada under the conservative but pro-abortion leadership of former PM Stephen Harper indefinitely banished innocent Torsten from Canada. In 2015, the prime ministerial powers of Canada were replaced by ultra liberal, pro-abortion, pro-Islam, pro-homosexuality and pro-cannabis PM Justin Trudeau. Five years later (2016) when innocent Torsten inquired with the Government of Canada, if Canada under the leadership of their new PM would acknowledge its preceding government's unjust ban and immoral conduct against innocent Torsten, and if Canada under PM Justin Trudeau would instead pursue justice by permitting innocent Torsten to visit Canada as a tourist, the Government of Canada refused to answer, refused to apologise, and refused to change its immoral anti-Torsten policy. Innocent Torsten is still indefinitely banned by the new Government of Canada under PM Justin Trudeau: <http://www.kyrkor.be/the-morally-confused-Justin-Trudeau-in-Canada.htm>

In December 2015, the Canberra-devils stole what belonged to me. In August 2016, the Westminster-devils stole what belonged to me. Wherever there is a Swedish tentacle, satan is connected. Sweden and satan have similar agendas.

Previous church incident:

- On Sunday July 3 2016, a typically satanic "Pentecostal" church in Sweden evicted Torsten from their churchy location and telephoned the Swedish national police with false accusations against Torsten of harassment and disturbance of peace. The evil sect Hillsong Stockholm in Sweden follows orders from Australia's evil sect leader Brian Houston, and imitate him. As always, when Torsten repeatedly inquires to the HillSect churches why their "church" has a globally confirmed anti-Torsten policy in effect with a global banishment, HillSect absolutely refuses to answer: http://www.kyrkor.be/Hillsong-Stockholm_Andreas-Nielsen_Sweden.htm

Priests, pastors, church leaders and Islamists are united by evil, but demonstrate their evils in different ways. Satan's Islam is more overtly evil compared with the more covert evil of satan's churchianity.

No profession on earth seems more oppositional to Biblical Christian marriage and more hostile to authentic Christians seeking Biblical marriage, than the hostile & hateful pastors/priests of churches.

No pastor/priest on earth knows Torsten. No Christian on earth knows Torsten. And without any reality-based reason, virtually all church-leaders lie, slander, gossip, excommunicate, assault and evict Torsten. This persecution by clergy of nearly all churches never stops, because satan never stops.

Churchianity is like a pestilence to societies everywhere.

The Federal Government of New Zealand which interrogated, arrested, imprisoned and deported the absolutely innocent person Torsten on Feb.14, 2015, based on invented lies by New Zealand's satanic pastors of churches, are still refusing to fully answer Torsten's inquiries regarding the Federal Government of New Zealand false accusations. The false charges by the Federal Government of New Zealand against the absolutely innocent Christian Torsten is based on utter lies – satanically contrived by the churches of New Zealand; lies which were maliciously fabricated, publicly disseminated (cyber bullying), and officially reported to New Zealand Police - by the lying pastors of the churches of New Zealand. Among the many public lies invented by New Zealand's satanic pastors of churches, one churchianity-lie was also officially accused against the innocent Christian Torsten by the Federal Government of New Zealand: "threatening attendees and being generally disruptive".: <http://www.kyrkor.be/New-Zealand-Federal-Governments-satanic-church-lies.htm>

In the cities of Australia and satanic New Zealand, their evil pastors of churches participate in pastoral membership-clubs for their lying, defaming, slandering, and persecuting against innocent Christians. One

example is the Cairns Christian Ministers Network (CCMN), which is designated as the original source and platform for lies, slander, defamation and persecution against the banished Christian person Torsten in Cairns. Torsten is absolutely innocent in relation to all excommunications, banishments and evictions by all churches in Cairns and globally. A typically satanic Australian pastor, Adem Xhafer, who also is the president of the secretive fraternal membership-club CCMN, absolutely refused to communicate, explain or attempt to justify the lies, slander and defamation by his pastoral club CCMN against innocent Torsten: http://www.kyrkor.be/Cairns_Christian_Ministers_Network_CCMN_Adem-Xhafer.htm

A summary of satan's evil pastors of churches in Cairns, Australia: <http://www.kyrkor.be/Devilish-Churches-in-Cairns-Australia.htm>

Australia's and New Zealand's satanic pastors of churches did everything in their evil capacity to destroy the Christian person Torsten. Satan's Australian and New Zealand pastors/priests of churches evicted/excommunicated Torsten in every major city, although Torsten is absolutely innocent in relation to all the lies invented by satan's Australian/New Zealand pastors of churches. None of Australia's or New Zealand's satanic pastors of churches repented from their sinful evictions/excommunications and their malicious lies against Torsten.

As empirical laws of reality: wherever there are professional pastors/priests governing churches, satan rules – through the pastors/priests. And wherever governments are allied with pastors of churches, government corruption is worsened.

If there exists an English-speaking Christian church anywhere on earth that truly welcomes a real Christian, who is absolutely innocent in relation to the sinful evictions/excommunications by the other churches on earth, then please do communicate yourself to me.

If there exists an employee of any church who might also be a Christian, then please do pray that God will protect me from the satanic pastors of churches.

If there exists an employee of any church who might also be a Christian, then please pray that God will send to me a young Christian woman (maybe from Canada or USA) of His choice for marriage.

Subject: London's malicious pastors of churches.

Appeal for practical Christian help:

Christian unmarried man who wants to marry a Christian woman is innocently excommunicated from the churches in Sweden, ousted from Swedish society, and currently without humane future in Sweden – because of Sweden's heartless pastors and heretic priests, and due to Sweden's aggressively anti-Christian culture.

Pastors/Priests of churches who might also be Christian,

Current:

Currently I am in Birmingham, United Kingdom.

Please pray that God will send to me here in Birmingham a woman of God's choosing for Christian marriage.

Torsten is not permitted to communicate with women inside the churches in London. Of course, none of London's evil pastors will ever provide any reality-based reason for their pastoral hatred and persecution against Torsten, because satan's pastors of churches in London have no reality-based reason for their banishment and persecution against Torsten.

Current:

Currently I am back in Stockholm, Sweden.

In satanic Sweden I have no humane future. In satanic Sweden I am ousted from all aspects of Swedish society; excommunicated by Swedish academia, excommunicated by Swedish churchianity, was prohibited by Sweden from appointed Christian marriage, was surveilled and stalked by Swedish security police, and am officially attributed with a “*delusional personality disorder*” by the Swedish government. Sweden is evil, and Sweden lies.

Recently (two weeks ago) in Phuket, Thailand, I inquired in person with three church pastors if any person from their churches wanted to accompany in respectful street evangelism; sharing the Gospel message with ordinary people on the streets in Patong. No person of any church in Phuket wanted to respectfully evangelise face-to-face on the street together: (<http://seedchurchthailand.com>), (<http://www.hopeofphuketchurch.com>), (<http://www.nbccp.org>), (<http://www.patongchurch.com>). One of the three local pastors, who are financed by Billy Graham Evangelistic Association (BGEA) (<http://billygraham.org>), excused that they instead focus at reaching local businesses towards attending a BGEA scheduled campaign in February 2017 (<https://www.facebook.com/andamanoflove/>). The churchianity in Phuket focus on campaigns, conferences and businesses. But not one single person of their churches wanted to accompany in face-to-face street evangelism with the ordinary people immediately outside their church buildings. BGEA does great work worldwide, and BGEA campaigns are good complements. But, partisan political leadership interests (affirmation of Mormonism as a non-cult) can undermine Christian credibility, and diversion from interpersonal grassroots evangelism strengthens the superficiality of churchianity.

Current:

Currently I am in Bangkok, Thailand.

As revealed earlier regarding Bangkok in my 155th International Plea in October 2015, Thailand is much more respectful to the universal human rights and fundamental freedom of religion than for example Ireland, Spain, satanic New Zealand and many cities in Australia.

Possibly the most formally polite cultures in the world are the Japanese and Thai cultures. In Bangkok, Thailand, the only unwelcoming and hostile people I have experienced are the pastors and leaders of churches. Western pastors of churches are like devils, also in Bangkok. However, two churches in Bangkok show tolerance to my attendance. The overwhelming majority of churches in Bangkok, however, have banned me explicitly and covertly.

The majority of these typically satanic churches in Busan, Korea, and in Tokyo, Japan (the two cities I visited most recently) did not welcome.

No profession on earth seems more oppositional to Biblical Christian marriage and more hostile to authentic Christians seeking Biblical marriage, than the hostile & hateful pastors/priests of churches.

Islam and evil pastors of churches share the same evil source: satan. Fundamentally, Islam is a lie and is evil. Churchianity is perverted loyalty to pastoral organisations at the expense of Biblical truth, truth and facts, love and justice. With Quranic and Hadith endorsements, Islamists persecute and physically kill Christians. Without Biblical endorsement, the majority of pastors of churches lie, slander, gossip, evict, assault, banish and persecute authentic Christians. Islamic evil is consistent with its doctrinal foundations. Churchianity's pastoral evils conflict with the Bible. Islamists kill innocent persons' bodies dramatically, with much media attention. Evil pastors of churches kill innocent persons' souls ordinarily, without media attention. In common, Islamists and evil pastors of churches share the same original evil source: satan.

Churchianity is like a pestilence to societies everywhere.

Not-ancient incidents by typically satanic pastors of churches:

44. The Federal Government of New Zealand which interrogated, arrested, imprisoned and deported the absolutely innocent person Torsten one year ago on Feb.14, 2015, based on invented lies by New Zealand's satanic pastors of churches, are still refusing to fully answer Torsten's inquiries regarding the Federal Government of New Zealand false accusations. The false charges by the Federal Government of New Zealand against the absolutely innocent Christian Torsten is based on utter lies – satanically contrived by the churches of New Zealand; lies which were maliciously fabricated, publicly disseminated (cyber bullying), and officially reported to New Zealand Police - by the lying pastors of the churches of New Zealand. Among the many public lies invented by New Zealand's satanic pastors of churches, one churchianity-lie was also officially accused against the innocent Christian Torsten by the Federal Government of New Zealand: "**threatening attendees and being generally disruptive**".: <http://www.kyrkor.be/New-Zealand-Federal-Governments-satanic-church-lies.htm>

Australia's and New Zealand's satanic pastors of churches did everything in their evil capacity to destroy the Christian person Torsten. Satan's Australian and New Zealand pastors/priests of churches evicted/excommunicated Torsten in every major city, although Torsten is absolutely innocent in relation to all the lies invented by satan's Australian/New Zealand pastors of churches. None of Australia's or New Zealand's satanic pastors of churches repented from their sinful evictions/excommunications and their malicious lies against Torsten.

As empirical laws of reality: wherever there are professional pastors/priests governing churches, satan rules – through the pastors/priests. And wherever governments are allied with pastors of churches, government corruption is worsened.

If there exists an English-speaking Christian church anywhere on earth that truly welcomes a real Christian, who is absolutely innocent in relation to the sinful evictions/excommunications by the other churches on earth, then please do communicate yourself to me.

If there exists an employee of any church who might also be a Christian, then please do pray that God will protect me from the satanic pastors of churches.

If there exists an employee of any church who might also be a Christian, then please pray that God will send to me a young Christian woman (maybe from Canada or USA) of His choice for marriage.

Current:

Currently I am in Busan, Korea.

Prior to my stay here in Busan, Korea, I visited Osaka and Tokyo in Japan where there seemed to be no truly welcoming church. The majority of the typically satanic churches in Tokyo has previously (<http://www.kyrkor.be/Devilish-Churches-in-Tokyo-Japan.htm>) banished or refused to welcome me.

Churchianity is like a pestilence to societies everywhere, and also the churchianity in South Korea appears to be typically devilish.

New incidents by devilish pastors of churches:

1. New Philadelphia Church in Busan, Korea, welcomed to their Sunday performances but declined a Christian's application form to fellowship/socialise with other people in community groups: <http://www.kyrkor.be/New-Philadelphia-Church-Busan-Korea.htm>
2. Sooyoungro Presbyterian Church in Busan, Korea, satanically refused to welcome a Christian: <http://www.kyrkor.be/Sooyoungro-Presbyterian-Church-Busan-Korea.htm>
3. The Presbyterian Church of Korea denomination in Korea devilishly refused to welcome a Christian: <http://www.kyrkor.be/The-Presbyterian-Church-of-Korea.htm>

Current:

Currently I am in Osaka, Japan.

Prior to my visit to Osaka, I revisited Tokyo where there appears to be no truly welcoming church (<http://www.kyrkor.be/Devilish-Churches-in-Tokyo-Japan.htm>). On my previous visit to Tokyo one year ago, the majority of the typically satanic churches banished or refused to welcome me.

Churchianity is like a pestilence to societies everywhere, and also the churchianity in Japan appears to be typically satanic, due to the predominantly Western-influenced and Western-controlled pastors. The professional pastors of churchianity everywhere, similar to Satan, seek to kill and destroy God's good plans.

Domesticated pets are normally treated more humanely than the way pastors/priests of churches normally treat Torsten. In the spheres of churchianity, Torsten is inferior to a beast.

No Christian person on earth knows Torsten, and yet, in principle all pastors of churches everywhere persecute Torsten.

Visibly missionizing the streets of Tokyo and Osaka are the non-Christian sects and cults (<http://iglesianicristo.net>, <https://www.jw.org/ja>, <http://ffwpu.jp>, <http://www.ldschurch.jp>). Similar to all other societies, also in Japan the traditionally Christian denominations are preoccupied with persecution of the Bible-affirming Christians who, unlike their hypocritical and satanic church leaders, will not compromise Biblical teaching on Christian marriage.

Satan's Australian & New Zealand pastors of churches invented lies, falsely accused, slandered, defamed, cyber bullied, gossiped and incessantly persecuted the innocent Christian person Torsten, and consequently, God's good plans for Torsten to marry a Godly appointed woman was annulled in Australia. Satan is the master of the vast majority of Australia's and New Zealand's churches - through the satanic pastors and priests.

A typically satanic Australian pastor (Justin Moffatt) of a typical church in Australia, [Church Hill Anglican Church in Sydney](http://www.kyrkor.be/Church-Hill-Anglican-Church-Sydney-Australia-160214.htm), demonstrates a characteristic attribute of satan in the absolute refusal to repent from sins against Torsten: <http://www.kyrkor.be/Church-Hill-Anglican-Church-Sydney-Australia-160214.htm>
35. A typically satanic Australian pastor (Michael Paget) of a typical church in Australia, [St Barnabas Anglican Church in Sydney](http://www.kyrkor.be/St-Barnabas-Anglican-Church-Sydney-Australia-160214.htm), demonstrates a characteristic attribute of satan in the absolute refusal to repent from sins against Torsten: <http://www.kyrkor.be/St-Barnabas-Anglican-Church-Sydney-Australia-160214.htm>
36. The Federal Government of New Zealand which interrogated, arrested, imprisoned and deported the absolutely innocent person Torsten one year ago on Feb.14, 2015, based on invented lies by New Zealand's satanic pastors of churches, are still refusing to fully answer Torsten's inquiries regarding the Federal Government of New Zealand false accusations. The false charges by the Federal Government of New Zealand against the absolutely innocent Christian Torsten is based on utter lies – satanically contrived by the churches of New Zealand; lies which were maliciously fabricated, publicly disseminated (cyber bullying), and officially reported to New Zealand Police - by the lying pastors of the churches of New Zealand. Among the many public lies invented by New Zealand's satanic pastors of churches, one churchianity-lie was also officially accused against the innocent Christian Torsten by the Federal Government of New Zealand: "**threatening attendees and being generally disruptive**".: <http://www.kyrkor.be/New-Zealand-Federal-Governments-satanic-church-lies.htm>

Australia's and New Zealand's satanic pastors of churches did everything in their evil capacity to destroy the Christian person Torsten. Satan's Australian and New Zealand pastors/priests of churches evicted/excommunicated Torsten in every major city, although Torsten is absolutely innocent in relation to all the lies invented by satan's Australian/New Zealand pastors of churches. None of Australia's or New Zealand's satanic pastors of churches repented from their sinful evictions/excommunications and their malicious lies against Torsten.

As empirical laws of reality: wherever there are professional pastors/priests governing churches, satan rules – through the pastors/priests. And wherever governments are allied with pastors of churches, government corruption is worsened.

If there exists an English-speaking Christian church anywhere on earth that truly welcomes a real Christian, who is absolutely innocent in relation to the sinful evictions/excommunications by the other churches on earth, then please do communicate yourself to me.

If there exists an employee of any church who might also be a Christian, then please do pray that God will protect me from the satanic pastors of churches.

If there exists an employee of any church who might also be a Christian, then please pray that God will send to me a young Christian woman (maybe from Canada or USA) of His choice for marriage.

Appeal for practical **Christian help:**

Christian unmarried man who wants to marry a Christian woman is innocently excommunicated from the churches in Sweden, ousted from Swedish society, and currently without humane future in Sweden – because of Sweden's heartless pastors and heretic priests, and due to Sweden's aggressively anti-Christian culture.

Pastors/Priests of churches who might also be Christian,

Current:

Currently I am in Cairns, Australia.

Because of satan's Australian & New Zealand pastors of churches unceasing invention of lies, false accusations, slandering, defaming, cyber bullying, gossiping and persecuting the innocent but evicted/excommunicated Christian person Torsten, God's good plans for Torsten to marry a Godly appointed woman is consistently annulled.

- A pastoral membership-club for lying, defaming, slandering, and persecuting innocent Christians, the Cairns Christian Ministers Network (CCMN), is designated as the original source and platform for lies, slander, defamation and persecution against the banished Christian person Torsten in Cairns. Torsten is absolutely innocent in relation to all excommunications, banishments and evictions by all churches in Cairns and globally. A typically satanic Australian pastor, Adem Xhafer, who also is the president of the secretive fraternal membership-club CCMN, absolutely refused to communicate, explain or attempt to justify the lies, slander and defamation by his pastoral club CCMN against innocent Torsten: http://www.kyrkor.be/Cairns_Christian_Ministers_Network_CCMN_Adem-Xhafer.htm
- A summary, which will soon be updated, of satan's evil pastors of churches in Cairns, Australia: <http://www.kyrkor.be/Devilish-Churches-in-Cairns-Australia.htm>

New incident by satanic pastors of churches:

1. Typically satanic Australian pastors of "Ark Ministries Church" in Cairns, Australia, explicitly excommunicated, evicted from church property, physically **evicted** from public property, **violently assaulted** and **verbally abused** an innocent Christian who visited their 'church': http://www.kyrkor.be/Ark_Ministries_Cairns_Australia.htm
2. Typically satanic Australian pastors of "Cairns Presbyterian Church" in Cairns, Australia, **explicitly excommunicated and evicted** from the church premises an innocent Christian and absolutely refused to communicate or to specify a reason for their Presbyterian banishment and eviction: http://www.kyrkor.be/Cairns_Presbyterian_Church_Australia.htm
3. The typically satanic, dishonest and sly Australian pastors 'Wedra' of "Generations Church" in Cairns and Port Douglas, Australia, **explicitly banished** an innocent Christian: http://www.kyrkor.be/Generations_Church_Cairns_Australia.htm

Torsten the terrorist and sociopath:

The Australian government (similar to the satanic New Zealand government) has now proven beyond a shadow of a doubt that its intelligence agencies ASIO and ONA are unreliable in any way, shape, or form. More than one year ago, I had read an erroneous report in another country, created by the Australian government, about my person. Therefore, Australia had already indicated their low quality of Australian intelligence and its ineptness for sound analyses. Last week, however, Australia's government demonstrated its ignorance and senseless incompetence on an unprecedented scale against my person, when six armed investigative Australian policemen woke me up in the night as they entered my accommodation, with purpose to search through my possessions and to drive me to their Australian police station in Brisbane for a recorded interview – regarding suspicion of terrorism!: <http://www.kyrkor.be/Torsten-the-terrorist-and-sociopath-in-Australia.htm>

Subject: Persecution by Australia's satanic pastors and priests of churches.

Appeal for practical Christian help:

Christian unmarried man who wants to marry a Christian woman is innocently excommunicated from the churches in Sweden, ousted from Swedish society, and currently without humane future in Sweden – because of Sweden's heartless pastors and heretic priests, and due to Sweden's aggressively anti-Christian culture.

Pastors/Priests of churches who might also be Christian,

Current:

Currently I am in Brisbane, Australia.

Because of satan's Australian & New Zealand pastors of churches unceasing invention of lies, false accusations, slandering, defaming, cyber bullying, gossiping and persecuting the innocent but evicted/excommunicated Christian person Torsten, God's good plans for Torsten to marry a Godly appointed woman is consistently annulled.

There is no Christian church anywhere in Australia where Torsten is truly welcome. Torsten is absolutely innocent in relation to all allegedly 'Christian' churches that persecute.

New incident by satanic pastors of churches:

- A typically satanic Australian pastor (Ben Windle) of a typical church in Australia, Lifepace Brisbane Church in Brisbane, demonstrates a characteristic attribute of satan in the absolute refusal to repent from sins against Torsten: http://www.kyrkor.be/Ben_Windle_Lifepace-Brisbane-Church-Australia.htm

Recent incidents by satanic pastors of churches:

1. A typically satanic Australian pastor (Jason Brown) of a typical church in Australia, Ann Street Church of Christ in Brisbane, demonstrates a characteristic attribute of satan in the absolute refusal to repent from sins against Torsten: <http://www.kyrkor.be/Ann-Street-Church-of-Christ-Brisbane.htm>
2. Two typically satanic Australian pastors (Gerard O'Brien & Simon Manchester) of a typical church in Australia, St Thomas Anglican Church in Sydney, demonstrates a characteristic attribute of satan in the absolute refusal to repent from sins against Torsten: <http://www.kyrkor.be/St-Thomas-Anglican-Church-Sydney-Australia.htm>
3. A typically satanic Australian pastor (Justin Moffatt) of a typical church in Australia, Church Hill Anglican Church in Sydney, demonstrates a characteristic attribute of satan in the absolute refusal to repent from sins against Torsten: <http://www.kyrkor.be/Church-Hill-Anglican-Church-Sydney-Australia-160214.htm>
4. A typically satanic Australian pastor (Michael Paget) of a typical church in Australia, St Barnabas Anglican Church in Sydney, demonstrates a characteristic attribute of satan in the absolute refusal to repent from sins against Torsten: <http://www.kyrkor.be/St-Barnabas-Anglican-Church-Sydney-Australia-160214.htm>
5. The Federal Government of New Zealand which interrogated, arrested, imprisoned and deported the absolutely innocent person Torsten one year ago on Feb.14, 2015, based on invented lies by New Zealand's satanic pastors of churches, are still refusing to fully answer Torsten's inquiries regarding the Federal Government of New Zealand false accusations. The false charges by the Federal Government of New Zealand against the absolutely innocent Christian Torsten is based on utter lies – satanically contrived by the churches of New Zealand; lies which were maliciously fabricated, publicly disseminated (cyber bullying), and officially reported to New Zealand Police - by the lying pastors of the churches of New Zealand. Among the many public lies invented by New Zealand's satanic pastors of churches, one churchianity-lie was also officially accused against the innocent Christian Torsten by the Federal Government of New Zealand: **"threatening attendees and being generally disruptive"**.: <http://www.kyrkor.be/New-Zealand-Federal-Governments-satanic-church-lies.htm>

It seems apparent that no church on earth cares, in reality, about truth when truth, by evidence, implicate that the overwhelming majority of professional pastors of churches act in alignment with satan against innocently excommunicated Torsten; with their pastoral lies, false accusations, slander, defamation, gossip, cyber bullying and persecution.

In response to my previous global plea and inquiry on March 1 2016, if there exists an English-speaking Christian church anywhere on earth that truly welcomes a real Christian, and my request that such a church would make itself known to me, only two pastors of churches on earth replied:

- A devilish pastor in United Kingdom, Mark Aldridge of New Wine International, insinuated that the excommunicated Christian person Torsten, who is absolutely innocent in relation to all excommunications by churches everywhere on earth, is guilty of something: <http://www.kyrkor.be/New-Wine-Churches-Mark-Aldridge.htm>
- A devilish pastor in United States, Scott Sekulow of Congregation Beth Adonai, baselessly accused the innocently excommunicated Christian person Torsten of lying, and by effect asserted that Scott Sekulow does not care that the churches on earth persecute Torsten: http://www.kyrkor.be/Beth-Adonai-Church_Mark-Sekulow.htm

Torsten has prayed daily to meet a Christian woman of God's choosing for more then two decades, and Torsten certainly does want to marry a Christian woman of God's choosing. But, nearly all pastors of all churches on earth where Torsten has visited or communicated have sought to hinder Christian friendships, hinder Christian relationships and prevent a Christian marriage. The vast majority of pastors of churches on earth have done the will of satan in this. None of these pastors of churches have repented from their sin, but continue to serve satan in this.

Australia's and New Zealand's satanic pastors of churches are doing everything in their evil capacity to destroy the Christian person Torsten. Satan's Australian and New Zealand pastors/priests of churches evict/excommunicate Torsten in every major city, although Torsten is absolutely innocent in relation to all the lies invented by satan's Australian/New Zealand pastors of churches. None of Australia's or New Zealand's satanic pastors of churches have repented from their sinful evictions/excommunications and their malicious lies against Torsten.

As empirical laws of reality: wherever there are professional pastors/priests governing churches, satan rules – through the pastors/priests. And wherever governments are allied with pastors of churches, government corruption is worsened.

Evicting/excommunicating the innocent, lying, slandering, defaming, cyber bullying and gossiping is the typical conduct of the majority of pastors and priests of churches. Facts, evidence, truth, justice and love are irrelevant to the vast majority of pastors and priests of churches.

If there exists an English-speaking Christian church anywhere on earth that truly welcomes a real Christian, who is absolutely innocent in relation to the sinful evictions/excommunications by the other churches on earth, then please do communicate yourself to me.

If there exists an employee of any church who might also be a Christian, then please do pray that God will protect me from Australia's satanic pastors of churches.

If there exists an employee of any church who might also be a Christian, then please pray that God will send to me a young Christian woman (maybe from Canada or USA) of His choice for marriage.

A typically satanic Australian pastor of a church in Australia (Pastor Jason Brown) of Ann Street Church of Christ in Brisbane has now revealed that the Australian based international **Hillsong** empire is a specified source who en masse has invented lies, falsely accused, defamed, slandered and gossiped against the absolutely innocent person Torsten, warning all churches everywhere that "*This person is disruptive.*" Earlier, Hillsong's senior pastor in Hobart, Tasmania, revealed that Hillsong's "*chief correspondent*" is their source; which would seem to point to Hillsong's chief - Brian Houston.

Last week, in conjunction with respectful street evangelism in Brisbane, an elderly kind-voiced woman came up to me and said "Jesus is OK. It's the churches." A few days later on a Sunday while I was interviewing one of Australia's typically satanic pastors of churches, a gentleman walked past the church building and said loudly "Don't believe a word they say." It is understandable why a small minority of people in Australia are antagonistic towards "Christianity", because Biblical Christianity is unfortunately burdened by association to churchianity

(religious organisations with extreme hypocrisies by their leaders, leadership abuses, unrepentant leaders of evils, relational falsehood, and at times disrespectful/loveless presentations of the Gospel).

Torsten has prayed daily to meet a Christian woman of God's choosing for more than two decades, and Torsten certainly does want to marry a Christian woman of God's choosing. Currently I am in Sydney, Australia. My primary objective in Australia is to connect with a Christian woman of God's choosing for Christian marriage. However, because of the satanic conduct of the overwhelming majority of Australia's pastors of churches, I have no possibility for authentic Christian fellowship or possibility towards Christian marriage, because of deliberate hindrances by Australia's devilish pastors of churches. Also in Sydney, there is no church anywhere where I am permitted to fellowship.

- The Federal Government of New Zealand which interrogated, arrested, imprisoned and deported the absolutely innocent person Torsten one year ago on Feb.14, 2015, based on invented lies by New Zealand's satanic pastors of churches, are still refusing to fully answer Torsten's inquiries regarding the Federal Government of New Zealand false accusations. - A typically satanic Australian pastor (Justin Moffatt) of a typical church in Australia, [Church Hill Anglican Church in Sydney](http://www.kyrkor.be/Church-Hill-Anglican-Church-Sydney-Australia-160214.htm), demonstrates a characteristic attribute of satan in the absolute refusal to repent from sins against Torsten. It is a sin to lie, it is a sin to falsely accuse innocent persons, and it is a sin to excommunicate/evict Christians who are absolutely innocent in relation to eviction/excommunication. Neither satan nor satan's Australian pastors/priests of churches will ever repent from their sins against Torsten. Truthfully revealing with facts and evidence the pastoral lies and unrepentant evils of pastors, is according to Justin Moffatt a sin. The Anglican Rector Senior Minister Justin Moffatt is a typical epitome of such typical churchianity hypocrisy: <http://www.kyrkor.be/Church-Hill-Anglican-Church-Sydney-Australia-160214.htm>
- A typically satanic Australian pastor (Michael Paget) of a typical church in Australia, [St Barnabas Anglican Church in Sydney](http://www.kyrkor.be/St-Barnabas-Anglican-Church-Sydney-Australia-160214.htm), demonstrates a characteristic attribute of satan in the absolute refusal to repent from sins against Torsten. It is a sin to lie, it is a sin to falsely accuse innocent persons, and it is a sin to excommunicate/evict Christians who are absolutely innocent in relation to eviction/excommunication. Neither satan nor satan's Australian pastors/priests of churches will ever repent from their sins against Torsten. The Anglican Senior Minister Mike Paget continues to falsely accuse Torsten of an unspecified psychiatric disease: <http://www.kyrkor.be/St-Barnabas-Anglican-Church-Sydney-Australia-160214.htm>

Australia's satanic pastors of churches have done everything in their evil capacity to destroy the Christian person Torsten. Satan's Australian pastors/priests of churches have excommunicated Torsten, in every major city in Australia where Torsten has visited. The overwhelming majority of Australia's satanic pastors of churches do not welcome Torsten, excommunicate Torsten, lie and slander against Torsten, and persecute Torsten, although Torsten is absolutely innocent in relation to all churches. None of Australia's devilish pastors of churches have chosen to repent from their sinful excommunications and their malicious lies against Torsten.

Nearly all churches in Sydney (<http://www.kyrkor.be/Devilish-Churches-in-Sydney.htm>), Australia, have previously excommunicated Torsten. The truth is: Torsten is absolutely innocent of any wrongdoing in relation to each of the excommunicating churches in Australia. Australia's satanic pastors/priests of churches who have excommunicated Torsten, in spite that Torsten is absolutely innocent in relation to them, are sinfully pursuing the will of satan – to obsessively persecute and inflict suffering upon the innocent Bible-affirming Christian Torsten.

In relation to the churches in Australia, Torsten is not a human. Australia's dehumanising churches have stripped from Torsten human dignity. Australia's church leaders are almost as satanic in conduct against Torsten as the satanic Swedish pastors. Inside the churches of Australia, there is no humanity for Torsten, there is no compassion for Torsten, there is no love, and there is no justice for Torsten. Truth, facts and evidence are irrelevant to satan's Australian pastors of churches.

More than two years ago, all of the pastors/priests in Sydney refused to welcome and explicitly excommunicated from fellowship the absolutely innocent Christian person Torsten. (<http://www.kyrkor.be/Devilish-Churches-in-Sydney.htm>) More than two years later, none of Sydney's pastordemons have yet repented from their anti-Godly excommunications against the absolutely innocent Christian person Torsten. Australia's satanic pastors of churches incessantly lie, excommunicate and persecute the innocent Christian Torsten, because satan inside the pastors' minds motivate them. The Australian pastors of churches know that they have no Biblical or reality-based reason to excommunicate and persecute the innocent Christian person Torsten, and therefore the pastors of churches refuse to communicate and to justify their conduct. Only by intentionally inventing new lies or by regurgitating old lies can pastors attempt to temporarily justify their evictions and excommunications.

Satan's Australian pastors of churches in Sydney, who previously have lied against me and excommunicated me from their churches, refuse to repent from their sinful excommunications against the absolutely innocent person Torsten. Sydney's pastors and priests of churches will probably never repent from their satanic lies, evils and sinful excommunications against Torsten, because refusal to repent from acts of evil is the very nature of satan. Satan's Australian pastors of churches in Sydney have seemingly chosen to not repent from their evils against Torsten, but have chosen to continue to persecute Torsten and to serve satan.

During the past 21 years of street evangelism, there has never been a hostile confrontation which I have not managed to defuse. However, on Feb.13 2016, that perfect track record was interrupted by a physical assault against me by a hostile Australian man in Sydney. Every week, during my total 1½ years of stay on numerous visits in Australia, a tiny minority of hostile Australians have on public properties shouted profanities, threatened or spat on me. I am not immune to public misconduct against me, but I am very much accustomed to it weekly. Previous to this recent physical assault incident in Australia, the only physical assaults I was subjected to came from pastors and church leaders inside churches. But, on this my first occasion of physical assault outside of churches on Feb.13 2016, a non-churched Australian physically assaulted me continually together with threats on public property, so that I was necessitated to physically defend myself. In my personal experience, therefore, physical assaults and violence against me is no longer committed exclusively by church leaders but has now occurred also by a member of the Australian non-churched populace. When Australia's NSW Police arrived on the assault scene in Sydney, I pointed out to the Australian police the CCTV camera location and advised the police to review Sydney's CCTV recording of the assault incident to attain evidential accuracy of incident description. Because I have previously been exposed to a corrupt nature of Australia's police forces in conjunction with the physical assaults by pastors inside churches, and since I have read a distortive report by a federal department of the Australian Government about me sent to another nation state (New Zealand), I have zero trust in the

Australian police towards any attempt of accuracy of reporting. The corruption and distortion by the Australian Government are almost as vile as the invented lies by Australia's satanic church pastors.

As empirical laws of reality: wherever there are professional pastors/priests governing churches, satan rules – through the pastors/priests. And wherever governments are allied with pastors of churches, government corruption is worsened.

I revisited Singapore for one week during the first week of February 2016, and although Singapore is an appealingly aesthetic city, there is no church anywhere in Singapore which will allow Torsten to fellowship (<http://www.kyrkor.be/Singapore-Churches-are-Inhumane.pdf>). Churchianity in Singapore continues its persecution against Torsten. Similar to churches everywhere, relationships and social life also in Singapore is outsourced by the churches to secular websites or profit-driven websites. I signed up to a "Christian" singles group in Singapore (<http://www.meetup.com/Christian-Singles-Hangout/>) with more than 2000 members called Christian Singles Hangout. I never communicated with anyone in that group, but only signed up. After a week on 2016-02-11 the group's organizers sent a message "You have been removed from Christian Singles Hangout." Twice I messaged my inquiry with the group organizers why they had decided to ban me from their "Christian" group, but the organizers would neither respond nor provide reason for their banishment.

Excommunicating the innocent, lying and slandering is the typical conduct of churchists, pastors and priests. Facts, evidence, truth, justice and love are irrelevant to the vast majority of pastors of churches. If there exists an employee of any church who might also be a Christian, then please do pray that God will protect me from Australia's satanic pastors of churches.

Current:

Australia's satanic pastors of churches have done everything in their evil capacity to destroy the Christian person Torsten. Satan's Australian pastors/priests of churches have excommunicated Torsten, in every major city in Australia where Torsten has visited. The overwhelming majority of Australia's satanic pastors of churches do not welcome Torsten, excommunicate Torsten, lie and slander against Torsten, and persecute Torsten, although Torsten is absolutely innocent in relation to all churches.

In relation to the churches in Australia, Torsten is not a human. Australia's dehumanising churches have stripped from Torsten any remaining human dignity. Australia's church leaders are almost as satanic in conduct against Torsten as the satanic Swedish pastors. Inside the churches of Australia, there is no humanity for Torsten, there is no compassion for Torsten, there is no love, and there is no justice for Torsten. Truth, facts and evidence is irrelevant by churches.

My primary objective in Australia is to connect with a Christian woman of God's choosing for Christian marriage. Currently I am in Melbourne, Australia, without possibility for authentic Christian fellowship or possibility towards Christian marriage, because of deliberate hindrances by Australia's devilish pastors of churches.

Nearly all churches in Melbourne, Australia, have excommunicated me. The truth is: I am absolutely innocent of any wrongdoing in relation to each of the excommunicating churches in Australia. Australia's satanic pastors/priests of churches who have excommunicated me, in spite that I am absolutely innocent in relation to them, is simply pursuing the will of satan – to persecute and inflict suffering upon the innocent Bible-affirming Christian Torsten.

As an empirical law of reality: wherever there are professional pastors/priests governing churches, satan rules – through the pastors/priests.

Excommunicating the innocent, lying and slandering is the typical conduct of churchists, pastors and priests. Facts, evidence, truth, justice and love are irrelevant to the vast majority of pastors of churches. If there exists

an employee of any church who might also be a Christian, then please do pray that God will protect me from Australia's satanic pastors of churches.

Three years ago soon, ~99% of the pastors/priests in Melbourne refused to welcome and explicitly excommunicated the absolutely innocent Christian person Torsten. (<http://www.kyrkor.be/Devilish-Churches-in-Melbourne.htm>), (<http://www.kyrkor.be/Devilish-Churches-in-Adelaide-Australia.htm>). Nearly three years later, none of Melbourne's pastordevils have yet repented from their anti-Godly excommunications against the absolutely innocent Christian person Torsten. Australia's satanic pastors of churches incessantly lie, excommunicate and persecute the innocent Christian Torsten, because satan inside the pastors' minds motivate them. The Australian pastors of churches know that they have no Biblical or reality-based reason to excommunicate and persecute the innocent Christian person Torsten, and therefore the pastors of churches refuse to communicate and to justify their conduct. Only by intentionally inventing new lies or by regurgitating old lies can pastors attempt to temporarily justify their evictions and excommunications. In Melbourne, one of the typically satanic churches which expressed its satanic nature explicitly with lies against Torsten was the Beit HaMashiach Messianic church (<http://www.kyrkor.be/BeitHaMashiach-Messianic-Church-Melbourne.pdf>). As is typical of satan's church leaders, they always lie and always refuse to repent of their acts of evil (<http://www.kyrkor.be/Beit-HaMashiach-Church-Melbourne.htm>). Lawrence Hirsch, who is still the executive director of malicious Celebrate Messiah Australia (<http://www.celebratemessiah.com.au/about-us/meet-our-outreach-workers.html>) and who partners with Chosen People Ministries (<http://www.chosenpeople.com>) should serve as a warning to all humane and intelligent members of civilised societies – to keep away from most churches. Internationally, every congregation associated with Chosen People Ministries have excommunicated or shunned Torsten without any reality-based reason.

Even after three years, all of the devilpastors of Melbourne's excommunicating churches have refused to repent from their excommunications against the absolutely innocent person Torsten. Melbourne's pastors and priests of churches will probably never repent, because refusal to repent from acts of evil is the very nature of satan.

Australia's federal government is like a malicious thief, and lacks basic morality.

- On 2016-01-20, the Irish Human Rights and Equality Commission (IHREC) of Dublin, Ireland, decided that it is reasonable of Ireland's courts and Dublin City Council to prohibit Christians from publicly distributing Christian literature of format of choice, although the restriction has no legal basis whatsoever: <http://www.kyrkor.be/Ireland-IHREC-determines-antichristianity-reasonable.htm>

Subject: Innocent Christian persecuted by Australia's harsh and hostile devil-pastors.

Appeal for practical Christian help:

Pastors/Priests of churches who might also be Christian,

...

Current:

I am currently stuck in Melbourne, Australia, without any possibility for authentic Christian fellowship or towards Christian marriage.

As a city, Melbourne is my preferred city in Australia. Unfortunately, the satanic Australian pastors of churches in Melbourne make Melbourne an impossible city for me as a Bible-affirming Christian to have a future, because there is no possibility for me to authentic Christian fellowship and towards Christian marriage in Melbourne – due to obstruction by Melbourne's devil-pastors of churches. Nearly all of Australia's devil-pastors of churches in Melbourne have excommunicated me explicitly, implicitly or covertly. There is naturally no church anywhere in Melbourne where I would be permitted and able to establish authentic communication with an intelligent and Holy Spirit-filled Christian young woman. Australia's satanic pastors and priests have done everything in their capacity to hinder God's intended blessing, and the satanic Australian church-pastors continue to seek to prevent God's goodness. Australia's pastor-devils never repent, and neither does satan.

Although I am persecuted by the vast majority of Australia's satanic pastors/priests, I continue praying that God will send to me while I am stuck here in Melbourne, Australia, a young Christian woman of His choosing for marriage.

In every city in Australia where I have visited, the satanic Australian church-pastors and their obsessed churchists excommunicate, evict, obstruct or thwart all possibilities for communication. Satan of most of the churches in Australia is determined to destroy Godly outcome.

Excommunicating the innocent, lying and slandering is the typical conduct of churchists, pastors and priests. Facts, evidence, truth, justice and love are irrelevant to the vast majority of pastors of churches. If there exists an employee of any church who might also be a Christian, then please do pray that God will protect me from Australia's satanic pastors of churches.

Satan of the Swedish churches initiated the destruction and persecution against Torsten, and subsequent to the excommunications and inhumanity by the satanic churches of Sweden, essentially all other churches across the globe have chosen to follow suit with satanic Sweden's churches. Generally, whichever church Torsten visits across the globe, church leaders copy the preceding Swedish churches' satanic behaviours with never-ceasing additional excommunications and persecution. None of satan's pastors and priests of churches who have excommunicated and persecuted Torsten have provided a Biblical or reality-based reason for their excommunications and persecution.

Satan of the churches is skilled at obstructing God's good intentions. As a rule of thumb, whichever church I visit on earth, the pastors/priests of churches will excommunicate, ostracise, lie, slander, persecute, thwart and obstruct God's goodness. There is absolutely no Biblical or reality-based reason for any church leader anywhere on earth to behave like satan, in these ways. Although it is possible for church leaders to welcome, support or to serve the innocently excommunicated Christian person Torsten, church leaders generally do not want to do anything that could be beneficial towards a Godly outcome for Torsten. Intuitively, the vast majority of leaders of churches instead align with the will of satan to destroy God's goodness for Torsten. Almost exclusively, when Torsten has personally shared with any purportedly Christian person about Torsten's prayer request for marriage with a woman of God's choosing, "Christians" always pray for anything else but marriage. Generally, when churchpeople pray corporally, prayer subjects are not personal and authentic, but are almost exclusively confined to secularly dramatic news headlines, impersonal and distant difficulties, or churchianity-approved abstractions. When Torsten in authentic despair recently asked a Spiritually gifted man (who is also a pastor) in Australia for directional help, he declined.

- An initially positive encounter was recently turned around to yet another indication of the widespread lovelessness and inhumanity of churchianity. Despite the fact that the innocently excommunicated Torsten experience authentic suffering and despair, due to the never-ending persecutions, ostracisms, obstructions, inhumanity and evils committed by the vast majority of pastors/priests of churches everywhere, Torsten turned to a prophetically gifted man and pleaded for assistance in Spiritual direction, but the prophetically gifted man responded to Torsten's plea by declaring intent to not pray/not serve/not help, and refused to give reason for refusal to pray/serve.
<http://www.kyrkor.be/Anoint-the-World-Ministries.htm>

In context of churchianity, I am rejected, opposed and am in principle unwelcome everywhere. No human of churchianity offers humanity or wants to help. Satan is (still) victorious in the destruction of Torsten's life circumstances, because of the pastors/priests of churches.

- In the nation of Australia, the most harsh, hostile and hateful Australians appear to be the pastors/priests of churches. In no other institutions of Australia is hypocrisy greater than within churchianity.

As a Christian in Australia, the most unsafe place for me in the Australian urban environments is inside churches, where the Australian pastors violently and physically assault Christians who are absolutely innocent of any wrongdoing in relation to their churches:

- Australia's violently and physically assaulting Pentecostal church of tennis-playing Rector Margaret Court:
<http://www.kyrkor.be/Victory-Life-Centre-Church-Perth-Australia.htm>
- Australia's corrupt WA police force and Australia's physical-assault-indifferent Prime Minister Turnbull:

Australia's PM Turnbull, by the way, declares "Our best allies in the battle against terrorism are the Muslim community." (<http://goo.gl/viivYJe>)
- Australia's violently and physically assaulting Pentecostal church in Adelaide: <http://www.kyrkor.be/Adelaide-Christian-Centre-Sturt-Street.htm>
- Australia's corrupt and physical-assault-indifferent SA police force declare that prosecution of physical assault committed by pastors is not in the public interest: <http://www.kyrkor.be/South-Australia-Police-SAPOL.htm>

Current:

I am currently stuck in Melbourne, Australia, without any possibility towards Christian marriage. Nearly all of Australia’s devil-pastors of churches in Melbourne have excommunicated me explicitly, implicitly or covertly. There is naturally no church anywhere in Melbourne where I would be permitted and able to establish authentic communication with an intelligent and Holy Spirit-filled Christian young woman. Australia’s satanic pastors and priests have done everything in their capacity to hinder God’s intended blessing, and the satanic Australian church-pastors continue to seek to prevent God’s goodness. Australia’s pastor-devils never repent, and neither does satan.

No pastor/priest on earth knows Torsten. No Christian on earth knows Torsten. And without any reality-based reason, virtually all leaders of churches lie, slander, gossip, excommunicate and evict Torsten. This persecution by clergy of nearly all churches never stops, because satan never stops.

Although I am persecuted by the vast majority of Australia’s satanic pastors/priests, I continue praying that God will send to me while I am stuck here in Melbourne, Australia, a young Christian woman of His choosing for marriage. Satan’s Australian pastors (and government) do all in their might to hinder God’s intended blessing, and to destroy Torsten.

Similar to anywhere on earth, my primary objective also here in Australia is to make myself available for an English-speaking young Christian woman of God’s choice for Godly marriage, by searching for a church where I would be permitted to communicate with other single Christians. However, church-women inside most churches in Australia are not allowed to communicate with me, because the Australian devil-pastors seek to prevent divinely appointed Christian marriage. In every city in Australia where I have visited, the satanic Australian church-pastors and their obsessed churchists excommunicate, evict, obstruct or thwart all possibilities for communication. Satan of most of the churches in Australia is determined to destroy Godly outcome.

Excommunicating the innocent, lying and slandering is the typical conduct of churchists, pastors and priests. Facts, evidence, truth, justice and love are irrelevant to the vast majority of pastors of churches. If there exists an employee of any church who might also be a Christian, then please do pray that God will protect me from Australia’s satanic pastors of churches.

The majority of pastors of churches lie and slander. Lying is sometimes a key component of pastors’ church business structure and livelihood. By pastors’ pretences and deceitfulness, pastors can delude naïve congregants to not examine their pastors’ integrities, and thus, sufficient numbers of Christians are manipulated to trusting and giving money for income to their church pastors. The blinding power of denial among churchpeople, coupled with their false and superficial church relationships and compartmentalisation of God, enable pastors of churches to preserve their abusive and evil conduct. By pastors intentionally lying and slandering against an innocent Christian, churchpeople seem inclined to automatically assume that the innocent Christian is guilty, and that their pastors therefore act righteously in banning and evicting the perceived horrible (but absolutely innocent) Christian. Normally, neither pastors nor congregants are interested in facts or evidence. Generally, pastors of churches will never admit any ill conduct, but will almost always defend their evil conduct with lies. Truth, justice, facts and evidence are irrelevant in churchianity. However, it is occasionally also evidenced that some congregational responses to pastors’ rare public acknowledgment of pastors’ concealed misconduct (although some conduct is Biblically defined as sin), such as ordained priests publicly acknowledging secret homosexual attractions and relationships, and pastoral decisions to pursue homosexual lifestyles, have entailed standing ovations, long applauses and celebrant cheers from their church congregants. It seems that most church pastors lie, pretend and delude as much and as long as sustainable, for their church career survivals. Within churchianity, loyalty with ordained church authority has precedence to truth or God.

- An anonymous leader of St Augustine’s Catholic Parish Church in Melbourne, Australia, rejected a Christian volunteer on grounds that appear to be dishonest and sly: <http://www.kyrkor.be/St-Augustines-Catholic-Church-Melbourne-Australia.htm>

The harsh, hostile & hateful Australian devilpastors persecute the innocent Christian Torsten and deliberately seek to destroy God’s intended goodness for Torsten, and realistically therefore, I have no future towards a Christian marriage within Australia. But, because the national governments of Canada, USA and New Zealand all have banned me from ever entering these three countries in future, even on a tourist visa, and because there is no church within United Kingdom which will truly welcome, I am stuck visiting to Australia where virtually all of Australia’s devil-pastors actively prevent Christian marriage.

Satan has so far demonstrated a fruitful victory at destroying God's good intentions for Torsten, through the satanic leaders of churches. Torsten suffers and is nearly destroyed – due to the evils committed by the leaders of nearly all churches. The most signifying attribute of nearly all pastors/priests of churches is: extreme hypocrisy.

The most evil among churchpeople appears to be their leaders. As proven also by Australia's satanic pastors and priests here in Melbourne, leaders of churches will never acknowledge their evils, will never repent of their evils, but will always persist and vainly defend their evils. Australia's satanic pastors, therefore, unrepentantly persist in their excommunications and persecutions against Torsten. Because of the satanic persecution by pastors and priests of churches everywhere, I currently have no future anywhere on earth. Who cares about truth among churchianity? Apparently: only God. By inference from direct evidences, there appears to be no church anywhere that actually cares about truth, justice and love. Instead, psychological denial, deliberate dishonesty, and reinforcement with additional lies and evils, are the common ways of churchianity.

- A typical Australian devilpastor at St John's Anglican Church in Launceston, Tasmania, Australia, commented at the innocent Christian Torsten: <http://www.kyrkor.be/St-Johns-Anglican-Church-Launceston-Tasmania-Australia.htm>

Satan's Australian pastors (and government) do all in their might to hinder God's intended blessing, and to destroy Torsten.

As previously summarised in my 136th prayer report (http://www.kyrkor.be/Inhumane_Swedish_Pastors.pdf), there are only four churches within the regions of Melbourne, Australia, where I am permitted to socialise (a small Lutheran church, a Catholic parish, a Pentecostal megachurch, and a tiny Presbyterian group). In none of those four churches can I identify natural potential for meeting a young Holy Spirit-filled, intelligent and Godly appointed Christian woman for marriage. I have now been compelled to discontinue visiting any churches in Melbourne on Sundays, because I am excommunicated and unwelcome in nearly all churches in Melbourne, and because the Melbourne church "services" where I am permitted to visit are too dehumanising, superficial and destructive for me. Naturally speaking, God will need to send a Christian woman to visit Melbourne, and spiritually direct the two of us towards each other for a Godly appointed meeting. But, because nearly all of Australia's satanic pastors/priests are preoccupied with physically ostracising me, instead of praying, welcoming and spiritually assisting me, there seems to be no future for me anywhere within Australia for a Godly marriage. On the other hand, in spite of the persecution by Australia's hostile and satanic pastors of churches, God is omnipotent to work miracles even in one of the most unlikely continents on earth towards a Godly outcome. Nearly all churches also in Melbourne have excommunicated me (<http://www.kyrkor.be/Devilish-Churches-in-Melbourne.htm>).

Similar to anywhere on earth, my primary objective also here in Australia is to make myself available for an English-speaking young Christian woman of God's choice for Godly marriage, by searching for a church where I would be permitted to communicate with other single Christians. However, church-women inside most churches in Australia are not allowed to communicate with me, because the Australian devil-pastors seek to prevent divinely appointed Christian marriage. If there exists an employee of any church who might also be a Christian, then please do pray that God will protect me from Australia's satanic pastors of churches.

During seventeen months in Australia on numerous visits, I have extensively explored the churchianity of most major cities in Australia. There is no church anywhere in Australia where I am truly welcome. Either Australia's

satanic pastors evict and excommunicate me, or Australia's churchpeople slander, gossip and obstruct me. Probably, the societal subcultures which are most effective in their gossiping, are the churches. The overwhelming majority of all Australian pastors/priests have excommunicated me explicitly, implicitly or covertly. The vast majority of Australian pastors have demonstrated hostility, hatred and evil towards me. Although the most intense persecution by pastors against an absolutely innocent Christian, was performed by the satanic pastors of New Zealand, the persecution by the hostile and hateful Australian pastors is also akin to satan. (The NZ pastors/priests initiated a satanic persecution campaign of intentional lies against me; warning all churches across NZ to immediately evict me if I visit any church. The satanic pastors of NZ deliberately lied about me to the NZ national police, to ensure that the Federal Government of New Zealand would imprison and deport me; which is precisely what the Federal Government of NZ later subjected me to – imprisonment and deportation. I was absolutely innocent of any wrongdoing. The pastors of NZ are solely satanic.)

<http://www.kyrkor.be/New-Zealand-Christian-Network-of-persecution-by-pastors.htm>
<http://nzchristiannetwork.org.nz/warning-re-person-travelling-nz>

In regards to the Australian pastors' hatred and hostility against me as a Bible-affirming Christian, most Australian pastors of churches are by their conduct actually similar to some of Australia's secular Christophobes. A distinct difference between Australia's hostile pastors and Australia's secular Christophobes, however, is that Australia's secular Christophobes express a more rational antipathy conforming to their anti-Biblical preferences and disdain for abusive clergy. The hostility, hatred and evil by Australia's pastors against the innocent Christian Torsten, by contrast, is entirely irrational in that none of Australia's pastors have any Biblical or any reality-based reason for their evil, hatred and hostility.

As a very rough generalisation in comparing the cultural mindset and national conduct of Australians, with Americans/Canadians: Australians are comparatively harsh, insolent and anti-Godly. Australians of Asian descent are more polite than Australians of European ancestry. Traditionally, since the colonisation of modern Australia with British convicted criminals, Australia's cultural norm has been excessive alcohol consumption. Simply expressed, colonial Australia's foundational culture and values are: crime and drunkenness. In stark contrast to Australia's foundational values from colonisation by criminal drunkards, America's foundational values are: liberty, human rights and freedom, democracy, and values derived from the Judeo-Christian Bible. Even today, Australia has no Bill of Rights. The Australian society is relatively deficient of Christianity permeation, especially in comparison with the strong Christian foundation, heritage and spiritual revivals of America. One word, which I believe most fittingly describes the colonist heritage manifested interpersonally in Australia today, is: **harsh**.

To exemplify modern Australian values, we can compare a recent country population survey from Australia with a recent country population survey in USA, and compare with the most extreme and anti-Godly nation in the world, Sweden.

(Source: http://www.worldvaluessurvey.org/images/Cultural_map_WVS6_2015.jpg)

I do not believe in God:

Sweden = 50%
 Australia = 34%
 USA = 11%

Religion is very important in life:

Sweden = 8%
 Australia = 14%
 USA = 40%

Sex before marriage is always justifiable:

Sweden = 71%
 Australia = 42%
 USA = 18%

Divorce is always justifiable:

Sweden = 51%
 Australia = 25%
 USA = 14%

Abortion is always justifiable:

Sweden = 44%
 Australia = 15%
 USA = 10%

Homosexuality is always justifiable:

Sweden = 59%
 Australia = 38%
 USA = 22%

Australians are not nearly as anti-Godly as the most anti-Godly people on earth – the Swedes. Swedes are cold. Australians are harsh. But a relatively high proportion of Americans still gravitate towards Biblical values (and mammonism).

Australia's corrupted politicians in the Australian capital city, Canberra, have recently stolen money in an agenda to arouse a climate of innovation to Australia; publicly marketed by PM Turnbull as a government investment with eternal returns "continue forever". Australia's select group of anti-Godly politicians in Canberra elevate themselves as gods in their attribution of eternal outcome for their diversion of money away from God – to instead advance "Australian" eternity. Because of the published evidence of satanic persecution by the majority of pastors/priests in cities of Australia against me, although I am absolutely innocent of any wrongdoing in relation to any Australian church, and also because of their overwhelmingly anti-Godly politicians, I will risk my personal deportation from Australia by advising Christian financial investors worldwide, to not invest in Australia. Please do not reward Australia's satanic churches, nor their thieving politicians in Canberra, by investing in Australia.

Christians should invest profitably, ethically and divinely – and therefore, Christians should invest, instead, in Israel! Some of the brightest, innovative and most creative entrepreneurs live in Israel, and wise Christians should support Israel!

Also in Hobart, the satanic pastors and obsessed churchists excommunicate, obstruct or thwart all possibilities for communication. Satan of most of the churches in Hobart is determined to destroy Godly outcome.

Approxiamtely 2/3 of the churches in Tasmania have been individually contacted so far, with inquiry regarding social and fellowship opportunities. As usual in Australian cities, the vast majority of churches do not welcome and excommunicate covertly. Two churches in Hobart have explicitly excommunicated me; a typically satanic Anglican church and a satanic Presbyterian church. Only a handful of all the contacted churches in Tasmania replied with a welcome, of which three churches might be benevolent.

Excommunicating the innocent, lying and slandering is the typical conduct of churchists, pastors and priests. Facts, evidence, truth, justice and love are irrelevant to the vast majority of pastors of churches. Anglicanism and satanism are often similar in conduct.
<http://www.kyrkor.be/Also-satan-seems-to-be-an-Anglican.htm>

It is understandable why intelligent and sane people of secular societies distrust or detest churchianity. Churchianity is satanic. Churchianity is evil. Churchianity truly is a menace to humanity. Personally, I can not empathise with churchianity's complaints of their marginalisation, intolerance or opposition by societies, since I cannot empathise with satan. Churchianity should rightfully be opposed by all decent societies. But, every person of all nations absolutely does need spiritual salvation in Jesus Christ alone.

Evidence proves that one of the most intolerant groups of people in Western societies is the church-people. Church-people are at least as intolerant against truth as secular people are. Churchianity's denial of truth & justice, and the malevolence of Churchianity, does not serve God. Evil churchianity serves satan. Churchianity's hypocritical pastors, priests and churchists are among the most hostile and vile of people.

In spite the fact that the Roman Catholic Archdioceses of Perth, Tokyo and Valencia all practice unrighteous and un-Biblical banishments/excommunications against me, as I am innocent of any wrongdoing in relation to any of their Catholic churches, I certainly do support even these unsought adversary's fundamental rights to freedom of religion, opinion and expression. I stand with the Roman Catholic Archbishop of Tasmania and support his free speech about sound Biblical teaching on human sexuality and marriage: <http://www.acl.org.au/freespeech>. Tasmanian Legislation 17.1 (<http://goo.gl/Q0hKI0>) conflict with UN Declaration of Human Rights Article 18, 19 (<http://www.kyrkor.be/Universal-Declaration-of-Human-Rights.pdf>).

Subject: Devilish Western church-pastors harm friendly people in Thailand with churchianity.

Appeal for practical Christian help:

Current:

I am currently in a city in pleasant Australia.

My primary objective here in Australia is to find an English-speaking young Christian woman of God's choice for Godly marriage, by searching for a church where I would be permitted by the Australian church leaders to communicate with other single Christians. On all my previous visits to Australia, most Australian pastors/priests demonstrated a satanic and deliberate counter-objective to hinder me from communicating with other single Christians. If there exists an employee of any church who also is a Christian, then please pray that God will protect me from the devilish Australian pastors.

Excommunicating the innocent, lying and slandering is the typical conduct of churchists, pastors and priests. Facts, evidence, truth, justice and love are irrelevant to the vast majority of pastors of churches.

Thailand is currently more respectful to the fundamental human freedom of religion than for example Ireland, Spain or satanic New Zealand. Thai people are among the friendliest & sweetest people in world. In Bangkok, Thailand, I interacted briefly with more than 10 000 friendly & sweet Thai persons. In Western countries, there is normally a small minority of offensive respondents to respectful introductions of the Gospel message. In Thailand, however, every Thai person demonstrated a friendly attitude - without any exceptions. The only nasty people which I encountered in Thailand were the Western church-people. Western churchianity is a sub-cultural menace. Although all people in Thailand absolutely needs salvation through Jesus Christ alone, the culturally friendly Thai people (predominantly friendly Buddhists and some Muslims) do not need to be perverted by Western church cultures. It's sad to see when friendly Thai people are malformed into Western-cultured church-jerks.

List of unwelcoming or hostile churches in Bangkok:

1. **Bridge Church Bangkok** (<http://www.bridgechurch.com/bangkok>): refused to reply and refused to welcome. I visited their church anyways. This is a loud, arrogant and superficial church-plant from Melbourne, Australia. Bridge Church Bangkok is the most unhealthy churchianity I have witnessed anywhere in Thailand. One of their Australian leaders twice interfered into my personal conversations with other persons on site: while I was speaking with an Australian woman, and while I was speaking with a young friendly Thai Buddhist man. When the friendly Thai Buddhist man identified himself as a Buddhist to me, I politely offered to the man a small literature about Christianity, but the Australian Bridge Church leader who was standing further apart watching over me immediately interrupted my personal conversation and forbade me from handing over any Christian literature to the friendly Buddhist visitor. The same Australian leader also directed other congregants on which chairs they were permitted to sit inside their rented hall. Sickly controlling, stage-focused and superficial Australian churchists operate this unhealthy new Australian church plant in Bangkok.
2. **Life Church Bangkok** (<http://lifecenter.asia>): consistently refuse to reply and consistently refuse to welcome. This is a devilish Swedish church plant, pastored by a typically hostile Swedish pentecostal-style pastor. I visited their church anyways; to observe. Swedish-style unfriendly and superficial churchianity.
3. **Calvary Baptist Church Bangkok** (<http://www.calvarybaptist.asia>): Their American senior pastor Martin Chappell did not reply to my inquiry for seeking Christian fellowship, and he did not welcome. I visited their church anyways. At my visit Martin Chappell preached his conviction for unconditional election. The theology of unconditional election is heresy; unsustainable argumentation from a handful of verses and blatant disregard for the overwhelming majority of Biblical verses which oppose such theology.
4. **Evangelical Church of Bangkok** (<http://www.ecb.asia>): refused to reply and did not welcome. The satanic pastors and churchists of ECB have demonstrated their antagonist evils previously: <http://www.kyrkor.be/Evangelical-Church-Bangkok-Thailand.htm>
5. **Nexus Christian Fellowship Bangkok**: (<http://www.nexusforjesus.com>): refused to reply and did not welcome.
6. **Anglican Christ Church Bangkok** (<http://www.christchurchbangkok.org>): refused to reply and did not welcome.
7. **Newsong Bangkok** (<http://newsongbangkok.net>): refused to reply and did not welcome.
8. **Life Point Church Bangkok** (<http://lifepointchurch.org/bangkok>): refused to reply and did not welcome.
9. **New Apostolic Church Bangkok** (<http://bangkok.nak-hp.de>): refused to reply and did not welcome.
10. **C3 Bangkok** (<http://c3bangkok.com>): refused to reply and did not welcome.
11. **Living Streams Bangkok** (<http://www.livingstreams.com>): refused to reply and did not welcome.

Also, I repeatedly inquired with YWAM Thailand's staff and their leader Phil Porter (<http://www.ywamthai.org/bangkok>) if anyone within YWAM Thailand would like to share the Gospel message together with literature, but none wanted to.

List of welcoming or benevolent churches in Bangkok:

- **Bangkok International United Pentecostal Church** (<http://www.bangkok-upc.com>): replied and welcomed. Thai pastor Steve Kebasen personally greeted in a friendly manner.
- **International Church of Bangkok** (<http://www.icbangkok.org>): replied and welcomed.

The persecuted Christians from Pakistan as refugees also in Thailand, experience much hardship as refugees. Please pray for the persecuted Pakistani Christians as refugees. Two Pakistani brothers in Christ (Mr.A and his cousin Mr.D) who are registered refugee applicants to UNHCR in Bangkok have both on previous occasions shared the Gospel message to people together with me in Bangkok, in spite of their dire circumstances. Four weeks ago, Mr.D was arrested and imprisoned because he failed to show evidence of a valid visa. Mr.D cannot afford a visa as a refugee. In meeting with his cousin Mr.A, Mr.A described the worsened condition for his Christian cousin Mr.D as newly imprisoned. Mr.A reports that: Mr.D is now sharing a prison cell designated for maximum 80 persons together with 145 other prisoners, difficulty breathing in the crowded cell, and difficulty with hygiene and health in the crowded cell. Mr.D's bail fee from prison would reportedly cost 1000 USD. To remain out of prison in future Mr.D would also need to purchase a valid visa. I have known Mr.A & Mr.D the past 1½ years. Mr.A & Mr.D have the past two years been associated with a large English-speaking church in Bangkok, and I therefore personally confronted the American senior pastor of that church to inquire if his church would not care to assist these two persons with bail & visa. Mr.A was physically with me when I spoke to the American pastor inside his church building. The American pastor replied that his church would not assist financially towards bail or visa for this church-associated individual Christian Mr.D. Therefore, I now inquire to ministry leaders worldwide; will some of you contribute to financially assist Mr.D with bail & visa? If anyone in the world cares about one Pakistani Christian refugee Mr.D in prison, then please contact his Christian cousin Mr.A. Mr.A's email address is: asiaharvest888@gmail.com.

One of the typically satanic churches of New Zealand which persecuted and deliberately lied against me to the New Zealand police, Windsor Park Baptist Church in Auckland (<http://www.kyrkor.be/Windsor-Park-Baptist-Church-Auckland.htm>) through their satanic senior pastor Grant Harris, responded to my previous bi-monthly prayer appeal letter:

As a direct consequence of the deliberate lies invented by the satanic New Zealand church-pastors, the New Zealand Federal Government arrested and imprisoned me in a public prison on Feb.14, 2015, and then deported me with an indefinite ban from New Zealand. The New Zealand Federal Government's official and untrue accusations against me were: "**Threatening members of their churches.**" and "**General disruptive behaviour.**" Satan's churches of New Zealand infect their New Zealand Federal Government with their pastoral absolute lies. None of Satan's New Zealand church-pastors have repented from their invented lies and satanic persecution against me, and neither has their satanic New Zealand Federal Government.

Appeal for practical Christian help:

Christian unmarried man who wants to marry a Christian woman is innocently excommunicated from the churches in Sweden, ousted from Swedish society, and currently without humane future in Sweden – because of Sweden's heartless pastors and heretic priests, and due to Sweden's aggressively anti-Christian culture.

Pastors/Priests of churches who might also be Christian,

Current:

I am currently in an Asian country where none of the churches welcome me. Excommunicating the innocent, lying and slandering is the typical conduct of churchists, pastors and priests. Islamists and churchists alike persecute, lie and do evil. Facts, evidence, truth, justice and love are irrelevant to the vast majority of pastors of churches.

Appeal for practical Christian help:

Sweden – because of Sweden’s heartless pastors and heretic priests, and due to Sweden’s aggressively anti-Christian culture.

Current:

I am in Sweden, and therefore I have no possibility of a humane future, and no possibility for a Christian marriage.

One of the typically satanic churches whose pastors excommunicated me a few months ago, and whose pastors also violently assaulted me inside their church building on a Sunday, appears to have protection by corrupted law enforcement. Although an audio recording of the ongoing violent assault was submitted as evidence for the police authorities, the police refused to prosecute against a church. The police attempted to persuade the victim of pastoral violence to not register a formal statement with the police; assuring the victim that the police will never prosecute the church even if the victim registers a formal statement. Recently, I presented to state and national politicians this particular evidenced case of violent assault by typical ‘Pentecostal’ pastors, but none of the political representatives responded or provided a comment. Perhaps in conclusion to the political evasion, violent assault by pastors of churches against innocent visitors might have political endorsements. So, politically speaking, go ahead pastor of churches; *Keep on excommunicating and violently assaulting innocent Christians!*

Churchy-pastors’ violent conduct against innocent Christians and pastors’ lies against Christians should not be viewed as more legitimate in civilised societies than the violent conduct of Islamic Jihadis against Christians. The real difference of violence against innocent Christians perpetrated by pastors or by Jihadis pertains to doctrinal consistency: Islamic violence against Christians is consistent with the teaching of the Quran and the Hadith, while church-pastors’ violence and lies against innocent Christians is Biblically inconsistent.

No church in Sweden will allow me any specific occasion to fellowship with also other single Christians. The Swedish pastors rejected me. On the other hand, it would be impossible for me to want to marry a church-woman of Swedish mind and values, since I am a Bible-affirming Christian. Biblical Christianity has no/low correlation with Swedish churchianity.

I am still outlawed by disqualification from Sweden’s healthcare system services. Although I urgently need to check my progression of high glucose and low B12 with laboratory results, and although I need prescription medications, there is no doctor or clinic in Stockholm which approve me as a listed patient. Recently and currently:

Roman Catholic Church in Spain, Vatican State, and other Spanish churchianity:

The past weeks I have revisited southern Spain. In regards to Spain's churchianity and hence a possibility of marriage, I did not make further inquiries with any of the Protestant churches in Spain, as I know from previous years of inquiries that there is none. The protestant churches in this region of Spain, which I have previously contacted, do not welcome. I did, however, enquire with the Roman Catholic Archdiocese of Valencia if the excommunications by the Archdiocese of the Roman Catholic Church in Perth, Australia, and in Tokyo, Japan, also applies to Spain. The Roman Catholic Church in Spain and the Vatican State decided to refuse to respond to my repeated enquiry, and subsequently did not clarify/confirm that Torsten is banished from the Roman Catholic Church globally. Perhaps the Roman Catholic priests and bishops are too preoccupied with their priestly sexual exploitation of underage boys, to have time left over to explain their Roman Catholic and Vatican excommunication/sin against Torsten.

- The Roman Catholic Archdiocese of Valencia, Spain, and the Vatican refused to clarify if the Roman Catholic Church banishment is global, or local only for the Archdiocese of Perth, Australia and Archdiocese of Tokyo, Japan. The Roman Catholic Church in Spain refused to welcome: <http://www.kyrkor.be/Valencia-Catholic-Archiodese-Spain.htm>

Spanish Police and Spanish municipal governments violate human rights:

The Spanish Police and the municipal government of Alicante in Spain forbade Torsten to publically share written information about Jesus Christ to people in Spain. The Spanish Police approached Torsten and ordered him to not evangelise with unauthorised leaflets. Consequently, the same cat- and mouse "game" progressed as in Torsten's previous visits to Spain; Torsten evangelising with recurring police pursuits and Torsten subsequently hiding/walking away from police, and continuing to evangelise once the police pursuit was over and the police were out of sight. Alicante City Council violates international human rights in their religious restrictions: <http://www.kyrkor.be/Ayuntamiento-de-Alicante-y-la-Policia-Nacional-en-Espana.htm>

Satanic Sweden's national Church of Sweden (<http://www.svenskakyrkan.se/english>), which promotes homosexuality, which persecutes priests who do not affirm homophilia, which officiates same-sex marriages, whose Bishop for Stockholm is a same-sex married lesbian, which regularly demonizes Israel, which funds supercessionist BDS anti-Israel propaganda, which excommunicated Torsten, is currently revitalising its opposition against the exclusive Biblical claims about/by Jesus Christ, and is pushing for popular support towards inter-faith unitarian universalism: <https://goo.gl/IBIsVW>.

This typically satanic Swedish company had been contracted by Torsten to host several of Torsten's registered domain names (ex. <http://www.nenzen.org>). On 2015-08-05 the Swedish CityNetwork emailed a pdf-receipt confirming the company's acquisition of invoiced payment for transfer of one of Torsten's domains. On 2015-08-20 Torsten inquired with Swedish CityNetwork why their company had never transferred the domain. The Swedish company refused to answer. Torsten daily repeated to inquire with the Swedish staff of the Swedish company why their company had violated their own terms of agreement of sale. The company refused to provide an explanation. Torsten then pointed out the satanic nature of their Swedish company's homosexualist propaganda, upon which the Swedish company 2105-09-02 finally replied; but the Swedish company did not reply with an explanation or an apology, but replied with termination of all domains which Torsten had contractually paid and hosted with the Swedish company CityNetwork. For politically correct Swedish companies, critique against homosexual marriage is unjustifiable. For a vast majority of Swedes, love of homosexuality is holy. Swedishness companies are unreliable and have low integrity. Swedishness companies are liars and thieves. Swedishness companies are similar to satan.

Ethical international companies and responsible national governments should divest from business with Swedish companies, and should boycott Sweden. For Christians worldwide, it should be commonly understood that it is unethical to endeavour in business relationships with Swedish companies.

I am currently in satanic Sweden without any possibility of a future in Sweden.

Current:

The past weeks I have revisited some of the unwelcoming churches in London, United Kingdom.

During my stays in London previous years I had contacted the majority of churches within greater London. Similar to churches in most other cities, the vast majority of churches also in London have rejected me covertly by refusing to reply to an individually and personalised email enquiry to the churches in London regarding opportunity to fellowship with other Christians. Similar to churches in most other cities, only a small minority of churches excommunicated explicitly with proof of a formal banishment: (<http://www.kyrkor.be/Devilish-British-Churches-in-London.htm>). The vast majority of churches, also in London, excommunicated covertly. In July 2015 I made new attempts to visit some churches in London, UK, that previously had excommunicated me. It was again confirmed that there is no church anywhere in London which wants/can welcome me as a Christian or as a human. Satan controls the majority of churches in London through their devilish pastors.

Repeated exclusions from churches in London, United Kingdom:

1. St Mary’s Anglican Church in London, UK, refused to welcome and refused to repent: <http://www.kyrkor.be/St-Marys-Anglican-Church-London-UK-2015.htm>
2. Holy Trinity Brompton (HTB) Anglican Church in London, UK, refused to welcome and refused to repent: <http://www.kyrkor.be/Anglican-HTB-Church-London-UK-2015.htm>
3. Emmanuel Evangelical Church in London, UK, refused to welcome and refused to repent: <http://www.kyrkor.be/Emmanuel-Evangelical-Church-London-UK-2015.htm>

4. Westminster Chapel in London, UK, refused to welcome and refused to repent: <http://www.kyrkor.be/Westminster-Chapel-London-UK-2015.htm>

Torsten is still not accepted in any church anywhere in London.

I have now departed from the expected exclusions by the churches in London, and am currently back in satanic Sweden. In satanic Sweden, I have in principle no legal protection or legal rights, I have no possibility of a humane future, and there is in principle zero potential for Christian marriage.

News: In Sweden, Torsten is currently outlawed from Sweden’s health care services. Torsten is apparently perceived as too dangerous to qualify for health care services within Sweden:

<http://www.nenzen.net/Swedish-healthcare-system.htm>

- In Sweden, Torsten is unwelcome or excommunicated by all churches of all denominations. None of the churches in satanic Sweden has provided a Biblical or reality-based reason for their ostracism of Torsten: <http://www.kyrkor.be/vadjan.htm>

- In Sweden, Torsten is expelled from medical university studies at Sweden’s Karolinska Institutet. Torsten had academically provided multiple references to peer-reviewed academic articles published in internationally recognised scientific journals which demonstrate a causal relationship between abortion and increased incidence of mental ill health among women. Sweden hates scientific evidence which contradict Sweden, and therefore Torsten was expelled from university: <http://karolinska.de>

- In Sweden, Torsten is banished from theological degree studies at Stockholm School of Theology (<http://ths.se>) because Torsten wrote a public letter to all members of the Swedish parliament and to their Theological College in Stockholm, providing Biblical text arguments and behavioural sciences references supporting the inevitable conclusion that homosexual practice is a sin against God which is reparable. The Swedish government and their Equality Ombudsman fumed with Swedish hatred against the public letter, and hence set up meetings with their Theological School staff requiring punitive measures against the Christian Torsten. The rector of Stockholm School of Theology hence invented a special prerequisite against Torsten’s application for theological studies; that Torsten must sign a statement certifying that Torsten regrets and rejects his public letter which addressed the Biblical and scientific views of homosexuality. Unless Torsten repents from his public letter addressing the sinfulness of homosexual conduct, Torsten is not permitted to study theology. The European Court of Human Rights supported the Swedish Theological College’s (Swedish government’s) prohibition against Torsten to study theology:

http://www.nenzen.net/ECHR_070220.pdf
http://www.nenzen.net/ECHR_Application_060413.pdf
http://www.nenzen.net/HomoO_THS_050302.pdf

- In Sweden, Torsten is prohibited to study theology. The Swedish university college, Orebro School of Theology (<http://www.orebromissionsskola.se>), prohibited Torsten from studying theology by rejecting Torsten’s application, because Torsten is unable to provide a personal reference in support of the person Torsten. Torsten is not part of any church in Sweden because Torsten is unwelcome and excommunicated by the Swedish churches, and thereby, no pastor in Sweden knows Torsten. Since no pastor in Sweden knows Torsten, no pastor will personally recommend Torsten. Because no pastor will recommend Torsten, Torsten is disqualified from studying theology.

As a result of Swedish pastors' evils through unrighteous excommunications from Swedish churches, Torsten is rejected also by their Swedish schools of theology.

- In Sweden, Torsten is prohibited to study theology. The Swedish university college, Johannelunds School of Theology (<http://www.johannelund.nu>), prohibited Torsten from studying theology because Torsten stated that he could not foresee himself working within a Swedish church, since probably no church in Sweden would want to employ him, and because his primary concern relates to evangelism. The Swedish theological college only accept students who guarantee that they will seek employment within a Swedish church. The Apostle Paul's example of self-financing is not acceptable to churchianity-Swedes, and therefore Torsten is rejected by the Swedish schools of theology.

Appeal for practical Christian help:

Christian unmarried man who wants to marry a Christian woman is innocently excommunicated from the churches in Sweden, ousted from Swedish society, and currently without humane future in Sweden – because of Sweden's heartless pastors and heretic priests, and due to Sweden's aggressively anti-Christian culture.

Pastors/Priests of churches who might also be Christian,

Current:

I am now in satanic Sweden; a country where there is no humane future for real Christians – because of persecution by Sweden's satanic pastors/priests of churches, and because of their anti-Christian political leaders, and because of the anti-Christian sentiment of the Swedish populace.

In Sweden I have no humane future. No future. No hope. No humanity. No possibility of Christian marriage.

No Christian on earth knows Torsten. Most pastors of churches everywhere evict or excommunicate Torsten. No pastor of any church on earth has provided a Biblical or reality-based reason for their eviction or banishment against Torsten.

The general rule is true; where there are pastors of churches governing churches, satan thrives – because of the pastors. Please pray for protection against the satanic persecution by the lying and slanderous pastors of churches.

On June 26th, 2015, the Roman Catholics' infallible politician/pope signed his official treaty with "State of Palestine". The Vatican State's official treaty with Palestinian "State" essentially ignored the special historic status of the Jewish people in Jerusalem, Israel. Subsequently, the Vatican State emphasized the Roman Catholic pope's inadvertent religious/political support for Islam's, PLO's and Hamas's terrorism against Israel. The infallible politician/pope of the Vatican State, nonetheless, appears adamantly determined to never repent from the Roman Catholic Church's unjust and sinful banishment against Torsten, who is absolutely innocent of any wrongdoing in relation to the banishment of the Roman Catholic Church (<http://www.kyrkor.be/Tokyo-Catholic-Archdiocese-Japan.htm>), (<http://www.kyrkor.be/Catholic-Disciples-of-Jesus-Covenant-Community-Perth-Australia.htm>), (<http://www.kyrkor.be/Catholic-Archdiocese-of-Perth-Australia.htm>). The Zionophobic Swedish national government and its aid agency SIDA continues to fund 'Islamic Relief'; an Islamic establishment which evidently benefit anti-Israel terror organisations such as Hamas.

If there is an employee of any church anywhere who is a Christian, then please pray that God will find a Christian church on earth where the church leadership will not satanically attack me, where I am permitted to communicate with other singles, where there are authentic Christians, and where a Godly appointed marriage is possible.

Most importantly, please pray that God will find a single young Christian woman somewhere on earth who is both capable to hear and willing to trust and obey the true voice of the Holy Spirit, and who has the courage to communicate in the natural. I have daily prayed the past 20 years for a woman of God's choice as His gift, and have not sought a church-woman to take by simply my own choosing. No church allows me to befriend unmarried church-females. Evil prevails inside churches due to the persecution by hostile & hateful pastors of most churches.

If there is an employee of any church who is a Christian, then please pray also that the decision taken beneath the devilish Obama Administration of USA in banning me from visiting USA as a tourist will be reverted, so that I can visit churches in USA. And please pray that the decision taken by the government of Canada in banning me from visiting Canada as a tourist will be reverted, so that I again can visit churches in my homeland.

Subject: Persecution by Western pastors in East churches.

An appeal for practical Christian help: Christian unmarried man innocently excommunicated from church in Sweden, ousted from Swedish society, and currently without humane future in Sweden, because of Sweden's heartless pastors and heretic priests, and due to Sweden's aggressively anti-Christian culture.

Pastors/Priests of churches who might also be Christian,

...

Current:

Currently, I am visiting English-speaking churches in Tokyo, Japan.

I hope to find, somewhere on earth, a welcoming church where I also would be able meet and communicate with single Christian females. I need to find a young Christian woman of God's choice for Godly marriage. I am searching for a church on earth where I would be permitted by the church leaders to communicate with other single Christians.

In Tokyo, Japan, I individually contacted 23 English-speaking churches. 9 of these 23 churches initially invited, which is an extraordinarily large proportion of initial invitees (40% initially invited); as the average among churches of most cities is ~10% initial invitees. The city with the lowest proportion of welcoming churches anywhere is Perth, Australia, with only a 0.3% retained invitation. In Tokyo, 3 of the 9 initial invitees quickly reverted with an excommunication instead. I will explore three churches here in Tokyo. In my assessment, if I had enquired about fellowship also with the Japanese-speaking churches in Tokyo, the initial proportion of inviting churches would have been even greater. The Japanese pastors appear to not be nearly as hostile as the Western church-pastors are hostile. The Japanese culture is among the most polite in the world, although somewhat introverted.

New incidents from churches in Tokyo, Japan:

1. Tokyo Lifehouse (Hillsong) Church in Tokyo, Japan, explicitly excommunicated an innocent Christian and refused to provide a reason: <http://www.kyrkor.be/Tokyo-Lifehouse-Church-Japan.htm>
2. Tokyo Union Church in Tokyo, Japan, covertly excommunicated an innocent Christian, orally declared the innocent Christian as unfit, and refused to provide an explanation or a reason: <http://www.kyrkor.be/Tokyo-Union-Church-Japan.htm>
3. Tokyo Baptist Church in Tokyo, Japan, covertly excommunicated an innocent Christian and refused to provide a reason: <http://www.kyrkor.be/Tokyo-Baptist-Church-Japan.htm>

All church-leadership persons and Christians who I have spoken with have advised that street evangelism in Japan is unlawful, dangerous or ineffective. However, reality on the pavement has proven, so far, that democracy and fundamental human freedoms are respected by the government authorities in Japan. In the world's most secular nation, Japan, the non-Christian cults like the Moonies (<http://www.ucjp.org>) and Mormons (<http://ldschurch.jp>) are the only visibly missionizing groups I have repeatedly encountered on the Tokyo streets. The non-Christian sects like the Jehova Witnesses (<http://www.jw.org/ja>) are apparently very active missionizing by door-knocking. The unhealthy Christian or pseudo-Christian churches which dominate the English-speaking churchianity in Tokyo are preoccupied with their lying, slandering and persecution of innocent Christians.

On Sabbath Day, Saturday May 16 2015, the Roman Catholics' infallible pope/politician (Statement 891 of Roman Catholic Catechism: http://www.vatican.va/archive/ENG0015/_P2A.HTM) publicly expressed support for Palestinian (Philistinian) statehood, and the Roman Catholics' infallible pope/politician audibly declared that the terrorising PLO Chairman, Abu Mazen, is a "*bit an angel of peace*". The correctly translated official PLO Charter, Article 15, declares that the PLO duty and aim is "*the liquidation of the Zionist presence*" in Palestine, and the same official PLO Charter, Article 30, specifies the PLO core methodology of war against Israel: "*Fighters and carriers of arms in the war of liberation*

are the nucleus." If the Roman Catholics' infallible pope/politician of the Vatican State endorses Palestinian statehood by morally justifying the Palestinian authority's incessant armed war against Israeli civilians (terrorism), then the Roman Catholic Church of Vatican State could with equal credibility support international recognition for the Islamic State, and embrace IS Jihadist ideologues as "*angels of peace*" too. Personally, in consideration also to the Vatican's refusal to repent from the Roman Catholic Church's banishment of Torsten (from at least parts of the Catholic Archdiocese of Perth) (<http://www.kyrkor.be/Catholic-Disciples-of-Jesus-Covenant-Community-Perth-Australia.htm>), (<http://www.kyrkor.be/Catholic-Archdiocese-of-Perth-Australia.htm>), the papal moral/political authority by its audible utterances and its unjust inactions merely underscore its fallibility.

If there is an employee of any church who is a Christian, then please pray that God will find a Christian church on earth where the church leadership will not satanically attack me, where I am permitted to communicate with other singles, where there are real Christians, and where a Godly appointed marriage is possible.

Most importantly, please pray that God will find a single young Christian woman somewhere on earth who is both capable to hear and willing to trust and obey the true voice of the Holy Spirit, and who has the courage to communicate in the natural. I have daily prayed the past 20 years for a woman of God's choice as His gift to me, and have not sought a church-woman to take by simply my own choosing.

If there is an employee of any church who is a Christian, then please pray also that the decision taken beneath the devilish Obama Administration of USA in banning me from visiting USA as a tourist will be reverted, so that I can visit churches in USA. And please pray that the decision taken by the government of Canada in banning me from visiting Canada as a tourist will be reverted, so that I again can visit churches in my homeland.

The general rule is true; where there are pastors of churches governing churches, satan thrives – because of the pastors. Please pray for protection against the satanic persecution by pastors of churches.

Current:

Currently, I am still in Perth, Australia, where all the satanic pastors of churches have excommunicated me explicitly or covertly. I hope to find, somewhere on earth, a welcoming church where I also would be able meet and communicate with single Christian females. I need to find a young Christian woman of God's choice for Godly marriage. I am searching for a church on earth where I would be permitted by the church leaders to communicate with other single Christians.

A total of 249 Protestant churches in Perth, Australia, and its neighbouring areas have been individually asked if there are any occasions where I would be welcome to fellowship and socialise with Christians. Six churches of those 249 churches (0.3%) retained an affirmative response, but only one church of those 249 churches invited to a small-group setting. That one and only Protestant church officially welcomed to attend a mid-week small group and their tiny young adult Sunday gathering, but that tiny gathering socially excluded. Therefore, in reality, no Protestant church anywhere in Perth or its neighbouring areas has been willing, or able, to welcome me to communicate with other single Christians.

Only 0.3% of all listed Protestant churches in Perth and neighbouring areas welcomed. More than **99% of all Protestant churches in Perth excommunicated**; explicitly, implicitly or covertly. In no (zero) Protestant church in Perth was offered a real opportunity to build authentic relationships.

Within the Roman Catholic Archdiocese of Perth, I initially encountered some friendly people in the Catholic communities, but the Catholic Church leaders eventually banished me from communicating with any Catholics.

The evil conduct of 99% of the Protestant church leaders in Perth, Australia, is identical with the conduct of satan. Likewise, the conduct of the banishing leaders of the Roman Catholic Archdiocese of Perth is also satanic.

Satan governs almost entirely the Protestant and Catholic churches in Perth, Australia, through their leaders, pastors, priests and bishops.

New incidents from churches in Perth, Australia:

1. Catholic 'Disciples of Jesus Covenant Community in Perth', the Catholic Archdiocese of Perth, the Catholic Church in Australia, and the Vatican Roman Catholic Church in Vatican City State, all refused to communicate, refused to investigate, and refused to repent from their sin of inventing lies against an innocent Christian visitor. Leaders of the Catholic Church in Australia invented lies against the innocent Christian, evicted the Christian from the Catholic Church premises, banned the Christian from the church, and called the Australian police: <http://www.kyrkor.be/Catholic-Disciples-of-Jesus-Covenant-Community-Perth-Australia.htm>
2. Perth Catholic CYM, Catholic Archbishop of Perth Timothy Costelloe, the Catholic Archdiocese of Perth, the Catholic Church in Australia, and the Vatican Roman Catholic Church in Vatican City State, all refused to communicate, refused to explain, and refused to repent from their sins of wrongful implications of crime and misconduct against an innocent Christian visitor. The CYM leaders of the Catholic Church permanently banned the innocent Christian from attendance: <http://www.kyrkor.be/Catholic-Archdiocese-of-Perth-Australia.htm>

Recent incidents from churches in Perth, Australia:

1. Victory Life Centre Church in Perth, Australia, under leadership of Reverend Margaret Court, explicitly excommunicated, interrogated, intimidated, threatened, lied, physically assaulted, violently evicted, and called police against innocent Christian: <http://www.kyrkor.be/Victory-Life-Centre-Church-Perth-Australia.htm>
2. Perth Baptist Church Inc. in Perth, Australia, excommunicated, evicted from church, called for Police-assistance, and threatened an innocent Christian visitor. The Senior Baptist Pastor refused to give a reason for the eviction, but informed that the Australian Baptist Union had warned about visitation by the innocent Christian: <http://www.kyrkor.be/Perth-Baptist-Church-Australia.htm>
3. St Peters Anglican Church in Perth, Australia, explicitly banned an innocent Christian, falsely accused the heterosexual Christian of inability for meaningful conversations with people, and asserted that the innocent Christian is too radical to attend their Anglican church: <http://www.kyrkor.be/St-Peters-Anglican-Church-Perth.htm>
4. St Mary Magdalene Anglican Church in Perth, Australia, explicitly excommunicated an innocent Christian and threatened to call police if the Christian entered the church premises: <http://www.kyrkor.be/St-Mary-Magdalene-Anglican-Church-Perth.htm>

Although this diabolical conduct of more than 99% of all church leaders in Perth, Australia, is conducive to the continual self-destruction of credibility of churches, at least the conduct of the secular and democratic City of Perth government (<http://www.perth.wa.gov.au>) has demonstrated its respect for fundamental liberties of religious freedom and the freedom of speech. The lying and slanderous pastors and priests of churches in Perth have essentially shown no respect for truth or justice, but the secular City of Perth administration has upheld the dignity of humanity by respecting universal human rights.

Honour to the secular political government of City of Perth for its decency, and shame on all these diabolical leaders of churches in Perth for their wickedness and evil!

Churchianity and Jihadism have evil in common. While Islamic State Jihadists live in consistency with their evil Koranic and Hadith authority, the evil Churchianity pastors live in contradiction to the authority of the Bible. Islamic State is Islam authentically manifested. Churchianity is 'Christianity' hypocritically manifested. Islam is evil. Churchianity is evil. Hostility, hatred, dishonesty and slander against innocent Christians are common traits of most pastors and all Jihadists. The source of both Islam and Churchianity is satan. The Judeo-Christian Bible is the only historically accurate, inerrant, reliable and true revelation of the eternal God of Universe, but the vast majority of pastors of churches are reliable sources of evil and constitute societal pestilences.

No Christian on earth knows Torsten.

- A typical Australian church taunted and insinuated that Torsten, who is absolutely innocent in relation to all excommunications by churches, is guilty of something: <http://www.kyrkor.be/Australian-Pittwater-Uniting-Church.htm>

Subject: Unabated persecution by the devilish pastors of churches.

An appeal for practical Christian help: Christian unmarried man innocently excommunicated from church in Sweden, ousted from Swedish society, and currently without humane future in Sweden, because of Sweden's heartless pastors and heretic priests, and due to Sweden's aggressively anti-Christian culture.

Dear Pastors and Ministry leaders,

Thank-you for considering your possibility to be part of God's new solution by helping in a practical manner.

...

Current:

Currently, I am attempting to find a welcoming church in Perth, Australia, where I also would be able meet and communicate with single Christian females. My primary objective in Perth is to find a young Christian woman of God's choice for Godly marriage, by searching for a church in Perth where I would be permitted by the church leaders to communicate with other single Christians.

Persons who follow personal advice of a pastor/priest of a church are likely to inadvertently pursue satan, because nearly all pastors of churches in reality conduct themselves according to the will of satan; by lying, slandering, excommunicating and persecuting.

I have contacted all listed churches in Perth, Australia, of all Christian denominations. Still, there is no Christian church anywhere in Perth where it is possible for me to communicate with Christian females. All of satan's pastors of the churches in Perth have excommunicated me either explicitly or covertly. In spite of the overwhelming

satanic conduct and nature of the pastors/priests of all the churches in Perth, two churches in all of Perth and its neighbouring municipalities have actually welcomed me to communicate with other single Christians. However, only in one of those two churches of all of Perth has the church-persons' attitudes corresponded with the church leadership's formal welcome.

Parts of Living Faith Community Church office (<http://livingfaithchurch.com.au>) invited to attendance with their tiny group of young adults, but their group pastor served himself, and their female attendants evaded communication. In spite of an official invitation, the real inhumanity of their superficiality and social exclusion is equally as destructive as a formal excommunication. Christ is not part of their social shunning.

Remaining in Perth and its neighbouring municipalities, as the only church community that formally invited and where humane socialising is permitted, are charismatic ministries of the Roman Catholic Church. Yes, the only church in Perth that officially invited and inclusively welcomed also on the social level, is the Roman Catholic Church; through parts of their charismatic renewal and youth ministries. As I am an evangelical Christian, there are a couple of theological/liturgical challenges to be covered in grace in this warm Catholic-Christian context, but the Christ-likeness of its community cultures is tangible.

An appeal for practical Christian help: Christian unmarried man innocently excommunicated from church in Sweden, ousted from Swedish society, and currently without humane future in Sweden, because of Sweden's heartless pastors and heretic priests, and due to Sweden's aggressively anti-Christian culture.

Dear Pastors and Ministry leaders,

Current:

I am in Perth, Australia. My primary objective in Perth is to find a young Christian woman of God's choice for Godly marriage, by searching for a church in Perth where I would be permitted to communicate with other single Christians.

I loathe and dread Sundays, because on Sundays I have to visit churches. At any given week, the most unsafe location for me is inside church buildings. The most harsh, hateful or hostile people I meet during the week are pastors. The most false persons that I meet during the week are usually the church-people. Satan controls most churches through the pastors - also in Perth.

Pastors of most Christian denominations manifest malice and sometimes violence against me. However, it should be remarked that, so far, no Catholic priest anywhere in the world has shown hostility or physically attacked me. It seems accurate that the fold of Catholic priests might have a track record of overrepresented paedophilic evils, but at least the Catholic priests are not nearly as hateful or violent as their Lutheran/Anglican/Evangelical/Pentecostal counterparts. Compared with Protestant priests, Catholic priests tend to display more kindness and compassion toward the dignity of people.

Amongst the many encounters with the nastiness, hatefulness, hostilities and evil by church leaders in Perth is actually one positive encounter; a prophetically gifted and modest man, Reg Morais (<http://anointheworld.com>).

No Christian on earth knows Torsten.

Please pray that God will find a Christian church in Perth, Australia, where the church leadership will not satanically attack me, where I am permitted to communicate with other singles, where there are real Christians, and where a Godly appointed marriage is possible.

Most importantly, please pray that God will find a single young Christian woman somewhere on earth who is both capable to hear and willing to trust and obey the true voice of the Holy Spirit, and who

has the courage to communicate in the natural. I have daily prayed the past 20 years for a woman of God's choice as His gift to me, and have not sought a church-woman to take by simply my own choosing.

Also, please pray that the decision taken beneath the devilish Obama Administration of USA in banning me from visiting USA as a tourist will be reverted, so that I can visit churches in USA. And please pray that the decision taken by the government of Canada in banning me from visiting Canada as a tourist will be reverted, so that I again can visit churches in my homeland.

The general rule is true; where there are pastors of churches governing churches, satan thrives – because of the pastors. Please pray for protection against the satanic persecution by pastors of churches.

Subject: Hateful and hostile pastors of churches in Australia persecute Christian.

An appeal for practical Christian help: Christian unmarried man innocently excommunicated from church in Sweden, ousted from Swedish society, and currently without humane future in Sweden, because of Sweden's heartless pastors and heretic priests, and due to Sweden's aggressively anti-Christian culture.

Satan controls most churches also in Perth - through their pastors. Similar to many societies, the majority of pastors of churches also in Perth are a scourge for evil. I am still in Australia; enduring a reality-based dread of the hostile Australian pastors/thugs of churches and their corrupted Australian police.

14. North Perth Seventh-day Adventist Church in Perth, Australia, objectified a Christian visitor with ritualistic greetings: <http://www.kyrkor.be/North-Perth-Seventh-day-Adventist-Church.htm>

Satan is now continuously pelting me with evil here in Australia, and I have to suffer nastiness, physical assaults and hostilities by angry and hateful pastors when I visit the churches on Sundays, and I have to endure the looming threat of police prosecution and subsequent deportation from Australia all the other days of the week. There is no place in Perth for me to find peace, kindness, goodness or love.

In the state of Western Australia in Australia, I suffer incessant persecution from hateful, hostile and violent pastors of churches. One of the most unsafe places for me in Australia are inside churches; where hostile pastors physically assault me, report me to police, threaten me, harass me, lie about me, and slander against me. As recently as previous Sunday (March 22, 2015), yet another pentecostal church in Australia (<http://www.kyrkor.be/Victory-Life-Centre-Church-Perth-Australia.htm>) violently evicted me from their church when I had entered the church to attend their public so-called 'service'. For my legal protection, I audio-recorded the words said during the violent physical assault against me by the pentecostal pastors. The pastors stated to me in conjunction with the physical assault that they had already called the police, and the pastors threatened me that they would lie to the police that I would have been threatening the pastors. As evidenced by the audio-recording, I am absolutely innocent of any threats or threatening nature, but the audio-recording provides evidence to the hostile and threatening nature of the pastors who repeatedly used violence against me. Even as I was walking peacefully towards the exit to leave the church building, the hateful pastors physically assaulted me by repeatedly and violently pushing me from behind.

The Australian pastors allegedly reported lies against me to the Western Australia Police, but when Torsten truthfully reported the physically assaulting pastors to the Western Australia Police, the Western Australia Police at the Cannington Police Station (<http://www.kyrkor.be/Western-Australia-Police-thugs-refuse-prosecute-church.htm>), prior to allowing me to provide a formal statement of complaint against the physically assaulting pastors, declared angrily against me that it does not matter what I say in the oral statement to the police because the officer/sergeant would never prosecute the pastors for physical assault. Prior to my provision to the police of a formal oral statement inside the police station, the officer/sergeant assured that he would prosecute me for trespassing if I proceeded to provide a formal oral statement to the police. Likewise, the interviewing officer/sergeant [Name: Douglas, ID: 14433], before he had read my written report to the Western Australia Police, declared that I would be prosecuted for trespassing in church (I specifically asked the interviewing officer/sergeant if he had read my written report prior to his declared warning of prosecution for trespassing, and he replied that he had not.). I then asked the interviewing officer/sergeant if prosecution for trespassing, by my arriving to a public meeting inside a church, could be a form of discrimination. The officer/sergeant replied that if I walked into a McDonalds restaurant I would be prosecuted for trespassing if I were asked to leave. I then asked the officer if it mattered nothing if the customer was innocent, and if it could not be considered as a form of discrimination if McDonalds systematically evicted for example Aboriginal people. The officer then replied emphatically, to my surprise, that Aboriginals are being prosecuted all the time for trespassing.

[Hooray for the Australian authoritarian thugs and their non-existent Bill of Human Rights!]

So now, I not only suffer the incessant persecution by hateful and hostile Australian pastors of churches on Sundays, but I also now endure a looming threat of police prosecution against me as a trespasser on Sundays, and subsequently also the possibility of an imminent deportation from Australia.

No Christian on earth knows Torsten.

Please pray that God will find a Christian church in Perth, Australia, where there are real Christians, where I am permitted to communicate with other singles, and where the church leadership will not satanically attack me.

Most importantly, please pray that God will find a single young Christian woman somewhere on earth who is both capable to hear and willing to trust and obey the true voice of the Holy Spirit, and who has the courage to communicate in the natural. I have now contacted (by email or physically visiting) nearly all of the churches from all Christian denominations in Perth, Australia. Most (nearly all) pastors of churches in Perth, Australia, decline to welcome me to their church, or ban me covertly, or excommunicate me explicitly. A few of the small church communities with a predominantly elderly demographic have responded kindly; acknowledging their demographic inadequacy but with a friendly welcome. The general rules of thumb regarding all church-pastors applies also here in Perth: If there is a reasonable probability demographically for development of marital relationships, the pastors of churches will do all within their control to prevent Godly marriages. If there is demographically no/low probability for marital relationships to develop, then the pastors of churches might welcome. When God seeks to provide a solution, pastors of churches will prevent God's blessing.

The denomination in Perth which most consistently exclude/excommunicate Torsten, so far, is the Seventh Day Adventist Church, where none of their Adventist churches welcome.

Satan controls most churches also in Perth - through their pastors.

Similar to the pastors of churches in New Zealand who deliberately lied against Torsten to the New Zealand Police, and convinced the New Zealand Government to imprison, deport and ban Torsten from future entry to New Zealand (<http://www.kyrkor.be/New-Zealand-Christian-Network-of-persecution-by-pastors.htm>), (<http://www.kyrkor.be/Devilish-Churches-in-Auckland-New-Zealand.htm>), an endeavour which the satanic pastors of New Zealand succeeded with on Feb.14 2015, it might be expected that also some churches in Australia pursue the Australian Government with lies against Torsten to similarly seek the Australian Government's expulsion of Torsten from Australia.

Having looked into the demonic eyes of several pastors of churches around the world, and having encountered an uncountable number of hostile and hateful pastors of churches, it would even seem likely that a few pastors of churches might be praying for the death of Torsten; in which case Torsten's death, sooner or later, would be a moment of relief and celebration to them. (Luke 12:4)

 5. North Perth Seventh-day Adventist Church in Perth, Australia, objectified a Christian visitor with ritualistic greetings: <http://www.kyrkor.be/North-Perth-Seventh-day-Adventist-Church.htm>
- A typical New Zealand pastor of a Baptist church in Auckland, New Zealand, responded to the last prayer-report plea with an unspecified allegation against Torsten of insanity: <http://www.kyrkor.be/Blockhouse-Bay-Baptist-Church-Auckland-NZ.htm>

The Baptist Senior Pastor, Bob Touchell, of Perth Baptist Church Inc. (<http://www.perthbaptist.com.au>) refused to provide a reason for their church's eviction against Torsten, but this senior pastor unintentionally admitted that the Australian "Baptist Union" had warned Baptist churches against the Christian, and that the Australian "Baptist union" had requested that the Christian should be evicted from churches if he visits. It would thus appear that some satanic pastors of churches, also in Australia, might have been inspired by the recent successes of the satanic pastors in New Zealand two weeks ago, when the Government of New Zealand imprisoned and later evicted Torsten from the county of New Zealand, with an indefinite (lifetime) ban of entry into New Zealand, as a consequence of the utter lies invented by the satanic pastors of churches of New Zealand. (<http://www.kyrkor.be/New-Zealand-Christian-Network-of-persecution-by-pastors.htm>), (<http://www.kyrkor.be/Devilish-Churches-in-Auckland-New-Zealand.htm>) In regards to inspiration by perceived victory for others of an identified commonality against a perceived enemy, there would appear to be little difference between some pastors of churches and Islamists. Islamists join in their Quranic-based battle for Islam by inspiration also from the perceived territorial and media successes of the terrorist group Islamic State. Islamists are satanically inspired by the appearance of victories by IS, and similarly, some pastors of churches appear to be satanically inspired by the satanic pastors' victory over Torsten in New Zealand. The New Zealand Christian Network (<http://nzchristiannetwork.org.nz/2014/02/20/warning-re-person-travelling-nz/>), who lied to the New Zealand Police and subsequently to the Government of New Zealand that Torsten should be denied entry into New Zealand because he would have been "**threatening members of their church**", and because of he would constitute "**general disruptive behaviour**", appears to have inspired the Australian Baptist Union (<http://www.baptist.org.au> or <http://www.baptistwa.asn.au>) to also lie and persecute Torsten. The delusion of a good victory in New Zealand for the pastors in New Zealand, appears to inspire some satanic pastors in Australia to do likewise: invent lies, slander and warn against Torsten. Satanic pastors of churches appear to have been emboldened to persecute more.

Please pray that God will find a Christian church in Perth, Australia, where there are real Christians, where I am permitted to communicate with other singles, and where the church leadership will not satanically attack me.

Most importantly, please pray that God will find a single young Christian woman somewhere on earth who is both capable to hear and willing to trust and obey the true voice of the Holy Spirit, and who has the courage to communicate in the natural. Current:

I have now departed from "Adelaide - City of *satan*" in Australia, and will now instead be commencing to visit churches in Perth, Australia.

My primary objective in Perth is to find a young Christian woman of God's choice for Godly marriage, by searching for a church in Perth where I would be permitted to communicate with other single Christians.

After having contacted all listed churches of all Christian denominations in Adelaide, Australia, nearly all (approximately 90%) of the churches in Adelaide refused to welcome, and excommunicated me explicitly or covertly. However, five churches in Adelaide did welcome me. Of the five welcoming churches in Adelaide, only the Seventh Day Adventist Church was capable to provide authentic Christian fellowship. I enjoyed this Seventh Day Adventist Church welcoming and friendly demeanour, and the Scriptural maturity of their members. I was unable to identify a Godly appointed relationship for marriage within that Adventist group, but I highly respect that Adventist church for their unparalleled authentic fellowship. A Lutheran church in Adelaide also provided occasion for social opportunity with single Christians.

Four of the five welcoming churches in Adelaide:

- Adelaide City Seventh Day Adventist Church: <http://adelaidecity.adventist.org.au>
- Bethlehem Lutheran Church: <http://www.bethlehemadelaide.org.au>
- Flinders Street Baptist Church: <http://fsbc.asn.au>
- Coastlands Church: <http://www.coastlands.org.au>

Recent excommunications by churches in Adelaide and Melbourne, Australia:

On Saturday February 14, 2015, the New Zealand government expelled me from New Zealand, and in essence banned me from entering New Zealand in future. On Friday February 13, 2015, I had flown from Adelaide, Australia towards Wellington, New Zealand, with a connecting flight via Auckland. Upon my arrival at Auckland airport, the New Zealand Immigration authority officers took me aside and thoroughly interrogated me during the following ten hours; from 6:30pm until 4:30am. In conjunction with the NZ Immigration ten-hour interrogation, NZ Immigration officers fingerprinted my hands, refused to provide a meal of food, and finally handed me over to custody of the New Zealand Police. NZ Police arrested me, stripped me of my personal belongings, refused to provide me the right to speak with a lawyer although I repeatedly requested to the NZ Police officers to allow me to speak with a lawyer, placed me into the backseat of a police car, drove me to crowded 'Counties Manukau Police Station', removed my glasses, shoes and watch, and placed me into one of

the prison cells of the Manukau Prison. After several hours of imprisonment inside this Auckland prison cell, a prison guard finally opened the door and ordered that I accompany the NZ Police back towards the Auckland airport. A securely specialised prisoner-vehicle drove me to the airport, and the NZ Police escorted me into a secure room of the airport. A New Zealand Immigration officer together with a New Zealand Police officer then paraded me towards the airport gate where a flight was destined towards Adelaide, Australia. Along the officer-escorted public walk towards the departure gate, the NZ Immigration officer declared to me in response to my question why I had been denied my right to speak with a lawyer: *"You are not a New Zealand citizen, and therefore you have no rights in this country."*

During the ten-hour NZ interrogation, the interviewing NZ Immigration officer explained the reason for declining my entry into New Zealand. The interviewing NZ Immigration officer explained that NZ Police had flagged in the system to NZ Immigration that Torsten Nenzen should be declined entry to New Zealand. NZ Police had been informed by the pastors of churches in New Zealand that Torsten should be stopped because: (1) Torsten had been **"threatening members of their church"**, and (2) because of Torsten's **"general disruptive behaviour"**. These two citations are exactly what I read on the officer's computer screen in the interview room, and what the NZ Immigration officer confirmed by reading it aloud to me.

These two New Zealand government exact citations are utter lies invented by the pastors of churches in Auckland, and are the two official reasons that NZ government evicted and banned me from NZ. The pure evil of the New Zealand church-pastors is truly amazing. Satan, through the pastors of New Zealand churches, caused the NZ government to evict Torsten from New Zealand and caused the NZ government to ban Torsten from future entry to NZ.

Shame upon the lying pastors of churches in New Zealand, and shame upon the government of New Zealand for evicting and banning me from New Zealand based on the lies of church-pastors.

Do the pastors of churches in New Zealand really think that God does not see their evil?

I believe that the Holy Spirit had prepared me for this satanic attack; an attack which was initiated by the satanic churches in New Zealand in cooperation with the New Zealand government. This manifested satanic attack by the NZ government and NZ churches is a confirmation of what the Holy Spirit had shown to me in a vision, before my departure from Adelaide towards Wellington. In a vision, God had showed to me a thick serpent (symbol for satan) which was formed in layers of a sideways number 8 (symbol for infinity). From the mouth of that serpent came a long outstretched tongue, and attached to the tip of the serpent's tongue, by a wound thin string, was a white feather. When I saw the white feather I intuitively suspected that this was New Zealand connected to something demonic. Following the eviction from New Zealand, I have learned that the white feather symbol for New Zealand is actually not a feather, but is a silver fern. In hindsight, I have understood more clearly the vision which I initially perceived to portray something demonic regarding New Zealand. My interpretation of the vision: The New Zealand government is tied to the satanic lies by churches of New Zealand. The ancient serpent is satan, the tongue of the serpent is the lies by church-pastors, the silver fern is the NZ government, and the thin string that wound the silver fern to the serpent's tongue indicates that the NZ government is tied to the lies by the pastors of churches. The NZ government is acting on behalf of the churches in New Zealand, and New Zealand church-pastors are lying on behalf of satan.

Please pray that God will find a Christian church in Perth, Australia, where there are real Christians, where I am permitted to communicate with other singles, and where the church leadership will not satanically attack me.

Most importantly, please pray that God will find a single young Christian woman somewhere on earth who is both capable to hear and willing to trust and obey the true voice of the Holy Spirit, and who has the courage to communicate in the natural. I have daily prayed the past 19 years for a woman of God's choice as His gift to me, and have not sought a church-woman to take by simply my own choosing.

Also, please pray that the decision taken beneath the devilish Obama Administration of USA in banning me from visiting USA as a tourist will be reverted, so that I can visit churches in USA. And please pray that the decision taken by the government of Canada in banning me from visiting Canada as a tourist will be reverted, so that I again can visit churches in my homeland.

I am in Adelaide, Australia. "*Adelaide – the city of satan*"

With prayer and by visiting churches, I am hoping to find a Christian woman to marry. There will be no marriage without a Godly appointed relationship, and there will be no relationship without communication, and there will be no communication without a meeting, and there will be no meeting without both persons coordinated in both time and space. Satan together with most pastors of churches do everything in their power to hinder a Godly marriage.

Nearly all churches in Adelaide, Australia, have excommunicated me either covertly or explicitly. Satan, through the majority of pastors of churches in Adelaide, prohibit Christian marriage. And satan, through Adelaide City Council, effectively prohibit evangelism. Adelaide is a city of satan.

New excommunications by churches in Adelaide, Australia:

1. Satanic Anglican Holy Trinity Church in Adelaide, Australia, excommunicated an innocent Christian and called police for police-assisted eviction from church premises: <http://www.kyrkor.be/Holy-Trinity-Church-Adelaide-Australia.htm>
2. Devilish Life Christian Centre "Life Church" in Adelaide, Australia, explicitly excommunicated an innocent Christian: <http://www.kyrkor.be/Life-Church-Christian-Centre-Adelaide-Australia.htm>

Anglicanism and Satanism are of similar conduct. Anglican vicars/rectors/ministers/pastors share a common agenda with satan; to harm an innocent Christian through malevolence. In reality, satan governs Anglican churches through their pastors. (<http://www.kyrkor.be/Also-satan-seems-to-be-an-Anglican.htm>)

Current:

I have departed from Melbourne, Australia, and currently I am continuing the search for a church in Adelaide, Australia.

After having contacted all listed churches of all Christian denominations in Adelaide and beyond, it preliminarily appears that there is no church anywhere in Adelaide where I can meet and talk with single Christians. Some of the churches in Adelaide demonstrate their hatred through hostile violence, some churches in Adelaide express their hatred in words, some churches in Adelaide explicitly excommunicate, but the majority of churches in Adelaide covertly excommunicate by shunning. Four churches in all of Adelaide have formally invited, and upon my visit to those four churches their leaders did not violently evict, did not threaten, and did not excommunicate. These four churches, however, either do not currently organize mid-week meetings or they do not have single Christians in the sought approximate age range 25-39. Therefore, although there are four churches in all of Adelaide and beyond which could be classified as welcoming (non-violent, non-threatening, non-hostile and non-excommunicating), in current reality there is little or zero potential within Adelaide for me to meet and socialise with other Christian singles.

In Melbourne, Australia, where I now have revisited for one month, I had 1½ years ago (<http://www.kyrkor.be/Devilish-Churches-in-Melbourne.htm>) previously contacted all listed churches of all Christian denominations, and then there was no real opportunity to build authentic relationships with other Christians in any of the churches in Melbourne. Also now 1½ years later, there was no real opportunity given by the churches in Melbourne. Then, of all the listed churches in Melbourne only six churches had formally welcomed. Of those formerly inviting six churches, I now revisited three of them: a Pentecostal, a Presbyterian and a Catholic. The friendly Presbyterian church (<http://www.scotschurch.com>) maintains a large building with relatively few congregants and essentially no singles. The tiny charismatic Catholic church (<http://www.cam.org.au/melbournebourkest>) is internally at odds; some obstructive, some slanderous, some false, but also some very friendly. The Pentecostal stage-focused and somewhat artificial megachurch (<http://www.bridgechurch.org.au>) with some sincere leaders houses many young people, but none of the connect-group leaders which I had been centrally invited to contact, and who I subsequently contacted, would invite. The remaining approximately 99% of all the churches in Melbourne, Australia, which did not welcome or which explicitly excommunicated me, as indicated by some of them which I revisited now, continue unrepentantly to satanically excommunicate the innocent.

Recent excommunications by churches in Adelaide and Melbourne, Australia:

I am postponing my pursuit of a Christian church in Adelaide, Australia, until later date. Instead, I am currently in Melbourne, Australia.

Because Adelaide City Council in effect prohibits impartation of the Christian Gospel on all public property within Adelaide, I have chosen to depart from Adelaide, and instead revisit the neighbouring city, Melbourne, in the State of Victoria. City of Melbourne respects fundamental human rights, religious freedom and the freedom of speech. In this democratic City of Melbourne, people are still free to evangelise on public property. In Adelaide, such internationally recognised basic human rights are legally opposed by the Adelaide City Council.

- Adelaide City Council violates human rights: <http://www.kyrkor.be/Adelaide-City-Council-Australia.htm>

Although I am legally free to evangelise in the libertarian City of Melbourne, I am not free to visit churches in Melbourne, because of the devilish pastors. It was evidenced through the excommunications and slanderous networks of lying pastors in Melbourne during my previous visits and inquiries with the churches in Melbourne 1½ years ago, that the satanic churches in Melbourne persecute real Christians: <http://www.kyrkor.be/Devilish-Churches-in-Melbourne.htm>

At a glance today, into some of the churches of Melbourne that previously excommunicated me 1½ years ago, it appears that the slander, the hostility and the hatred by pastors of churches in Melbourne have not diminished. I might update this further, next time.

Currently, I am visiting churches in Adelaide, Australia.

In similarity with most churches of other major cities worldwide, also the majority of contacted churches in Adelaide, Australia, have chosen to not welcome me. Also in similarity with most churches of other major cities, some of the churches in Adelaide have excommunicated me. Adelaide does, at better however, differ slightly in that a couple of all the contacted churches here in Adelaide appear to have welcomed Torsten, or stated at worse, a couple of churches in Adelaide appear to have not excommunicated Torsten yet. I have still not found in Adelaide a Christian social context (or a Christian small group context) where I am welcome to connect also with other Christians of a similar life stage as single.

Torsten reported the physical assault eviction crime by the church leaders (who were ordered to evict Torsten by their senior pastor) of the Adelaide Christian Centre Church to the South Australia Police (SAPOL). SAPOL did not recognise Torsten as a victim of physical assault crime by the church, but SAPOL instead viewed Torsten from the perspective as an unlawful trespasser in the church.

Recently, I have been visiting churches in Thailand.

One of the devilish English-speaking churches in Bangkok, Evangelical Church of Bangkok (ECB), discriminatorily and aggressively hindered me from seeking to socialise. Because I had visited ECB previously, I already knew the type of unwelcoming church it is, and I am accustomed to hostilities and excommunications by most pastors of churches everywhere on earth.

People in Thailand are among the friendliest in the world. Culturally, Thai people (predominantly Buddhists with some Muslims) are very friendly and polite. Western pastors exporting their Western church cultures and Western churchy attitudes into Thailand, however, are problems for an otherwise friendly Thai society. Thai-language Christian churches with Thai leadership are friendlier than the English-speaking 'Christian' churches in Thailand. Although every person in Thailand absolutely needs salvation through Jesus Christ alone, the culturally friendly Thai people do not need to be perverted by Western church cultures. It's sad to see when friendly Thai Christians are malformed into Western-cultured church-jerks.

- Evangelical Church of Bangkok (ECB) in Thailand discriminatorily and aggressively hindered an innocent Christian from socialising, due to concern over the Christian's mentality and concern for other people:

Current:

I am currently in satanic Sweden.

Recently I visited Dublin, Ireland, where every protestant church in Dublin excommunicated me (<http://www.kyrkor.be/Devilish-Churches-in-Dublin-Ireland.htm>). Only one church of all the 85 protestant churches in Dublin welcomed; conditionally. Therefore, I departed from Dublin as a totally rejected human of no value to any of the churches or to Ireland. Instead of remaining in Ireland where all protestant churches had rejected me, I moved onwards to the West Midlands of United Kingdom. In the West Midlands, some of all the devilish churches in Worcester (West Midlands) who previously had excommunicated me covertly (<http://www.kyrkor.be/All-Saints-Church-Worcester-UK.htm>), had become emboldened by satan, and the churches in Worcester thereby at this time had progressed to excommunicating me explicitly. After rejection by churches in Worcester and Birmingham (West Midlands), I then made new attempts to visit some churches in London, UK, that previously had only excommunicated me covertly. It was again confirmed that there is no church anywhere in London which would/can welcome me as a Christian or as a human.

These are the recent excommunications:

1. Anglican All Saints Church in Worcester, UK, explicitly excommunicated an innocent Christian from all services, activities and events. The archbishops of the Church of England appear to subsequently approve the excommunication: <http://www.kyrkor.be/All-Saints-Church-Worcester-UK.htm>
2. Woodgreen Evangelical Church in Worcester, UK, explicitly excommunicated an innocent Christian from their services: <http://www.kyrkor.be/Woodgreen-Evangelical-Church-Worcester-UK.htm>
3. Emmanuel Evangelical Church in London, UK, covertly excommunicated an innocent Christian: <http://www.kyrkor.be/Emmanuel-Evangelical-Church-London-UK.htm>

The Church of England (<https://churchofengland.org>), through passivity and refusal of correctional measures against these satanic Anglican vicars in United Kingdom, by both the Archbishop of Canterbury (<http://lambethpalace.org.uk>) and the Archbishop of York (<http://www.archbishopofyork.org>), demonstrate the Church of England support for excommunications against the innocent Christian. <http://www.kyrkor.be/All-Saints-Church-Worcester-UK.htm>

On Sunday 2014-10-26 at Westminster Chapel in London, UK, which previously covertly excommunicated Torsten (<http://www.kyrkor.be/Westminster-Chapel-London-UK.htm>), a church-member who appeared intent to distract other communications, inquired with me if I were evangelising inside London's clubs. I informed the church-member that I evangelise only to people on public streets – not inside clubs. I have never visited clubs in London. But the question by the church-member is a reminding indication of the deep moral confusion, the promiscuity and the grave hypocrisy of many church-people. I am not, and will never want to be, like these church-people. I am a Christian.

A satanic Anglican church (<http://www.kyrkor.be/Also-satan-seems-to-be-an-Anglican.htm>) in Sydney, Australia (<http://www.kyrkor.be/Devilish-Churches-in-Sydney.htm>) commented on the previous 130th prayer-report (http://www.kyrkor.be/Inhumane_Swedish_Pastors.pdf). The satanic Anglican pastor, Senior Minister Rector Rev Michael Paget (<http://www.kyrkor.be/Michael-Paget-St-Barnabas-Anglican-Church-Sydney.htm>) of St Barnabas Anglican Church (<http://www.kyrkor.be/St-Barnabas-Anglican-Church.htm>), who insinuated in the 128th prayer-report that it might be satan who is convincing me of a need for a Christian marriage, and insinuated that the voice of the Holy Spirit is actually satan, has now struck again with another taunt. The satanic Anglican pastor has now invented a condition for permission to visit his satanic Anglican church. Mike Paget contrived his satanic precondition that "if you are willing to not seek a wife and instead seek a humble and contented heart" then the Anglican church would welcome. Satanic St Barnabas Anglican Church in Sydney, Australia, had previously excommunicated and evicted me from their church premises, called the police, and their senior Anglican pastor Mike Paget had swiftly walked around and warned every person inside his church with his pointed finger outstretched towards me, loudly repeating his statement to each person: "That is Torsten. I have asked him to leave. The police is coming to escort him. Don't talk to him!" The senior satanic Anglican pastor Michael Paget has also previously falsely accused me of psychological illness which requires my repentance and counselling by a psychologist.

Dear Torsten,

*Since the Scriptures do not promise that every man will find a wife or every woman a husband, I want to encourage you to pause in this pursuit and instead seek a humble and contented heart. We would welcome you at Barneys **if you are willing to not seek a wife** while in our fellowship.*

Grace and peace,

Uncovering yet another satanic church in New Zealand; evidenced here to attack Torsten behind his back with invented and utter lies. This particular satanic church is Anglican: <http://www.kyrkor.be/St-Johns-Bucklands-Beach-Church-New-Zealand.htm>

Please pray that God will find a real Christian church somewhere on earth that will welcome me to fellowship; a church where the pastors will not be satanically intent on harming the innocently excommunicated, but a church that in reality values Christian fellowship, Christian relationships and Christian marriages. **Most importantly, please pray that God will find a single young Christian woman somewhere on earth who is both capable to hear and willing to trust and obey the true voice of the Holy Spirit, and who has the courage to communicate in the natural.** I have daily prayed the past 19 years for a woman of God's choice as His gift to me, and have not sought a church-woman to take by simply my own choosing.

Also, please pray that the decision taken beneath the devilish Obama Administration of United States of America in banning me from visiting USA as a tourist will be reverted, so that I can visit churches in USA. And please pray that the decision taken by the government of Canada in banning me from visiting Canada as a tourist will be reverted, so that I again can visit churches in my homeland.

And, please pray for protection against the satanic persecution by churches.

Current:

I have now departed from Dublin, Ireland, where the satanic pastors of the protestant churches persecuted me with their invented lies, slander, evils and excommunications: <http://www.kyrkor.be/Devilish-Churches-in-Dublin-Ireland.htm>

Currently, I am in the West Midlands of United Kingdom, where I have previously contacted many churches, and in one West Midlands city (Worcester) none of their "Christian" churches previously welcomed: <http://www.kyrkor.be/Devilish-British-Churches-in-Worcester.htm>

The Anglican Church of St Peter-ad-Vincula in Tibberton did not communicate directly upon my visit on October 5th 2014: <http://bowbrookgroup.webs.com/tibberton.htm>

Considering that not a single church in all of London, UK and none of the contacted churches in the West Midlands of UK allow that I talk with Christian singles, it is likely that no church anywhere in the United Kingdom would allow me to talk with other singles inside churches. It would seem that satan, through the pastors, is in total control of the "Christian" churches in the United Kingdom.

Please pray that God will find a real Christian church somewhere on earth that will welcome me to fellowship; a church where the pastors will not be satanically intent on harming the innocently excommunicated, but a church that in reality values Christian fellowship, Christian relationships and Christian marriages. **Most importantly, please pray that God will find a single young Christian woman somewhere on earth who is both capable to hear and willing to trust and obey the true voice of the Holy Spirit, and who has the courage to communicate in the natural.** I have daily prayed the past 19 years for a woman of God's choice as His gift to me, and have not sought a church-woman to take by simply my own choosing.

Current:

I am currently in Dublin, Ireland. The past five weeks I have been attempting to visit churches in Dublin. My primary objective in Dublin is to find a Christian woman of God's choice for marriage by divine appointment.

Islamic leaders consistently lie to promote their religious lie and to advance evil, while most church leaders lie to protect their personal lies and to hide their evil. In reality, truth is irrelevant to most pastors of churches. Lying and manipulating is the majority conduct of pastors of churches.

Factually, 99% of all the protestant churches also in Dublin, Ireland, satanically persecute me with their lies and evils and excommunicate.

New excommunications by churches in Dublin, Ireland:

1. Anglican Immanuel Church in Dublin, Ireland, evicted, explicitly excommunicated, lied, falsely accused and called police against an innocent Christian: <http://www.kyrkor.be/Immanuel-Church-Dublin-Ireland.htm>
2. Anglican City Church in Dublin, Ireland, physically hindered, evicted, explicitly excommunicated and called police against an innocent Christian regarded as a public menace: <http://www.kyrkor.be/City-Church-Dublin-Ireland.htm>
3. All Nations Church in Dublin, Ireland, evicted, assaulted and explicitly excommunicated an innocent Christian: <http://www.kyrkor.be/All-Nations-Church-Dublin-Ireland.htm>
4. Destiny Church in Dublin, Ireland, explicitly excommunicated an innocent Christian and falsely accused the Christian of mental illness: <http://www.kyrkor.be/Destiny-Church-Dublin-Ireland.htm>
5. Dublin Vineyard in Ireland, prompted by slanderous Evangelical Alliance, explicitly excommunicated an innocent Christian: <http://www.kyrkor.be/Dublin-Vineyard-Church-Ireland.htm>
6. Ranelagh Christian Church in Dublin, Ireland, explicitly excommunicated an innocent Christian, and confirmed that all churches in Dublin has been warned about the Christian: <http://www.kyrkor.be/Ranelagh-Christian-Church-Dublin-Ireland.htm>
7. Urban Junction Ignite Church in Dublin, Ireland, explicitly excommunicated an innocent Christian: <http://www.kyrkor.be/Urban-Junction-Ignite-Church-Dublin-Ireland.htm>
8. Mountain View Community Church in Dublin, Ireland, explicitly excommunicated an innocent Christian: <http://www.kyrkor.be/Mountain-View-Community-Church-Dublin-Ireland.htm>

Previous excommunications by churches in Dublin, Ireland:

- St Mark's Church of "Pentecostalism" in Dublin, Ireland, explicitly excommunicated an innocent Christian without a given reason: <http://www.kyrkor.be/St-Marks-Church-Dublin-Ireland.htm>

In Christian churches, the Judeo-Christian Bible is regarded as authoritative to Christian doctrine and Christian practice. In pseudo-Christian churches, the Bible is irrelevant in reality; neither theology nor church praxis conform to the Bible. If a church purports to be Christian, then the banning of a Christian from its community must follow Biblical precepts of church discipline. Not only the satanic churches in Dublin, but all satanic churches in the world who have excommunicated Torsten have disregarded God's Word and the Biblical precepts for excommunication.

Examples of Biblical teaching on excommunication:

- Matthew 18:15-18 procedure of church discipline against sin
- 1 Corinthians 5:9-13 church discipline against immorality
- Romans 16:17-18 dissociation from rebelliousness contrary to the Bible
- 2 Thessalonians 3:6 dissociation from disorderliness/idleness
- Titus 3:9-11 procedure of church discipline against factiousness

The satanic churches that have excommunicated Torsten have declined to provide reason for their excommunications, and have categorically refused all further dialogue. No church in the world has factually pointed to any sin / immorality / rebelliousness / disorderliness / factiousness of which Torsten would be guilty of towards excommunication. The pastors of churches are merely expressing satan's wrath against the innocent.

Zero protestant churches in Dublin welcome Torsten as a normal human. I enquired with all Protestant churches in Dublin and a couple of Catholic ministries (85 churches) about Christian fellowship. 12 churches initially welcomed. 5 of those 12 churches later explicitly excommunicated. 6 of those 12 churches later covertly excommunicated (refused to answer all further communication attempts). The remaining 1 of those 12 churches (a Salvation Army church) finally welcomed with expressed demeaning reservations that visitors must be "*respectful to everyone else present and not cause disruption to our meetings*". On Sunday 2014-09-28 at 11:00 I visited that reserved Salvation Army where eleven persons attended – of which no attendant was youngish female and unmarried.

In contrast to the 99% absolute rejection by all the devilish Protestant churches in Dublin (84 of 85 churches rejected fully and 1 of 85 reservedly welcomed), is a Brazilian and Portuguese speaking "Emmanuel Community" of the Roman Catholic Church at St Mary of Angels Church (<http://www.dublindiocese.ie>), which upon my visit welcomed into their separate charismatic teaching. That particular Roman Catholic Brazilian friendliness coupled with their separate teaching about Holy Spirit-filled faith, certainly contrasted the satanic Protestant pastors and their many devilish Protestant churches in Dublin. As a Bible-aligning Christian, I can never endorse all Roman Catholic theology, but the typical Catholic respectfulness of human dignity, kindness and gentleness is generally a stark contrast to the harsh and inhumane attitudes of nearly all Protestant pastors. The true Pentecostal movements within the Roman Catholic church is delightful.

Evangelical Alliance Ireland (<http://www.evangelical.ie>) has been pointed out by the Vineyard Church in Dublin as a source of slander "*In the light of [...] correspondence from Evangelical Alliance Ireland [...] I am withdrawing the welcome.*" The devilish slandering by Evangelical Alliance Ireland appears to be part of their programme titled 'Church Liaison' (<http://www.evangelical.ie/index.php/what-we-do>). Earlier, the Evangelical Alliance of United Kingdom opposed my critique against the British churches' outsourcing of Christian relationships to their British pro-homosexuality website (<http://www.kyrkor.be/Evangelical-Alliance-United-Kingdom.htm>).

The municipal government of Dublin, Ireland (Dublin City Council), which violates internationally recognised human rights by declining the right to freely distribute Christian literature in public, still refuses to communicate and retract from their unlawful praxis: <http://www.kyrkor.be/Dublin-City-Council-violate-human-rights.htm>

Please pray that God will find a real Christian church somewhere on earth that will welcome me to fellowship; a church where the pastors will not be satanically intent on harming the innocently excommunicated, but a church that in reality values Christian fellowship, Christian relationships and Christian marriages. **Most importantly, please pray that God will find a single young Christian woman somewhere on earth who is both capable to hear and willing to trust and obey the true voice of the Holy Spirit, and who has the courage to communicate in the natural.** I have daily prayed the past 19 years for a woman of God's choice as His gift to me, and have not sought a church-woman to take by simply my own choosing.

Current:

I am currently visiting churches in Dublin, Ireland. My primary objective in Dublin is to find a Christian woman of God's choice for marriage by divine appointment. As usual, when God wants to bless - satan tries to hinder the blessing. And satan might already have succeeded to hinder God's intended appointment here in Dublin.

Nevertheless, I remain in Dublin in hope of a divine appointment that will actually lead to a meeting and conversation in reality.

I have contacted 85 churches in Dublin, Ireland, to seek occasions for Christian fellowship where also young Christian singles are present. From the individually written emails to 85 churches in Dublin, 10 churches replied. 12% of all the churches in Dublin which I individually contacted to enquire about occasions for Christian fellowship replied. Statistically, therefore, the churchianity of Dublin is similar to the churchianity of most other cities in the world (~10% reply / ~90% reject). In most cities worldwide where I have visited to enquire to churches about Christian fellowship, the figure is similar - approximately 10% or less of the churches respond. Eight of the ten welcoming churches in Dublin explicitly or implicitly expressed that their churches were unlikely to meet expectations due to size and demographic. Only one of the ten replying churches concretely invited to a specific meeting where also young Christian singles attend, but that church later excommunicated me.

The "Pentecostal" St Marks Church in Dublin, Ireland, initially invited, but later decided to excommunicate. St Marks Church in Dublin and their satanic "Pentecostal" pastor Sean Mullarkey refused to provide any reason for their decision to excommunicate, and St Marks Pentecostal Church pastors decided to cease all future communication with Torsten.

- St Mark's Church of "Pentecostalism" in Dublin, Ireland, excommunicated an innocent Christian without a given reason: <http://www.kyrkor.be/St-Marks-Church-Dublin-Ireland.htm>

Apart from the darkness of the unwelcoming churches in Dublin (~90%), there appears to be also considerable spiritual darkness capturing the minds and souls of the unchurched inhabitants in Dublin. Actively deceiving people on the streets in Dublin are of course the usual non-Christian cults Jehova Witnesses and Mormons, but the Islamic presence and the widespread intensity of anti-Israel propaganda on the Dublin streets is unmistakable.

In spite of the historical Christian influence in Dublin, contemporary Dublin is a spiritually dark city, with a corrupted and confused municipal government, with an active Islamic and visibly anti-Israel community, and a typical majority of unwelcoming and evil churchianity.

A satanic Anglican church (<http://www.kyrkor.be/Also-satan-seems-to-be-an-Anglican.htm>) in Sydney, Australia (<http://www.kyrkor.be/Devilish-Churches-in-Sydney.htm>) commented on the previous 127th prayer-report (http://www.kyrkor.be/Inhumane_Swedish_Pastors.pdf). Satanic St Barnabas Anglican Church in Sydney, Australia, excommunicated and evicted me from their church premises, called the police, and their senior Anglican pastor Mike Paget swiftly walked around and warned every person inside his church with his pointed finger outstretched towards me, loudly repeating his statement to each person: "That is Torsten. Dear Torsten,

Have you considered whether it may not be the Lord's purpose for you to be married?

Although marriage is a good gift from God to all creation, 1 Cor 7 makes clear that there is a true glory to singleness as well. The Lord Jesus Christ, as well - it appears - as the apostle Paul, was single.

It's clear from some of your emails that you have felt convinced in the past that particular women were promised to you by the Lord. Remember that **Satan is the master of the senses, and that this conviction has not foundation in the Scriptures. For this reason, it may be that churches are not so much in opposition to God's will as confounding your will in this matter.**

Grace and peace,

Mike

No person on earth knows Torsten. No Christian on earth is a friend. No church on earth welcomes Torsten to occasions for real fellowship with other Christian singles. Most churches that Torsten visits or contacts excommunicate Torsten, or refuse to communicate. Most pastors of churches slander and lie about Torsten. None of the multitude of pastors that have evicted or excommunicated Torsten from their churches provided any reason based on reality. Truth is irrelevant to most pastors of churches.

As long as Torsten has no opportunity to meet and communicate authentically with Christian singles of the opposite gender, logically, it is absolutely impossible for Torsten to attain a Christian marriage.

Satan, through most of the pastors of Christian churches, prevents Torsten from establishing God's good will of a Christian marriage.

The past 1½ weeks I offered the Gospel message to people on the streets in southern Spain with Spanish Christian tracts. Previously, I had contacted most "Christian" churches in that area of Spain and beyond, and therefore I know that none of the churches in that region of southern Spain welcomes me.

Although there is no church in Costa Blanca that welcomes me to fellowship with other singles, at least some people on the streets of Costa Blanca are receptive to read about the Gospel. The local police of a couple of the municipalities in southern Spain confronted and ordered me to not hand out Christian literature to people anywhere within their municipalities. The local police in Costa Blanca consequently disregard the UN Universal Declaration of Human Rights articles 18, 19 and 20 and ignore the European Convention on Human Rights articles 9 and 10. (ECHR is known for its anti-Christian interpretations, and thus, paper exercises to ECHR is a futile endeavour.) Because the local police officers of the Municipality of Alicante (<http://www.alicante.es>) and the Municipality of Santa Pola (<http://www.santapola.es>) inquired with me if I were evangelising, and subsequently ordered me to not hand out Christian literature to people anywhere within their municipalities, I had to play the cat-and-mouse game with the Spanish police in order to continue serving my highest authority.

This anti-Christian oppression by Spanish municipal governments and their local police is far from a cure to the increasing secularisation of Spain, but it contributes to a weakening of Christian influence on the values of people and society (moral decay), and inevitably reinforces other anti-Christian forces such as from Islam. So to some extent, Spain perhaps deserves what it inadvertently establishes for itself – to suffer from Islam: (<http://www.gatestoneinstitute.org/4616/islamic-state-spain>)

Freer than Spain is Hong Kong. Although Hong Kong remains one of the world's most libertarian regions (nations), which respects universal human rights and freedoms, those fundamental freedoms are under increased pressure from Beijing of curtailment.

The Lutheran Church of Australia (<http://lca.org.au>) responded to my previous prayer-report appeal through their pastor Lester Reinbott (lester.reinbott@lca.org.au), who has a documented strong connections with the Lutheran Church of New Zealand (<http://www.lutheran.org.nz>); declaring his Lutheran insightfulness to all excommunications against Torsten "*I can see why they excommunicated you.*" Because no church on earth has provided a factually true reason or Biblical reason for any of the excommunications of Torsten, Torsten inquired of the Lutheran Church of Australia why Torsten had been excommunicated and what the pastor Lester Reinbott sees. The Lutheran pastor, of course, was unwilling reply and unable to specify his asserted perceptiveness.

The past two weeks I revisited some of the devilish churches in London, United Kingdom (<http://www.kyrkor.be/Devilish-British-Churches-in-London.htm>). From my previously thorough enquiry with nearly all churches in London, it is known that no church in London allows me any real opportunity to communicate with Christian persons of the opposite gender. Also on this visit to London, it was again apparent that some of the devilish church-leaders in London are steadily hostile against me. Because I have pleaded for help to find opportunity to communicate with other single Christians, many of the satanic churches in London instead do the opposite by seeking to prevent me from a Godly marriage. I am certain that God wanted to bless me, but satan through some of the devilish churches in London won this visit also. Satan is victorious through the London churches who oppose God's blessing for me.

I would be quite content to quit serving people with the Gospel message in evangelism and to quit leading people to Christ, but as long as I am prevented by the satanic pastors of churches from commencing a 'normal' life in marital love (which I absolutely need), I have nothing else to do. All other options of career and studies have been hindered by satanic Sweden. Neither I nor God needs my service in evangelism, but since I am banned by the satanic churches from marrying a Christian woman of God's choice, and because I am banned from pursuing anything righteous or good within Sweden, and because I am banned from returning to my home country Canada, I have no good option but to continue serving God in evangelism. I look forward to discontinuing my service of evangelism, as neither I nor God needs it.

Until I am in the grave, I do need to share life with a woman of God's choice in marriage. Satan seems to know that he is winning a battle by placing the pastors of churches in opposition to God's good will for me to marry.

Satan, through the pastors of churches, prevents me from God's blessing of marital love.

- Anglican Holy Trinity Brompton Church (HTB) in London, United Kingdom, continued to demonstrate passive hostility and refused to communicate: <http://www.kyrkor.be/Holy-Trinity-Brompton-Church-in-London-UK.htm>
- Westminster Chapel in London, United Kingdom, covertly excommunicated an innocently excommunicated Christian by refusal to invite and by refusal to communicate: <http://www.kyrkor.be/Westminster-Chapel-London-UK.htm>

I also visited the beer-worshipping King's Cross Church (<http://kxc.org.uk>) in London, where one of the leaders interrupted my conversation with another person, in a manner which suspiciously resembled a deliberate attempt to hinder relationship.

I visited also St Marys Church (<http://www.stmaryslondon.com>) where a new pastor actually appeared benevolent towards me; but unfortunately I cannot relate comfortably to that church's pub-cultured and public drinking clientele.

The devilish churches in Auckland, New Zealand, continue to express their hostilities against me. As incessantly evidenced, satan is the true face of many (most) leaders of churches.

Stop sending me this rubbish.

Please pray that God will find a real Christian church somewhere on earth that will welcome me to fellowship; a church where the pastors will not be satanically intent on harming the innocently excommunicated, but a church that in reality values Christian fellowship, Christian relationships and Christian marriages. **Most importantly, please pray that God will find a single young Christian woman somewhere on earth who is both capable to hear and willing to trust and obey the true voice of the Holy Spirit, and who has the courage to communicate in the natural.** I have daily prayed the past 19 years for a woman of God's choice as His gift to me, and have not sought a church-woman to take by simply my own choosing.

Also, please pray that the decision taken beneath the devilish Obama Administration of United States of America in banning me from visiting USA as a tourist will be reverted, so that I can visit churches in USA. And please pray that the decision taken by the government of Canada in banning me from visiting Canada as a tourist will be reverted, so that I again can visit churches my homeland.

Subject: Seeking a church that truthfully values Christian marriages.

An appeal for practical Christian help: Christian unmarried man innocently excommunicated from church in Sweden, ousted from Swedish society, and currently without humane future in Sweden, because of Sweden's heartless pastors and heretic priests, and due to Sweden's aggressively anti-Christian culture.

Dear Pastors and Ministry leaders,

Thank-you for considering your possibility to be part of God's new solution by helping in a practical manner.

Current:

I am still in satanic Sweden. Therefore, I am expelled from all aspects of society and lacking any possibility of a humane future.

The anti-Zionist Presbyterian Church in Canada discarded Torsten without provision of a reason:
<http://www.kyrkor.be/Presbyterian-Church-in-Canada.htm>

Uncovering another satanic Baptist church; as evidenced to attack Torsten behind his back with utter lies:
<http://www.kyrkor.be/Howick-Baptist-Church-New-Zealand.pdf>

While Islamists lie to protect and promote Islam as a part of Islam, pastors of churches lie and slander to protect and promote themselves apart from Christianity. (<http://www.islam-watch.org/Warner/Taqiyya-Islamic-Principle-Lying-for-Allah.htm>), (http://www.answering-islam.org/authors/toler/lying_sin.html) The essence of lies, whether by Islamists or by the church-pastors, is evil. Lying and slandering by the leaders of churches is satanic, as dishonesty is not an attribute of God. Truth is the nature of God, and is manifestly not the nature of many (most) pastors/priests of churches. In reality, truth and justice is irrelevant to leaders of churches.

If anyone knows of a Christian church anywhere on earth that would allow an innocently excommunicated Christian single man to talk with Christian single females, then please let me know.

An appeal for practical Christian help: Christian unmarried man innocently excommunicated from church in Sweden, ousted from Swedish society, and currently without humane future in Sweden, because of Sweden's heartless pastors and heretic priests, and due to Sweden's aggressively anti-Christian culture.

Dear Pastors and Ministry leaders,

Thank-you for considering your possibility to be part of God's new solution by helping in a practical manner.

...

Current:

I am now back in satanic Sweden after nine months of diligently visiting malicious churches in pleasant Australia, New Zealand, Singapore and Hong Kong. Prior to my recent return to Sweden, the English-speaking churches in Hong Kong revealed the extent of evil by the lying pastors of churches, who eagerly lied, slandered and banned Torsten: <http://www.kyrkor.be/Devilish-Churches-in-Hong-Kong.htm>

During the past nine months of Torsten's thorough visits to churches in these friendly countries, there has not been even one occasion for Torsten to meet and speak with any Christian woman. Satan, through the pastors of the "Christian" churches, has succeeded to obstruct every blessing which God wanted to provide. The satanic "Christian" pastors of the churches have obsessively excommunicated, banned, lied, falsely accused, slandered and gossiped against Torsten to prevent any occasion for Torsten to meet and communicate with any single Christian woman. The satanic obsession of the pastors of churches to hinder Torsten from attaining a Christian marriage, by preventing Torsten from any occasion to communicate with other single Christians, is perfectly aligned with satan's determination to destroy. God desires to bless Torsten with marriage, but the satanic "Christian" churches desire to prevent God's good intentions and to devastate Torsten.

Because I am in Sweden now, there is no church which I can visit, and therefore it is literally impossible for me to meet and communicate with any "Christian" woman. Since I am in Sweden, where I am banned from every aspect of society and excommunicated from every church, I absolutely have no humane future. As long as I remain in Sweden, the land of inhumanity and lovelessness, Christian fellowship and a Christian marriage is impossible.

Please pray that God will find a real Christian church somewhere on earth that will welcome me to fellowship; a church where the pastors will not be satanically intent on harming the innocently excommunicated, but a church that in reality values Christian fellowship, Christian relationships and Christian marriages. **Most importantly, please pray that God will find a single young Christian woman somewhere on earth who is both capable to hear and willing to trust and obey the true voice of the Holy Spirit, and who has the courage to communicate in the natural.** I have daily prayed the past 19 years for a woman of God's choice as His gift to me, and have not sought a church-woman to take by simply my own choosing.

After having contacted most English-speaking churches in Hong Kong, the English-speaking churches in Hong Kong have proven that no church could welcome to Christian fellowship. The English-speaking pastors in Hong Kong have proven that they, in reality, are hostile against Torsten and participate in slanderous networks. Slander, gossip and lies is at the heart of pastors of most churches – not only in Hong Kong – but also worldwide.

These are recent occurrences by churches in Hong Kong:

1. International Christian Assembly in Hong Kong openly and unconditionally excommunicated an innocent Christian, and acknowledged participation in slander among the lying pastors of churches: <http://www.kyrkor.be/International-Christian-Assembly-Hong-Kong.htm>
2. Community Church in Hong Kong excommunicated an innocent Christian by eviction from the church premises, and the senior pastor admitted participation in a secret and slanderous network of lying pastors: <http://www.kyrkor.be/Community-Church-Hong-Kong.htm>
3. Lifehouse International Church in Hong Kong falsely accused and excommunicated an innocent Christian, and admitted cooperation with a slanderous network of lying pastors: <http://www.kyrkor.be/Lifehouse-International-Church-Hong-Kong.htm>
4. Evangelical Community Church in Hong Kong in reality banned an innocent Christian, and revealed the church's participation in a slanderous network of pastors of Hong Kong churches: <http://www.kyrkor.be/Evangelical-Community-Church-Hong-Kong.htm>
5. Kowloon International Baptist Church in Hong Kong excommunicated an innocent Christian and participated in a secret slanderous network of lying pastors: <http://www.kyrkor.be/Kowloon-International-Baptist-Church-Hong-Kong.htm>
6. International Baptist Church in Hong Kong in reality covertly banned an innocent Christian from attendance in their public meetings: <http://www.kyrkor.be/International-Baptist-Church-Hong-Kong.htm>
7. Calvary International Church in Hong Kong excommunicated an innocent Christian: <http://www.kyrkor.be/Calvary-International-Church-Hong-Kong.htm>

12. Watermark Church in Hong Kong hindered an innocent Christian to fellowship by latter refusal to communicate: <http://www.kyrkor.be/Watermark-Church-Hong-Kong.htm>

These are previous occurrences by churches in Hong Kong:

1. Sky City Church refused to welcome in reality and hence excommunicated an innocent Christian: <http://www.kyrkor.be/Sky-City-Church-Hong-Kong.htm>
2. St Andrews Anglican Church evaded transparency, accused falsely, mocked, and subsequent to the vicar's refusal of further communication excommunicated an innocent Christian: <http://www.kyrkor.be/St-Andrews-Anglican-Church-Hong-Kong.htm>
3. Australian C3 Church in Hong Kong covertly excommunicated, as expected, an innocently excommunicated Christian: <http://www.kyrkor.be/C3-Church-Hong-Kong.htm>

Satan governs the English-speaking churches of Hong Kong through most of their pastors. Not a single church anywhere in Hong Kong truly welcomed a Christian who is absolutely innocent in regards to all excommunications by all churches.

The English-speaking churches of Hong Kong are not a solution for Hong Kong or for China, but are a contributing problem. Every person in Hong Kong and in China needs salvation through Jesus Christ, but the English-speaking churches is not good for Hong Kong or China.

Hong Kong is one of the most open societies in the world, but the English-speaking churches in Hong Kong are among the most closed in the world.

Please pray that God will find a real Christian church somewhere on earth that will welcome me to fellowship; a church where the pastors will not be satanically intent on harming the innocently excommunicated, but a church that in reality values Christian fellowship, Christian relationships and Christian marriages. **Most importantly, please pray that God will find a single young Christian woman somewhere on earth who is both capable to hear and willing to trust and obey the true voice of the Holy Spirit, and who has the courage to communicate in the natural.** I have daily prayed the past 19 years for a woman of God's choice as His gift to me, and have not sought a church-woman to take by simply my own choosing.

A church-person emailed recently to advise me to become more like a typical church-person. That church-person at least appears to understand the devilishly controlling and unintellectual nature of church leaders, but, instead of pursuing truthfulness and honesty, he appears unfortunately to have chosen to superficially conform to the devilish church system for his personal benefits. He appears to have recognised his options: (1) be a typical bullsh*t-Christian by adapting to the bullsh*t-church leaders – and thus be able to seek for himself a woman to marry, or (2) be a real Christian – and thus be excommunicated by the church leaders. That church-person

appears to have capitulated to the devilish churches by choosing a path of least resistance within churches: duplicity and superficiality (and subsequently avoiding the devilish church leadership radar).

Current:

Currently I am in Brisbane, Australia. During the past three months in Brisbane I explored the church-scape of Brisbane. To my knowledge, I have inquired with every church of all Christian denominations all across Brisbane and beyond, if there might be occasions of fellowship including also with single Christians. Not one church anywhere in Brisbane was able to truly welcome to fellowship including with single Christians. Most churches in Brisbane ignored me, some churches in Brisbane excommunicated me officially, some churches in Brisbane excommunicated me covertly, and a couple of churches initially welcomed in words but refused to welcome in reality. Because no church in Brisbane in reality welcomed me, and because every church which probably has single female Christians within their church excommunicated me, I never had any opportunity to talk with any Christian unmarried woman in Brisbane. After three months of diligently visiting and emailing to the Brisbane churches, I was not given even one occasion to talk with any Christian woman. Satan, through the pastors of the churches in Brisbane, ensured to block any opportunity for me to communicate with a single Christian woman.

In Brisbane I sought a church which would welcome Christian singles to talk with each other, but the satanic churches in Brisbane instead deliberately sought to hinder me from talking with other Christian singles. I was hoping to find a Christian woman of God's choice for marriage in Brisbane, but because of the satanic churches in Brisbane, God's good intention of provision was destroyed.

During nine months in Australia throughout the past 18 months (3 months in Melbourne, 3 months in Sydney, and 3 months in Brisbane) I have visited churches every weekend, and have also emailed to all churches in those three cities. Demeaningly, the churches ensured that I was never given an opportunity to authentically talk with a Christian woman. The satanic churches have, to the best of their diabolical ability, succeeded in prevention of a Christian marriage by God's will.

All churches also in Brisbane rejected me.

This is the most recent occurrence from churches in Brisbane, Australia:

Most churches on earth are hostile and evil towards me – because I am a Christian who is innocent of all excommunication by churches. Churches in general actually are this evil. And church-people lie, slander and defame persons probably more than secular people do. Churchianity is a menace to humanity and society.

While comfortable churches in Brisbane fail to demonstrate protection of human dignity and protection of innocent human life, one selfless Mr Graham Preston (<http://protect-life.info>) confronts the legislative inconsistencies of abortion in Brisbane. Dear Pastors and Ministry leaders,

Current:

I am currently in Brisbane, Australia, hoping to find a Christian woman of God's choice for marriage.

There is not one single church anywhere in Brisbane, Australia, where I am welcome to fellowship. In reality, I am excommunicated or unwelcome by every church in all of Brisbane. To my knowledge I have now contacted every single church in Brisbane, Australia, of every Christian denomination. Similar to most other cities, approximately 90% of all churches also in Brisbane refused to communicate with me. Only a few churches in all of Brisbane replied with an initial welcome, but as I have followed-up on those welcoming church replies by visiting those churches, reality proves the insincerity of those welcoming replies. Pastor-collegial loyalties at the cost of truth and righteousness, unceasing lies by church leaders, nastiness and evil, are patterns of expressions from the pastors of churches also in Brisbane. The church leaders in Brisbane, through commission and omission, are persecuting an innocent Christian.

Only a couple of churches in Brisbane invited, and the churches that invited have few or no Christian singles/young-adults. It appears that the few churches in Brisbane who had invited were insincere, or had changed their attitude to in stead align loyally with all other churches who have excommunicated. Satan, through the pastors of churches in Brisbane, is intent to hinder God's goodness and provision of Christian marriage.

These are recent occurrences from churches in Brisbane, Australia:

1. Beit Gan-Eden Messianic Congregation in Brisbane, Australia, denies Trinitarian theology: <http://www.kyrkor.be/Beit-Gan-Eden-Messianic-Congregation-Brisbane.htm>

13. ISee Church in Brisbane, Australia, excommunicated with disregard to facts and its refusal to dialogue openly: <http://www.kyrkor.be/ISee-Church-Brisbane.htm>

There are other ungodly obstructions and occurrences by the churches in Brisbane which I could mention, but I lack sufficient hard evidence to expose their suspected evil schemes.

Satan governs almost every church in Brisbane through the church pastors. In reality, essentially no church in Brisbane will allow me an occasion to meet and communicate with single female Christians. Through satanic thinking, the pastors of Brisbane are obsessed to hinder God's willingness to bless me with a Christian woman to marry.

Only in one church in Brisbane was the devil's church influence inverted; the benevolent pastor actually welcomed me to attend their young adults group of six (four) persons, but upon my visit to the group in the church, none of the six persons in the group wanted to communicate. It was truly another demeaning and dehumanising church visit, but with the difference that the pastor actually intended well and acted correctly but the church-attendees did not.

Please pray that God will find a real Christian church somewhere in Brisbane, Australia that will welcome real Christians to fellowship; a church where the pastor will not be satanically intent on harming the innocently excommunicated, but a church that in reality values Christian fellowship, Christian relationships and Christian marriages. **Most importantly, please pray that God will find a single young Christian woman in Brisbane who is both capable to hear and willing to trust and obey the true voice of the Holy Spirit, and who has the courage to communicate in the natural.** I have daily prayed the past 19 years for a woman of God's choice as His gift to me, and have not sought a church-woman to take by simply my own choosing.

I also invite to prayer that God will send to me here in Brisbane a Christian young woman from Canada or USA, if God cannot find an Australian single young Christian woman.

An appeal for practical Christian help: Christian unmarried man innocently excommunicated from church in Sweden, ousted from Swedish society, and currently without humane future in Sweden, because of Sweden's heartless pastors and heretic priests, and due to Sweden's aggressively anti-Christian culture.

Dear Pastors and Ministry leaders,

Thank-you for considering your possibility to be part of God's new solution by helping in a practical manner.

Current:

I am currently in Brisbane, Australia, hoping to find a Christian woman of God's choice for marriage.

Unceasing lies and evil are expressions from the pastors of churches also in Brisbane.

Only a couple of churches in Brisbane invited, and the churches that invited have few or no Christian singles/young-adults. It appears that the few churches in Brisbane who had invited were insincere, or had changed their attitude to in stead align loyally with all other churches who have excommunicated. Satan, through the pastors of churches in Brisbane, is intent to hinder God's goodness and provision of Christian marriage.

These are recent occurrences from churches in Brisbane, Australia:

1. Cornerstone Christian Centre in Brisbane, Australia, excommunicated by statement that the innocent Christian does not qualify to attendance in any of their public meetings: <http://www.kyrkor.be/Cornerstone-Christian-Centre-Brisbane.htm>
2. New Creation Church in Brisbane, Australia, excommunicated through refusal of direct communication, but gossiped enthusiastically: <http://www.kyrkor.be/New-Creation-Church-Brisbane.htm>

Only a couple of churches in Brisbane have invited to fellowship, and in these churches who did reply and did invite there are few or no Christian singles/young-adults. Current:

I am currently in Brisbane, Australia, trying to find a welcoming Christian church (hopefully a church that also is spiritual and sensible). Within any Christian community I hope to find a Christian woman of God's choice for marriage.

Satan has a strong grip over the churches also in Brisbane, Australia, through the church pastors. Similar to most churches anywhere, most churches who I have contacted individually also here in Brisbane refuse to communicate. Some churches, however, have replied and welcomed. The pattern of most church pastors is clear; pastors of small churches and ageing churches with few younger adults are more prone to reply and to welcome, while pastors of larger churches and churches that seem to have a younger demographic normally refuse to welcome, or they simply excommunicate. If there is potential towards marriage, satan thought the pastors will ensure that no Godly marriage can occur. Satan is, in deed, through many pastors of churches also in Brisbane, successful in destroying God's preparedness to provide. The church pastors' vilification of Torsten continue.

These are recent occurrences from churches in Brisbane, Asutralia:

1. Ann Street Church of Christ in Brisbane, Australia, excommunicated an innocent Christian from all public meetings and threatened the innocent Christian with police assisted eviction from the church property as a trespasser if the innocent Christian ever visits their public meetings: <http://www.kyrkor.be/Ann-Street-Church-of-Christ-Brisbane.htm>

In Auckland, New Zealand, there was no Christian church anywhere that would truly welcome me to fellowship. Every church in Auckland, New Zealand, in practice or in effect banned me.

Auckland is certainly a city of great contrasts; between ordinary people and ordinary churches. On the one hand, Auckland is a pleasant city because of the exceptional friendliness of the people. From more than 10 000 interactions with people on the streets through personal evangelism, I especially enjoyed and respect the sweet friendliness and humbleness of the Maoris and the Pacific Islanders in Auckland. On the other hand, the contrasting nastiness of many church-people and the devilishness of most pastors in Auckland is reprehensible. The satanic conduct of the church leaders in Auckland is appalling. I therefore hope that the comparatively friendly secular people in Auckland will never become like the nasty church-people, but that the secular people will accept Jesus Christ in spite of the exceeding evils, lies, bullsh*t and hypocrisy of the pastors of churches.

The most recent church evictions of Torsten from fellowship in Auckland, New Zealand, are:

- The 'New Zealand Christian Network', which is a New Zealand national network of church pastors, satanically persecuted an absolutely innocent Christian with lies and false accusations in a manner which might be a criminal offence of defamation and cyber bullying/stalking in contravention of New Zealand law.: <http://www.kyrkor.be/New-Zealand-Christian-Network-of-persecution-by-pastors.htm>
- Hostile congregants of Papatoetoe Seventh-day Adventist Church in Auckland, New Zealand, evicted an absolutely innocent Christian from church fellowship, and lied about the innocent Christian to a public restaurant manager who subsequently evicted the innocent Christian from the public restaurant; which might also be a criminal offence of discrimination: <http://www.kyrkor.be/Papatoetoe-Seventh-day-Adventist-Church-Auckland.htm>
- Churches in Auckland, New Zealand, outsource relationships and community to non-Christian websites, but the devilish "Auckland Christians" mimic their satanic church-pastors in Auckland and therefore excommunicated the innocent Christian: <http://www.kyrkor.be/Auckland-Christians-in-New-Zealand.htm>

Some of the other churches in Auckland, New Zealand, that recently excommunicated Torsten are:

1. Baptist Tabernacle in Auckland, New Zealand, evicted and excommunicated an innocent Christian from the church property with a concealed threat by their satanic Baptist pastors: <http://www.kyrkor.be/Auckland-Baptist-Tabernacle-Church-with-Lyndon-Drake.htm>
2. Elim Christian Centre in Auckland, New Zealand, excommunicated and evicted an innocent Christian from the church premises, and their satanic pastor Mike Griffiths called the police against the Christian: <http://www.kyrkor.be/Elim-Christian-Centre-Auckland.htm>
3. City Presbyterian Church in Auckland, New Zealand, evicted an innocent Christian from the sidewalk adjacent to the church, and their satanic pastor Travis Scott called the police against the Christian: <http://www.kyrkor.be/City-Presbyterian-Church-Auckland.htm>
4. Windsor Park Baptist Church in Auckland, New Zealand, excommunicated and evicted an innocent Christian from the church premises, and their satanic pastor Grant Harris called the police against the Christian: <http://www.kyrkor.be/Windsor-Park-Baptist-Church-Auckland.htm>
5. St Pauls Anglican Church in Auckland, New Zealand, interfered, stalked, discriminated, banned, and demeaningly imposed an obligatory "report-your-presence" duty as the condition for visiting their public Sunday meetings – in order to keep people safe from Torsten: <http://www.kyrkor.be/St-Pauls-Anglican-Church-Auckland.htm>
6. Life Church in Auckland, New Zealand, through their satanic pastor Paul Bohane; lied, lied, lied, and excommunicated: <http://www.kyrkor.be/Life-Church-Auckland.htm>
7. City Impact Church in Auckland, New Zealand, rejected and excommunicated an innocent Christian with pastoral derisiveness: <http://www.kyrkor.be/City-Impact-Church-Auckland.htm>
8. Equippers Church in Auckland, New Zealand, excommunicated by evasion: <http://www.kyrkor.be/Equippers-Church-Auckland.htm>
9. Destiny Church in Auckland, New Zealand, excommunicated by evasion: <http://www.kyrkor.be/Destiny-Church-Auckland.htm>
10. Liberty Christian Church in Auckland, New Zealand, excommunicated by evasion: <http://www.kyrkor.be/Liberty-Christian-Church-Auckland.htm>

I have previously tolerated, and almost never exposed, the hostile and satanic responses from pastors of churches internationally in relation to my sent bi-monthly prayer-report, but I have decided, henceforth, to place further satanic comments from pastors into the public domain. This is a recent reaction from pastors of a typical Pentecostal church: <http://www.kyrkor.be/Phuket-Christian-Centre.htm>

Ants demonstrate more compassion than pastors of churches. On Friday morning, March 14 2014, I was sitting at a garden table in a sunny backyard with my laptop and a cup of morning coffee. When I had finished the coffee, local ants were quickly attracted to exploring the remains inside my coffee cup on the garden table. As usual with ants, they are excellent communicators, and the message had spread among the ants that there was something of interest inside this white coffee cup on the garden table. Impressed by their speed of detection and by their number, I took a break from my laptop work to observe them. The ants demonstrated for me three identical acts of compassion. At least three ants had somehow managed to get themselves stuck in the drying coffee with milk inside the cup. The ants first investigated their stuck comrades, and then tirelessly and selflessly worked at pulling their stuck comrades out from their stuck positions in the cup. They managed to rescue two of their three stuck comrades into safety. The ants exhibited compassion towards each other. And by evidence, the ants demonstrated more compassion towards their own than church-pastors do toward innocent Christians. Although possibly in common, neither ants nor church-pastors would appear to feel empathy, however, ants and church-pastors differ in their response to struggling members of their own species. By God's design, these ants are triggered to rescue other ants. By Satan's design, these church-pastors are prompted to ignore, excommunicate and persecute innocent Christians.

The Holy Spirit often speaks to me; revealing information and providing His direction. But Satan is also continually busy through the pastors of many churches; destroying God's good plans for me.

I am currently in Brisbane, Australia, trying to find a welcoming Christian church and hoping to find a Christian woman of God's choice for marriage here.

Please pray that God will find a real Christian church somewhere in Brisbane, Australia that will welcome real Christians to fellowship; a church where the pastor will not be devilishly intent on harming the innocently excommunicated, but a church that in reality values Christian fellowship, Christian relationships and Christian marriages. **And most importantly, please pray that God will find a single young Christian woman in Brisbane who is both capable to hear and willing to trust and obey the true voice of the Holy Spirit.**

I am currently in Auckland, New Zealand, in spite of Satan's furious opposition through the pastors of the churches in Auckland.

During the past two weeks, at least another eight churches in Auckland, New Zealand, excommunicated me. Some of these excommunicating churches are:

1. Elim Christian Centre in Auckland, New Zealand, excommunicated and evicted an innocent Christian from the church premises, and their satanic pastor Mike Griffiths called the police against the Christian: <http://www.kyrkor.be/Elim-Christian-Centre-Auckland.htm>

8. Liberty Christian Church in Auckland, New Zealand, excommunicated by evasion: <http://www.kyrkor.be/Liberty-Christian-Church-Auckland.htm>

The two churches in Auckland, New Zealand, that previously excommunicated me are:

- Baptist Tabernacle in Auckland, New Zealand, evicted and excommunicated an innocent Christian from the church property with a concealed threat by their satanic Baptist pastors: <http://www.kyrkor.be/Auckland-Baptist-Tabernacle-Church-with-Lyndon-Drake.htm>
- City Impact Church in Auckland, New Zealand, rejected and excommunicated an innocent Christian with pastoral derisiveness: <http://www.kyrkor.be/City-Impact-Church-Auckland.htm>

Sunday, February 23, 2014 (Swedish Name Day = Torsten), was a typical Sunday but also an unusual Sunday. Normally on Sundays, not more than one hostile church excommunicates me without a valid reason. On Sunday Feb. 23, however, not less than three satanic pastors excommunicated me from their respective church, and all three churches called the police to request my removal.

On Feb.23 the hostile pentecostal church Elim Christian Centre (<http://www.kyrkor.be/Elim-Christian-Centre-Auckland.htm>) in Auckland evicted me from the church premises and **called the police**. Their satanic pastor Mike Griffiths falsely accused me of targeting females, abnormal behaviour, attacking them, attacking the church, and antagonism. Their pastor inadvertently admitted on record that other church ministers are slandering, gossiping and lying about me.

On Feb.23 the hostile presbyterian church City Presbyterian Church (<http://www.kyrkor.be/City-Presbyterian-Church-Auckland.htm>) in Auckland evicted me from the public sidewalk outside their church and **called the police**. Their satanic pastor Travis Scott falsely accused, as a matter of fact, that I am a wolf, a false teacher, and that I stir up trouble everywhere. Their pastor indicated on record that a network of church pastors in Auckland conspire against me.

On Feb.23 the hostile baptist church Windsor Park Baptist Church (<http://www.kyrkor.be/Windsor-Park-Baptist-Church-Auckland.htm>) in Auckland evicted me from the church premises and **called the police**. Their satanic pastor Grant Harris falsely accused me of dishonourable motives and promiscuity. Their pastor indicated on record that the Baptist Tabernacle (<http://www.kyrkor.be/Auckland-Baptist-Tabernacle-Church-with-Lyndon-Drake.htm>) is a source of collusion against me.

There certainly is a Biblical form of excommunication; in instances of unrepentant sin, where the sinner refuses to accept to turn from sin. In reality, however, church-pastors excommunicate the real Christians who are innocent in regards to excommunication, but welcome and promote those persons who should be excommunicated. Pastors normally ban honest persons from their congregations, but select dishonest persons to lead their churches; which only further enhances their church sub-cultures of bullsh*t. Most leaders of churches are untruthful, and repel truth.

Each excommunication of Torsten by a church is a unique incident, although it is abundantly clear through evidence of admission by many pastors, that all of Torsten's excommunications are related to each other. Pastors excommunicate Torsten in pastor-collegial loyalty with each other. Torsten's starting point in relation to any local church always begins with an individually directed short email where Torsten inquires to the church about occasion for Christian fellowship which would include social opportunities among single Christians. Torsten rarely visits a church unannounced. The starting point for most churches in relation to Torsten, however, seems to begin with either: 1) a pastor's internet search of Torsten's name, or 2) gossip/slander from other pastors, or 3) instruction by other pastors to "look out" and "watch out" and evict/excommunicate Torsten if they see him. Because Torsten was excommunicated by a Pentecostal church 12 years ago (although Torsten was absolutely innocent!), other churches have blindly and loyally followed suit since then. And now, because I am excommunicated by most churches worldwide, essentially every church immediately excommunicates Torsten with hostility and imaginary accusations, and call the police if they see Torsten.

Pastors unceasingly obstruct my possibility for Christian marriage. A Christian marriage of mutual interest can never occur; without the woman and the man communicating with each other. Without communication, no relationship can develop. Because I am honest and declare that I hope to marry a Christian woman, almost all church-pastors excommunicate me, ban me from fellowship, or obsessively obstruct/interfere into conversations inside churches to prevent relationship. Church-pastors act in harmony with satan in such deliberately obstructive conduct; either out of ignorance/stupidity or from malice/evil.

When I visit any Christian church I always come peacefully, but nearly always the churches that claim to be Christian attack Torsten with hostility, brutality or manifest suspicion; and subsequently, most churches discriminate, harass, target, stalk, threaten, evict, excommunicate, slander and persecute Torsten.

A professional similarity between many politicians of political parties and most pastors of churches, is their notoriety for dishonesty. For many politicians, their political party affiliation and their personal re-electability, is more important than truth. Likewise for most pastors of churches, public perception of their local church, collegial loyalties and personal power/control are much more important than truth. Most pastors will lie, deny and hide truth for the sake of public perception, collegial acceptance and personal power/control. Because most pastors

are such notorious liars and unchristian control-freaks, I would actually advise all people who intend to converse with a pastor to record their conversation for their own safety. And of course, in denominations where marriage is restricted against their own clergy; for safety - never leave minors unattended with a priest!

From the more than 10 000 persons in Auckland who I have personally interacted with in conjunction with street evangelism, it is clear that Aucklanders are an exceptionally friendly bunch. I love the people here in Auckland. It's a pity, on the other hand, that the church-people are not as friendly as the secular people, and it's a disgrace that the pastors in Auckland are such devils.

In my striving to portray reality truthfully, with nuance and balance, I include these four anecdotes from Auckland, New Zealand: (1) On Sunday morning Feb.23, I also entered Auckland Methodist Central Parish (<http://www.methodistcentral.org.nz>), where I asked the leader if I was welcome to attend as an excommunicated Christian. The leader welcomed. During "service" while I was sitting on the last bench, the leader boasted from the platform that he and his Methodist church had proudly participated in the Auckland Gay Pride Parade the day before by marching with a banner affirming homosexuality; holding up the banner to the congregation. Since I cannot support churches that affirm and promote sin, I quietly slipped out the door and voluntarily departed with immediate effect. But at least the Methodist church did not discriminate against innocent Christians as the other churches in Auckland do. (2) On Sunday evening Feb.23, I also visited a Salvation Army meeting (<http://www.salvationarmy.org.nz/centres/nz/auckland/auckland/auckland-corps>), where these elderly people were very friendly. I did overhear an officer say "*The [Baptist] Tabernacle has got it all wrong.*" and another officer say directly to me "*You are always welcome here.*" However, Auckland City Salvation Army (aucklandcity_cm@nzf.salvationarmy.org) with their administrator Nicola Dobbie refused further communication, and I was never invited - indicating divergent opinions about Torsten within Salvation Army. (3) Also, the past three weeks I visited two Seventh-Day Adventist churches in Auckland which were welcoming and friendly, but both churches refused to invite me to mid-week fellowship. (4) Also, the very first congregation I visited in Auckland, on Sat. Feb.1, was Messianic (<http://www.messianic.org.nz>), where the guest speaker spoke in tones of anger, with belittling attitudes of people, a derogative view of marriage, and elevating his personal importance: "*The Spirit of God is upon me ... I have a lot to do with it ... please choose me to be the Prime Minister of Israel ... don't send us women seeking a husband, don't send us men seeking a wife, we want people who are single-minded.*" The Messianic congregation welcomed me to eat lunch together with them, but I abstained from their courteous offer.

During the past 4½ weeks in Auckland, New Zealand, there is still no church anywhere in Auckland that welcomes me into small-group Christian fellowship. In reality, none of all the churches in Auckland truly welcome.

Please pray that God will find a real Christian church somewhere that will welcome real Christians to fellowship; a church where the pastor will not be devilishly intent on harming the innocently excommunicated, but a church that in reality values Christian fellowship, Christian relationships and Christian marriages. **And most importantly, please pray that God will find a single young Christian woman in Auckland who is both capable to hear and willing to trust and obey the true voice of the Holy Spirit.**

Current:

I am currently visiting churches in Auckland, New Zealand, and am hoping that there would exist a church in Auckland (within a 60-minute radius) which will welcome to opportunities for fellowship, so that I could meet and communicate with also single Christian females. No fair-sized church in Auckland (within a 60-minute radius) has yet permitted me to attend small group fellowship.

The past 2½ weeks I have inquired about opportunity for Christian fellowship with most churches individually all across greater Auckland. Similar to most churches of other cities, also most churches in Auckland ignored to reply and would not welcome me. From my individual inquiries to 57 different churches across Auckland, 17 churches replied. Most of these 17 responding churches acknowledged that they were small or aged congregations, but they at least invited, or they suggested other larger churches which they believed might better offer opportunity to meet Christian singles. On the positive side, two of the 17 responding churches welcomed me in an unreserved and exemplary manner, although those two churches are situated very far from central Auckland (public transportation in Auckland is progressing). Two of the 17 churches, however, evidentially excommunicated me.

Dialogue is ongoing with two other large churches in central Auckland which I have visited on a Sunday, but both of those churches are currently indicating strong caution towards me. If the remaining two large churches in central Auckland also choose to excommunicate me, then I will of course have to resort to visiting the two small churches located very far from Auckland.

Two churches in Auckland, New Zealand, have excommunicated me:

- Baptist Tabernacle in Auckland, New Zealand, evicted and excommunicated an innocent Christian from the church property with a concealed threat by their satanic Baptist pastors: <http://www.kyrkor.be/Auckland-Baptist-Tabernacle-Church-with-Lyndon-Drake.htm>
- City Impact Church in Auckland, New Zealand, rejected and excommunicated an innocent Christian with pastoral derisiveness: <http://www.kyrkor.be/City-Impact-Church-Auckland.htm>

The proportion of replying churches in Auckland (17/57=30%) is on average more than three times greater than the proportion of replying churches in most other cities ($\leq 10\%$) which I have contacted previously around the world. And the people that I interact with during street evangelism in central Auckland are exceptionally friendly and receptive, compared with cities of similar size in other countries. There seems to be a rural-style friendliness, student-inquisitiveness and openness among the Aucklanders which I highly value. However, Auckland does not seem to differ from other cities in the world in regards to the secular-sinners on the streets normally being more honest and friendly than the church-sinners inside churches.

Please pray that God will find a real Christian church somewhere in Auckland that will welcome real Christians to fellowship; a church where the pastor will not be devilishly intent on harming the innocently excommunicated, but a church that in reality values Christian fellowship, Christian relationships and Christian marriages. **And most importantly, please pray that God will find a single young Christian woman in Auckland who is both capable to hear and willing to trust and obey the true voice of the Holy Spirit.**

Current:

I have now departed from Sydney, Australia.

The past three months I attempted to find a Christian church in Sydney, Australia, that would welcome to church-based Christian fellowship where I might find opportunity to also meet and communicate with other Christian singles. No church anywhere in Sydney or in the state of New South Wales in Australia allowed me an opportunity to regular fellowship. Every single church in Sydney and in NSW that I contacted or set foot inside either excommunicated, banned, evicted, threatened, harassed, interfered, obstructed, lied, falsely accused, slandered and gossiped against me. Most church-pastors in Sydney aggressed me with any of these satanic methods. Of all the hundreds of churches and pastors who I contacted in Sydney and in NSW, no church permitted me to socialise with female single Christians. Without exception, in every church that I visited onsite in Sydney, the pastors/clergy/staff/leaders actively intervened to prevent that I would speak with unmarried single females. Satan truly governs all the churches in Sydney, Australia, through the pastors and church leaders.

The intensity and magnitude of satanic opposition by all the church-pastors in Sydney, Australia, supersedes the extent of satanic opposition by church-pastors previously in Melbourne, Australia and in London, UK. Satan is not only prevalent with his evil through the church-pastors, but he is also successful in his determined hindrance of God's goodness towards me, through the satanic conduct of most church-pastors in Melbourne, London, Singapore, Jerusalem, Hawaii, Bangkok and Okanagan (and also through many, but not most, church-pastors in Chicago and in New York City). The city with greatest satanic influence of the church-pastors against me so far, is Sydney. Compared with all other cities/regions in the world where I have sought to fellowship with other Christians, the church-pastors in Sydney are the most demonically influenced and inhumane. The intensity and magnitude of satanic opposition from the church-pastors in Sydney surpasses all other cities that I have visited.

The most recent excommunication from fellowship by a church in Sydney, Australia, is:

- Jubilee Church Bondi in Sydney excommunicated by evasion: <http://www.kyrkor.be/Jubilee-Church-Bondi-Sydney.htm>

Churches in Sydney, Australia, that excommunicated Torsten from fellowship without any justifiable reason, banned, interfered, obstructed, lied, accused falsely or deceived:

16. Castle Hill Community Church administrator initially invited but their pastors covertly excommunicated: <http://www.kyrkor.be/Castle-Hill-Community-Church-Sydney.htm>
17. St Marks Pennant Hills Anglican Church in Sydney cowardly excommunicated: <http://www.kyrkor.be/St-Marks-Pennant-Hills-Anglican-Church-Sydney.htm>
18. Central Baptist Church in Sydney refused to welcome Christian fellowship: <http://www.kyrkor.be/Central-Baptist-Church-Sydney.htm>
19. Extremely false "Hillsong Sydney" refused to welcome Christian fellowship: <http://www.kyrkor.be/Hillsong-Sydney-Australia.htm>
20. Sydney Life Church Mosman in Sydney in reality would not welcome: <http://www.kyrkor.be/Sydney-Life-Church-Mosman.htm>
21. C3 Church in Sydney effectively excommunicated by latter evasion of communication and refusal to invite to church-based fellowship: <http://www.kyrkor.be/C3-Church-Sydney-Australia.htm>
22. Northside Community Church in Sydney eloquently banned from fellowship with other single Christians in small-group settings: <http://www.kyrkor.be/Northside-Community-Church-Sydney.htm>
23. Anglican Church by the Bridge in Sydney evasively excommunicated: <http://www.kyrkor.be/Anglican-Church-by-the-Bridge-Sydney.htm>
24. Eastside Church of Christ in Sydney excluded through avoidance: <http://www.kyrkor.be/Eastside-Church-of-Christ-in-Sydney.htm>
25. St Peters Anglican Church Hornsby in Sydney invited but post-visit falsely accused: <http://www.kyrkor.be/Hornsby-Anglican-Church-Sydney.htm>

The churches in Sydney, Australia, outsource human communication and human relationships: <http://www.kyrkor.be/Sydney-Christian-Singles-Australia.htm>

Apart from the above listed churches in Sydney, I visited many other churches. In each and every church which I entered in Sydney, I was approached at some point by at least one harsh-mannered church controller who would interrogate me with anticipated cult/sect questions, such as "Who do you know here?" After those interrogations, I often observed those church-controllers walk away to approach their pastor in a brief one-on-one close conversation. Often, the church-controllers were the pastors themselves. And, in the few churches where I managed to commence conversation with a single female, the pastors of those churches would quickly interfere by interrupting the conversation to interrogate me. There seems to be more slander, gossip and inhumanity inside the churches by church-people than within the secular population.

The consistency of devilish conduct by demonically influenced church leaders in Sydney, Australia, is hopefully unmatched elsewhere.

There was only one church in Sydney and in all of the state of New South Wales which allowed me to attend a mid-week home/small/cell/fellowship group; a seventh-day Adventist church (<http://waitarachurch.org.au>). However, the reason that I was permitted to attend that one meeting on 2014-01-21 was due to a personal invitation by a member who was an acquaintance of the friendly secular landlord where I later stayed.

Of the satanically heretical churches in Sydney which promote homosexual sin, most belong to the denomination The Uniting Church of Australia (<http://www.uca.org.au>): <http://www.gaychurch.org/list-churches-by-country/?loc=Australia>

One of the churches in Sydney that praises homosexual sin also worship satan's demons by practicing Sahaja Yoga Meditation: <http://www.chapelbythesea.unitingchurch.org.au/sahajayoga-meditation-fridays-10am>

"Chapel By the Sea Church" in Sydney, Australia, welcome visitors to satan:

- photo 2: <http://www.kyrkor.be/Chapel-by-the-Sea-heretical-abomination.jpg>

Metropolitan Community Church in Sydney promotes homosexual sin: <http://www.mccsydney.org>

It is of course disappointing that all church-pastors in Sydney and NSW are so devilish, since Sydney and NSW otherwise is a beautiful place on earth to live.

I am now seeking a Christian church here in Auckland, New Zealand; hoping that there exists a church in Auckland which will welcome me to opportunities for fellowship, where I could meet and communicate with single Christians females.

Please pray that God will find a real Christian church somewhere in Auckland that will welcome real Christians to fellowship; a church where the pastor will not be devilishly intent on harming the innocently excommunicated, but a church that in reality values Christian fellowship, Christian relationships and Christian marriages. **And most importantly, please pray that God will find a single young Christian woman in Auckland who is both capable to hear and willing to trust and obey the true voice of the Holy Spirit.**

I am still attempting to visit churches in Sydney, Australia.

The past 2½ months I have ventured to find a sound church somewhere in Sydney, Australia, that would welcome to church-based Christian fellowship. Of all the churches that I have contacted in the state of New South Wales, most refused to reply, many churches chose to either excommunicate me entirely or to ban me only from fellowship, and approximately one dozen churches in the state of NSW chose to welcome me to visit their staged Sunday "services". But there appears to be no church anywhere in the state of NSW that permits me to fellowship within a church in context of smaller mid-week groups. All church leaders in Sydney and in the state of NSW, as it appears, are adamantly obstructing any expected opportunity for me to communicate with other single Christians. God is good and He wants to bless me, but the pastors of Sydney and NSW act in alignment with the will of satan in this particular matter. The consistency of obstructive conduct by the church leaders in Sydney is not coincidental; it is purposefully and strategically orchestrated through incitement by satan. None of these devilish churches in Sydney have a Biblical basis for their excommunications against me; evasively, covertly or overtly.

The most recent excommunications, bans, expulsions, evictions, interferences, falsehoods, dishonesties and untrue accusations by churches in Sydney, Australia, are:

1. St Marks Darling Point Anglican Church in Sydney excommunicated and refused to provide a reason: <http://www.kyrkor.be/St-Marks-Darling-Point-Anglican-Church-Sydney.htm>

The churches in Sydney, Australia, outsource human communication and human relationships: <http://www.kyrkor.be/Sydney-Christian-Singles-Australia.htm>

A source informed me on 2014-01-04 that a community in Sydney, Australia, had prohibited Torsten from visiting their community due to their false accusation that "*Torsten has a disruptive nature.*" The equivalent community in London, UK, had also banned Torsten. The disclosure about this false accusation about me proves the satanic influence on leaders who have no interest in reality or truth. Because of this community's vulnerability and for their protection, I will not identify these offenders.

In Sydney, Australia, I have no natural way to meet and sincerely communicate with real Christian females in any of the churches, due to the devilishly obstructing pastors. The pastors of the Sydney's churches are responsible for this satanic obstruction of opportunity to communicate with single Christian females. This satanically designed hang-up is implemented by the devilish leaders of churches.

Currently, I have no opportunity anywhere on earth to meet and sincerely communicate with Christian single females because I am excommunicated by the devilish pastors of Christian churches, banned from Christian communities of churches, and prohibited from participation on many online Christian connection services -- because I am a real Christian. It seems that God's appointed meeting between myself and a woman of God's choice, may be required to occur in a setting where none of these devilish church-pastors can obstruct. With no natural possibilities for me to meet and communicate with other single Christians, God's supernatural intervention through a miracle-meeting is necessary.

Please pray that God will find a real Christian church somewhere on earth that will welcome real Christians to fellowship; a church where the pastor will not be devilishly intent on harming the innocently excommunicated, but a church that in reality values Christian fellowship, Christian relationships and Christian marriages. **And most importantly, please pray that God will find a single young Christian woman on earth who is both capable to hear and willing to trust and obey the true voice of the Holy Spirit.**

Through God's creation, the natural settings of Australia is wonderfully beautiful and can be a source of natural bliss, but the conduct of the church pastors of both Sydney and Melbourne who pretend to represent God are despicable and repulsive and can be sources of satanic misery. If it were not for all the satanic church-pastors in Sydney and Melbourne, both cities are great places to live.

Shame on the devilish pastors of churches (also in Sydney) who devilishly obstruct God's will -- but all glory be to God alone!

6. St Thomas North Sydney Anglican Church in Sydney excommunicated and threatened to follow the Anglican pattern in Sydney to evict with police escort: <http://www.kyrkor.be/St-Thomas-Anglican-Church-Sydney.htm>
7. St Michaels Anglican Church in Sydney refused to welcome Christian fellowship: <http://www.kyrkor.be/St-Michaels-Surrey-Hills-Church.htm>
8. St Marks Northbridge Anglican Church in Sydney excommunicated by attribution of unspecified risk: <http://www.kyrkor.be/St-Marks-Northbridge-Anglican-Church-Sydney.htm>
9. Devilish "Awesome Church" in Sydney refused to welcome Christian fellowship, but recommended visiting [night] clubs instead: <http://www.kyrkor.be/Awesome-Church-Sydney-Australia.htm>
10. Central Baptist Church in Sydney refused to welcome Christian fellowship: <http://www.kyrkor.be/Central-Baptist-Church-Sydney.htm>
11. Extremely false "Hillsong Sydney" refused to welcome Christian fellowship: <http://www.kyrkor.be/Hillsong-Sydney-Australia.htm>
12. C3 Church in Sydney effectively excommunicated by latter evasion of communication and refusal invite to church-based fellowship: <http://www.kyrkor.be/C3-Church-Sydney-Australia.htm>

Please pray that God will find a real Christian church somewhere in Sydney that will welcome real Christians to fellowship; a church where the pastor will not be devilishly intent on harming the innocently excommunicated, but a church that in reality values Christian fellowship, Christian relationships and Christian marriages. And most importantly, please pray that God will find a single young Christian woman in NSW who is both capable to hear and willing to trust and obey the true voice of the Holy Spirit.

Because I still have no natural means to meet and communicate with Christian females in any of the churches in Sydney, due to their devilish pastors, God's appointed meeting between myself and a woman of God's choice, might seem equally likely to occur in a secular environment where none of these devilish church-pastor can obstruct. Had it not been for the unalterable reality that I by principle do not seek to communicate with any woman outside of a church, apart from the objective of evangelism, and that I by ethical principle will never confound these two objectives (evangelism and personal interest), my ethical reality is such that a divinely appointed meeting is extremely improbable to occur outside of a defined Christian community. Since I am excommunicated from all Christian communities because of the devilish pastors, and since I will not take any initiative towards marriage outside of a Christian community, this catch-22 paradoxical situation increases the magnitude of a necessary miracle through God's supernatural intervention.

Shame to those devilish pastors of churches (also in Sydney), and glory to God!

An appeal for practical Christian help: Christian unmarried man innocently excommunicated from church in Sweden, ousted from Swedish society, and currently without humane future in Sweden,

Current:

Currently, I am attempting to visit churches in Sydney, Australia.

During the past month I have attempted to find a real and sound church in Sydney, Australia, that would want to welcome to church-based Christian fellowship. During my first two weeks in Sydney, Australia, at least six churches in effect banned me from fellowship. During the succeeding two weeks, several additional churches in Sydney chose to also excommunicate me from fellowship. These are the most relevant updates on excommunications in Sydney, Australia:

1. Satanic Michael Paget of Anglican St Barnabas Church in Sydney persecutes with false accusations of psychopathological disorders: <http://www.kyrkor.be/Michael-Paget-St-Barnabas-Anglican-Church-Sydney.htm>
2. St Philips York Street Anglican Church in Sydney excommunicated and threatened to evict with police escort: <http://www.kyrkor.be/St-Philips-York-Street-Anglican-Church-Sydney.htm>
3. Anglican rector/minster Justin Moffatt of St Philips York Street Anglican church in Sydney continued harassment to the amusement of his Anglican members: <http://www.kyrkor.be/Justin-Moffatt-excommunication-cool-Anglican-harassment.htm>
4. St Thomas North Sydney Anglican Church in Sydney excommunicated and threatened to follow the Anglican pattern in Sydney to evict with police escort: <http://www.kyrkor.be/St-Thomas-Anglican-Church-Sydney.htm>
5. St Marks Northbridge Anglican Church in Sydney excommunicated by attribution of unspecified risk: <http://www.kyrkor.be/St-Marks-Northbridge-Anglican-Church-Sydney.htm>
6. C3 Church in Sydney effectively excommunicated by latter evasion of communication and refusal invite to church-based fellowship: <http://www.kyrkor.be/C3-Church-Sydney-Australia.htm>

The first six churches in Sydney, Australia that excommunicated from fellowship without any justifiable reason were:

1. St Barnabas Anglican Church in Sydney excommunicated and evicted with a real threat of physical police escort: <http://www.kyrkor.be/St-Barnabas-Anglican-Church.htm>
2. St Andrews Anglican Cathedral in Sydney excommunicated from fellowship: <http://www.kyrkor.be/St-Andrews-Anglican-Cathedral.htm>
3. St Michaels Anglican Church in Sydney refused to welcome Christian fellowship: <http://www.kyrkor.be/St-Michaels-Surrey-Hills-Church.htm>
4. Devilish "Awesome Church" in Sydney refused to welcome Christian fellowship, but recommended visiting [night] clubs instead: <http://www.kyrkor.be/Awesome-Church-Sydney-Australia.htm>
5. Extremely false "Hillsong Sydney" refused to welcome Christian fellowship: <http://www.kyrkor.be/Hillsong-Sydney-Australia.htm>
6. Central Baptist Church in Sydney refused to welcome Christian fellowship: <http://www.kyrkor.be/Central-Baptist-Church-Sydney.htm>

Most pastors of churches seem to believe that because they have claimed a title as a pastor, they have an inherent right to abuse and harass people. As I stated previously, the greatest devils among church-people are usually the pastors.

Satan is attacking me in Sydney, Australia not only through church pastors, but also through nominally associated persons of church denominations. Satan is targeting me in Sydney with everything he avails in his church-associated arsenal. Satan, the loser, is not creative but is pulling the same types of stunts against me time and again.

Another obstructive incident disturbing my two objectives 1) to seek a church in Sydney that might welcome me to Christian fellowship, and 2) to evangelise to people on the streets in Sydney, was eviction from the house where I was renting a room (12 Bowman Street in Drummoyne). The "Christian" landlords, an unmarried but cohabitating young couple, informed suddenly one morning that they had decided to ask me to leave their house. The initial reason given by the "Catholic" man was that I had borrowed his bicycle without asking him. I presented the facts to him; that he during the accommodation interview had agreed that I may borrow his bicycle, and that when I twice asked him after I had moved into the house he twice affirmed that I could use the bicycle in the garage, and that on the day when I for the first time did borrow his bicycle, I had first asked his partner if she could appoint which of the three bicycles that I could use. She pointed out inside her garage the bicycle and the helmet which I was allowed to borrow; his. The man of the landlord woman finally accepted these facts that I had done nothing wrong, and he then explained more truthfully to me that he felt that he was under much stress in preparing his wedding, and he therefore was not coping well with a fourth person in his partner's house. He was simply neither willing nor mentally prepared to accommodate another person in her house, although she had advertised to fill the vacant room in her house. This "Catholic" man was initially insincere, then utterly dishonest, and consistently avaricious, but he was not intentionally malicious (unlike the intentionally malicious Christian liars in London: <http://www.kyrkor.be/London-Christian-leaders-malicious-liars.pdf>), as he finally acknowledged the truth that there was not any external issue which I would be responsible for, and on the basis of that truth we could therefore courteously terminate the agreement which they decided, through him, to dishonour. The cohabitating

"Christian" young couple were a Catholic man and a Uniting Church divorced woman. Such is the falsehood and reality of pre-marital and sexual standards of many "Christians" and churches.

Please pray that God will find a real Christian church somewhere in Sydney that will welcome real Christians; a church where the pastor will not be devilishly intent on harming the innocently excommunicated, but a church that in reality values Christian relationships and Christian marriages.

Current:

Currently, I am visiting churches in Sydney, Australia.

Sydney as a city is half as appealing as Melbourne is as a city, but the pastors of the churches in Sydney do not seem to differ much from the satanic church leaders of Melbourne.

As I stated previously, the greatest a*holes among church-people are usually the pastors.

Within only 2½ weeks in Sydney, six churches have in effect already banned me from fellowship. The senior pastors of one of the devilish churches in Sydney (St Barnabas Anglican Church) went so far in his satanically inspired mind and heart, that he evicted me from the church building with a real threat of police escort, and interfered with social norms to prevent me from talking with anyone in his church, saying "If you try to speak with anyone, I will interfere.", and pointing me out to everyone inside his church "That is Torsten. I have asked him to leave. The police is coming to escort him. Don't talk to him!", and expressed his Anglican anti-Semitism "You are hardhearted and stiffnecked just like Israel."

Some of the churches in Sydney who in effect banned Torsten from fellowship:

1. St Barnabas Anglican Church in Sydney excommunicated and evicted with a real threat of physical police escort: <http://www.kyrkor.be/St-Barnabas-Anglican-Church.htm>
2. St Andrews Anglican Cathedral in Sydney excommunicated from fellowship: <http://www.kyrkor.be/St-Andrews-Anglican-Cathedral.htm>

4. Devilish "Awesome Church" in Sydney refused to welcome Christian fellowship, but recommended visiting [night] clubs instead: <http://www.kyrkor.be/Awesome-Church-Sydney-Australia.htm>
5. Extremely false "Hillsong Sydney" refused to welcome Christian fellowship: <http://www.kyrkor.be/Hillsong-Sydney-Australia.htm>
6. Central Baptist Church in Sydney refused to welcome Christian fellowship: <http://www.kyrkor.be/Central-Baptist-Church-Sydney.htm>

There is another incident from a small congregation in Sydney, where I was initially asked to leave because they believed that I might be an anti-missionary, but the initially rejecting person later apologised for this misunderstanding. And, their pastor rationalised this initial rejection of me with information that people in their low-income neighbourhood sometimes walk into their congregation off the street. I then suggested that the congregation should welcome people to their meetings, regardless of their circumstance of life and regardless of their reason for visiting. Their leaders apologised to me twice. Because of apologies, and due to their size and vulnerability, I will not disclose their identity.

Please pray that God will find a real Christian church somewhere in Sydney that will welcome real Christians; a church where the pastor will not be devilishly intent on harming the innocently excommunicated, and a church that in reality values Christian relationships and Christian marriages.

Current:

After having contacted most churches in Singapore, and after having visited some of the Singapore churches again the past two weeks, the proof remains that there was not one single church anywhere in Singapore that wanted to invite me to fellowship. What appears to be true of most "Christian" churches everywhere was proved to be absolutely true also in Singapore. Only three churches banned me on this visit to Singapore. You may be curious to read some of the highlighted devilish words from Singaporean pastors, and some of the satanic encounters by Singaporean pastors inside their church buildings: <http://www.kyrkor.be/Singapore-Churches-are-Inhumane.pdf>

There appears to be a direct relationship between church-affinity and merited contemptibility. Normally, the stronger identification an individual has with church, the more uncompassionate and inhumane that individual behaves. Or, expressed more simplistically; the more churchy, the more dickish.

Unfortunately, Singapore pastors and churches are not exceptions to this dickish norm.

The greatest a*holes among church-people are usually the pastors.

Inhumanity has many faces. Judging by evidence of pastors' unstaged words and real-life conduct, most pastors of "Christian" churches are inhumane and malicious, although they publicly pretend to be loving. Most church pastors have this trait of inhumaneness in common with other cruel groups; for example the Taliban. Therefore, any cruel group of persons, whether it be "Christian" church pastors or the Taliban, that subjects innocent people to inhumanity, should be exposed and reprimanded.

Currently, I am visiting in Sydney, Australia. Please pray that God will find a real Christian church somewhere in Sydney that will welcome real Christians; a church where the pastor will not be devilishly intent on harming the innocently excommunicated, and a church that in reality values Christian relationships and Christian marriages.

Currently, I am visiting this week in Bangkok, Thailand. After having emailed to (probably) all English-speaking Christian churches in Bangkok with only one church replying, and after having visited five different church services on Sunday Oct.13, combined with previous experiences of visiting churches in Thailand, I need to conclude that my possibilities of developing Christian relationships with marriage potential in Thailand are not appreciable. In the outstandingly friendly and humble Thai-speaking churches, the language barrier prevents profound relationships. And in the Westernised English-speaking churches, the prevailing Western church-arrogance and proud feminism prevent real Christian relationships. Of so many beautiful and friendly Thai women, few are Christian, and none inside churches appears interested in relationship.

Next week I plan to visit churches in Singapore. Please pray that God will find a church somewhere in Singapore that will welcome me to opportunity of Christian fellowship with other Christian singles.

Currently, I am still stuck in satanic Sweden without any opportunity, whatsoever, of a humane future. In Sweden, it is absolutely impossible for me, as a real Christian, to be part of a church or to marry a Christian woman.

The past decade when visiting Alicante in southern Spain, I have taken many opportunities to evangelise among the people there. In August 2013, it became apparent that the small church community that I had previously supported during some years, had evolved into a sectarian Christian cult of sorts. In hindsight, I regret my previous support to that church community, as my evangelism through JLP is misconceived locally as associated with that sectarian cult, by logo style semblances: <http://kyrkor.be/Gran-Alacant-Church-of-Pino-Cinquemani.pdf>

Please pray that evil Christian pastors that receive this plea for help will not succeed in their determination to close my domain and server again through accusations of spam, in stead of simply requesting to be unsubscribed.

Some of the pastoral devils of churches decided, again, to inflict harm on the innocent but excommunicated real Christian, by attempting to close his mail server. The pastors of churches succeeded with their continued malice – once again. The mail server of that domain is now closed, due to accusation of spamming by these pastors. I do read every response from churches, and I always unsubscribe each pastor who does not want to be part of a Christian solution.

Satan and many church-leaders steer their courses in unison with each other.

Apart from the forceful evil from church-pastors, several churches replied with comments to my previous 103:rd plea for help. It is pitiful to read the simple lies by some church offices. Other churches merely express themselves foolishly, similar to these ones: <http://www.kyrkor.be/church-responses-to-plea-103.htm>

An appeal for practical Christian help: Christian unmarried man innocently excommunicated from church in Sweden, ousted from Swedish society, and currently without humane future in Sweden, because of Sweden's heartless pastors and heretic priests, and due to Sweden's aggressively anti-Christian culture.

Dear Pastors and Ministry leaders,

Thank-you for considering your possibility to be part of God's new solution by helping in a practical manner.

Current:

Pastors and priests of churches have tried to stop my plea for Christian help by reporting my plea as spamming, instead of simply requesting unsubscription. I have always read every response, and I unsubscribe each person according to request. Malicious pastors succeeded in their aim to recently close my servers; costing me much time and money. The devilish conduct of pastors and priests can be contrasted by the conduct of predominantly secular society. When I have written to secular leaders (politicians, academicians and journalists) regarding completely different matters (<http://karolinska.de>) using the same email method, secular people demonstrate a higher level of ethical conduct than pastors and priests of churches. Intelligent and decent secular people normally just ask me to unsubscribe them. But pastors and church leaders are often extremely intolerant to truth, and therefore seek to silence justified critique.

The past month I have visited churches in Singapore and in London. Sadly, I am now back in satanic Sweden. Because of Sweden, I have absolutely no opportunity to progress in any area of human life. Only through emigration from Sweden is it possible that I can progress in life -- to find a Christian church somewhere on earth where I might find opportunity to meet and communicate with other Christian singles. Only through meeting and communicating with other Christian singles is it possible for me, as a real Christian, to find a Christian girl to marry. In Sweden, it is absolutely impossible, since I am practically excommunicated from every church within Sweden, and I am also ostracised by the Swedish society for being a Christian. In other countries, however, there remains at least theoretical possibilities of finding a Christian woman to marry and a supportive Christian church.

Satan, through church leaders, continually devastates God's good plans for my life. In relation to all excommunications and bans by churches, I am completely innocent. Church-pastors need to recognise and understand: 1) my innocence and 2) the necessity of providing opportunity to meet and communicate with other Christian singles. Pastors need to align with God and with reality. The fact that I am excommunicated from a steadfast increasing number of churches is an entirely external problem. I am entirely innocent to each of those excommunications. Church leaders need to come to their senses, and understand the logical connection between their excommunications and my inability to find Christian community and a Christian woman to marry. Pastors need to understand this logic; that without any opportunity to meet and communicate with other single Christians of the opposite gender, it is logically absolutely impossible for me to develop friendships that can lead towards discovery of a Christian woman to marry. The ignorance, negligence and evil of (most) church pastors are the initial causes and also the sustaining causes of the problems.

Church leaders, pastors and priests only pay lip service to Christian marriage and Christian families. The foul stench of hypocrisy of churches couldn't be greater than in the area of relationships. It seems that in most churches, Christian faith ventures little beyond preaching; distant from God and far from reality. Bullsh*t-Christianity dominate the church landscapes. The common myth that church-people are hypocrites is actually very true, in deed.

Singapore, a very attractive city with a typically polite population, is unique compared to all other English speaking nations which I have visited, in that no church officially excommunicated me. Despite these positively appealing aspects about Singapore, the statistical reality about the choices church-people make speak louder than their preachers. For example, this report (table A1.30 on page 44) (http://www.singstat.gov.sg/publications/publications_and_papers/marriages_and_divorces/smd2011.pdf) reveal statistical realities in Singapore, that 1/3 of Christians do not marry another Christian. Christian marriages and Christian families are not anywhere near to be a church priority, and possibly a fair assessment about churches is that formation of Christian marriages is totally irrelevant. Christianity à la church, at best, is important inside church buildings on Sundays. (<http://www.gcf.org.sg/resources/building-a-strong-future>).

Although Singapore is inhabited by some of the most amiable people, I visited several horrible churches in Singapore. Two particular so-called churches stood out as exceptionally false, superficial and unhealthy: New Creation Church (<http://newcreation.org.sg>) and Trinity Christian Centre (<http://trinity.org.sg>). As with most churches, also these two "churches" were either incapable to answer or simply ignored to answer these questions: *Are there any opportunities to communicate and socialise also with other single Christians in your church?*, *Where do people socialize after your 'services'?*, and, *Are there small community groups that I can join?*. In spite of email dialogue with several of the church staff in these two "churches", they were unable to answer, and were unable to provide any opportunity for authentic Christian relationships. New Creation Church (<http://newcreation.org.sg>) is a staged entertainment-preaching of unhealthy theology, with conveyor belt industry attendance. And Trinity Christian Centre, belonging to the careerist Assemblies of God denomination (<http://www.ag.org.sg>), reflected dishonesty, manipulation, church-careerism, and an unloving attitude towards people. What I heard and observed at Trinity Christian Centre was so awful that I was compelled to write a letter reprimanding the church. I wrote then:

"I visited your 'Life Conference' on Thursday evening on June 6, 2013. The angry tone of your preacher from Kuala Lumpur is ungodly. That is not the voice and attitude of God. While I am very happy to know that the Holy Spirit speaks in a loving

voice to me, I am upset that your 'church' manipulates naive people in such a manner; shouting at people from stage with ungodly anger. The anger and attitude of your preacher from KL is not from God. Additionally, the condescending attitude of your KL preacher reflected in his words "become somebody" is not Biblical. Every person is precious to God. The people in that assembly already are "somebody". Each person in that auditorium, and also each person outside that auditorium, is precious to God. Personhood is the most valuable to God; so much that He did not spare even His own Son for each one of them! In spite of the manipulative style, the ungodly attitude of your preacher, the ungodly anger by your preacher against people, the unloving attitude of your preacher, the careerist mindset of your preacher, and the ungodly theology of your preacher, the Holy Spirit told me after your so-called 'service' that "They are mine." "

Many other churches in Singapore refused to invite, of which one is worth a mention; City Harvest Church (<http://www.chc.org.sg>) which consistently refused to respond.

In regards to authenticity of human relationships, most churches have little to offer. Churches are generally not designed for honest people who want to live authentic Christian lives and to practice Christian discipleship.

In London, United Kingdom, there was no Christian church that wanted to avail an opportunity for me to meet and communicate with also other Christian singles. None of the churches in London has a ministry for Christian singles. There is no church in London where I am truly welcome, although I visited seven dehumanising services in different churches each Sunday. Satan really does dominate the churches in London through their pastors.

Because there are few churches with a Saturday service in London, I again visited the extremely unhealthy stage-focused hybrid of entertainment industry and superficial church culture, Hillsect London (<http://www.kyrkor.be/Hillsong-London.htm>), during their Saturday evening show. Hillsect Melbourne (<http://www.kyrkor.be/Hillsong-Melbourne.htm>) recently excommunicated me officially. Although I am in reality not welcome in Hillsect London, they at least have yet not excommunicated me officially. One of the superficial Hillsect leaders in London quietly asserted to me after their show/service **"You look affordable."** probably as a hint that I should dress more expensively to make myself attractive to their church. And their Swedish Hillsect guest-preacher in Hillsect London, Andreas Nielsen, said during his staged service on Saturday evening that he does not care about what or how other people eat, in context of his own plan to have a good dinner after the service. Andreas Nielsen's uncaring attitude towards other people, as reflected in his preaching, is indicative of the Hillsect empire; to not care about the realities of other people. At Hillsect, the foci are instead: loud concert music excitement, natural superficial prosperity, and manipulative money offerings for Hillsect empire staff comforts and money for Hillsect empire expansion through marketing events. Although some people do come to accept Jesus Christ through Hillsect, it is tragic to observe the Hillsect neglect of Biblical values and its depreciation of Christian attitudes.

Surprisingly, an organisation which I previously held in high regard, Campus Crusade for Christ, shamefully excluded me from participation in evangelism in London, United Kingdom. The superficial and false allegation given by the American organisation Cru was **"You look like someone who could be a hothead."** Campus Crusade for Christ has chosen to not repent of their unjustifiable exclusion conduct against me: <http://www.kyrkor.be/Campus-Crusade-for-Christ-excommunication.htm>

Still, the satanic British church Holy Trinity Brompton (HTB: <http://www.htb.org.uk>) in London, UK, together with Alpha International (<http://www.alpha.org>), and their devilish vicar Nicky Gumbel, refuse to explain why HTB excommunicated Torsten from fellowship in their churches: <http://www.kyrkor.be/Holy-Trinity-Brompton-StJudes-London-UK.htm>

Also to my surprise were the recent words of an American organisation which I have decided to continue to like, World Challenge (<http://www.worldchallenge.org>), principally because of my respect for its former founder. But it is a discouragement to read of such utter confusion in a recent response from World Challenge "There are reasons that God answers, or withholds answer to prayer. We do not know those reasons in your case. ... Turn inward. Ask yourself what is happening in you that these things continue to be? Perhaps there is something that you need to take inventory of in your heart that God is dealing with you about. ... We don't know the solution to your problem, but we do sincerely care that you are going through so much trouble in finding yourself..." In reality, this problem is entirely external, and therefore the solution is entirely external. I do not need to find myself; but I do need to find a Christian church on earth that wants to welcome me to opportunities to also meet and authentically communicate with other Christians.

Churches generally foster bullsh*t-culture. And in most churches, pastors generally are a*holes. Unfortunately, there appears to be few exceptions. I need to find a Christian church on earth that values practical Christianity in regards to human relationships among followers of Jesus Christ. Without an authentic Christian church, it is exceedingly difficult for me as a real Christian to find opportunity to meet and communicate with other single Christians and to marry a Christian woman.

Current:

Satan governs most of the churches also in Melbourne, Australia.

Melbourne is a great place to live. It's a pleasant city, and people met on streets in Melbourne are friendly. The only negative side of Melbourne are the churches; evil church-pastors and their hypocritical church-members. Pastordevils, inhumane pastors and hypocritical churchpeople are the only reasons not to live in Melbourne. Satanic evil seems more prevalent from the church leaders of Melbourne than from friendly secular people met on the streets. The friendly non-Christians are comparatively humane, while the church-pastors are scandalously cruel. Friendly Australians in Melbourne need salvation through Jesus Christ, but they certainly do not need to be perverted by the devilish church-hypocrites.

Satan, through the evil and inhumanity of the churches in Melbourne, has hindered God's intended blessings and goodness also towards me in Melbourne. Satan incited the pastors of Melbourne to hinder God's goodness and blessings. Because of the church-pastors' passiveness, but primarily because of the church-pastor's sins of commission in obstructing and excommunicating me, in spite that I am entirely innocent of any wrongdoing, Satan is again victorious -- also in Melbourne.

By email I inquired to all Christian denominations in Melbourne, and to essentially every local church in Melbourne (including all surrounding municipalities) about opportunity to meet and communicate with other Christian singles, but nearly all churches in Melbourne chose to shun my inquiry for Christian fellowship. Approximately 99% of all Melbourne churches refused to reply (<http://www.kyrkor.be/letter-to-churches-in-Melbourne.htm>) to my inquiry for Christian fellowship, while the remaining churches that replied (except for six churches) obstructed or excommunicated me. After three months of visiting churches in Melbourne every Sunday (usually 3-5 churches each Sunday), the glaring evidence is that most of the churches that I visited chose to oppose, obstruct, reject and excommunicate me. (!)

If we sincerely ask what character of a person could deliberately ignore an innocent person seeking opportunity for Christian friendship, we are required to answer honestly that the character is inhumane. And if we sincerely ask what character of a person could deliberately seek to obstruct and excommunicate an innocent person from seeking opportunities for Christian friendship, we are required to answer honestly that the character is evil. Nearly all pastors in Melbourne ignored my inquiry for opportunity to meet and communicate with other single Christians, and most churches that I visited either deliberately obstructed or excommunicated me. The evidence from all

churches in Melbourne necessitates the truthful conclusion that nearly all pastors in Melbourne are inhumane, and that many pastors in Melbourne are satanically evil.

In my experience of pastors and churches from cities across the globe, Melbourne is not the worst. The city where pastors and churches acted in greatest hostility and satanic evil was Jerusalem. However, in similarity to churches in Jerusalem, the most hostile and satanic church in Melbourne was also Messianic. In Melbourne, no church expressed its satanic nature more clearly than the Beit HaMashiach Messianic church (<http://www.kyrkor.be/BeitHaMashiach-Messianic-Church-Melbourne.pdf>).

In spite of the inhumanity and active evils by church-pastors in Melbourne, only six churches welcomed me. So there are a several exceptions to all the devilish church-pastors in Melbourne. However, in none of the public meetings of those churches was I able to find a Christian woman who wanted to communicate individually. Even more appalling than no woman wanting to communicate individually is the fact that no man wanted to communicate individually either. The superficiality, falsehood and pretentiousness of these church-people and their church sub-cultures create problems for honest people who seek authentic relationships. The dishonesty, hypocrisy and nastiness of these church sub-cultures might be appropriately labelled "*bullsh*t-christianity*".

My primary objective in Melbourne was to find opportunity to meet and communicate with other Christian singles, so as to develop friendships, and to find a Christian woman to marry. God is always good, and God wanted to bless me here in Melbourne, but the devilish church-pastors consistently obstructed God's will, and hence I never had a real opportunity anywhere in Melbourne for authentic relationships. In fact, after three months of visiting multiple churches each Sunday, I did not find even just one single Christian woman anywhere who wanted to communicate individually.

Although I interacted with lots of friendly secular people on the streets in Melbourne every week in conjunction with street evangelism, respectfully introducing people to faith in Jesus Christ, there was, however, not one person inside any of the churches in Melbourne who wanted to be a friend. To more than one hundred church-persons who I chatted with inside various churches in Melbourne during the past three months I had offered my contact details, inviting each of those church-persons to contact me. Nevertheless, not even one church-person (who is not a church-leader) in Melbourne contacted me. (Actually, there was one church-person who contacted me; a married pentecostal woman sent an email to me spewing her rude words and errant accusations against my person.) After three months of visiting 3-5 churches each Sunday, and inviting church-persons on Sundays to communicate with me and to meet during the week, it is simply a disgrace that not one church-person wanted to communicate or meet. There was not one Christian in all of Melbourne who wanted to develop friendship.

Applying the alleged Einstein dictum "*Simplify as much as possible, but no more.*" I would not go beyond truth by stating something exaggerated like "*All church-people are brainless a**holes.*" or "*All church-pastors are malicious hypocrites.*" as both statements are obviously false, although many church-people and church-pastors can truthfully be attributed such descriptions.

During the past three months in Melbourne, Australia, these are some of the satanic excommunications, bans and obstructions by devilish church-pastors and "Christians":

1. Beit HaMashiach Church in Melbourne, part of Chosen People Ministries, excommunicated with this threatening letter: <http://www.kyrkor.be/BeitHaMashiach-Messianic-Church-Melbourne.pdf>
 2. Monologue with the excommunicating Beit HaMashiach Church in Melbourne: <http://www.kyrkor.be/Beit-HaMashiach-Church-Melbourne.htm>
 3. One of the largest churches in Australia, Crossway Baptist Church in Melbourne, excommunicated with threats: <http://www.kyrkor.be/Crossway-Baptist-Church-Melbourne.htm>
 4. Hillsong Melbourne church falsely accused and officially excommunicated: <http://www.kyrkor.be/Hillsong-Melbourne.htm>
 5. "Christian Connection Australia" in Melbourne banned innocent Christian from seeking a potential Christian wife on its Australian website business: <http://www.kyrkor.be/Christian-Connection-Australia.pdf>
 6. Satanic alliance of church-leaders in Melbourne excommunicated: <http://www.kyrkor.be/Network-of-devilish-churches-in-Melbourne.htm>
 7. CrossCulture Church of Christ in Melbourne covertly excommunicated: <http://www.kyrkor.be/CrossCulture-Church-Melbourne.htm>
 8. Planetshakers in Melbourne covertly excommunicated through absolute refusal of communication: <http://www.kyrkor.be/Planetshakers-Melbourne.htm>
 9. City on a Hill Church in Melbourne covertly excommunicated: <http://www.kyrkor.be/City-on-a-Hill-Church-Melbourne.htm>
 10. Roxburgh Park Church in Melbourne, without a sincere interest of facts, excommunicated because the excommunicated had been excommunicated: <http://www.kyrkor.be/Roxburgh-Park-Church-Melbourne.htm>
 11. Bayside Church in Melbourne obstructed from fellowship: <http://www.kyrkor.be/Bayside-Church-Melbourne.htm>
 12. Gateway Church in Melbourne obstructed from fellowship: <http://www.kyrkor.be/Gateway-Church-Melbourne.htm>
 13. Australian and international church leaders of River of Life Conference in Melbourne affirm pastoral sin while rejecting the innocently excommunicated: <http://www.kyrkor.be/River-of-Life-Conference-Melbourne.htm>
- Approximately 99% of churches in Melbourne, Australia refused to respond to Christian inquiry: <http://www.kyrkor.be/letter-to-churches-in-Melbourne.htm>

Lies, deceptions, distortions, rumours and evil are mainstream from most church-pastors in Melbourne, Australia. Satan certainly governs most churches in Melbourne through their pastors.

The devilish churches in Melbourne are a double tragedy; the proof that the conduct of nearly all church-pastors in Melbourne are diametrically opposing Biblical teachings and are aligning with satanic evil further disgraces credibility of churches, while the consequence of the devilish churches in Melbourne also inflict additional personal misery for my despairing circumstance of ostracism, excommunication and satanically successful obstructions of God's sanctioned relationships.

As I now depart from Melbourne and Australia, please do pray that God will find a Christian church somewhere on earth that is humane and benevolent; a church that will humanely welcome an excommunicated but innocent Christian and will support Christian fellowship. Please pray that God will find a church on earth where the pastor(s) are not backstabbing devils and are not satanically intent to harm, as was evidenced in Melbourne. And please pray that God will find a Christian marriage-minded single woman somewhere on earth who will want to communicate with me.

By the "Christian" singles-websites I am denied any possibility to connect and communicate with single Christians on internet, and I am by "Christian" churches denied any real possibility to connect and communicate with single Christians inside churches. Relationally, I am banned and obstructed both online and onsite. For Torsten, there is no opportunity to meet and communicate with single Christians, since satan governs many (most) "Christian" ministries and churches especially in the area of relationships. Godly relationships are banned from "Christianity" in many (most) churches.

Still, the satanic British church Holy Trinity Brompton (HTB: <http://www.htb.org.uk>) in London, UK, together with Alpha International (<http://www.alpha.org>), and their devilish vicar Nicky Gumbel, still refuse to explain why HTB excommunicated Torsten from fellowship in their churches: <http://www.kyrkor.be/Holy-Trinity-Brompton-StJudes-London-UK.htm>

Lies, deceptions, distortions, rumours and evil are mainstream from many church-pastors in Melbourne, Australia. Satan certainly governs many (most) churches in Melbourne through their pastors.

After 2½ months of visiting churches on Sundays in Melbourne, and after having inquired by email to essentially every church in Melbourne about any opportunity to meet and communicate with other Christian singles, it is obvious that most churches in Melbourne chose to shun my inquiry for fellowship, while most of the remaining church-leaders in Melbourne actively oppose, reject and excommunicate.

My primary objective in Melbourne is to find opportunity to meet and communicate with other Christian singles, so as to develop friendships, and hopefully to find a Christian woman to marry. God is good and He wants to bless me, but the devilish church-pastors consistently obstruct God's will, and hence I have never had a real opportunity anywhere for authentic relationships. In fact, after 2½ months of visiting multiple churches on each Sunday, I have yet not found even just one single Christian woman anywhere who wants to communicate individually.

Only one church in Melbourne excommunicated me within the past two weeks:

- Roxburgh Park Church in Melbourne, without a sincere interest of facts, excommunicated because the excommunicated had been excommunicated: <http://www.kyrkor.be/Roxburgh-Park-Church-Melbourne.htm>

In spite of the inhumanity from all the devilish church-pastors in Melbourne, few of all the churches in Melbourne did welcome me, and only three churches of all the churches in Melbourne offered useful information about meetings where also other Christian singles are likely to attend. So there are a couple of exceptions to all the devilish church-pastors in Melbourne. However, in none of those meetings was I able to find a Christian woman who wanted to communicate individually. Lies, lies, lies and evil is mainstream from many church-pastors also in Melbourne, Australia. Satan does indeed govern many (most) churches in Melbourne through pastors.

God is good and He wants to bless me, but the devilish church-pastors consistently obstruct God's will, and hence I have never had a real opportunity anywhere.

The past two weeks it has become evident that another three churches in Melbourne have excommunicated me, and also the main website for "Christian" singles in Australia has banned me. Hillsong in Melbourne officially excommunicated me from all their gatherings and events, and grossly accused me falsely of having a predatory nature. CrossCulture Church of Christ in Melbourne covertly excommunicated me and in a hostile tone of voice accused that I had a problem, and alluded that my intentions are dishonourable. The pentecostal sect Planetshakers in Melbourne covertly excommunicated me with refusal to welcome and absolute refusal to communicate. And the "Christian Connection Australia" website business for "Christian" singles in Australia based in Melbourne, but owned by a company in United Kingdom, banned me because I would not compromise with Biblical ethics and hence take on board the British company's pro-homosexuality agenda.

These excommunications and bans in Melbourne became evident within the past two weeks:

Subject: Seeking a church that truthfully values Christian marriages.

An appeal for practical Christian help: Christian unmarried man innocently excommunicated from church in Sweden, ousted from Swedish society, and currently without humane future in Sweden, because of Sweden's heartless pastors and heretic priests, and due to Sweden's aggressively anti-Christian culture.

Dear Pastors and Ministry leaders,

Thank-you for considering your possibility to be part of God's new solution by helping in a practical manner.

...

Current:

I have been visiting many churches on Sundays in Melbourne, Australia, the past 1½ months. My primary objective in Melbourne is to find opportunity to meet and communicate with other Christian singles, so as to develop friendships, and hopefully to find a Christian woman to marry.

After 1½ months of visiting churches in Melbourne, and inquiring by email to the churches in Melbourne of opportunities to meet and communicate with other Christian singles, it appears that most churches in Melbourne shun my inquiry for community, and many church-leaders in Melbourne actively oppose, reject and excommunicate me.

Satan governs many of the churches in Melbourne through alliances of pastors and ministry leaders who prioritise collegial loyalty at the expense of God, love and truth. The evils of many (perhaps even most) church-pastors in Melbourne are a testimony to how Satan has hijacked many churches, also in Melbourne.

A revelational excommunication in Melbourne, Australia:

- Beit HaMashiach church in Melbourne, which is part of Chosen People Ministries, excommunicated Torsten with this letter: <http://www.kyrkor.be/BeitHaMashiach-Messianic-Church-Melbourne.pdf>
- This is Torsten's monologue with the excommunicating Beit HaMashiach church of Melbourne: <http://www.kyrkor.be/Beit-HaMashiach-Church-Melbourne.htm>

Every Messianic church associated with Chosen People Ministries (<http://www.chosenpeople.com>) that I have visited have chosen to either excommunicate (Melbourne), ostracise (New York) or shun (London). Previously, the Messianic church Sha'ar Adonai in New York ostracised Torsten from attendance at their church (<http://www.kyrkor.be/Shaar-Adonai-Church.htm>), and the Messianic church Beit Sar Shalom in London (<http://www.beitsarshalom.org.uk>) (<http://daniel.nessim.org>) shunned Torsten. As much as I wish that the Chosen People Ministries would understand how to behave better, their churches instead sadly serve as a testimony of extreme hypocrisy and mercilessness.

Beneath are examples of further evils from churches in Melbourne, Australia:

- A satanic alliance of church-leaders in Melbourne excommunicates Torsten: <http://www.kyrkor.be/Network-of-devilish-churches-in-Melbourne.htm>
- City on a Hill Church in Melbourne covertly excommunicates Torsten: <http://www.kyrkor.be/City-on-a-Hill-Church-Melbourne.htm>
- Bayside Church in Melbourne obstructs Torsten from fellowship: <http://www.kyrkor.be/Bayside-Church-Melbourne.htm>
- Gateway Church in Melbourne obstructs Torsten from fellowship: <http://www.kyrkor.be/Gateway-Church-Melbourne.htm>

Commencing with the Baptist church-devil in Melbourne, Dale Stephenson (<http://www.kyrkor.be/Crossway-Baptist-Church-Melbourne.htm>), many church-pastors in Melbourne have mysteriously excommunicated Torsten, refused to welcome Torsten and terminated communications with Torsten. The patterns from several church-pastors in Melbourne in adopting an anti-Torsten position are: excommunications in absence of normal reason or Biblical basis, bizarre insinuations and accusation from church-pastors, refusal to explain or justify their excommunication/ostracism/obstruction, refusal to communicate, and refusal to welcome. These patterns in Melbourne and beyond indicate an alliance of church-leaders who prioritise collegial loyalty at the expense of God, truth, justice and righteousness. Because lies by church-pastors are defeated by exposure, Satan disseminates church-pastoral lies with secrecy. A crystal clear example of this satanic alliance of church-leaders in Melbourne are the words from the pastor of Beit HaMashiach church, who excommunicated Torsten based on advice from a church-pastor of another church, to excommunicate (<http://www.kyrkor.be/BeitHaMashiach-Messianic-Church-Melbourne.pdf>).

I am absolutely innocent in relation to all excommunications from churches. Satan thrives on church-pastors' sustainment and secretive dissemination of church-pastoral lies. Satan's lies through unrepentant church-pastors are defeated by exposure.

Similar to most pentecostal-styled megachurches, the Bridge Church in Melbourne (<http://www.bridgechurch.org.au>) offers its audience passionate preaching from stage and inhospitable dehumanisation before and after their staged "service". During the four Sundays that I visited Bridge Church, no person who is not a church staff or a volunteer in a church role befriended or communicated. The social rule in these types of superficial churches is: if you come alone and have no friends you are informally uninvited and shunned. Making oneself accessible and available for socialising in a setting by roaming a large lobby filled with people for one hour, week after week, without a social invite and experiencing human communication (by anyone who is not a staff or a volunteer in a role), is dehumanising and demoralising. Although I was conditionally welcomed, the pentecostal Bridge Church in Melbourne is simply too destructive on my morale to continue visiting there on Sundays.

The devilish British church Holy Trinity Brompton (HTB: <http://www.htb.org.uk>) in London, UK, together with Alpha International (<http://www.alpha.org>), and their vicar Nicky Gumbel, still refuse to explain why HTB excommunicated Torsten from fellowship in their churches: <http://www.kyrkor.be/Holy-Trinity-Brompton-StJudes-London-UK.htm>

Please pray that God will find in Melbourne a Christian church that will humanely welcome me. And please pray that God will find, inside a church in Melbourne, a Christian woman who will have the courage to communicate with me.

An appeal for practical Christian help: Christian unmarried man innocently excommunicated from church in Sweden, ousted from Swedish society, and currently without humane future in Sweden, because of Sweden's heartless pastors and heretic priests, and due to Sweden's aggressively anti-Christian culture.

Dear Pastors and Ministry leaders,

Thank-you for considering your possibility to be part of God's new solution by helping in a practical manner.

...

Current:

I am currently visiting various churches on Sundays in Melbourne, Australia, in pursuit of finding opportunity to meet and communicate with other Christian singles. Because I am excommunicated from all churches in Sweden, excommunicated from many churches in United Kingdom, excommunicated from many churches around the globe, and excommunicated from the major websites for "Christian" singles, and, because I am banned from visiting my cultural home country Canada as a tourist and am banned from visiting United States as a tourist, I am now visiting churches in Melbourne.

I love the weather in Australia, and the Australian people that I meet outside churches on the streets are very friendly. In regards to people and climate, Australia is definitely a very liveable place on the planet. The obstacles in Melbourne for me as a single Christian man aspiring to marry a single Christian woman, however, are the church leaders.

The first month here in Melbourne has not yet generated any opportunity for me to meet and communicate with single Christian females.

- Approximately 99% of churches in Melbourne, Australia refuse to respond to my Christian inquiry:
<http://www.kyrkor.be/letter-to-churches-in-Melbourne.htm>

One of the largest churches in Australia decided to excommunicate me.

- Crossway Baptist Church in Melbourne, Australia excommunicated Torsten:
<http://www.kyrkor.be/Crossway-Baptist-Church-Melbourne.htm>

A pentecostal megachurch in Melbourne, which I will not expose as long as they choose to make the correct major decision in relation to my fundamental inquiry to them about attending small mid-week groups, allowed me to conditionally attend their small groups. The church's condition for my attendance, however, was that no person would feel uncomfortable about my attendance. The condition set by the church pastor is not short of demeaning and dehumanising. This church-pastor had requested, upon my visit to their Sunday "service", that I should "just have a chat" with him. To enable that chat, he and another pastor, twice interrupted conversations I had with other people in order to divert me into an isolated conversation with the pastor. While sitting with that pastor who required the condition for my attendance that no person would feel uncomfortable about my attendance, I asked him if he demands a "chat" with everyone who wants to join a small fellowship group, and the pastor replied "no", and he defended his special treatment of me with his repeated perspective that I am "unusual". Moreover, the pastor repeated that he believed that I was too tense, and without advance warning, he quickly stretched out his arm and snapped his fingertip with his thumb next to my head, and saying simultaneously "snap out of it". Maybe this young pastor had observed some pseudo-charismatic evangelist on television that he admires who pretends to command things with the snapping of his fingers, and maybe this young pastor wanted to imitate that behaviour. All in all, the combination of lack of knowledge and extremely errant presumptions about my person, psychological projections, pseudo-charismatic Pentecostal conduct, and a deficiency of wisdom is my explanation for the demeaning condition set upon me by that church. Several days later, I did visit that church's very structured mid-week meeting which provided no real opportunity for me to dialogue individually with other people.

Thrice I visited the Hillsong Melbourne (<http://hillsong.com/melbourne>), and upon each Sunday visit I inquired about invitation to their fellowship groups, and left my contact details with several persons holding informational church roles, requesting that their church would contact me. Hillsong never contacted me. Hillsong London (<http://www.kyrkor.be/Hillsong-London.htm>) is a stage-focused hybrid of entertainment industry and superficial church culture, and it seems that Hillsong Melbourne is identical to those other Hillsong empires. From one perspective, someone might criticise that I should have known better than to expect anything different from Hillsong in Melbourne, but although I am neither ignorant nor naïve, I prefer to give churches and people a fair chance. I never want to be as prejudiced, biased and errantly presuming as the church-pastors are towards me.

Planetshakers (<http://www.planetshakers.com>) in Melbourne refused to reply to my emails, and refused to respond to the visitor card that I filled out, both requesting that Planetshakers would contact me regarding my interest in attending mid-week groups for singles. Although I recognise Planetshakers as a tragically exploiting leadership of the ignorant and naïve, the world has bigger problems to deal with than the "Planetshakers".

In my previous bi-monthly update I did not summarise my experience from churches in Singapore one month ago, but my experience from the churches in Singapore is that Singapore is unique in the sense that no church officially excommunicated me. In all other nations and cities that I have visited, at least one church has excommunicated me officially, although I am completely innocent of any wrongdoing. This is good news for the beautiful, friendly and small country Singapore. The less flattering side of the churches in Singapore is that few of the churches responded to my inquiry about opportunities for Christian singles to meet and communicate with other Christian singles. A bad news about the Singapore churches is that only a Christian sect (<http://www.seachurchesmedia.org>) responded timely, with affirmation of my need to meet and communicate with other Christian singles, and invited me the same week to a gathering specifically aimed for their singles. The Christian sect, which is part of ICOC (<http://www.icocco-op.org>), in reality however, believes they are the only church in Singapore and that anyone who is not a member of their organisation is not a Christian. Why is it that the arrogant Christian sects, such as ICOC, are among the few Christian churches that understand to practice communication, relationship-building and discipleship? And why is it that the non-Christian cults, such as the Mormons and the Jehova Witnesses, in general are more active than the Christians at recruiting members from the secular community? In these regards most church leaders need to change! Even in Singapore.

The devilish British church Holy Trinity Brompton (HTB: <http://www.htb.org.uk>) in London, UK, together with Alpha International (<http://www.alpha.org>), and their vicar Nicky Gumbel, still refuse to explain why HTB has excommunicated Torsten from fellowship in their churches: <http://www.kyrkor.be/Holy-Trinity-Brompton-StJudes-London-UK.htm>

Please pray that God will find in Melbourne a Christian church that will humanely welcome me. And please pray that God will find, inside a church in Melbourne, a Christian woman who will have the courage to communicate with me.

Current:

My pursuit of seeking an opportunity to meet and communicate with single Christians in my hope of finding a Christian woman to marry, the past ten days back in London, United Kingdom, resulted in additional obstructions and unchristian negligence by the British churches. For two consecutive Sundays I endured the dehumanisation of visiting British churches in London. On each of the two Sundays I visited 6-7 church services in various churches in London. Evidently, bullshit-Christianity reigns in the churches of United Kingdom.

As described two weeks ago, all the devilish British churches in Worcester, UK, either excommunicated, obstructed or neglected: <http://www.kyrkor.be/Devilish-British-Churches-in-Worcester.htm>

In London, Holy Trinity Brompton (HTB) who leads worldwide Alpha (<http://www.alpha.org>) had previously in 2012 excommunicated Torsten from all HTB church fellowship in their three churches, and had later refused further communication with Torsten (<http://www.kyrkor.be/Holy-Trinity-Brompton-Church-London.htm>). A newly started fourth HTB church in London, HTB St Judes, has now 2013 decided to align with HTB directives and therefore excommunicated Torsten also from their new fourth church.

Holy Trinity Brompton (HTB) church together with Alpha International enforces its excommunication against Torsten; to resolutely prevent Torsten from attaining fellowship, and to decisively obstruct Torsten from developing relationships with other Christians. HTB and Alpha in this regard act on behalf of satan.

- Holy Trinity Brompton (HTB) and Alpha, via St Judes Church, excommunicates Torsten: <http://www.kyrkor.be/Holy-Trinity-Brompton-StJudes-London-UK.htm>

I am from "Christian" websites denied any possibility to connect and communicate with single Christians on internet, and I am by "Christian" churches denied any possibility to connect and communicate with single Christians inside churches. Relationally, I am banned both online and onsite. For Torsten, there is no opportunity to meet and communicate with single Christians, since satan governs most, if not all, "Christian" ministries and churches especially in the area of relationships. Godly relationships are banned from "Christianity" in most churches. Although many other internet-Christian communities banned Torsten, the most recent internet-Christian community merely dissuaded participation from Torsten. This is the dialogue with the British so-called "Divine Match" singles website: <http://www.kyrkor.be/no-future-for-evasive-DivineMatch.co.uk.htm>

A typical Canadian church-pastor in British Columbia, Canada, replied to my previous plea for help: <http://www.kyrkor.be/Promontory-Church-BC-Canada.htm>

Please pray that God will find a real Christian church, which not just talks about Christianity but which also practices Christianity, somewhere on earth, and who therefore would want to helpfully welcome me. And please pray that God will find a single Christian woman who will have the courage to communicate with me, somewhere on earth. And, please do pray that all the devilish pastors/priests/vicars/reverends of churches who incessantly accuse falsely and who satanically seek to obstruct God's goodness and blessings, instead would repent from their evils.

Subject: Escaping the devilish Swedish pastors.

An appeal for practical Christian help: Christian unmarried man innocently excommunicated from church in Sweden, ousted from Swedish society, and currently without humane future in Sweden, because of Sweden's heartless pastors and heretic priests, and due to Sweden's aggressively anti-Christian culture.

Dear Pastors and Ministry leaders,

Thank-you for considering your possibility to be part of God's new solution by helping in a practical manner.

...

Current:

The past 1½ months I have visited churches in Worcester and Birmingham, United Kingdom. In the town Worcester, there is no church that wants to welcome and help. In fact, every church that I have visited in

Worcester has sought to obstruct, either actively or passively, my pursuit of seeking an opportunity to meet and communicate with single Christians in my hope of finding a Christian woman to marry.

These are some of the churches in Worcester that have articulated their obstruction and evils:

- Hope Church (Newfrontiers), Worcester UK, excommunicates Torsten: <http://www.kyrkor.be/Hope-Church-Worcester.htm>
- All Saints Church (Anglican), Worcester UK, excommunicates Torsten: <http://www.kyrkor.be/All-Saints-Church-Worcester.htm>
- St Peters Baptist Church, Worcester UK, conditionally imposes a partial excommunication against Torsten: <http://www.kyrkor.be/St-Peters-Baptist-Church-Worcester.htm>
- Worcester Baptist Church, Worcester UK, does not want to welcome Torsten: <http://www.kyrkor.be/Worcester-Baptist-Church.htm>
- St Paul's Church (Pentecostal), Worcester UK, excommunicated Torsten: <http://www.kyrkor.be/St-Pauls-Church-Worcester.htm>
- Baptist Union of Great Britain presents its logic (Because no British church repents or helps, the British Baptist Union has limited enthusiasm to pray further for their repentance or to help.): <http://www.kyrkor.be/Baptist-Union-of-Great-Britain.htm>

Other unarticulated churches in Worcester UK that passively obstruct are: devilish church leaders of Elim Pentecostal Church (<http://elimworcester.org.uk>), and devilish church leaders of Woodgreen Evangelical Church (<http://www.woodgreenchurch.co.uk>).

In summary regarding the hypocritical, false, malevolent, cowardly, dishonest and devilish British church-leaders in Worcester; satan governs also many of these churches through them.

Additionally, yet another devilish church within British Columbia demonstrated the evil nature of many church leaders within BC. None of the churches in Okanagan wanted to helpfully welcome when I previously visited Okanagan (<http://www.kyrkor.be/Okanagan.htm>) during a less-than-six-months time period in Canada, prior to the Canadian government handcuffing, incarcerating and deporting me from Canada. (I am fully innocent. Canada invented a nonsensical accusation that I was "using a loophole in the law" to visit Canada as a tourist.) Now, yet another devilish church in BC Canada, through Promontory Church (<http://mypcc.ca>) in Chilliwack BC, which neighbours the BC regional district Okanagan, replied through their executive director John Vermeer (John@mypcc.ca) with another untrue accusation "Deliverance from the lying spirit that controls you in the name of Jesus is your best hope." One persistent source of false accusations and evil is from devilish church leaders.

Please pray that God will find a real Christian church, which not just talks about Christianity but which also practices Christianity, somewhere on earth, and who therefore would want to helpfully welcome me. And please pray that God will find a single Christian woman who will have the courage to communicate with me, somewhere on earth. Current:

I am currently visiting churches on Sundays in Worcester and in the Midlands of United Kingdom. Many of the devilish British pastors/priests/vicars have already excommunicated me in London, UK.

It appears that there might not be any real Christian church anywhere in the UK where there would be an opportunity to meet and build friendships with other single Christians.

The most recent British bullshit-church that appears to have excommunicated me (maybe unofficially excommunicating due to British church-cowardice) is also an Anglican church:

- All Saints Church, Worcester UK: <http://www.kyrkor.be/All-Saints-Church-Worcester.htm>

Additionally, the British version of the organisation Christ for All Nations (<http://www.cfan.org.uk>) responded (support@cfan.org.uk) with typical British bullshit-Christianity to my appeal for practical Christian help and prayer, through their statement *"With immediate effect please remove Christ for all Nations from your mailing list. The language used in your last mailing was disgusting and I no longer want to receive your opinions."*

Please pray that God will find a real Christian woman who also is visiting here in UK; perhaps a Canadian/American/Australian Christian woman visiting somewhere in the UK, and who will have the courage to communicate.

Two weeks ago for two consecutive Sundays I visited some of the bullshit-Christianity churches in London, United Kingdom (where many of the devilish British pastors/priests/vicars have already excommunicated me). On one of the Sundays in London I visited seven different church services. This last Sunday I visited two bullshit-Christianity churches in Worcester, UK. It appears that across the UK, there might not be any real Christian church where there would be an opportunity to meet and build friendships with other single Christians. Possibly, the more honest and intelligent young Christians evade churches altogether.

Because I am excommunicated from many Internet "Christian" websites for singles, and because I am excommunicated from many of the organised physical churches, I have little possibility to meet and communicate with other followers of Jesus Christ. But at least in the UK I have a hypothetical opportunity to meet a Christian woman to marry, whilst in Sweden I have absolutely no opportunity whatsoever – not even a theoretical chance.

It is impossible for me to live in satanic Sweden. And although I would not want to live in cowardly and morally confused United Kingdom, at least in the UK I can still visit some of the churches (bullshitchurches) on Sundays.

Please pray that God will find a real Christian woman also visiting here in UK, perhaps a Canadian/American/Australian Christian visiting somewhere in the UK, and who will have the courage to communicate with me.

I am still in Sweden and therefore I have no natural means to fellowship with Christians, and I am cut off from every possibility to meet and communicate with Christian single females. It is logically absolutely impossible for a solution as long as there are no natural opportunities for me to meet and communicate with other Christians.

I am ostracised from Swedish society. I am excommunicated from all "churches" within Sweden. I am excommunicated from relevant "Christian" websites in the world intended for "Christian" singles. I am banned from visiting my home country Canada. I am banned from visiting USA. I am excommunicated from several of the "Christian" churches in Jerusalem. I am excommunicated from many "churches" in London, United Kingdom.

Church leaders in United Kingdom continue to show their true faces. Recently, the British affiliate to American CBN nastily rejected my plea for help. UK differs much from the US. In fact, I hold higher regard for American CBN than any other news media in the world, and I also highly respect the Virginia-based 700 Club with Pat Robertson. On several occasions, as early as 2006 and as late as 2010, the American 700 Club has responded to my plea with kindness and encouragement. But British church-leaders can often be as cowardly and false as the Swedish church-leaders are. The British-based affiliate of the 700 Club wrote:

An appeal for practical Christian help: Christian unmarried man innocently excommunicated from church in Sweden, ousted from Swedish society, and currently without humane future in Sweden, because of Sweden's heartless pastors and heretic priests, and due to Sweden's aggressively anti-Christian culture.

Dear Pastors and Ministry leaders,

Thank-you for considering your possibility to be part of God's new solution by helping in a practical manner.

...

Current:

The past four months here in London, United Kingdom, I have inquired with nearly all the churches within London if there are opportunities to meet and communicate with other Christian singles. No church in London expressed explicit support. In spite of unsupportive attitudes from churches in London, I have diligently explored church services in many different churches every Sunday (between 4 to 7 visits each Sunday).

No church anywhere in London has a Singles Ministry. The main British internet-Christian singles website (<http://www.kyrkor.be/christianconnection.co.uk-discrimination-against-Christianity.pdf>) excommunicated me for declaration of politically incorrect but Biblically correct views in sexual ethics. No church anywhere in London supported my search for a Christian woman to marry. Most churches in London either excommunicated me entirely or partially excommunicated me, either consistently refused any communication with me or eventually terminated communication with me, slandered against me, or shunned me. Many church leaders in London evidently acted satanically against me in their deliberate obstruction of God's good intention. God wanted to bless, but the pastors, priests, vicars and leaders of most churches in London chose to obstruct and destroy – in alignment with promptings from satan.

Satan used church leaders in London to obstruct opportunities and to block possibilities for me to meet and communicate with single Christian females in London. God wanted to bless me while I was visiting here in London, but the church leaders in London wanted to excommunicate, to harm, and to destroy. God is good, but the London church-leaders have manifested their evil.

Some ungodly characteristics of London's church-pastors, church-priests, church-vicars and church-leaders are cowardliness, political correctness, heretical ethics, hypocrisy, dishonesty and malice. Some sinful characteristics of London's church-people are falsehood, superficiality and slander. The London church-peoples' public beer-drinking in pubs is not necessarily sinful, but might be a less wise cultural expression, and is internationally controversial. In perspective of these characteristics, "church" in London misrepresents Christ Jesus, in words and deeds.

This is a summary of some of the evils committed by "church" in London the past four months:

- Christian Connection UK: <http://www.kyrkor.be/christianconnection.co.uk-discrimination-against-Christianity.pdf>
- Christian Distinctives UK: <http://www.kyrkor.be/London-Christian-leaders-malicious-liars.pdf>
- Christ Church London: <http://www.kyrkor.be/Christ-Church-London.htm>
- All Souls Church Langham Place: <http://www.kyrkor.be/All-Souls-Church-Langham-Place-London.htm>
- Equippers Church London: <http://www.kyrkor.be/Equippers-Church-London.htm>
- Holy Trinity Brompton Church (HTB): <http://www.kyrkor.be/Holy-Trinity-Brompton-Church-London.htm>
- St Helen's Bishopsgate Church: <http://www.kyrkor.be/St-Helens-Bishopsgate-Church.htm>
- Kensington Temple City Church: <http://www.kyrkor.be/Kensington-Temple-Church-London.htm>
- Hillsong London church: <http://www.kyrkor.be/Hillsong-London.htm>
- Holy Trinity Swiss Cottage Church: <http://www.kyrkor.be/Holy-Trinity-Swiss-Cottage-Church.htm>
- City Gates Church: <http://www.kyrkor.be/City-Gates-Church-London.htm>
- Evangelical Alliance of United Kingdom: <http://www.kyrkor.be/Evangelical-Alliance-United-Kingdom.htm>
- The Christian Institute of United Kingdom: <http://www.kyrkor.be/Christian-Institute-United-Kingdom.htm>
- London's ungodly church-singles' beer-worshipping ministry: <http://www.kyrkor.be/offensive-London-beer-worshippers.htm>

Although I did discover a Christian single girl who moved away from London, but who wanted to communicate and spend some time together (confessedly included mutually sought boundary-overstepping close hugs), there is no conviction of development beyond a good friendship.

Please pray that God would find a practicing Christian church somewhere on earth; a supportive church that will not be intent on destruction and obstruction of God's blessings and goodness. And, please pray that God would find a marriage-minded and never-previously-married Christian woman somewhere on earth; a woman of God's selection, who wants to communicate, and who loves Jesus Christ more than she loves anyone else.

Dear Pastors and Ministry leaders,

Thank-you for considering your possibility to be part of God's new solution by helping in a practical manner.

Current:

I am visiting London, United Kingdom, in hope of finding a Christian church that will support my search for a Christian woman to marry. I have not yet found a Christian church within London. Every Sunday the past 3½ months here in London I have visited between 4 and 7 church services each Sunday in various congregations. Most of the church leaders in London that I have visited have either excommunicated me entirely, partially, or simply ceased to communicate with me.

After repeated enquiries during more than three months to All Souls Church Langham Place if there were opportunities in their church where also single people can meet, and after their church staff then had excluded me from participation in any of their weekly fellowship groups as a way to protect their single females from communicating with me, the rector of All Souls Church, Hugh Palmer, finally decided that he intended to answer my simple questions regarding their church's partial excommunication. The rector Hugh Palmer did not want to reply explicitly in writing, but required to answer only through a personal meeting. All Souls Church did not want to change their decision to ban me from participation in any fellowship group that may have single females, and the All Souls Church rector did not unconditionally acknowledge and repent from their church staff's prejudice against me. On the contrary, the rector Hugh Palmer of All Souls Church fortified the prejudices of All Souls Church against me, and shifted the cause of their prejudices onto me. According the expressed words of the rector of All Souls Church, I am the cause of their church's discrimination against me.

All Souls Church in London, United Kingdom, partially excommunicates an innocent visitor. Several ministers and staff of All Souls Church in London prove to be a cowardly and devilish: <http://www.kyrkor.be/All-Souls-Church-Langham-Place-London.htm>

Christ Church London is an example of a London church that ceased to reply to an inquiry, and covertly excommunicated an innocent visitor. In the beginning, Christ Church London appeared to be a welcoming church, but the church office soon decided to neither verify nor answer questions concerning a suspected partial excommunication of the visitor. After the church's initial refusal to communicate and verify the partial excommunication, Christ Church London later confirmed through their elder (Ross Bull) that I had in fact been excommunicated from their church's fellowship groups, and the church confirmed other bans against me. During a scheduled interview with the delegated spokesperson for Christ Church London (church elder Ross Bull), it became apparent that Christ Church London was not intending to be entirely honest with me, and that this church is more disturbed about a Christian man wanting to marry a Christian woman, than the church is concerned with their church leaders' slander, gossip, and shunning against an innocent visitor.

Christ Church London, United Kingdom, partially excommunicates an innocent visitor. The ministers, staff and leaders of Christ Church London slander, gossip, and prove to be a devilish: <http://www.kyrkor.be/Christ-Church-London.htm>

Holy Trinity Brompton Church (HTB) in London, United Kingdom, gravely misjudged my person and circumstance through errant presumptuousness, prejudice and some unhealthy misconceptions, and ultimately decided to treat their innocent visitor devilishly: <http://www.kyrkor.be/Holy-Trinity-Brompton-Church-London.htm>

St Helen's Bishopsgate Church in London, United Kingdom, absolutely refuses to communicate, and subsequently is uncompassionate, unchristian and devilish: <http://www.kyrkor.be/St-Helens-Bishopsgate-Church.htm>

Kensington Temple City Church in London, United Kingdom, ceased to reply to my inquiry, and subsequently is uncompassionate, unchristian and devilish: <http://www.kyrkor.be/Kensington-Temple-Church-London.htm>

Hillsong London church, United Kingdom, is relationally possibly one of the most unhealthy congregation in London. Hillsong London is a stage-focused hybrid of entertainment industry and superficial church culture, breeding a "Christianity" that neither benefits authentic relationships nor society.: <http://www.kyrkor.be/Hillsong-London.htm>

Currently, I have no realistic opportunity to meet and communicate with other Christian singles within London. I am banned from Britain's online Christian singles website (<http://www.kyrkor.be/christianconnection.co.uk-discrimination-against-Christianity.pdf>), and I have not discovered any church in London that wants to support my search for finding opportunities to meet and communicate with other Christian singles. No church anywhere in Metropolitan London has a singles ministry. Most of the larger churches in Central London either refuse to communicate with me, or have effectually excluded me from their church groups, or have officially stated that my presence in their church is unwanted. Seemingly, most churches in London do not care to be helpful.

Please do pray that God will find a marriage-minded Christian woman somewhere in London who wants to communicate sincerely with me. Although I did recently find one communicative female in London, she moved away. Especially pray that I will meet a marriage-minded Christian single woman visiting from Canada, USA, Australia, or New Zealand who wants to communicate. I don't desire to stay in Europe, but I would like to be able to move on with life in a nation where I want to live. Canada is my closest cultural homeland.

I am still visiting London, United Kingdom, in hope of finding a church that will support my search for a Christian woman to marry.

Currently I have no realistic opportunity to meet and communicate with other Christian singles in London. Most of the larger churches in Central London either refuse to communicate with me, or have effectually excluded me from their church groups, or have officially stated that my presence in their church is unwanted. Seemingly, most churches in London do not care to be helpful.

I exposed some of the larger London churches in my previous appeal two weeks ago. An additional example of many London church-leaders' unalterable prejudice is the small St. John's Wood Road Baptist Church (<http://www.sjwrbc.org>). On July 18th I met their Baptist pastor Chris Hawthorne (pastor@sjwrbc.org) inside his church building, where the pastor insisted his concern that my priorities are wrong; alleging that I am more interested in attaining marriage than to be in relationship with God. Although I conversationally refuted his errant prejudice against me, in his mind he still believed that his allegation was correct regardless of my words. Comically (or tragically), when I explained to the Baptist pastor that I do not enjoy socialising with public beer-drinking church-people in noisy pubs, the Baptist pastor defended their public beer-drinking and socialising in pubs as being a part of their evangelism.

From my personal communications with the church leaders here in London since the end of April 2012, I assess that London churches are ill-equipped and incapable to change the general direction of London towards Christ. Secondly due to many church-people in London remaining within their selfish comfort zones, but primarily due to the London church-leaders' discriminatory, errantly presumptuous and hypocritical ways, London cannot be significantly influenced towards Christ through them. Without church-leader repentance, London will inevitably become dominated by Islam, cults and agnostics/atheists.

While many of London's church-people prefer to sit in their pubs and drink beer, the Islamists in London are quite active in promoting their deceptive religion on the streets in London. Islamists appear to be the most street-active religious group in London during the Olympics; in strategic locations, sometimes aggressively loud, and sometimes with elegant brochures presenting their Islamic lies. The second most active category of religious groups targeting the Olympics with representation on the streets of London appears to be the cults and the occult. And in third place of degree of street activity appears to be well-financed sectarian Christians, international Christian organisations and London churches.

If medals were awarded to the most promotive religious groups on the London streets, I would vote: Gold medal for level of street activity to the Islamists, Silver medal for level of street activity to the cults, and Bronze medal for level of street activity to the Christians.

Please do pray that God will find a marriage-minded Christian woman somewhere in London who wants to communicate sincerely with me. Although I did recently find one communicative female in London, she moved away. Especially pray that I will meet a marriage-minded Christian single woman visiting from Canada, USA, Australia, or New Zealand who wants to communicate. I don't desire to stay in Europe, but I would like to be able to move on with life in a nation where I want to live. Canada is my closest cultural homeland.

Subject: A plea for Christian help.

An appeal for practical Christian help: Christian unmarried man innocently excommunicated from church in Sweden, ousted from Swedish society, and currently without humane future in Sweden,

because of Sweden's heartless pastors and heretic priests, and due to Sweden's aggressively anti-Christian culture.

Dear Pastors and Ministry leaders,

Thank-you for considering your possibility to be part of God's new solution by helping in a practical manner.

...

Current:

I am still visiting London, United Kingdom, in hope of finding a church that will support my search for a Christian woman to marry.

Satan is very busy within the church offices and "Christian" ministries also here in London. But this particular devilish performance, in spite of the initial setback, was one where God immediately intervened. This satanic event was succeeded by God's victory. Also in this particular incident, satan attacked me through a "Christian" leader as usual, but this time God protected me and blessed me through it. The dishonest "Christian" landlord that I previously wrote about in my 77th plea on May 31, 2012 has now maliciously evicted from their house. The landlord gave me a 15-hours eviction notice, and purposefully shut down the internet during those 15 hours when it was most critical for me to access internet to try and find alternate accommodation. With the help from other Christians during those 15 hours, I attained internet access at another Christian's home to appeal online for urgent prayers and to search for new accommodation. Just as I was about to step out onto the street with my luggage without any next roof to go to, someone called my mobile and offered me new accommodation, which moreover was £230 cheaper per month. The "Christian" landlord had breached the rental agreement on three accounts; length of stay, internet access & internet quality, and time of notice of termination of rental agreement. That "Christian" landlord's commonality with far too many other "Christian" leaders is that truth and integrity are subordinate to money and self. This story (with evidence) of satan's failed attack and God's graceful response to prayers can be read here:

- Christian leader of British organisation "Christian Distinctives" lies, gravely breaches contractual agreements, and behaves maliciously: <http://www.kyrkor.be/London-Christian-leaders-malicious-liars.pdf>

I have yet not found a church in London that wants to support my search for a Christian woman to marry. Prejudice, errant presumptuousness, dishonesty, and cowardice through evasion are some typical reasons for London church offices to not want to support. These are some London churches whose church expressions contradict Biblical values:

- All Souls Langham Place Church staff practices dishonesty, prejudice, prioritises collegial loyalty on behalf of truth, and is intent to protect single women from me: <http://www.kyrkor.be/All-Souls-Church-Langham-Place-London.htm>
- Holy Trinity Brompton Church office initially responded very well, but eventually misjudged through errant presumptuousness: <http://www.kyrkor.be/Holy-Trinity-Brompton-Church-London.htm>
- Christ Church London leaders evade answering questions about the appearance of various bans against me. Although this church hosts sociable after-church refreshments, it seems that evasion is their preferred church-culture solution: <http://www.kyrkor.be/Christ-Church-London.htm>
- Holy Trinity Swiss Cottage Church in London ceases to reply following their prejudiced rejection: <http://www.kyrkor.be/Holy-Trinity-Swiss-Cottage-Church.htm>
- Kensington Temple Church in London ceases to reply to an inquiry: <http://www.kyrkor.be/Kensington-Temple-Church-London.htm>
- St Helen's Bishopsgate Church in London absolutely refuses to reply to all inquiries: <http://www.kyrkor.be/St-Helens-Bishopsgate-Church.htm>
- City Gates Church in London absolutely refuses to reply to all inquiries: <http://www.kyrkor.be/City-Gates-Church-London.htm>

If the attitude of Christian and evangelical organisations such as The Evangelical Alliance and The Christian Institute is representative for the attitudes of evangelicals and Christians in UK, then the evangelicals and Christians in UK are poorly equipped to exert Godly influence over the nation.

- The Evangelical Alliance of United Kingdom absolutely refuses to respond to email and refuses to reply to an inquiry: <http://www.kyrkor.be/Evangelical-Alliance-United-Kingdom.htm>
- The Christian Institute of United Kingdom absolutely refuses to respond to email and refuses to reply to an inquiry: <http://www.kyrkor.be/Christian-Institute-United-Kingdom.htm>
- A website called Evangelical News in United Kingdom absolutely refuses to respond to email and refuses to reply to an inquiry: <http://www.kyrkor.be/Evangelical-News-United-Kingdom.htm>

Please do pray that God will find a marriage-minded Christian woman somewhere in London who wants to communicate sincerely with me. Current:

I am visiting London, United Kingdom, in hope of finding a church that will support my search for a Christian woman to marry.

Apparently, no church in London has a Singles Ministry, and the only parachurch singles ministry in London convenes only once per month — for boozing and flirting (<http://www.kyrkor.be/offensive-London-beer-worshippers.htm>). Single church-people from London's churches seem to love public beer-drinking in loud pubs, preferably accompanied by noisy soccer/football games on a flatscreen. On Sundays I have visited the churches that are associated with this boozing parachurch singles ministry, and all those churches appear to foster superficial sub-cultures inside the churches, instead of raising socially honest and accountable disciples of Jesus Christ.

For example, at the ending of one such church-service on a Sunday, at Holy Trinity Brompton Church (<http://www.htb.org.uk>), I moved towards the rear of the church hall where everyone eventually would exit, and stood alone there hoping that at least one human would say hello. Although I had church-people closely surrounding me at my first (and probably last) visit, no person would say hello or look at me during the 50 minutes that I stood alone inside the church. When only a handful of people remained in the building, a staff finally approached, obviously from the visible circumstance wondering if something was wrong. That style of superficial church service is socially nothing short of an unwelcoming masquerade. Since I subject myself to 4-5 different churches every Sunday in London with the objective of seeking fellowship, but where I instead too often encounter similar social outcomes, my life situation in these types of church contexts truly feels dehumanising.

Some London church offices have consistently refused to reply to my repeated inquiries the past two months. Two such churches where I repeatedly have inquired about opportunities to fellowship, but where the churches have consistently refused to reply, are St Helen's Bishopsgate Church (<http://www.st-helens.org.uk>) and City Gates Church (<http://www.citygateschurch.net>). Other church offices, such as Holy Trinity Brompton Church (<http://www.htb.org.uk>) and Kensington Temple Church (<http://www.kt.org>), where I have sought to join small weekly fellowship-groups, have successively terminated communication in relation to my inquiry to join small fellowship-groups. An example of a London church that absolutely refuses to reply: <http://www.kyrkor.be/St-Helens-Bishopsgate-Church.htm>.

But all is not gloom. I have of course also found many church-people to superficially chat with in other churches of London. I do hope that I am wrong, but it seems that intellectual, discerning, cultivated, honest and truth-loving people avoid churches or eventually leave churches. In my search for opportunities to meet and communicate honestly with other Christian singles, perhaps I have just simply been visiting all the wrong churches.

Since I am banned from several of the larger international "Christian" singles websites, including the largest British "Christian" website (<http://www.kyrkor.be/christianconnection.co.uk-discrimination-against-Christianity.pdf>), I have a minute possibility to connect with a Christian woman online. And since I am banned from visiting Canada (my closest cultural homeland) and USA, I cannot connect with Christians onsite there. On the positive side, London has many international visitors, and hopefully I might meet a visiting Christian woman from Canada, USA, Australia or New Zealand inside a church in London. Please pray for such an opportunity.

Please do pray that God will find a marriage-minded Christian woman somewhere in London who wants to communicate sincerely with me.

Current:

I am currently visiting London, United Kingdom, in hope of finding a church that will support my search for a Christian woman to marry. If churches want to support development of Christian marriages, they can, through provision of opportunities for Christian singles to meet and communicate. After having contacted most of the churches in central London the past 1½ months, it appears that no church in London has a Singles Ministry. To my findings, there is however one parachurch singles ministry in London, but the monthly parachurch ministry events (<http://www.jesuslovesdatemymate.com>) only invite pairs, and since I have no female friend, I have by their ministry regulation been unable to participate at the previous two events hosted the past two months.

Most church offices that I have contacted in London have actually welcomed me to visit, in spite that I have honestly declared that *"I seek a Christian community where I also can find opportunities to fellowship, socialise, meet and talk with other Christian singles."* Few London-churches persistently refuse to reply to my inquiry about their church, and only one church in London has excommunicated me: <http://www.kyrkor.be/Equippers-Church-London.htm>.

Although the majority of church offices in London, through email responses, actually do welcome singles who desire a Christian marriage, the prevailing onsite church realities are: superficial church cultures, church-people who are insecure and ambivalent about identifying with politically incorrect Biblical values, church-people who are reluctant or not mindful about speaking with visitors, falsehood and hypocrisy. But the general British-cultured courtesy and surface amicability is consistent, and is a refreshing contrast to satanic Sweden.

Please do pray that God will find a marriage-minded Christian woman somewhere in London who wants to communicate.

Subject: Seeking an invitational and helpful Christian church.

An appeal for practical Christian help: Christian unmarried man innocently excommunicated from church in Sweden, ousted from Swedish society, and currently without humane future in Sweden, because of Sweden's heartless pastors and heretic priests, and due to Sweden's aggressively anti-Christian culture.

Dear Pastors and Ministry leaders,

Thank-you for considering your possibility to be part of God's new solution by helping in a practical manner.

Current:

Still, there is no Christian woman on earth who wants to communicate with me. As long as "Christian" churches continue to excommunicate me, as long as "Christian" singles internet sites continue to ban me, and as long as most churches continue to ignore my plea for invitational and practical assistance, it will remain difficult for me to find a Christian woman on earth who would want to communicate with me. If I had desired to marry a non-Christian woman or a typical Swedish slut, then I could easily and quickly arrange for that by my own influence. But I do not desire to marry a non-Christian woman or a typical Swedish slut. I shall marry only a woman who loves Jesus Christ more than she loves any other person. And therefore, I am dependent on other Christians' help. But as long as there is no Christian local church on earth who wants to help facilitate communication, it will remain difficult to find a Christian woman who would want to communicate with me. In the meantime, here in London, England, I have each Sunday visited several different churches during this past month.

Several of the largest "Christian" singles websites in the world have banned me with false accusations or with anti-Christian motives. And several of the larger secular singles websites have banned me too, probably because I stated that I am a Christian who only seeks a Christian woman. Secular singles website owners can be suspected of deliberate human-caused account closures while utilising an official reason of faulty software design mistakes.

Some examples of false accusations and suspected anti-Christian motives:

- Christian Connection UK: <http://www.kyrkor.be/christianconnection.co.uk-discrimination-against-Christianity.pdf>
- Plenty of Fish: <http://www.kyrkor.be/pof.com-discrimination.pdf>
- Christian Café: <http://www.kyrkor.be/satanically-influenced-Sam-Moorcroft.pdf>

- I Want 2 Meet You: <http://www.kyrkor.be/iwant2meetyou.com-discrimination.pdf>

A simple inquiry to a "Christian" organisation in United Kingdom if the organisation was interested to expose the covert homosexualist agenda of the "Christian" singles website "Christian Connection UK" (<http://www.kyrkor.be/christianconnection.co.uk-discrimination-against-Christianity.pdf>) resulted in a minor tempest of false accusations against my person from the British organisation "Christian Voice". Instead of simply accepting or declining to expose a politically correct and homosexualist agenda by the British "Christian Connection UK" website, the British "Christian Voice" organisation instead recommended that I should compromise with Biblical truth for the sake of my personal benefit at remaining a member. Furthermore, the British "Christian Voice" also voiced support for the groundless excommunication by the devilish church staff of "King of Kings Church" in Jerusalem (<http://www.kyrkor.be/King-of-Kings-Church-in-Jerusalem-refuse-to-justify-their-excommunication-of-innocent-visitor.htm>), with a new untrue accusation by British "Christian Voice" that Torsten would have been standing "*gazing at folk*". This new accusation by British "Christian Voice" is a product of fantasy from its British national director Stephen Green. Other personal attacks by British "Christian Voice" can be read in their entirety here: <http://www.kyrkor.be/British-Christian-Voice.pdf>

If Swedish churches are amongst the most inhumane in the world, and if Jerusalem's church leaders are among the more satanically influenced (and oppressed) in the world, perhaps the British churches are among the more theologically confused.

In friendly personal conversations with male British church-people on Sundays, I am sometimes astonished over the deficiency of Biblical understanding and perspectives among many British church-people. Several church-people in London, including people holding church responsibilities, express disbelief of a hell or eternal punishment for sin, express homosexualist political correctness, express classical church-arrogance in relation to Christianity's Jewish roots, and express bias against Israel.

As a rough generalization, the British people love their football games and pints of beer at the pubs. Public beer drinking at pubs is adopted by many British church-people, and it is common that some church-people socialise after church service at pubs with beer. In one of the churches that I have visited four times, the King's Cross Church (<http://www.kxc.org.uk>), the pastor always announces an invitation to the congregation at the conclusion of the Sunday services, to continue church fellowship at a specific pub after the church-building service has ended. The church-crowd is young and they love their drinks in the pub. Although it is not a sin to drink alcohol (in fact I enjoy it privately) I strongly disagree with public alcohol consumption as part of church fellowship, and I can therefore not participate in their irresponsible public alcohol consumption. Some British churches' public alcohol consumption at noisy pubs limits my social opportunities, by choice.

Some of the other superficial churches that I have been visiting and contacting are the Hillsong London (<http://www.hillsong.co.uk>), an extreme hybrid of entertainment industry and church business, which refused to reply to my repeated online mails with inquiries about their church and refused to contact me in spite of my filled visitor card with the same inquiry, until I sent an email carbon copied to their Australian Head Office staff, Kensington Temple (<http://www.kt.org>) which after repeated inquiries yet has provided no useful information how to connect, Holy Trinity Brompton (<http://www.htb.org.uk>) which after two filled visitor cards requesting information how to connect and several emails has only provided useless information, and City Gates Church (<http://www.citygateschurch.net>) which after repeated emails has consistently refused to reply.

All people sin. So do I. Probably every day I sin. But it is intriguing to consistently observe how determined satan is to prevent me from finding a Christian woman to marry. And as I have said previously, satan will use anyone – especially pastors and church-leaders to prevent God's will and goodness. I had a contractual agreement for room rental prior to my arrival in London. After having paid the rent to the Christian landlord, the landlord asked what I would be doing in London. I promptly provided the landlord with a concise declaration "*My primary objective is to find a Christian woman to marry, and my secondary objective is to communicate the Gospel message to people on a street level.*" The following day the Christian landlord responded that my information regarding my primary objective to find a Christian woman to marry was "*more information than needed*", and subsequently informed me that the room rental agreement now had been changed to shorter rental duration. Most church-people instinctively react with opposition to declared intent of finding a marriage companion. More details are available here: <http://www.kyrkor.be/London-Christian-leaders-dishonour-agreement.pdf>.

The most recent church that excommunicated me, the largest church in Jerusalem, continues to refuse to justify their excommunication of me: <http://www.kyrkor.be/King-of-Kings-Church-in-Jerusalem-refuse-to-justify-their-excommunication-of-innocent-visitor.htm>

Summary and compilation of my recent experience with the churches in Jerusalem: <http://www.kyrkor.be/churches-in-Jerusalem.htm>

I am currently visiting London, England, in search of a Christian church and in hope of maybe finding a Christian woman inside a church-building here who would want to communicate.

The largest website in United Kingdom for Christian singles, Christian Connection UK (<http://www.christianconnection.co.uk>), discriminates against Christianity. This UK singles website business suspended my account because I had declared in my personal profile under the website's sub-heading 'Political Views' that "*active homosexuality is a sin*". When I inquired with the website owner about their theology on homosexual acts with reference to three specific New Testament Bible verses, the British website owner refused to answer, and refused to provide any Biblical explanation to their opposition to Bible-based sexual doctrine.

The British "Christian-led business", Christian Connection UK, censors member's political views and suspends members whose political views do not align with the company's politically correct and anti-Biblical views, as evidenced through the company's statements "*we do not share them ... do not state them ... We would be grateful if you could take this on board. ... If you do not wish to compromise then you would be better finding another site to join.*"

It appears that the political correctness of British "Christians" in United Kingdom in practice entails discrimination against Christianity. The details of the British "Christian" censorship against Christianity can be read here: <http://www.kyrkor.be/christianconnection.co.uk-discrimination-against-Christianity.pdf>

Previously, the satanically influenced Canadian businessman Sam Moorcroft, of the "Christian" singles website ChristianCafe.com, banned me from his website with inclusion of some unfounded and untruthful accusations against me. The ChristianCafe.com businessman-owner falsely accused me of problems with anger issues, and groundlessly suggested that I should seek professional counselling: <http://www.kyrkor.be/satanically-influenced-Sam-Moorcroft.pdf>

Also previously, the largest Scandinavian "Christian" singles website Solid Love (formerly "Sjunde Himlen" <http://www.solidlove.com>) had banned me because I had expressed that I seek a non-Swedish and non-feministic woman, which the nationalistic and feministic Swedish owner disliked. Also previously, a Swedish "Christian" social forum operated by Crossnet (<http://www.crossnet.se>) had banned me because I had posted a portrait photo of myself with an Israeli flag as backdrop. The Swedish website administrator motivated the ban with an anti-Zionist comment; that some users might find the Israeli flag offensive.

Satan is certainly successful in his obstruction, destruction and evil - through pastors, priests, church leaders and other representatives of Christianity.

Dear Pastors and Ministry leaders,

Will you please help? If for some reason it is impossible for you to be a friend in Christ and to be practical, then will you please at least pray - that a human on earth will want to help?

Current:

After two months of visiting public church meetings in Jerusalem every day, sometimes visiting up to four different church services in one day, and having visited every (to my knowledge) Christian/Messianic congregation in Jerusalem at least once, I found that no Christian woman anywhere in Jerusalem was interested simply to communicate. Communication is foundational to friendship, just as friendship is a basis for close relationships and marriage.

Jerusalem, the inseparable and undivided capital city of the Jewish people and of the State of Israel, in the nation that I personally care more about than any other nation on earth, Israel, hosts "Christian" church-pastors and ministry leaders that, instead of wanting to help, are in varying degrees indifferent, negligent, oppositional and deliberately obstructive to my declared intent to befriend Christian females, in my hope of finding one Christian woman who would be mutually interested in marriage. Not one woman in all the Christian/Messianic churches in Jerusalem wanted to communicate with me, and no pastor or ministry leader in Jerusalem wanted to be a helpful friend. Satan is extensively influential, over the churches and inside the pastors, also in Jerusalem.

- For Satan himself masquerades as an angel of light. It is not surprising, then, if his servants also masquerade as servants of righteousness. Their end will be what their actions deserve. (2Cor.11:15)

Following two months of inhumanity from the church leaders in Jerusalem, I spent one week also in Tel Aviv, visiting various church services and continuing to communicate the Gospel message with friendly people on the streets. Tel Aviv is a very different city from Jerusalem. While Jerusalem is full of religious sin, Tel Aviv is full of anti-religious sin. Both types of sinners rightfully deserve hell, but somehow, at least the latter seem more honest.

Persons that truly want to follow Yeshua should be advised to fix their eyes and heart on Him, and to be cautious of the "bullshit" of many church-pastors.

On March 16 2012 I was **formally excommunicated from a third church in Jerusalem**. The executive pastor Veikko Nuoraho (<http://www.kkcj.org/people/info/veikko-nuoraho>) of the largest church in Jerusalem, the King of Kings Community Church, who previously approached me where I peacefully stood still five meters from the entrance to their church auditorium in conjunction with their church's main Sunday service on February 5 2012, and rudely stated "*It looks disruptive when you stand here and have eye contact with people.*", thereby clearly indicating the church's derogatory attitude and obstructive intention against me (<http://www.kyrkor.be/King-of-Kings-Ministries-Jerusalem.htm>), has now completed his original obstructive intention through a formal excommunication. This executive pastor Veikko Nuoraho falsely stated in an email from him (<http://www.kyrkor.be/King-of-Kings-Ministries-Jerusalem.htm>) on Sunday February 5 2012 that I would have communicated submission to their church leaders, "*You said today you would submit to our leadership ...*", which is a message that I had never spoken. Contradictorily, Veikko Nuoraho's statement regarding submission conflicts with his collegial Hebrew pastor Oded Shoshani (<http://www.kkcj.org/people/info/oded-shoshani>) who is employed within the same congregation, and who in an email on March 30 2012 insinuated the opposite about Torsten through Oded Shoshani's statement "*the above describes Torsten's attitude towards authority*". The complete email dialogue including the written formal excommunication by pastor Veikko Nuoraho can be read here: <http://www.kyrkor.be/King-of-Kings-Community-Church-excommunicates-innocent-person.htm>.

The satanically dishonest pastor, Oded Shoshani, of the King of Kings Hebrew Congregation in Jerusalem deliberately distorts truth.

Prior to the meeting with Oded Shoshani on March 9, I had never before orally conversed with this pastor. When Oded Shoshani, in the oral conversation with me on March 9 (<http://www.kyrkor.be/King-of-Kings-Hebrew-Congregation-in-Jerusalem.htm>), quickly introduced the topic about previous excommunications and the expulsion from the Times Square Church building in New York City, and when he asked me why I was excommunicated, I countered with a statement and a question to him. I said to Oded Shoshani *"I have already written clearly about what happened at Times Square Church in my public letter on my website. Have you read my letter?"*, whereupon Oded Shoshani replied that he had **not read** my letter. I then told Oded Shoshani that he should first read what I have written on my website (<http://www.kyrkor.be/Times-Square-Church.htm>) prior to requesting additional information from me. I then stated to Oded Shoshani *"You want to interview me without first having done your homework?"*. Without him commenting on my interrogative statement, Oded Shoshani instead continued his conversation with yet another false accusation; an accusation that I had been excommunicated from the Times Square Church, and likewise from other churches, **because of my misconduct with women**. Through Oded Shoshani's additional false accusation against me of misconduct with women, an accusation which probably originated from inside Shoshani's head, it became absolutely clear that Oded Shoshani had no sincere interest in truth, but through his prejudice and condescending attitude towards me he was instead inventing lies against me inside his head, and then pronouncing them against me.

After pastor Oded Shoshani had demonstrated his negative attitude towards me for some minutes, through his overconfident tone of voice coupled with his factually false accusations against me, I understood with certainty that Oded Shoshani neither had a good attitude towards me nor had a benevolent intention for me. My decisive point in the short conversation with Oded Shoshani was when Oded Shoshani falsely accused me of a history of misconduct with women. At that point in the short conversation with Oded Shoshani, I decided to record his statements as evidence against him, and I therefore then took out my pen and notebook to write down his statement. I then asked Oded Shoshani a few questions referring back to his false accusation only minutes and seconds earlier, and Oded Shoshani repeated his false accusations against me, in spite that he saw that I now was writing notes of his exact statement against me.

Among the lies that pastor Oded Shoshani addressed to me were: *"Your profile is about expulsion from churches because of women."* and *"You were excommunicated from the Times Square Church because of your misconduct with women."*

Additionally, just for a correct record, I have not an active personal blog anywhere since my last published blog post was in February 2009 (<http://sanning.blogspot.se>). Also, the term "google" was never at all mentioned in the oral conversation on March 9 2012, which Oded Shoshani claimed in his email on March 30 2012 (<http://www.kyrkor.be/King-of-Kings-Community-Church-excommunicates-innocent-person.htm>).

Always, please pray for God's blessings and protection over Israel, and for the peace of Jerusalem.

I am now back in satanic Sweden.

All church-pastors in Jerusalem, in the nation that I care more about than any other nation on earth, Israel, are still negligent, deliberately obstruent or oppositional to my declared intent to befriend Christian females in my hope of finding one who is mutually interested in marriage. Unfortunately, after two months of visiting the churches in Jerusalem, I have not found a Christian woman who is interested just to communicate. But what I have encountered in the churches of Jerusalem is the typically western-cultured "bullshit-Christianity" (pardon the harsh expression again). Superficiality, insincerity, introversion and inhumanity are some characteristics of also the churches in Jerusalem, and hypocrisy, negligence, malice and evil are some characteristics of the pastors also in Jerusalem. No pastor or church leader in Jerusalem wants to be a helpful friend.

The past two weeks yet another church in Jerusalem decided to excommunicate me. The largest church in the city of Jerusalem, The King of Kings Church (<http://www.kkcj.org>), which previously stated through their executive pastor Veikko Nuoraho at their Sunday service on February 5th (<http://www.kyrkor.be/King-of-Kings-Ministries-Jerusalem.htm>) that I "looked disruptive" and consequently subjected me to social restraints within their church building, has now on March 9th formally excommunicated me from their Hebrew Congregation through their pastor Oded Shoshani (<http://www.kkcj.org/people/info/oded-shoshani>). The accuser from this King of Kings Church in Jerusalem, pastor Oded Shoshani, declared to me on March 9th these exact words "Your presence is really not pleasant. ... I don't want you to come here." Besides the church's vague accusation against me that my presence is perceived as unpleasant, the church-pastor Oded Shoshani justified his excommunication of me from his Hebrew Congregation with two more false reasons: 1) because of my misconduct with women, and 2) because I refuse to answer questions. To exactly cite this church-pastor Oded Shoshani, since I wrote down his words simultaneously while listening to him, he declared the following words: "*I am about to protect the women of my congregation ... because of your misconduct with women. ... Your profile is about expulsion from churches because of women.*" I asked the church-pastor Shoshani what evidence he had regarding his false accusation against me of misconduct with women, and he replied with these exact words "*I have the Times Square Church – that was enough. ... You were excommunicated from the Times Square Church because of your misconduct with women.*" The truth is of course entirely different from the empty accusations of church-pastors. The truth is that I was harshly expelled from the Times Square Church building in New York City in 2011 because one of their elders decided that I was too old to enter the auditorium where the young adults were going to congregate. When I was about to enter the auditorium of the Times Square Church in NYC the church-elder (bouncer) asked my age, whereupon I said my age, and subsequently the elder in a very rude fashion demanded that I leave the building. (<http://www.kyrkor.be/Times-Square-Church.htm>). This new false accusation of "misconduct" from the King of Kings Church in Jerusalem has never previously been targeted against me by anyone; at least not in my presence. Which pastoral lies and pastoral slanders occur behind my back I cannot account for, but Oded Shoshani probably invented this accusation inside his prejudiced mind. Truth and facts are evidently irrelevant to many church-pastors. Apart from the baseless accusation of "misconduct with women", the King of Kings Church in Jerusalem through their pastor Oded Shoshani further accused me with his words "*You refuse to answer questions.*" I asked the pastor which questions that I had refused to answer, and which person accuses me of not answering questions, whereby the pastor Shoshani replied that I had refused to answer questions to "many people" in his church, and he said that he even could point these persons out to me that I had refused to answer questions to (although he did not point anyone out). I asked the pastor Oded Shoshani which questions I had refused to answer, and his exactly worded reply was "*Simple basic human questions like – Who are you?*". There is evidently, as most recently exemplified by Oded Shoshani, no end to the creative lies and evils of church-pastors. Any truthful person who has met me or spoken with me can attest that the opposite is true; that I am exceptionally transparent and honest. I speak with anyone who initiates conversation with me, and I answer questions more honestly than most people, although it is almost always I who initiate conversations with unknown persons. In many churches, also in Jerusalem, most congregants evade eye contact with unknown persons and only speak with familiar faces. Ironically, even the orthodox Jewish anti-missionary organization Yad L'Achim (<http://www.yadlachimusa.org.il/?CategoryID=196>), an organization that is otherwise notoriously known to physically attack in mobs and to cause visa difficulties for Christians that witness about Jesus Christ to Jews, would be able to identify me as an open and transparent person, as I even exchanged business cards with Yad Leachim in Jerusalem after offering a Christian tract to one of Yad L'Achim's courteous representatives (yadlachim@netvision.net.il). The preceding email dialogue which foreshadowed the excommunication from the King of Kings Hebrew Congregation in Jerusalem can be read in its entirety here: <http://www.kyrkor.be/King-of-Kings-Hebrew-Congregation-in-Jerusalem.htm>.

Also the senior pastor of the King of Kings Church in Jerusalem, Wayne Hilsden (<http://www.kkcj.org/people/info/wayne-hilsden>), recently preached careless theology. Instead of acknowledging the more commonly accepted Christian doctrine of a free will - that is limited by God's permission, for both humanity and for Lucifer, the senior pastor Wayne Hilsden exposed his theology on satan in his Sunday-preaching on March 4th, through his analogical statement "Satan is just a puppet on a string." Wayne Hilsden's analogy hints at an underlying radical Calvinistic theology; confusing divine foreknowledge with divine choosing of himself; misunderstanding Eph. 1:4 "he chose us in him" (God the Father choosing God the Son), and ignoring John 3:36 "whoever believes/rejects". In my interpretation of Wayne Hilsden's theological analogy "Satan is just a puppet on a string.", Hilsden essentially states that all of Satan's acts are directly controlled by God, that Satan has no free will, and that the evil expressions of Satan is only an extension of God's will. Two logical consequential statements of Wayne Hilsden's doctrinal analogy could therefore also be 1) "Whatever decision that I as senior pastor make, and everything that I do, is ultimately God's will.", and 2) "All circumstances, that you as a member or visitor to this church encounter, are God's will." Unless I have misinterpreted a dimension of thought, Wayne Hilsden's analogy is careless theology.

Additionally, the senior pastor Wayne Hilsden of the King of Kings Church in Jerusalem recently demonstrated poor discernment by deciding to participate in the devastatingly anti-zionist conference named "Christ at the Checkpoint", in spite of early warnings of a nearly exclusive ensemble of anti-zionist and anti-Israel speakers who profess completed supersessionism.

Judging from all the evil Swedish pastors, but also from many churches in Canada, USA and UK where nastiness, malice and unloving indifference dominate the church cultures, as also in many churches in Jerusalem, it should not be surprising when the world concludes that becoming like church-people will benefit no society. All people need salvation through Jesus Christ, but no person needs the evil aspects of churches. Among the orthodox Jews

in Jerusalem I have witnessed greater family sweetness, family love and brotherliness than among the church-people. Religious Jews need salvation through faith in the Jewish Messiah Yeshua, but the church-people can learn better community and family life from the orthodox Jews.

- (John 13:34-35) "A new command I give you: Love one another. As I have loved you, so you must love one another. By this everyone will know that you are my disciples, if you love one another."
- (Matthew 5:16) In the same way, let your light shine before people in such a way that they will see your good actions and glorify your Father in heaven.

Please **pray** that God will find an unmarried Christian/Messianic woman in Jerusalem, or elsewhere in Israel, who has the interest and courage to communicate with me, and who is willing to heed the invitation from the Holy Spirit regarding marriage. Please **pray also** that the church leaders and other church-people in Jerusalem who currently desire to obstruct God's good will, would cease to obstruct, and instead would choose to support my objective to marry a Christian/Messianic woman in Israel.

And always, please pray for God's blessings and protection over Israel, and for the peace of Jerusalem.

Subject: Heartless Swedish pastors.

An appeal for practical Christian help: Christian unmarried man innocently excommunicated from church in Sweden, ousted from Swedish society, and currently without humane future in Sweden, because of Sweden's heartless pastors and heretic priests, and due to Sweden's aggressively anti-Christian culture.

Dear Pastors and Ministry leaders,

Will you please help? If for some reason it is impossible for you to be a friend in Christ and to be practical, then will you please at least pray - that a human on earth will want to help?

...

Current:

I am still in Israel, the nation that I care more about than any other nation on earth. After having visited public church meetings seven days per week the past 1½ months in Jerusalem, sometimes visiting 2-3 church meetings per day in various congregations, I have unfortunately yet not met a Christian woman who wants to communicate. Although I easily end up in good conversations outside of churches with the secular Israelis, the conservative Jews, and the non-Christian female tourists, I have regrettably been unable to establish communication with the church-females in Jerusalem. Also, I am yet unaware of any church leader in Jerusalem who supports my search for Christian friendships and a Christian marriage, as all church leaders in Jerusalem so far have either exhibited negligence or opposition towards my honestly declared intentions to marry a Christian woman. Phenomenally, in regards to the church-women's evasion of communication, and in regards to the church-pastor's negligence or hostile opposition against me, the churches here in Jerusalem do not differ from most western-cultured churches elsewhere on earth. But in perspective of prevalence of these phenomena, the churches in Jerusalem do appear to differ from churches in other world cities, as I have not experienced a comparable degree of hostility as from the church leaders in Jerusalem, and I have not experienced a similar degree of unwelcoming, uninviting, evasive, distractive, obstructive, and also satanically influenced church-people as in Jerusalem. Of course some churches in Jerusalem are better than other churches in Jerusalem, but the totality of devilish influences that I have encountered within the churches of Jerusalem is higher than in other world cities. In Jerusalem, most church-people inside the churches in practice convey "bullshit-Christianity" (pardon the harsh expression). I will not specify these devilishly obstructive incidents and dehumanising behaviours by church-people during the past two weeks in Jerusalem, but in summary, satan is very active inside the churches of Jerusalem. Through insincere pastors and duplicitous church-people in Jerusalem, through the "bullshit-Christianity", satan is successfully destroying God's good will not only for me but also for others here.

Please **pray** that God will find an unmarried Christian/Messianic woman in Jerusalem, or elsewhere in Israel, who has the interest and courage to communicate with me, and who is willing to heed the invitation from the Holy Spirit regarding marriage. Please **pray also** that the church leaders and other church-people in Jerusalem who currently desire to obstruct God's good will, would cease to obstruct, and instead would choose to support my objective to marry a Christian/Messianic woman in Israel.

Also here in beloved Jerusalem, in the Holy land Israel, the nation that I care more about than any other nation on earth, many of the Christian church leaders are negligent, abusive, dishonest and malevolent. Although it hurts me more to expose the evils of churches in Israel than in other parts of the world, I need to be honest; the secular Israelis that I meet outside of churches are generally more friendly and willing to communicate than the people that I meet inside the churches of Jerusalem. In spite of varying degrees of opposition from most of the church leaders in Jerusalem, I have also met several good-natured and friendly individuals within the churches. God provided many opportunities for me in Jerusalem the past weeks to conversationally witness about Yeshua HaMashiach to many persons; with visitors in Israel, with Orthodox Jews and with secular Israelis. God is good.

According to my information, I have individually contacted all churches in Jerusalem that have an email address, and inquired with those churches regarding their hours for church services. Identically to churches anywhere else on earth, also most churches in Jerusalem have chosen to not reply to my simple inquiry. A few churches did respond, however. In spite of the negligence by most of the churches in Jerusalem, I have visited most of these negligent congregations anyways. (<http://www.kyrkor.be/inquiry-to-Jerusalem-churches.htm>)

The largest church in the city of Jerusalem, The King of Kings Church (<http://www.kkcj.org>), behaves similarly to many stage-focused contemporary styled churches in Western culture, in its intent to actively obstruct my declared intention to seek Christian fellowship (which sometimes generates friendships, and hopefully also a potential to development towards a marital relationship). The King of Kings Church's Executive Pastor, Veikko Nuoraho, approached me where I peacefully stood still five meters from the entrance to their church auditorium in conjunction with their church's main Sunday service, and he stated "*It looks disruptive when you stand here and have eye contact with people.*", suggesting that I should move somewhere else. Accordingly, I then immediately moved further away from their church entrance. Several days prior to my visit to their church's main Sunday service I had tried to visit their church's Young Adults evening service, but their Young Adults Pastor Jamie Hilsden verbally requested (accompanied with an arrogant upward tilting motion of his chin) that I should not participate in their service with the motivation that I looked to be older than 35 years. I therefore promptly and quietly left the Young Adults service location. When I later emailed the church's executive pastor for an explanation to his oral statement "*It looks disruptive when you stand here and have eye contact with people.*" in conjunction with their Sunday main service, the pastor replied that his remark concerned my "*trying to talk to lots of people and smiling at them*". In this largest church in Jerusalem, human eye contact, smiles and socialising is viewed as disruptive by the executive pastor. In settings outside of churches, conversation, eye contact and smiles are considered friendly elements of good culture. The bottom truth, of course, is that this executive pastor desires to obstruct my intention to marry any Christian woman of reciprocal choice. This executive pastor's desire in this matter does not differ from Satan's. (<http://www.kyrkor.be/King-of-Kings-Ministries-Jerusalem.htm>)

Not since my visit to Chicago, Illinois, USA where I was excommunicated from four mega-churches within three weeks have I encountered as much opposition from churches as in Jerusalem, Israel. Never in my life have I experienced a more hostile and uncivilised church leadership than from this particular church: Kehilat El Roi Church in Jerusalem (http://www.gratefullygrafted.org/ministries/congregations/kehilat_el_roii.htm). Perhaps coincidental, the hostile and falsely accusing pastor of the Kehilat El Roi Church in Jerusalem, Pastor Ofer Amitai (elroii@zahav.net.il), lived 14 years in Chicago. Never before in my life have I felt as physically intimidated and threatened by church leaders inside a church building as in the El Roi Congregation in Jerusalem. An elder of the El Roi Church named "Doug", immediately at the end of their main church service on a Saturday evening, bounced towards me to where I had been sitting. This heavily built elder of the church trespassed by far the social distance norm of any culture, by positioning himself within my intimate space and intensely staring at me with his cold, hard eyes. The church-elder remained standing 10-20 cm squarely in front of me, continuously staring into my face with his hard, cold, Christless eyes, and aggressively commanded in an unfriendly tone of voice, although with a normal conversation volume of voice, that I was not allowed to communicate with any women in their church. Feeling very uncomfortable by the potential danger of this man's threatening manner, I asked the church elder in my friendly voice why I was not allowed to communicate with females. This church elder, maintaining his hard cold stare, his hostile voice, and his assaultingly intimate position 10-20 cm in front of me, said that the church had read on my personal website that I seek to marry, and that I had sent 69 international letters for help (http://www.kyrkor.be/Inhumane_Swedish_Pastors.pdf), and that I had been expelled from the Times Square Church in New York City, and therefore this Kehilat El Roi Church in Jerusalem will protect their women from me. He then demanded that I swear to him to not communicate with any women in their church. Upon his threatening demand, and his very provocative physical intimacy against me, and because I was frightened that he would also physically assault me at any moment, I gently asked the church elder if he kindly could back away to give me some space. Reluctantly he backed away a few centimetres, while continually staring in my face with his hard, cold Christless

eyes. The elder then proceeded to threaten me with a demand; that if I do not swear to not communicate with any women in their church, he would take me out of the building. Stunned, and fearful of an imminent physical assault from him, hoping to defuse his hostility, I responded after some delay that I would like to know more about this church, and who he was to set such demands on me. The elder reluctantly answered "I am an elder in the church." He then walked away. Shortly, the church's pastor Ofer Amitai approached me together with the same church elder "Doug". Their pastor, Ofer Amitai, then began to falsely accuse me of having threatened his elder "Doug", and reiterated in an unfriendly tone of voice the message of the elder that I am forbidden to talk to any women in his church. Since I at that time did not know the name of the pastor, I asked the pastor, "Sorry, but what is your name?" The pastor refused to answer what his name was, saying that his name was unimportant for me to know. I then politely explained to the pastor Ofer Amitai in a friendly tone that it is customary to begin a conversation by introducing oneself. He then looked very upset and said essentially something similar to; that knowing his name is none of my business. Interpreting that the risk of a physical assault from the elder was diminished at that moment, I then calmly collected my jacket and items from my chair behind me (although internally I was in a state of shock) and began to move towards the exit to the room. At the exit, I briefly interviewed a Scandinavian man who had been a member of the church for five years, and through my questions to him I attained the name of this pastor: Ofer Amitai. One week earlier when I visited this Kehilat El Roi Church for the first time, the Holy Spirit showed to me something (which I will not say) when I was praying, and through the Holy Spirit I know that the elder and the pastor of this church were acting as instruments of satan against me.

Another church in Jerusalem where I have visited thrice, the Shemen Sasson Church (<http://shemensasson.com>), responded to my email through their Kathryn Morgan "Please take us off your mailing list." Upon my first visit to this church I asked one of their church leaders if I could attend their scheduled seminar for unmarried people on the topic of marriage, but their church leader stated that I was not welcome with the motivation that I was not a member.

Please pray that God will find an unmarried Christian/Messianic woman in Jerusalem, or elsewhere in Israel, who has the interest and courage to communicate with me. Please pray that God will find an unmarried Christian/Messianic woman in Jerusalem, or elsewhere in Israel, who is willing to heed the invitation from the Holy Spirit regarding marriage. Please pray also that the church leaders and other church-people in Jerusalem who currently desire to obstruct God's good will, would cease to obstruct, and instead would choose to support my objective to marry a Christian/Messianic woman in Israel.

And always, please pray for God's blessings and protection over Israel, and for the peace of Jerusalem.

An appeal for practical Christian help: Christian unmarried man innocently excommunicated from church in Sweden, ousted from Swedish society, and currently without humane future in Sweden, because of Sweden's heartless pastors and heretic priests, and due to Sweden's aggressively anti-Christian culture.

Dear Pastors and Ministry leaders,

Will you please help? If for some reason it is impossible for you to be a friend in Christ and to be practical, then will you please at least pray - that a human on earth will want to help?

...

Current:

Currently I am visiting in the Holy land that God loves; Israel. During the past two weeks I have visited many congregations and Christian ministries here in Jerusalem. The opposition from church-people against me here in Jerusalem is beginning to manifest.

Because Israel is also the nation that I love more than any other nation on earth, I will refrain from exposing the individuals, the specific ministries and the specific congregations that act counter-productively, as to minimize the damage of such exposure, while it would be unjust if I abstained from shedding some light on the reality of the situation among the Christian ministries and churches here in Jerusalem.

The Christian churches/prayer ministries in Jerusalem are divided; some Arabic-speaking Christian churches are denying Israel's divine right its land, and some English-speaking Christian churches are opposing the Messianic congregations.

And as customary among multifaceted church-people, also in Jerusalem some churches/prayer ministries are in practice opposing formation of Christian marriages, although their lips may publicly speak in defence of Christian marriages. As I have attained information about the persons who have commenced opposition against me here in Jerusalem, I do see a link between these persons' personal failures in their own relationships, marriages and

potential divorces, and their opposition to the possibility of other people succeeding in Christian marital love. I recognise that these specific church-persons who are actively obstructing God's good will for me here in Jerusalem are not primarily malicious, but I do see that ignorance and emotional hurts are more plausible explanations to their opposition against me.

To a Christian ministry in Jerusalem I wrote the following: *"For your information, I will share also with you about my primary objective here in Jerusalem. But please don't share this information with persons that might misunderstand or who might react counter-productively to this objective: I am here in Israel to find a young Christian/Messianic woman to marry. Therefore, I will be trying to find opportunities to meet and talk with people. As I am sure that you will understand; without interpersonal communication no relationship may emerge."*

In response, one church-ministry leader in Jerusalem replied: *"I just want to mention, that since this is your objective in being here, please do not use my [ministry] as an "opportunity" to meet a young women."*

One of the four recognised Christian prayer ministries in Jerusalem responded through one of their male staffs: *"If your primary desire to come to the meeting is to pray for [subject], I will be most happy to take you, Torsten. If it is for even a hint of any other motivation, I would caution you that this is [an important] matter, & prefer you not to come. With [name of church] again, if your primary desire is to Worship, I would invite you to sit with me. (If you can bear it, after this email !). If your primary motivation is anything else, then please don't."* In other words, if Torsten even in the slightest degree desires to communicate with unmarried women after service in hope of developing relationships, then he is not welcome to participate in the service. And, this particular male does not even want Torsten to sit next to him if Torsten's primary objective for leaving Sweden and for visiting Israel is to meet and talk with people, to develop relationships, and to pursue the possibility of Christian marriage with a Christian woman.

Please do pray that these emerging opponents against me within the Jerusalem churches will not succeed with their counter-productive measures, and that their carcinogenic words behind my back in multiplying the opponents against me would cease.

Apart from the devil quickly raising opposition against me from church-people in Jerusalem, I have also spoken with many friendly church-people in this great city.

Please pray for the peace of Jerusalem.

Current:

The past weeks, satan recognised another person that he could use to further his satanic attacks against me; with purposes to obstruct and to destroy. This time, satan used Sam Moorcroft, the owner of a website business (ChristianCafe.com) which profits financially from Christian single people seeking relationships with other Christian singles. Sam Moorcroft is the president of RealCafes.com Inc and Moorcroft Enterprises Canada. In Sam Moorcroft's miscommunications with me, he obsessively manipulated my posted written profile on his website ChristianCafe.com during a period of time. When I recently confronted Sam Moorcroft with a demand that he would discontinue his obsessive and targeted manipulation of my posted profile, he countered by banning me from his business website with charges of misconduct. Although he presented a correct fact that my age is 45 and not 36-40, both the framework and the language of this particular accusation, his unethical manipulation of customer's profiles, his mismanagement of his business communications, and in context of the notorious presence of scammers on his ChristianCafe.com business, the action taken by Sam Moorcroft cannot be swept aside as merely unethical, contextually unjustifiable or disproportionate. No, I believe Sam Moorcroft's obsessive and targeted action against me is a satanically influenced attack. Furthermore, Sam Moorcroft steps beyond another ethical boundary by falsely accusing that I am not ready for a relationship because I would have unresolved anger issues; a groundless accusation containing no truth whatsoever. Satanically influenced Sam Moorcroft incorrectly accused *"I strongly suggest you get professional counselling, as you appear to have serious unresolved anger issues. Once you have received extensive counselling, perhaps then you will be ready for a relationship."*

In scope of the frequent evangelism that I have partaken in since 1995, I identify from experience a pattern of how satan operates. In conjunction with evangelism, satan retaliates. Soon after an evangelistic outreach, satan often attacks with his regular arsenal of evil through any persons that currently would be accessible for his use. Satan enjoys utilising also pastors, priests and church leaders as tools for his evil. In conjunction with Sam Moorcroft's obstruction by banning me from access of communication with other singles on his profitable business ChristianCafe.com, I had just shortly before then street-evangelised within the city of Birmingham in England. In the afternoon, as I was helping my friend in England by mowing the leaves from his backyard lawn, the Holy Spirit spoke to me with the words "*you will lose the battle*". Often when the Holy Spirit speaks to me, I am initially ignorant to the exact interpretation. Not until later that same evening, when Sam Moorcroft closed access to my account on his ChristianCafe.com business, did I suspected the connection between the words of the Holy Spirit and Sam Moorcroft. In hindsight, the Holy Spirit was absolutely correct – as always. Satanically influenced Sam Moorcroft banned me from his singles website ChristianCafe.com, and through this he legally accomplished the will of satan to obstruct. Sam Moorcroft and satan won this battle. I lost.

As a consequence of Sam Moorcroft's satanic victory against me, the prospect of connecting and communicating with other single Christians has become more limited for me. Previously, a Swedish/Scandinavian Christian singles site 7ehinlen (today: solidlove.com) banned me because I had written in my profile that I only sought a non-feministic and non-Swedish woman, which the pro-feministic and Swedish site owner disliked. Also previously, a former Swedish Christian young-adults communication site (flow.crossnet.net) banned me because I had posted with my written profile a self-portrait photo with an Israeli flag as background, which the Swedish Christian site owner expressed disapproval of by stating "*The Israeli flag can be interpreted as offensive.*"

Not only am I effectually excommunicated from all churches in Sweden, ostracised from Swedish society, forever banned from visiting United States as a tourist, permanently banned from visiting my home territory Canada, but I am now also banned from one of the larger international Christian singles sites. A more popular website for Christian singles is ChristianMingle.com and they do not notoriously harbour scammers in the extent that Sam Moorcroft's ChristianCafe.com site does, but my disadvantage on the more popular ChristianMingle.com site is that essentially all its members are stationed in United States, with some exceptions living in Canada. Since I am forever banned from visiting United States as a tourist, it is next to impossible to develop a relationship with any of the American woman on ChristianMingle.com, as knowing from years of experience that the most common reason of rejection is unwillingness to initiate a long-distance relationship.

Satan is certainly successful in his obstruction, destruction and evil - through pastors, priests, church leaders and other representatives of Christianity.

The recent dialogue with Sam Moorcroft: <http://www.kyrkor.be/satanically-influenced-Sam-Moorcroft.pdf>

- In regards to United States forever banning my entry into USA as a tourist (<http://nenzen.net/American-Embassy-in-Sweden-losing-credibility.pdf>), there could be a conceivable connection between my public stance for scientific truth in abortion research (<http://www.nenzen.net/KI.pdf>) and American federal government agency fears and subsequent opposition to pro-life people as terrorists (<http://www.lifesitenews.com/news/constitutional-experts-pro-life-terrorists-could-be-permanently-detained-wi>). Possibly only someone with insight to the U.S. Department of Homeland Security can confirm or refute this.

64. Sixty-fourth International Plea

Sent: Thursday, November 17, 2011 11:50 PM
Subject: Need Christian rescue away from satanic Sweden.

An appeal for practical Christian help: Christian unmarried man innocently excommunicated from church in Sweden, ousted from Swedish society, and currently without humane future in Sweden, because of Sweden's heartless pastors and heretic priests, and due to Sweden's aggressively anti-Christian culture.

Dear Pastors and Ministry leaders,

Will you please help? If for some reason it is impossible for you to be a friend in Christ and to be practical, then will you please at least pray - that a human on earth will want to help?

...

Current:

- The American Embassy in Sweden and the U.S. Department of State, through its continued interactions the past weeks, have made it obvious that the U.S. Embassy staff, and CBP, are dishonest, sloppy, lack intellectual credibility and lack integrity.: <http://nenzen.net/American-Embassy-in-Sweden-losing-credibility.pdf>

Update:

On September 12, 2011, the Embassy of the United States of America in Stockholm decided to not issue a tourist visa to me. This decision from the US Embassy, that I am not eligible for a tourist visa, succeeded after a brief (5-minute) interview where the US consular section interviewer focused the questions towards two specific areas: 1) Why were you deported from Canada on June 1, 2011?, and 2) How can you afford to travel so much? The choice of questions asked by the US Embassy, pertaining to the deportation from Canada, indicates that the US Embassy was either sloppy or ill-informed. And the questions pertaining to my ability to finance my travels is blatant evidence of the US Embassy's neglectfulness. Attached with my tourist visa application were print-outs and originals of my bank statements, and proof of my monthly income during the intended time of travel. The documents which were submitted to the US Embassy proved that I have sufficient savings, with an adequate income each month while I travel. And yet, the embassy asked questions about my ability to finance my travel.

At the abrupt ending of the brief (5-minute) interview in the US Embassy, the interviewer hastily slipped over a piece of paper (<http://www.kyrkor.be/USA-Embassy-Stockholm-decision-110912.pdf>) to me, followed directly by a return of my (possibly unread) application together with my attached substantiating documents.

Given the categorical explanation from the US Embassy that I have weak family and social ties to Sweden, and that a reapplication for a tourist visa must show stronger social or family ties to Sweden, in practice it means that I can never again in my life visit USA as a tourist. The ties that the US Embassy is looking for are stronger ties to Sweden. That will never happen. Since it is impossible for me to strengthen my social ties to Sweden (excommunicated from Swedish churches and ostracised from Swedish society), and since I have no family in Sweden, this decision in reality necessitates, (if the American Embassy means what they say), that **I am banned from entering USA as a tourist forever**. This is a tragedy for me, as Canada and USA are my cultural home territories, and United States (statistically) offers the greatest potential to connect with other Christians/Messianics.

I have now been excommunicated and ostracised in Sweden for almost a decade, and 2011 turns out to be the year that I am banned from North America. In June 2011 I was banned from visiting Canada. In September 2011 I was banned from visiting USA.

Currently I have no possibility to worship with a Christian/Messianic congregation, no possibility to fellowship in a Christian/Messianic community, no possibility to develop Christian/Messianic relationships, and no possibility to marry a Christian/Messianic woman. Sweden truly is a loveless, Christless and inhumane circumstance.

Thank-you for considering your possibility to be part of God's new solution by helping in a practical manner.

Summary from 3 weeks in Chicago and 2½ months in New York City:

On May 31, 2011 I was detained and imprisoned in Canada. The following day, Canada extradited me to U.S.A. I am not permitted to visit Canada again. U.S.A. has welcomed me to remain in the U.S. for ninety days.

- Canadian government detained, handcuffed, imprisoned and extradited Torsten: <http://www.nenzen.net/CBSA.htm>
- Canada formally endorses its lies against Torsten: <http://www.nenzen.net/CBSA-lies-110707.pdf>
- Torsten responds to the Canadian government lies: <http://www.nenzen.net/TN-to-CBSA-110707.pdf>
- Church offices and pastors in British Columbia, Canada are unwilling to act as Christians: <http://www.kyrkor.be/Okanagan.htm>

During the first three weeks immediately following the extradition from Canada into U.S.A. on June 1, 2011, I sought to find a Christian church in Chicago, Illinois. In Chicago I was innocently excommunicated from four (4) megachurches within a time frame of three weeks. To be innocently excommunicated by four churches within three weeks could be a world record, or at least it is my personal record. I was excommunicated from Willow Creek Church, Park Community Church, Moody Church and New Life Community Church. I visited also other "Christian" churches in Chicago, and I have emailed many more "Christian" churches in Chicago than I have visited. Most of the Chicago-churches do not bother to reply.

- New Life Community Church in Chicago excommunicated Torsten: <http://kyrkor.be/New-Life-Church-Chicago.htm>
- Moody Church in Chicago excommunicated Torsten: <http://www.kyrkor.be/Moody-Church.htm>
- Willow Creek Chicago excommunicated Torsten: <http://www.kyrkor.be/Willow-Creek-Chicago.htm>

Because I was unable to satisfactorily find a Christian church anywhere in Chicago, I moved onwards in my search for a Christian church to New York. For two months I have sought after a Christian church here in New York, but I have yet not found a church home anywhere in New York, although a couple of churches in NY have shown some degree of accommodating gestures. I have emailed to many church offices in NY and most church offices in NY actually do reply, but some churches in NY refuse to reply. Most visits to the churches in NY have been dehumanising experiences, but again, there are several generally friendly churches also. In short summary, church-people in these NY churches are difficult to connect with, not so inviting or welcoming, and superficial. In no church anywhere in NY have I found a real Christian woman who wants to communicate.

Satan was unceasingly active also through the church-pastors in New York City. Satan, through the church offices in NY, performed his regular repertoire to obstruct God's good will for me to marry a Christian woman. These are only several of many other examples of satan's destruction through church-pastors in NY:

- Redeemer Presbyterian Church excludes Torsten from attending their Fellowship Groups: <http://www.kyrkor.be/Redeemer-Presbyterian-Church.htm>
- Sha'ar Adonai Church ostracises Torsten from further attendance at their church: <http://www.kyrkor.be/Shaar-Adonai-Church.htm>
- Times Square Church expelled Torsten from their church building: <http://www.kyrkor.be/Times-Square-Church.htm>

Among all the churches that I have visited in the United States, the very small Messianic congregation **Kehilath HaDerekh** (<http://www.khdnyc.org>) was the only church (Messianic Judaism) where I encountered a benevolent and pragmatic leader. Pastor/rabbi Reb Benzi of this small Messianic Congregation was the only pastor in USA that satisfactorily earned my respect and trust. No other pastor anywhere in the world has accomplished to gain adequate respect in relation to attitude, leadership style, pragmatism, humbleness and care. May God abundantly bless Reb Benzi and this small Messianic congregation. Although there existed no woman in this very small congregation that I could marry, it was certainly a base for some spiritual growth and edification.

Hopefully comprehensible to at least a few, I am disappointed and perplexed that in such a populous city as New York City with ample Christian singles (*Demographics: NY/NJ has one of the largest surplus of single women in the US*), in spite of visiting multiple church meetings each Sunday, in spite of visiting multiple Christian meetings each Shabbat, and in spite of visiting many church events during each week, I was incapable to identify one single woman who wanted to communicate with me. During three months of diligent exposure to church-people in churches in Chicago and in New York City, not one church-woman wanted to communicate. Not one! Not even only to communicate.

I returned to satanic Sweden on August 27. On August 29, the U.S. Department of Homeland Security (through CBP.gov) sent to me an email informing that CBP had cancelled my authorization to travel to United States under the Visa Waiver Program (ESTA). I have scheduled an interview with the American Embassy in Stockholm on September 12, with intention to apply for a tourist visa. **Please pray** that the American Embassy staff will decide to issue a visitor visa.

Please pray that I will be able to quickly leave Sweden to resume my necessary pursuit to find an English-speaking Christian church somewhere on earth; a church that does not intend to obstruct God's will for marriage, but who wants to facilitate the essential circumstances towards communication. Please continue to pray that I will meet a Christian woman of God (who loves Jesus Christ more than she loves anyone else, and who has the necessary courage to communicate) within an English-speaking church somewhere on earth.

Other churches that deserve short comments are:

- All Souls Church (<http://allsoulschristianchurch.com>) – Very friendly, welcoming and sociable people. Healthy social dynamics. However, no singles available in this small church.
- Redeemer Presbyterian Church (<http://www.redeemer.com>) – Mega-church consisting of predominantly early- or mid-career singles. Sociable, yet I estimate that only 15% of single attendants remain for church refreshment after Sunday services. Supportive office staffs. Performs infant "baptisms", and allegedly supports supersessionism.
- Trinity Wall Street (<http://www.trinitywallstreet.org>) – Quite friendly, but perceived as distant from God.
- The Journey Church (**Error! Hyperlink reference not valid.**) – Exceptionally stage-focused and dehumanising Sunday services, superficial and many defensive singles, immature "Christianity", but at least a sociable jogging group. Some friendly office staffs and consistently good email conduct.
- Citylight Church (**Error! Hyperlink reference not valid.**) – Officially welcoming, responds well to email, errant personal prosperity teachings, some spiritual sensitivity, young, superficial.
- C3 Manhattan (<http://www.c3manhattan.org>) – Ambitious stage performance. Their second pastor is destructively and errantly presumptuous, and their first pastor is more welcoming although he remains theatrical also in personal conversation. Performance focused Sunday service.
- Gallery Church (<http://www.gallerychurch.com>) – Small, young, mixed maturity levels, and expansive church. Immature yet visionary and humble leadership with growth potential. No sociable singles available.
- Sha'ar Adonai Messianic Congregation: (<http://www.shaaradonainyc.com>) – Congregation leader and all its elders strangely refuse to reply to any of my emails. Sociable after the Saturday services. Some healthy outreach and evangelism. No young singles in this congregation.
- Forefront Church (**Error! Hyperlink reference not valid.**) – The most dehumanising Sunday church visit I have experienced anywhere in NY. Unwelcoming and unsociable.
- Beth Israel Worship Center (**Error! Hyperlink reference not valid.**) – In spite of being a Messianic congregation I rank it as the second most dehumanising Sunday church visit in the NY neighbourhood. Superficial and unwelcoming.
- Brooklyn Tabernacle (<http://www.brooklyntabernacle.org>) – Does not welcome to participate with their young adults - possibly due to church office loyalty with Times Square Church. Brooklyn pastor requested "*Please have someone from Times Square contact us about your situation at their church.*" Times Square Church refuses any communication with me.

My situation in New York, with a clear objective to find Christian singles to communicate with so that I subsequently may find one woman to marry, is very peculiar. Although all church-people tell me that there are many singles in New York, I am unable to discover one Christian single female in New York who wants to communicate with me. Maybe New York Christian singles are so career focused that they are unattainable, or perhaps the Christian single women in NY churches are so protective to their undesired singleness that they effectively shield themselves from any Godly possibilities. Whatever the explanations - one thing is certain: something is wrong.

Please continue to pray that I will satisfactorily connect with a practical Christian church somewhere in New York, and that I will meet a Christian woman of God (who loves Jesus Christ more than she loves anyone else, and who has the necessary courage to communicate with me) somewhere in New York.

... In a recent survey of 114 of the 192 recognised sovereign states, Swedish people were radically the least interested in religion (82%) compared with all other nations. Affluent and arrogant Swedes appear to worship pseudo-science and themselves, and in principle all "Christian" pastors and priests in Sweden are either heretics or hypocrites, or both. Sweden is culturally the most anti-God nation on the planet according to the survey, and Swedish pastors are probably the most evil pastors on earth. In conjunction with a visit to a pentecostal church in Worcester in United Kingdom (St. Pauls church, <http://www.stpaulschurch.co.uk>) on 2010-08-25, a pentecostal pastor falsely accused in a private meeting that the reason why Torsten is not yet married in spite of Torsten having prayed for marriage for 17 years is that there is something not right with Torsten's relationship with God. The pentecostal pastor also accused that Torsten is obsessed to get married. When Torsten at the conclusion of the meeting directly inquired with the pastor if he would want to help Torsten to connect with Christian singles, the pastor responded in the negative. Several days after the personal meeting with the pastor, in email the pastor denied his earlier statements from the meeting. Apart from that pastor's blatant lies (denial of factual truth) regarding the pastor's own statements, there is an evident gap of logic in the pastor's failing to recognise the relationship between Torsten's involuntary singleness and Torsten's absence of connecting settings for Christian singles, Torsten's excommunication from church in Sweden, all Swedish pastor's refusal to helpfully invite into a discipling church, and Swedish royal sin.

Although I remained loyal to God's calling to evangelise in Sweden by returning to Sweden as a missionary in Dec. 1998 and initiated the evangelism project "Jesus loves Sweden" (www.helig.com) in Jan. 1999 and continued evangelism in Sweden despite opposition to the evangelism from many Swedish churches and despite not receiving any form of support from any church in Sweden, and although I had remained faithful to the specific woman that God had planned for me towards marriage (<http://royalcourt.nenzen.net>) in Sweden, and although I had daily prayed particularly for that specific woman during the preceding twelve years (12 years of daily specific prayer!), that specific woman decided to be unfaithful to God's will. In that woman's grave defiance against God regarding marriage she fulfilled her disobedience on June 19, 2010 when she married someone that God had not intended for her. On June 19th I consequently lost "everything". While there was time, no priest or pastor wanted to help. Most Swedish pastors were clueless to God's will because they are deaf to God and because they refused to communicate with me, many pastors had been sufficiently informed but they did not believe, and at least one (indications of several) priest understood the truth but did not want to help. (Comparable attitudes: John 19:15, Luke 19:14). Primarily because of that woman's disobedience to God, but secondarily because of sins of omission from priests and pastors that were supposed to support, God's good plan for her and for me was destroyed. Without exception, no "Christian" in Sweden wanted to act as a Christian, and all priests and pastors in Sweden were ignorant or malevolent. Satan was assisted through both active malevolence and passive sins by all Swedish pastors/priests, and ultimately Satan won through the specific woman's arrogance and disobedience. If any Swedish pastor/priest in future were to repent from their evil attitudes and malevolence, and thereby would decide to want to help me regarding marriage, that help would arrive too late. Nevertheless, I am alive and therefore God can still use me - but never within God's original plan for me, for her, and for Sweden. The consequences of that woman's disobedience and insubordination to God and the effect of sins by all Swedish pastors/priests will remain.

Sweden is a secularised extremist, antichristian, anti-Semitic, abortion-promoting, sciencephobic, anti-family, morally confused, cowardly, corrupt and thoroughly rotten nation - a nation of the shadow of death. All international students that I have spoken with at universities in Sweden, and those students I have mentored, without exception express varying degree of concern regarding the anti-social and unfriendly nature of Swedish people.

Subject: Acquaintances - but not one Christian friend within Sweden.

A prayer request – and petition for real human help: Christian unmarried man ousted from Swedish society and currently without future in Sweden, because of Sweden’s heartless pastors and heretic priests, and due to Sweden’s antichristian culture.

Dear Pastors and Ministry leaders,

...

Please visualise this life situation: After more than fifteen years (15 years!!) of daily fervent prayers for God to find a Christian woman interested in communication, friendship and marriage, and after six years (6 years!) of regularly emailing my plea for help to every denominational church all over Sweden concerning my despairing need for help in meeting a Christian woman, and after several pleas for prayer support concerning my need for church fellowship and marriage during the past three years (3 years!) to caring non-Swedish churches and international ministries such as yours, my conviction in a prayer-alone solution is weakened. Logically, a human person needs to become the solution towards relational assistance, as we are social beings by design. No Christian in Sweden wants to be a helping friend. Although I have many Christian acquaintances I do not have one Christian friend within Sweden. Because no Christian in Sweden is a friend and no one wants to help, it appears impossible to resolve my circumstantial crisis within Sweden. No pastor/priest in Sweden knows me or speaks with me, and no Christian acquaintance in Sweden is a friend. Simply expressed: Christians in Sweden don’t care. Therefore, perhaps the prayer-alone solution is a non-solution. Perhaps God is waiting to find a human of God’s avail, a willing Christian, to become the help I need - so that I can meet and communicate with a Christian woman. Based on my knowledge and experience of Sweden, a nation impoverished from lack of social capital, I assess of my situation that only humans outside of Sweden will be able to become the Christian friend that I need.

A personal prayer request and public bulletin of contemporary Christianity in Sweden

Dear Pastors and Ministry leaders,
 Will you please help to pray for Sweden?

I am contacting you because of an urgent personal need and because of the depraved church governance in Sweden. My name is Torsten. I am a normal 39 years old man and I have never been married. I was raised in British Columbia, Canada but moved as an adult to Sweden. I strongly desire to share my love with a Christian woman within marriage and have, consequently, prayed regularly the past fifteen years for God's blessing of a wife. The past ten years of daily prayers for a wife have included many grieving and painful tears in longing for marital companionship. I also grieve over human loneliness and social exclusion due to the lack of compassionate and humane pastors in Sweden.

There are principally two obstacles creating this very difficult life situation of wanting to marry but finding no-one. Firstly, I live in Sweden. Sweden admirably is a state of relative socio-economic equity, but is also a nation impoverished from lack of social capital. Swedish Christian women are generally feministic and proud, and culturally somewhat fearful/shy/suspicious to new contacts – especially for one-to-one conversations. Secondly, I do not belong to a Christian church and therefore I do not have the possibility to become acquainted with any Christians. I was excommunicated 2002 from a Swedish Pentecostal church without a given reason or explanation.

One of the Pentecostal denomination's sectarian churches (Stockholm Karisma Center) excommunicated me 2002 without informing me of a reason. After half a year from being excommunicated, an unofficial source informed me that *"The purpose of the excommunication was to help you along the way."* This exact statement was later reiterated by a pastor of the Swedish Pentecostal denomination. Because the church would not explain the excommunication with any other statement, I requested that the director of the Swedish Pentecostal denomination (www.pingst.se) would investigate the church and provide me with a reason for the excommunication. After several months, the Swedish Pentecostal denomination simply concluded that *"We cannot see any reason to excommunicate, but you have been defined as a difficult person. We cannot acquit you."* The Swedish Pentecostal denomination's singular argument for myself being a *"difficult person"* was the fact that the Swedish Vineyard denomination 1997 expelled me from further studies at Vineyard Theological School in Stockholm.

The Swedish Vineyard denomination expelled me from further studies at Vineyard Theological School in Stockholm 1997 because of two unexplainable reasons. The Swedish pastor motivated my expulsion from the Swedish Vineyard by two cryptic statements *"You are not the sort of person we want to approve. You have emotional problems."* I directly asked the Swedish pastor what he meant. The Swedish pastor curtly replied *"I understand that you do not understand."* After one week I emailed the Swedish pastor and asked him again what he meant with his motivation for expulsion. This time, the Swedish pastor lied and denied that I had been expelled. After another week, the Swedish pastor had changed his mind again and answered *"You may remain in Vineyard Theological School, but you can not attend my lectures."* After the Swedish pastor's lies I did not want to return to that theological school. Even to this very day, this Swedish Vineyard pastor's unexplainable actions and unsubstantiated accusations against my person function as a reason that the Swedish Pentecostal denomination cannot acquit me of charges of being a *"difficult person"*. Since the Swedish Vineyard pastor has had ample opportunity the past almost ten years to explain his words and deeds, and yet has not, I will publicly guess what happened. Probably, the Swedish pastor thought I was a homosexual. In 1997 it was a trendy fashion to have slightly longer hair in the neck in the form of a ponytail. Also I followed that trend and therefore had a ponytail with a thin pink stretchable string to tie the hair. I have never been, am not, and shall never be a homosexual. I am sexually attracted only to women.

Since the excommunication from the Swedish church 2002, I have pleaded with most churches in Sweden for any church to want to welcome me as a member of their church and to want to assist my search for a wife. The past ten months I have pleaded each week to over 1000 Christian churches in Sweden that any pastor would want to welcome me and

help. Unfortunately, not one pastor in all of Sweden wants to welcome and help, but the response from Swedish pastors are instead falsely accusatory, presumptuous and discourteous. Most of the Swedish pastors reply with false accusations against my person in an unchristian manner. Swedish pastors are each week revealing themselves to be inhumane and uncompassionate. Every public letter sent to Swedish churches is published at www.kyrkor.be.

As I will only marry a girl who loves Jesus Christ more than she would love me, I would expect to find a woman of God within a church context. Therefore, I have inquired with churches all over Sweden if anyone cares to assist the search for Christian fellowship with Christian singles, as to enable commencing a relationship process that may progress into marriage. Most Swedish pastors, however, nurture church cultures characterized by superficial communication and inhibit establishment of settings that would make genuine Christian relationships (accountable discipleship) attainable. Moreover, many pastors in Sweden actively suppress evangelical truth and its proponents.

Last year 2005 I applied for full time theological studies at a university college; Stockholm School of Theology (www.ths.se). My application for theological studies at the Swedish university was denied by the university rector. The Swedish rector created an additional qualification requirement only for me. The rector illegitimately required that the Swedish college would not accept my application until I would apologize for having sent a letter to the college on the topic of homosexuality. Through the evangelism project I initiated in 1999 Jesus Loves Sweden (www.helig.com/index_e.html), I had sent an article where I proclaimed and argued that homosexuality is a sin against God (www.helig.com/opinion_archive.html). All members of the Swedish parliament received the same letter, as did all national newspapers. The members of parliament did not demonstrate as much opposition to the letter as did the Swedish Christian institutions. The Swedish theological college's refusal of my application for studies is a blatant discrimination against those who hold to the view that homosexuality is a sin against God. This case (15929/06) is currently being decided at the European Court of Human Rights.

This year 2006 I applied for theological studies at two other university colleges in Sweden: Orebro Missionsskola (www.orebromissionsskola.se), and Johannelunds teologiska hogskola (www.johannelund.nu). Both Swedish university colleges rejected my application. Orebro Missionsskola rejected my application because I could not provide any references. I am excommunicated from Swedish churches and thereby no pastor in Sweden knows me, and therefore no pastor can recommend me. Because no pastor in Sweden can recommend me I requested that the theological college, instead of the required recommendations, would personally interview me. They agreed and did instead interview me over the telephone. Not until I requested a reason why I had not been selected for studies did the Swedish theological college explain that the agreed interview would not replace the requirement of recommendations. As a result of Swedish pastors' evils through unrighteous excommunication from church, and because of uncompassionate Swedish pastors' unwillingness to welcome and help into any other church – I am not permitted to study theology in Sweden. The other theological university, Johannelunds teologiska hogskola, rejected my application because I stated that I could not foresee myself working within a Swedish church, as probably no church in Sweden would want to employ me, and because my primary concern is evangelism. The Swedish theological university will apparently only accept students who guarantee that they want to be employed within a Swedish church. The Apostle Paul's example of self-financing is apparently not acceptable. Evangelists and missionaries are not allowed to study theology.

In essence, this is my experience in Sweden: Evil is just as prevalent within the Swedish churches as outside the churches. In general, Swedish pastors are among the greatest hypocrites in Sweden. The greatest opposition towards evangelizing the gospel truths in Sweden does not come from any political party or government – the strongest opposition comes from the well established Christian churches.

May I please ask that you will pray for these natural and simple needs:

- 1) Pray for compassionate pastors within Sweden.
- 2) Pray for a church in Sweden that will want to welcome and assist.

Thank-you for praying for Sweden.
